S. DETERMINATION OF RESERVATION AMOUNT NEEDED

The following calculation of the amount of credits needed is substantially the same as the calculation which will be made by Virginia Housing to determine, as required by the IRC, the amount of credits which may be allocated for the development. However, Virginia Housing at all times retains the right to substitute such information and assumptions as are determined by Virginia Housing to be reasonable for the information and assumptions provided herein as to costs (including development fees, profits, etc.), sources for funding, expected equity, etc. Accordingly, if the development is selected by Virginia Housing for a reservation of credits, the amount of such reservation may differ significantly from the amount you compute below.

Virginia Housing is running a BETA test of new EUR calculations that will be considered for implementation in 2022. These points are only a test and will not be used for scoring purposes in 2021. Please contact <u>taxcreditapps@virginiahousing.com</u> with questions or comments.

Credit Points:

If the Combined Max Allowable is \$500,000 and the annual credit requested is \$200,000, you are providing a 60% savings for the program. This deal would receive all 200 credit points.

For another example, the annual credit requested is \$300,000 or a 40% savings for the program. Using a sliding scale, the credit points would be calculated by the difference between your savings and the desired 60% savings. Your savings divided by the goal of 60% times the max points of 200. In this example, (40%/60%) x 200 or 133.33 points.

Using Current E-U-R method (I	up to 200)		78.13
Using proposed method:			
Combined Max	\$1,466,664		
Credit Requested	\$905,912		
% of Savings	38.23%		
Sliding Scale Points			127.43
		Difference	49.30

Cost Points:

If the Applicable Cost by Square foot is \$238 and the deal's Proposed Cost by Square Foot was \$119, you are saving 50% of the applicable cost. This deal would receive all 100 credit points.

For another example, the Applicable Cost by SqFt is \$238 and the deal's Proposed Cost is \$153.04 or a savings of 35.70%. Using a sliding scale, your points would be calculated by the difference between your savings and the desired 50% savings. Your savings divided by the goal of 50% times the max points 100. In this example, (35.7%/50%) x 100 or 71.40 points.

The Members may take into account future regulatory allocations which, although not yet made, are likely to offset other regulatory allocations made under this Article III.C.

D. Other Allocation Rules.

1. For purposes of determining the profits, losses, or any other items allocable to any period, profits, losses, and any such other items shall be determined on a daily, monthly, or other basis, as determined by the Members using any permissible method under Code Section 706 and the Treasury Regulations thereunder.

E. *Distributions*.

1. Except as otherwise provided in Article III.E.2 hereof, all distributions to the Members of cash or other property, except distributions upon the Company's dissolution (which shall be governed by Article X) shall be made solely upon the affirmative vote of Members holding

a majority of the Membership Interests. 3. All actions taken by the Managing Member on behalf of the Company from the date of its organization to the execution of this Agreement are ratified and confirmed.

C. *Tenure*. The Managing Member shall hold office until his death, resignation, disqualification or removal.

D. *Compensation*. The compensation, if any, of the Managing Member shall be fixed from time to time by the Members. The Managing Member shall be entitled to reimbursement for expenses incurred by them in performing their duties, according to the policies set by the Members from time to time. Any amount paid as compensation to the Managing Member shall be treated as a guaranteed payment in accordance with Code Section 707(c).

E. *Power of Attorney*.

1. Each Member does hereby irrevocably constitute and appoint the Managing Member serving in office from time to time, and each of them, as the Company's true and lawful attorney-in-fact, with full power and authority in their or its name, place and stead, to make, execute, consent to, swear to, acknowledge, record and file from time to time any and all of the following:

c. Any agreement, instrument, lease, deed, deed of trust, promissory note, certificate or other document in the name or on behalf of the Company which is necessary or appropriate to implement, effectuate or otherwise carry out any transaction to which the Company is a party or to which the Company or any of its assets is or may be subject, provided such transaction has been approved by the Managing Member or the Members, as the case may be, in accordance with the provisions of this Operating Agreement. 2. The appointment by each Member of the Managing Member of the Company as his attorney-in-fact is irrevocable and shall be deemed to be a power coupled with an interest and shall survive the disability, incompetence, bankruptcy, death or dissolution of any person given such power, except, that in the event of an assignment by a Member of all or any part of his membership interest, this power of attorney shall survive such assignment only until such time, if any, as the successor in interest shall have been admitted to the Company as a substitute member and all required documents and instruments shall have been duly executed, filed and recorded to effect such substitution.

F. *Managing Member Has No Exclusive Duty to Company*. Unless otherwise expressly provided hereunder or under any other agreement entered into between the Company and such Managing Member, a Managing Member shall not be required to manage the Company as its sole and exclusive function, and it may have other business interests and may engage in other activities in addition to those relating to the Company, and neither the Company nor any Member shall have any right, by virtue of this Agreement, to share or participate in such other investments or activities of such Managing Member or to the income or proceeds derived therefrom.

G. *Transactions with Managing Member*. The Managing Member (a) may appoint, employ, contract or otherwise deal with any person, including the Managing Member or an affiliate thereof, and with persons that have a financial interest in the Managing Member or in which the Managing Member has a financial interest, for transacting the Company's business, including the performance of any and all services or purchases of goods or other property which may at any time be necessary, proper, convenient or advisable in carrying on the business and affairs of the Company or in disposing of some or all of its assets; and (b) may otherwise enter into business transactions (including but not limited to the sale, merger, or other disposition of the Company or all or substantially all of its assets) with any such persons.

H. *Special Meetings.* A meeting of the Members, for any purpose or purposes, unless otherwise prescribed by statute, may be called by the Managing Member or by any Member or group of Members holding at least thirty percent (30.0%) of the Membership Interests entitled to vote. The Members will meet for the transaction of Company business at such places and times as are mutually convenient to them. Nothing in this Agreement will be construed as limiting the ability of the Members to transact Company business by unanimous written consent without a formal meeting.

I. *Notice of Meetings.* Written notice stating the place, day and hour of the meeting and the purpose or purposes for which the meeting is called shall be delivered not less than 10 nor more than 60 days before the date of the meeting, either personally or by mail, by or at the direction of the person or persons calling the meeting, to each Member entitled to vote at such meeting.

J. *Meeting of all Members.* If all of the Members meet at any time and place, either within or outside of the Commonwealth of Virginia, and consent to the holding of a meeting at such time and place, such meeting shall be valid without call or notice, and at such meeting lawful action may be taken.

K. *Quorum.* Members holding at least a majority of the Membership Interests entitled to vote at a meeting of the Members, represented in person or by proxy, shall constitute a quorum at any meeting of Members.

L. *Proxies.* At all meetings of Members, a Member may vote in person or by proxy executed in writing by the Member or by a duly authorized attorney-in-fact. No proxy shall be valid after eleven months from the date of its execution, unless otherwise provided in the proxy.

M. Action by Members Without a Meeting. Any action required or permitted to be taken at a meeting of Members may be taken without a meeting if one or more written consents to such action are signed by each Member entitled to vote and such consent or consents are filed with the minutes of the proceedings of the Members. Action taken under this paragraph is effective when all Members entitled to vote have signed the consent or consents, unless the consent or consents specifies a different effective date. The record date for determining Members entitled to take action without a meeting shall be the date the first Member signs a written consent.

N. *Waiver of Notice.* When any notice is required to be given to any Member, a waiver thereof in writing signed by the Member entitled to such notice, whether before, at, or after the time stated therein, shall be equivalent to the giving of such notice.

O. *Majority Vote*. Except as otherwise provided in this Agreement, all decisions made by the Members will be made by an affirmative vote of the Members holding a majority of the Membership Interests entitled to vote. Recipients of a Membership Interest who have not been admitted as a Member shall have no voting rights except as required by law.

P. *Other Ventures.* The Members may be involved in other business ventures, independently or with others, and neither the Company nor any of the Members shall have any rights by virtue of this Agreement in the independent ventures or the income or profits derived from them.

Article V. Indemnification

A. Indemnification of Members and Managing Member. The Members acknowledge, agree and desire that the liability of any Member or Managing Member to the Company or to any of the other Members shall be eliminated, to the maximum extent possible, pursuant to Virginia Code Section 13.1-1025, as amended. The provisions of this Article are in addition to, and not in substitution for, any other right to indemnity to which any person who is or may be indemnified by or pursuant to this Article may otherwise be entitled, and to the powers otherwise accorded by law to the Company to indemnify any such person and to purchase and maintain insurance on behalf of any such person against any liability asserted against or incurred by him in any capacity referred to in this Article or arising from his status as serving or having served in any such capacity (whether or not the Company would have the power to indemnify against such liability).

B. *Effect of Invalid Provisions*. If any provision of this Article shall be adjudicated invalid or unenforceable, such adjudication shall not be deemed to invalidate or otherwise affect any

other provision hereof or any power of indemnity which the Company may have under the laws of the Commonwealth of Virginia.

C. *Survival of Indemnification Provisions*. No amendment or repeal of this Section shall limit or eliminate the right to indemnification provided hereunder with respect to acts or omissions occurring prior to such amendment or repeal.

D. *No Personal Liability to Members*. Notwithstanding the above, the indemnification provided in this Article or otherwise shall in no event cause the Members to incur any liability beyond their total Capital Contributions plus their share of any undistributed profits of the Company, nor shall it result in any liability of the Members to any third party.

Article VI. Transfer of Membership Interest

A. *No Right to Withdraw.* No Member shall have any right to voluntarily resign or otherwise withdraw from the Company during its term as provided for in the Articles of Organization without the prior written consent of all remaining Members of the Company. Any attempted resignation or withdrawal without the requisite consent shall be null and void and have no legal effect.

B. *Transfer of Interest.* No Member shall, directly or indirectly, transfer, sell, give, encumber, assign, pledge, or otherwise deal with or dispose of all or any part of its Membership Interest now owned or subsequently acquired by it without the written consent of all remaining Members of the Company and the Virginia Housing Development Authority ("VHDA"). Any transfer in violation of and without full compliance with this Agreement shall be void and without legal effect.

Article VII. Dissolution

A. *Events Resulting in Dissolution*. The Company will be dissolved upon the occurrence of any of the following:

1. The unanimous written consent of all the Members;

2. The sale, transfer or other disposition of substantially all of the non-cash assets of the Company.

3. The adjudication of the Company as insolvent within the meaning of insolvency in either bankruptcy or equity proceedings, or the filing of an involuntary petition in bankruptcy against the Company (which is not dismissed within ninety (90) days), or the filing against the Company of a petition for reorganization under the Federal Bankruptcy Code or any state statute (which is not dismissed within ninety (90) days), or a general assignment by the Company for the benefit of creditors, or the voluntary claim (by the Company) that it is insolvent under any provisions of the Bankruptcy Code (or any state insolvency statutes), or the appointment

for the Company of a temporary or permanent receiver, trustee, custodian, sequestrator, and such receiver, trustee, custodian, or sequestrator is not dismissed within ninety (90) days;

At any time there are no members; however, the Company is not dissolved 4 and is not required to be wound up if, within six months after the occurrence of the event that caused the dissociation of the last remaining Member, the personal representative of the last remaining Member agrees in writing to continue the Company until the admission of the personal representative of such Member or its nominee or designee to the Company as a Member, effective as of the occurrence of the event that caused the dissociation of the last remaining Member;

- The entry of a decree of judicial dissolution of the Company under the Act; 5.
- or

Agreement.

6. When so determined in accordance with other specific provisions of this

B. Conclusion of Affairs. In the event of the dissolution of the Company for any reason, the Members shall proceed promptly to wind up the affairs of and liquidate the Company. Except as otherwise provided in this Agreement, the Members shall continue to share distributions and tax allocations during the period of liquidation in the same manner as before the dissolution.

C. Liquidating Distributions. After providing for the payment of all debts and liabilities of the Company and all expenses of liquidation, and subject to the right of the Members to set up such reserves as it may deem reasonably necessary for any contingencies or unforeseen liabilities or obligations of the Company, the proceeds of the liquidation and any other assets of the Company shall be distributed to or for the benefit of the Members in accordance with this Agreement. Unless the Members entitled to vote (by a majority vote) agree to some other form of distribution, the distributions to the Members upon liquidation shall be made in kind based on the fair market value of the Company's assets at that time. If such distribution is in kind, each Member shall take a fractional interest in each and every asset of the Company unless the Members agree to some other method of division.

D. Priority in Liquidation. If the Company is terminated, the Members will proceed with the liquidation of the Company as provided in the previous section and the proceeds from the liquidation will be applied as follows:

First, to the payment of debts and liabilities of the Company, other than loans 1. and advances that may have been made by the Members to the Company, and the expenses of liquidation;

2. Next, the proceeds will be applied to the payment of any loans or advances that may have been made by any Member to the Company, but if the amount available for repayment is insufficient, then on a pro rata basis;

Next, the Company's assets will be distributed to the Members, pro rata in 3. accordance with their respective positive Capital Account balances, after giving effect to all contributions, distributions and allocations for all periods; and

4. Any balance remaining shall be distributed to the Members in accordance with their Membership Interests.

E. *Termination.* Within a reasonable time following the completion of the liquidation of the Company, the Members shall be supplied a statement which shall set forth the assets and the liabilities of the Company as of the date of complete liquidation and each Member's portion of the distributions pursuant to this Agreement. Upon completion of the liquidation of the Company and the distribution of all the Company's assets, the Company shall terminate, and the Members shall execute and record a Certificate of Cancellation of the Company as well as any and all other documents required to effectuate the dissolution and termination of the Company.

F. *No Deficit Restoration.* A negative or deficit balance in any Member's Capital Account shall not be deemed to be an asset of the Company, and no Member with a negative or deficit Capital Account balance shall have any obligation to the Company, to any other Member or to any third party or creditor to restore such negative or deficit balance. No Member shall be personally liable for the return of all or any part of the Capital Contributions of any other Member. Any such return of Capital shall be made solely from Company assets; provided, however, nothing contained herein shall be deemed to limit the right of the Company to recover from a Member for acts or omissions constituting breach of fiduciary duty, fraud, misconduct, bad faith or gross negligence.

Article VIII. Miscellaneous

A. *Books and Records.* At all times during the term of the Company, the Members shall keep, or cause to be kept, full and faithful books of account, records and supporting documents, which shall reflect, completely, accurately and in reasonable detail, each transaction of the Company (including, without limitation, transactions with the Members). The books of account, records, and all documents and other writings of the Company shall be kept and maintained at the principal office of the Company. Each Member or his designated representative shall, upon reasonable notice to the Members, have access to such financial books, records, and documents during reasonable business hours and may inspect and make copies of any of them at his own expense. Except as otherwise required by law, such amendment may only be made in accordance with the unanimous written consent of all the Members entitled to vote. The parties further agree to execute any amendment to this Agreement as may be considered necessary by legal counsel to the Company in order for it to be treated as a partnership for federal and state income tax purposes.

C. *Notices.* For purposes of this Agreement, notices, offers and acceptances must be in writing and will be deemed to be served and received at the time mailed by United States registered or certified mail to the last known address of the party involved or when delivered in person.

D. *Enforceability.* The waiver by any party to this Agreement of a breach of any provision of this Agreement will not operate or be construed as a waiver of any subsequent breach by any party. The invalidity or unenforceability of any particular provision of this Agreement shall not affect the other provisions, and this Agreement shall be construed in all respects as if such invalid and unenforceable provision were omitted.

E. *Binding Effect.* This Agreement will inure to the benefit of and be binding upon the parties to this Agreement, their successors, heirs, personal representatives and assigns.

F. *Interpretation.* Whenever the context may require, any noun or pronoun used herein shall include the corresponding masculine, feminine or neuter forms. The singular form of nouns, pronouns and verbs shall include the plural and vice versa.

G. *Further Assurances.* Each Member hereby agrees that it shall hereafter execute and deliver such further instruments, provide all information and take or forbear such further acts and things as may be reasonably required or useful to carry out the intent and purpose of this Agreement and as are not inconsistent with the terms hereof.

H. *Confidentiality.* No Member may, without the approval of all remaining Members entitled to vote, divulge to others any information not already known to the public pertinent to the services, clients, customers or operations of the Company, whether before or after the Company's dissolution.

I. *Counterparts.* This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together will constitute one instrument, binding upon all parties hereto, notwithstanding that all of such parties may not have executed the same counterpart.

J. *Good Faith.* The Members agree to exercise good faith and reasonableness in the interpretation and implementation of the provisions of this Agreement.

K. *Governing Law.* This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia, without reference to its conflicts of laws rules.

L. *Headings*. The headings, subheadings and other captions in this Agreement are for convenience and reference only and shall not be used in interpreting, construing or enforcing any of the provisions of this Agreement.

M. *Entire Agreement.* This Agreement contains the entire understanding between the Members and supersedes any prior written or oral agreements between them respecting the subject matter within. There are no representations, agreements, arrangements or understandings, oral or written, between and among the Members relating to the subject matter of this Agreement, which are not fully expressed herein.

(b) The Developer's services shall be performed in the name and on behalf of the Company and shall consist of the duties set forth in the following subparagraphs of this Section 1(b) and as provided elsewhere in this Agreement; *provided*, *however*, that if the performance of any duty of the Developer set forth in this Agreement is beyond the reasonable control of the Developer, the Developer shall nonetheless be obligated to (i) use commercially reasonable efforts to perform such duty and (ii) promptly notify the Managing Member that the performance of such duty is beyond the Developer's reasonable control. The Developer has performed or shall perform the following:

- (i) [Intentionally Omitted]
- (ii) Negotiate and cause to be executed in the name and on behalf of the Company agreements for architectural, engineering, testing or consulting services for the Project, the Construction Documents, and any other agreements necessary for the construction of the Improvements or the furnishing of any supplies, materials, machinery or equipment therefor, or any amendments thereof, provided that no agreement shall be executed nor binding commitment made until the terms and conditions thereof and the party with whom the agreement is to be made have been approved by the Managing Member unless the terms, conditions, and parties comply with the provisions of the Operating Agreement.
- (iii) Assist the Company in dealing with neighborhood groups, local organizations, abutters and other parties interested in the development of the Project.

- (v) Inspect the progress of the course of construction of the Project, including verification of the materials and labor being furnished so as to be fully competent to approve or disapprove requests for payment made by the Project Architect and the Builder, or by any other parties with respect to the construction of the Project, and in addition to verify that the same is being carried out substantially in accordance with the approved Plans and Specifications and other Construction Documents or, in the event that the same is not being so carried out, to promptly so notify the Managing Member.

Any such compliance undertaken by the Developer on behalf of and in the name of the Company, in accordance with the provisions of this Agreement, shall be at the Company's expense. The Developer shall likewise ensure that all agreements between the Company and independent contractors comply with all such applicable laws.
- (x) Assist the Company in assembling and retaining all contracts, agreements and other records and data as may be necessary to carry out the Developer's functions hereunder. Without limiting the foregoing, the Developer will prepare, accumulate and furnish to the Managing Member and any Agency, as necessary, data and information sufficient to identify the market value of Improvements in place as of each real property tax

Section 2. Obligation to Complete Construction and to Pay Development Costs

The Developer shall (i) complete the construction of the Improvements or cause the same to be completed by December 31, 2023 in a good and workmanlike manner, free and clear of all defects and mechanics', materialmen's or similar liens, and shall equip the Improvements or cause the same to be equipped with all necessary and appropriate fixtures, equipment and articles of personal property, including refrigerators and ranges, all in accordance with the Project Documents and the drawings and specifications forming a part of the construction contract and (ii) cause the Company to satisfy all requirements necessary to achieve Final Closing which relate specifically to the construction and development of the Project, in accordance with the Project Documents. If the Designated Proceeds as available from time to time are insufficient to pay all Eligible Development Costs, the Developer shall advance or cause to be advanced to the Company from time to time as needed all such funds as are required to pay such deficiencies. Any such advances ("Development Advances") shall, to the extent permitted under the Project Documents and any applicable Regulations or requirements of the Lender and the Agency (or otherwise with any Requisite Approvals), be reimbursed out of Designated Proceeds available from time to time after payment of all Development Costs or as provided in Section 6.7. Any balance of the amount of each Development Advance not so reimbursed shall constitute a Negative Cash Flow Loan to the extent permitted under the Operating Agreement, or if not permitted to be treated as a Negative Cash Flow Loan under the Operating Agreement, shall not be reimbursable, shall not be credited to the Capital Account of any Member, or otherwise change the Interest of any Person in the Company, but shall be borne by the Developer under the terms of this Agreement. In lieu of funding Development Advances hereunder, the Developer

may defer unpaid portions of the Development Fee to satisfy such Development Advances provided and on the condition that such amounts should be repaid from Cash Flow by the fifteenth (15th) anniversary of the Completion Date and that any losses (and corresponding Federal Low Income Housing Tax Credits) projected to be allocated to the Investor Member during the Compliance Period should not be reallocated to another Member as a result of the application of Section 704(b) of the Code and the Treasury Regulations thereunder. The obligations of the Developer under this Section 2 shall be joint and several with the obligations of the Managing Member under Sections 6.7 of the Operating Agreement.

Section 3. Limitations and Restrictions

Notwithstanding any provisions of this Agreement, the Developer shall not take any action, expend any sum, make any decision, give any consent, approval or authorization, or incur any obligation with respects to any of the following matters unless and until the same has been approved by the Managing Member:

(a) Approval of all construction and architectural contracts and all architectural plans, specifications and drawings prior to the construction and/or alteration of any improvements contemplated thereby, except for such matters as may be expressly delegated in writing to the Developer by the Managing Member;

(b) Any proposed change in the work of the construction of the Project, or in the plans and specifications therefor as previously approved by the Managing Member, or in the cost thereof, or any other change which would affect the design, cost, value or quality of the Project, except for such matters as may be expressly delegated in writing to the Developer by the Managing Member; or

(c) Expending more than what the Developer in good faith believes to be the fair and reasonable market value at the time and place of contracting for any goods purchased or leased or services engaged on behalf of the Company or otherwise in connection with the Project.

Section 4. Accounts and Records.

(a) The Developer, on behalf of the Company, shall keep such books of account and other records as may be required and approved by the Managing Member, including, but not limited to, records relating to the costs for which construction advances have been requested and/or received. The Developer shall keep vouchers, statements, receipted bills and invoices and all other records, in the form approved by the Managing Member, covering all collections, if any, disbursements and other data in connection with the Project prior to final completion of construction. All accounts and records relating to the Project, including all correspondence, shall be surrendered to the Company upon demand without charge therefor.

(v) The balance of the Cash Development Fee (estimated to be 5%) of the Development Fee may be paid to the Developer at the time of payment of the Fifth Installment.

(c) The balance of the Development Fee, if any, remaining after payment of the Fifth Installment (the "<u>Deferred Development Fee</u>") shall be paid without interest from the proceeds of certain Capital Contributions and from distributions of Net Cash Flow or Net Capital Transaction Proceeds in accordance with the provisions of Sections 4.1B, 10.1A and 10.1B of the Operating Agreement; *provided*, *however*, that the Company shall be obligated to pay any outstanding balance of the Deferred Development Fee on the earlier to occur of the fifteenth (15th) anniversary of the Completion Date or the date of liquidation of the Company. The obligation to pay the Deferred Development Fee shall be evidenced by a promissory note in the form attached hereto as **Exhibit A** (the "Deferred Development Fee Note") and shall be recourse to the Company and the Managing Member. Payment of the Development Fee shall also be subject to all applicable provisions of the Operating Agreement (There is not currently projected to be a Deferred Development Fee).

Ashlake Trails LIHTC Application

Belle Courts 8823 Explanation and Status

Virginia United Methodist Housing Development Corporation ("VUMHDC") entered into partnership in 2002 with AHD, Inc. of Bethesda, MD for the Belle Courts Apartments in Culpeper, VA. As the minority interest partner of the GP, VUMHDC had little to no involvement in the daily operations of the facility, which was controlled by AHD, Inc.

At the time of AHD's purchase of Belle Courts in 2003, there were 12 tenants whose incomes exceeded VHDA requirements. However, due to existing HUD regulations, VHDA would not permit those non-qualified tenants to be displaced. Therefore, the permitted work-out by VHDA involved issuance of an 8823 report, updated annually, to reflect the status of those 12 tenants and conversion of the units to qualified tenants. As of 2018, only two unqualified tenants remained.

In April 2019, having exercised its ROFR agreement with AHD, Inc., VUMHDC purchased Belle Courts from AHD, Inc. VUMHDC operated Belle Courts as the Owner until June 2019, at which time the facility was sold to Capital Realty Group and VUMHDC had no further dealings in any way since then with the property.

Virginia United Methodist Housing Development Corporation

Corporate Resume 2021

The Virginia United Methodist Housing Development Corporation ("VUMHDC") is a sponsor and developer of affordable housing throughout Virginia. VUMHDC was founded in 1975 through authorization by the Virginia Annual Conference of the United Methodist Church. We have operated since that time as an independent 501(c)(4) non-profit corporation, both as owners and partners in multi-family apartment communities for seniors and families.

Since our founding, VUMHDC has grown to where we are now owners and operators of eighteen (18) properties and partners in seventeen (17) other properties in partnership with selected private market developers. Taken together, these properties offer approximately 2,100 housing units that are all classified as "affordable" through various programs sponsored by HUD and VHDA. These properties are open to any-and-all people who qualify under the applicable affordable housing programs.

The creation of VUMHDC was in response to a study by the Virginia United Methodist Church in the early 1970's, which confirmed that many families and persons, including seniors, lacked viable options for quality affordable housing. This need for affordable housing has not diminished over time. Accordingly, VUMHDC remains committed to our mission of providing, sustaining and expanding quality affordable housing opportunities to all Virginians.

The Virginia United Methodist Housing Development Corporation mission and long-term business direction is overseen by a Board of Directors. Day to day operations and corporate affairs are handled by the President and Executive Committee. Directors are elected on a rotating basis for 3-year terms. Officers are elected annually, based on recommendation of the Nominations Committee. Current Directors and Officers (all residents of VA) are:

Officers and Directors:

Larry Dickenson, President	Roanoke
James G. O'Quinn**, Vice President	Fredericksburg
Tommy Herndon**, Secretary	Glen Allen
W. Randolph Spears, Treasurer	Richmond

The genesis of the VUMHDC is directly connected to the vision and passion of United Methodist pastor Rev. Robert Regan, who was appointed to serve several churches in the northern Virginia region during the 1960's-70's. He discerned an unmet need for affordable housing opportunities and began working through the Virginia Conference of the United Methodist Church to establish a specific corporation focused on meeting this need. His early efforts were instrumental in the founding of the Reston Inter-Faith Housing Corp. (Fairfax County) and Wesley Housing (Arlington/Alexandria).

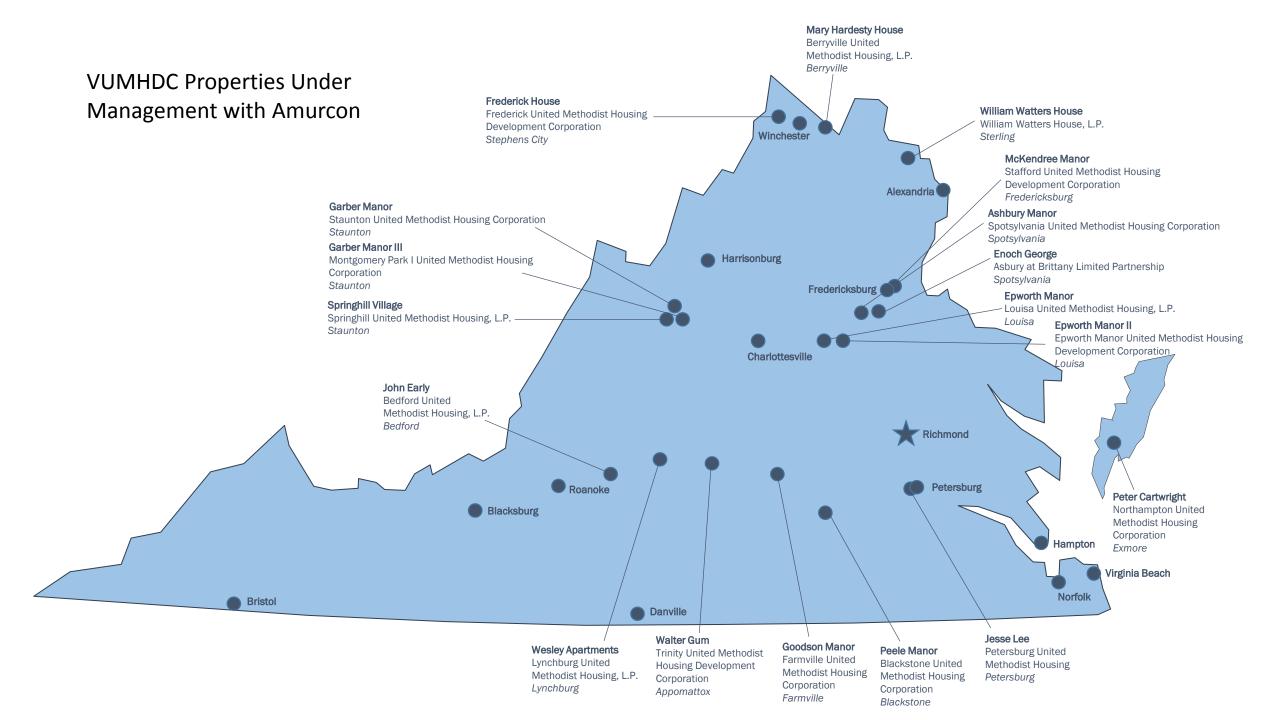

Early development projects of VUMHDC targeted the northern Virginia region, beginning with Madison House in Leesburg and William Watters House in Sterling Park. Many projects during the 1990's and early 2000's were developed in underserved rural areas, such as Louisa, Appomattox, Northampton, Berryville, Staunton and Blackstone. Also during the 1990's, VUMHDC sponsored another United Methodist group, Heart Havens, partnering with them to develop and establish six (6) group homes for people with a developmental disability.

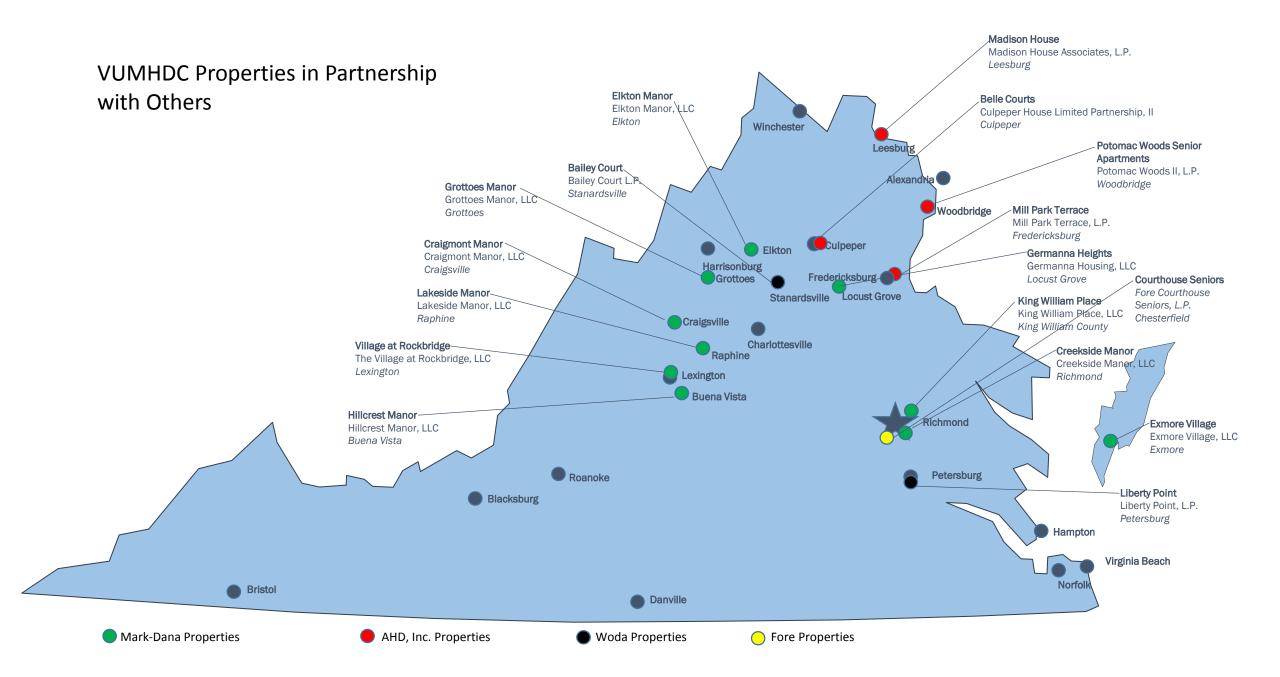

Following the retirement of Rev. Regan in 2010, Mal Malinowski was elected president and served through October 2016. During his tenure, the Board and officers strengthened corporate governance practices and entered into new partnerships with developers Mark-Dana Corp and the Woda Group. Upon the retirement of Mr. Malinowski, the Board elected Larry Dickenson as the new president. Mr. Dickenson had previously served as Director, Vice President, and Secretary since being first elected to the Board in1996. He previously was engaged as a construction company executive for forty (40) years, primarily with the Branch Group of Roanoke, VA.

B. Purchaser desires to use the Property for the development of an age restricted multi-family residential community consisting of apartment condominiums for rent with a minimum of 67 dwelling units (the "Intended Purpose" or "Project").

C. Seller desires to sell the Property to Purchaser, and Purchaser desires to purchase the Property from Seller solely for the Intended Purpose on the terms and conditions set forth below.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants hereinafter set forth, the parties hereto agree as follows:

1. <u>Sale of Property</u>. Subject to the terms and conditions of this Agreement, Seller hereby agrees to sell to Purchaser and Purchaser hereby agrees to purchase from Seller, the Property.

2. <u>Purchase Price</u>. The purchase price for the Property shall be SEVEN HUNDRED AND FIFTY THOUSAND AND NO/100 DOLLARS (\$750,000) (the "Purchase Price"). This is a sale in gross, and not by the acre. The Purchase Price shall be payable as follows:

A. Twenty-Five Thousand and NO/100 Dollars (\$25,000) (the "Deposit"), shall be paid by check or wire transfer within three business days after the Effective Date (as hereinafter defined), to Cushman & Wakefield Thalhimer (the "Escrow Agent"), to be held in accordance with this Agreement. The Deposit and all subsequent deposits shall be applied to the Purchase Price at Closing, and shall become non-refundable at the expiration of the Feasibility Period except upon a default by Seller under the terms of this Agreement or as otherwise set forth in this Agreement.

B. The balance of the Purchase Price shall be paid at Closing, as hereinafter defined, by trust account check, cashier's check or immediately available wire transfer.

C. Escrow Agent shall promptly place the Deposit, into an interest-bearing federally insured deposit account with a state or national bank whose accounts are federally insured. The Escrow Agent shall hold and dispose of the Deposit in accordance with the provisions of this Agreement. All interest accrued on the Deposit shall be applied towards the Purchase Price at Closing.

3. <u>Feasibility Period</u>.

A. For a period commencing on the Effective Date and concluding at 5:00 p.m., EST, on June 30, 2021 (the "Feasibility Period"), Purchaser shall have the right to enter the Property, conduct any and all feasibility studies, soil borings and analysis, utility location availability studies, environmental reports, zoning and land use studies, and any other engineering or environmental studies, title searches, surveys, and other tests, studies or analyses (collectively, the "Tests and Studies"). Seller shall, within five (5) days after the date on which this Agreement is last executed by Seller or Purchaser, as the case may be, and delivered to the party not so executing this Agreement last, which date shall be filled in in the blank provided at the end of this Agreement (the "Effective Date"), provide Purchaser with copies of any information in Seller's possession or readily available to Seller relating to the Property, including, without limitation, geotechnical evaluations, environmental assessments, site engineering studies, site planning, utility plans, title searches, title policies or title commitments and surveys ("Seller Materials"). The Feasibility Period shall be extended day for day for any delay in Seller's delivery to Purchaser of the Seller Materials.

B. In the event Closing does not occur hereunder, Purchaser shall restore the Property to substantially the same condition it occupied prior to the Tests and Studies and Purchaser shall and hold Seller harmless from and against all loss, costs and expenses suffered by Seller from the entry on the Property of Purchaser, Purchaser's agents, contractors and employees, to conduct the Tests and Studies, excluding, however, any loss sustained by Seller as a result of what the Tests and Studies reveal.

C. Notwithstanding anything contained herein to the contrary, Purchaser shall have the absolute right to terminate this Agreement on or before the end of the Feasibility Period, for any or no reason whatsoever, by providing written notice to Seller of Purchaser's intent to terminate, in which event the Escrow Agent shall return the Deposit to Purchaser, together with any interest accrued thereon, and neither Seller nor Purchaser shall have any further obligation to the other under this Agreement, except Purchaser's obligations under Section 3 B. Upon a termination of this Agreement pursuant under Section 3, Purchaser shall deliver copies of all Tests and Studies to Seller.

4. <u>Title and Survey Objections</u>. During the Feasibility Period, Purchaser may obtain at its sole cost and expense a title commitment and a survey (the "Survey") of the Property. The Survey shall show the number of useable acres as well as the gross acreage in the Property. Purchaser shall, on or before the expiration of the Feasibility Period, deliver copies of the commitment and the Survey to the Seller and inform the Seller in writing (the "Title Objections Notice") as to any survey or title defects or other objections regarding the Property disclosed by

the Survey or commitment that the Purchaser is unwilling to accept. Purchaser acknowledges receipt of a copy of Seller's ALTA survey dated October 19, 2018 by Timmons Group entitled ALTA/NSPS Land Title Survey. Any such matters which Purchaser is willing to accept shall be referred to as "Permitted Exceptions." Within ten (10) days after receiving the Title Objections Notice from Purchaser, Seller shall notify Purchaser of Seller's election (a) to cure such exceptions, in which event Seller shall cure such exceptions promptly and at its expense, or (b) not to cure such exceptions. If the Seller is unable or unwilling to cure such Survey or title defects or objections to Purchaser's satisfaction prior to Closing, then the Purchaser may, at its option, and as its sole remedy, (i) terminate this Agreement by giving the Seller written notice of such termination, (ii) cure such defects or objections at its own expense and proceed to Closing with no reduction in the Purchase Price or (iii) waive such defects and proceed to Closing with no reduction in the Purchase Price. If the Purchaser so elects to terminate this Agreement, the Deposit shall be refunded to the Purchaser, together with all interest earned thereon, and the Seller and Purchaser shall have no further obligations or liabilities to one another hereunder. Notwithstanding the foregoing, Seller shall be unconditionally obligated, at its sole cost and expense, to satisfy at or prior to Closing all monetary encumbrances evidenced by deeds of trust, tax liens, judgments, mechanic's liens or other liens or charges in a fixed sum or capable of computation as a fixed sum ("Liquidated Liens"), and Seller authorizes the use of the Purchase Price otherwise payable to Seller at Closing to pay and discharge any Liquidated Liens. Notwithstanding anything in this Agreement to the contrary, Seller and Purchase acknowledge that Seller has negotiated a Right of Way Agreement with Virginia Electric and Power Company for a 15' wide non-exclusive easement across the Property (the "VEPCO Easement." a copy of which is attached to this Agreement as Exhibit B). Purchaser has no objections to the VEPCO Easement. Seller agrees that, after the Effective Date and during the term of this Agreement, it will not encumber the Property with any new easements, agreements or other title exceptions without Purchaser's written approval, other than the VEPCO Easement, which approval shall not be unreasonably withheld, conditioned or delayed.

5. <u>Closing</u>.

A. Closing on the purchase of the Property (hereinafter referred to as the "Closing") shall take place on or before December 31, 2021 (the "Closing Date"). At Purchaser's election but not later than December 21, 2021, the Closing Date may be extended for up to thirty (30) days by a deposit with the Escrow Agent of an additional Ten Thousand and NO/Dollars (\$10,000.00) for such extension period (an "Extension Deposit"), provided written notice of such extension shall be given to Seller on or before the anticipated Closing Date. The Extension Deposit shall become part of the Deposit and shall be applied to the Purchase Price at Closing, and the Deposit shall be nonrefundable except upon a default by Seller under the terms of this Agreement or as otherwise set forth in this Agreement. The Closing Date may also be extended in accordance with the terms of the Parcel 2 Purchase Agreement (as hereinafter defined).

B. At Closing, Seller shall convey to Purchaser, by Special Warranty Deed, good and marketable fee simple title to the Property free and clear of any and all encumbrances except current taxes and Permitted Exceptions. The deed shall describe the Property according to the Survey. In addition, Seller shall deliver to Purchaser an affidavit of mechanics' lien and possession in the form required by the title company issuing Purchaser's policy of title insurance (the "Title Company"), a non-foreign affidavit, a Virginia form R-5 or R-5E, IRS Form 1099-S

Information Reporting Form, a certificate reaffirming the Seller's covenants and representations contained in Section 7 hereafter, and such other documents as may be required by Purchaser or the Title Company in connection with Purchaser's acquisition of the Property.

6. <u>Conditions of Closing</u>. Purchaser's obligation to proceed to Closing under the terms of this agreement is expressly conditioned upon satisfaction of the following conditions:

A. Purchaser shall have received an allocation of 9% housing tax credits from Virginia Housing Development Authority ("VH") for the development of an age restricted multifamily housing on the Property in size and scope deemed feasible by Purchaser, in its sole discretion, completed the sale of such housing tax credits and obtained the related financing in amounts and on terms required by Purchaser to develop and build the Project.

B. Purchaser shall have received an allocation of tax-exempt bonds and 4% housing tax credits from VH for the development of multifamily housing on the adjacent site, containing approximately 2.314 acres of land, commonly known as 7420 Ashlake Parkway, Chesterfield, VA 23832 ("Parcel 2"), in size and scope deemed feasible by Purchaser, in its sole discretion. Notwithstanding any other provisions of this Agreement, the closing of this transaction shall be conditioned on the successful and simultaneous closing under the Purchase Agreement for Parcel 2 (the "Parcel 2 Purchase Agreement"). This Agreement may be modified, amended, and extended in accordance with the terms of the Parcel 2 Purchase Agreement.

C. Prior to the expiration of the Feasibility Period, Purchaser shall have obtained a written determination from the County of Chesterfield that the Property is zoned to permit Purchaser's Intended Purpose.

G. The Covenants and representations contained in Section 7 hereafter shall be true and correct on the date of Closing.

The conditions set forth in this Section 6, and elsewhere in this Agreement, are for the sole benefit of Purchaser. If any of the foregoing conditions are not met as of the Closing Date, or such earlier date as is set forth above with respect thereto, or Purchaser shall not have waived in writing the failure of any such condition, then Purchaser, at its sole option, may terminate its obligations under this Agreement, and neither Seller nor Purchaser shall have any further obligations hereunder. Notwithstanding anything else in this Agreement to the contrary, if the rezoning condition in Section 6.C. of the Parcel 2 Purchase Agreement is not met as of the Closing Date, or Purchaser shall not have waived in writing the failure of the condition in Section 6.C. of the Parcel 2 Purchase Agreement, then Purchaser, at its sole option, may terminate its obligations under this Agreement, receive a refund of the Deposit, together with all interest accrued thereon, and neither Seller nor Purchaser shall have any further obligations hereunder.

Attorney's Opinion

WILLIAMS MULLEN

Direct Dial: 804.420.6585 Inowlin@williamsmullen.com

March 18, 2021

- TO: Virginia Housing Development Authority 601 South Belvidere Street Richmond, Virginia 23220-6500
- RE: 2021 Tax Credit Reservation Request

Name of Development:	Ashlake Trails		
Name of Owner:	Ashlake Trails, LLC		

Gentlemen:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package (of which this opinion is a part) dated March 18, 2021 (the "Application") submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low income housing tax credits ("Credits") available under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the "Regulations").

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

- 1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Hard Costs and Owners Costs section of the Application form, complies with all applicable requirements of the Code and Regulations.
- 2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.
- 3. The appropriate type(s) of allocation(s) have been requested in the Reservation Request Information section in the Application form.
- 4. The information set forth in the Unit Details section of the Application form as to proposed rents satisfies all applicable requirements of the Code and Regulations.

WILLIAMS MULLEN

March 18, 2021 Page 2

- 5. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application, for a period of not less than four (4) months beyond the application deadline.
- 6. The type of the nonprofit organization involved in the Development is an organization described in Code Section 501(c)(3) or 501(c)(4) and exempt from taxation under Code Section 501(a), whose purposes include the fostering of low-income housing.
- 7. The nonprofit organizations' ownership interest in the development is as described in the Nonprofit Involvement section of the Application form.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon compliance by the Owner with the requirements of Code Section 42(h)(1)(E), the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("VHDA") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by VHDA and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

Revitalization Area Certification

CHESTERFIELD COUNTY BOARD OF SUPERVISORS AGENDA

Meeting Date: February 24, 2021

Item Number: 13.B.1.a.

Subject:

Resolution Supporting Construction of the Ashlake Trails Apartments at 14500 Ashbrook Parkway, Using Low Income Housing Tax Credits Issued by Virginia Housing Under Their Revitalization Area Designation

Board Action Requested:

Adoption of the attached resolution that will allow financing through the Virginia Housing revitalization area designation.

Summary of Information:

Ashlake Trails Apartments is a proposed multifamily apartment complex located along Ashbrook Parkway, south of Hull Street Road and west of Ashlake Parkway. The developer for the apartments, Mark-Dana Corporation, has applied for low-income housing tax credit financing through Virginia Housing (formerly known as VHDA). To qualify for revitalization area application points, state law requires that the Board of Supervisors pass a resolution supporting the site for the apartments as a revitalization area.

The benefit of this program to Chesterfield County is to provide high quality affordable housing at locations that need such housing to support economic development. The addition of these apartments will make a more sustainable and attractive mixed-use area by adding a mix of households. The high-quality apartments also provide a more stable (i.e., not cost-burdened) and desirable economic mix of residents in the area.

For the developer to have the opportunity to compete favorably for this type of financing, the Chesterfield County Board of Supervisors shall by resolution make a determination that providing residential housing serving low to moderate income households supports the revitalization and economic development of this area.

Staff recommends that the Board adopt the attached resolution.

A RESOLUTION CONCERNING THE ASHLAKE TRAILS APARTMENT PROJECT

WHEREAS, PURSUANT TO Section 36-55.30:2.A of the Code of Virginia of 1950, as amended, the Board of Supervisors of the County of Chesterfield, Virginia, desires to designate the area described on Exhibit A attached hereto as a revitalization area:

NOW, THEREFORE, BE IT HEREBY DETERMINED as follows:

The above-referenced development is located on an area in need of revitalization in the County of Chesterfield, Virginia. The revitalization area is blighted, deteriorated, deteriorating or, if not rehabilitated, likely to deteriorate by reason that the buildings, improvements or other facilities in such area are subject to one or more of the following conditions: dilapidation; obsolescence; overcrowding; inadequate ventilation, light or sanitation; excessive land coverage; deleterious land use; or faulty or inadequate design, quality or condition; and private enterprise and investment are not reasonably expected, without assistance, to produce the construction or rehabilitation of decent, safe and sanitary housing and supporting facilities that will meet the needs of low and moderate income persons and families in such area and will induce other persons and families to live within such area and thereby create a desirable economic mix of residents in such area.

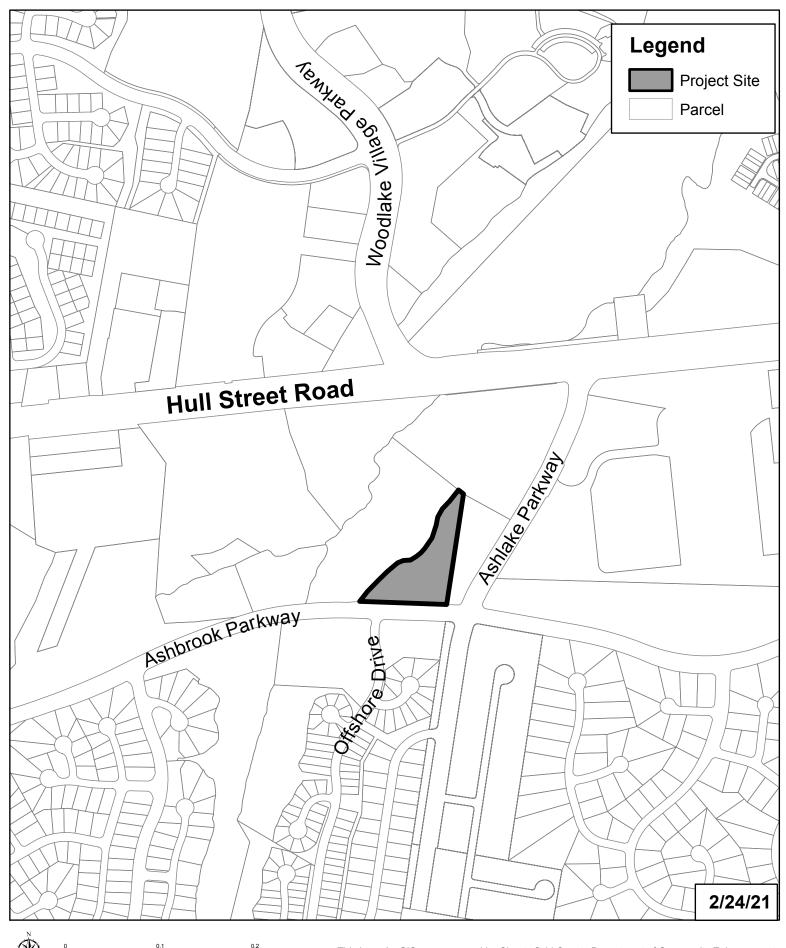

NOW, THEREFORE, BE IT HEREBY RESOLVED that pursuant to Section 36-55.30:2.A of the Code of Virginia of 1950, as amended, the area is hereby designated as a revitalization area.

Adopted by the Board of Supervisors of the County of Chesterfield, Virginia, on the 24th day of February 2021.

4. All prepayments or payments made or payments due under the management, service and other agreements assumed by Grantee shall be prorated as of the Settlement Date in the manner provided in subparagraph 3 hereof for the proration of real property taxes.

5. All other charges and fees customarily prorated and adjusted in similar transactions shall be prorated and adjusted as of the Settlement Date in the manner provided in subparagraph 3 hereof. If accurate prorations and other adjustments cannot be made at Settlement because current bills are not obtainable, the parties shall prorate as of the Settlement Date on the best available information, subject to adjustment upon receipt of the final bills. Company shall use its best efforts to have the utility meters read on the date preceding the Settlement Date so as to determine the proration of current utility bills. In all cases where the utility company involved will permit, charges for utilities serving the Property shall be billed separately to Company for the period prior to and including the Settlement Date and to Grantee for the period after the Settlement Date. Any utility charges not so separately billed shall be prorated as of the Settlement Date. If after Settlement, any proration is determined to have been inaccurate, the parties will make the proper adjustment payment or payments.

Internet Safety

S

Playing it safe while playing online

Hi there kids! I am Charlie Cardinal and this is Speedy the Crime Fighting Hamster. We are here to introduce you to the basics of Internet Safety and some of the villains you need to watch out for. There are some bad characters out there, so you have to protect

> yourself. Your parents won't always be there to watch out for you, so stay sharp, learn all you can, and stay safe!

Privacy & Personal Information

Personal Information is information about you or your family such as your address, a social security number, your parent's bank account, or how much money they have.

Criminals love to get people's personal information because they can pretend to be you, or use your money to buy things.

They can also make money off of your information by selling it to others. Companies or other criminals will use your info to send you junk mail or spam emails.

Criminals learning your address can be very bad. They may break in and steal from you. Protect your safety and your belongings, by keeping your information a secret.

These bad people may even use your personal information to trick someone else in your circle of friends and family. People sometimes tell criminals things that they shouldn't if they think that they are communicating with someone they know.

Think before you click

Do you know who sent that email?

Passwords

One of the most important things you need to learn is how to create strong passwords. A password is a code you type in to let the computer know it is really you.

Having an easy to guess password could allow someone to snoop around in your private information.

The way to make your password strong is to never use your name or your birthday. Use something hard to guess, but easy for you to remember. Make your password at least 8 characters long, and mixing numbers, symbols, and upper and lower case letters makes the password strong just like Speedy. Avoid using the same password over and over. That way if they do figure out your password, they only gain access to one account. And never leave your passwords written down where someone can find it.

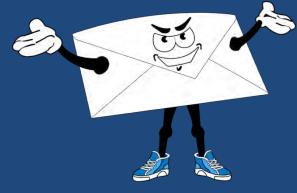

> A great tool online that creates kid friendly passwords is the website, **manufactor**

Spam is basically email that you receive from different companies or strangers that you did not sign up for. Most times it isn't from real companies and usually the sender is up to no good.

Spam emails can sometimes be a phishing scam. Phishing emails are emails that look like it is from some trusted source. A place like your bank, the IRS where taxes are collected, or some other business you shop with often. They make their email look like it is the real thing with logos, and they put links in the email baiting you to click them. Once you click the link, you could be launching a program that can damage your computer in some way or collect your personal information.

Spam emails can also use winning a sweepstakes or some other type prize to trick you into trusting the email source. After they hook you in, they inform you that to collect your prize, you must give them your credit card number.

How do you know it is spam?

Spam emails typically have a bunch of spelling and grammar errors or a mention of someone you don't know in the subject line. Don't Open It! Delete those emails right away.

Malware is a program written with the intent to harm your computer in some way.

Programs such as this, may be waiting for you to do something(a trigger), so that it can run. This could be the clicking of the link or opening an email attachment.

When searching for free downloads online, be very careful. There are a lot of sites out there trying to trick you. They will pay to make their site get returned at the top of the list of search results. Then when you access the page, they use blinking buttons to trick you to click. The result of clicking usually ends up being your computer loaded up with malware.

Once your machine is infected, it can change browser settings, create unusual popup ads on your computer and then pass the malware on to someone else.

Spyware is a program that gets onto your computer through a download or a virus and it gathers information about you and sends this back to its creator.

Some of the types of information spyware might send back to home base is email addresses of you or your contacts, passwords, account numbers, and credit card numbers.

Some spyware out there records how you use your computer and what you search for online.

Adware

Adware is software that you are allowed to use by the author because of the advertisements that pop up occasionally during the game. Many of these type games you will find in the form of apps on your phone or devices.

Through the addition of advertisments, the developer gains some income that may supplement a discount to the user, sometimes making the software free.

Often after using the product with the ads, a consumer will purchase the software to get rid of the ads.

Trojan Horse

The name for the Trojan Horse virus was derived from tale of the Trojan Horse constructed by the Greeks to gain access to the city of Troy. The wooden horse was left at the gates as an offering to Athena. The horse was then wheeled into the city and out came Greek fighters hiding inside.

A Trojan horse virus is a form of malware that is dressed up as something interesting or software from a source we are familiar with. The purpose is to trick the person into installing it. This allows the creator of the Trojan to do damage to data or software on your computer. They also will set up a 'back door' or access point that allows them to access your system.

Trojan viruses don't spread by infecting other files and they cannot duplicate themselves.

Worms

Worms are malware that can duplicate itself and spread to other computers. Worms always do something bad, even if it is just slowing things down.

Worms will frequently set up the ability for computers to be taken over by the worm's author by creating backdoors on the host computer. These computers are then called a "zombie computer". "Zombie computers" can be used to send out spam or as a shield to hide the web address of people who want to do bad things.

A virus is a small program that is created to spread from one computer to the next and to mess up the way your computer works.

Many times viruses hop from computer to computer via email attachments or messages. They can also hide in funny pictures(memes), e-cards, or other desirable file attachments. It can also be sent through an instant message.

A virus can corrupt your data, or worse, delete it. It can also email copies of itself to your friends.

Keeping your anti-virus software up to date is key to protecting against the latest viruses and other security threats.

Social Media

Privacy settings on social media accounts are set up as public when you first get one. Unless you want everyone to be able to look at all of your photos and other private stuff, you must go into your account settings and change this.

Something to remember is whatever you post and say on your page can be shared by your friends. Think about what you post online, BEFORE you do it. What you post, could be seen by anyone at any time depending on your settings and the friends you keep. Because we can take pictures of our screens, there is really no setting that can protect you. Think twice about what you are sharing with others, so there are no regrets later.

Make sure you know the people that you accept friend requests from. Sometimes people try to friend you to hack your Facebook account or access your contacts. Once you are hacked they will send out strange messages or friend requests to your contacts. Protect your friends and yourself by being cautious with friends and creating strong passwords for your social media accounts.

Geotagging

Geotagging is the bit of data that your electronic device packages with your picture that has information about where the picture was taken. This is something that can be turned on and off in your device and typically comes turned on until you change the setting.

When your photo is geotagged, this gives people information about your location. Letting outsiders know where you are, can allow them to plan to steal your belongings or vandalize your home.

Consider if you post a photo every Wednesday in your outfit ready to walk to ball practice and geotagging is turned on. This shows you have a routine and gives a rough area you will be in. A predator could come and take you away.

Another issue with allowing the geotagging to occur is you don't have control of your own privacy. Everyone does not need to know where you are all of the time, keep this information private.

Defamation: Defamation is the blanket word used for all types of untrue statements made about others.

Slander: When someone orally tells one or more people an untruth about someone, which will harm the reputation of the person it is about. It is not slander if the untruth is in writing of some sort or if it is broadcast through television or radio.

Libel: This is where someone publishes to print(including pictures), written word, online posts, blogs, articles, or broadcast through radio, television, or film, an untruth about another which will do harm to the person's reputation.

Be Careful of What You Say!

Much of the things people post online may get ignored, and you may get lucky and avoid legal action. But, when someone gets angry and files a lawsuit it can cause a major headache and possibly hit you hard in the wallet.

You might think you should have a right to openly complain about a company and their bad service or lousy product. Well when it comes to this, it is not always that simple. You can get sued for this and even if the judge agrees with you, you still have to pay for a defense attorney. Think twice and make sure that whatever you have to say is worth any headache you may have pop up later.

On social media, people get into the habit of letting their emotions get the better of them and they end up speaking their minds about others online. When that person feels that this damages their character, they may opt to sue the other person for defamation. Even if their case is not successful, the stress, money, and time that you spend defending yourself is not worth it. To read more about defamatory social media posts, durit here.

Stranger Danger Online

When you think of being on your computer or other electronic device in your own home, you probably think you are safe. Your mom is in the next room, what could happen?

Well there are people online that are up to no good. They go in chat rooms and pop up on your instant messenger, looking for someone to "groom".

What is grooming you say? Well, grooming is when a stranger(can be any age) finds someone they are interested in, usually a minor. They act really nice and maybe they pretend they are much younger than they really are, like they are a kid just like you. Then they try to get you to like them and to trust them. They may ask you not to tell anyone you are talking to them. This is not okay and is a warning sign of a possible groomer.

How to Protect Yourself in Online Chats

- Choose chat sites designed for kids, such as **unrealidented cone**. Kidzworld is moderated and its aim is to protect kids from unwanted requests and online bullying.
- Beware of people you don't know. If they are asking too many questions or being too friendly they may be up to no good.
- If someone asks you to send them a picture or sends you a picture or video that is inappropriate, tell an adult or report them to the site moderators.
- Don't give out personal information to strangers online
- Don't tell strangers where you live or give them your telephone number
- Don't send strangers pictures of you or others
- If you are being bullied or threatened online, tell an adult or someone you trust

- Cyberbullying is the **willful and repeated harm** inflicted through the use of computers, cell phones, and other electronic devices.
- Using PhotoShop or other tools to create harassing images.
- Posting jokes about another person on the internet
- Using the internet to entice a group to physically harm another person.
- Making threats online using IM, email, social networking sites, or other electronic devices.

Consequences of Cyberbullying

Anything that you write, pictures that you post, or videos that you upload can be used by your school to **<u>suspend</u>** you.

College students have been removed from their athletic teams and lost college funding for writing negative comments about their coach.

When applying to colleges, they will search online to see what kind of person you are. They can deny you access if they don't like what they find.

When businesses are looking at people to hire for a job they will many times use social media to see what kind of person they are. Mean or inappropriate type posts can prevent you from getting the job you desire.

Cyberbullying can also be considered a crime and participating in this type of behavior can land you in big trouble.

Consequences of Cyberbullying

- § 18.2-152.7:1. Harassment by Computer; Penalty makes cyberbullying a crime.
- Carries a \$2500 fine and punishable by up to 12 months in prison.

There are many websites designed to inform and decrease the number of bullying cases we see each year. The U.S. Department of Health and Human Services has created a website with lots of resources to help combat bullying of all kinds - www.stopbullying.gov If you experience cyberbullying or witness it, tell someone such as a school counselor, teacher, or a parent.

The Effects of Cyberbullying

- Victims feel depressed, sad, angry, and frustrated.
- Victims become afraid and/or embarrassed to attend school.
- Can lead to low self-worth, family problems, academic problems, school violence, and bad behavior.
- Victims can also develop thoughts of killing themselves and possibly act on these feelings.
- There are no positive effects of cyberbullying, only pain and suffering for the victims.
- The affects of being bullied can affect the victim into adulthood and prevent them from being all they can be in the future.

Dealing with Cyberbullying

- Never do the same thing back, 2 wrongs don't make a right
- Tell them to stop

- Block their access to you
- Report it to the site you are on such as Facebook or Twitter
- NEVER pass along messages from cyberbullies, stop the spread of this behavior
- Set up privacy controls and keep the bully out of your friends list
- Don't be a cyberbully yourself
- If you witness someone getting bullied, tell someone so it can be stopped. Many times the person being bullied won't tell out of fear.
- Spread the word that bullying is not cool
- Don't laugh or encourage the bully, it is not funny and it can lead to major trouble for the person doing the bullying.

About Sexting

"Sexting" is when someone sends or receives sexually explicit or non-PG Rated pictures or video electronically, mainly via cell phones or tablets.

The numbers on how many teens say that they have sent/posted nude or seminude pictures or videos of themselves is upsetting. 20% of teens between 13 to 19 years of age have engaged in sexting. 22% of teen girls 18% of teen boys 11% of teen girls between 13 to 16 years of age have engaged in sexting.

Did you know that if you forward a picture of a sexual or nude photo of someone underage, you are as responsible for the image as the original sender?? You can be charged with a crime.

Many teens don't realize that if you send a picture of yourself that is inappropriate and that picture ends up online, it could be there forever. You can never fully delete things that end up on the web.

📮 About Sexting 📢

There is no age minimum that protects young people from getting charged with a sexual offense.

Something that you think is okay or just a joke, might land you in a ton of trouble. For example, you might take a picture of your friend naked to embarrass them, but if they are under the age of 18, this is considered production of child pornography.

If you are sent something inappropriate, do not share it and don't delete it. Tell an adult immediately. You may feel like you are getting your friend into trouble, but you are protecting yourself and you are protecting them. They may not be thinking about the consequences or the effect this behavior can have on their future.

Anyone that gets convicted of a sex offense, will have to register as a sex offender. Sex offenders have to keep their address updated and keep a current photo with the police. The information goes on the sex offender registry where anyone can go and see your picture and where you live online.

REMEMBER: You can't control what other people do with your photos. Even if you think you are sending it to someone you can trust, they may end up surprising you. You can't trust anyone with something as private as that. Don't Do It!

Legal Consequences of Sexting

- The Virginia Department of Education has an excellent resource with real life examples of the consequences of sexting that can be found <u>there</u>.
- The Attorney General's Virginia Rules website is designed to give Virginia Youth information on all the laws in the state. <u>We may have a settensive information on sexting and other internet security risks</u>.
- This article in The Virginian-Pilot tells a story of five Virginia teens getting charged with felonies for sexting and being in possession of sexually explicit photos of a minor, read more about it new.

2. Internet Search

Ashlake Trails Apartments will also be listed on the following websites:

www.virginiahousingsearch.com www.hud.gov www.craigslist.org www.accessva.org www.dbhds.virginia.gov

3. Print Media

Print media sources will also be identified in the Lynchburg area that cater to people with disabilities as well as the public at large. These sources may include, but are not limited to, rental magazines such as the *Apartment Shoppers Guide*, *Apartments For Rent*, local newspapers, etc. All advertising materials related to the project will contain the Equal Housing Opportunity logo, slogan or statement, in compliance with the Fair Housing Act, as well as the fact that units for people with disabilities are available.

4. Resident Referrals

An effective Resident Referral program will be set up, in which current residents are rewarded for referring friends, coworkers, and others who may have disabilities to the property. These referrals are generally the best form of advertising as it attracts friends who will want to reside together, thus binding the community. *Residents will be offered incentives, to be determined, for referring qualified applicants who rent at the property.* Flyers will be distributed to residents along with the resident newsletter announcing the tenant referral program.

5. Marketing Materials

Additional marketing materials are needed in order to further support the specific marketing effort to people with disabilities. All printed marketing materials will include the EHO logo. The marketing will also emphasize the physical and administrative compliance with Americans with Disabilities Act.

These marketing materials include:

• **Brochures or news media coverage** –A simple, two color brochure may be produced at low cost which will effectively sell the apartments and community. A brochure will include a listing of features and amenities. News media may include the local newspaper and/or the local television station coverage.

• Flyers - As mentioned earlier, a flyer campaign can be used effectively to market the community. Each flyer should incorporate graphics as well as a small amount of copy and should be designed to generate traffic.

• **Resident Referral** - The least expensive form of advertising is through Resident Referrals. A flyer should be created and distributed to all residents. (\$50 - \$100 per referral, paid upon move in). In addition to being distributed to all residents, the referral flyer should be left in the Management office and should be included in the move in packet. (People are most inclined to refer their friends in the first few weeks of their tenancy.) The flyers will be changed to reflect the season or any type of special referral program.

III. Public and Community Relations

Equal Housing Opportunity promotions - all Site Signage containing the EHO logo and Fair Housing posters are displayed in English and Spanish in the Rental Office. Mark-Dana Management, LLC encourages and supports an affirmative marketing program in which there are no barriers to obtaining housing because of race, color, religion, national origin, sex, elderliness, marital status, personal appearance, sexual orientation, familial status, physical or mental disability, political affiliation, source of income, or place of residence or business.

Additionally, a public relations program will be instituted to create a strong relationship between management and local disability organizations, neighborhood civic organizations, city officials, and other sources of potential qualified residents still to be identified.

IV. Tenant Selection and Orientation

The first contact with the management operations is an important one in attracting qualified residents; therefore, the management/leasing offices should convey a sense of professionalism, efficiency, and cleanliness. The management/leasing office is designed to provide a professional leasing atmosphere, with space set aside specifically for applicant interviews and application assistance. The leasing interviews will be used to emphasize the respect afforded to the applicant and the responsibilities which the applicant will be expected to assume.

Times of Operation - the Management Office will be open Monday through Friday from 8:30 A.M. to 4:30 P.M. Applicants will be processed at the Management Office Tuesday, Wednesday and Thursday, in accordance with approved criteria. Move-in process and orientation to property - applicants meet with designated staff to discuss programs available on the property and will be supplied relevant information to assist them in their move.

Management staff will perform housekeeping/home visits, check previous landlord and personal references, perform criminal/sex offender and credit background checks and verify income for each application taken. Tenant Selection will include minimum income limits assigned by the Owner/HUD. New residents will be given an orientation to the property including a review of the rules and regulations, information on the area, proper use of appliances, move-out procedures, maintenance procedures, rent payment procedures, energy conservation, grievance procedures and a review of the Lease documents.

Tenant Selection Criteria

Tenant Selection will include maximum income limits under the Low-Income Tax Credit and Section 8 programs. Selection criteria will also include student status guidelines pursuant to the Low-Income Housing Tax Credit program.

Management will commit that no annual minimum income requirement that exceeds the greater of \$3,600 or 2.5 times the portion of rent to be paid by tenants receiving rental assistance

Application Processing

Application processing will be done at the Management Office by the housing staff who are well versed in Fair Credit Law. As stated before, the processing will include a review of housekeeping/home visit, prior landlord references, personal references, criminal/sex offender and credit reporting and income verification. The housing staff will make further review for inaccuracies in the application. The annual income and family composition are the key factors for determining eligibility. However, the Housing Committee will also use the following criteria in selecting applicants for occupancy:

- □ Applicants must be individuals, not agencies or groups.
- □ Applicants must meet the current eligibility income limits for tax credits and any other program requirements.
- □ We will process the Rental Applications through a credit bureau to determine the credit worthiness of each applicant. If the score is below the threshold, and it has been determined that applicant has no bad credit <u>and</u> no negative rental history <u>and</u> no criminal history then the application can be conditionally approved after contacting the prior landlord. In these cases, the application must be reviewed by the Associate Director/ housing committee before final approval.

<u>Note-</u> If the applicant's denial is based upon a credit report, the applicant will be advised of the source of the credit report in accordance with the Federal Fair Reporting Act. Guidelines published by the Federal Trade Commission suggest that apartment managers fall under the provisions of the Act and are obligated to advise the person refused an apartment for credit reasons, the name and address of the credit reporting firm in writing. The credit report will not be shown to the applicant, nor will specific information be revealed.

- □ We will process the Rental Application through a credit bureau to determine any possible criminal conduct. Convictions will be considered, regardless of whether "adjudication" was withheld. A criminal background check will be used as part of the qualifying criteria. An applicant will automatically be denied if;
 - There is a conviction for the manufacture, sale, distribution, or possession with the intent to manufacture, sell or distribute a controlled substance within the past five years.
 - There is evidence in the criminal history that reveals that the applicant has developed a pattern of criminal behavior, and such behavior presents a real or potential threat to residents and/or property.
 - The application will be suspended if an applicant or member of the applicant's family has been arrested for a crime but has not yet been tried. The application will be reconsidered, within the above guidelines, after such legal proceedings have been concluded at applicants' request.
- □ Applicants must provide complete and accurate verification of all income of all family members. The household's annual income may not exceed the applicable limit and the household must meet the subsidy or assisted Income Limits as established for the area in which Ashlake Trails Apartments is located. The annual income is compared to the area's Income Limits to determine eligibility.
- □ Family composition must be compatible for units available on the property.
- □ Applicants must receive satisfactory referrals from all previous Landlords.
- □ Applicants must provide verification of full-time student status for all individuals listed on the application as full-time student for tax credit units.
- □ Applicants must not receive a poor credit rating from the Credit Bureau and other credit reporting agencies and must demonstrate an ability to pay rent on time.

- □ Applicants must provide a doctor's statement and/or other proof of any handicap or disability.
- □ Applicants must provide a birth certificate or other acceptable HUD approved form of documentation for all household members.
- □ Applicants must complete the Application for Lease and all verification forms truthfully.
- □ Applicants must provide all information required by current Federal regulations and policies.
- Applicants must have the demonstrated ability to maintain acceptable housekeeping standards.
- □ Applicants must meet current Federal program eligibility requirements for tax credits and any other programs.
- □ Preference will be given to those households whose family members are handicapped or disabled for housing in the units specifically designated for the handicapped or disabled.
- □ Applicants who meet the above criteria will be placed on a waiting list based on the date and time of their application. If an applicant turns down a unit for any reason, the applicant will be moved to the bottom of the waiting list. If the applicant turns down a unit for any reason a second time, the applicant will be removed from the waiting list.
- □ Held Vacant for 60 Days

Unit must be held vacant for 60 days during which marketing efforts must be documented. However, if marketing to the Target Population is deemed to be conducted satisfactorily on an ongoing basis throughout the year and management can provide sufficient documentation to VHDA's Compliance Officer, management may request the ability to lease 60-point Units and 30-point Units, to a household not in the Target Population without the unit remaining vacant for the 60-day timeframe. "Ongoing basis" means contact to at least two (2) resources at least monthly in the manner noted below at any time the required number of units is not actually occupied by the Target Population.

Each time a vacancy occurs in a 60-point Unit or a 30-point Unit, if a qualified household including a person in the Target Population is not located in the 60-day timeframe, the owner or manager may submit the evidence of marketing to VHDA's Compliance Officer and request approval to rent the unit to an incomequalified household not a part of the Target Population. If the request is approved, the lease must contain a provision that the household must move to a vacant unit of comparable size in the development if a household in the Target Population applies for the unit. The move will be paid for by the owner.

If no vacant unit of comparable size is available at that time, the Target Population prospective tenant should be placed on the development's waiting list and placed in the 60-point Unit or 30-point Unit, when the first available vacant comparably sized unit becomes available to move the non-Targeted Population tenant.

NOTE: The move of the temporary/non-disabled tenant will be paid for by the owner.
