2021 Low-Income Housing Tax Credit Application For Reservation

Virginia Housing is running a BETA test of new EUR calculations that will be considered for implementation in 2022. These points are only a test and will not be used for scoring purposes in 2021. Please contact taxcreditapps@virginiahousing.com with questions or comments.

Credit Points:

If the Combined Max Allowable is \$500,000 and the annual credit requested is \$200,000, you are providing a 60% savings for the program. This deal would receive all 200 credit points.

For another example, the annual credit requested is \$300,000 or a 40% savings for the program. Using a sliding scale, the credit points would be calculated by the difference between your savings and the desired 60% savings. Your savings divided by the goal of 60% times the max points of 200. In this example, $(40\%/60\%) \times 200$ or 133.33 points.

Using Current E-U-R method (up to 200)		84.70
Using proposed method:		
Combined Max	\$1,061,157	
Credit Requested	\$561,700	
% of Savings	47.07%	
Sliding Scale Points		156.9
<i>Difference</i>		72.20

Cost Points:

If the Applicable Cost by Square foot is \$238 and the deal's Proposed Cost by Square Foot was \$119, you are saving 50% of the applicable cost. This deal would receive all 100 credit points.

For another example, the Applicable Cost by SqFt is \$238 and the deal's Proposed Cost is \$153.04 or a savings of 35.70%. Using a sliding scale, your points would be calculated by the difference between your savings and the desired 50% savings. Your savings divided by the goal of 50% times the max points 100. In this example, $(35.7\%/50\%) \times 100$ or 71.40 points.

Using Current E-U-R method (up to 100)		16.58
Using proposed method:		
Total Costs Less Acquisition	\$9,596,535	
Total Square Feet	54,078.00

Applicable Cost Limit per Sq Ft	\$390.00

Attorney's Opinion
(MANDATORY)

March 18, 2021

TO: Virginia Housing Development Authority
601 South Belvidere Street
Richmond, Virginia 23220-6500

RE: 2021 Tax Credit Reservation Request

Name of Development: Liberty Place

Name of Owner: Liberty Townhomes LLC

Gentlemen:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package dated March 18, 2021 (of which this opinion is a part) (the "Application") submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low income housing tax credits ("Credits") available under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the "Regulations").

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Parts VIII and IX of the Application form, complies with all applicable requirements of the Code and Regulations.
2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development in Part VIII of the Application form and (b) of the Estimated Qualified Basis of each building in the Development in Part IX of the Application form comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.
3. The appropriate type(s) of allocation(s) have been requested in Subpart I-D of the Application form.
4. The information set forth in Subpart VII-C of the Application form as to proposed rents satisfies all applicable requirements of the Code and Regulations.
5. The site of the captioned Development is controlled by the Owner, as identified in Subpart II-A of the Application, for a period of not less than four (4) months beyond the application deadline.

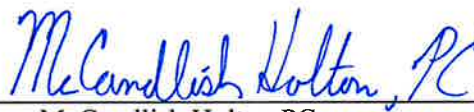

ATTORNEY'S OPINION LETTER, continued

6. The type of the nonprofit organization involved in the Development is an organization described in Code Section 501(c)(3) or 501(c)(4) and exempt from taxation under Code Section 501(a), whose purposes include the fostering of low-income housing.
7. The nonprofit organizations' ownership interest in the development is as described in Subpart II-D of the Application form.
8. [Intentionally Deleted. The Development is new construction.]
9. [Intentionally Deleted. The Development is new construction.]

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon compliance by the Owner with the requirements of Code Section 42(h)(1)(E), the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("VHDA") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by VHDA and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

If the Investor Member makes a Special Additional Capital Contribution to the Company pursuant to this paragraph, the Investor Member shall receive a guaranteed payment pursuant to Section 5.06 for the use of its Special Additional Capital Contribution. Whenever the Investor Member makes a Special Additional Capital Contribution to the Company pursuant to this paragraph, the Managing Member shall have the option, in its sole and absolute discretion, to make Special Additional Capital Contributions to the Company, up to the same amount and on the same terms in the aggregate as the Special Additional Capital Contribution made by the Investor Member at that time.

(e) Adjustment to Capital Contributions of Investor Member. Following determination of Certified Credits, the Accountants shall make a determination as to whether there is a Downward Capital Adjustment. If events subsequent to such determination result in a decrease in the Capital Contributions of the Investor Member due to a Late Delivery Capital Adjustment, then the Accountants shall recalculate the Downward Capital Adjustment to take into account such Late Delivery Capital Adjustment. Following the determination of a Downward Capital Adjustment and/or a Late Delivery Capital Adjustment, the Managing Member or the Company, as appropriate, shall make payments as required under Section 5.01(e)(ii).

(i) The following definitions shall apply for purposes of determining adjustments to Capital Contributions:

- A. "Certified Credit Capital Adjustment" shall equal the product of (A) Certified Credits for the Credit Period (excluding any LIHTC resulting from an increase in qualified basis under Code Section 42(f)(3)), minus \$3,650,000, times (B) \$0.90. The Certified Credit Capital Adjustment may be a positive or negative number.

- B. “Certified Credit Capital Decrease” means a negative Certified Credit Capital Adjustment.
- C. “Certified Credit Capital Increase” means a positive Certified Credit Capital Adjustment.
- D. “Downward Capital Adjustment” shall mean the following: (A) if either there is a Certified Credit Capital Decrease or if the Certified Credit Capital Adjustment is zero, then the Certified Credit Capital Decrease plus the Late Delivery Capital Adjustment; or (B) if there is a Certified Credit Capital Increase, the positive amount, if any, by which the Late Delivery Capital Adjustment exceeds the Certified Credit Capital Increase.
- E. “Late Delivery Capital Adjustment” shall mean for calendar year 2015 the amount, if any, by which \$91,250 exceeds Actual Credits for such year.
- F. “Early Delivery Capital Adjustment” shall mean the product of (a) \$0.50 and (b) the amount, if any, by which Actual Credits for calendar year 2015 exceed \$91,250 (but in no event shall the total Early Delivery Capital Adjustment exceed \$20,000); provided, however, that if the Project does not achieve 100% Qualified Occupancy by December 31, 2015, then the Investor Member shall not be obligated to make an Early Delivery Capital Adjustment despite the delivery of Actual Credit as described herein.

(ii) If there is a Downward Capital Adjustment, then the Capital Contributions of the Investor Member shall be immediately reduced by the Downward Capital Adjustment. The Downward Capital Adjustment shall first reduce the Fifth Capital Contribution (if it has not previously been funded), and then to the extent necessary, the Sixth Capital Contribution, and then to the extent necessary, the Seventh Capital Contribution. If the Downward Capital Adjustment exceeds the total of all unfunded Capital Contributions (prior to the reduction under this provision), then the Managing Member shall make a payment immediately to the Company equal to the amount of such excess, and the Company shall immediately distribute such amount to the Investor Member as a return of its Capital Contributions. Such payment by the Managing Member shall constitute a non-reimbursable funding by it of Excess Development Costs and shall not give rise to any right as a loan or Capital Contribution or result in any increase in the Capital Account of the Managing Member. In the event that the Managing Member fails to make such payment in full and the Investor Member, in its sole discretion, elects not to exercise its remedies under Sections 5.05 or 6.05, as applicable, any amount not so paid by the Managing Member as required shall be payable out of Net Cash Flow and proceeds of Capital Transactions, as provided under Sections 11.03 and 11.04. Any payment required to be paid to the Investor Member pursuant to the preceding

sentence out of Net Cash Flow and the proceeds of Capital Transactions shall be referred to as a “LIHTC Reduction Guaranty Payment”. The Early Delivery Capital Adjustment, or adjusted based on a Certified Credit Capital Increase, shall be paid with the Sixth Capital Contribution and shall be used to pay Development Costs and then to pay deferred Development Fee.

(f) Payment of Investor Member Due Diligence Costs. The Managing Member shall pay the costs and expenses incurred by the Investor Member in connection with the due diligence activities of the Investor Member and the closing of the transactions described herein , including Investor Member’s legal fees and expenses, such Investor Member Due Diligence Costs not to exceed \$28,000.

(g) Additional Investor Members. Without the Consent of all of the Members, no additional Persons may be admitted as additional Investor Members and Capital Contributions may be accepted only as and to the extent expressly provided for in this Article V.

(h) Deposit of Capital Contributions. Except as otherwise provided in Section 5.01(d) herein, the cash portion of the Capital Contributions of each Member shall be deposited at the Managing Member’s discretion in a checking, savings and/or money market or similar account to be established and maintained in the name of the Company or invested in government securities or certificates of deposit issued by any bank. Thereafter, such amounts shall be utilized for the conduct of the Company business pursuant to the terms of this Agreement.

(i) No Liability for Investor Member or Special Investor Member. Except as may otherwise be provided under applicable law, no Investor Member or Special Investor Member shall be bound by, or personally liable for, the expenses, liabilities or obligations of the Company.

(j) Payment of Environmental Assessment Consultant Fees. The Managing Member acknowledges that, on behalf of the Investor Member, the Investor Member or its Affiliate may retain an environmental consultant (the “Environmental Consultant”) to review and give recommendations related to environmental reports that are provided to the Investor Member by the Managing Member (including, but not limited to, Phase I and Phase II environmental assessments, wetlands reports, lead and asbestos reports, abatement reports and other environmental reports required by the Environmental Consultant, to the reasonable satisfaction of the Environmental Consultant) for the Land, or the construction and rehabilitation of existing buildings, if the reports indicate the possible presence of hazardous materials on or near the Project or if such reports appear incomplete or inadequate for purposes of making such a determination. The Company shall be solely responsible for the payment of the fees of the Environmental Consultant.

5.02 Return of Capital Contribution. Except as provided in this Agreement, no Member shall be entitled to demand or receive the return of his Capital Contribution.

5.03 Withholding of Capital Contribution Upon Default.

(a) Conditions Giving Rise to Withholding. In the event that (a) the Managing Member, or any successor Managing Member shall not have substantially complied with any material provisions under this Agreement or the operating agreement as to an Affiliated Company, after Notice from the Investor Member of such noncompliance and failure to cure such noncompliance within a period of thirty (30) days from and after the date of such Notice, or (b) any Project Lender shall have declared the Company to be in default under any Project Loan or under any of the mortgage loans as to an Affiliated Company, or (c) foreclosure proceedings shall have been commenced against the Project or against the Project owned by an Affiliated Company, then the Company and the Managing Member shall be in default of this Agreement, and the Investor Member, at its sole election, may cause the withholding of payment of any Capital Contribution otherwise payable to the Company (including while any cure period is in effect).

(b) Release to Company Following Cure. All amounts so withheld by the Investor Member under this Section 5.03 shall be promptly released to the Company only after the Managing Member or the Company have cured the default justifying the withholding, as demonstrated by evidence reasonably acceptable to the Investor Member.

5.04 Legal Opinions. As a condition precedent to the Investor Member's obligation to make its Capital Contributions hereunder, the Investor Member must receive the opinion of McCandlish Holton, PC, Counsel for the Company and the Managing Member, which opinion shall explicitly state that Applegate & Thorne-Thomsen, P.C. of Chicago, Illinois, counsel to the Investor Member, may explicitly rely upon it, that:

(a) the Company is a duly formed and validly existing company under the Act, and the Company has full power and authority to own and operate the Project and to conduct its business hereunder; the Company is duly qualified to transact its business in the Commonwealth of Virginia; the Investor Member has been validly admitted as an Investor Member of the Company entitled to all the benefits of an Investor Member under this Agreement, and the Interest of the Investor Member in the Company is the Interest of an investor member with no personal liability for the obligations of the Company, and the exercise of the rights and remedies of the Investor Member under this Agreement do not constitute participating in the control of the business of the Company;

(b) the Managing Member is duly and validly organized and is validly existing in good standing as a limited liability company under the laws of the Commonwealth of Virginia, with full power and authority to enter into and perform its obligations hereunder and under the Managing Member Pledge; the Managing Member is duly qualified to transact its business in the Commonwealth of Virginia;

(c) unless otherwise permitted under this Agreement, there is and shall be no direct or indirect personal liability of the Company or of any of the Members or their Affiliates for the repayment of the principal of and payment of interest on any Project Loan, and the sole recourse

of the Project Lender, with respect to the principal thereof and interest thereon, shall be to the assets of the Company securing such indebtedness;

(d) execution of this Agreement and the Managing Member Pledge by the Managing Member has been duly and validly authorized by or on behalf of such Managing Member and, having been executed and delivered in accordance with its terms, this Agreement and the Managing Member Pledge constitute the valid and binding agreement of the Managing Member, enforceable in accordance with their respective terms, and execution hereof and thereof by the Managing Member is not in violation of any contract, agreement, charter, bylaw, resolution, judgment, order, decree, law or regulation to which the Managing Member is bound or as to which it is subject;

(e) the Company owns fee simple title to the Project, subject only to the Project Loans, the Mortgages, and such other liens, charges, easements, restrictions and encumbrances as are set forth in the title insurance policy issued to the Company. Such opinion may be based on a review of the title insurance policy issued in accordance with Section 4.01 herein, provided Counsel has no actual knowledge to the contrary;

(f) to the best of its knowledge after due inquiry, there are no defaults existing with respect to any of the Project Documents;

(g) to the best of its knowledge after due inquiry, no event of Bankruptcy has occurred with respect to the Company or the Managing Member; and

(h) the Affiliate Guaranty has been duly executed by the Affiliate Guarantor and constitutes the valid and binding obligation of the Affiliate Guarantor, enforceable in accordance with its terms; and

(i) the Company has received a carryover allocation of LIHTC for the Projected Credits from the Agency, which is the appropriate state of local authority for the jurisdiction in which the Project is located.

In addition, the Investor Member shall have received from counsel to Investor Member an overall tax opinion, addressing all material tax issues and indicating that the financial projections and tax credit calculation contained in the Development Budget appear reasonable and complete.

5.05 Repurchase Obligation.

(a) Conditions for Repurchase. If (i) Final Closing has not occurred by March 1, 2016 (or such later date as may be Consented to by the Investor Member); (ii) the Company has not received State Designation in 2015 or the IRS Form(s) 8609 (is) (are) not issued by the Agency by December 31, 2015, so as to allow the Credit Period to commence in 2015; (iii) the Company fails

to meet the Minimum Set-Aside Test and the Rent Restriction Test by the close of the first year of the Credit Period or at any time thereafter; (iv) the Company's basis in the Project for federal income tax purposes, as finally determined by the Accountants or pursuant to an audit by the IRS, as of December 18, 2014, shall have been less than ten percent (10%) of the Company's reasonably expected basis in the Project, as required pursuant to Section 42(h)(1)(E) of the Code; (v) an Extended Use Agreement is not in effect before the end of the first year of the Credit Period; (vi) the Project has not generated at least 95% of the Projected LIHTC for the year 2016, then the Managing Member shall, within fifteen (15) days of the occurrence thereof, send to the Investor Member Notice of such event and of its obligation to purchase the Interest of the Investor Member hereunder and return to the Investor Member its Capital Contributions in the event the Investor Member, in its sole discretion, requires in a Notice to the Managing Member such purchase of the Interest of the Investor Member. Thereafter, the Managing Member, within thirty (30) days of the mailing date of Notice by the Investor Member of such election, shall acquire the entire Interest of the Investor Member in the Company by making payment to the Investor Member, in cash, of an amount equal to the sum of its Capital Contributions, plus interest on such amount at the rate of fourteen percent (14%) per annum, but in no event higher than the highest rate permitted by applicable law.

(b) Upon receipt by the Investor Member of any such payment of its Capital Contributions, the Interest of the Investor Member and all further obligations of the Investor Member hereunder shall terminate, and, to the extent that the Investor Member has acted in accordance with the terms of this Agreement, the Managing Member shall indemnify and hold harmless the Investor Member from any losses, damages, and/or liabilities, to or as a result of claims of Persons other than Members or Affiliates thereof, to which the Investor Member (as a result of its respective participation hereunder) may be subject.

5.06 Guaranteed Payments. No later than ninety (90) days after the end of the Company's fiscal year, any Member who has made a Special Additional Capital Contribution hereunder shall receive, as a guaranteed payment for the use of its capital, an amount equal to the annual interest earned by the Company, if any, on such Special Additional Capital Contributions. The Company shall invest any amounts contributed as a Special Additional Capital Contribution as reasonably directed by the contributing Member. Any guaranteed payment due to a Member shall be deemed an expense of the Company for purposes of determining Net Cash Flow. Any guaranteed payment which is not paid when due shall remain a liability of the Company and shall bear interest as set forth above.

5.07 MM Loans.

(a) MM Loans. The Managing Member shall have the right, but not the obligation, after funding all other obligations under this Agreement, including, without limitation, its obligation to fund Excess Development Costs under its Construction Completion Guaranty under Section 8.11(a) or Operating Deficit under its Operating Deficit Guaranty under Section 8.11(b) hereof, to make "MM Loans" pursuant to this Section 5.07(a) to fund Operating Deficits of the Company or to fund other reasonable and necessary obligations of the Company, provided, however,

that the Managing Member shall not enter into any such MM Loan with the Company if such MM Loan would cause a reallocation of LIHTC or tax benefits among the Members. MM Loans shall be on the following terms: (i) interest shall accrue on the MM Loans at an annual interest rate of eight percent (8%), compounded annually; and (ii) MM Loans shall be repayable solely as set forth in Sections 11.03 and 11.04 of this Agreement.

(b) Documentation of MM Loans. At the request of a Member, which request may be made quarterly, any MM Loan shall be evidenced by a non-negotiable promissory note or notes reflecting any such MM Loans made during the preceding calendar quarter. MM Loans shall be unsecured loans. MM Loans shall not be considered Capital Contributions and shall not increase such Member's Capital Account.

(c) Usury Savings Clause. Notwithstanding anything to the contrary herein or in any note evidencing a MM Loan, in no event shall interest accrue on any MM Loan at a rate in excess of the highest rate permitted by applicable law, and if such designated interest rate should be in excess of such interest rate, the interest rate designated hereunder shall be reduced to the maximum rate of interest permitted by such law.

ARTICLE VI CHANGES IN MANAGING MEMBERS

6.01 Withdrawal of the Managing Member.

(a) The Managing Member may withdraw from the Company or sell, transfer or assign its Interest as Managing Member only with the prior Consent of the Investor Member, and of the Agency and the Project Lenders, if required, and only after being given written approval by the necessary parties as provided in Section 6.02, and by the Agency and the Project Lenders, if required, of the Managing Member(s) to be substituted for it or to receive all or part of its Interest as Managing Member.

(b) In the event that a Managing Member withdraws from the Company or sells, transfers or assigns its entire Interest pursuant to Section 6.01(a), it shall be and shall remain liable for all obligations and liabilities incurred by it as Managing Member before such withdrawal, sale, transfer or assignment shall have become effective, but shall be free of any obligation or liability incurred on account of the activities of the Company from and after the time such withdrawal, sale, transfer or assignment shall have become effective.

6.02 Admission of a Successor or Additional Managing Member. A Person shall be admitted as a Managing Member of the Company only if the following terms and conditions are satisfied:

(a) the admission of such Person shall have been Consented to by the Managing Member and the Investor Member, and consented to by the Agency and the Project Lenders, if required;

(b) the successor or additional Person shall have accepted and agreed to be bound by (i) all the terms and provisions of this Agreement by executing a counterpart thereof, (ii) all the terms and provisions of the Loan Agreement and the Project Documents by executing counterparts thereof or an assumption agreement, if requested by the Project Lenders, and (iii) all the terms and provisions of such other documents or instruments as may be required or appropriate in order to effect the admission of such Person as a Managing Member, and a certificate of amendment to the certificate of organization evidencing the admission of such Person as a Managing Member shall have been filed, and all other actions required by Section 1.07 in connection with such admission shall have been performed;

(c) if the successor or additional Person is a corporation, it shall have provided the Company with evidence satisfactory to counsel for the Company of its authority to become a Managing Member, to do business in the Commonwealth of Virginia and to be bound by the terms and provisions of this Agreement; and

(d) Counsel for the Company shall have rendered an opinion that the admission of the successor or additional Person is in conformity with the Act and that none of the actions taken in connection with the admission of the successor Person will cause the termination or dissolution of the Company or will cause it to be classified other than as a limited liability company for federal income tax purposes.

6.03 Effect of Bankruptcy, Death, Withdrawal, Dissolution or Incompetence of a Managing Member.

(a) In the event of the Bankruptcy of a Managing Member or the withdrawal, death or dissolution of a Managing Member, or an adjudication that a Managing Member is incompetent (which term shall include, but not be limited to, insanity) the business of the Company shall be continued by the other Managing Member(s); provided, however, that if the withdrawn, Bankrupt, deceased, dissolved or incompetent Managing Member is then the sole Managing Member, or if such Managing Member withdraws from the Company in contravention of the provisions of Section 6.01(a) of this Agreement, then the Company shall be terminated, unless within ninety (90) days after receiving Notice of such Bankruptcy, withdrawal, death, dissolution or adjudication of incompetence or breach of Section 6.01(a), the Investor Member elects to designate the Special Investor Member or such other entity as the Investor Member may desire as a successor Managing Member and continue the Company upon the conversion of such Special Investor Member to the Managing Member of the Company. Consequences of the removal of the Managing Member shall be determined under Section 6.05 hereof.

(b) Upon the Bankruptcy, death, dissolution or adjudication of incompetence of a Managing Member or breach of Section 6.01(a), such Managing Member shall immediately cease to be a Managing Member and its Interest shall without further action be converted to an Investor Member Interest; provided, however, that, if such Bankrupt, dissolved, incompetent, deceased or defaulted Managing Member is the sole remaining Managing Member, such Managing Member shall cease to be a Managing Member only upon the expiration of ninety (90) days after Notice to the Investor Member of the Bankruptcy, death, dissolution, declaration of incompetence or default of such Managing Member; and provided further that, if such Bankrupt, dissolved, incompetent, deceased or defaulted Managing Member is the sole remaining Managing Member, the converted Company Interest of such replaced Managing Member shall be ratably reduced to the extent necessary to insure that the substitute Managing Member(s) holds a .009% Percentage Interest (as set forth in Section 5.01).

(c) Except as set forth above, such conversion of a Managing Member Interest to an Investor Member Interest shall not affect any rights, obligations or liabilities (including, without limitation, any of the Managing Member's obligations under Section 8.11 herein) of the Bankrupt, deceased, dissolved, removed, incompetent or defaulted Managing Member existing prior to the Bankruptcy, death, dissolution, removal, incompetence or default of such person as a Managing Member (whether or not such rights, obligations or liabilities were known or had matured).

(d) If, at the time of the withdrawal, Bankruptcy, death, dissolution, adjudication of incompetence or default under Section 6.01(a) of a Managing Member, the Bankrupt, withdrawn, deceased, dissolved, incompetent or defaulted Managing Member was not the sole Managing Member of the Company, the remaining Managing Member or Managing Members shall immediately (i) give Notice to the Investor Members of such Bankruptcy, death, dissolution, adjudication of incompetence or default, and (ii) make such amendments to this Agreement and execute and file such amendments or documents or other instruments as are necessary to reflect the conversion of the Interest of the Bankrupt, deceased, dissolved, incompetent or defaulted Managing Member and his having ceased to be a Managing Member. The remaining Managing Member or Managing Members are hereby granted an irrevocable power of attorney, coupled with an interest, to execute any or all documents on behalf of the Members and the Company and to file such documents as may be required to effectuate the provisions of this Section 6.03.

6.04 Restrictions on Transfer of Managing Member's Interests. This is an agreement under which applicable law excuses the Investor Member from accepting performance from (i) any Managing Member which is a debtor in a case under the Bankruptcy Code, 11 U.S.C. § 101 et seq., (ii) a trustee of any such debtor, (iii) and/or the assignee of any such debtor or trustee. The Investor Member has entered into this Agreement with the Managing Member in reliance upon the unique knowledge, experience and expertise of the Managing Member, and its officers in the planning and implementation of the acquisition of the Project and in the area of affordable housing and development in general. The foregoing restriction on transfer is based in part on the above factors. The Managing Member expressly agrees that the Investor Member shall not be required to accept performance under this Agreement from any person other than the Managing Member, including,

without limitation, any trustee of the Managing Member appointed under the Bankruptcy Code, 11 U.S.C. § 101 et seq., and any assignee of any such trustee.

6.05 Removal of the Managing Member.

(a) Conditions for Removal. The Investor Member shall have the right to remove the Managing Member:

(i) for (A) any fraud, gross negligence or intentional misconduct, or (B) failure to exercise reasonable care with respect to any material matter in the discharge of its duties and obligations as Managing Member (provided that such violation results in, or is likely to result in, a material detriment to or an impairment of the Project or assets of the Company), or

(ii) upon the occurrence of any of the following:

(A) the Managing Member or the Company shall have violated any material provisions of the Regulatory Agreement, the Extended Use Agreement and/or the Loan Agreement, or any material provisions of any other Project Document or other document required in connection with any Project Loan or any material provisions of a Project Lender and/or Agency requirements applicable to the Project, which violation has not been explicitly waived in writing by the applicable Project Lender or the Agency, as applicable;

(B) the Managing Member or the Company shall have (i) violated any material provision of this Agreement, including, without limitation, any of its guarantees or payment obligations under Sections 5.01(e), 5.05 and/or 8.11, (ii) violated any material provision of applicable law, or (iii) the representation and warranty contained in Section 4.01(u) are and/or becomes false or inaccurate;

(C) the Managing Member or the Company shall have caused any Project Loan to go into default, which default remains uncured after the expiration of any applicable cure period;

(D) the Managing Member shall have conducted its own affairs or the affairs of the Company in such manner as would:

(1) cause the termination of the Company for federal income tax purposes;

(2) cause the Company to be treated for federal income tax purposes as an association, taxable as a corporation;

(3) in the reasonable opinion of the Investor Member, cause a recapture or reduction in Certified Credits;

(4) violate any federal or state securities laws;

(5) cause the Investor Member to be liable for Company obligations in excess of its Capital Contributions; or

(E) the amount of Actual Credits for any year are, or are projected by the Accountants to be, less than ninety percent (90%) of the Projected Credits for that year; or less than ninety percent (90%) of Certified Credits if Certified Credits have been determined and adjustments to the capital contribution of the Investor Member have been made as may be required under Section 5.01(e);

(F) cause for removal as a managing member of an Affiliated Company shall exist pursuant to the operating agreement of an Affiliated Company;

(G) the Managing Member fails to timely and promptly discharge the Management Agent if at any time cause for such removal exists;

(H) Bankruptcy or similar creditor's action is filed by or against the Company, the Managing Member or any Affiliate Guarantor; or

(I) any default by the Affiliate Guarantor under the Affiliate Guaranty;

(J) failure of the Affiliate Guarantor to maintain a minimum net worth of \$500,000;

(K) failure of the Company to achieve Breakeven Operations within six (6) months of the Company's achievement of 95% occupancy; or

(L) any act or omission by the Managing Member that would substantially reduce tax benefits, or substantially increase tax liabilities, of the Investor Member.

(b) Procedure for Removal. The Investor Member shall give Notice to all Members and to the Project Lenders of its determination that the Managing Member shall be removed. The Managing Member shall have ten (10) days after receipt of such Notice to cure any default or other reason for such removal, in which event it shall remain as Managing Member. If, at

the end of ten (10) days, the Managing Member has not cured any default or other reason for such removal, it shall cease to be Managing Member and the powers and authorities conferred on it as Managing Member under this Agreement shall cease and the Interests of such Managing Member shall be transferred to the Special Investor Member or its designee which, without further action, shall become the Managing Member; in such event, upon becoming the Managing Member, such designee shall be bound by all applicable terms and conditions of this Agreement and of the Project Documents. However, if the default or other reason for such removal should be of a nature that it reasonably takes more than ten (10) days to cure, then the cure period shall be extended for an additional forty-five (45) days as long as the Managing Member commences such cure within ten (10) days of receipt of such Notice and continues to diligently pursue such cure. The Investor Member may require reasonable regular progress reports regarding the status of such cure from the Managing Member while such cure is being undertaken.

(c) Managing Member Obligations and Liability Following Removal.

(i) In the event that the Managing Member is removed as aforesaid prior to the Final Closing, it shall be and shall remain liable for all obligations and liabilities incurred by it as Managing Member of the Company before such removal shall become effective, including but not limited to the obligations and liabilities of the Managing Member with respect to its obligations set forth in Section 8.11 of this Agreement; provided however, that if amounts otherwise payable to the Managing Member as fees are applied to meet the obligations of the Managing Member as stated in Sections 5.01, 5.05 and 8.11 of this Agreement, such application shall serve to reduce any such liabilities of the Managing Member or any successor, except for any liability incurred as the result of its negligence, misconduct, fraud or breach of its fiduciary duties as Managing Member of the Company. If the Managing Member is removed as Member of the Company prior to the Final Closing as aforesaid, the Managing Member shall not be entitled to payment of any further installments of the Incentive Management Fee, or other fees which otherwise would have been due and payable under or pursuant to various Sections of this Article VI or Article VII.

(ii) In the event that the Managing Member is removed as aforesaid after the Final Closing, it shall be and shall remain liable for all obligations and liabilities incurred by it as Managing Member of the Company before such removal shall become effective, including but not limited to the Managing Member's obligations and liabilities under Section 8.11(b) of this Agreement; provided, however, that if amounts otherwise payable to the Managing Member or Affiliates thereof as fees are applied by the Company to pay Operating Deficits, such application shall serve to reduce any such liabilities after the Final Closing, except for any liability incurred as the result of its negligence, misconduct, fraud or breach of its fiduciary duty as Managing Member of the Company. If the Managing Member is removed as Member of the Company at any time after the Final Closing, the Developer or its successor(s) shall continue to be paid subsequent to such removal, in accordance with the terms and conditions of this Agreement, any installments of the Development Fee which would have otherwise been due and payable to it pursuant to Section 8.12 and which are not otherwise being withheld; provided, however, upon any such removal of the Managing Member

after the Final Closing, no further installments of the Incentive Management Fee shall be paid which are attributable to any period after such removal.

(d) Power of Attorney. The Investor Member hereby is granted an irrevocable power of attorney, coupled with an interest, to execute any and all documents on behalf of the Members and the Company as shall be legally necessary and sufficient to effect all of the foregoing provisions of this Section 6.05. The election by the Investor Member to remove the Managing Member under this Section shall not limit or restrict the availability and use of any other remedy which the Investor Member or any other Member might have with respect to the Managing Member in connection with its undertakings and responsibilities under this Agreement.

6.06 Construction Lender Requirements.

- (a) Notwithstanding anything to the contrary contained in this Agreement, the Members hereby acknowledge and consent to (A) the granting of a security interest in the Company's rights, title and interest in and to the obligations of the Investor Member to make Capital Contributions to the Company pursuant to and in accordance with this Agreement (the "**CC Collateral**"), to and/or in favor of Community Capital Bank of Virginia ("**CCB**") to secure the obligations of the Company to CCB under the loan documents evidencing, securing and otherwise governing the Construction Loan (collectively, as amended from time to time, the "**Construction Loan Documents**"), (B) the filing of financing statements by or on behalf of CCB, the execution and delivery of one or more pledge and/or security agreements in favor of CCB, and the taking of any and all such other actions as may be required by CCB to perfect its security interest in the CC Collateral, and (C) the exercise by CCB of all of its rights and remedies relating to its perfected security interest in the CC Collateral, whether under the Construction Loan Documents or at law or in equity. The Members hereby further acknowledge and agree that the consummation of the transactions described above in this Section 6.06 shall not constitute a breach or default by any Member under this Agreement and/or the Project Loan documents, and shall not result in the acceleration or enforcement of any rights the Members may otherwise have in connection therewith.
- (b) Notwithstanding the foregoing, the Members hereby consent to (A) the pledge of, and the granting of a security interest in, the Managing Member's Interest and all of the other interests of the Managing Member in the Company (collectively, the "**MM Pledged Collateral**"), to and/or in favor of CCB in connection with the construction loan described on Exhibit F hereto (the "**MM Pledgee**") to secure the obligations of the Company to CCB under the loan documents evidencing, securing and otherwise governing such construction loan (collectively, as amended from time to time, the "**CCB Construction Loan Documents**"), and (B) the exercise by the MM Pledgee of all of its rights and remedies relating to such pledge and security interest, whether under the CCB Construction Loan Documents or at law or in equity (subject to the provisions of the last sentence of this subsection (b)). The Investor Member agrees that such pledge of the

MM Pledged Collateral will be senior to the pledge to the Investor Member under the Managing Member Pledge. Upon the occurrence of an event of default under the CCB Construction Loan Documents (and the expiration of any applicable notice and cure period), and upon any exercise by the MM Pledgee of its rights and remedies as a pledgee and secured creditor resulting in a transfer of title to all or any portion of the MM Pledged Collateral to the MM Pledgee, the MM Pledgee's nominee and/or any Person to whom the MM Pledgee may transfer such MM Pledged Collateral in a secured creditor's sale (each such Person being referred to herein as a "**Subsequent Transferee**"), the admission of such Subsequent Transferee as a substitute Managing Member shall require the Consent of the Investor Member; provided, that Investor Member agrees that such Consent shall not be unreasonably withheld, and will be based on the Investor Member's determination (which may be based on advice of its counsel) that (i) the admission of such Subsequent Transferee will not cause any adverse tax consequences to the Investor Member or the Company, (ii) the Subsequent Transferee has obtained the required consent of the Agency and any Project Lender for such admission, (iii) the Subsequent Transferee has the experience, current competence and financial resources (including the ability to have an affiliate provide a guaranty of its obligations hereunder), in the reasonable determination of the Investor Member, to construct and operate the Project and maintain the Tax Credits, and (iv) the conditions set forth in subsections (i)-(iii) above have been met. Notwithstanding anything to the contrary contained in this Agreement, the Members agree and covenant that (x) all Members' Interests in the Company, whether now or hereafter issued and outstanding, shall be uncertificated and no election has or will be made to have the Interests governed by Article 8 of the Uniform Commercial Code adopted by the Commonwealth of Virginia without the prior written consent of CCB, and (y) the provisions set forth in this Section 6.06 may not be amended or restated without the prior written consent of CCB, and any attempt to do so in violation of the foregoing shall be null and void.

ARTICLE VII ASSIGNMENT TO THE COMPANY

The Managing Member hereby transfers and assigns to the Company all of its right, title and interest in and to the Project, including the following:

- (a) all contracts with architects, contractors and supervising architects with respect to the development of the Project;
- (b) all plans, specifications and working drawings, heretofore prepared or obtained in connection with the Project and all governmental approvals obtained, including planning, zoning and building permits;
- (c) any and all commitments with respect to the Project Loans and the LIHTC;

- (d) any and all rights under and pursuant to the Project Documents; and
- (c) any other work product related to the Project.

ARTICLE VIII
RIGHTS, OBLIGATIONS AND POWERS
OF THE MANAGING MEMBER

8.01 Management of the Company.

(a) Except as otherwise set forth in this Agreement, the Managing Member, within the authority granted to it under this Agreement, shall have full, complete and exclusive discretion to manage and control the business of the Company for the purposes stated in Article III, shall make all decisions affecting the business of the Company and shall manage and control the affairs of the Company to the best of its ability and use its best efforts to carry out the purpose of the Company. In so doing, the Managing Member shall take all actions necessary or appropriate to protect the interests of the Investor Member, Special Investor Member and of the Company. The Managing Member shall devote such time as is necessary to the affairs of the Company.

(b) Except as otherwise set forth in this Agreement and subject to the applicable Project Lender and/or Agency rules and regulations and the provisions of the Loan Agreement, the Managing Member (acting for and on behalf of the Company), in extension and not in limitation of the rights and powers given by law or by the other provisions of this Agreement, shall, in its sole discretion, have the full and entire right, power and authority in the management of the Company business to do any and all acts and things necessary, proper, convenient or advisable to effectuate the purpose of the Company. In furtherance and not in limitation of the foregoing provisions, the Managing Member is specifically authorized and empowered to execute and deliver, on behalf of the Company, the Loan Agreements, the Regulatory Agreement, the Extended Use Agreement, the Notes, the Mortgages, and the other Project Documents, and to execute any and all other instruments and documents, and amendments thereto provided the Investor Member shall be provided with the opportunity to review and Consent to any such documents prior to their execution by the Managing Member, as shall be required in connection with the Project Loans, including, but not limited to, executing any mortgage, note, contract, building loan agreement, bank resolution and signature card, release, discharge, or any other document or instrument in any way related thereto or necessary or appropriate in connection therewith; provided, however, that copies of all applications for advances of proceeds of the Project Loans shall be provided to the Investor Member prior to the disbursement of any funds pursuant thereto and shall be subject to the Consent of the Investor Member; and provided further that any such applications which provide for the disbursement of funds of the Company in lieu of or in addition to the proceeds of the Project Loans shall be subject to the Consent of the Investor Member. All decisions made for and on behalf of the Company by the Managing Member shall be binding upon the Company. No person dealing with the Managing Member shall

be required to determine its authority to make any undertaking on behalf of the Company, nor to determine any facts or circumstances bearing upon the existence of such authority.

8.02 Limitations Upon the Authority of the Managing Member.

(a) The Managing Member shall not have any authority to:

(i) perform any act in violation of any applicable law or regulation thereunder;

(ii) perform any act in violation of the provisions of the Regulatory Agreement, the Extended Use Agreement, the Loan Agreements, or any other Project Documents;

(iii) do any act required to be approved or ratified in writing by the Investor Members under the Act unless the right to do so is expressly otherwise given in this Agreement;

(iv) knowingly rent apartments in the Project such that the Project would not meet the requirements of the Rent Restriction Test or Minimum Set-Aside Test;

(v) borrow from the Company or commingle Company funds with funds of any other Person; or

(vi) execute or deliver any general assignment for the benefit of creditors or file a petition or acquiesce in the filing of a petition for Bankruptcy.

(b) The Managing Member shall not, without the Consent of the Investor Member have any authority to:

(i) sell or otherwise dispose of, at any time, all or substantially all of the assets of the Company;

(ii) amend the terms of any Project Loan to be other than those set forth on **Exhibit F** attached hereto;

(iii) borrow in excess of \$10,000.00 in the aggregate at any one time outstanding on the general credit of the Company, except MM Loans and Operating Deficit Loans, and except as and to the extent provided for in an approved budget pursuant to Section 8.20;

8.03 Sale of Project.

(a) Investor Member Request for Sale. Notwithstanding the foregoing Section 8.02, and subject to all Agency regulations then in effect and the receipt of all required approvals and consents of the Project Lenders, and subject further to the extended use requirements applicable pursuant to Section 42(h)(6) of the Code, at any time after the fourteenth (14th) anniversary of the first day of the first taxable year of the applicable LIHTC compliance period the Investor Member may request that the Company do one of the following: (i) sell the Project subject to the Extended Use Agreement (a “Continued Compliance Sale”); or (ii) request that the Agency arrange for the sale of the Project after receipt of a Qualified Contract (a “Compliance Termination Sale”).

(b) Continued Compliance Sale. After receipt of a request for a Continued Compliance Sale, the Managing Member shall use its best efforts to find a third party purchaser for the Project and to cause the Company to consummate a sale of the Project subject to the Extended Use Agreement and on terms Consented to by the Investor Member. If such efforts are not successful on terms reasonably satisfactory to the Investor Member within four (4) months, the Investor Member shall have the right thereafter to locate a purchaser for the Project. If the Investor Member locates such a purchaser, the Managing Member shall be given a right of first refusal to purchase the Project on the same terms and conditions as would be applicable to such purchaser. If such right of first refusal is not exercised by the Managing Member within thirty (30) days, then the Managing Member shall be obligated to consent to the sale to such purchaser so long as the purchase price and other terms offered by such purchaser are at least as favorable to the Company as the best offer, if any, located by the Managing Member. If the Investor Member requests that the Compliance Termination Sale be conducted in a manner that would result in the conversion of the Project to a condominium regime of ownership and the sale of individual condominium units, the Managing Member shall use diligent efforts to accomplish such conversion on such terms which are reasonably satisfactory to the Investor Member.

(c) Compliance Termination Sale. After receipt of a request for a Compliance Termination Sale, the Managing Member shall make a request to the Agency to obtain a buyer who is willing to operate the low-income units of the Project as a qualified low-income building and who will submit a Qualified Contract for the Project, and if no Qualified Contract is submitted within one year of the date of the Managing Member’s request to the Agency, the Managing Member shall use its best efforts to find a third party purchaser and to cause the Company to consummate a sale of the Project to such purchaser on terms Consented to by the Investor Member and free of the restrictions imposed by the Extended Use Agreement. If such efforts are not successful on terms reasonably satisfactory to the Investor Member within six (6) months, the Investor Member shall have the right thereafter to locate a purchaser for the Project. If the Investor Member locates such a purchaser, the Managing Member shall be given a right of first refusal to purchase the Project on the same terms and conditions as would be applicable to such purchaser. If such right of first refusal is not exercised by the Managing Member within thirty (30) days, then the Managing Member shall be obligated to consent to the sale to such purchaser so long as the purchase price and other terms offered by such purchaser are at least as favorable to the Company as the best offer, if any, located by the Managing Member. If the Investor Member requests that the Compliance Termination Sale be conducted in a

manner that would result in the conversion of the Project to a condominium regime of ownership and the sale of individual condominium units, the Managing Member shall use diligent efforts to accomplish such conversion on such terms which are reasonably satisfactory to the Investor Member.

(d) Managing Member Option. The Managing Member, if it is a qualified non-profit under the terms of Section 42(i)(7) of the Code, shall have the right of first refusal to purchase the Project at the end of the low-income housing tax credit compliance period, in accordance with said Section 42(i) (7) of the Code, for an amount equal to at least the sum of (i) \$1.00, plus (ii) all outstanding debt of the Company, including debt encumbering the Project, plus (iii) the aggregate federal, state and local (if any) income tax liabilities which would be incurred by the members of the Investor Member as a consequence of such purchase, on the terms set forth in **Exhibit L** attached hereto.

8.04 Management Purposes. In conducting the business of the Company, the Managing Member shall be bound by the Company's purposes set forth in Article III.

8.05 Delegation of Authority. The Managing Member may delegate all or any of its powers, rights and obligations hereunder, and may appoint, employ, contract or otherwise deal with any Person for the transaction of the business of the Company, which Person may, under supervision of the Managing Member, perform any acts or services for the Company as the Managing Member may approve.

8.06 Managing Member or Affiliates Dealing with Company. The Managing Member or any Affiliates thereof shall have the right to contract or otherwise deal with the Company for the sale of goods or services to the Company in addition to those set forth herein, if (a) compensation paid or promised for such goods or services is reasonable (i.e., at fair market value) and is paid only for goods or services actually furnished to the Company, (b) the goods or services to be furnished shall be reasonable for and necessary to the Company, (c) the fees, terms and conditions of such transaction are at least as favorable to the Company as would be obtainable in an arm's-length transaction, (d) no agent, attorney, accountant or other independent consultant or contractor who also is employed on a full-time basis by the Managing Member or any Affiliate shall be compensated by the Company for his services. Any contract covering such transactions shall be in writing and shall be terminable without penalty on sixty (60) days Notice. Any payment made to the Managing Member or any Affiliate for such goods or services shall be fully disclosed to all Investor Members in the reports required under Section 13.02. Neither the Managing Member nor any Affiliate shall, by the making of lump sum payments to any other Person for disbursement by such other Person, circumvent the provisions of this Section 8.06.

8.07 Other Activities. Except as limited in Section 8.06, Affiliates of the Managing Member may engage in or possess interests in other business ventures of every kind and description for their own account, including, without limitation, serving as general partner of other limited partnerships or the managing member of limited liability companies which own, either directly or through interests in other companies or partnerships, government assisted housing developments

similar to the Project. Neither the Company nor any of the Members shall have any rights by virtue of this Agreement in or to such other business ventures or to the income or profits derived therefrom.

8.08 Liability for Acts and Omissions. No Managing Member or Affiliate thereof shall be liable, responsible or accountable in damages or otherwise to any of the Members for any act or omission performed or omitted by it in good faith on behalf of the Company and in a manner reasonably believed by it to be within the scope of the authority granted to it by this Agreement and in the best interest of the Company, provided that the protection afforded the Managing Member pursuant to this Section 8.08 shall not apply in the case of negligence, misconduct, fraud or any breach of fiduciary duty as Managing Member with respect to such acts or omissions. Any loss or damage incurred by any Managing Member or Affiliate thereof by reason of any act or omission performed or omitted by it or any of them in good faith on behalf of the Company and in a manner reasonably believed by it to be within the scope of the authority granted by this Agreement and in the best interests of the Company (but not, in any event, any loss or damage incurred by the Managing Member or Affiliate thereof by reason of negligence, misconduct or fraud of the Managing Member or Affiliate thereof, or any breach of fiduciary duty as Managing Member, with respect to such acts or omissions) shall be paid from Company assets (except for reserves) to the extent available (but the Investor Members shall not have any personal liability to the Managing Member or Affiliate(s) thereof under any circumstances on account of any such loss or damage incurred by the Managing Member or Affiliate(s) thereof or on account of the payment thereof).

8.09 Indemnification of Investor Member and the Company. The Managing Member and the Company shall, jointly and severally, indemnify, defend, and save harmless the Investor Member and Special Investor Member from and against any claim, loss, expense, action or damage, including without limitation, reasonable costs and expenses of litigation and appeal (and the reasonable fees and expenses of counsel) asserted against the Investor Member or Special Investor Member based on any act, omission, malfeasance or nonfeasance of the Company or the Managing Member, including without limitation any claim that the Investor Member or Special Investor Member is liable for any indebtedness of the Company and excluding only liability directly caused by the Investor Member or Special Investor Member's gross negligence or bad faith conduct. In addition, the Managing Member and the Company shall, jointly and severally, indemnify, defend, save and hold harmless the Investor Member and Special Investor Member, and their representatives, from and against any and all costs, losses, liabilities, damages, lawsuits, proceedings (whether formal or informal), investigations, judgments, orders, settlements, recoveries, obligations, deficiencies, claims and expenses (whether or not arising out of third party claims), including, without limitation, interest, penalties, attorneys' fees and all amounts paid in investigation, or settlement of any of the foregoing, incurred in connection with or arising out of or resulting from the operations of the Managing Member, the Company or the Project prior to the date of this Agreement.

8.10 Net Worth of Managing Member. The Managing Member shall maintain a minimum net worth in an amount as may be necessary to assure that the Company will be taxed as a partnership, and not as an association taxable as a corporation, for federal income tax purposes.

8.11 Construction of the Project, Construction Cost Overruns, Operating Deficits; Other Managing Member Guarantees.

(a) Construction Completion Guaranty.

(i) The Company has entered into the Construction Contract. The Managing Member shall be responsible for:

(A) achieving completion of construction of the Project on a timely basis in accordance with the Plans and Specifications for the Project, the terms of this Agreement, the Project Documents and all legal requirements;

(B) meeting all requirements for obtaining all necessary unconditional certificate(s) of occupancy for all the apartment units in the Project;

(C) fulfilling all actions required of the Company to assure that the Project satisfies the Minimum Set-Aside Test and the Rent Restriction Test;

(D) causing the making of the Project Loans by the respective Project Lenders; and

(E) achieving Final Closing.

(ii) The Managing Member hereby is obligated to pay all Excess Development Costs; the Company shall have no obligation to pay any Excess Development Costs. Any amounts paid by the Managing Member pursuant to this subsection (a) shall be in the form of a loan to the Company (a "Completion Loan"). Any Completion Loan will be in the following terms: (A) it shall be unsecured; (B) it shall not bear interest; (C) it shall be repayable solely from Net Cash Flow and proceeds of a Capital Transaction at the time and in the amounts set forth in Sections 11.03(b), 11.04 and 12.02(a) of this Agreement; and (D) a Completion Loan shall be fully subordinated to payment of Project Loans, MM Loans, and indebtedness of the Company to all Persons other than Members.

(iii) In the event that the Managing Member shall fail to pay any such Excess Development Costs as required in this Section 8.11(a), an amount not in excess of the total of any remaining unpaid installments of the Development Fee due pursuant to Section 8.12 shall be suspended by the Company until such obligations are met by the Managing Member.

(b) Operating Deficit Guaranty. In the event that, at any time during the period commencing on the end of the Construction Completion Guaranty period set forth in subsection (a) above, and ending on the fifteenth anniversary of such date (the "Initial Period"), an

Operating Deficit shall exist, the Managing Member shall provide such funds to the Company as shall be necessary to pay such Operating Deficit(s) after available funds in the Operating Reserve have been exhausted. Funds provided under this subsection (b) shall be in the form of a loan to the Company (the “Operating Deficit Loan(s)”). Any Operating Deficit Loan shall be on the following terms: (i) it shall be unsecured; (ii) it shall not bear interest; (iii) it shall be repayable solely from Net Cash Flow and proceeds of a Capital Transaction at the time and in the amounts set forth in Sections 11.03(b), 11.04 and 12.02(a) of this Agreement; and (iv) Operating Deficit Loans shall be fully subordinated to payment of Project Loans, MM Loans, and indebtedness of the Company to all Persons other than Members. In the event that the Managing Member shall fail to make any such Operating Deficit Loan as aforesaid, the Company shall utilize amounts otherwise payable as installments of the Development Fee pursuant to Section 8.12 of this Agreement to meet the obligations of the Managing Member pursuant to this Section 8.11(b). Amounts so utilized shall also constitute payment and satisfaction of installments of the Development Fee payable under the aforesaid Section of this Agreement, and the obligation of the Company to make such installment payments pursuant to such Sections, as well as the Investor Member’s obligation to make future Capital Contributions, shall be reduced correspondingly. For the purpose of this Section 8.11(b), all expenses shall be paid on a sixty (60) day current basis.

(c) LIHTC Compliance Guaranty. (i) If with respect to any fiscal year of the Company there is a LIHTC Shortfall, the Managing Member shall, within forty-five (45) days following the close of such fiscal year, pay the Investor Member an amount equal to (A) the amount of the LIHTC Shortfall for the fiscal year immediately preceding the payment due date, (B) all penalties and interest imposed by the Code and assessed against the Investor Member by the IRS with respect to any LIHTC Shortfall, and (C) an amount sufficient to pay any tax liability owed by the Investor Member resulting from the receipt of the amounts specified in the foregoing clauses (A), (B) and this clause (C) of this Section 8.11(c)(i) (such calculation to be made assuming the Investor Member is subject to the highest federal and state tax rates imposed on corporate tax payers under the Code at that time for the taxable year of the Investor Member in which such payment is taken into income by the Investor Member), together with interest on such amounts at the Prime Rate accruing from such payment due date.

(ii) The Managing Member irrevocably and unconditionally guarantees payments specified in this Section 8.11(c)(ii) to the Investor Member if there is a LIHTC Recapture Event. The payments required by this Section 8.11(c)(ii) shall be the sum of the following amounts: (A) the amount of LIHTC previously allocated to the Investor Member and subsequently disallowed because of such LIHTC Recapture Event; (B) the “credit recapture amount” (as defined in Code Section 42(j)(2)) allocated to the Investor Member because of such LIHTC Recapture Event; (C) all penalties and interest imposed by the Code and assessed against the Investor Member by the IRS with respect to such LIHTC Recapture Event; (D) an amount sufficient to pay any tax liability owed by the Investor Member resulting from the receipt of the amounts specified in the foregoing clauses (A), (B), (C) and this clause (D) of this Section 8.11(c)(ii) (such calculation to be made assuming the Investor Member is subject to the highest federal and state tax rate imposed on corporate taxpayers under the Code at that time for the taxable year of the Investor Member in which such payment is

taken into income by the Investor Member), together with interest on such amounts at the Prime Rate accruing from the date the Investor Member remits funds to a taxing authority with respect to a LIHTC Recapture Event; and (E) if the cause of the LIHTC Recapture Event will, in determination of the Investor Member, decrease the maximum amount of LIHTC that will be available to the Company and allocated to the Investor Member during the remainder of the compliance period under Section 42 of the Code, assuming full compliance with Section 42 of the Code, then an amount equal to the total amount of such decrease. The Managing Member shall make such payment to the Investor Member within forty-five (45) days of the LIHTC Recapture Event.

(iii) The LIHTC Compliance Guaranty set forth herein shall not apply to amounts due solely to the transfer by the Investor Member of all or a portion of its Interest in the Company or to changes in the tax law after the date hereof with which the Managing Member is unable to comply despite the exercise of its good faith and reasonable efforts.

(iv) The Managing Member may use funds in the Operating Reserve to make payments required by this Section 8.11(c) prior to using its own funds. If any amounts are owed under this Section 8.11(c) prior to the time that the Investor Member has made all of its Capital Contributions, any future Capital Contributions shall be reduced by the amount to be paid hereunder.

(v) Funds provided by the Affiliate Guarantor with respect to the Managing Member's obligations under subparagraphs (i) or (ii) above shall be in the form of a loan to the Company (the "Guarantor LIHTC Compliance Loan"). Any Guarantor LIHTC Compliance Loan shall be on the following terms: (i) it shall be unsecured; (ii) it shall bear no interest; and (iii) it shall be repayable solely from proceeds of a Capital Transaction or liquidation at the time and in the amounts set forth in Sections 11.04 and 12.02(a) of this Agreement. Notwithstanding the foregoing, the Investor Member shall have the authority to treat any guarantee payment made on behalf of the Company by its Managing Member or the Affiliate Guarantor as (i) a capital contribution to the capital of the Company by the Managing Member in the amount of such guarantee payment that is matched with a corresponding upward adjustment to such Managing Member's capital account in the Company or (ii) as a loan (as described above) by the Managing Member in the amount of such guarantee payment, so as to minimize any possible unintended increase in the amount of depreciation and tax credits allocated to the Managing Member; provided that any losses or other deductions, other than depreciation, relating to such capital contribution or loan, shall be allocated to the Managing Member making such guarantee payment.

(d) Project Loan Funding Guaranty. The Managing Member irrevocably and unconditionally guarantees and covenants that the Company shall receive full funding of the Project Loans on or before March 1, 2016, on the terms set forth on **Exhibit F** attached hereto. The Managing Member represents and warrants that the source of funds for the Project Loans do not include, in whole or in part, "federal subsidies" within the meaning of Code Section 42(i) (i.e. the source of funds for the Project Loans does not include, in whole or in part, a "tax-exempt obligation," an obligation the interest on which is exempt from tax under Code Section 103). The

Project Loan documents shall contain such other terms as may be Consented to by the Investor Member.

8.12 Development Fee.

(a) The Company has entered into a Development Agreement (materially in the form of **Exhibit A** attached hereto) of even date herewith with the Developer for its services in connection with the development and construction of the Project. In consideration for such services, a Development Fee in a total amount equal to \$450,000 shall be payable by the Company, in accordance with the terms of the Development Agreement and Article XI of this Agreement. In no event shall full payment of the Development Fee be later than the thirteenth anniversary of placement in service. It is anticipated that \$328,370 of the Development Fee will be deferred and paid pursuant to Article XI.

(b) The Company has entered into a Construction Incentive Management Fee Agreement of even date herewith with the Managing Member in the form attached hereto as **Exhibit M** for its services in connection with value engineering of the construction of the Project. Payment of any fee due under such Agreement shall be subject to the requirements of the Project Lenders and consent of the Agency and the Investor Member.

8.13 Incentive Management Fee. The Company has entered into an Incentive Management Fee Agreement in the form attached hereto as **Exhibit B**, with the Managing Member of even date herewith for its services in managing the business of the Company for the period from the date hereof throughout the term of the Company. In no event shall the Incentive Management Fee be cumulative. Payment of such fee shall be in accordance with any applicable requirements of the Project Lenders.

8.14 Withholding of Fee Payments.

(a) Conditions for Withholding. In the event that (i) the Managing Member or any successor Managing Member shall not have substantially complied with any material provisions under this Agreement, or under the operating agreement with respect to an Affiliated Company, after Notice from the Investor Member of such noncompliance and failure to cure such noncompliance within a period of thirty (30) days from and after the date of such Notice, or (ii) any Project Lender shall have declared the Company to be in default under any Project Loan or under any of the mortgage loans as to an Affiliated Company, or (iii) foreclosure proceedings shall have been commenced against the Project or against an Project owned by the Affiliated Company, then (A) the Managing Member shall be in default of this Agreement, and the Company shall withhold payment of any installment of fees and/or allowance payable pursuant to Sections 4.02(s), 8.12 and/or 8.13 and (B) the Managing Member shall be liable for the Company's payment of any and all installments of the Development Fee payable pursuant to Section 8.12.

(b) Release of Fees. All amounts so withheld by the Company under this Section 8.14 shall be promptly released to the payees thereof only after the Managing Member has cured the default justifying the withholding, as demonstrated by evidence reasonably acceptable to the Investor Member.

8.15 Selection of Management Agent; Terms of Management Agreement. The Company shall engage such person, firm or company as the Managing Member may select, and as the Investor Member may approve, which approval shall not be unreasonably withheld (hereinafter referred to as “Management Agent”) to manage the operation of the Project during the rent up period and following Final Closing. The Management Agent must be a VHDA certified property manager. The Management Agent shall be paid a management fee subject to the approval of the Agency and/or the Project Lenders, if required, and the Special Investor Member, but in no event will the annual management fee be greater than seven percent (7%) of the annual gross revenues of the Project. The contract between the Company and the Management Agent and the management plan for the Project shall be in the form set forth in Exhibit G, with such changes acceptable to the Agency and/or the Project Lenders, if required, and reasonably acceptable to the Special Investor Member. Such contract shall provide, among other things, that it shall be cancelable upon thirty (30) days’ prior notice from the Company, and that the Management Agent will accrue the management fee to the extent necessary at any time to prevent a default under any Project Loan. Whenever the management agent for the Project is the Managing Member or an Affiliate of the Managing Member, the management agreement shall provide that it is immediately terminable at the election of the Investor Member or Special Investor Member in the event of (a) the removal or withdrawal of the Managing Member, or (b) any material breach of or noncompliance with any provision of this Agreement by the Managing Member or any Affiliate of the Managing Member. Any other agreement entered into by the Company and any Managing Member or any Affiliate thereof shall specifically provide that such agreement shall be immediately terminable at the election of the Investor Member or Special Investor Member if the Managing Member is removed or withdraws. Community Housing Partners Corporation is approved by the parties hereto as the initial Management Agent.

8.16 Removal of the Management Agent. The Managing Member:

(a) may, upon receiving any required approval of the Project Lenders and the Investor Member, dismiss the Management Agent as the entity responsible for the Project under the terms of the contract between the Company and the Management Agent, and

(b) shall, at the request of the Investor Member, remove the Management Agent if the Special Investor Member determines that the same is necessary to protect the interest of the Company or if the Management Agent is declared Bankrupt, is dissolved, or makes an assignment for the benefit of its creditors, or for any intentional misconduct by the Management Agent or its negligence in the discharge of its duties and obligations as Management Agent (subject to the fulfillment and expiration of any notice and/or opportunity to cure provisions of the Management Agreement), including, without limitation, for any action or failure to take any action which:

(i) violates in any material respect any provision of the Management Agreement entered into with the Company and approved by the Project Lenders, if required, and/or any material provision of the Project Documents and/or the Loan Documents applicable to the Project, or the Project Lenders-approved management plan for the Project;

(ii) violates in any material respect any provision of this Agreement or provision of applicable law; or

(iii) causes the Project to be operated in a manner which if continued would give rise to an event which would cause or would likely cause a recapture of LIHTC.

8.17 Replacement of the Management Agent. Upon the removal of the Management Agent as the entity responsible for the management of the Project, a substitute Management Agent which is not an Affiliate of the Managing Member shall be named by the Managing Member, subject to the approval of the Project Lenders, if required, and the approval of the Investor Member.

8.18 Loans to the Company The Company is authorized to receive Operating Deficit Loans and MM Loans on the terms set forth in this Agreement. In addition, if (a) additional funds are required by the Company for any purpose relating to the business of the Company or for any of its obligations, expenses, costs or expenditures, and (b) the Company has not received an Operating Deficit Loan, or MM Loan to pay such amounts, then the Company may borrow such funds as are needed from a Person or organization, other than a Member or an Affiliate of a Member, in accordance with the terms of this Section 8.18, for such period of time and on such terms as the Managing Member and the Investor Member may agree; provided, however, that no such additional loans shall be secured by any mortgage or other encumbrance on the property of the Company without the prior approval of the Investor Member except that such approvals shall not be required in the case of the hypothecation of personal property purchased by the Company and not included in the security agreements executed by the Company at the time of Initial Closing. Nothing in this Section 8.18 shall modify or affect the obligation of the Managing Member to make Operating Deficit Loans and to perform its obligations when and as required by this Agreement.

8.19 Affiliate Guaranty. Concurrently with the execution of this Agreement, the Managing Member shall deliver to the Investor Member (a) the Affiliate Guaranty fully executed by each Affiliate Guarantor, (b) a pledge and security agreement executed by the Managing Member in the form of **Exhibit E** attached hereto (the “Managing Member Pledge”), wherein the Managing Member pledges and grants a security interest in its Managing Member interest in the Company and in each Affiliated Company to secure its obligation under this Agreement, and (c) an opinion of counsel to the Affiliate Guarantors in form satisfactory to the Investor Member regarding the Affiliate Guaranty and the Managing Member Pledge.

8.20 [Intentionally Omitted].

8.21 Accounting Fee. An accounting fee shall be paid to Virginia Housing Capital Corporation under the Agreement to Provide Accounting and Reporting Services, the form of which is attached hereto as **Exhibit J**

8.22 Public Relations. The Managing Member shall provide written and timely notice of any groundbreaking, ribbon-cutting or other public relations ceremonies for the Project to the Investor Member and recognize the Investor Member and the Investor Member's members at such public relations ceremonies.

ARTICLE IX
TRANSFERS AND RESTRICTIONS ON TRANSFERS
OF INTERESTS OF INVESTOR MEMBERS

9.01 Restrictions on Transfer of Investor Members' Interests.

(a) Under no circumstances will any offer, sale, transfer, assignment, hypothecation or pledge of any Investor Member Interest be permitted unless the Managing Member, in its sole discretion, shall have Consented thereto, and the Project Lenders, if required, also shall have Consented thereto, provided however, that the Managing Member shall not unreasonably withhold its Consent to the pledge by the Investor Member of its Investor Member Interest or a transfer of its right to receive distributions hereunder, so long as no pledgee or transferee shall have any right to become a Substitute Investor Member in the Company or exercise any voting rights of the Investor Member.

(b) The Investor Member whose interest is being transferred shall pay such reasonable expenses as may be incurred by the Company in connection with such transfer.

(c) Nothing in this Section 9.01 shall limit the authority of the Investor Member to sell, transfer and/or assign interests within the Investor Member or to transfer Interests of the Investor Member to (i) any Affiliate of the Investor Member or Special Investor Member, in the sole discretion of the Investor Member, at any time and from time to time, or (ii) to any other Person once during the term of this Agreement upon Notice to the Managing Member(s).

9.02 Admission of Substitute Investor Members.

(a) Subject to the other provisions of this Article IX, an assignee of the Interest of an Investor Member (which shall be understood to include any purchaser, transferee, donee, or other recipient of any disposition of such Interest) shall be deemed admitted as a Substitute Investor Member of the Company only upon the satisfactory completion of the following:

(i) Consent of the Managing Member (which may be withheld in its sole discretion), and the consent of the Project Lenders, if required, shall have been given; such Consent

of the Managing Member may be evidenced by the execution by the Managing Member of an amended Agreement and/or certificate evidencing the admission of such Person as an Investor Member pursuant to the requirements of the Act, provided, however, that no Consent shall be required for any sale, transfer or assignment pursuant to Section 9.01 (c);

(ii) the assignee shall have accepted and agreed to be bound by the terms and provisions of this Agreement by executing a counterpart thereof or an appropriate amendment hereto, and such other documents or instruments as the Managing Member may require in order to effect the admission of such Person as an Investor Member;

(iii) an amended Agreement and/or certificate evidencing the admission of such Person as an Investor Member shall have been filed for recording pursuant to the requirements of the Act;

(iv) if the assignee is a corporation, the assignee shall have provided the Managing Member with evidence satisfactory to Counsel for the Company of its authority to become an Investor Member under the terms and provisions of this Agreement; and

(v) the assignee or the assignor shall have reimbursed the Company for all reasonable expenses, including all reasonable legal fees and recording charges, incurred by the Company in connection with such assignment.

(b) For the purpose of allocation of profits, losses and credits, and for the purpose of distributing cash of the Company, a Substitute Investor Member shall be treated as having become, and as appearing in, the records of the Company as a Member upon his signing of an amendment to this Agreement agreeing to be bound hereby.

(c) If the Managing Member has determined it will Consent to the admission, the Managing Member shall cooperate with the Person seeking to become a Substitute Investor Member by preparing the documentation required by this Section and making all official filings and publications. In such event, the Company shall take all such action, including the filing, if required, of any amended Agreement and/or certificate evidencing the admission of any Person as an Investor Member, and the making of any other official filings and publications, as promptly as practicable after the satisfaction by the assignee of the Interest of an Investor Member of the conditions contained in this Article IX to the admission of such Person as an Investor Member of the Company. Any cost or expense incurred in connection with such admission shall be borne by the Substitute Investor Member.

9.03 Rights of Assignee of Company Interest.

(a) Except as provided in this Article and as required by operation of law, the Company shall not be obligated for any purpose whatsoever to recognize the assignment by any Investor Member of its Interest until the Company has received actual Notice thereof.

(b) Any Person who is the assignee of all or any portion of an Investor Member's Interest, but does not become a Substitute Investor Member, and who desires to make a further assignment of such Interest, shall be subject to all the provisions of this Article IX to the same extent and in the same manner as any Investor Member desiring to make an assignment of its Interest.

ARTICLE X RIGHTS AND OBLIGATIONS OF INVESTOR MEMBERS

10.01 Management of the Company. No Investor Member shall take part in the management or control of the business of the Company nor transact any business in the name of the Company. Except as otherwise expressly provided in this Agreement, no Investor Member shall have the power or authority to bind the Company or to sign any agreement or document in the name of the Company. No Investor Member shall have any power or authority with respect to the Company except insofar as the consent of any Investor Member shall be expressly required and except as otherwise expressly provided in this Agreement.

10.02 Limitation on Liability of Investor Members. The liability of each Investor Member is limited to its Capital Contribution as and when payable under the provisions of this Agreement, and as provided under the Act. No Investor Member shall have any other liability to contribute money to, or in respect of the liabilities or obligations of, the Company, nor shall any Investor Member be personally liable for any obligations of the Company, except as and to the extent provided in the Act. No Investor Member shall be obligated to make loans to the Company.

10.03 Other Activities. Any Investor Member may engage in or possess interests in other ventures of every kind and description for its own account, including without limitation, serving as general partner or managing member of other limited partnerships or limited liability companies which own, either directly or through interests in other limited liability companies or limited partnerships, government-assisted housing projects similar to the Project. Neither the Company nor any of the Members shall have any right by virtue of this Agreement in or to such other business ventures to the income or profits derived therefrom.

ARTICLE XI PROFITS, LOSSES AND DISTRIBUTIONS

11.01 Allocation of Profits and Losses Other Than From Capital Transactions.

(a) Manner of Determination. Profits, Losses and credits for all purposes of this Agreement shall be determined in accordance with the definition of the same under Article II of the Agreement (as applicable) and in accordance with the accrual accounting method and in accordance with applicable Code sections and Treasury Regulations governing same.

(b) Allocations. All Profits and Losses, except those items in Sections 11.02, 11.05 and 11.07 below, shall be allocated to the Members in accordance with their Percentage Interests. Every item of income, gain, loss, deduction, or tax preference entering into the computation of such Profits and Losses, or applicable to the period during which such Profits and Losses were realized, shall be considered allocated to each Member in the same proportion as Profits and Losses are allocated to such Member.

(c) Special Investor Member Allocation. Notwithstanding any provisions in the Agreement to the contrary, in no event shall the Special Investor Member be allocated more than its Percentage Interest, determined as of the date hereof, of any item of Company income, gain, loss, deduction, credit or basis.

11.02 Allocation of Profits and Losses from Capital Transactions. Except to the extent provided in Sections 11.07, Profits and Losses recognized by the Company upon a Capital Transaction shall be allocated in the following manner:

(a) Profits shall be allocated (i) first, to the Members with negative Capital Account balances, that portion of gains (including any gains treated as ordinary income for federal income tax purposes) which is equal in amount to, and in proportion to, such Members' respective negative Capital Accounts in the Company; provided that no gain shall be allocated under this Section 11.02(a)(i) to a Member once such Member's Capital Account is brought to zero and (ii) second, gains in excess of the amount allocated under (i) shall be allocated to the Members in the amounts and to the extent necessary to increase the Members' respective Capital Accounts so that the proceeds distributed under Section 11.04(d) and (f) will be distributed in accordance with the Members' respective Capital Accounts.

(b) Losses shall be allocated (i) first, to the extent and in such proportions as the respective positive balances in all Members' Capital Accounts, and (ii) second, any remaining loss to the Members in accordance with the manner in which they bear the economic risk of loss associated with such loss or, if none, to the Members in accordance with their Company Interests.

(c) Any portion of the Profits treated as ordinary income for federal income tax purposes under Sections 1245 and 1250 of the Code ("Recapture Amount") shall be allocated on a dollar for dollar basis to those Members to whom the items of Company deduction or loss giving rise to the Recapture Amount had been previously allocated.

11.03 Distributions: Net Cash Flow.

(a) Determination of Net Cash Flow. Net Cash Flow shall be determined separately for each fiscal year or portion thereof commencing on the day after Final Closing and shall not be cumulative. Wherever there is a reference to the distribution of Net Cash Flow pursuant to the provisions of this Agreement, Net Cash Flow shall be deemed to be limited to Surplus Cash available for distribution. Income received by the Company from the period commencing with the date of receipt of the initial certificate of occupancy with respect to the Project and ending on the date of the Final Closing shall not be distributed during such period and shall be treated as Net Cash Flow with respect to the first Payment Date following Final Closing.

(b) Manner of Distribution. Subject to the approval of the Project Lenders, if required, Net Cash Flow shall be applied and/or distributed on each Payment Date in the following priority:

(i) first, to the Investor Member until the aggregate amount of distributions made to the Investor Member under this Section 11.03(b)(i) for the current and all prior years equals the Assumed Investor Member Tax Liability for the current and all prior years;

(ii) second, to the Investor Member in an amount equal to any LIHTC Reduction Guaranty Payment or Unpaid LIHTC Shortfall;

(iii) third, to the Managing Member until the aggregate amount of distributions made to the Managing Member under this Section 11.03(b)(iii) for the current and all prior years equals the Assumed Managing Member Tax Liability for the current and all prior years;

(iv) fourth, to the Developer until all amounts due under the Development Agreement have been paid in full;

(v) fifth, to replenish the Operating Reserve to the balance required under Section 4.02(r);

(vi) sixth, to the pro rata payment of any outstanding Operating Deficit Loans and MM Loans, based upon the respective outstanding balances of each;

(vii) seventh, ninety percent (90%) to the payment of the Incentive Management Fee; and

(viii) thereafter, to the Members in accordance with Percentage Interests.

Notwithstanding anything to the contrary contained herein, if the amount of the distribution to the Investor Member under Section 11.03(b) is less than 10% of the Net Cash Flow of the Project, then the Investor Member shall receive a priority distribution before any distributions under Section

11.03(b)(vii) and (viii) in an amount such that, when added to the sum distributable to the Investor Member under Section 11.03(b), shall equal 10% of the Cash Flow.

(c) Distributions to be Subject to Regulatory Restrictions. Notwithstanding the foregoing, during such time as regulations of the Project Lenders are applicable to the Project, the total amount of Net Cash Flow which may be so distributed to the Members with respect to any fiscal year shall not exceed such amounts as such regulations permit to be distributed.

11.04 Distributions: Capital Transactions and Liquidation of Company. Except as may be required under Section 12.02(b), the proceeds resulting from the liquidation of the Company assets pursuant to Section 12.02, and the net proceeds resulting from any Capital Transaction, as the case may be, shall be distributed and applied in the following order of priority:

(a) to the payment of all matured debts and liabilities of the Company (including amounts due pursuant to any Project Loan and all expenses of the Company incident to any such sale or refinancing), excluding (1) debts and liabilities of the Company to Members or any Affiliates, and (2) all unpaid fees owing to the Managing Member under this Agreement;

(b) to the setting up of any reserves which the Liquidator (or the Managing Member if the distribution is not pursuant to the liquidation of the Company) deems reasonably necessary for contingent, unmatured or unforeseen liabilities or obligations of the Company;

(c) to the payment of any debts and liabilities (including unpaid fees) owed to the Members or any Affiliates by the Company for Company obligations; provided, however, that the foregoing debts and liabilities owed to Members and their Affiliates shall be paid or repaid, as applicable, in the following order of priority, if and to the extent applicable: (i) to the Investor Member, an amount equal to any outstanding LIHTC Reduction Guaranty Payment, or any Unpaid LIHTC Shortfall (applied first to accrued but unpaid interest (at the Default Rate) and then principal); (ii) to the Investor Member, an amount equal to any Special Additional Capital Contribution; (iii) to the payment of any outstanding MM Loans and loans made by the Managing Member pursuant to Section 8.11(a)(i) and/or 8.11(a)(ii) pro rata based on their respective outstanding balances, if applicable; (iv) amounts due under the Development Agreement; (v) amounts due with respect to Operating Deficit Loans, if any; and (vi) any other such debts and liabilities;

(d) to the Managing Member and Investor Members in proportion to the relative amounts of Net Projected Tax Liabilities of the Managing Member and the Investor Member's members or partners and their respective members or partners until they each have received, cumulatively, an amount equal to their respective Net Projected Tax Liabilities;

(e) to payment of the Guarantor LIHTC Compliance Loan (or, if funds provided are a capital contribution under Section 8.11(c)(v), as a return of such capital); and

(f) the balance, ninety percent (90%) to the Managing Member, nine and ninety-nine hundredths percent (9.99%) to the Investor Member, and one one-hundredth percent (0.01%) to the Special Investor Member.

Written determination of the proposed distributions of proceeds of Capital Transactions, showing all relevant calculations and assumptions, shall be delivered to the Investor Member and Special Investor Member not later than twenty (20) days prior to the Company entering into any agreement for a Capital Transaction, and written confirmation or any revision thereof shall be delivered to the Investor Member and Special Investor Member not later than twenty (20) days prior to the making of any such distribution. Distributions hereunder shall be made within five (5) days of the Company's receipt of such proceeds.

11.05 Distributions and Allocations: General Provisions.

(a) In any year in which a Member sells, assigns or transfers all or any portion of an Interest to any Person who during such year is admitted as a substitute Member, the share of all profits and losses allocated to, and of all Net Cash Flow and of all cash proceeds distributable under Section 11.04 distributed to, all Members which is attributable to the Interest sold, assigned or transferred shall be divided between the assignor and the assignee ratably on the basis of the number of monthly periods in such year before, and the number of monthly periods on and after, the first day of the month during which such Person is admitted as a substitute Member.

(b) The Company shall, subject to any applicable limitation on the distribution of Net Cash Flow and any required approval by the Project Lenders, distribute Net Cash Flow not less frequently than annually in the manner provided in Section 11.03(b).

(c) In the event that there is a determination that there is any original issue discount or imputed interest attributable to the Capital Contribution of any Member, or any loan between a Member and the Company, any income or deduction of the Company attributable to such imputed interest or original issue discount on such Capital Contribution or loan (whether stated or unstated) shall be allocated solely to such Member.

(d) In the event that the deduction of all or a portion of any fee paid or incurred by the Company to a Member or an Affiliate of a Member is disallowed for federal income tax purposes by the IRS with respect to a taxable year of the Company, the Company shall then allocate to such Member an amount of gross income of the Company for such year equal to the amount of such fee as to which the deduction is disallowed.

(e) If any Member's Interest in the Company is reduced but not eliminated because of the admission of new Members or otherwise, or if any Member is treated as receiving any items of property described in Section 751(a) of the Code, the Member's Interest in such items of Section 751(a) property that was property of the Company while such Person was a Member shall not be reduced, but shall be retained by the Member so long as the Member has an Interest in the Company and so long as the Company has an Interest in such property.

(f) In accordance with Section 704(c) of the Code (relating to allocations with respect to appreciated contributed property) and the Regulations thereunder, income, gain, loss, and deduction with respect to any property contributed to the capital of the Company shall be allocated, solely for tax purposes, among the Members so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its fair market value. Any elections or other decisions relating to such allocations shall be made by the Managing Member in any manner that reasonably reflects the purpose and intention of this Agreement.

(g) In the event that the Managing Member makes any Operating Deficit Loans pursuant to Section 8.11(b), any deductions or losses of the Company attributable to the use of those funds shall be specially allocated to the Managing Member.

(h) Any income attributable to the Capital Contribution of the Managing Member will be allocated to the Managing Member.

(i) Any income attributable to the modification of any of the Project Loan(s) shall be allocated 100% to the Managing Member.

11.06 Capital Accounts.

(a) Establishment and Maintenance. A separate Capital Account shall be maintained and adjusted for each Member. There shall be credited to each Member's Capital Account the amount of its Capital Contribution, the fair market value of any property contributed to the Company (net of any liabilities secured by such property) and such Member's distributive share of the income and gain for tax purposes of the Company, including income or gain exempt from tax; and there shall be charged against each Member's Capital Account the amount of all cash flow distributed to such Member, the fair market value of any property distributed to such Member (net of any liabilities secured by such property), the net proceeds resulting from the liquidation of the Company's assets or from any sale or refinancing of the Project distributed to such Member, and such Member's distributive share of the losses for tax purposes of the Company. Each Member's Capital Account shall be maintained and adjusted in accordance with the Code and the Treasury Regulations thereunder. The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Treas. Reg. § 1.704-1(b), and shall be interpreted and applied in a manner consistent with such regulations. It is the intention of the Members that the Capital Accounts maintained under this Agreement be determined and maintained throughout the full term of this Agreement in accordance with the accounting rules

of Treas. Reg. § 1.704-1(b)(2)(iv).

(b) Deficit Capital Accounts; Regulatory Liquidation. In the event that the Company is liquidated within the meaning of Treas. Reg. § 1.704-1(b)(2)(ii)(g), if the Managing Member's Capital Account has a deficit balance (after giving effect to all contributions, distributions and allocations), the Managing Member shall make Capital Contributions in the amount of such deficit in compliance with Treas. Reg. § 1.704-1(b)(2)(ii)(b)(3). In the event that the Investor Member's Capital Account should have a deficit balance at such time, it shall have no obligation to fund or otherwise contribute capital to the Company in connection with such deficit. Notwithstanding the foregoing, in the event the Company is liquidated within the meaning of Treas. Reg. § 1.704-1(b)(2)(ii)(g) but no event has occurred under Section 12.01 to dissolve the Company, the Company assets shall not be liquidated, the Company's liabilities shall not be paid or discharged, and the Company's affairs shall not be wound up. Instead, the Company shall be deemed to have contributed all of its assets and liabilities to a new limited liability company in exchange for an interest in the new limited liability company. Immediately thereafter, the terminated Company shall be deemed to have distributed interests in the new limited liability company to the Members of the terminated Company in proportion to their respective interests in the terminated Company in liquidation of the terminated Company.

11.07 Special Allocations. Notwithstanding anything to the contrary contained in Section 11.01(a) or (b), the following special allocations in all events apply in determining the allocation of Profits and Losses among the Members and are made prior to the allocations required under Sections 11.01(a) and (b):

(a) Depreciation and LIHTC.

(i) Depreciation (cost recovery) deductions and LIHTC are allocated to the Members in accordance with their Percentage Interests.

(ii) Any recapture of LIHTC is allocated to the Members that were allocated (or whose predecessors-in-interest were allocated) the depreciation/cost recovery deduction and LIHTC associated therewith.

(b) Limitation on Allocations of Losses.

(i) To the extent the allocation of any Losses to a Member would cause that Member to have an Adjusted Capital Account Deficit at the end of any fiscal year of the Company, then those Losses will not be allocated to that Member, but rather will be specially allocated to the remaining Members in proportion with their relative interests in the Company.

(ii) In the event some but not all of the Members would have Adjusted Capital Account Deficits due to an allocation of Losses, the limitation set forth in this Section 11.07(b) shall be applied on a Member-by-Member basis so as to allocate the maximum

permissible Losses to each Member who is not a Managing Member under Treas. Reg. §1.704-1(b)(2)(ii)(d). All Losses in excess of the limitation set forth in this Section 11.07(b) shall be allocated to the Managing Member.

(c) Profit Chargeback. To the extent any Losses are specially allocated to a Member in accordance with Section 11.07(b), then Profits will thereafter first be specially allocated to such Member in proportion to and in an amount (1) up to but not exceeding the amount of any such special allocation of Losses away from such Member under such subparagraph (b) but (2) not to the extent that Losses or depreciation deductions would be allocated to the remaining Members in excess of the amount permitted by 11.07(b).

(d) Nonrecourse Deductions. Nonrecourse Deductions for any fiscal year shall be allocated to the Members in accordance with their Percentage Interests.

(e) Member Nonrecourse Deductions. Any Member Nonrecourse Deductions for any fiscal year shall be specially allocated to the Member or Members that bear the Economic Risk of Loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Treas. Reg. §1.704-2(b)(4) and Treas. Reg. §1.704-2(i).

(f) Company Minimum Gain Chargeback. Notwithstanding any other provision of this Agreement, if there is a net decrease in the Company's Minimum Gain attributable to Nonrecourse Liabilities during any taxable year, each Member shall be specially allocated a *pro rata* portion of each of the Company's items of income and gain for such year (and, if necessary for subsequent years) in proportion to, and to the extent of, an amount equal to such Member's share of the net decrease in such Minimum Gain during such taxable year as determined in accordance with the provisions of Treas. Reg. §1.704-2(g)(2). In the event that such net decrease in the Company's Minimum Gain occurs in connection with the disposition of all or any portion of the Project, then any items of Company income or gain allocated in accordance with the previous sentence shall first consist of gain recognized by the Company as a result of such disposition. It is the intent that the allocations provided in this Section 11.07(f) shall be determined in accordance with and only to the extent required by Treas. Reg. §1.704-2(f) and (j)(2)(i).

(g) Member Minimum Gain Chargeback. Notwithstanding any other provision of this Agreement, if there is a net decrease in the amount of the Company's Minimum Gain during any taxable year with respect to a Member Nonrecourse Debt, the Member bearing the Economic Risk of Loss with respect to such Member Nonrecourse Debt shall be specially allocated a *pro rata* portion of each of the Company's items of income and gain for such taxable year (and, if necessary, for subsequent years) in proportion to, and to the extent of the amount of such Member's share of the net decrease in such Minimum Gain during such taxable year as determined in accordance with the provisions of Treas. Reg. §1.704-2(i)(4). In the event that such net decrease in the Member's Minimum Gain occurs in connection with the disposition of all or any portion of Project, then any items of Company income or gain allocated in accordance with the previous sentence shall first

consist of gain recognized by the Company as a result of such disposition. It is the intent that the allocations provided in this Section 11.07(g) shall be determined in accordance with and only to the extent required by the provisions of Treas. Reg. §1.704-2(i) and (j)(2)(ii).

(h) Qualified Income Offset. If a Member unexpectedly receives any adjustments, allocations, or distributions described in §1.704-1(b)(2)(ii)(d)(4), (5) or (6) of the Regulations, then items of Company income or gain will be specially allocated to that Member in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of that Member as quickly as possible. The special allocations required pursuant to this subparagraph (h) are made only if and to the extent that such Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article 11 have been tentatively made as if this subparagraph (h) were not in the Agreement. This subparagraph (h) is intended to comply with the qualified income offset requirements of §1.704-1(b)(2)(ii)(d) of the Regulations and will be interpreted consistently therewith.

(i) Gross Income Allocation. In the event any Member has a deficit Capital Account at the end of any fiscal year in excess of the sum of (i) the amount that such Member must restore pursuant to any provision of this Agreement, if any, and (ii) the amount such Member is deemed obligated to restore pursuant to the penultimate sentence of Treas. Reg. § 1.704-2(g) and § 1.704-2(i)(5), such Member shall be specially allocated items of Company income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 11.07(i) shall be made if and only to the extent that such Member would have a deficit Capital Account in excess of such sum after all other allocations provided for in this Article XI have been tentatively made as if this Section 11.07(i) and Section 11.07(h) hereof were not in the Agreement.

(j) §754 Adjustment. To the extent an adjustment to the adjusted tax basis of any Company Property undertaken pursuant to §734(b) or 743(b) of the Code is required to be taken into account in determining the Capital Accounts of the Members under Treas. Reg. §1.704-1(b)(2)(iv)(m), then the amount of such adjustment to the Capital Accounts will be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss will be specially allocated to the Members in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to the aforementioned section of the regulations.

(k) Curative Allocations. In the event that income, loss or items thereof are allocated to one or more Members pursuant to Sections 11.07(h) through (i), subsequent income, loss or items thereof shall be allocated (subject to the provisions of Sections 11.07(h) and (i)) to the Members so that, to the extent possible in the judgment of the Managing Member, the net amount of allocations shall be equal to the amount that would have been allocated had Section 11.07 not been applied. Notwithstanding the foregoing, the allocation of depreciation deductions will be governed by Section 11.07(a) and this Section 11.07(k) shall not apply to allocations of depreciation deductions.

(l) Excess Nonrecourse Liabilities. Solely for purposes of determining a Member's proportionate share of the "excess nonrecourse liabilities" of the Company within the meaning of Treas. Reg. §1.752-3(a)(3), the Members' respective interests in Company Profits shall equal their Percentage Interests (determined without regard to Section 11.07(a)-(k)).

(m) Authority to Vary Allocations to Preserve and Protect Members' Intent

(i) It is the intent of the Members that each Member's distributive share of income, gain, loss, deduction, or credit (or item thereof) shall be determined and allocated in accordance with this Article XI to the fullest extent permitted by Section 704(b) of the Code. In order to preserve and protect the determinations and allocations provided for in this Article XI, the Managing Member, shall upon the direction in writing of the Special Investor Member, allocate income, gain, loss, deduction, or credit (or item thereof) arising in any year differently than otherwise provided for in this Article XI as necessary to ensure that all allocations of income, gain, loss, deduction or credit (or item thereof) to the Members are permitted by Section 704(b) of the Code and Treasury Regulations promulgated thereunder. Any allocation made pursuant to this Section 11.07 shall be deemed to be a complete substitute for any allocation otherwise provided for in this Article XI and no amendment of this Agreement or approval of any Member shall be required.

(ii) In making any allocation (the "new allocation") under Section 11.07(m)(i), the Managing Member is authorized to act only upon the direction in writing of the Special Investor Member or the Investor Member.

(iii) If the Managing Member receives a recommendation from the Accountants to make any new allocation in a manner less favorable to the Investor Member than is otherwise provided for in this Article XI, then the Managing Member shall do so only with the Investor Member's or the Special Investor Member's Consent and only after having given the Investor Member and the Special Investor Member the opportunity to discuss such allocation with the Accountants, and only after the Managing Member has been advised by the Accountants that it is permitted by Section 704(b) of the Code, to allocate income, gain, loss, deduction, or credit (or item thereof) arising in later years in such manner so as to bring the allocations of income, gain, loss, deduction, or credit (or item thereof) to the Investor Members as nearly as possible to the allocations thereof otherwise contemplated by this Article XI.

(n) Grant Income. Any income recognized as a result of any receipt of grants by the Company shall be allocated one hundred percent (100%) to the Managing Member.

11.08 Designation of Tax Matters Partner. The Managing Member hereby is designated as Tax Matters Partner of the Company, and shall engage in such undertakings as are required of the Tax Matters Partner of the Company, as provided in regulations pursuant to Section 6231 of the Code. Each Member, by its execution of this Agreement, Consents to such designation of the Tax Matters Partner and agrees to execute, certify, acknowledge, deliver, swear to, file and record at the appropriate public offices such documents as may be necessary or appropriate to evidence such

Consent. Notwithstanding the foregoing, the Investor Member has the right to approve and disapprove all substantial actions that may be taken by the Managing Member in its capacity as Tax Matters Partner. Notwithstanding any other provision of this Agreement, the Special Investor Member hereby is granted authority at any time to be admitted as a Managing Member by converting all or portion of its Investor Member Interest to a Managing Member Interest for the purpose of acting as the Tax Matters Partner with all the authority and powers given to the Managing Member as Tax Matters Partner of the Company under the Code and under this Agreement. The Special Investor Member may exercise its right to assume the Tax Matters Partner responsibilities for the Company, as provided herewith, upon ten (10) days notice to the then existing Tax Matters Partner and Managing Member and may continue as Tax Matters Partner indefinitely. In the event that the Special Investor Member exercises its right to become a Managing Member and to assume duties of the Tax Matters Partner, the pre-existing Tax Matters Partner will resign in accordance with Treas. Reg. § 301.6231(a)(7)-1(i) and will redesignate the new Managing Member as Tax Matters Partner in accordance with Treas. Reg. § 301.6231(a)(7)-1(e). Each Member, by its execution of this Agreement Consents to such admission and designation and agrees to execute, certify, acknowledge, deliver, swear to, file and record at the appropriate public offices such documents as may be necessary or appropriate to evidence such Consent. The Special Investor Member shall, upon such admission, replace the Managing Member as Tax Matters Partner and shall have thereafter all the authority and powers given to the Managing Member as Tax Matters Partner of the Company under the Code and under this Agreement. Unless otherwise specifically provided or agreed, the new Tax Matters Partner in these circumstances will not be responsible for or have the right to conduct any operational or managerial functions of the Company besides those required to discharge its responsibilities as Tax Matters Partner.

11.09 Authority of Tax Matters Partner.

(a) The Tax Matters Partner shall have and perform all of the duties required under the Code, including the following duties:

(i) Furnish the name, address, profits interest, and taxpayer identification number of each Member to the IRS; and

(ii) Within five calendar days after the receipt by the Managing Member or an Affiliate thereof or the Company of any correspondence or communication relating to the Company or a Member or an Affiliate of a Member from the IRS, the Tax Matters Partner shall forward to each Member a photocopy of all such correspondence or communication(s). The Tax Matters Partner shall, within five calendar days thereafter, advise each Member in writing of the substance and form of any conversation or communication held with any representative of the IRS.

(b) The Tax Matters Partner shall, upon request by the Investor Member, permit the Investor Member to include its attorney in the power of attorney (Form 2848) for the Company for any taxable years under a tax audit or in a tax administrative Appeals process.

(c) The Tax Matters Partner shall not without the Consent of the Special Investor Member:

(i) Extend the statute of limitations for assessing or computing any tax liability against the Company (or the amount of character of any Company tax items);

(ii) Engage an accounting firm or counsel to represent the Company before the IRS;

(iii) Settle any audit with the IRS concerning the adjustment or readjustment of any Company item(s) (within the meaning of Section 6231(a)(3) of the Code);

(iv) File a request for an administrative adjustment with the IRS at any time or file a petition for judicial review with respect to any such request or select the forum for judicial review of any IRS determination;

(v) Initiate or settle any judicial review or action concerning the amount or character of any Company tax item(s) (within the meaning of Section 6231(a)(3) of the Code);

(vi) Intervene in any action brought by any other Member for judicial review of a final Company administrative adjustment; or

(vii) Take any other action not expressly permitted by this Section 11.09 on behalf of the Members of the Company in connection with any administrative or judicial tax proceeding.

(d) In the event of any Company-level proceeding instituted by the IRS pursuant to Sections 6221 through 6233 of the Code, the Tax Matters Partner shall consult with the Special Investor Member regarding the nature and content of all action and defense to be taken by the Company in response to such proceeding. The Tax Matters Partner also shall consult with the Special Investor Member regarding the nature and content of any proceeding pursuant to Sections 6221 through 6233 of the Code instituted by or on behalf of the Company (including the decision to institute proceedings, whether administrative or judicial, and whether in response to a previous IRS proceeding against the Company or otherwise).

11.10 Expenses of Tax Matters Partner. The Company shall indemnify and reimburse the Tax Matters Partner for all expenses, including legal and accounting fees, claims, liabilities, losses and damages incurred in connection with any administrative or judicial proceeding with respect to the tax liability of the Members. The payment of all such expenses shall be made before any distributions are made from Net Cash Flow or any discretionary reserves are set aside by the Managing Member. The Managing Member shall have the obligation to provide funds for such purpose to the extent that Company funds are not otherwise available therefor. The taking of any action and the incurring of any expense by the Tax Matters Partner in connection with any such proceeding, except to the extent required by law, is a matter in the sole discretion of the Tax Matters

Partner and the provisions on limitations of liability of the Managing Member and indemnification set forth in Section 8.08 of this Agreement shall be fully applicable to the Tax Matters Partner in its capacity as such.

ARTICLE XII SALE, DISSOLUTION AND LIQUIDATION

12.01 Dissolution of the Company. The Company shall be dissolved upon the earlier of the expiration of the term of the Company, or upon:

(a) the withdrawal, Bankruptcy, death, dissolution or adjudication of incompetency of the Managing Member who is at that time the sole Managing Member, subject to the provisions of Section 6.03, unless a majority in interest of the other Members, within ninety (90) days after receiving Notice of such withdrawal, Bankruptcy, death, dissolution or adjudication of incompetence, elects to designate a successor Managing Member(s) and continue the Company upon the admission of such successor Managing Member(s) to the Company;

(b) the sale or other disposition of all or substantially all of the assets of the Company, subject to the provisions of Section 6.03;

(c) the election by the Managing Member, with the Consent of a majority in interest of the other Members; or

(d) any other event causing the dissolution of the Company under the laws of the Commonwealth of Virginia.

12.02 Winding Up and Distribution.

(a) Upon the dissolution of the Company pursuant to Section 12.01, (i) a Certificate of Cancellation shall be filed in such offices within the Commonwealth of Virginia as may be required or appropriate and (ii) the Company business shall be wound up and its assets liquidated as provided in this Section 12.02 and the net proceeds of such liquidation, except as provided in Section 12.02(b) below, shall be distributed in accordance with Section 11.04.

(b) It is the intent of the Members that, upon liquidation of the Company, any liquidation proceeds available for distribution to the Members be distributed in accordance with the Members' respective positive Capital Account balances and in accordance with Treas. Reg. §1.704-1(b)(2)(ii)(b)(2). The Members believe that distributions under Section 11.04 will effectuate such intent. In the event that, upon liquidation, there would otherwise be any conflict between a distribution pursuant to the Members' respective positive Capital Account balances and the intent of the Members with respect to distribution of proceeds as provided in Section 11.04, the Liquidator shall, notwithstanding the provisions of Sections 11.01, 11.02, 11.03 and 11.05, allocate the

Company's gains, profits and losses in a manner that will, as nearly as possible, cause the distribution of liquidation proceeds to the Members to be in accordance both with the Members' economic expectations as set forth in Section 11.04 and their respective Capital Account balances. If the Company's gains, profits and losses are insufficient to cause the Members' Capital Accounts to be in such amounts as will permit liquidation proceeds to be distributed both in accordance with the Members' respective positive Capital Account balances and Section 11.04, then liquidation proceeds shall be distributed in accordance with the Members' respective positive Capital Account balances after the allocations described herein have been made.

(c) The Liquidator shall file all certificates and notices of the dissolution of the Company required by law. The Liquidator shall proceed without any unnecessary delay to sell and otherwise liquidate the Company's property and assets; provided, however, that if the Liquidator shall determine that an immediate sale of part or all of the Company property would cause undue loss to the Members, then in order to avoid such loss, the Liquidator may, except to the extent provided by the Act, defer the liquidation as may be necessary to satisfy the debts and liabilities of the Company to Persons other than the Members. Upon the complete liquidation and distribution of the Company assets, the Members shall cease to be Members of the Company, and the Liquidator shall execute, acknowledge and cause to be filed all certificates and notices required by the law to terminate the Company.

(d) Upon the dissolution of the Company pursuant to Section 12.01, the Accountants shall promptly prepare, and the Liquidator shall furnish to each Member, a statement setting forth the assets and liabilities of the Company upon its dissolution. Promptly following the complete liquidation and distribution of the Company property and assets, the Accountants shall prepare, and the Liquidator shall furnish to each Member, a statement showing the manner in which the Company assets were liquidated and distributed.

The Managing Member shall keep the Investor Member informed concerning the general state of the business and financial condition of the Company and shall, upon the reasonable request of the Investor Member, furnish to the Investor Member full information, accounts and documentation concerning the state of the business and financial condition of the Company. The Managing Member shall also provide the following statements or disclosures to the Investor Members:

(a) Semiannual Reports. Semiannually, within 45 days after the end of the second and fourth fiscal quarters of the Company, until the later to occur of the following events: (i) all Capital Contribution installments of the Investor Member have been made, or (ii) the Project is placed in

(i) a description of the Project, including the status of construction or rehabilitation to be performed in connection with the Project (which information shall be provided on the Project until construction or rehabilitation is complete);

(ii) a description of the financing for the Project, including mortgage financing, any state or local government loans, any operating deficit guaranty, the Investor Member's Capital Contributions to the Company and any other contributions or loans to the Company;

The Investor Member shall be entitled to select a firm of certified public accountants that are experienced in LIHTC and that will prepare the Company's year-end financial statements and the Company's annual tax returns. The fee of such accountants shall be paid by the Investor Member out of the accounting fee payable to it pursuant to Section 8.21 of this Agreement.

In the event of a transfer of all or any part of the Interest of a Managing Member or of an Investor Member, the Company may elect, pursuant to Sections 743 and 754 of the Code (or any corresponding provision of succeeding law), to adjust the basis of the Company property if, in the opinion of the Investor Member, based upon the advice of the Accountants, such election would be most advantageous to the Investor Member. Each Member agrees to furnish the Company with all information necessary to give effect to such election.

In the event that the reporting requirements set forth in any of the above provisions of this Article XIII are not met, the Investor Member, in its reasonable discretion, may direct the Managing Member to dismiss the Accountants, and to designate successor Accountants, subject to the approval of the Investor Member; provided, however, that if the Managing Member and the Investor Member cannot agree on the designation of successor Accountants, the successor Accountants shall be designated by the

Investor Member in its sole reasonable discretion, and the fees of such successor Accountants shall be paid by the Managing Member.

ARTICLE XIV
AMENDMENTS

14.01 Proposal and Adoption of Amendments. This Agreement may be amended by the Managing Member with the Consent of the Investor Member; provided that such Consent shall not be unreasonably withheld as to any proposed amendment which does not affect the obligations of the Managing Member or the rights of any of the Members under this Agreement; and further provided that, if the Investor Member proposes an amendment to this Agreement which either (a) increases or imposes upon the Investor Member the obligation to restore a deficit balance in its Capital Account, or (b) prospectively decreases the obligation of the Investor Member to restore a deficit balance in its Capital Account in a subsequent Fiscal Year of the Company, the Managing Member shall effectuate the adoption of such amendment; provided, however, that the Managing Member shall not be liable to the Investor Member for any adverse tax consequences that may result from any such increase or decrease.

ARTICLE XV

GENERAL PROVISIONS

16.01 Burden and Benefit. The covenants and agreements contained herein shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of the respective parties hereto.

16.02 Applicable Law. This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia.

16.03 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original copy and all of which together shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties shall not have signed the same counterpart.

16.04 Separability of Provisions. Each provision of this Agreement shall be considered separable, and if for any reason any provision which is not essential to the effectuation of the basic purposes of this Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement which are valid.

16.05 Entire Agreement. This Agreement sets forth all (and is intended by all parties to be an integration of all) of the representations, promises, agreements and understandings among the parties hereto with respect to the Company, the Company business and the property of the Company, and there are no representations, promises, agreements or understandings, oral or written, express or implied, among them other than as set forth or incorporated herein.

16.06 Liability of the Investor Member. Notwithstanding anything to the contrary contained herein, neither the Investor Member nor any of its members shall have any personal liability to any of the parties to this Agreement with regard to the representations and covenants extended, or the obligations undertaken, by the Investor Member under this Agreement, except that the Investor Member shall be personally obligated to fund its Capital Contributions when, as and if required by this Agreement and subject to any defenses and offsets it may have with respect to the funding of such Capital Contributions. In the event that the Investor Member shall be in default under any of the terms of this Agreement, the sole recourse of any party hereto for any indebtedness due hereunder, or for any damages resulting from any such default by the Investor Member, shall be either against the Interest of the Investor Member and the capital contributions of the members of the Investor Member (either directly or through another Investor Member) allocated to, and remaining for investment in, the Company; provided, however, that under no circumstances shall the liability of the Investor Member for any such default be in excess of the amount of Capital Contribution payable by the Investor Member to the Company, under the terms of this Agreement, at the time of such default, less the value of the Interest of the Investor Member, if such Interest is claimed as compensation for damages.

16.07 Environmental Protection.

(a) The Managing Member warrants and represents that to the best of the Managing Member's knowledge, after diligent inquiry, there presently are not, in, on, or under the Project nor will there be, in, on, or under the Project, upon completion of the construction: (i) any "hazardous substance" as that term is defined under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. §9601, et seq., as amended ("CERCLA"), or any other hazardous or toxic substance, waste or material or any other substance or pollutant that poses a risk to human health or the environment, including, but not limited to, petroleum in any form, lead-based paint, asbestos, urea formaldehyde insulation, methane gas, polychlorinated biphenyls ("PCBs") or radon, except for ordinary and necessary quantities of office supplies, cleaning materials and pest control supplies stored in a safe and lawful manner and petroleum products contained in motor vehicles (the "Hazardous Substances"); (ii) any underground storage tanks; (iii) accumulations of debris, mining spoil, spent batteries, except for ordinary garbage stored in receptacles for regular removal; (iv) or any other condition which could result in liability for an owner or operator of the Project under any federal, state, or local law, rule, regulation, or ordinance.

(b) The Managing Member further represents and warrants that (i) neither it nor, to the best of its knowledge, any other party has been, is or will be involved in operations at or, pursuant to the Managing Member's best knowledge, near the Land, which operations could lead to (A) a determination of liability under the Hazardous Waste Laws as to the Company or (B) the creation of a lien on the Land under the Hazardous Waste Laws or under any similar laws or regulations; and (ii) the Managing Member has not permitted, and will use best efforts not to permit, any tenant or occupant of the Project to engage in any activity that could impose liability under the Hazardous Waste Laws on such tenant or occupant, on the Land or on any other owner of the Project.

(c) The Managing Member further warrants and represents to the best of the Managing Member's knowledge that the Project is in compliance with all applicable Hazardous Waste Laws, and the Managing Member has not received notice of any violations of the Hazardous Waste Laws. The Managing Member will promptly deliver any notice it may receive of any violation of the Hazardous Waste Laws to the Investor Member and the Special Investor Member.

The foregoing indemnification shall be a recourse obligation of the Managing Member and shall (to the full extent permitted by law) survive the dissolution of the

Company and the death, dissolution, retirement, incompetency, insolvency, bankruptcy, or withdrawal of the Managing Member.

(e) For purposes of this Agreement, the term “Hazardous Waste Laws” shall mean any governmental requirements pertaining to land use, air, soil, subsoil, surface water, groundwater (including the quality of, protection, clean-up, removal, remediation or damage of or to land, air, soil, subsoil, surface water and groundwater), including, without limitation, the following laws as the same may be from time to time amended: the Comprehensive Environmental Response Liability and Compensation Act, 42 U.S.C. § 9601, et seq., the Resource Conservation and Recovery Act, 42 U.S.C. §6901, et seq., the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq., the Federal Water Pollution Control Act, 33 U.S.C. §1251 et seq., the Safe Drinking Water Act, 42 U.S.C. § 300f et seq., the Clean Air Act, 42 U.S.C. § 7401 et seq., the Rivers and Harbors Act, 33 U.S.C. § 401 et seq., the Transportation Safety Act of 1974, portions of which are located at 49 U.S.C. § 1801 et seq., the Endangered Species Act, 16 U.S.C. § 1531 et seq., or any so-called “superfund” or “superlien” law, together with any other foreign or domestic laws (federal, state, provincial or local), common law, local rule, regulation (including, without limitation, any future change in judicial or administrative decisions interpreting or applying any of the laws, rules or regulations referred to herein) relating to emissions, discharges, release or threatened releases of any Hazardous Substances into ambient air, land, soil, subsoil, surface water, groundwater, personal property or structures, or otherwise relating to the manufacture, processing distribution, use treatment, storage, disposal, transport, discharge or handling of any Hazardous Substances, now or at any time hereafter in effect.

WHEREAS, the Company is the successor in interest to Warwick Townhomes, LLC with respect to the development of the Project, and Warwick Townhomes, LLC executed a Development Agreement with the Developer dated December, 2014; this Agreement is intended to amend, restate and replace such Development Agreement.

WHEREAS, in consideration for such services, the Company has agreed to pay to the Developer certain fees computed in the manner stated herein.

WHEREAS, capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Amended and Restated Operating Agreement of the Company of even date herewith (the “Operating Agreement”).

NOW, THEREFORE, in consideration of the recitals, covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the parties agree as follows:

Section 1. Development Services.

Exhibit A-1

(a) The Developer has performed certain services relating to the development of the Project and shall oversee the development and construction of the Project, and shall perform the services and carry out the responsibilities with respect to the Project as are set forth herein, and such additional duties and responsibilities as are reasonably within the general scope of such services and responsibilities and are designated from time to time by the Company.

(b) The Developer's services shall be performed in the name and on behalf of the Company and shall consist of the duties set forth in subparagraphs (i)-(xiii) below of this Section 1(b) and as provided elsewhere in this Agreement; provided, however, that if the performance of any duty of the Developer set forth in this Agreement is beyond the reasonable control of the Developer, the Developer shall nonetheless be obligated to (i) use its best efforts to perform such duty and (ii) promptly notify the Company that the performance of such duty is beyond its reasonable control. The Developer has performed or shall perform the following:

(i) Negotiate and cause to be executed in the name and on behalf of the Company any agreements for architectural, engineering, testing or consulting services for the Project, and any agreements for the construction of any improvements or tenant improvements to be constructed or installed by the Company or the furnishing of any supplies, materials, machinery or equipment therefor, or any amendments thereof, provided that no agreement shall be executed nor binding commitment made until the terms and conditions thereof and the party with whom the agreement is made have been approved by the Managing Member unless the terms, conditions, and parties comply with guidelines issued by the Managing Member concerning such agreements;

(ii) Assist the Company in identifying sources of construction financing for the Project and negotiate the terms of such financing with lenders;

(iii) Establish and implement appropriate administrative and financial controls for the design and construction of the Project, including but not limited to:

(G) applying for the maintaining in full force and effect any and all governmental permits and approvals required for the lawful construction of the Project;

(I) furnishing such consultation and advice relating to the Project as may be reasonably requested from time to time by the Company;

(J) keeping the Company fully informed on a regular basis of the progress of the design and construction of the Project, including the preparation of such reports as are provided for herein or as may reasonably be requested by the Company and which are of a nature generally requested or expected of construction managers or similar owner's representatives on similar projects;

required or permitted to be filed upon the completion of any improvement(s) and taking such actions as may be required to obtain any certificates of occupancy or equivalent documents required to permit the occupancy of the Project.

(iv) Inspect the progress of the course of construction of the Project, including verification of the materials and labor being furnished to and on such construction so as to be fully competent to approve or disapprove requests for payment made by the Project architect and the general contractor, or by any other parties with respect to the design or construction of the Project, and in addition to verify that the construction is being carried out substantially in accordance with the plans and specifications approved by the Company or, in the event construction is not being so carried out, to promptly notify the Company;

(v) If requested to do so by the Company, perform on behalf of the Company all obligations of the Company with respect to the design or construction of the Project contained in any loan agreement or security agreement in connection with the Project, or in any lease or rental agreement relating to space in the Project, or in any agreement entered into with any governmental body or agency relating to the terms and conditions of such construction, provided that copies of such agreements have been provided by the Company to the Developer or the Company has otherwise notified the Developer in writing of such obligations;

(vi) To the extent requested to do so by the Company, prepare and distribute to the Company a critical path schedule, and periodic updates thereto as necessary to reflect any material changes, but in any event not less frequently than quarterly, other design or construction cost estimates as required by the Company, and financial accounting reports, including monthly progress reports on the quality, progress and cost of construction and recommendations as to the drawing of funds from any loans arranged by the Company to cover the cost of design and construction of the Project, or as to the providing of additional capital contributions should such loan funds for any reason be unavailable or inadequate;

(vii) At the Company's expense, obtain and maintain insurance coverage for the Project, the Company, the Management Agent, and the Developer and its employees, at all times until final completion of construction of the Project, in accordance with an insurance schedule approved by the Company, which insurance shall include general public liability insurance covering claims for personal injury, including but not limited to bodily injury, or property damage, occurring in or upon the Property or the streets, passageways, curbs and vaults adjoining the Property. Such insurance shall be in a liability amount approved by the Company;

16. Each Guarantor is jointly and severally liable with each other Guarantor.

17. This Guaranty Agreement shall inure to the benefit of and bind the heirs, legal representatives, administrators, executors, successors and assigns of HEF and Each Guarantor.

PLEDGE AND SECURITY AGREEMENT

THIS PLEDGE AND SECURITY AGREEMENT (this “Agreement”) made as of January 15, 2015, by Warwick Development Partners, LLC, a Virginia limited liability company (“Pledgor”), having an office at 204 Rivers Bend Boulevard, Chester, Virginia 23836, for the benefit of Housing Equity Fund of Virginia XVIII, L.L.C., a Virginia limited liability company (“Pledgee”), having an office at 1840 West Broad Street, Suite 200, Richmond, Virginia 23220.

Recitals

WHEREAS, Pledgor is the Managing Member in New Warwick Townhomes, LLC (the “Company”), and the Company is governed by its Amended and Restated Operating Agreement dated as of January 15, 2015 (the “Operating Agreement”) (capitalized terms not otherwise defined herein shall have the definitions given them in the Operating Agreement).

WHEREAS, Pledgee is an Investor Member of the Company; and

WHEREAS, in order to secure the full payment and performance by Pledgor of all of Pledgor’s obligations, duties, expenses and liabilities under or in connection with the Operating Agreement as such Operating Agreement may be now or hereafter amended, modified or restated (such obligations, duties, expenses and liabilities under and in connection with the Operating Agreement and all other sums of any kind which may or shall become due thereunder together with all actual fees and costs of collection including attorney’s fees incurred in bankruptcy are collectively referred to herein as the “Obligations”), Pledgor is entering into this Agreement for the benefit of Pledgee.

NOW, THEREFORE, in consideration of the recitals, covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the parties hereby agree as follows:

1. **Definitions.**

(a) “Collateral” shall mean:

(i) All of Pledgor’s right, title and interest in the Company, whether now owned or hereafter acquired, including, without limitation, its Managing Member interest in the Company and any voting rights and right to receive distributions, allocations and payments under the Operating Agreement, as such

Operating Agreement may be modified from time to time with the consent of the Pledgee;

(ii) All fees and charges to be paid by the Company to the Pledgor, whether now owned or hereafter acquired, whether arising under the Operating Agreement or otherwise, including, without limitation, the Incentive Management Fee;

(iii) All indebtedness of the Company to Pledgor of any kind or description, including without limitation, Pledgor's right to receive payment of Operating Deficit Loans or other loans to the Company;

(iv) All products and proceeds, whether cash proceeds or noncash proceeds, and products of any and all of the foregoing.

(b) "Event of Default" shall mean an event of default described in Paragraph 8 herein.

2. Pledge of Collateral and Grant of Security Interest Pledgor does hereby unconditionally and irrevocably assign, pledge, convey, transfer, deliver, set over and grant unto Pledgee, its successors and assigns, as security for Pledgor's complete and timely payment and performance of the Obligations, a continuing security interest under the Uniform Commercial Code of the Commonwealth of Virginia in the Collateral. Pledgor hereby further grants to the Pledgee all rights in the Collateral as are available to a secured party of such collateral under the Uniform Commercial Code of the Commonwealth of Virginia (being the principal place of business of Pledgor and the location of Pledgor's chief executive office) and, concurrently herewith, authorizes Pledgee to file appropriate UCC- 1 Financing Statements in the Commonwealth of Virginia with respect to the Collateral and agrees, upon request, to deliver any other documents which Pledgee may reasonably request with respect thereto. The pledge of Collateral hereunder is subordinate to the Pledgor's pledge of the Collateral to Community Capital Bank of Virginia to secure the \$2,300,000 loan from such bank to the Company (the "Senior Pledge").

3. Delivery to Pledgee.

(a) Pledgor agrees to execute and to cause all other necessary parties, and any successors and assigns thereof, to execute and deliver to Pledgee such other agreements, instruments and documentation as Pledgee may reasonably request from time to time to effect the conveyance, transfer, and grant to Pledgee of each and all of Pledgor's right, title and interest in and to the Collateral as security for the Obligations.

(b) Pledgor covenants to execute, if required by Pledgee, an amendment to the Operating Agreement in such form as Pledgee may require to

reflect the substitution of the Pledgee in place of Pledgor as a Managing Member in the Company. Pledgor further agrees to execute and to cause the other members of the Company to execute and deliver to Pledgee such other agreements, instruments and documentation as Pledgee may reasonably request from time to time to effectuate the conveyance, transfer, assignment and grant to Pledgee of all of Pledgor's right, title and interest in and to the Collateral and to evidence the substitution of the Pledgee in place of Pledgor as a Managing Member in the Company.

4. Proceeds and Products of the Collateral.

(a) Unless and until there occurs an Event of Default, Pledgee agrees to forbear in exercising its right to receive all benefits pertaining to the Collateral, and the Pledgor shall be permitted to exercise all rights and to receive all benefits of the Collateral, including, without limitation, the right to exercise all voting, approval, consent and similar rights of Pledgor pertaining to the Collateral, payments due under, proceeds, whether cash proceeds or noncash proceeds, and products of the Collateral and retain and enjoy the same, provided, however, that Pledgor shall not cast any vote or give any approval, consent, waiver or ratification or take any action which would be inconsistent with or violate any provision of this Agreement.

(b) Pledgor acknowledges and agrees with the Pledgee, that unless Pledgee otherwise consents, in Pledgee's sole discretion, Pledgor shall not exercise any voting, approval, consent or other rights with respect to the Collateral at any time (i) after the occurrence of an Event of Default, and (ii) after delivery of notice from the Pledgee instructing Pledgor not to exercise any such voting, approval, consent or other rights with respect to the Collateral; provided, however, that Pledgor shall exercise any such right it may have under the Operating Agreement with respect to the business affairs of the Company as is reasonably necessary to protect and preserve the Collateral.

(c) Upon or at any time after the occurrence of an Event of Default, Pledgee, at its option to be exercised in its sole discretion, may exercise all rights and remedies granted under this Agreement, including, without limitation, the right to require the obligors under the Collateral to make all payments due under and to pay all proceeds, whether cash proceeds or noncash proceeds, and products of the Collateral to Pledgee. Upon the giving of any such notice, the security constituted by this Agreement shall become immediately enforceable by the Pledgee, without any presentment, further demand, protest or other notice of any kind, all of which are hereby expressly and irrevocably waived by Pledgor. Pledgor hereby authorizes and directs each respective obligor under the agreements constituting the Collateral, upon receipt of written notice from Pledgee of an Event of Default by Pledgor hereunder, to assign, set over, transfer,

distribute, pay and deliver any and all Collateral or said payments, proceeds or products of the Collateral to Pledgee, at such address as Pledgee may direct, at such time and in such manner as the Collateral and such payments, proceeds and products of the Collateral would otherwise be distributed, transferred, paid or delivered to Pledgor. The respective obligors under the agreements constituting the Collateral shall be entitled to conclusively rely on such notice and make all such assignments and transfers of the Collateral and all such payments with respect to the Collateral and pay all such proceeds and products of the Collateral to Pledgee and shall have no liability to Pledgor for any loss or damage Pledgor may incur by reason of said reliance.

5. No Assumption. Notwithstanding any of the foregoing, whether or not an Event of Default shall have occurred, and whether or not Pledgee elects to foreclose on its security interest in the Collateral as set forth herein, neither the execution of this Agreement, receipt by Pledgee of any of Pledgor's right, title and interest in and to the Collateral and the payments, proceeds and products of the Collateral, now or hereafter due to Pledgor from any obligor of the Collateral, nor Pledgee's foreclosure of its security interest in the Collateral, shall in any way be deemed to obligate Pledgee to assume any of Pledgor's obligations, duties, expenses or liabilities under the Collateral or any agreements constituting the Collateral, as presently existing or as hereafter amended, or under any and all other agreements now existing or hereafter drafted or executed (collectively, the "Pledgor's Liabilities"), unless Pledgee otherwise agrees to assume any or all of Pledgor's Liabilities in writing. In the event of foreclosure by Pledgee of its security interest in the Collateral, Pledgor shall remain bound and obligated to perform its Pledgor's Liabilities and Pledgee shall not be deemed to have assumed any of Pledgor's Liabilities, except as provided in the preceding sentence. In the event the entity or person acquiring the Collateral at a foreclosure sale elects to assume Pledgor's Liabilities, such assignee shall agree in writing to be bound by the terms and provisions of the applicable agreement.

6. Indemnification. Pledgor hereby agrees to indemnify, defend and hold Pledgee, its successors and assigns harmless from and against any and all damages, losses, claims, costs or expenses (including reasonable attorneys' fees) and any other liabilities whatsoever that Pledgee or its successors or assigns may incur by reason of this Agreement or by reason of any assignment of Pledgor's right, title and interest in and to any or all of the Collateral.

7. Representations, Warranties and Covenants. In addition to the representations made by Pledgor in the Operating Agreement, Pledgor makes the following representations and warranties, which shall be deemed to be continuing representations and warranties in favor of Pledgee, and covenants and agrees to perform all acts necessary to maintain the truth and correctness, in all material respects, of the following:

(a) Pledgor owns the Collateral free and clear of any claim, lien or encumbrance (other than the Senior Pledge).

(b) Pledgor has delivered to Pledgee true and complete copies of the Operating Agreement, the Incentive Management Fee Agreement and any other agreements pertinent to the Collateral, and such agreements are currently in full force and effect and have not been amended or modified except as disclosed to Pledgee in writing.

(c) Pledgor has the full right and title to its interest in the Collateral and has the full power, legal right and authority to pledge, convey, transfer and assign such interest. Other than under the Senior Pledge, none of the Collateral is subject to any existing or subsequent assignment, claim, lien, pledge, transfer or other security interest of any character, or to any attachment, levy, garnishment or other judicial process or to any claim for set-off, counterclaim, deduction or discount. Pledgor shall not, without the prior written consent of Pledgee, which consent may be granted or denied in Pledgee's sole discretion, further convey, transfer, set over or pledge to any party any of its interests in the Collateral. Pledgor agrees to (i) warrant and defend its title to the Collateral and the security interest created by this Agreement against all claims of all persons (other than Pledgee and persons claiming through Pledgee), and (ii) maintain and preserve the Collateral and such security interests.

(d) Pledgor's Employer Identification Number is 46-4795069, and its principal place of business is located at 204 Rivers Bend Boulevard, Chester, Virginia 23836.

(e) Pledgor agrees that it shall not, without at least thirty (30) days' prior written notification to Pledgee, move or otherwise change its principal place of business.

(f) Pledgor shall not exercise any voting rights, or give any approvals, consents, waivers or other ratifications in respect to the Collateral which would result in liquidation of the Company or affect the value of the Collateral or violate or contravene, or which would cause or otherwise authorize Pledgor to violate or contravene, any provision of this Agreement.

8. Event of Default. Each of the following shall constitute an Event of Default hereunder:

(a) An event of default shall have occurred under the Operating Agreement or the Incentive Management Fee Agreement, and such default shall not have been cured within any applicable grace period provided therein; or

(b) Any warranty, representation or statement of the Pledgor in this Agreement proves to have been false in any material respect when made or furnished; or

(c) There occurs the issuance of a writ, order of attachment or garnishment with respect to any of the Collateral and such writ, order of attachment or garnishment is not dismissed and removed within fifteen (15) days thereafter; or

(d) A material breach or violation of any covenant or agreement contained herein shall have occurred, which is not cured within ten (10) days after notice has been given to Pledgor by Pledgee. However, if the default should be of a nature that it reasonably takes more than ten (10) days to cure, then the cure period shall be extended for an additional forty-five (45) days as long as the Pledgor commences such cure within ten (10) days of receipt of such notice and continues to diligently pursue such cure.

Any Event of Default under this Agreement shall be an event of default by Pledgor under the Operating Agreement.

9. Remedies.

(a) Upon the occurrence of an Event of Default, Pledgee may by giving notice of such Event of Default, at its option, do any one or more of the following:

(i) Declare all of the Obligations secured hereby to be immediately due and payable, whereupon all unpaid principal and interest on said Obligations and other amounts declared due and payable shall become immediately due and payable without presentment, demand, protest or notice of any kind; and

(ii) Take possession of all or any of the Collateral, collect, and apply against the Obligations, all payments due, proceeds, whether cash proceeds or noncash proceeds, and products from any obligor under the agreements constituting the Collateral, that would otherwise be paid to the Pledgor; and

(iii) Either personally, or by means of a court appointed receiver, take possession of all or any of the Collateral and exclude therefrom Pledgor and all others claiming under Pledgor, and thereafter exercise all rights and powers of Pledgor with respect to the Collateral or any part thereof. In the event Pledgee demands, or attempts to take possession of any of the Collateral in the exercise of any rights under this Agreement, Pledgor promises and agrees to promptly turn over and deliver complete possession thereof to Pledgee; and

(iv) Without notice to or demand upon Pledgor, make such payments and do such acts as Pledgee may deem necessary to protect its security interest in the Collateral, including, without limitation, paying, purchasing, contesting or

compromising any encumbrance, charge or lien which is prior to or superior to the security interest granted hereunder, and in exercising any such powers or authority to pay all expenses incurred in connection therewith; and

(v) Require Pledgor to take all actions necessary to deliver such Collateral to Pledgee, or an agent or representative designated by it. Pledgee, and its agents and representatives, shall have the right to enter upon any or all of Pledgor's premises and property to exercise Pledgee's rights hereunder; and

(vi) Foreclose upon this Agreement as herein provided or in any manner permitted by law, and exercise any and all of the rights and remedies conferred upon Pledgee by the Operating Agreement, or in any other document executed by Pledgor in connection with the Obligations secured hereby, either concurrently or in such order as Pledgee may determine; and sell or cause to be sold in such order as Pledgee may determine, as a whole or in such parcels as Pledgee may determine, the Collateral, without affecting in any way the rights or remedies to which Pledgee may be entitled under the other such instruments; and

(vii) Sell or otherwise dispose of the Collateral at public sale, without having the Collateral at the place of sale, and upon terms and in such manner as Pledgee may determine. Pledgee may be a purchaser at any sale; and

(viii) Exercise any remedies of a secured party under the Uniform Commercial Code of the Commonwealth of Virginia or any other applicable law; and

(ix) Exercise any remedies available to Pledgee under the Operating Agreement, including, but not limited to, the removal of the Pledgor as a Managing Member of the Company and exercise of any rights of offset in favor of the Pledgee as a Managing Member of the Company; and

(x) Notwithstanding anything to the contrary contained in this Agreement at any time after an Event of Default, the Pledgee may, by delivering written notice to the Company and to the Pledgor, succeed, or designate its nominee or designee to succeed, to all right, title and interest of Pledgor (including, without limitation, the right, if any, to vote on or take any action with respect to Company matters) as a Managing Member of the Company in respect of the Collateral. The Pledgor hereby irrevocably authorizes and directs the Company on receipt of any such notice (a) to deem and treat the Pledgee or such nominee or designee in all respects as a Managing Member (and not merely an assignee of a Managing Member) of the Company, entitled to exercise all the rights, powers and privileges (including the right to vote on or take any action with respect to Company matters pursuant to the Operating Agreement, to receive all distributions, to be credited with the capital account and to have all other

rights, powers and privileges appertaining to the Collateral to which Pledgor would have been entitled had the Collateral not been transferred to the Pledgee or such nominee or designee), and (b) to file an amended articles of organization, if required, admitting the Pledgee or such nominee or designee as Managing Member of the Company in place of Pledgor; and

(xi) The rights granted to the Pledgee under this Agreement are of a special, unique, unusual and extraordinary character. The loss of any of such rights cannot reasonably or adequately be compensated by way of damages in any action at law, and any material breach by Pledgor of any of Pledgor's covenants, agreements or obligations under this Agreement will cause the Pledgee irreparable injury and damage. In the event of any such breach, the Pledgee shall be entitled, as a matter of right, to injunctive relief or other equitable relief in any court of competent jurisdiction to prevent the violation or contravention of any of the provisions of this Agreement or to compel compliance with the terms of this Agreement by Pledgor. The Pledgee is absolutely and irrevocably authorized and empowered by Pledgor to demand specific performance of each of the covenants and agreements of Pledgor in this Agreement. Pledgor hereby irrevocably waives any defense based on the adequacy of any remedy at law that might otherwise be asserted by Pledgor as a bar to the remedy of specific performance in any action brought by the Pledgee against Pledgor to enforce any of the covenants or agreements of Pledgor in this Agreement.

(b) Pledgee shall give Pledgor at least ten (10) days' prior written notice of the time and place of any public sale of the Collateral subject to this Agreement or other intended disposition thereof to be made. Such notice shall be conclusively deemed to have been delivered to Pledgor at the address set forth in paragraph 7(c) of this Agreement, unless Pledgor shall notify Pledgee in writing of its change of its principal place of business and provide Pledgee with the address of its new principal place of business.

(c) The proceeds of any sale under Subparagraphs 9(a)(vi) and (vii) above shall be applied as follows:

(i) To the repayment of the costs and expenses of retaking, holding and preparing for the sale and the selling of the Collateral (including actual legal expenses and attorneys' fees) and the discharge of all assessments, encumbrances, charges or liens, if any, on the Collateral prior to the lien hereof (except any taxes, assessments, encumbrances, charges or liens subject to which such sale shall have been made);

(ii) To the payment of the whole amount then due and unpaid of the Obligations;

(iii) To the payment of all other amounts then secured hereby; and

(iv) The aggregate surplus, if any, shall be paid to Pledgor in a lump sum, without recourse to Pledgee, or as a court or competent jurisdiction may direct.

(d) Pledgee shall have the right to enforce one or more remedies hereunder under this Agreement and under the Operating Agreement, successively or concurrently, and such action shall not operate to estop or prevent Pledgee from pursuing any further remedy which it may have, and any repossession or retaking or sale of the Collateral pursuant to the terms hereof shall not operate to release Pledgor until full payment of any deficiency has been made in cash.

(e) PLEDGOR ACKNOWLEDGES THAT PLEDGEE MAY BE UNABLE TO EFFECT A PUBLIC SALE OF ALL OR ANY PART OF THE COLLATERAL AND MAY BE COMPELLED TO RESORT TO ONE OR MORE PRIVATE SALES TO A RESTRICTED GROUP OF PURCHASERS WHO WILL BE OBLIGATED TO AGREE, AMONG OTHER THINGS, TO ACQUIRE THE COLLATERAL FOR THEIR OWN ACCOUNT, FOR INVESTMENT AND NOT WITH A VIEW TO THE DISTRIBUTION OR RESALE THEREOF. PLEDGOR FURTHER ACKNOWLEDGES THAT ANY SUCH PRIVATE SALES MAY BE AT PRICES AND ON TERMS LESS FAVORABLE THAN THOSE OF PUBLIC SALES, AND AGREES THAT SUCH PRIVATE SALES SHALL BE DEEMED TO HAVE BEEN MADE IN A COMMERCIALY REASONABLE MANNER AND THAT PLEDGEE HAS NO OBLIGATION TO DELAY SALE OF ANY COLLATERAL TO PERMIT THE ISSUER THEREOF TO REGISTER IT FOR PUBLIC SALE UNDER THE SECURITIES ACT OF 1933. PLEDGOR AGREES THAT PLEDGEE SHALL BE PERMITTED TO TAKE SUCH ACTIONS AS PLEDGEE DEEMS REASONABLY NECESSARY IN DISPOSING OF THE COLLATERAL TO AVOID CONDUCTING A PUBLIC DISTRIBUTION OF SECURITIES IN VIOLATION OF THE SECURITIES ACT OF 1933 OR THE SECURITIES LAWS OF ANY STATE, AS NOW ENACTED OR AS THE SAME MAY IN THE FUTURE BE AMENDED, AND ACKNOWLEDGES THAT ANY SUCH ACTIONS SHALL BE COMMERCIALY REASONABLE. IN ADDITION, PLEDGOR AGREES TO EXECUTE, FROM TIME TO TIME, ANY AMENDMENT TO THIS AGREEMENT OR OTHER DOCUMENT AS PLEDGEE MAY REASONABLY REQUIRE TO EVIDENCE THE ACKNOWLEDGMENTS AND CONSENTS OF PLEDGOR SET FORTH IN THIS PARAGRAPH.

10. Attorneys Fees. Pledgor agrees to pay to Pledgee, without demand, reasonable attorneys' fees and all costs and other expenses which Pledgee expends or incurs in collecting

any amounts payable by Pledgor hereunder or in enforcing this Agreement against Pledgor whether or not suit is filed.

11. Further Documentation. Pledgor hereby agrees to execute, from time to time, one or more financing statements and such other instruments as may be required to perfect the security interest created hereby, including any continuation or amendments of such financing statements, and pay the cost of filing or recording the same in the public records specified by Pledgee.

12. Waiver and Estoppel. Pledgor represents and acknowledges that it knowingly waives each and every one of the following rights, and agrees that it will be estopped from asserting any argument to the contrary: (a) any promptness in making any claim or demand hereunder; (b) any defense that may arise by reason of the lack of authority of Pledgor or the failure to file or enforce a claim against Pledgor's estate (in administration, bankruptcy or any other proceeding; (c) any defense based upon an election of remedies by Pledgee which destroys or otherwise impairs any or all of the Collateral; (d) the right of Pledgor to proceed against Pledgee or any other person, for reimbursement; and (e) all duty or obligation of the Pledgee to perfect, protect, retain or enforce any security for the payment of amounts payable by Pledgor hereunder.

TO THE FULLEST EXTENT PERMITTED BY LAW, EACH PARTY TO THIS AGREEMENT SEVERALLY, KNOWINGLY, IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, SUIT OR COUNTERCLAIM BROUGHT BY ANY PARTY TO THIS AGREEMENT ARISING IN CONNECTION WITH, OUT OF OR OTHERWISE RELATING TO THIS AGREEMENT.

No delay or failure on the part of Pledgee in the exercise of any right or remedy against Pledgor or any other party against whom Pledgee may have any rights, shall operate as a waiver of any agreement or obligation contained herein, and no single or partial exercise by Pledgee of any rights or remedies hereunder shall preclude other or further exercise thereof or other exercise of any other right or remedy whether contained in this Agreement or in any of the other documents regarding the Obligations, including without limitation the Operating Agreement. No waiver of the rights of Pledgee hereunder or in connection herewith and no release of Pledgor shall be effective unless in writing executed by Pledgee. No actions of Pledgee permitted under this Agreement shall in any way impair or affect the enforceability of any agreement or obligation contained herein.

13. Independent Obligations. The obligations of Pledgor are independent of the obligations of any other party which may be initially or otherwise responsible for performance or payment of the Obligations, and a separate action or actions for payment, damages or performance may be brought and prosecuted by Pledgee against Pledgor, individually, for the full amount of the Obligations then due and payable, whether or not an action is brought against

any other party, whether or not the Pledgee is involved in any proceedings and whether or not the Pledgee or the Pledgor or other person is joined in any action or proceedings.

14. No Offset Rights of Pledgor. No lawful act of commission or omission of any kind or at any time upon the part of Pledgor shall in any way affect or impair the rights of the Pledgee to enforce any right, power or benefit under this Agreement, and no set-off, recoupment, counterclaim, claim, reduction or diminution of any obligation or any defense of any kind or nature which Pledgor has or may have against Pledgee or against any other party shall be available against Pledgee in any suit or action brought by Pledgee to enforce any right, power or benefit under this Agreement.

15. Power of Attorney. Pledgor hereby appoints Pledgee as its attorney-in-fact to execute and file, effective upon the occurrence of an Event of Default, on its behalf any financing statements, continuation statements or other documentation required to perfect or continue the security interest created hereby. This power, being coupled with an interest, shall be irrevocable until all amounts secured hereby have been paid, satisfied and discharged in full. Pledgor acknowledges and agrees that the exercise by Pledgee of its rights under this Paragraph 15 will not be deemed a satisfaction of any amounts owed Pledgee unless Pledgee so elects.

16. **GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE COMMONWEALTH OF VIRGINIA WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW. SUCH PARTIES FURTHER AGREE THAT IN THE EVENT OF DEFAULT, THIS AGREEMENT MAY BE ENFORCED IN ANY COURT OF COMPETENT JURISDICTION IN THE COMMONWEALTH OF VIRGINIA AND THEY DO HEREBY SUBMIT TO THE JURISDICTION OF ANY AND ALL SUCH COURTS REGARDLESS OF THEIR RESIDENCE OR WHERE THIS AGREEMENT MAY BE EXECUTED.**

17. Successors and Assigns. All agreements, covenants, conditions and provisions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the parties hereto.

18. Notices. Whenever any party hereto shall desire to, or be required to, give or serve any notice, demand, request or other communication with respect to this Agreement, each such notice, demand, request or communication shall be in writing and shall be effective only if the same is delivered by personal service (including, without limitation, courier or express service) or mailed certified or registered mail, postage prepaid, return receipt requested, or sent by telegram to the parties at the addresses shown throughout this Agreement or such other addresses which the parties may provide to one another in accordance herewith. If notice is sent to Pledgee, a copy of such notice shall also be given to Paul Davis, Applegate & Thorne-Thomsen, P.C. 626 W. Jackson Blvd., Suite 400, Chicago, Illinois 60661. If notice is sent to Pledgor, a copy of such notice shall also be given to McCandlish Holton, PC, 1111 E. Main St., Suite 2100, Richmond, Virginia 23219, Attention: Peter Henderer.

Notices delivered personally will be effective upon delivery to an authorized representative of the party at the designated address; notices sent by mail in accordance with the above paragraph will be effective two days after their deposit in the mail.

19. Consent of Pledgor. Pledgor consents to the exercise by Pledgee of any rights of Pledgor in accordance with the provisions of this Agreement.

PROPERTY MANAGEMENT AGREEMENT

HOUSING MANAGEMENT AGREEMENT

THIS AGREEMENT is made this 12th day of January, 2015, between New Warwick Townhomes, LLC (the "Owner") and Community Housing Partners (the "Agent"). In consideration of the mutual covenants hereinafter set forth, the Parties agree as follows:

ARTICLE I

SCOPE

Section 1.01 Appointment and Acceptance. The Owner appoints the Agent as exclusive agent for the management of the Property described in Section 1.02 of this Agreement, and the Agent accepts the appointment, on the basis of the terms and conditions set forth herein.

Section 1.02 Description of Property. The property to be managed by the Agent under this Agreement is a housing development identified as Townhomes at Warwick Place (the "Development"), consisting of land, one or more buildings, and other improvements.

Section 1.03 Rights of VHDA.

- (a) It is hereby recognized and agreed by the Owner and the Agent that the Development is to be financed by a mortgage loan (the "Mortgage Loan") from the Virginia Housing Development Authority ("VHDA") and that the Owner is a party to a certain Regulatory Agreement ("Regulatory Agreement") executed by and between the Owner and VHDA. Nothing herein contained shall in any way be construed as limiting the rights of VHDA or the obligations of the Owner as set forth in the aforementioned Regulatory Agreement, and the provisions of this Agreement are hereby made subject to the Regulatory Agreement to the effect that at all times the Agent shall comply with all the terms of the applicable provisions of the Regulatory Agreement.
- (b) For the purpose of protecting its interests as lender under its enabling act, VHDA has been granted certain rights hereunder. Furthermore, in order to assure compliance with the covenants and provisions herein and to protect its interests as aforesaid, VHDA shall have the right (but shall not be obligated) in the event of any breach hereunder by one of the parties hereto to exercise any and all of the rights and remedies which the other party may have hereunder or in law or at equity. In addition, in the event that VHDA determines that there exists an identity of interest between the parties hereto, VHDA may (but shall not be obligated to) at any time thereafter and upon written notice to the Owner and Agent assume the rights, duties and functions of the Owner with respect to any or all provisions of this Agreement for the purpose of ensuring performance thereof.
- (c) In the event of a default by the Owner under the Deed of Trust securing the Mortgage Loan, VHDA may (but shall not be obligated to) take possession of the Development and/or otherwise pursue its rights and remedies thereunder. In such event, the Agent shall, at the election of VHDA, continue to be bound by the terms of this Agreement, and all rights, privileges and benefits of the Owner hereunder shall accrue to VHDA.

ARTICLE II

GENERAL FUNCTIONS OF AGENT

Section 2.01 Management Functions During VHDA Processing. If the closing of the Mortgage Loan has not been held as of the date hereof, the Agent shall advise and assist the Owner with respect to management during VHDA processing of the Mortgage Loan application. The Agent's specific tasks include the following:

- (a) Preparation and submission to the Owner and VHDA of a recommended stabilized Operating Budget for the Development;
- (b) Certification as to the manageability and marketability of the Development; and
- (c) If the Mortgage Loan is hereafter to finance the construction or rehabilitation of the Development, participation in pre-occupancy conferences with VHDA officials, including one or more site inspections.

Section 2.02 Tenant Selection Plan.

- (a) Incorporated herein by reference is the Tenant Selection Plan for the Development which provides a description of the policies and procedures to be followed in the selection of tenants. The Owner

and the Agent hereby agree to comply with all applicable provisions of the Tenant Selection Plan, regardless of whether specific reference is made thereto in any particular provision of this Agreement.

- (b) The Agent will make a copy of the Tenant Selection Plan available to appropriate on-site and, if applicable, off-site staff for their use to provide guidance on tenant selection policies and/or procedures. Continued review of and revision to the Tenant Selection Plan will be made by the Agent as appropriate to address changing needs and conditions, as well as VHDA's recommendations for revisions. The initial Tenant Selection Plan and any revisions thereto are subject to prior review by VHDA.

Section 2.03 Liaison with Architect and General Contractor. If the Mortgage Loan is hereafter to finance the construction or rehabilitation of the Development, the Agent shall, during the design and construction phases of the Development (a) advise the Owner with respect to design and construction of the Development from the perspective of long-term management and (b) recommend such changes as may be desirable to enhance the efficient operation of the Development and enable it to provide a wholesome living environment; and the Agent shall establish and maintain a working relationship with the architect and general contractor to facilitate satisfactory completion of the Development.

Section 2.04 Structure and Warranties (Construction/Permanent Financing). The Owner shall furnish the Agent with a complete set of the plans and specifications or work write-up as approved by VHDA and copies of all guaranties and warranties pertinent to construction, fixtures, and equipment. Section 2.05 Community/Resident Services. The Agent shall be responsible to the Owner for carrying out the community/resident services required by the Owner. The Agent shall use its best efforts to maintain amicable relations with the residents of the Development.

Section 2.06 On-Site Management. If provided for in the Operating Budget, the Agent shall maintain a management office in the Development and, if required by VHDA, the Resident Manager shall reside in the Development.

Compensation, including but not limited to usual and customary fringe benefits, payable to the Resident Manager will be considered an Operating Expense of the Development.

Section 2.07 Insurance.

- (a) The Owner will inform the Agent of insurance to be carried with respect to the Development and its operations and the Agent will use its best efforts to cause such insurance to be placed and kept in effect at all times with such companies, on such terms and conditions, in such amounts, and with such beneficial interest appearing thereon as shall be acceptable to or required by the Owner and VHDA. Said insurance shall include, without limitation, worker's compensation, "all risk" property coverage, public liability, general liability, boiler explosion (if appropriate), flood (if applicable), payroll hold-up, and burglary and theft insurance coverage, with the Agent designated as one of the insured.
- (b) Premiums shall be treated as Operating Expenses and, unless otherwise required by VHDA, shall be paid out of the Project Account (see Section 4.01 (b) of this Agreement).
- (c) The Agent shall investigate all accidents, claims, and potential claims for damages relating to the Development and shall cooperate with the Owner, VHDA and the insurers in connection therewith.

Section 2.08 Non-Discrimination in Employment

- (a) The Agent will not discriminate against any employee or applicant for employment because of race, religion, color, sex or national origin, except where religion, sex or national origin is a bona fide occupational qualification reasonably necessary to the normal operation of the Agent. The Agent agrees to post in conspicuous places, available to employees and applicants for employees, notices setting forth the provisions of this subsection (a).
- (b) The Agent will, in all solicitations or advertisements for employees placed by or on behalf of the Agent, state that the Agent is an equal opportunity employer.
- (c) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of subsections (a) and (b) of this Section 2.08.

- (d) The Agent shall comply with the provisions of all applicable federal, state and local laws and ordinances prohibiting discrimination in employment on the grounds of race, color, religion, sex, national origin, age, disability or other basis, all applicable regulations and orders issued pursuant thereto and any applicable amendments and superseding legislation, ordinances, regulations or orders. The requirements of this subsection (d) shall be in addition to, and shall not in any way limit or be limited by, the requirements set forth in subsections (a), (b) and (c) of this Section 2.08.
- (e) The Agent will include the provisions of subsections (a), (b), (c) and (d) of this Section 2.08 in every subcontract or purchase order in excess of \$10,000 so that the provisions thereof will be binding upon each such subcontractor or vendor.

Section 2.09 Non-Discrimination in Housing. The Agent shall comply with the provisions of all applicable federal, state and local laws prohibiting discrimination in housing on the grounds of race, color, creed, national origin, sex, age, disability, familial status or other basis, all applicable regulations and orders issued pursuant thereto and any applicable amendments and superseding legislation, regulations or orders.

ARTICLE III

Section 3.01 Rentals.

- (a) The Agent shall use its best efforts to rent the dwelling units and, if appropriate and so agreed, parking spaces, commercial areas, and other facilities and concessions, in the Development and thereafter to keep the same fully rented.
- (b) If the Mortgage Loan is hereafter to finance the construction or rehabilitation of the Development, the Agent shall prepare for initial rent-up and shall commence diligent marketing activity prior to the anticipated date of availability for occupancy of the first dwelling unit of the Development.

Section 3.02 Tenant Selection Policy.

- (a) The Agent shall show the premises to prospective residents and shall follow the Agent's resident selection policies as provided to VHDA.
- (b) Admission to the Development shall be limited to persons and families whose incomes do not exceed the limits prescribed in Section 3.07 hereof.
- (c) The Agent shall develop and maintain tenant selection criteria acceptable to the Owner and VHDA. The selection of residents shall be in a manner that is consistent with that criteria.

Section 3.03 Applications.

- (a) The Agent shall receive and process applications for occupancy. If an application is rejected, the applicant shall be notified in writing of the reason for rejection and his right to have the rejection decision reviewed in the manner required by VHDA. The application (with the reason for rejection noted thereon) shall be kept on file for a period of not less than one year. The Agent shall maintain a current waiting list of prospective residents.
- (b) Unless approved in writing by VHDA, no fees or funds will be required of prospective residents other than for security deposits.

Section 3.04 Lease Forms. The Agent shall prepare all leases for dwelling units and, if appropriate, leases for commercial facilities, permits for parking spaces, and licenses or other agreements with concessionaires. If required by VHDA, the leases shall be in such form and/or shall include such addendum as is prescribed or approved by VHDA. The Agent shall execute such leases in its name, identified as Agent of the Owner.

Section 3.05 Rent Schedules; Resident Eligibility.

- (a) The Owner shall furnish the Agent and the Agent shall comply with the schedule of rents for dwelling units and charges for facilities and services as from time to time are established by Owner. No other rents or charges shall be made of the residents for dwelling units, facilities or services unless they are approved in advance by the Owner.
- (b) The Agent shall advise all prospective residents regarding eligibility pursuant to VHDA criteria.
- (c) The Agent shall prepare and verify eligibility certifications and recertifications on the basis specified by VHDA. The Agent shall obtain written evidence substantiating information given on residents' certifications and recertifications of income. Such information shall be retained for a period of not less than two years.

- (d) Subject to VHDA prior approval, the Agent shall negotiate commercial leases and concession agreements, and shall execute the same in its name, identified thereon as Agent for the Owner.

Section 3.06 Tenant Selection; Outreach. In selecting tenants, the Agent shall comply in all respects with the Owner's Tenant Selection Plan submitted to VHDA. In addition, brochures and other promotional material shall be distributed, as appropriate, in the market area to emphasize the availability of the Development as desirable housing for low and moderate income families.

Section 3.07 Compliance with Certain Provisions of the Regulatory Agreement (Taxable Financing; REACH Virginia Financing; LIHTC). The criteria, procedures and requirements with respect to tenant eligibility and occupancy of the Development shall be as set forth in and in accordance with VHDA's Act and Rules and Regulations, the Regulatory Agreement, and the Owner's Tenant Selection Plan described above, and this Agreement, and no person or family has been approved or shall be approved for occupancy, or shall be permitted to occupy any dwelling unit in the Development or any portion thereof, unless such person or family satisfies said criteria, procedures and requirements. VHDA may, at its option, require its approval of each such person or family prior to his or their initial occupancy of any unit in the Development. The Agent shall provide the Owner and VHDA with such documents and information as either of them may require to determine compliance with said criteria, procedures and requirements. Such documents and information shall be submitted to VHDA and the Owner in such form or forms and at such time or times (whether before or after occupancy by such person or family of the unit) as VHDA shall specify. The Agent shall comply in all respects with the aforesaid Tenant Selection Plan. In the event that the Agent shall not be in compliance with such Tenant Selection Plan, VHDA shall have the right (in addition to any and all other rights of VHDA under the Regulatory Agreement, the Deed of Trust and other documents relating to the Mortgage Loan) to require that no further applications be accepted or acted upon by or on behalf of the Agent until and unless strict compliance with said Tenant Selection Plan shall have been instituted. In accordance with the Regulatory Agreement, the Agent further agrees as follows:

- (a) (i) The units in the Development that are subject to the extended low-income housing commitment required by subsection (h)(6) of Section 42 of the Internal Revenue Code of 1986, as heretofore and hereafter amended, or any successor provision, shall be occupied or held available for occupancy by individuals and families whose incomes do not exceed as of the date of their initial occupancy of such units the applicable income limitation under such commitment and (ii) the units (if any) in the Development that are not subject to such commitment (and, upon any termination of such commitment, all of the units in the Development) will be occupied or held available for occupancy by persons and families whose adjusted family incomes, as determined in accordance with VHDA's Rules and Regulations in effect on the date of such determination, do not exceed as of the date of their initial occupancy of such units one hundred fifty percent (150%) of the area median gross income as then determined by VHDA (without adjustments for family size).
- (b) The incomes of the persons and families occupying the units in the Development shall be subject to re-examination and redetermination as provided in the Regulatory Agreement and in VHDA's Rules and Regulations in effect on the date of such redetermination, and if the adjusted family income (as determined in accordance with VHDA's Rules and Regulations in effect on the date of such redetermination) of any such person or family exceeds one hundred fifty (150%) percent of the area median gross income as then determined by VHDA (without adjustments for family size), such person or family may be required by VHDA to pay a rental surcharge prescribed by VHDA or the tenancy of such person or family may be terminated, all in accordance with VHDA's Rules and Regulations then in effect; provided, however, that if the unit occupied by such person or family is subject to the requirements of section 42 of the Internal Revenue Code of 1986, as amended, the amount of such rental surcharge shall not cause the rent (including such surcharge and any utility allowance) to exceed the maximum rent that may be charged for the unit in order to continue to be treated as a "low-income unit" as defined in section 42(i)(3) of the Internal Revenue Code of 1986, as amended.
- (c) The Agent shall not, without the prior consent of the Owner and without determining that the sublessee or assignee is eligible under this Section 3.07, allow the subleasing of any unit in the Development or the assignment of any lease. VHDA may, at its option, require its consent prior to any such subleasing or assignment.

ARTICLE IV

- (a) The Agent shall collect, deposit, and disburse residents' security deposits in accordance with the terms of the respective leases, the Regulatory Agreement and Virginia law in amounts not in excess of the maximum amounts permitted by Virginia law or such lesser amounts as VHDA may, in its discretion, determine to be reasonable and affordable by the persons and families eligible for occupancy under Section 3.07 hereof.
- (b) Residents' security deposits shall be deposited by the Agent in an interest bearing account, separate from all other accounts and funds, with a bank or other financial institution whose deposits are insured by an agency of the United States Government, and interest due on said security deposit shall be reimbursed to each resident to the extent required by state law.
- (c) This account shall be carried in the Agent's name and shall be designated of record as being the Security Deposit Account of the Development.

- (b) Voluntary compliance shall be emphasized, and, if appropriate under the circumstances, the Agent shall counsel residents and make referrals to community agencies in cases of financial hardship or under other circumstances deemed appropriate by the Agent, so that involuntary termination of tenancies may be avoided to the maximum extent consistent with sound management of the Development. The Agent will not, however, tolerate willful evasion of payment of rent.

- (d) The Agent is authorized to consult with legal counsel designated by the Owner, to bring actions for eviction, and to execute notices to vacate and commence appropriate judicial proceedings; provided, however, that the Agent shall keep the Owner informed of such actions and shall follow such instructions as the Owner prescribes.

PURCHASE OPTION AND RIGHT OF FIRST REFUSAL AGREEMENT

This Purchase Option and Right of First Refusal Agreement (“Purchase Agreement”) is made as of the 15th day of January, 2015, by and between **NEW WARWICK TOWNHOMES, LLC**, a Virginia limited liability company (the “Company” index as **GRANTOR**), **SOUTHSIDE COMMUNITY DEVELOPMENT AND HOUSING CORPORATION**, a Virginia corporation (“Grantee” and index as **GRANTEE**), and Warwick Development Partners, LLC, a Virginia limited liability company (the “Managing Member”), and is consented to hereinbelow by Housing Equity Fund of Virginia XVIII, L.L.C., a Virginia limited liability company (the “Consenting Investor Member”).

Whereas, the Managing Member and one or more other parties, concurrently with the execution and delivery of this Purchase Agreement, are entering into a certain Amended and Restated Operating Agreement dated as of the date hereof (the “Agreement”) continuing the Company by amending and restating a prior operating agreement; and

Whereas, the Managing Member is 10% owned and controlled by SCD-Warwick, Inc., a Virginia corporation, which is wholly owned and controlled by Grantee; and

Whereas, Grantee has been instrumental in the development of the Project Property (as defined below), as described in the Agreement, and will act as guarantor of the obligations of the Managing Member in the continuation of the Company for the further development of the Project Property; and

Whereas, the Project Property is or will be subject to one or more governmental agency regulatory agreements (collectively, the “Regulatory Agreement”) restricting its use to low-income housing and may become subject to a low-income use restriction (the “Special Covenant”) pursuant to the terms and conditions of this Agreement (such use restrictions under the Regulatory Agreement and any Special Covenant being referred to collectively herein as the “Use Restrictions”); and

Whereas, Grantee and the Managing Member desire to provide for the continuation of the Project Property as low-income housing upon termination of the Company by Grantee purchasing the Project Property at the applicable price determined under this Purchase Agreement and operating the Project Property in accordance with the Use Restrictions; and

Whereas, as a condition precedent to the formation or continuation of the Company pursuant to the Agreement, Grantee and the Managing Member have negotiated and required that the Company shall execute and deliver this Purchase Agreement in order to provide for such low-income housing, and the Consenting Investor Member has consented to this Agreement in order to induce the Managing Member to execute and deliver this Purchase Agreement and to induce Grantee to guarantee the Managing Member's obligations thereunder;

Whereas, the Company and Grantee entered into a Right of First Refusal Agreement dated as of March 16, 2012 regarding the Project Property, which agreement was recorded on October 31, 2013 with the Clerk's Office of the City of Richmond, Virginia, as Instrument No. 13-24565, and the parties hereto intend that this Purchase Agreement is an amendment and restatement of such 2012 Right of First Refusal Agreement.

Now, Therefore, in consideration of the execution and delivery of the Agreement and the payment by the Grantee to the Company of Ten and No/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. **Grant of Option.** The Company hereby grants to Grantee an option (the "Option") to purchase the real estate, fixtures, and personal property comprising the Project Property or associated with the physical operation thereof, owned by the Company at the time of purchase (the "Property"), after the close of the fifteen (15) year compliance period for the low-income housing tax credit for the Project Property (the "Compliance Period") as determined under Section 42(i)(1) of the Internal Revenue Code of 1986, as amended (the "Code"), on the terms and conditions set forth in this Purchase Agreement and subject to the conditions precedent to exercise of the Option specified herein. The Project Property real estate is legally described in Exhibit B attached hereto and made a part hereof (the "Project Property"). The Regulatory Agreement containing the Use Restrictions to which the Project Property real estate will remain subject under Section 9 hereof.

2. **Grant of Refusal Right.** In the event that the Company receives a bona fide offer to purchase the Project Property, which offer the Company intends to accept, Grantee shall have a right of first refusal to purchase the Property (the "Refusal Right") after the close of the Compliance Period, on the terms and conditions set forth in this Agreement and subject to the conditions precedent to exercise of the Refusal Right specified herein. In addition to all other applicable conditions set forth in this Agreement, (a) the foregoing grant of the Refusal Right shall be effective only if Grantee is currently and remains at all times hereafter, until (i) the Refusal Right has been exercised and the resulting purchase and sale has been closed or (ii) the

Refusal Right has been assigned to a Permitted Assignee described in Section 10 hereof, whichever first occurs, a qualified nonprofit organization, as defined in Section 42(h) (5) (C) of the Code, and (b) any assignment of the Refusal Right permitted under this Agreement and the Refusal Right so assigned shall be effective only if the assignee is at the time of the assignment and remains at all times thereafter, until the Refusal Right has been exercised and the resulting purchase and sale has been closed, a Permitted Assignee described in Section 10 hereof meeting the requirements of Section 42(i)(7)(A) of the Code as determined in its judgment by tax counsel to the Consenting Investor Member. Prior to accepting any such bona fide offer to purchase the Property, the Company shall notify Grantee, the Managing Member, and the Consenting Investor Member of such offer and deliver to each of them a copy thereof. The Company shall not accept any such offer unless and until the Refusal Right has expired without exercise by Grantee under Section 6 hereof.

3. **Purchase Price Under Option.** The purchase price for the Property pursuant to the Option shall be the greater of the following amounts, subject to the proviso set forth hereinbelow:

a. **Debt and Taxes.** An amount sufficient (i) to pay all debts (including member loans) and liabilities of the Company upon its termination and liquidation as projected to occur immediately following the sale pursuant to the Option, and (ii) to distribute to the Members, after payments under Section 11.04(a) and (b) of the Agreement and payments to the Investor Member of an amount equal to any LIHTC Reduction Guaranty Payment, Unpaid LIHTC Shortfall or Investor Member Special Additional Capital Contribution, cash proceeds equal to the taxes projected to be imposed on the Members of the Company as a result of the sale pursuant to the Option, all as more fully stated in Sections of the Agreement, which is hereby incorporated herein by reference; or

b. **Fair Market Value.** The fair market value of the Property, appraised as low-income housing to the extent continuation of such use is required under the Use Restrictions, any such appraisal to be made by a licensed appraiser, selected by the Company's regular certified public accountants, who is a member of the Master Appraiser Institute and who has experience in the geographic area in which the Project Property is located;

provided, however, that if prior to exercise of the Option the Internal Revenue Service (the "Service") has issued a revenue ruling or provided a private letter ruling to the Company, the applicability of which ruling shall be determined in its judgment by tax counsel to the Consenting Investor Member, or tax counsel to the Consenting Investor Member has issued an opinion letter concluding that property of the nature and use of the Property may be sold under circumstances described in this Agreement at the greater of the price determined under Section 42(i) (7) of the Code or the price determined under subsection 3a hereinabove without limiting

tax credits or deductions that would otherwise be available to the Consenting Investor Member, then the Option price shall be such price.

4. **Purchase Price Under Refusal Right.** The purchase price for the Property pursuant to the Refusal Right shall be equal to the sum of (a) an amount sufficient to pay all debts (including member loans) and liabilities of the Company upon its termination and liquidation as projected to occur immediately following the sale pursuant to the Refusal Right, and (b) an amount sufficient to distribute to the Members, after payments under Section 11.04(a) and (b) of the Agreement and an amount equal to any LIHTC Reduction Guaranty Payment, Unpaid LIHTC Shortfall or Investor Member Special Additional Capital Contribution, cash proceeds equal to the taxes projected to be imposed on the Members of the Company as a result of the sale pursuant to the Refusal Right, all as more fully stated in Section 11.04 of the Agreement, which is hereby incorporated herein by reference.

5. **Conditions Precedent.** Notwithstanding anything in this Agreement to the contrary, the Option and the Refusal Right granted hereunder shall be contingent on the following:

a. **Managing Member.** The Managing Member shall have remained in good standing as Managing Member of the Company without the occurrence of any event of default under the Agreement; and

c. **Regulatory Agreement.** Either (i) the Regulatory Agreement shall have been entered into and remained in full force and effect, and those Use Restrictions to be contained therein, as heretofore approved in writing by the Consenting Investor Member, shall have remained unmodified without its prior written consent, or (ii) if the Regulatory Agreement is no longer in effect due to reasons other than a default thereunder by the Company, such Use Restrictions, as so approved and unmodified, shall have remained in effect by other means and shall continue in effect by inclusion in the deed as required under Paragraph 10 hereof.

If any or all of such conditions precedent have not been met, the Option and the Refusal Right shall not be exercisable. Upon any of the events terminating the Managing Member as Managing Member of the Company under the Agreement or affecting the Regulatory Agreement as described in this Section 5, the Option and the Refusal Right shall be void and of no further force and effect.

6. **Exercise of Option or Refusal Right.** The Option and the Refusal Right may each be exercised by Grantee by (a) giving prior written notice of its intent to exercise the Option or the Refusal Right to the Company and each of its Members in the manner provided in the Agreement and in compliance with the requirements of this Section 6, and (b) complying with the contract and closing requirements of Section 8 hereof. Any such notice of intent to exercise the Option shall be given during the last twelve (12) months of the Compliance Period. Any

such notice of intent to exercise the Refusal Right shall be given within one hundred eighty (180) days after Grantee has received the Company's notice of a bona fide offer pursuant to Section 2 hereof, but in no event later than one hundred eighty (180) days immediately following the end of the Compliance Period, notwithstanding any subsequent receipt by the Company of any such offer. In either case, the notice of intent shall specify a closing date within one hundred eighty (180) days immediately following the end of the Compliance Period. If the foregoing requirements (including those of Section 9 hereof) are not met as and when provided herein, the Option or the Refusal Right, or both, as applicable, shall expire and be of no further force or effect. Upon notice by Grantee of its intent to exercise the Option or the Refusal Right, all rights under the other shall be subordinate to the rights then being so exercised unless and until such exercise is withdrawn or discontinued, and upon the closing of any sale of the Property pursuant to such notice shall expire and be of no further force or effect, provided that in the event that the Option and the Refusal Right are hereafter held by different parties by reason of any permitted assignment or otherwise, Grantee in its assignment(s) or such parties by written agreement may specify any other order of priority consistent with the other terms and conditions of this Agreement.

7. **Determination of Price.** Upon notice by Grantee of its intent to exercise the Option or the Refusal Right, the Company and Grantee shall exercise best efforts in good faith to agree on the purchase price for the Property. Any such agreement shall be subject to the prior written consent of the Consenting Investor Member, which shall not be withheld as to any purchase price determined properly in accordance with this Agreement.

8. **Contract and Closing.** Upon determination of the purchase price, the Company and Grantee shall enter into a written contract for the purchase and sale of the Property in accordance with this Agreement and containing such other terms and conditions as are standard and customary for similar commercial transactions in the geographic area which the Project Property is located, providing for a closing not later than the date specified in Grantee's notice of intent to exercise of the Option or the Refusal Right, as applicable, or thirty (30) days after the purchase price has been determined, whichever is later. In the absence of any such contract, this Agreement shall be specifically enforceable upon the exercise of the Option or the Refusal Right, as applicable. The purchase and sale hereunder shall be closed through a deed-and-money escrow with the title insurer for the Project Property or another mutually acceptable title company.

9. **Use Restrictions.** In consideration of the Option and the Refusal Right granted hereunder at the price specified herein, Grantee hereby agrees that the deed of the Project Property to Grantee shall contain a covenant running with the land, restricting use of the Project Property to low-income housing to the extent required by those Use Restrictions contained in the Regulatory Agreement, as approved in writing by the Consenting Investor Member and unmodified without its prior written consent. Such deed covenant shall contain a reverter clause, enforceable by the Consenting Investor Member, its successors and assigns, in the event of material violation of such Use Restrictions. Such deed covenant shall include a provision

requiring Grantee to pay any and all costs, including attorneys' fees, incurred by the Consenting Investor Member or any other holder of such reverter rights in enforcing or attempting to enforce the Use Restrictions or such reverter rights, and to pay any and all damages incurred by the Consenting Investor Member from any delay in or lack of enforceability of the same. All reverter provisions contained in such deed and in this Agreement shall be subject and subordinate to any third-party liens encumbering the Project Property.

If prior to exercise of the Option or the Refusal Right, as applicable, the Service has issued a revenue ruling or provided a private letter ruling to the Company holding that a covenant of the nature described hereinbelow may be utilized without limiting tax credits or deductions that would otherwise be available to the Consenting Investor Member, the applicability of which ruling shall be determined by counsel to the Consenting Investor Member in its sole judgment, then as a condition of the Option and the Refusal Right, the deed to Grantee shall include a Special Covenant specifically restricting continued use of the Project Property to low-income housing as determined in accordance with the same low-income and maximum rent requirements (excluding any right under the Code to raise rents after notice to the applicable state or local housing credit agency if it is unable to find a buyer at the statutory price) as are currently specified in the Agreement with reference to the low-income housing tax credit (notwithstanding any future discontinuation of such credit or modification of federal requirements therefor), except insofar as more stringent use requirements are imposed by the Regulatory Agreement as approved by the Consenting Investor Member and unmodified without its prior written consent. The Special Covenant shall constitute part of the Use Restrictions. The Special Covenant may state that it is applicable and enforceable only to the extent such housing produces income sufficient to pay all operating expenses and debt service and fund customary reserves and there is a need for low-income housing in the geographic area in which the Project Property is located. The Special Covenant shall run with the land for a period of fifteen (15) years after closing of the purchase under the Option or the Refusal Right, as applicable, or, if longer, for the period measured by the then remaining period of Use Restrictions under the Regulatory Agreement, provided that the Special Covenant shall terminate at the option of any holder of the reverter rights described hereinabove, upon enforcement thereof.

In the event that neither the Option nor the Refusal Right is exercised, or the sale pursuant thereto is not consummated, then upon conveyance of the Project Property to anyone other than Grantee or its permitted assignee hereunder, the foregoing provisions shall terminate and have no further force or effect.

10. **Assignment.** Grantee may assign all or any of its rights under this Agreement to (a) a qualified nonprofit organization, as defined in Section 42(h) (5) (C) of the Code, (b) a government agency, or (c) a tenant organization (in cooperative form or otherwise) or resident management corporation of the Project Property (each a "Permitted Assignee") that demonstrates its ability and willingness to maintain the Project Property as low-income housing in accordance with the Use Restrictions, in any case subject to the prior written consent of the Consenting Investor Member, which shall not be unreasonably withheld if the proposed grantee

demonstrates that it is reputable and creditworthy and is a capable, experienced owner and operator of residential rental property, and subject in any event to the conditions precedent to the Refusal Right grant and the Option price set forth in Sections 2 and 3 hereof. Prior to any assignment or proposed assignment of its rights hereunder, Grantee shall give written notice thereof to the Company, the Managing Member, and the Consenting Investor Member. Upon any permitted assignment hereunder, references in this Agreement to Grantee shall mean the permitted Assignee where the context so requires, subject to all applicable conditions to the effectiveness of the rights granted under this Agreement and so assigned. No assignment of Grantee's rights hereunder shall be effective unless and until the permitted Assignee enters into a written agreement accepting the assignment and assuming all of Grantee's obligations under this Agreement and copies of such written agreement are delivered to the Company, the Managing Member, and the Consenting Investor Member. Except as specifically permitted herein, Grantee's rights hereunder shall not be assignable.

11. **Miscellaneous.** This Agreement shall be governed by the laws of the Commonwealth of Virginia. This Agreement may be executed in counterparts or counterpart signature pages, which together shall constitute a single agreement.

12. **Supersede Prior Agreement.** This Agreement replaces and supersedes in its entirety the Right of First Refusal Agreement dated as of March 16, 2012 regarding the Project Property, which agreement was recorded on October 31, 2013 with the Clerk's Office of the City of Richmond, Virginia, as Instrument No. 13-24565.

CONSTRUCTION INCENTIVE MANAGEMENT FEE AGREEMENT

THIS AGREEMENT entered into as of January 15, 2015, by and between New Warwick Townhomes, LLC, a Virginia limited liability company (the “Company”), and Warwick Development Partners, LLC, a Virginia limited liability company, as the Managing Member (the “Managing Member”).

WHEREAS, Managing Member and Housing Equity Fund of Virginia XVIII, L.L.C., a Virginia limited liability company (the “Investor Member”), as the Investor Member, have formed a limited liability company pursuant to Virginia Limited Liability Company Act (the “Act”), to be known as New Warwick Townhomes, LLC; and

WHEREAS, the Company has been formed to develop, construct, own, maintain and operate a 40-unit multifamily apartment complex intended for rental to low income families, to be known as Townhomes at Warwick Place, and to be located in Richmond, Virginia (the “Apartment Complex”); and

WHEREAS, the Company is governed by its Amended and Restated Operating Agreement of even date herewith (the “Operating Agreement”); and

WHEREAS, the Company desires that the Managing Member provide certain construction management services with respect to the business of the Company for the period commencing as of the date hereof and continuing throughout the final construction completion of the Project.

NOW, THEREFORE, in consideration of the foregoing, of the mutual promises of the parties hereto, and of other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the parties agree as follows:

1. Appointment. The Company hereby appoints the Managing Member to render services in managing and administering the construction of the Project during the construction of the Project and for as long as the Managing Member is the Managing Member of the Company as herein contemplated. The appointment of the Managing Member hereunder shall terminate on the earlier of (i) the date the Managing Member withdraws as the Managing Member of the Company, including, without limitation, its removal as Managing Member, or (ii) the final construction completion of Project.

2. Authority. In conformity with the provisions of the Operating Agreement, throughout the term of the construction of the Project, the Managing Member shall have the

authority and the obligation, which authority and obligation may, subject to the provisions of the Operating Agreement, be exercised by the Managing Member to:

(i) establish and implement appropriate administrative and financial controls for the design and construction of the Project, including but not limited to:

(A) coordination and administration of the Project architect, the general contractor, and other contractors, professionals and consultants employed in connection with the design or rehabilitation of the Project;

(B) participation in conferences and the rendering of such advice and assistance as will aid in developing economical, efficient and desirable design and construction procedures;

(C) the rendering of advice and recommendations as to the selection of subcontractors and suppliers in an effort to reduce the cost of construction while maintaining the aforesaid design and procedures; and

(D) the submission of any suggestions or requests for changes which could in any reasonable manner improve the design, efficiency or cost of the Project.

3. Fees. For services to be performed under this Construction Incentive Management Fee Agreement, the Company shall pay the Managing Member an amount, if any, equal to the positive difference, if any (the “Cost Savings”) between (i) the aggregate amount of Project Loan, Project grants and Capital Contributions actually disbursed to the Company; and (ii) total acquisition and rehabilitation or construction hard and soft costs (including capitalized reserves, loan interest and developer fee) of the Project (the “Development Costs”). If any dispute as to the determination of Cost Savings or Development Costs arises, the terms of the Operating Agreement shall govern as to the amount includable therein. Such payment shall be subject to the requirements of the Project Loans, if any, and the approval of the Agency and the Investor Member. Such payment will be made with the Sixth Capital Contribution of the Investor Member.

4. Withholding of Fee Payments. In the event that (i) the Managing Member or any successor Managing Member shall not have substantially complied with any material provisions under this Agreement and the Operating Agreement, or (ii) the Managing Member shall have withdrawn or been removed pursuant to Article 6 of the Operating Agreement, then such Managing Member shall be in default of this Agreement and the Company shall withhold payment of fees payable to such Managing Member pursuant to Section 3 of this Agreement.

All amounts so withheld by the Company under this Section 4 shall be promptly released to the Managing Member, only after the Managing Member has cured the default justifying the withholding, unless the Managing Member shall have been removed pursuant to the Operating Agreement, in which event this Agreement shall terminate in accordance with Section 5 below and all further obligations of the Company hereunder shall cease as of the date of such removal of the Managing Member.

5. Successors and Assigns; Termination. This Agreement shall be binding on the parties hereto, their heirs, successors and assigns. If the Company Interests of a Managing Member, as Managing Member, are transferred pursuant to Article IX of the Operating Agreement, further payment of the Construction Incentive Management Fee from the Company to such Managing Member pursuant to Section 3 above shall be governed by such Article IX, provided that such successor has assumed the obligations of the Managing Member hereunder pursuant to an assumption agreement in form acceptable to the Investor Member. The parties hereto may terminate this Agreement upon mutual consent to do so.

6. Defined Terms. Capitalized terms used in this Agreement and not specifically defined herein shall have the same meanings assigned to them as in the Operating Agreement.

7. Separability of Provisions. Each provision of this Agreement shall be considered separable and if for any reason any provision which is not essential to the effectuation of the basic purposes of this Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement which are valid.

8. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original copy and all of which together shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties shall not have signed the same counterpart.

9. No Continuing Waiver. The waiver of any party of any breach of this Agreement shall not operate or be construed to be a waiver of any subsequent breach.

10. Applicable Law. This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia.

11. Third Party Beneficiary. Investor Member is a third party beneficiary of this Agreement, and the Company and Managing Member hereby expressly agree that any amendment to this Agreement shall not be effective unless and until same is consented to by Investor Member.

Any portion of the structure that is commercial space, including, but not limited to, the commercial space identified in numeral (iii) above, shall not be eligible for the exemption. Any residential space identified in numeral (iii) above or multifamily dwelling identified in numeral ~~[(v)]~~ (iv) above that does not meet the minimum percentage set forth in ~~[numeral (v)]~~

numerals (iii) or (iv) above [or], that exceeds the [maximum percentage or] maximum rent set forth in [numeral (v)] numerals (iii) or (iv) above or that does not have the dwelling units in such residential space or the dwelling units in such multifamily dwelling interspersed among dwelling units offered for rent to individuals or families making more than 60 percent of the area median income for the Richmond-Petersburg Metropolitan Statistical Area shall not be eligible for this exemption. In addition, the new structure and other improvement, if any, must be built on a lot that has been vacant for at least two years prior to the date upon which an application for the partial tax exemption established by this division is filed. However, a new structure or other improvement built on a lot that has become vacant as a result of the demolition of a structure or other improvement at the expense of the City shall be exempted from the requirement that such lot be vacant for at least two years prior to the date upon which an application for the partial tax exemption established by this division is filed.

(b) In order for the partial exemption for a property to continue in effect, such property shall be maintained in compliance with the provisions of the Virginia Uniform Statewide Building Code. If, after receiving notice of a violation of this section, the owner of the property fails or refuses to complete the necessary corrections within the time required for such action, or refuses city inspectors or city appraisers access to such property for the purpose of determining continued eligibility under this section, then such eligibility shall terminate.

(c) The new structure and other improvements, if any, must be completed within two years after the date the building permit applied for in accordance with this division has been issued.

(d) The new structure and other improvements, if any, must be in conformity with the general character and quality of the existing structures in the surrounding community, as determined by the City Assessor.

(e) In order for a partial exemption granted for a rental property used as a single-family dwelling with a fully executed lease agreement containing a rent to buy option to remain in effect, the property must be purchased within the first three years of the exemption by an individual who will occupy the property. If a rental property used as a single-family dwelling with a fully executed lease agreement containing a rent to buy option is not purchased within the first three years of the exemption by an individual who will occupy the property, the partial exemption for the property will terminate after the third year. It shall be the responsibility of the purchaser to provide proof of the closing date and the purchaser's ownership to the City Assessor so that the Assessor can note the continuation of the partial exemption on the land book. Absent any evidence submitted by a purchaser showing that a rental property used as a single-family dwelling with a fully executed lease agreement containing a rent to buy option has been purchased within the first three years of the exemption by an individual that will occupy the property, the City Assessor shall remove the partial exemption from the land book after the third year.

(f) In order to retain the partial exemption for which this division provides, each owner of real property which has qualified for partial exemption of real estate taxes under this division shall file a renewal application with the City Assessor on forms to be prescribed by the City Assessor, and any other documentation as may be required by the City Assessor, by no later than ~~December 1~~ January 1 of each year of the exemption period until such partial exemption

expires or is otherwise terminated for failure to comply with the requirements of this division or other applicable law. The partial exemption for which this division provides shall terminate if any owner of real property fails to comply with the requirements of this subsection. In the case of any such termination of the partial exemption for which this division provides, the partial exemption for the tax year [~~immediately following the tax year~~] in which the date upon which the renewal application is due falls and for all subsequent tax years remaining in the exemption period for such real property shall be forfeited and the credit for the tax year [~~immediately following the tax year~~] in which the date upon which the renewal application is due falls and for all subsequent tax years remaining in the exemption period shall be canceled and shall be of no effect.

Sec. ~~[98-264]~~ 26-583. Application.

(a) There shall be no order of partial exemption from real property tax under this division for real property (i) whose owner or such owner's agent has not submitted an application to the City Assessor for partial tax exemption in accordance with this division prior to construction, (ii) whose owner has failed to pay any amount of nonexempt real estate taxes, (iii) that is not within a redevelopment or conservation area or rehabilitation district established in the city, (iv) whose owner has failed to submit design plans to the City Assessor^[5] or (v) that is receiving any other real estate tax exemption authorized by this Code [~~or (vi) that has qualified for an IRS-42 low income housing tax credit~~].

(b) As a prerequisite for qualifying for partial tax exemption under this division, the owner or agent of the owner of such property shall file an application for partial exemption of real property from taxation with the City Assessor simultaneously with making application for a

building permit and prior to any work being started on the subject property. Each application for such exemption shall be accompanied by a processing fee in the amount of \$125.00. No property shall be eligible for such exemption unless all appropriate building permits have been acquired and the City Assessor has verified that the new structure or other improvements indicated on the application has been completed and a certificate of occupancy has been issued. Furthermore, no property shall be eligible for such exemption if the City Assessor has been denied access to the entire premises before, during or after the work for which a partial exemption has been applied, for purposes of determining whether the new structure or other improvements have been completed and for appraising the property.

(c) The applicant shall bear the burden of proof to show that the property for which a partial exemption has been applied complies with all requirements established by this division. The City Assessor may require documented proof of eligibility and compliance with the requirements of this division, and, in such cases, the applicant shall present documentation satisfactory to the City Assessor.

Sec. ~~98-265~~ 26-584. Amount of exemption; basis for taxes during construction.

(a) ~~[With the exception of the phase-out period provided herein, the]~~ The amount of the partial exemption from real property taxation provided for by this division shall be an amount equal to the increase in assessed value resulting from the completed construction of the new structure or other improvement to the real property as determined by the City Assessor. This amount only, on a fixed basis, shall constitute the exemption, notwithstanding subsequent market appreciation or depreciation, assessment, reassessment or future improvements. In no event shall the exemption exceed the increase in assessed value ~~[or the percentage of such increase]~~

resulting from the construction of the new structure or other improvement to the real estate as determined by the City Assessor. The exemption shall commence on January 1 of the year following completion of the new construction or improvements[;] and shall run with the real estate [~~and phase out as follows~~] for ten years. [~~For the first five years following January 1 of the year following completion of the new construction or improvements the exemption will remain at 100 percent; in years six through ten following January 1 of the year following completion of the new construction or improvements the exemption shall phase out by 20 percent each year as illustrated below until year ten when the exemption shall end:~~

Year	Portion of Exemption Received (%)
6	80

8	40
9	20
10	0]

(b) No partial exemption under this division shall be ordered during the construction phase of the new structure or other improvements. Prior to completion of the new structure or other improvements, taxes shall be based upon the full assessed value of the property when assessed.

§ 2. This ordinance shall be in force and effect upon adoption.

TITLE Amendment to the Exemption in Redevelopment or Conservation Areas or Rehabilitation Districts Program

RECEIVED

OCT 28 2015

OFFICE OF CITY ATTORNEY

This is a request for the drafting of an **Ordinance** **Resolution**

REQUESTING COUNCILMEMBER/PATRON

Councilwoman Robertson

SUGGESTED STANDING COMMITTEE

Finance & Economic Development

ORDINANCE/RESOLUTION SUMMARY

The patron requests an ordinance to amend City Code § 98-263 to modify the eligibility of residential real property for partial tax exemption, the application requirements for such exemption, the amount of such exemption, adjusting applicable threshold requirements, adding maximum rent limits for certain dwelling units, and providing the City Assessor authority to create and administer an annual verification process.

BACKGROUND

Under current City Code the Partial Tax Exemption in Redevelopment and Conservation Areas and Rehabilitation Districts, developers of multi-family dwelling units could receive partial tax exemption on construction of all units that exceed 8 units so long as the requirements under numeral (v) are met. Currently, to qualify the developer, a minimum of 15 percent to a maximum of 50 percent of the units, shall provide housing restricted to individuals or families making up to 80 percent of the area median income for the Richmond-Petersburg Metropolitan Statistical Area (MSA).

The patron believes that the proposed amendments below will provided more incentive to build affordable dwelling units and increase mixed income development.

The patron wishes to amend the City Code to reflect the below changes:

- City Code Sec. 98-263: (iii) a structure used a commercial space only on the street level and residential space on the upper remaining levels, ~~(iv)~~ or a multifamily dwelling of up to eight units or ~~(v)~~ a multi-family dwelling of more than eight units, a minimum of ~~15~~ 30 percent to a maximum of 50 percent of which provides housing restricted to individuals or families making up to ~~80~~ 60 percent of the area median income for the Richmond-Petersburg Metropolitan Statistical Area.
 - The threshold requirements and income restrictions are to apply to both mixed use development as indicated in (iii) and to all multifamily dwelling development regardless of the number of units.
 - The change to a minimum of 30 percent of the housing units designated as affordable housing is to encourage developer commitment to affordable housing and allow for the developers to receive full ordinance benefits on all housing units, including those not designated as affordable housing units.
 - The change to 60 percent of the area median income is because the 60 percent AMI rent level is most consistent with HUD/VHDA rental program requirements for affordable housing.
- Establishing a maximum rent limit for the restricted units whereas the maximum rent to be charged is:
 - 1.) A rent that does not exceed 30 percent of the income of a family whose annual income equals 60 percent of the median income for the Richmond-Petersburg Metropolitan area.
- Add a requirement that the restricted units must be dispersed throughout the building.
- The amount of exemption shall be a full ten years at 100% exemption.

	Current Code	Amendment
Year	Portion of Exemption Received (%)	Portion of Exemption Received (%)
Year 1	100	100
Year 2	100	100
Year 3	100	100
Year 4	100	100
Year 5	100	100
Year 6	80	100
Year 7	60	100
Year 8	40	100
Year 9	20	100
Year 10	0	100

- Provide the City Assessor authority to create and administer an annual verification process. This would be to allow the City Assessor to annually verify adherence to the requirements for the units.
- Eliminate City Code § 98-264(a)(vi), "that has qualified for an IRS-42 low income housing tax credit."

Supportive Housing
Certification

VHDA Permanent Supportive Housing Services Certification

Permanent Supportive Housing is housing consisting of units designated for individuals or families that are homeless, at-risk of homelessness or who have multiple barriers to independent living.

Best practices are described by the U.S. Department of Health and Human Services:
<http://store.samhsa.gov/shin/content/SMA10-4510/SMA10-4510-06-BuildingYourProgram-PSH.pdf>

For consideration, provide all of the following:

1. Attach a list of developments for which you've provided permanent supportive housing services. Describe the types of services that were provided.
2. A signed copy of an MOU with a local service provider agency(ies). If no MOU exists, the service provider must sign this certification. If neither is available, provide an explanation for the lack of demonstrated partnership and describe how the property will receive referrals and from whom the residents will receive services.

3. Describe your target population(s).

Low Income Individuals	
Physically Disabled	

4. List the types of supportive services to be offered.

Independent Living Skills	Rental Counselor
Eviction Prevention	Community Engagement
Financial Coaching	Assistance with Employment

5. Who will be providing supportive services?

Southside Community Development and Housing Corp.	

6. What percentage of the total number of units will be marketed to and held available for tenants in need of supportive services?

15 _____ %

In addition, /we certify the following:

Services

Tenant choice. Supportive housing tenants will have choices in what support services they receive (i.e. not a limited menu of services). Individual Support Plans will reflect tenant-defined needs and preferences. As supportive service tenants' needs change over time, tenants can receive more or less intensive support services.

Assertive outreach and engagement. The service team will use a variety of outreach and engagement techniques to bring tenants into helping relationships.

Case management. Case managers will serve as the bridge between tenants and the supports that help them achieve stability and long-term tenancy.

Recovery supports. Services will include at least one of the following:

- Mainstream supports, e.g., income supports from public benefits programs, healthcare from hospitals and clinics and employment help from vocational agencies
- Specialized supports, e.g., life skills training, budgeting, medication management and behavioral health treatment
- Natural supports, e.g., connections with peers, family, community and faith communities

Housing

Tenant choice. Supportive housing tenants will be able to choose where they want to live. Tenants cannot be evicted from their housing for rejecting services.

Access. Supportive housing units will be available to people who are experiencing homelessness, are precariously housed and/or who have multiple barriers to housing stability, including disabilities and substance abuse.

Quality. Supportive housing units will be similar to other units in the project.

Integration. Supportive housing tenants with disabilities will have a right to receive housing and supportive services in the most integrated settings available, including in buildings that include neighbors who do not have disabilities and where there is access to an array of community services and resources used by people with and without disabilities.

Rights of tenancy. Supportive housing tenant leases or subleases will confer full rights of tenancy, including limitations on landlords' entry into the property and the right to challenge eviction in landlord-tenant court. Tenants can remain in their homes as long as the basic requirements of tenancy are met—paying the rent, not interfering with other tenants' use of their homes, not causing property damage, etc. House rules, if any, are similar to those found in other housing.

Affordability. Supportive housing tenants should pay no more than 30% of their incomes toward rent and basic utilities.

Coordination between housing and services. Property managers and support service staff will stay in regular communication and coordinate their efforts to help prevent evictions and to ensure tenants facing eviction have access to necessary services and supports.

Delineated roles. There will be a functional separation of roles, with the housing elements (rent collection, property maintenance, enforcement of responsibilities of tenancy) carried out by different staff than those providing services (case management, mental health treatment, wraparound services)

The undersigned Owner certifies that each of the above statements is true and correct.

I/We agree that the commitment to provide supportive housing will remain in place throughout the Compliance Period (as described in the Extended Use Agreement).

PURCHASE OPTION AND RIGHT OF FIRST REFUSAL AGREEMENT

This Purchase Option and Right of First Refusal Agreement (“Purchase Agreement”) is made as of the 1st day of March, 2021, by and between **LIBERTY TOWNHOMES LLC**, a Virginia limited liability company (the “Company” index as **GRANTOR**), **SOUTHSIDE COMMUNITY DEVELOPMENT AND HOUSING CORPORATION**, a Virginia corporation (“Grantee” and index as **GRANTEE**), and Liberty Development Partners LLC, a Virginia limited liability company (the “Managing Member”), and is consented to hereinbelow by Housing Equity Fund of Virginia XXV, L.L.C., a Virginia limited liability company, and/or its assigns (the “Consenting Investor Member”).

Whereas, the Managing Member and one or more other parties, concurrently with the execution and delivery of this Purchase Agreement, are entering into a certain Amended and Restated Operating Agreement dated as of the date hereof (the “Agreement”) continuing the Company by amending and restating a prior operating agreement; and

Whereas, the Managing Member is 10% owned and controlled by SCD-Warwick, Inc., a Virginia corporation, which is wholly owned and controlled by Grantee; and

Whereas, Grantee has been instrumental in the development of the Project Property (as defined below), as described in the Agreement, and will act as guarantor of the obligations of the Managing Member in the continuation of the Company for the further development of the Project Property; and

Whereas, the Project Property is or will be subject to one or more governmental agency regulatory agreements (collectively, the “Regulatory Agreement”) restricting its use to low-income housing and may become subject to a low-income use restriction (the “Special Covenant”) pursuant to the terms and conditions of this Agreement (such use restrictions under the Regulatory Agreement and any Special Covenant being referred to collectively herein as the “Use Restrictions”); and

Whereas, Grantee and the Managing Member desire to provide for the continuation of the Project Property as low-income housing upon termination of the Company by Grantee purchasing the Project Property at the applicable price determined under this Purchase Agreement and operating the Project Property in accordance with the Use Restrictions; and

Whereas, as a condition precedent to the formation or continuation of the Company pursuant to the Agreement, Grantee and the Managing Member have negotiated and required that the Company shall execute and deliver this Purchase Agreement in order to provide for such low-income housing, and the Consenting Investor Member has consented to this Agreement in order to induce the Managing Member to execute and deliver this Purchase Agreement and to induce Grantee to guarantee the Managing Member's obligations thereunder;

Now, Therefore, in consideration of the execution and delivery of the Agreement and the payment by the Grantee to the Company of Ten and No/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. **Grant of Option**. The Company hereby grants to Grantee an option (the "Option") to purchase the real estate, fixtures, and personal property comprising the Project Property or associated with the physical operation thereof, owned by the Company at the time of purchase (the "Property"), after the close of the fifteen (15) year compliance period for the low-income housing tax credit for the Project Property (the "Compliance Period") as determined under Section 42(i)(1) of the Internal Revenue Code of 1986, as amended (the "Code"), on the terms and conditions set forth in this Purchase Agreement and subject to the conditions precedent to exercise of the Option specified herein. The Project Property real estate is legally described in Exhibit B attached hereto and made a part hereof (the "Project Property"). The Regulatory Agreement containing the Use Restrictions to which the Project Property real estate will remain subject under Section 9 hereof.

2. **Grant of Refusal Right**. In the event that the Company receives a bona fide offer to purchase the Project Property, which offer the Company intends to accept, Grantee shall have a right of first refusal to purchase the Property (the "Refusal Right") after the close of the Compliance Period, on the terms and conditions set forth in this Agreement and subject to the conditions precedent to exercise of the Refusal Right specified herein. In addition to all other applicable conditions set forth in this Agreement, (a) the foregoing grant of the Refusal Right shall be effective only if Grantee is currently and remains at all times hereafter, until (i) the Refusal Right has been exercised and the resulting purchase and sale has been closed or (ii) the Refusal Right has been assigned to a Permitted Assignee described in Section 10 hereof, whichever first occurs, a qualified nonprofit organization, as defined in Section 42(h)(5)(C) of the Code, and (b) any assignment of the Refusal Right permitted under this Agreement and the Refusal Right so assigned shall be effective only if the assignee is at the time of the assignment and remains at all times thereafter, until the Refusal Right has been exercised and the resulting purchase and sale has been closed, a Permitted Assignee described in Section 10 hereof meeting the requirements of Section 42(i)(7)(A) of the Code as determined in its judgment by tax counsel to the Consenting Investor Member. Prior to accepting any such bona fide offer to purchase the Property, the Company shall notify Grantee, the Managing Member, and the Consenting Investor Member of such offer and deliver to each of them a copy thereof. The Company shall not accept any such offer unless and until the Refusal Right has expired without exercise by Grantee under Section 6 hereof.

3. **Purchase Price Under Option.** The purchase price for the Property pursuant to the Option shall be the greater of the following amounts, subject to the proviso set forth hereinbelow:

a. **Debt and Taxes.** An amount sufficient (i) to pay all debts (including member loans) and liabilities of the Company upon its termination and liquidation as projected to occur immediately following the sale pursuant to the Option, and (ii) to distribute to the Members, after payments under Section 11.04(a) and (b) of the Agreement and payments to the Investor Member of an amount equal to any LIHTC Reduction Guaranty Payment, Unpaid LIHTC Shortfall or Investor Member Special Additional Capital Contribution, cash proceeds equal to the taxes projected to be imposed on the Members of the Company as a result of the sale pursuant to the Option, all as more fully stated in Sections of the Agreement, which is hereby incorporated herein by reference; or

b. **Fair Market Value.** The fair market value of the Property, appraised as low-income housing to the extent continuation of such use is required under the Use Restrictions, any such appraisal to be made by a licensed appraiser, selected by the Company's regular certified public accountants, who is a member of the Master Appraiser Institute and who has experience in the geographic area in which the Project Property is located;

provided, however, that if prior to exercise of the Option the Internal Revenue Service (the "Service") has issued a revenue ruling or provided a private letter ruling to the Company, the applicability of which ruling shall be determined in its judgment by tax counsel to the Consenting Investor Member, or tax counsel to the Consenting Investor Member has issued an opinion letter concluding that property of the nature and use of the Property may be sold under circumstances described in this Agreement at the greater of the price determined under Section 42(i)(7) of the Code or the price determined under subsection 3a hereinabove without limiting tax credits or deductions that would otherwise be available to the Consenting Investor Member, then the Option price shall be such price.

4. **Purchase Price Under Refusal Right.** The purchase price for the Property pursuant to the Refusal Right shall be equal to the sum of (a) an amount sufficient to pay all debts (including member loans) and liabilities of the Company upon its termination and liquidation as projected to occur immediately following the sale pursuant to the Refusal Right, and (b) an amount sufficient to distribute to the Members, after payments under Section 11.04(a) and (b) of the Agreement and an amount equal to any LIHTC Reduction Guaranty Payment, Unpaid LIHTC Shortfall or Investor Member Special Additional Capital Contribution, cash proceeds equal to the taxes projected to be imposed on the Members of the Company as a result of the sale pursuant to the Refusal Right, all as more fully stated in Section 11.04 of the Agreement, which is hereby incorporated herein by reference.

5. **Conditions Precedent.** Notwithstanding anything in this Agreement to the contrary, the Option and the Refusal Right granted hereunder shall be contingent on the following:

a. **Managing Member.** The Managing Member shall have remained in good standing as Managing Member of the Company without the occurrence of any event of default under the Agreement; and

c. **Regulatory Agreement.** Either (i) the Regulatory Agreement shall have been entered into and remained in full force and effect, and those Use Restrictions to be contained therein, as heretofore approved in writing by the Consenting Investor Member, shall have remained unmodified without its prior written consent, or (ii) if the Regulatory Agreement is no longer in effect due to reasons other than a default thereunder by the Company, such Use Restrictions, as so approved and unmodified, shall have remained in effect by other means and shall continue in effect by inclusion in the deed as required under Paragraph 10 hereof.

If any or all of such conditions precedent have not been met, the Option and the Refusal Right shall not be exercisable. Upon any of the events terminating the Managing Member as Managing Member of the Company under the Agreement or affecting the Regulatory Agreement as described in this Section 5, the Option and the Refusal Right shall be void and of no further force and effect.

6. **Exercise of Option or Refusal Right.** The Option and the Refusal Right may each be exercised by Grantee by (a) giving prior written notice of its intent to exercise the Option or the Refusal Right to the Company and each of its Members in the manner provided in the Agreement and in compliance with the requirements of this Section 6, and (b) complying with the contract and closing requirements of Section 8 hereof. Any such notice of intent to exercise the Option shall be given during the last twelve (12) months of the Compliance Period. Any such notice of intent to exercise the Refusal Right shall be given within one hundred eighty (180) days after Grantee has received the Company's notice of a bona fide offer pursuant to Section 2 hereof, but in no event later than one hundred eighty (180) days immediately following the end of the Compliance Period, notwithstanding any subsequent receipt by the Company of any such offer. In either case, the notice of intent shall specify a closing date within one hundred eighty (180) days immediately following the end of the Compliance Period. If the foregoing requirements (including those of Section 9 hereof) are not met as and when provided herein, the Option or the Refusal Right, or both, as applicable, shall expire and be of no further force or effect. Upon notice by Grantee of its intent to exercise the Option or the Refusal Right, all rights under the other shall be subordinate to the rights then being so exercised unless and until such exercise is withdrawn or discontinued, and upon the closing of any sale of the Property pursuant to such notice shall expire and be of no further force or effect, provided that in the event that the Option and the Refusal Right are hereafter held by different parties by reason of any permitted assignment or otherwise, Grantee in its assignment(s) or such parties by written agreement may specify any other order of priority consistent with the other terms and conditions of this Agreement.

7. **Determination of Price.** Upon notice by Grantee of its intent to exercise the Option or the Refusal Right, the Company and Grantee shall exercise best efforts in good faith to agree on the purchase price for the Property. Any such agreement shall be subject to the prior written consent of the Consenting Investor Member, which shall not be withheld as to any purchase price determined properly in accordance with this Agreement.

8. **Contract and Closing.** Upon determination of the purchase price, the Company and Grantee shall enter into a written contract for the purchase and sale of the Property in accordance with this Agreement and containing such other terms and conditions as are standard and customary for similar commercial transactions in the geographic area which the Project Property is located, providing for a closing not later than the date specified in Grantee's notice of intent to exercise of the Option or the Refusal Right, as applicable, or thirty (30) days after the purchase price has been determined, whichever is later. In the absence of any such contract, this Agreement shall be specifically enforceable upon the exercise of the Option or the Refusal Right, as applicable. The purchase and sale hereunder shall be closed through a deed-and-money escrow with the title insurer for the Project Property or another mutually acceptable title company.

9. **Use Restrictions.** In consideration of the Option and the Refusal Right granted hereunder at the price specified herein, Grantee hereby agrees that the deed of the Project Property to Grantee shall contain a covenant running with the land, restricting use of the Project Property to low-income housing to the extent required by those Use Restrictions contained in the Regulatory Agreement, as approved in writing by the Consenting Investor Member and unmodified without its prior written consent. Such deed covenant shall contain a reverter clause, enforceable by the Consenting Investor Member, its successors and assigns, in the event of material violation of such Use Restrictions. Such deed covenant shall include a provision requiring Grantee to pay any and all costs, including attorneys' fees, incurred by the Consenting Investor Member or any other holder of such reverter rights in enforcing or attempting to enforce the Use Restrictions or such reverter rights, and to pay any and all damages incurred by the Consenting Investor Member from any delay in or lack of enforceability of the same. All reverter provisions contained in such deed and in this Agreement shall be subject and subordinate to any third-party liens encumbering the Project Property.

If prior to exercise of the Option or the Refusal Right, as applicable, the Service has issued a revenue ruling or provided a private letter ruling to the Company holding that a covenant of the nature described hereinbelow may be utilized without limiting tax credits or deductions that would otherwise be available to the Consenting Investor Member, the applicability of which ruling shall be determined by counsel to the Consenting Investor Member in its sole judgment, then as a condition of the Option and the Refusal Right, the deed to Grantee shall include a Special Covenant specifically restricting continued use of the Project Property to low-income housing as determined in accordance with the same low-income and maximum rent requirements (excluding any right under the Code to raise rents after notice to the applicable state or local housing credit agency if it is unable to find a buyer at the statutory price) as are currently specified in the Agreement with reference to the low-income housing tax credit (notwithstanding any future discontinuation of such credit or modification of federal requirements therefor), except insofar as more stringent use requirements are imposed by the Regulatory Agreement as approved by the Consenting Investor Member and unmodified without its prior written consent. The Special Covenant shall constitute part of the Use Restrictions. The Special Covenant may state that it is applicable and enforceable only to the extent such housing produces income sufficient to pay all operating expenses and debt service and fund customary reserves and there is a need for low-income housing in the geographic area in which the Project Property is located. The Special Covenant shall run with the land for a period of fifteen (15) years after closing of the purchase under the Option or the Refusal Right, as applicable, or, if longer, for the period measured by the then remaining period of Use Restrictions

under the Regulatory Agreement, provided that the Special Covenant shall terminate at the option of any holder of the reverter rights described hereinabove, upon enforcement thereof.

In the event that neither the Option nor the Refusal Right is exercised, or the sale pursuant thereto is not consummated, then upon conveyance of the Project Property to anyone other than Grantee or its permitted assignee hereunder, the foregoing provisions shall terminate and have no further force or effect.

10. **Assignment**. Grantee may assign all or any of its rights under this Agreement to (a) a qualified nonprofit organization, as defined in Section 42(h)(5)(C) of the Code, (b) a government agency, or (c) a tenant organization (in cooperative form or otherwise) or resident management corporation of the Project Property (each a “Permitted Assignee”) that demonstrates its ability and willingness to maintain the Project Property as low-income housing in accordance with the Use Restrictions, in any case subject to the prior written consent of the Consenting Investor Member, which shall not be unreasonably withheld if the proposed grantee demonstrates that it is reputable and creditworthy and is a capable, experienced owner and operator of residential rental property, and subject in any event to the conditions precedent to the Refusal Right grant and the Option price set forth in Sections 2 and 3 hereof. Prior to any assignment or proposed assignment of its rights hereunder, Grantee shall give written notice thereof to the Company, the Managing Member, and the Consenting Investor Member. Upon any permitted assignment hereunder, references in this Agreement to Grantee shall mean the permitted Assignee where the context so requires, subject to all applicable conditions to the effectiveness of the rights granted under this Agreement and so assigned. No assignment of Grantee’s rights hereunder shall be effective unless and until the permitted Assignee enters into a written agreement accepting the assignment and assuming all of Grantee’s obligations under this Agreement and copies of such written agreement are delivered to the Company, the Managing Member, and the Consenting Investor Member. Except as specifically permitted herein, Grantee’s rights hereunder shall not be assignable.

11. **Miscellaneous**. This Agreement shall be governed by the laws of the Commonwealth of Virginia. This Agreement may be executed in counterparts or counterpart signature pages, which together shall constitute a single agreement.

The Internet might seem intimidating at first - a vast global communications network with billions of webpages. But in this lesson, we simplify and explain the basics about the Internet using a conversational non-technical style to make it understandable, useful, and enjoyable. There's no reason to be left out!

Basic Internet Skills

Microsoft Windows PCs

www.NetLiteracy.org

What the Internet is:

The Internet, the web, cyberspace, and the 'net are all terms that generally mean the same thing, in this case, we will call it the Internet. The Internet is a **NET**work of computers, all over the world, **INTER**connected to each other and available to any individual. The Internet is used for many different activities including shopping, communicating, learning, and distributing information.

Unfortunately, you cannot open a door to a house and walk outside to “go into the Internet.” Computers are a primary tool you’ll utilize to use the Internet. The Internet is somewhat difficult to describe because you cannot touch it (in a way similar to software). It seems invisible—only computers can see it – and you can see it through a computer. Sometimes the Internet is best described in comparison to a library. The Internet is made up of many individual components, just like a library is made up of many books. The Internet’s components have even more individual parts, just like a book has pages.

Changing Constantly:

The Internet is a useful source of information about news, sports, and entertainment because it changes along with the minute-by-minute events that occur in the world brings. This might seem confusing. However, it is not

necessarily so—the Internet can be thought of as a “dynamic” living organism that changes and adapts to its environment. The Internet changes very quickly—just watching a 24 hour news channel on the television. The content on some websites is updated every few seconds.

Purpose / Content of Websites

On the Internet, there are many websites. These are usually made for one specific purpose; they range from informing you about the news to teaching you how to cook.

The best analogy of a website is a comparison to an entire book or an entire newspaper. Websites are made up of “pages,” just like newspapers and books.

Websites are usually independent, however sometimes they are linked together by hyperlinks (also called links) that allow you to jump from one website to another website. These links allow you to “turn the page,” and move around on the Internet. They are usually underlined and **blue**, however they can be any color and or even a picture. How

do you identify a hyperlink? When your mouse hovers over a hyperlink, the arrow changes into a pointing hand.

Webpages are what you see and read on the Internet. They are primarily made up of text (words), digital media (pictures, movies, and music), and hyperlinks. The Internet, unlike a book or newspaper, is in no order, and can seem slightly confusing at first. However, there are tools on the Internet that help organize it and will allow you to use it comfortably and easily.

Applications to Access the Internet

On the computer, you use a program to see the Internet. The program is called a web browser — you “browse” the web with it. Some common brands of web browsers include Internet Explorer, Firefox, and Chrome. They serve the same purpose, navigating the internet, and also have many of the same buttons. For instance, we will take a look at a generic browser’s buttons. You will use these buttons to navigate around the Internet. Sometimes extra buttons might be added, while other times, buttons might have been moved around on the toolbar. If you cannot find a button, just ask someone (they seem to be pretty tricky when they hide from you).

The Buttons

The Back Button – This button allows you to return to the last webpage that you last visited. It is most often used if you accidentally click on a link and wish to return to your previous page.

The Forward Button – If you clicked the back button, you don't have to hunt for the hyperlink on the webpage to return to the previous webpage. Just click on the forward button to return to the previous page that you were at before you pressed the back button.

Note: If the forward button is "grayed out" and when you click on it, nothing happens, this means that it is disabled.

The Refresh Button – This button is useful if you are looking at pages that contain content that is updated more frequently, such as the news, sports scores, or the weather. By clicking on the refresh button, the web page loads again, and is updated with the latest information.

The Home Button - When you open your web browser, the first website that is displayed is your **homepage**. You can change your homepage to fit your preferences. When you click on the home button, it takes you to your homepage.

The Address Box

The Address Box – This displays the URL of a webpage. URL stands for Universal Resource Locator, which is a unique address for each webpage – just like your own home’s address is unique. You can type a specific URL into the address box by left clicking in the box once and then typing. Although URLs are all different, they share common characteristics. The basic diagram of a URL is shown below.

http://www.google.com

Http:// - Begins most web addresses. Tells the internet browser what protocol to use.

www- Stands for “World Wide Web.” Most web addresses have it although it is not necessary. It indicates a web page.

.(dot)- Separates parts of the address so it does not all run together and the computer can distinguish the different parts of the address.

Domain name- Example: “Google” – A series of numbers, letters or hyphens “-” that identifies the owner of the address.

“.” (dot)- See previous Definition

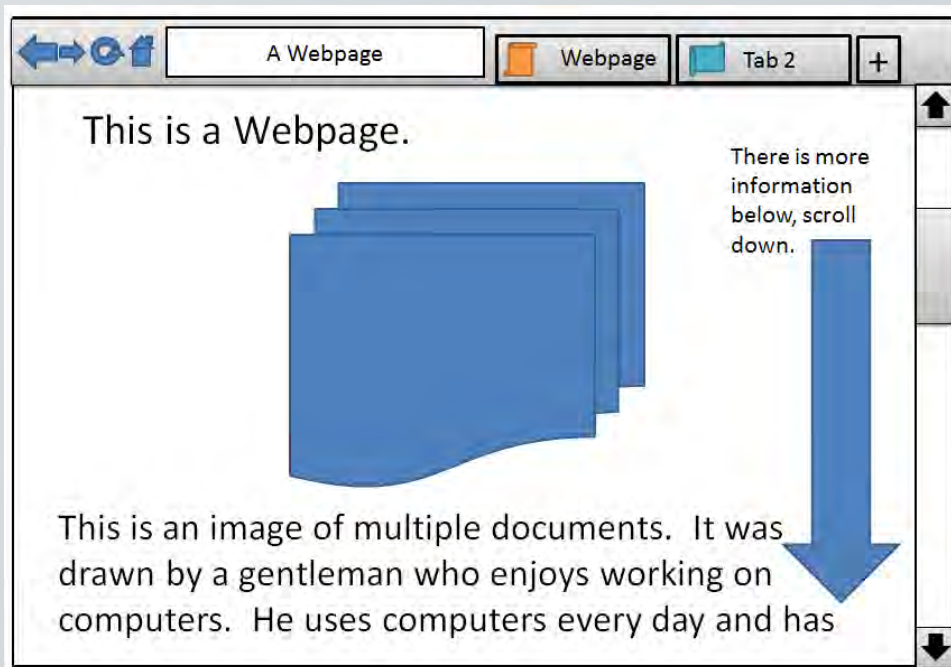

The Domain- At the end of a web address. Tells what type of web page you are viewing.
 .com – Commercial
 .org – Non-For-Profit Organization
 .edu – Education (Colleges/Universities)
 .net – Internet Related
 .mil – US Military
 .gov – US Government
 .us – United States
 .uk – United Kingdom

Important: Make sure you spell everything correctly. Addresses are very specific and if typed incorrectly, they will direct you to the wrong website. If this happens, simply use your back arrow to return to the previous webpage.

Scrolling on Webpages

One thing to keep in mind when viewing the Internet is that a bunch of information might be displayed on a webpage, however, only a small portion can be seen immediately when you load the webpage. Thus, it is important to look at your scroll bars to the right and bottom to see if there is more information you are missing. If you are tired of using the mouse to scroll up and down, try using the arrow keys.

Pop Up Advertisements

On the Internet, there are things that help you and things that can make you aggravated. One aggravation is the **Pop Up Ad**. These advertisements are created by aggressive marketers who want you to see their “amazing” product and buy it. Pop ups create their own window and usually appear on top of the information that you are interested in. If you click on a pop up ad, it will take you away from the information you are looking at. If you see a pop up ad, click the X at the top right of the window to close it.

Another type of advertisement is the **Banner**. Banner ads show up at the top of a website or on the side of a website. As a beginner, it's generally wiser to ignore banner advertisements unless you are familiar with the company.

Searching the Internet

Because there are so many things on the Internet, it is frequently hard to locate exactly what you are looking for. Search engines such as Google (www.google.com) are very helpful and allow you search the Internet.

A search engine is a Website used to search for information on the World Wide Web. Google first collects websites using a computer program (called a

wanderer, crawler, robot, worm, or spider). Then Google creates an index of these sites so they are searchable. There are many search engines that are available - we use Google for purposes of instruction because most people use it.

Performing a search in Google (See Next Page for Picture)

1. Go to Google by typing www.google.com in the URL address box (see page 5). Google is also one of the fastest search engines and provides some of the best results.
2. Next type your topic or key words (words closely related to your topic) into the box under the Google logo.
3. Press Enter or click "Google Search"
4. The next page that will appear is your search results page. This page lists the first few results from your search. Click on one of the page title that has an interesting description or seems most relevant.
5. If you are not satisfied with that website, click the back button and try a different website. If you still cannot find a good website, try searching by using different terms in the search box at the top of the webpage.

Google Searching Tips

Google will return pages that include all of your search terms. There is no need to include the word "and" between terms. For example, to look for information about parks in Cincinnati, simply type "Cincinnati parks."

Google is not case sensitive. Typing "United States" is the same as typing "UNITED STATES" or "united states."

The more words you include in your search, the more specific your search will be and the more relevant your search results will be.

Liberty Townhomes, LLC

MARKETING PLAN FOR UNITS MEETING ACCESSIBILITY REQUIREMENTS

Townhomes at Liberty Place

Townhomes at Liberty Place is a 39-unit affordable multi-family housing development located within the City of Richmond, VA. Six (6) units in the development will be constructed to meet HUD accessibility requirements as outlined in Section 504 of the Rehabilitation Act and will be actively marketed to persons with disabilities in accord with the Fair Housing Act. These six units represent 15% of the total units at the property.

The six (6) accessible units will be held vacant for 60 days, during which ongoing marketing efforts will be documented. The Owner/Agent will market the units to persons with disabilities on an ongoing basis throughout the year and will provide sufficient documentation to Virginia Housing's compliance officer. "Ongoing Basis" shall mean the Owner/Agent will contact at least two (2) resources per month to market the available Section 504 accessible units.

When a Section 504 accessible unit becomes available for occupancy, it shall first be offered to a qualified individual/household with disabilities currently residing at the property in a non-accessible unit who requires accessible features. If no such persons/households reside at the property, the Owner/Agent shall offer the unit to the next available qualified individual/household with disabilities on the property's waiting list. After 60 days if no qualified applicant with disabilities requires the unit, the Owner/Agent may place a tenant household with no disabled members in the unit upon approval by the designated Virginia Housing compliance officer. The approved lease will contain a provision requiring the non-disabled-household to move to a vacant unit of comparable size within the development if a household with disabled members applies for the unit. The prospective disabled-tenant-household will be placed on the property's waiting list until a vacant unit of comparable size is available to complete the non-disabled tenant household's move to the new unit. The moving costs of the temporary / non-disabled tenant household will be paid by the property.

Individuals seeking housing will need to qualify under the income restrictions and application screening of Townhomes at Liberty Place, including but not limited to having a household income at least 60% or less of the Area Median Income.
