THIS OPERATING AGREEMENT (the "Agreement") made as of the 31st day of January, 2017, by and among the undersigned members of Mountain Laurel Manor VA LLC, a Virginia limited liability company (the "Company"), such persons being hereinafter referred to individually as a "Member" and collectively as the "Members."

WITNESSETH:

WHEREAS, the parties hereto desire to organize a limited liability company to engage in any lawful business including ownership and development of an affordable housing apartment complex in the County of Augusta, Virginia known as Mountain Laurel Manor ("Project").

NOW, THEREFO, in consideration of the mutual promises, covenants and agreements contained herein, and other good and valuable consideration, the parties hereto agree as follows:

1. NAME, BUSINESS, AND REGISTERED OFFICE AND AGENT. The Members do hereby form a limited liability company ("LLC") under the name of Mountain Laurel Manor VA LLC in accordance with and pursuant to the Virginia Limited Liability Company Act (the "Act"), to engage in any lawful business including ownership and development of real property. The organizing Members, or their representatives, shall execute and file Articles of Organization on behalf of the Company in the Office of the Secretary of State of Virginia. The Members shall do or cause to be done all such filings, recordings or other acts as may be necessary or appropriate from time to time to comply with the requirements of the Act or otherwise as necessary for the operation of LLCs in the State of Virginia. The Company shall promptly reimburse any cost incurred by the Members in connection with the foregoing. The registered office of the Company shall be:

109 Holly Ridge Road

Glade Spring, VA 24340

and the registered agent at such address shall be:

Jennifer Surber

The principal office of the business may, but need not, be the same as the registered office.

2. TERM. The Company shall begin as of the date of filing the aforementioned Articles, and shall continue perpetually unless sooner terminated as provided in paragraph 15 of this Agreement.

3. CAPITAL; LIABILITY OF MEMBERS.

(a) Initial Capital Contribution. The Members shall make initial capital contributions to the Company in amounts as mutually agreed upon such that their initial capital interests in the Company shall be as follows:

<u>Members</u>	<u>Capital Interest</u>
Surber Development and Consulting LLC	90.00%
Project Faith	10.00%

(b) Subsequent Capital Contributions. For purposes of paragraphs 3 - 6 of this Agreement, and with respect only to allocations and distributions to a Member, capital contribution obligations, and capital account maintenance rules (but not with respect to any other rights including voting rights of a Member), the term "Member" shall include the assignee, if any, of such Member. Each Member is personally liable for his proportionate part (determined with reference to his interest in profits as provided in paragraph 4(a)) of any capital contribution required for continuation of the Company business as determined reasonably and in good faith by the affirmative vote of at least 100% in voting interest (as determined in paragraph 7(c)) of the Members. In the event that any Member refuses or fails to make any such required capital contribution within thirty (30) days after written notice of the Members' approval of the additional contributions, then such Member (the "Defaulting Member") shall be in default of this Agreement and the other Members and the Company shall have any and all remedies available at law or in equity as a result of such default, including without limitation the right (upon the affirmative vote of a majority in voting interest of all Members other than the defaulting Member) to expel such defaulting Member from the Company, in which event the value to be paid for the defaulting Member's interest and the manner of payment shall be determined in accordance with the provisions of paragraph 12 of this Agreement. In addition, but without limiting any such rights or remedies of the other Members or the Company, the other Members may, but shall not be required to, contribute such deficiency to the Company. To the extent that any Member does contribute any deficiency to the Company for the Member failing to do so, such contribution at the sole election of the contributing Member(s) shall be deemed to be either

(i) an additional capital contribution requiring adjustments to the Percentage Interests as set forth in the next paragraph, or (ii) a loan to the defaulting Member repayable on demand which shall bear interest from the date of such contribution at a rate computed to be ONE PERCENT (1%) above the prime rate established by Bank of America, N.A. on the date of such contribution. The defaulting Member shall have no voting rights on matters of Company business, and no further distributions or withdrawals may be made to or by the defaulting Member, until such loan with interest is paid in full. Any distributions, withdrawals, or rights thereto that would otherwise be distributed to or withdrawn by the defaulting Member (including any distribution made on expulsion of such Member as described below) during the term of any such demand loan shall be paid, credited, or accrued to the Member or Members who contributed the deficiency to the Company and shall be applied as a credit against the amount due from the defaulting Member, but such amounts shall be treated for book and tax purposes as if they had been distributed to the defaulting Member and then paid to the Member or Members actually receiving the same in respect of the loan. Failure to repay any such demand loan within thirty (30) days after written demand therefor shall be deemed sufficient grounds for expulsion of such Member from the Company. In such event, the value to be paid for the defaulting Member's interest and the manner of payment shall be determined in accordance with the provisions of paragraph 12 of this Agreement. Except for the payment to liquidate his membership interest in the Company as herein provided, such defaulting Member shall have no further interest or rights in the Company, its business or assets.

If the contributing Member(s) elect to treat the amount contributed on behalf of the defaulting Member as an additional capital contribution by them to the Company as provided in item "(i)" above, the Percentage Interests in net profits and net losses described in paragraph 4(a) shall be redetermined for each Member based on the ratio of his capital account balance as adjusted for the new contribution and an adjustment made pursuant to the methodology of paragraph 3(e), divided by the total capital account balances of all Members as adjusted above. Following such adjustments to capital accounts and Percentage Interests, the default shall be deemed cured.

(c) Credits and Debits to Capital Account. A separate capital account shall be maintained for each Member

(i) to which shall be credited:

(A) The amount of money and fair market value of other property comprising the Member's capital contributions ,

(B) Any allocations of Company income, gains, and profits made to the Member for book purposes under paragraph 4, and

(C) The amount of any Company liabilities that are assumed by the Member or that are secured by any Company property distributed to the Member; and

(ii) to which shall be debited:

(A) The amount of cash and the fair market value of any Company property distributed to the Member pursuant to any provision of this Agreement,

(B) Any allocations of Company deductions and losses made to the Member for book purposes under paragraph 4, and

(C) The amount of any liabilities of the Member that are assumed by the Company or that are secured by any property contributed by the Member to the Company.

(d) Treasury Regulations Section 1.704-1(b) Compliance. Paragraph 3(c) and any other provisions of this Agreement relating to the maintenance of capital accounts are intended to comply with Treasury Regulations Section 1.704-1(b), as amended, and shall be interpreted, applied, and modified to the extent necessary to comply with such Regulations. For all purposes of this Agreement, the phrase "for book purposes" shall be construed and applied according to the provisions of Treasury Regulations Section 1.704-1(b).

(e) Adjustment of Values. The gross value of Company property for book purposes, and the capital accounts of the Members, shall be simultaneously adjusted to reflect the gross fair market value (as determined in good faith by the affirmative vote of at least 100% in voting interest of the Members as required by paragraph 7(c)) of such assets as if the Company recognized gain or loss (determined with reference to the Company's bases in its assets for book purposes) in an actual disposition of such assets (i) at such times as is permitted under (and pursuant to the rules of) Treasury Regulations Section 1.704-1(b), as amended, and (ii) upon any other change in a Member's Percentage Interest (defined in paragraph 4(a)). Any such adjustment to the individual capital

accounts of the Members shall be made by allocations of any such deemed gains or losses in accordance with the Members' relative interests in such gains or losses as provided in paragraph 4 in effect immediately before the triggering event described in items "(i)" and "(ii)" of this subparagraph (e). If the Members are unable to agree by the affirmative vote described above regarding the gross fair market value of Company assets, or if any Member otherwise requests the valuation determination to be made by appraisal, such value shall be determined by appraisal as follows. The Members unanimously shall select two qualified appraisers, such two appraisers shall then appoint a third qualified appraiser, and the three appraisers separately shall appraise such gross fair market value. The average of the two appraisals which are closest in amount shall be binding upon the parties hereto, and the other appraisal shall be ignored. The Company shall pay all expenses involved with such appraisers unless a Member requests an appraisal determination of value as provided above, in which case the costs of the appraisal shall be paid by the requesting Member. For purposes hereof, a qualified appraiser shall be any entity or person who regularly engages in the valuation of assets of the kind and nature owned by the Company and who holds themselves out as being in such business and qualified to make such valuation .

(f) Transfer of Interest. In the event any interest in the Company is transferred in accordance with the terms of this Agreement, the transferee shall succeed to the capital account of the transferor to the extent it relates to the transferred interest.

(g) Limitation on Personal Liability. Except as otherwise provided by the Act or this Agreement, no Member of the Company, as identified on the signature page hereof or who subsequent to the date hereof becomes a Member, shall be personally liable for or obligated to contribute money or property to or in respect of the debts, liabilities, contracts, or any other obligations of the Company (unless he was so liable prior to becoming a Member). Except as otherwise provided in this Agreement, no Member shall be liable to restore a deficit balance in his capital account.

(h) No Interest to be Paid. No interest shall be paid on the capital accounts of the Members in the Company.

4. PROFIT AND LOSS.

(a) General. Generally, except as otherwise provided in this paragraph 4, the net profits and the net losses of the Company for book and tax purposes shall be allocated to the Members in the proportions of their "Percentage Interests" , as follows:

<u>Members</u>	<u>Percentage Interest</u>
Surber Development and Consulting LLC	90.00%
Project Faith	10.00%

(b) Stop Loss Allocations. Notwithstanding paragraph 4(a), no allocation of loss or deduction shall be made which causes or increases a deficit balance in any Member's capital account as adjusted pursuant to Treasury Regulation Section 1.704-1(b)(2)(ii)(d) (unless such allocation is otherwise permitted by such Section); and any such deduction or loss allocation shall instead be made to the Members who are permitted to receive the same in accordance with the provisions of this Agreement.

(c) Qualified Income Offset. Notwithstanding paragraph 4(a), allocations of income and gain shall be made to the Members at such times and in such manner as required by the qualified income offset provisions of Treasury Regulation Section 1.704-1(b)(2)(ii)(d) in order to eliminate any "adjusted" (within the meaning of such Section) deficit capital account balances which may exist.

(d) Gross Income Allocations. In the event that any Member receives a distribution that causes or increases a deficit (which he is not liable to restore) capital account balance (as maintained and adjusted pursuant to paragraph 3) after taking into account all other provisions concerning allocations of profits and losses of this Agreement, such Member shall be allocated items of gross income or gain for the tax year of such distribution in an amount sufficient to eliminate such deficit.

(e) Allocations in Respect of Nonrecourse Liabilities. To the extent that the Company incurs any nonrecourse liabilities as described in Treasury Regulations Section 1.704-2, the following provisions shall apply notwithstanding paragraph 4(a) hereof:

(i) Nonrecourse Deductions. Partner nonrecourse deductions shall be allocated to the Members based upon the ratios in which they bear the economic risk of loss for the applicable liability, and allocations of other nonrecourse deductions shall be made to the Members in accordance with their Percentage Interests in effect

under Paragraph 4(a); all as determined in compliance with Treasury Regulations Section 1.704-2, as amended or modified from time to time.

(ii) Minimum Gain Chargeback. Allocations of items of income and gain of the Company for any taxable year shall be made, prior to any other allocation for such year under this Agreement or otherwise, to the Members as required by the minimum gain chargeback provisions of Treasury Regulations Section 1.704-2, as amended or modified from time to time.

(f) Curative Allocations. The Members acknowledge that allocations made pursuant to paragraphs 4(b)-(e) above (collectively, the "Regulatory Allocations") are intended to comply with certain requirements of Treasury Regulation Section 1.704-1 (b) and may not be consistent with the manner in which the Members intend to share distributions of the Company. Accordingly, in the event any Regulatory Allocations are made to the Members, subsequent curative allocations provided for in this paragraph shall be made in a manner to prevent the Regulatory Allocations from distorting the manner in which Company allocations and distributions are shared pursuant to paragraphs 4(a) and 5, respectively. Such curative allocations of items of Company income, gain, loss, and deduction shall be made to the extent possible in any tax year in amounts sufficient such that the aggregate cumulative Regulatory Allocations and the cumulative curative allocations required by this sentence are made to the Members in proportion to their Percentage Interests described in paragraph 4(a) above in effect during the time period affected by such allocations, as if the Regulatory Allocations had not occurred.

(g) Other Allocations Rules. Although it is intended that paragraph 4(a) be the general rule for allocations of book and tax income or loss, such allocations shall be adjusted or modified in any given instance to the extent necessary to comply with Section 704(b) and (c) of the Internal Revenue Code of 1986, as amended (the "Code") and the Treasury Regulations promulgated thereunder. For purpose of determining the profits, losses, or any other items allocable to any period, profits, losses, and any such other items shall be determined on a daily, monthly, or other basis using any permissible method under Code Section 706 and the Treasury Regulations promulgated thereunder.

5. SALARIES AND DISTRIBUTIONS.

(a) Limitation of Member's Salary. No Member shall receive any salary, commission, or fee for services rendered to the Company unless the payment of such salary, commission, or fee is approved by a unanimous vote of the Members.

(b) Distributions of Cash Flow. Subject to paragraph 5(c), the net cash flow of the Company, as reasonably determined by the Managers, shall be distributed at such times as may be determined by the Managers (but no less frequently than annually) to the Members in accordance with the Percentage Interests which are in effect pursuant to paragraph 4(a) at the time of the distribution.

(c) Distribution upon Liquidation. In the event of termination and liquidation of the Company, then the assets of the Company remaining after settlement of Company obligations shall be distributed to the Members in accordance with their positive capital account balances as adjusted to fair market value pursuant to paragraph 3(e), except as otherwise provided in this Agreement. Any distribution to a Member to liquidate his interest in the Company other than during the liquidation of the Company, and except as otherwise provided in this Agreement, shall be in the amount of his positive capital account balance adjusted as provided above.

(d) Distribution in Kind. If any of the assets of the Company are to be distributed in kind, the fair market value of such assets shall be determined in accordance with paragraph 3(e) as of the time of such distribution. Allocations to the Members' capital accounts (using the methodology described in paragraph 3(e)) shall be made of the amount of gain or loss, if any, which would have been realized by the Company if such assets had been sold by the Company for prices equal to their respective fair market values as so determined. Such assets shall be distributed on the basis of the fair market value thereof and any Member entitled to any interest in such assets shall receive the same by separate distribution of such assets or by distributions of undivided interests therein with all other Members so entitled, as is determined by the unanimous agreement of the Members.

6. EXCESS LOAN AND CAPITAL TRANSACTIONS PROCEEDS. In the event that a loan is obtained on security of Company property in substitution or in addition to any existing loan or in the event of the sale or other disposition of such property in whole or in part, then, upon the consummation of such loan or the sale or other disposition of such property, as the case may be, the proceeds thereof shall be applied in the following order: (a) to the discharge of any existing loan, if necessary; (b) to the payment of the expenses incidental to such loan or the expenses of sale, and any

unpaid expenses of operation or maintenance of such property, as the case may be; and (c) any remaining balance to be distributed to the Members as provided in paragraph 5(b), subject to paragraph 5(c).

7. MEMBERSHIP.

(a) In General. Any Member identified on the signature page of this Agreement or who becomes a new Member upon compliance with paragraph 18 below shall continue as a Member until his membership in the Company ceases. A Member's membership in the Company shall cease upon the events specified in the Act, including, without limitation: the Member's voluntary withdrawal from the Company (if permitted by paragraph 11), the Member's assignment of its entire interest in the Company in accordance with this Agreement, the removal of the Member as provided in this Agreement, an act of Bankruptcy by the Member as defined in paragraph 12, the Member's death or adjudication of incompetency, termination of a trust which is a Member, liquidation of a Member which is a partnership, LLC, or corporation, or distribution of its entire interest in the Company by an estate or trust Member or by a partnership, corporate, or LLC Member. When the Member's membership in the Company ceases, he shall have no rights greater than those of an assignee as provided in the Act.

(b) Rights Accruing to Members. All Members shall have access to such information and records of the Company as provided in the Act, subject to the limitations provided therein.

(c) Action by Members. For purposes of this Agreement, whenever a decision or action by the Members on behalf of the Company is called for and except as otherwise provided in this Agreement, then each Member shall be entitled to one vote (or fraction thereof) for each percentage point of his Percentage Interest as provided in paragraph 4(a) at such time. Except as otherwise provided in this Agreement, a majority vote of the Members shall be required to approve any such action or decision, provided that the following matters shall require the affirmative vote of at least 100% in voting interest of the Members:

(i) The amendment of this Agreement (except as to any matter the approval of which would require a greater affirmative vote, or except as to any of the economic rights of the Members, the amendment of which shall require the unanimous vote of the Members).

(ii) Merger of the Company,

- (iii) The encumbrance, sale, transfer, or other disposition of all or substantially all of the assets of the Company,
- (iv) The admission of a new Member to the Company, subject to compliance with paragraph 18 below,
- (v) The adjustment of capital account balances of the Members described in paragraph 3(e),
- (vi) The contribution of additional capital to the Company pursuant to paragraph 3(b),
- (vii) The incurrence of indebtedness by the Company other than in the ordinary course of business ,
- (viii) A fundamental change in the nature of the business of the Company, and
- (ix) The dissolution and liquidation of the Company as provided in paragraph 15 below.

(d) Waiver of Right of Partition. Each of the Members irrevocably waives during the term of the Company any right to maintain any action for partition with respect to the Company's property.

8. MANAGEMENT.

(a) Initial Manager. All Members are not necessarily managers by virtue of their status as Members, and a manager need not be a Member of the Company. Notwithstanding anything to the contrary herein, the initial manager of the Company (the "Manager(s)") shall be:

Surber Development and Consulting LLC

Each Manager shall continue as a Manager of the Company with all rights, authority, and responsibilities provided in this Agreement until the time that he ceases to be a Manager as provided in paragraph 8(d) below, whereupon his successor shall be appointed as provided therein.

(b) Authority of Manager. Any decisions made by the Managers shall require the affirmative vote of a majority of the Managers. Subject to the voting rights as provided in this Agreement, the Managers shall have all of the rights and powers which may be possessed by Managers under the Act including, without limitation, the right and power to:

(i) acquire by purchase, lease or otherwise any real or personal property which may be necessary, convenient, or incidental to the accomplishment of the purposes of the Company;

(ii) operate, maintain, finance, improve, construct, own, grant options with respect to, sell, convey, assign, mortgage, and lease any real estate and any personal property necessary, convenient, or incidental to the accomplishment of the purposes of the Company;

(iii) borrow money and issue evidences of indebtedness necessary, convenient, or incidental to the accomplishment of the purposes of the Company, and secure the same by mortgage, pledge, or other lien on any Company property;

(iv) execute any and all agreements, contracts, documents, certifications, and instruments necessary or convenient in connection with the management, maintenance, development and operation of Company property and Company business;

(v) execute, in furtherance of any or all of the purposes of the Company, any deed, lease, mortgage, deed of trust, mortgage note, promissory note, bill of sale, contract, or other instrument purporting to obligate the Company or convey or encumber any or all of the Company property;

(vi) prepay in whole or in part, refinance, recast, increase, modify, or extend any liabilities affecting the Company property and in connection therewith execute any extensions or renewals of encumbrances on any or all of the Company property;

(vii) care for and distribute funds to the Members by way of cash, income, return of capital, or otherwise, all in accordance with the provisions of this Agreement, and perform all matters in furtherance of the objectives of the Company or this Agreement;

(viii) contract on behalf of the Company for the employment and services of employees and independent contractors and delegate to such persons the duty to manage or supervise any of the assets or operations of the Company; and

(ix) engage in any kind of activity and perform and carry out contracts of any kind (including contracts of insurance covering risks to Company property and Managers liability) necessary or incidental to, or in connection with, the accomplishment of the purposes of the Company, as may be lawfully carried on or performed by an LLC under the laws of each state in which the Company is then formed or qualified.

The actions of the Managers hereunder shall be binding upon the Company. Any document, instrument, or agreement shall require the signature of all of the Manager(s) in order to be a valid and binding obligation of the Company. No Manager shall be liable, responsible or accountable in damages or otherwise to any of the Members for any acts performed by the Manager within the scope of his authority except for acts of willful misconduct, fraud, bad faith, gross negligence, or breach of his obligations or representations under this Agreement or any other agreement with or obligation to the Company.

(c) Reimbursement of Expenses. Each of the Members and Managers shall be entitled to reimbursement from the Company for direct expenses attributable to the organization, operation, and management of the Company, provided such expenses are approved as provided in or permitted by this Agreement.

(d) Resignation or Removal of Manager. Any Manager may resign or be removed for cause by the affirmative vote of 100% of the voting interest of the Members as determined in this paragraph 8. The term "for cause" shall mean:

(i) A Manager's failure or refusal to perform those duties which he is required hereunder or by law to perform in furtherance of the business of the Company;

(ii) A Manager's intentional activity which causes material injury to the Company;

(iii) A Manager's committing a fraud against the Company or using or appropriating for personal use or benefit funds or properties of the Company when not authorized to do so;

(iv) A Manager's committing an act of gross negligence regarding the business of the Company; or

(v) In conducting his own affairs or those of the Company, a Manager's jeopardizing the status of the Company for purposes of federal income taxation in accordance with the then existing provisions of the Internal Revenue Code, as amended, and the regulations promulgated thereunder, or the policies of the Internal Revenue Service.

Upon a Manager's resignation, removal, death, adjudication or other determination (as provided below) of incompetence, or upon any other event specified in the Act, the affected Manager shall cease to be a Manager and the Members upon the agreement of a majority in voting interest shall elect a successor Manager to replace the former Manager. A Manager shall be deemed incompetent (for purposes of the preceding sentence) upon the agreement of at least 50% in voting interest of the Members, and the written certification of incompetence by a duly licensed physician selected by at least 50% in voting interest of the Members. If the Members fail to elect a successor Manager leaving the Company without one, then the Company shall liquidate and terminate as provided in paragraph 5(c).

(e) Other Rights of Managers. Each of the Managers and Members may have other business interests and may engage in any other business or trade, profession, or employment whatsoever, on his own account, or in partnership with or as an employee of or as an officer, director, shareholder, manager, member or partner of any person, firm, corporation, LLC, or partnership, and he shall not be required to devote his entire time to the business of the Company. No Manager or Member shall be obligated to devote more time and attention to the conduct of the business of the Company than shall be required for the supervision of the ownership, development, operation, and management of the Company's property and business.

(f) Contracting with Manager. The Company is expressly permitted in the normal course of its business to enter into transactions with a Manager or with any Affiliate (as hereinafter defined) of a Manager, provided that the price and other terms of such transactions are fair to the Company and that the price and other terms of such transaction are not less favorable to the Company than those generally prevailing with respect to comparable transactions. The term "Affiliate" shall mean any member, manager, shareholder or partner in or of a Manager, or any LLC, corporation, partnership or other entity in which a Manager or any member, manager, shareholder or partner of a Manager has an interest, or any person related by blood or marriage to the Manager.

(g) Tax Matters Partner. The person specifically authorized to act as the "Tax Matters Partner" under the Code and in any similar capacity under state or local law is:

Surber Development and Consulting, LLC

9. INDEMNIFICATION. The Company shall indemnify every Manager in respect of payments made and personal liabilities reasonably incurred by the Manager in the authorized conduct of the Company's business or for the preservation of its business or property. Except as provided below or as otherwise provided in the Act, no Manager shall be personally liable for monetary damages for breach of any duty to the Company, and the Company shall indemnify any Manager or Member against judgements, settlements, penalties, fines, or expenses incurred in a proceeding to which such Manager or Member is a party because he is or was a Manager or Member of the Company, as provided in the Act. Notwithstanding the foregoing, the personal liability of a Manager shall not be limited and the Company shall not indemnify him with respect to (i) acts or omissions that the Manager knew at the time of such acts or omissions were clearly in conflict with the interests of the Company, (ii) any transaction from which the Manager derived an improper personal benefit, (iii) acts or omissions occurring prior to the date of this Agreement, all as provided in the Act, or (iv) matters expressed in the last sentence of paragraph 8(b) for which the Manager would be liable.

10. ASSIGNMENT.

(a) General Prohibition on Assignment. Except as otherwise provided in this Agreement, each Member is prohibited from selling, assigning, transferring, setting over, mortgaging, creating a security interest in, or hypothecating his interest in the Company or the Company assets in any manner whatsoever, including without limitation transfers incident to separation, divorce, or equitable distribution, nor may the interest of any of the Members in the Company or the Company assets be transferred by operation of law or by any assignment by operation of law, unless otherwise agreed in writing by all Members. Any assignment in violation of this paragraph 10 shall be null and void.

(b) Right of First Refusal. The foregoing notwithstanding, if a Member ("Selling Member") desires to sell his interest in the Company, the Selling Member shall in writing express such an intention and make an offer ("the Offer") to the other Members to purchase the Selling Member's interest at a Purchase Price equal to the book value of the Selling Member's capital account plus the Selling Member's share of one hundred fifty percent (150%) of the average of the

prior two (2) calendar years earnings as determined by the certified public accountant regularly employed by the Company for the most recent reporting period preceding the purchase and upon the payment terms contained in paragraph 12(b) herein. The other Members shall have sixty (60) days from receipt of the Offer within which to accept the Offer. Any of the other Members collectively desiring to purchase all, but not less than all, of the membership interest being offered, shall do so in the proportions that their Percentage Interests bear one to the other; provided that if any such Member does not want to purchase the full portion of the interest to which he is entitled, such portion may be purchased by the other purchasers in the manner provided above. Alternatively, if all of the other Members agree, the Company may exercise this first right of refusal and purchase and liquidate the Selling Member's interest upon the terms and conditions of this paragraph. If the other Members or the Company do not accept the Offer to purchase the entire membership interest being offered within sixty (60) days of its receipt, then the Selling Member may transfer his interest pursuant to a bona fide purchaser provided that such transfer occurs within ninety (90) days after the receipt of the Offer by the other Members. Such transfer shall only entitle the transferee to the transferor's interests in the Company's profits and losses, distributions, and capital as an assignee in accordance with the Act, and the transferee shall receive the same only as provided in this Agreement. Such transfer shall not entitle the transferee to become a Member in the Company and the transferee can only become a Member pursuant to the provisions of paragraph 18 hereof. In the event that the Selling Member shall not make such transfer within the aforesaid time period then the preceding provisions of this paragraph shall again be complied with and a new offer shall be made before any transfer may thereafter be made. Any transferee or assignee of an interest pursuant to this Agreement (who has not become a Member) shall have all the obligations imposed upon a Member as set forth in this Agreement with respect to the transferred interest.

(c) Special Assignment Rights. Notwithstanding the foregoing, each Member may from time to time transfer a portion or portions of his interest in the Company as a gift directly to or in trust for the benefit of his spouse, children, and issue provided the Grantor-Member remains as a Member and retains some interest in the Company. In the event of any such family transfer, all of such transferred membership interest shall be attributed to the Grantor-Member for purposes of obligations hereunder including contribution among the Members, and the transferee is entitled to become a Member of the Company only as provided in paragraph 18.

11. WITHDRAWAL. Without the unanimous written consent of the Members, except as provided below a Member may not voluntarily withdraw from the Company and thereby require the Company to dissolve and liquidate or to purchase or redeem such Member's interest.

12. EXPULSION.

(a) Default of a Member. Should any Member (a "defaulting Member") violate any of the provisions of this Agreement including (but not limited to) the failure to make any capital contribution required under paragraph 3 (which violation remains uncured thirty (30) days after written notice thereof to the defaulting Member, or in the case of a requirement to contribute money to the Company, within five (5) days after written request therefor has been given); or withdraw or attempt to withdraw from the Company in breach of this Agreement; or transfer or attempt to transfer his interest in breach of this Agreement; or become Bankrupt as defined in paragraph 12(c); (any of such events constituting a "default") then, a majority in voting interest of the remaining Members shall have the right within the six (6) month period after the event constituting the default (irrespective of any cure or attempt to cure subsequent to the default) to elect that the defaulting Member's interest in the Company be purchased and redeemed by the Company, the election to be exercised by written notice to the defaulting Member. If such written notice is given, the defaulting Member shall be deemed to withdraw from the Company on the date fixed in such notice (the "Effective Date"), which must be on the last day of a month not later than sixty (60) days after such notice is given. On such withdrawal, the defaulting Member shall be entitled to be paid by the Company an amount for his membership interest calculated and payable as provided below. Any loss due to such default shall be charged against the capital account of the defaulting Member before he is entitled to receive the above payment. A defaulting Member shall not be entitled to any voting rights as to any matter of Company business while any such default shall remain uncured. For all purposes of this paragraph 12, any such event of default by (i) an assignee of a membership interest hereunder (if such assignee has not in fact become a Member), or (ii) a shareholder, partner, or member of a Member which is a corporation, partnership, or LLC, shall be deemed a default by such assignee or Member and shall subject such assignee's or such Member's interest to the purchase options of this paragraph.

(b) Price to Be Paid. The price to be paid for a defaulting Member's interest shall be equal to eighty percent (80%) of the capital account balance of the defaulting Member as of the

Effective Date, which valuation is intended to reflect liquidated damages as a compensatory measure in favor of the nondefaulting Members as a result of the default. Unless otherwise agreed to by the parties, the purchase price shall be paid on a level payment amortization basis, with principal and interest being due and payable in three (3) equal annual installments beginning one (1) year after the Effective Date, with interest on the unpaid balance accruing from the Effective Date at a fixed rate equal to the Prime Rate as established by Bank of America, N.A. existing on the Effective Date but in no event less than the applicable federal rate established pursuant to the Code for such month. The Company shall execute a promissory note in the amount of the purchase price in accordance with the terms hereof which shall be secured as provided in paragraph 14. The closing of the purchase shall occur within thirty (30) days after the Effective Date.

(c) Special Provisions. INSTRUCTIONS FOR THE COMPLETION OF APPENDIX F ARCHITECT'S CERTIFICATION

(This form must be included in the Application – Tab F)

NOTE: If the development includes any combination of New Construction, Rehabilitation or Adaptive Reuse, then separate Architect Certifications must be provided for each construction type.

The proper completion of this certification is critical to calculate the average unit square feet and net rentable square feet of each unit type, to document amenity items for which will be awarded, and to calculate certain elements of the efficient use of resources points.

If this certification is not completed correctly there may be loss of points or disqualification of the application to compete for tax credits. If this development receives an allocation of tax credits and items are not provided as indicated on this certification then VHDA may, at its sole option, require the payment by the Owner of an amount up to 10% of the Total Development Cost (as set forth in the Application) of the development as liquidated damages for such violation or the total loss of credits may result. Therefore, it is imperative that this certification reflect the true and accurate intent of what will be provided in return for an allocation of tax credits.

Each section of this certification contains instructions on how the information should be provided. For Unit Size Calculations, the Average Unit Square Feet and Net Rentable Square Feet should be listed to two (2) decimal places. The number of units indicated should be only the units for which rent will be collected. For Average Unit Square Feet calculations, the Total Square Feet should equal the Average Unit Square Feet multiplied by the Number of Units/Type. The total at the bottom of the Total Square Feet column should equal item (D) on the same page of the certification, or be within 1 digit due to rounding.

Accessibility certifications on page 6 are for tax credit point categories only and are not to be confused with minimum code requirements.

The architect signing this document is certifying that all unit and site amenities indicated in this certification are incorporated into the development plans and specifications, and that all products necessary to fulfill these representations are available for these purposes. The architect signing this document also certifies their understanding that both the excel application and the information in the architect certification must be the same and discrepancies between the excel application and architect's certification can result in penalties or even disqualification.

The individual who certifies this information must initial the pages where indicated, provide the personal information requested and sign on the last page. This certification should not be mailed separately to VHDA but returned to the developer for inclusion in the tax credit application.

All developments seeking Virginia Low Income Housing Tax Credits are required to meet one of the following as certified by a RESNET Rater:

- New Construction - EnergyStar Certification
The development's design meets the criteria for the EnergyStar certification.
- Rehabilitation -30% performance increase over existing, based on HERS Index
Or Must evidence a HERS Index of 80 or better
- Adaptive Reuse - Must evidence a HERS Index of 95 or better.

Plans and Specifications: Required documentation for all properties (new construction, rehabilitation and adaptive reuse)

- 1 A location map with property(ies) clearly defined.
- 2 A site plan showing overall dimensions of main building(s), major site elements (e.g., parking lots and location of existing utilities, and water, sewer, electric, gas in the streets adjacent to the site). Contour lines and elevations are not required. For combination 4% and 9% properties, site plan must show all elements of both properties labeled so that the elements are distinguishable as to 4% and 9%.
- 3 Sketch plans of main building(s) reflecting overall dimensions of:
 - a. Typical floor plan(s) showing apartment types and placement
 - b. Ground floor plan(s) showing common areas;
 - c. Sketch floor plan(s) of typical dwelling unit(s);

A Unit by Unit write up is required for all Rehabilitation properties

This certification includes two (2) separate calculations of square footage:

- 1. Average Gross Unit Square Feet:** Measurements Include A Prorata Share of Heated Residential Common Area
- 2. Net Rentable Square Feet:** Measurements *Do Not* Include A Prorata Share of Any Common Area and Reflect All Floor Plans of Each Unit Type (1-BR, 2-BR, etc.) measured from the interior face of the unit perimeter walls

1. Average Gross Unit Square Feet:

(These measurements impact the scoring of tax credit applications)

For purposes of determining the total residential heated square feet (D), the building(s) were measured from the outside face of exterior walls and the centerline of any party walls. All unheated spaces (B) and nonresidential, (income producing commercial spaces) (C) were subtracted from this measurement. Community rooms, laundry rooms, property management offices and apartments, heated maintenance facilities, and other common space designed to serve residential tenants were not deducted. Based on this procedure, I certify the following calculations in determining the usable heated square feet for the above referenced development:

59,826.00	(A) Total gross floor area in (sq. ft.) for the entire development
6,172.00	- (B) Unheated floor area (breezeways, balconies, storage)
0.00	- (C) Nonresidential, (commercial income producing) area
53,654.00	= (D) Total residential heated area (sq. ft.) for the development

INSTRUCTIONS FOR AVERAGE UNIT SQUARE FEET CALCULATIONS:

Provide the average unit size for each bedroom type, (1 bedroom elderly, 2 bedroom garden, 3 bedroom townhouse, etc.) by adding the total square feet of all the same bedroom types (2 bedroom garden with 1 bath and 2 bedroom garden with 2 baths) and adding the prorated share of heated common residential space and divide by the total number of the same bedroom types (2 bedroom garden). Do not alter any items below.

* Including pro rata share of heated, residential common area. This information should match Structure tab of the excel application

2. Net Rentable Square Feet *

For purposes of calculating Net Rentable Square Feet, the units were measured from the face of each unit perimeter wall. The values below therefore indicate the actual square footage of each unit floor plan. (For example, there may be 2 distinct 1-bedroom floor plans, 3 distinct 2-bedroom floor plans, etc. The purpose of this section of the Architect Certification is to document and certify the floor space attributable to residential rental units in the development.)

RE: 2019 Tax Credit Reservation Request

Name of Development: Mountain Laurel Manor
Name of Owner: Mountain Laurel Manor VA LLC

Gentlemen:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package dated March 14, 2019 (of which this opinion is a part) (the "Application") submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low income housing tax credits ("Credits") available under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the "Regulations").

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Hard Costs and Owners Costs section of the Application form, complies with all applicable requirements of the Code and Regulations.
2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.
3. The appropriate type(s) of allocation(s) have been requested in the Reservation Request Information section in the Application form.
4. The information set forth in the Unit Details section of the Application form as to proposed rents satisfies all applicable requirements of the Code and Regulations.
5. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application, for a period of not less than four (4) months beyond the application deadline.

Mountain Laurel Manor VA LLC

ATTORNEY'S OPINION LETTER, continued

6. The type of the nonprofit organization involved in the Development is an organization described in Code Section 501(c)(3) or 501(c)(4) and exempt from taxation under Code Section 501(a), whose purposes include the fostering of low-income housing.
7. The nonprofit organizations' ownership interest in the development is as described in the Nonprofit Involvement section of the Application form.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon compliance by the Owner with the requirements of Code Section 42(h)(1)(E), the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("VHDA") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by VHDA and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

PURCHASE OPTION AND RIGHT OF FIRST REFUSAL AGREEMENT

This Purchase Option and Right of First Refusal Agreement ("Agreement") is made as of the 9th day of FEBRUARY, 2017 by and among Mountain Laurel Manor VA LLC, a Virginia limited liability company (the "Company") and Project Faith, a Virginia non stock corporation exempt from federal income taxation under Sections 501(a) and 501(c)(3) of the Internal Revenue Code of 1986, as amended, and whose primary purpose is providing housing to low-income families (the "Grantee") (the Company and the Grantee are the "Parties").

WHEREAS, the Company intends to rehabilitate a multifamily apartment complex known as the Mountain Laurel Manor Apartments located in Augusta County, Virginia as more particularly described on **Exhibit A** ("Property") and the Property is or will be subject to one or more governmental agency regulatory agreements (collectively, the "Regulatory Agreement") restricting its use to low-income housing and may become subject to a low-income use restriction (the "Special Covenant") pursuant to the terms and conditions of this Agreement (such use restrictions under the Regulatory Agreement and Special Covenant being referred to collectively herein the "Use Restrictions"); and

WHEREAS, Grantee is a member of the Company and desires to provide for the continuation of the Property as low-income housing upon termination of the Company's ownership of the Project by the Grantee purchasing the Property at the applicable price determined under this Agreement and operating the Property in accordance with the Use Restrictions; and

WHEREAS, Grantee has negotiated and required that the Company execute and deliver this Agreement in order to provide for such low-income housing.

NOW THEREFORE, in consideration of the execution and delivery of the Agreement and the payment of the Grantee to the Company of Ten and No/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby set forth the following:

1. **Grant of Option.** The Company hereby grants to the Grantee an option (the "Option") to purchase the real estate, fixtures, and personal property comprising the Property or associated with the physical operation thereof, owned by the Company at the time of Purchase, after the close of the fifteen (15) year compliance period for the low-income tax credit for the Property (the "Compliance Period") as determined under Section 42(i)(1) of the Internal Revenue Code of 1986, as amended (the "Code"), on the terms and conditions set forth in this Agreement and subject to the conditions precedent to exercise of the Option specified herein.

2. **Grant of Refusal Right.** In the event that the company receives a bona fide offer to purchase the Property, which offer the Company intends to accept, Grantee shall have a right of first refusal to purchase the Property (the "Refusal Right") after the close of the Compliance Period, on the terms and conditions set forth in this Agreement, and subject to the conditions precedent to exercise of the Refusal Right specified herein. In addition to all the other applicable conditions set forth to this Agreement, (a) the foregoing grant of the Refusal Right shall be effective only if Grantee is currently and remains at all times hereafter, until (i) the Refusal Right has been exercised and the resulting purchase and sale has been closed or (ii) the Refusal Right has been assigned to Permitted Assignee described in Section 10 hereof, whichever first occurs, a qualified nonprofit organization, as defined in Section 42(h)(5)(C) of the Code and (b) any assignment of the Refusal Right permitted under this Agreement and the Refusal Right so assigned shall be effective only if the assignee is at the time of the assignment and remains at all times thereafter, until the Refusal Right has been exercised and the resulting purchase and sale has been closed, a Permitted Assignee meeting the requirements of Section 42(i)(7)(A) of the Code. Prior to accepting any bona fide offer to purchase the Property, the Company shall notify the Grantee of such offer and deliver a copy thereof. The Company shall not accept any such offer unless and until the Refusal Right has expired without exercise by Grantee under Section 6 hereof.

3. **Purchase Price Under Option.** The purchase price for the Property pursuant to the Option shall be the greater of (i) the Fair Market Value of the Property or (ii) the amount sufficient (a) to pay all debts (including member loans) and liabilities of the Company upon its termination and liquidation as projected to occur immediately following the sale pursuant to the Option, and (b) to distribute to the members cash proceeds equal to the taxes projected to be imposed on the members of the Company as a result of the sale pursuant to the Option.

As used in this Section 3, Fair Market Value shall mean:

- i) The fair market value determined as the Parties shall agree.
- ii) If the Parties cannot agree on a determination of the Fair Market Value, the fair market value as determined by an appraiser mutually acceptable to the Parties.
- iii) If the Parties cannot agree on selection of an appraiser, the Company shall provide Grantee with a list of three potential alternative appraisers. The Grantee shall choose one appraiser from such list who shall determine the fair market value of the Property.

4. **Purchase Price Under Refusal Right.** The purchase price of the Property pursuant to Refusal Right shall be equal to the sum of: (a) an amount sufficient to pay all debts (including Member Loans) and liabilities of the Company upon its termination and liquidation as projected to occur immediately following the sale pursuant to the Refusal Right, (b) an amount sufficient to distribute to the members of the Company cash

proceeds equal to the taxes projected to be imposed on the members of the Company as a result of the sale pursuant to the Refusal Right, (c) an amount necessary to repay the managing member of the Company for any special capital contribution it had to make to pay off unpaid development fee, (d) expenses of sale, and (e) any amounts owed to the investor member of the Company under the operating agreement of the Company.

5. **Conditions Precedent.** Notwithstanding anything in this Agreement to the contrary, the Option and Refusal Right granted hereunder shall be contingent on the following:

- (i) the Regulatory Agreement shall have been entered into and remained in full force and effect and those Use Restrictions to be contained therein, shall have remained unmodified without its prior written consent, or
- (ii) if the Regulatory Agreement is no longer in effect due to reasons other than a default thereunder by the Company, such Use Restrictions, as so approved and unmodified, shall have remained in effect and shall continue in effect by inclusion in the vesting deed of the Property to the Company.

If any or all of such conditions precedent have not been met, the Option and the Refusal Right shall not be exercisable.

6. **Exercise of Option or Refusal Right.** The Option and Refusal Right may each be exercised by Grantee by giving prior notice of its intent to exercise the Option or the Refusal Right to the Company and each of its members in the manner provided in the Agreement in compliance with the requirements of this Agreement.

If prior to exercise of the Option or Refusal Right, as applicable, the Service has issued a revenue ruling or provided a private letter ruling to the Company holding that a covenant of the nature described hereinbelow may be utilized without limiting tax credits or deductions that would otherwise be available to the members of the Company, then as a condition of the Option and Refusal Right, the deed to Grantee shall include a special covenant ("Special Covenant") specifically restricting continued use of the Property to low-income and maximum rent requirements (excluding any right under the Code to raise rents after notice to the applicable state or local housing credit agency if it is unable to find a buyer at the statutory price) as are currently specified in the Agreement with reference to low-income housing tax credit (notwithstanding any future discontinuation of such credit or modification of federal requirements thereof), except insofar as stringent use requirements are imposed by the Regulatory Agreement. The Special Covenant shall constitute part of the Use Restrictions. The Special Covenant may state that is applicable and enforceable only to the extent such housing produces income sufficient to pay all operating expenses and debt service and fund customary reserves and there is a need for low-income housing in the geographic area the Property is located. The Special Covenant shall run with the land for a period of fifteen (15) years after closing of the purchase under the Option of the Refusal Right, as applicable, or, if longer, for the period

measured by the then remaining period of Use Restrictions under the Regulatory Agreement, provided that the Special Covenant shall terminate the option of any holder of the reverter rights described hereinabove, upon enforcement thereof.

In the event that neither the Option nor the Refusal Right is exercised, or the sale pursuant thereto is not consummated, then upon conveyance of the Property to any one other than Grantee or its permitted assignee hereunder, the foregoing provisions shall terminate and have no further force and effect.

7. **Assignment.** Grantee may assign all or any of its rights under this Agreement to (a) qualified nonprofit organization, as defined in Section 42(h)(5)(c) of the Code, (b) a government agency, or (c) a tenant organization (in cooperative form or otherwise) or resident management corporation of the Property (each a "Permitted Assignee") that demonstrates its ability and willingness to maintain the Property as low-income housing in accordance with the Use restrictions, and subject to any event to the conditions precedent to the Refusal Right grant and the Option price set forth in Sections 2 and 3 hereof. Prior to any assignment or proposed assignment of its rights hereunder, Grantee shall give written notice to the Company and all members of the Company. Upon any permitted assignment hereunder references to this Agreement to Grantee shall mean the permitted Assignee where the contact so requires, subject to all applicable conditions to the effectiveness of the rights granted under this Agreement and so assigned. No assignment of Grantee's rights hereunder shall be effective unless and until the permitted Assignee enters into a written agreement accepting the assignment and assuming all of Grantee's obligations under the Agreement. Except as specifically permitted herein, Grantee's rights hereunder shall not be assignable.

8. **Miscellaneous.** This Agreement shall be governed by the laws of the Commonwealth of Virginia. This Agreement may be executed in counterparts or counterpart signature pages, which together shall constitute a single agreement.

Marketing Plan

For units meeting accessibility requirements of HUD section

504

GEM Mountain Laurel Manor

Marketing Plan for Units Which Conform to Section 504 of the Rehabilitation Act

This Marketing Plan for Units Which Conform to Section 504 of the Rehabilitation Act (the "Marketing Plan") has been designed to convey to potential residents with disabilities that Mountain Laurel Manor will be a new rental housing experience, with a commitment to excellent management and resident service, as well as an expectation of resident responsibility. Therefore, the majority of this plan will address ways in which property management will endeavor to secure qualified tenants, ensure quality tenancy, and effective management and maintenance of the property.

The Management Agent will be responsible for the management of Mountain Laurel Manor . GEM Management, LLC, the Management Agent, will be responsible for all of the traditional management functions, including rent collection, maintenance, record keeping, reports, development of budgets, and monitoring resident income qualifications. Additionally, GEM Management, LLC will be responsible for the development and management of community and resident services programs.

I. Affirmative Marketing

GEM Management, LLC is pledged to the letter and the spirit of the U.S. policy of the achievement of equal housing opportunity throughout the Nation and will actively promote fair housing in the development and marketing of this project. GEM Management, LLC, its Officers, Directors and employees will not discriminate on the basis of race, creed, color, sex, religion, familial status, elderliness, disability or sexual orientation in its programs or housing. They will comply with all provisions of the Fair Housing Act (42 U.S.C. 3600, et. Seq.).

Any employee who has discriminated in the acceptance of a resident will be subject to immediate dismissal. All persons who contact the office will be treated impartially and equally with the only qualification necessary for application acceptance being income and credit, and conformity with the requirements of the Section 8 Program and Tax Credit programs. All interested parties will be provided a copy of the apartment brochure. Any resident who has questions not answered by the housing staff will be referred to the Regional Director or the Director of Property Management of GEM Management, LLC

Any unit (at least 5 in Mountain Laurel Manor) which is designated as a unit for people with disabilities and that conforms to Section 504 of the Rehabilitation Act will be held vacant for sixty days (60). GEM Management, LLC will document its marketing efforts to find households with qualified disabilities during this time period. First preference will be given to persons with an intellectual or developmental disability (ID/DD) as confirmed by the Virginia Department of Medical Assistance Services (DMAS) or Virginia Department of Behavioral Health and Developmental Services (DBHDS). This will be accomplished by obtaining the tenant referrals from the Virginia Department of Medical Assistance Services (DMAS) or Virginia Department of Behavioral Health and Developmental Services (DBHDS). If a qualified tenant is not found, the marketing evidence will be submitted to VHDA's Program Compliance Officer and request approval to rent the unit to any income-qualified household. If the request is approved, the lease will contain a provision stating that the household must agree to move to a vacant

unit if a household including a person with a disability applies for the unit. The move will be paid for by the Owner.

II. Marketing and Outreach

Locating people with disabilities to occupy the units which conform to the requirements of Section 504 of the Rehabilitation Act will be accomplished as follows:

1. Networking

GEM Management, LLC will contact local centers for independent living, disability services boards, community service boards, and other service organizations via phone and printed communication. The contacts will include the following organizations:

- Community Action Partnership of Staunton, Augusta and Waynesboro (540-292-0017)
- Valley Associates for Independent Living (540-433-6513)
- Shenandoah Valley Social Services (540-245-5800)
- Valley Community Services Board (540-887-3200)

2. Print Media

Print media sources will also be identified in the market area that cater to people with disabilities as well as the public at large. These sources may include, but are not limited to, rental magazines, such as the Apartment Shoppers Guide, Apartments For Rent, local newspapers, etc. All advertising materials related to the project will contain the Equal Housing Opportunity logotype, slogan or statement, in compliance with the Fair Housing Act, as well as the fact the units for people with disabilities are available.

3. Resident Referrals

An effective Resident Referral program will be set up, in which current residents are rewarded for referring friends, coworkers, and others who may have disabilities to the property. These referrals are generally the best form of advertising as it attracts friends who will want to reside together, thus binding the community. Residents will be offered incentives, to be determined, for referring qualified applicants who rent at the property. Flyers will be distributed to residents along with the project newsletter announcing the tenant referral program.

4. Marketing Materials

Additional marketing materials are needed in order to further support the specific marketing effort to people with disabilities. All printed marketing materials will include the EHO logo. The marketing will also emphasize the physical and administrative compliance with Americans with Disabilities Act.

These marketing materials include:

- **Brochures** - A simple, two color brochure can be produced at low cost which will effectively sell the apartments and community. This brochure will include the floor plans, a listing of features and amenities. The floor plans should be printed in as large a format as possible.
- **Flyers** - As mentioned earlier, a flyer campaign can be used effectively to market the community. Each flyer should incorporate graphics as well as a small amount of copy and should be designed to generate traffic.
- **Internet** - Mountain Laurel Manor will be listed on virginiahousingsearch.com
- **Resident Referral** - The least expensive form of advertising is through Resident Referrals. A flyer should be created and distributed to all residents. In addition to being distributed to all residents, the referral flyer should be left in the Management office and should be included in the move in packet. (People are most likely to refer their friends in the first few weeks of their tenancy.) The flyers should be changed several times each year to reflect the season or any type of special referral program.

III. Public and Community Relations

Equal Housing Opportunity promotions - all Site Signage containing the EHO logo and Fair Housing posters are displayed in English and Spanish in the Rental Office. GEM Management, LLC encourages and supports an affirmative marketing program in which there are no barriers to obtaining housing because of race, color, religion, national origin, sex, elderliness, marital status, personal appearance, sexual orientation, family responsibilities, physical or mental handicap, political affiliation source of income, or place of residence or business.

Additionally, a public relations program will be instituted to create a strong relationship between management and local disability organizations, neighborhood civic organizations, churches, mosques, and synagogues, city officials, and other sources of potential qualified residents still to be identified.

IV. Tenant Selection and Orientation

The first contact with the management operations is an important one in attracting qualified residents; therefore, the management/leasing offices should convey a sense of professionalism, efficiency, and cleanliness. The management/leasing office is designed to provide a professional leasing atmosphere with space set aside specifically for resident interviews and application assistance. The leasing interviews will be used to emphasize the respect afforded to the resident and the responsibilities which the resident will be expected to assume.

Times of Operation - the Mountain Laurel Manor Management Office Hours to be determined. Applicants will be processed at the Management

Office in accordance with approved criteria. Move-in process and orientation to property - applicants meet with the Housing Manager or designated staff to discuss programs available on the property and will be supplied relevant information to assist them in their move.

On-site staff will check previous landlord and personal references, verify income, perform criminal/sex offender and credit background checks for each application taken. Tenant Selection will include minimum income limits assigned by the Owner. New tenants will be given an orientation to the property including a review of the rules and regulations, information on the area, proper use of appliances, move-out procedures, maintenance procedures, rent payment procedures, energy conservation, grievant procedures and a review of the Lease documents.

Tenant Selection Criteria

Tenant Selection will include maximum income standards under the Low-Income Tax Credit and Section 8 programs as are applicable. New tenants will be given an orientation to the property including a review of the rules and regulations, information on the area, proper use of appliances, move-out procedures, maintenance procedures, rent payment procedures, energy conservation, grievance procedures and a review of the Lease documents.

Application Processing

Application processing will be done by the housing staff at the Management Office, well versed in Fair Housing Law. As stated before, the processing will include a review of prior landlord references, personal references, criminal/sex offender and credit reporting and income verification. The on-site staff will make further review for inaccuracies in the application.

The annual income and family composition are the key factors for determining eligibility. However, the Property Manager will also use the following criteria in selecting applicants for occupancy:

- Applicants must be individuals, not agencies or groups.
- Applicants must meet the current eligibility income limits for tax credits and any other program requirements.

Note- If the applicant's denial is based upon a credit report, the applicant will be advised of the source of the credit report in accordance with the Federal Fair Reporting Act. Guidelines published by the Federal Trade Commission suggest that apartment managers fall under the provisions of the Act and are obligated to advise the person refused an apartment for credit reasons, the name and address of the credit reporting firm in writing. The credit report will be shown to the applicant, nor will specific information be revealed.

- We process the Rental Applications through a credit bureau to determine the credit worthiness of each applicant. If the score is below your threshold, but you have determined the applicant has no bad credit and no negative rental history and no criminal history and enough income to qualify, then you can conditionally approve the application after you have contacted the prior landlord. In these cases, the application must be reviewed by the Associate Director before final approval.

 - We process the Rental Application through a credit bureau to determine any possible criminal conduct. Convictions will be considered, regardless of whether "adjudication" was withheld. A criminal background check will be used as part of the qualifying criteria. An applicant will automatically be denied if:
 - o There is a conviction for the manufacture, sale, distribution, or possession with the intent to manufacture, sell or distribute a controlled substance within the past five years.
 - o There is evidence in the criminal history that reveals that the applicant has developed a pattern of criminal behavior, and such behavior presents a real or potential threat to residents and/or property.
 - o The application will be suspended if an applicant or member of the applicant's family has been arrested for a crime but has not yet been tried. The application will be reconsidered, within the above guidelines, after such legal proceedings have been concluded.

 - Applicants must provide complete and accurate verification of all income of all family members. The household's annual income may not exceed the applicable limit and the household must meet the subsidy or assisted Income Limits as established for the area in which Mountain Laurel Manor is located. The annual income is compared to the area's Income Limits to determine eligibility.

 - Family composition must be compatible for units available on the property.

 - Applicants must receive satisfactory referrals from all previous Landlords.

 - Applicants must provide verification of full-time student status for all individuals listed on the application as full-time students for tax credit units.

 - Applicants must not receive a poor credit rating from the Credit Bureau and other credit reporting agencies and must demonstrate an ability to pay rent on time.
-
