Credit Points for 9% Credits:

* 4% Credit applications will be calculated using the E-U-R TE Bond Tak

If the Combined Max Allowable Credits is \$500,000 and the annual credit requested is \$200,000, you are providing a 60% savings for the program. This deal would receive all 200 credit points.

For another example, the annual credit requested is \$300,000 or a 40% savings for the program. Using a sliding scale, the credit points would be calculated by the difference between your savings and the desired 60% savings. Your savings divided by the goal of 60% times the max points of 200. In this example, $(40\%/60\%) \times 200$ or 133.33 points.

Credit Requested	\$312,817

Cost Points:

If the Applicable Cost by Square foot is \$238 and the deal’s Proposed Cost by Square Foot was \$119, you are saving 50% of the applicable cost. This deal would receive all 100 cost points.

For another example, the Applicable Cost by SqFt is \$238 and the deal’s Proposed Cost is \$153.04 or a savings of 35.70%. Using a sliding scale, your points would be calculated by the difference between your savings and the desired 50% savings. Your savings divided by the goal of 50% times the max points 100. In this example, $(35.7\%/50\%) \times 100$ or 71.40 points.

Attorney's Opinion (MANDATORY)

March 10, 2022

TO: Virginia Housing Development Authority
601 South Belvidere Street
Richmond, Virginia 23220-6500

RE: 2022 Tax Credit Reservation Request

Name of Development: Whites Mill Point II Apartments
Name of Owner: WMP II Apartments LLC

Ladies and Gentlemen:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package dated March 10, 2022 (of which this opinion is a part) (the "Application") submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low income housing tax credits ("Credits") available under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the "Regulations").

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Hard Costs and Owners Costs section of the Application form, complies with all applicable requirements of the Code and Regulations.
2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.
3. The appropriate type(s) of allocation(s) have been requested in the Reservation Request Information section in the Application form.
4. The information set forth in the Unit Details section of the Application form as to proposed rents satisfies all applicable requirements of the Code and Regulations.
5. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application, for a period of not less than four (4) months beyond the application deadline.

6. The type of the nonprofit organization involved in the Development is an organization described in Code Section 501(c)(3) or 501(c)(4) and exempt from taxation under Code Section 501(a), whose purposes include the fostering of low-income housing.
7. The nonprofit organizations' ownership interest in the development is as described in the Nonprofit Involvement section of the Application form.
8. It is more likely than not that the representations made under the Rehab Information section of the Application form as to the Development's compliance with or exception to the Code's minimum expenditure requirements for rehabilitation projects are correct.
9. After reasonable investigation, the undersigned has no reason to believe that the representations made under the Rehab Information (Ten-Year Rule) section of the Application form as to the Development's compliance with or eligibility for exception to the ten-year "look-back rule" requirement of Code 42(d)(2)(B) are not correct.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon compliance by the Owner with the requirements of Code Section 42(h)(1)(E), the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("VHDA") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by VHDA and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

Relocation Plan and Unit Delivery Schedule
(MANDATORY-Rehab)

Relocation Plan

Whites Mill Point II Apartments

WMP II Apartments LLC will adhere to the following relocation plan, VHDA's Relocation Guidelines, as well as to the regulations set forth under the Uniform Relocation Assistance Act (URA) of 1970 should relocation of residents be necessary during the construction period.

WMP II Apartments LLC shall complete the rehabilitation of the property with as little disturbance as possible to the current residents. Since Whites Mill Point II is an existing income restricted property, current residents have already been income qualified per Virginia Housing's LIHTC income guidelines.

The following plan outlines the Owner's and Management Company's contact information and what steps they will complete to ensure compliance with Virginia Housing requirements and the Uniform Relocation Assistance Act (URA) of 1970.

1. Property Description

3. Management Company

Name:	People Incorporated of Virginia
Contact:	Bryan Ailey
Address:	1173 West Main Street Abingdon, VA 24210
Phone:	(276) 623-9000, Ext. 2296

4. Scope of the work to be completed, including estimated start and completion dates

The proposed development will consist of the rehabilitation of 32 two-bedroom units. This will be done in compliance with VHDA's Minimum Design and Construction Requirements (MDCR). Five units will fit Universal Design standards as well as Section 504 UFAS accessibility standards.

Units will be modified to comply with accessibility requirements in the bathrooms, bedrooms, kitchens, and entrances. Bathrooms will be re-equipped with accessible grab bars and new accessible fixtures. Kitchens will be provided with roll under sinks, lowered cabinets, accessible work counter and front controlled ranges. Switches will be lowered and receptacles will be raised where they do not comply.

Units will be improved to meet EarthCraft requirements. Among the improvements are:

- Installing Energy Star windows
- Improving insulation
- Installing HVAC system with high efficiency units.
- Replacing shower heads and faucets.
- Repairing existing tubs and showers
- Replacing toilet fixtures with water-saving type.
- Installing new high-efficiency electric water heaters
- Providing new landscaping and trimming back existing trees near the buildings
- Replacing all kitchen and bath cabinets and countertops
- Adding Energy Star appliances including dishwasher, refrigerator, and range
- Replacing bathroom fans
- Installing a permanent dehumidification system
- Repairing handrails and porches
- Installation of GFCI's in kitchen and bathroom
- Providing Energy Star lighting packages
- Repair and/or replacement of all interior and exterior finishes as needed
- Replacement of flooring with LVT planks

Other improvements to the building will include Installation of new roofing including shingles, drip edge, pipe boots, and ice and water shields, and installation of new seamless gutters and downspouts. The site will be improved where needed to provide all required accessible routes. Screening around the dumpster will be provided as required by VHDA MCDR. Selected plantings among the existing landscaping will be replaced with native drought-resistant plants to improve street appeal.

Construction is projected to begin by September 1, 2023. Hospitality units (further explained below) will be held vacant prior to construction and tenants will be provided with moving assistance by the Owner into these hospitality units during the rehabilitation of their units. Rehabilitation is expected to be completed by December 30, 2024. Unit relocation will be scheduled and coordinated so that blocks of adjacent units will be rehabilitated simultaneously, minimizing the impact of the construction on occupied units by isolating ongoing construction to a small section of the building.

5. Planned measures to minimize construction impact on occupied units

To mitigate the impact of construction on residents, WMP II Apartments LLC shall require contractors to complete construction work of a loud and disturbing nature between the hours of 8:00 a.m. – 5:00 p.m.

Whites Mill Point has historically exhibited a very low vacancy rate, averaging less than 3% over the last five years, which will require coordination with existing residents to keep enough units vacant for both rehabilitation and hospitality purposes. To reduce the burden of frequent relocation on tenants and keep enough units vacant for construction, the project will approach relocation from several standpoints:

1. Residents will be offered the opportunity to permanently relocate to comparable, local properties for which they are income qualified. Upon receiving a tax credit award, the project will approach residents to gauge their interest in one of four local People Incorporated properties in the immediate area of Whites Mill Point Apartments. For instance, property management has identified twelve elderly households at Whites Mill that may be interested in a fully subsidized unit at Abingdon Green, an elderly property owned and operated by People Inc. - just a mile from Whites Mill Point. Sweetbriar Apartments, a three bed, two-bathroom duplex development roughly four miles from Whites Mill Point, may offer family households more space to grow into.
2. Residents that do not wish to permanently relocate to another People Incorporated owned and operated property will be offered two temporary relocation options during construction:
 - a. Onsite hospitality units: As mentioned, the project will begin holding vacancies upon receipt of this LIHTC allocation. These vacant units will be used to temporarily house Whites Mill Point residents while their units are under rehab. All moving and relocation costs will be borne by the project.
 - b. Offsite hotel accommodations: If at construction commencement, there are not enough vacant units to accommodate onsite temporary relocation, the project will also reserve a block of local hotel rooms for residents. Project cost projections currently include funding to pay hotel, food, moving and storage costs for residents.

Through this combination of permanent and temporary relocation, it is anticipated that blocks of eight units can be rehabilitated at one time while limiting the impact on residents.

6. Projected rents and rental policies after rehab

WMP II Apartments LLC will maintain the affordability of the apartments by rehabbing the property in accordance with VHDA’s low-income housing tax credit (LIHTC) rent and income guidelines. The Owner anticipates charging the following rents:

Type	AMI Target	Monthly Rent
2BR	40%	\$487
2BR	50%	\$487
2BR	50%	\$525
2BR	60%	\$525

There are no anticipated changes to the rental policies post-rehab. A copy of the lease is available upon request.

7. Advisory services to be offered

Management Company representatives are available to provide advisory services to residents during rehabilitation of the property. They will provide status reports to residents and help to coordinate on-site moves. In the event that residents need to be relocated off site, the Management Company knows the area rental market and will arrange referrals to nearby apartment communities and extended stay hotels.

8. Estimated determination as to Moving Cost Reimbursement

The Owner shall provide moving assistance at no cost to the tenant. Under such circumstances, the

Owner's moving cost to the tenant is limited to \$100.00, as stated in the VHDA Relocation Assistance Guidelines, which are attached to this plan. Reimbursement shall include utility transfer/connection fees in relation to said relocations.

9. Unit Delivery Schedule

Construction at Whites Mill Point II Apartments will begin on September 1, 2023. In order to isolate construction and minimize the impact on current residents, blocks of eight adjacent units will be rehabbed in phases until all 32 units are complete.

- Building I, Phase I: December 30, 2023
- Building I, Phase II: April 15, 2024
- Building 2, Phase I: August 15, 2024

If events subsequent to such determination result in a decrease in the Capital Contributions of the Investor Member due to a Late Delivery Capital Adjustment, then the Accountants shall recalculate the Downward Capital Adjustment to take into account such Late Delivery Capital Adjustment. Following the determination of a Downward Capital Adjustment and/or a Late Delivery Capital Adjustment, the Managing Member or the Company, as appropriate, shall make payments as required under Section 5.01(e)(ii).

(i) The following definitions shall apply for purposes of determining adjustments to Capital Contributions:

The Downward Capital Adjustment shall first reduce the fourth Capital Contribution (if it has not previously been funded), and then to the extent necessary, the fifth Capital Contribution, and then to the extent necessary, the remaining Capital Contributions. If the Downward Capital Adjustment exceeds the total of all unfunded Capital Contributions (prior to the reduction under this provision), then the Managing Member shall make a payment immediately to the Company equal to the amount of such excess, and the Company shall immediately distribute such amount to the Investor Member as a return of its Capital Contributions. Such payment by the Managing Member shall constitute a non-reimbursable funding by it of Excess Development Costs and shall not give rise to any right as a loan or Capital Contribution or result in any increase in the Capital Account of the Managing Member. In the event that the Managing Member fails to make such payment in full and the Investor Member, in its sole discretion, elects not to exercise its remedies under Sections 5.05 or 6.05, as applicable, any amount not so paid by the Managing Member as required shall be payable out of Net Cash Flow and proceeds of Capital Transactions, as provided under Sections 11.03 and 11.04. Any payment required to be paid to the Investor Member pursuant to the preceding sentence out of Net Cash Flow and the proceeds of Capital Transactions shall be referred to as a "LIHTC Reduction Guaranty Payment". The Early Delivery Capital Adjustment, if applicable, shall be made at the time of the sixth Capital Contribution.

(f) Payment of Investor Member Due Diligence Costs. The Managing Member shall pay the costs and expenses incurred by the Investor Member in connection with the due diligence activities of the Investor Member and the closing of the transactions described herein, including Investor Member's legal fees and expenses, such Investor Member Due Diligence Costs not to exceed \$35,000.

(g) Additional Investor Members. Without the Consent of all of the Members, no additional Persons may be admitted as additional Investor Members and Capital Contributions may be accepted only as and to the extent expressly provided for in this Article V.

Except as otherwise provided in Section 5.01(d) herein, the cash portion of the Capital Contributions of each Member shall be deposited at the Managing Member's discretion in a checking, savings and/or money market or similar account to be established and maintained in the name of the Company or invested in government securities or certificates of deposit issued by any bank. Thereafter, such amounts shall be utilized for the conduct of the Company business pursuant to the terms of this Agreement.

(i) No Liability for Investor Member or Special Member. Except as may otherwise be provided under applicable law, no Investor Member or Special Member shall be bound by, or personally liable for, the expenses, liabilities or obligations of the Company.

(j) Payment of Environmental Assessment Consultant Fees. The Managing Member acknowledges that, on behalf of the Investor Member, the Investor Member (or its Affiliate) may retain an environmental consultant (the "Environmental Consultant") to review and give recommendations related to environmental reports that are provided to the Investor Member by the Managing Member (including, but not limited to, Phase I and Phase II environmental assessments, wetlands reports, lead and asbestos reports, abatement reports and other environmental reports required by the Environmental Consultant, to the reasonable satisfaction of the Environmental Consultant) for the Land, or the construction and rehabilitation of existing buildings, if the reports indicate the possible presence of hazardous materials on or near the Project or if such reports appear incomplete or inadequate for purposes of making such a determination. The Company shall be solely responsible for the payment of the fees of the Environmental Consultant.

5.02 Return of Capital Contribution. Except as provided in this Agreement, no Member shall be entitled to demand or receive the return of his Capital Contribution.

5.03 Withholding of Capital Contribution Upon Default.

(a) Conditions Giving Rise to Withholding. In the event that (a) the Managing Member, or any successor Managing Member shall not have substantially complied with any material provisions under this Agreement or the operating agreement as to an Affiliated Company, after Notice from the Investor Member of such noncompliance and failure to cure such noncompliance within a period of thirty (30) days from and after the date of such Notice, or (b) any Project Lender shall have declared the Company to be in default under any Project Loan or under any of the mortgage loans as to an Affiliated Company, or (c) foreclosure proceedings shall have been commenced against the Project or against the Project owned by an Affiliated Company, then the Company and the Managing Member shall be in default of this Agreement, and the Investor Member, at its sole election, may cause the withholding of payment of any Capital Contribution otherwise payable to the Company (including while any cure period is in effect).

(b) Release to Company Following Cure. All amounts so withheld by the Investor Member under this Section 5.03 shall be promptly released to the Company only after the Managing Member or the Company has cured the default justifying the withholding, as demonstrated by evidence reasonably acceptable to the Investor Member.

As a condition precedent to the Investor Member's obligation to make its Capital Contributions hereunder, the Investor Member must receive the opinion of Curcio & Curcio, PC, Counsel for the Company and the Managing Member, which opinion shall explicitly state that Applegate & Thorne-Thomsen, P.C. of Chicago, Illinois, counsel to the Investor Member, may explicitly rely upon it, that:

(c) unless otherwise permitted under this Agreement, there is and shall be no direct or indirect personal liability of the Company or of any of the Members or their Affiliates for the repayment of the principal of and payment of interest on any Project Loan, and the sole recourse of the Project Lender, with respect to the principal thereof and interest thereon, shall be to the assets of the Company securing such indebtedness;

(d) execution of this Agreement and the Managing Member Pledge by the Managing Member has been duly and validly authorized by or on behalf of such Managing Member and, having been executed and delivered in accordance with its terms, this Agreement and the Managing Member Pledge constitute the valid and binding agreement of the Managing Member, enforceable in accordance with their respective terms, and execution hereof and thereof by the Managing Member is not in violation of any contract, agreement, charter, bylaw, resolution, judgment, order, decree, law or regulation to which the Managing Member is bound or as to which it is subject;

and of the Agency and the Project Lenders, if required, and only after being given written approval by the necessary parties as provided in Section 6.02, and by the Agency and the Project Lenders, if required, of the Managing Member(s) to be substituted for it or to receive all or part of its Interest as Managing Member.

(b) In the event that a Managing Member withdraws from the Company or sells, transfers or assigns its entire Interest pursuant to Section 6.01(a), it shall be and shall remain liable for all obligations and liabilities incurred by it as Managing Member before such withdrawal, sale, transfer or assignment shall have become effective, but shall be free of any obligation or liability incurred on account of the activities of the Company from and after the time such withdrawal, sale, transfer or assignment shall have become effective.

(c) if the successor or additional Person is a corporation, it shall have provided the Company with evidence satisfactory to counsel for the Company of its authority to become a Managing Member, to do business in the Commonwealth of Virginia and to be bound by the terms and provisions of this Agreement; and

(d) Counsel for the Company shall have rendered an opinion that the admission of the successor or additional Person is in conformity with the Act and that none of the actions taken in connection with the admission of the successor Person will cause the termination or dissolution of the Company or will cause it to be classified other than as a partnership for federal income tax purposes.

6.03 Effect of Bankruptcy, Death, Withdrawal, Dissolution or Incompetence of a Managing Member.

(a) In the event of the Bankruptcy of a Managing Member or the withdrawal, death or dissolution of a Managing Member, or an adjudication that a Managing Member is incompetent (which term shall include, but not be limited to, insanity) the business of the Company shall be continued by the other Managing Member(s); provided, however, that if the withdrawn, Bankrupt, deceased, dissolved or incompetent Managing Member is then the sole Managing Member, or if such Managing Member withdraws from the Company in contravention of the provisions of Section 6.01(a) of this Agreement, then the Company shall be terminated, unless within ninety (90) days after receiving Notice of such Bankruptcy, withdrawal, death, dissolution or adjudication of incompetence or breach of Section 6.01(a), the Investor Member elects to designate the Special Member or such other entity as the Investor Member may desire as a successor Managing Member and continue the Company upon the conversion of such Special Member to the Managing Member of the Company. Consequences of the removal of the Managing Member shall be determined under Section 6.05 hereof.

(b) Upon the Bankruptcy, death, dissolution or adjudication of incompetence of a Managing Member or breach of Section 6.01(a), such Managing Member shall immediately cease to be a Managing Member and its Interest shall without further action be converted to an Investor Member Interest; provided, however, that, if such Bankrupt, dissolved, incompetent, deceased or defaulted Managing Member is the sole remaining Managing Member, such Managing Member shall cease to be a Managing Member only upon the expiration of ninety (90) days after Notice to the Investor Member of the Bankruptcy, death, dissolution, declaration of incompetence or default of such Managing Member; and provided further that, if such Bankrupt, dissolved, incompetent, deceased or defaulted Managing Member is the sole remaining Managing Member, the converted Company Interest of such replaced Managing Member shall be ratably reduced to the extent necessary to insure that the substitute Managing Member(s) holds a .009% Percentage Interest (as set forth in Section 5.01).

(c) Except as set forth above, such conversion of a Managing Member Interest to an Investor Member Interest shall not affect any rights, obligations or liabilities (including without limitation, any of the Managing Member's obligations under Section 8.11 herein) of the Bankrupt, deceased, dissolved, removed, incompetent or defaulted Managing Member existing prior to the Bankruptcy, death, dissolution, removal, incompetence or default of such person as a Managing Member (whether or not such rights, obligations or liabilities were known or had matured).

(d) If, at the time of the withdrawal, Bankruptcy, death, dissolution, adjudication of incompetence or default under Section 6.01(a) of a Managing Member, the Bankrupt, withdrawn, deceased, dissolved, incompetent or defaulted Managing Member was not the sole Managing Member of the Company, the remaining Managing Member or Managing Members shall immediately (i) give Notice to the Investor Members of such Bankruptcy, death, dissolution, adjudication of incompetence or default, and (ii) make such amendments to this Agreement and execute and file such amendments or documents or other instruments as are necessary to reflect the conversion of the Interest of the Bankrupt, deceased, dissolved, incompetent or defaulted Managing Member and his having ceased to be a Managing Member.

The remaining Managing Member or Managing Members are hereby granted an irrevocable power of attorney, coupled with an interest, to execute any or all documents on behalf of the Members and the Company and to file such documents as may be required to effectuate the provisions of this Section 6.03.

6.04 Restrictions on Transfer of Managing Member's Interests. This is an agreement under which applicable law excuses the Investor Member from accepting performance from (i) any Managing Member which is a debtor in a case under the Bankruptcy Code, 11 U.S.C. § 101 et seq., (ii) a trustee of any such debtor, (iii) and/or the assignee of any such debtor or trustee. The Investor Member has entered into this Agreement with the Managing Member in reliance upon the unique knowledge, experience and expertise of the Managing Member, and its officers in the planning and implementation of the acquisition of the Project and in the area of affordable housing and development in general. The foregoing restriction on transfer is based in part on the above factors. The Managing Member expressly agrees that the Investor Member shall not be required to accept performance under this Agreement from any person other than the Managing Member, including, without limitation, any trustee of the Managing Member appointed under the Bankruptcy Code, 11 U.S.C. § 101 et seq., and any assignee of any such trustee.

(ii) The Managing Member irrevocably and unconditionally guarantees payments specified in this Section 8.11(c)(ii) to the Investor Member if there is a LIHTC Recapture Event. The payments required by this Section 8.11(c)(ii) shall be the sum of the following amounts: (A) the amount of LIHTC previously allocated to the Investor Member and subsequently disallowed because of such LIHTC Recapture Event multiplied by \$0.9200; (B) the "credit recapture amount" (as defined in Code Section 42(j)(2)) allocated to the Investor Member because of such LIHTC Recapture Event; (C) all penalties and interest imposed by the Code and assessed against the Investor Member by the IRS with respect to such LIHTC Recapture Event; (D) an amount sufficient to pay any tax liability owed by the Investor Member resulting from the receipt of the amounts specified in the foregoing clauses (A), (B), (C) and this clause (D) of this Section 8.11(c)(ii) (such calculation to be made assuming the Investor Member is subject to the highest federal and state tax rate imposed on corporate taxpayers under the Code at that time for the taxable year of the Investor Member in which such payment is taken into income by the Investor Member,

together with interest on such amounts at the Prime Rate accruing from the date the Investor Member remits funds to a taxing authority with respect to a LIHTC Recapture Event; and (E) if the cause of the LIHTC Recapture Event will, in determination of the Investor Member, decrease the maximum amount of LIHTC that will be available to the Company and allocated to the Investor Member during the remainder of the compliance period under Section 42 of the Code, assuming full compliance with Section 42 of the Code, then an amount equal to the total amount of such decrease. The Managing Member shall make such payment to the Investor Member within forty-five (45) days of the LIHTC Recapture Event.

(iii) The LIHTC Compliance Guaranty set forth herein shall not apply to amounts due solely to the transfer by the Investor Member of all or a portion of its Interest in the Company or to changes in the tax law after the date hereof with which the Managing Member is unable to comply despite the exercise of its good faith and reasonable efforts.

(iv) Intentionally Omitted.

(v) Funds provided by the Affiliate Guarantor with respect to the Managing Member's obligations under subparagraphs (i) or (ii) above shall be in the form of a loan to the Company (the "Guarantor LIHTC Compliance Loan"). Any Guarantor LIHTC Compliance Loan shall be on the following terms: (i) it shall be unsecured; (ii) it shall bear no interest; and (iii) it shall be repayable solely from proceeds of a Capital Transaction or liquidation at the time and in the amounts set forth in Sections 11.04 and 12.02(a) of this Agreement. Notwithstanding the foregoing, the Investor Member shall have the authority to treat any guarantee payment made on behalf of the Company by its Managing Member or the Affiliate Guarantor as (i) a capital contribution to the capital of the Company by the Managing Member in the amount of such guarantee payment that is matched with a corresponding upward adjustment to such Managing Member's capital account in the Company or (ii) as a loan (as described above) by the Managing Member in the amount of such guarantee payment, so as to minimize any possible unintended increase in the amount of depreciation and tax credits allocated to the Managing Member; provided that any losses or other deductions, other than depreciation, relating to such capital contribution or loan, shall be allocated to the Managing Member making such guarantee payment.

(d) Project Loan Funding Guaranty. The Managing Member irrevocably and unconditionally guarantees and covenants that the Company shall receive full funding of the Project Loans on or before December 31, 2020, on the terms set forth on **Exhibit F** attached hereto. The Managing Member represents and warrants that the source of funds for the Project Loans do not include, in whole or in part, "federal subsidies" within the meaning of Code Section 42(i) (i.e. the source of funds for the Project Loans does not include, in whole or in part, a "tax-exempt obligation," an obligation the interest on which is exempt from tax under Code Section 103). The Project Loan documents shall contain such other terms as may be Consented to by the Investor Member.

8.12 Development Fee. The Company has entered into a Development Agreement (materially in the form of **Exhibit A** attached hereto) of even date herewith with the Developer for its services in connection with the development and construction of the Project. In consideration for such services, a Development Fee in a total amount equal to \$480,000 shall be payable by the Company, in accordance with the terms of the Development Agreement and Article XI of this Agreement. In no event shall full payment of the Development Fee be later than the termination of the Compliance Period. It is anticipated that \$139,737 of the Development Fee will be deferred and paid pursuant to Article XI.

8.13 Incentive Management Fee. The Company has entered into an Incentive Management Fee Agreement in the form attached hereto as **Exhibit B**, with the Managing Member of even date herewith for its services in managing the business of the Company for the period from the date hereof throughout the term of the Company. In no event shall the Incentive Management Fee be cumulative. Payment of such fee shall be in accordance with any applicable requirements of the Project Lenders.

8.14 Withholding of Fee Payments.

(a) Conditions for Withholding. In the event that (i) the Managing Member or any successor Managing Member shall not have substantially complied with any material provisions under this Agreement, or under the operating agreement with respect to an Affiliated Company, after Notice from the Investor Member of such noncompliance and failure to cure such noncompliance within a period of thirty (30) days from and after the date of such Notice, or (ii) any Project Lender shall have declared the Company to be in default under any Project Loan or under any of the mortgage loans as to an Affiliated Company, or (iii) foreclosure proceedings shall have been commenced against the Project or against a Project owned by the Affiliated Company, then (A) the Managing Member shall be in default of this Agreement, and the Company shall withhold payment of any installment of fees and/or allowance payable pursuant to Sections 4.02(s), 8.12 and/or 8.13 and (B) the Managing Member shall be liable for the Company's payment of any and all installments of the Development Fee payable pursuant to Section 8.12.

(b) Release of Fees. All amounts so withheld by the Company under this Section 8.14 shall be promptly released to the payees thereof only after the Managing Member has cured the default justifying the withholding, as demonstrated by evidence reasonably acceptable to the Investor Member.

8.15 Selection of Management Agent; Terms of Management Agreement. The Company shall engage such person, firm or company as the Managing Member may select, and as the Investor Member may approve, which approval shall not be unreasonably withheld (hereinafter referred to as "Management Agent") to manage the operation of the Project during the rent up period and following Final Closing. The Management Agent must be a VHDA certified Property Manager. The Management Agent shall be paid a management fee subject to the approval of the Agency and/or the Project Lenders, if required, and the Special Member, but in no event will the management fee be greater than 12.33% of gross rental income, subject to increases allowed by

USDA. The contract between the Company and the Management Agent and the management plan for the Project shall be in the form set forth in **Exhibit G**, with such changes acceptable to the Agency and/or the Project Lenders, if required, and reasonably acceptable to the Special Member. Such contract shall provide, among other things, that it shall be cancelable upon thirty (30) days' prior notice from the Company, and that the Management Agent will accrue the management fee to the extent necessary at any time to prevent a default under any Project Loan. Whenever the management agent for the Project is the Managing Member or an Affiliate of the Managing Member, the management agreement shall provide that it is immediately terminable at the election of the Investor Member or Special Member in the event of (a) the removal or withdrawal of the Managing Member, or (b) any material breach of or noncompliance with any provision of this Agreement by the Managing Member or any Affiliate of the Managing Member. Any other agreement entered into by the Company and any Managing Member or any Affiliate thereof shall specifically provide that such agreement shall be immediately terminable at the election of the Investor Member or Special Member if the Managing Member is removed or withdraws. Hunt & Associates Elderly Housing Corporation is approved by the parties hereto as the initial Management Agent.

8.16 Removal of the Management Agent. The Managing Member:

(a) may, upon receiving any required approval of the Project Lenders and the Investor Member, dismiss the Management Agent as the entity responsible for the Project under the terms of the contract between the Company and the Management Agent, and

(b) shall, at the request of the Investor Member, remove the Management Agent if the Special Member determines that the same is necessary to protect the interest of the Company or if the Management Agent is declared Bankrupt, is dissolved, or makes an assignment for the benefit of its creditors, or for any intentional misconduct by the Management Agent or its negligence in the discharge of its duties and obligations as Management Agent (subject to the fulfillment and expiration of any notice and/or opportunity to cure provisions of the Management Agreement), including, without limitation, for any action or failure to take any action which:

(i) violates in any material respect any provision of the Management Agreement entered into with the Company and approved by the Project Lenders, if required, and/or any material provision of the Project Documents and/or the Loan Documents applicable to the Project, or the Project Lenders-approved management plan for the Project;

(ii) violates in any material respect any provision of this Agreement or provision of applicable law; or

(iii) causes the Project to be operated in a manner which if continued would give rise to an event which would cause or would likely cause a recapture of LIHTC.

8.17 Replacement of the Management Agent. Upon the removal of the Management Agent as the entity responsible for the management of the Project, a substitute Management Agent

which is not an Affiliate of the Managing Member shall be named by the Managing Member, subject to the approval of the Project Lenders, if required, and the approval of the Investor Member.

8.18 Loans to the Company. The Company is authorized to receive Operating Deficit Loans and MM Loans on the terms set forth in this Agreement. In addition, if (a) additional funds are required by the Company for any purpose relating to the business of the Company or for any of its obligations, expenses, costs or expenditures, and (b) the Company has not received an Operating Deficit Loan, or MM Loan to pay such amounts, then the Company may borrow such funds as are needed from a Person or organization, other than a Member or an Affiliate of a Member, in accordance with the terms of this Section 8.18, for such period of time and on such terms as the Managing Member and the Investor Member may agree; provided, however, that no such additional loans shall be secured by any mortgage or other encumbrance on the property of the Company without the prior approval of the Investor Member except that such approvals shall not be required in the case of the hypothecation of personal property purchased by the Company and not included in the security agreements executed by the Company at the time of Initial Closing. Nothing in this Section 8.18 shall modify or affect the obligation of the Managing Member to make Operating Deficit Loans and to perform its obligations when and as required by this Agreement.

8.19 Affiliate Guaranty. Concurrently with the execution of this Agreement, the Managing Member shall deliver to the Investor Member (a) the Affiliate Guaranty fully executed by each Affiliate Guarantor, (b) a pledge and security agreement executed by the Managing Member in the form of **Exhibit E** attached hereto (the "Managing Member Pledge"), wherein the Managing Member pledges and grants a security interest in its Managing Member interest in the Company and in each Affiliated Company to secure its obligation under this Agreement, and (c) an opinion of counsel to the Affiliate Guarantors in form satisfactory to the Investor Member regarding the Affiliate Guaranty and the Managing Member Pledge.

8.20 Intentionally Deleted.

8.21 Accounting Fee. An accounting fee shall be paid to Virginia Housing Capital Corporation under the Agreement to Provide Accounting and Reporting Services, the form of which is attached hereto as **Exhibit J.** The obligation to pay such fee shall terminate at the end of the next year following the termination of the Compliance Period.

8.22 Public Relations. The Managing Member shall provide written and timely notice of any groundbreaking, ribbon-cutting or other public relations ceremonies for the Project to the Investor Member and recognize the Investor Member and the Investor Member's members at such public relations ceremonies.

ARTICLE IX
TRANSFERS AND RESTRICTIONS ON TRANSFERS
OF INTERESTS OF INVESTOR MEMBERS

9.01 Restrictions on Transfer of Investor Members' Interests.

(a) Under no circumstances will any offer, sale, transfer, assignment, hypothecation or pledge of any Investor Member Interest be permitted unless the Managing Member, in its sole discretion, shall have Consented thereto, and the Project Lenders, if required, also shall have Consented thereto, provided however, that the Managing Member shall not unreasonably withhold its Consent to the pledge by the Investor Member of its Investor Member Interest or a transfer of its right to receive distributions hereunder, so long as no pledgee or transferee shall have any right to become a Substitute Investor Member in the Company or exercise any voting rights of the Investor Member.

(b) The Investor Member whose interest is being transferred shall pay such reasonable expenses as may be incurred by the Company in connection with such transfer.

(c) Nothing in this Section 9.01 shall limit the authority of the Investor Member to sell, transfer and/or assign interests within the Investor Member or to transfer Interests of the Investor Member to (i) any Affiliate of the Investor Member or Special Member, in the sole discretion of the Investor Member, at any time and from time to time, or (ii) to any other Person once during the term of this Agreement upon Notice to the Managing Member(s).

9.02 Admission of Substitute Investor Members.

(a) Subject to the other provisions of this Article IX, an assignee of the Interest of an Investor Member (which shall be understood to include any purchaser, transferee, donee, or other recipient of any disposition of such Interest) shall be deemed admitted as a Substitute Investor Member of the Company only upon the satisfactory completion of the following:

(i) Consent of the Managing Member (which may be withheld in its sole discretion), and the consent of the Project Lenders, if required, shall have been given; such Consent of the Managing Member may be evidenced by the execution by the Managing Member of an amended Agreement and/or Certificate evidencing the admission of such Person as an Investor Member pursuant to the requirements of the Act, provided, however, that no Consent shall be required for any sale, transfer or assignment pursuant to Section 9.01 (c);

(ii) the assignee shall have accepted and agreed to be bound by the terms and provisions of this Agreement by executing a counterpart thereof or an appropriate amendment hereto, and such other documents or instruments as the Managing Member may require in order to effect the admission of such Person as an Investor Member;

(iii) an amended Agreement and/or Certificate evidencing the admission of such Person as an Investor Member shall have been filed for recording pursuant to the requirements of the Act;

(iv) if the assignee is a corporation, the assignee shall have provided the Managing Member with evidence satisfactory to Counsel for the Company of its authority to become an Investor Member under the terms and provisions of this Agreement; and

(v) the assignee or the assignor shall have reimbursed the Company for all reasonable expenses, including all reasonable legal fees and recording charges, incurred by the Company in connection with such assignment.

(b) For the purpose of allocation of profits, losses and credits, and for the purpose of distributing cash of the Company, a Substitute Investor Member shall be treated as having become, and as appearing in, the records of the Company as a Member upon his signing of an amendment to this Agreement agreeing to be bound hereby.

(c) If the Managing Member has determined it will Consent to the admission, the Managing Member shall cooperate with the Person seeking to become a Substitute Investor Member by preparing the documentation required by this Section and making all official filings and publications. In such event, the Company shall take all such action, including the filing, if required, of any amended Agreement and/or Certificate evidencing the admission of any Person as an Investor Member, and the making of any other official filings and publications, as promptly as practicable after the satisfaction by the assignee of the Interest of an Investor Member of the conditions contained in this Article IX to the admission of such Person as an Investor Member of the Company. Any cost or expense incurred in connection with such admission shall be borne by the Substitute Investor Member.

9.03 Rights of Assignee of Company Interest.

(a) Except as provided in this Article and as required by operation of law, the Company shall not be obligated for any purpose whatsoever to recognize the assignment by any Investor Member of its Interest until the Company has received actual Notice thereof.

(b) Any Person who is the assignee of all or any portion of an Investor Member's Interest, but does not become a Substitute Investor Member, and who desires to make a further assignment of such Interest, shall be subject to all the provisions of this Article IX to the same extent and in the same manner as any Investor Member desiring to make an assignment of its Interest.

ARTICLE X
RIGHTS AND OBLIGATIONS OF INVESTOR MEMBERS

10.01 Management of the Company. No Investor Member shall take part in the management or control of the business of the Company nor transact any business in the name of the Company. Except as otherwise expressly provided in this Agreement, no Investor Member shall have the power or authority to bind the Company or to sign any agreement or document in the name of the Company. No Investor Member shall have any power or authority with respect to the Company except insofar as the Consent of any Investor Member shall be expressly required and except as otherwise expressly provided in this Agreement.

10.02 Limitation on Liability of Investor Members. The liability of each Investor Member is limited to its Capital Contribution as and when payable under the provisions of this Agreement, and as provided under the Act. No Investor Member shall have any other liability to contribute money to, or in respect of the liabilities or obligations of, the Company, nor shall any Investor Member be personally liable for any obligations of the Company, except as and to the extent provided in the Act. No Investor Member shall be obligated to make loans to the Company.

10.03 Other Activities. Any Investor Member may engage in or possess interests in other ventures of every kind and description for its own account, including without limitation, serving as general partner or managing member of other limited partnerships or limited liability companies which own, either directly or through interests in other limited liability companies or limited partnerships, government-assisted housing projects similar to the Project. Neither the Company nor any of the Members shall have any right by virtue of this Agreement in or to such other business ventures to the income or profits derived therefrom.

ARTICLE XI
PROFITS, LOSSES AND DISTRIBUTIONS

11.01 Allocation of Profits and Losses Other Than From Capital Transactions.

(a) Manner of Determination. Profits, Losses and credits for all purposes of this Agreement shall be determined in accordance with the definition of the same under Article II of the Agreement (as applicable) and in accordance with the accrual accounting method and in accordance with applicable Code sections and Treasury Regulations governing same.

(b) Allocations. All Profits and Losses, except those items in Sections 11.02, 11.05 and 11.07 below, shall be allocated to the Members in accordance with their Percentage Interests. Every item of income, gain, loss, deduction, or tax preference entering into the computation of such Profits and Losses, or applicable to the period during which such Profits and Losses were realized, shall be considered allocated to each Member in the same proportion as

Profits and Losses are allocated to such Member.

(c) Intentionally Deleted.

(d) Special Member Allocation. Notwithstanding any provisions in the Agreement to the contrary, in no event shall the Special Member be allocated more than its Percentage Interest, determined as of the date hereof, of any item of Company income, gain, loss, deduction, credit or basis.

11.02 Allocation of Profits and Losses from Capital Transactions. Except to the extent provided in Sections 11.07, Profits and Losses recognized by the Company upon a Capital Transaction shall be allocated in the following manner:

(a) Profits shall be allocated (i) first, to the Members with negative Capital Account balances, that portion of gains (including any gains treated as ordinary income for federal income tax purposes) which is equal in amount to, and in proportion to, such Members' respective negative Capital Accounts in the Company; provided that no gain shall be allocated under this Section 11.02(a)(i) to a Member once such Member's Capital Account is brought to zero and (ii) second, gains in excess of the amount allocated under (i) shall be allocated to the Members in the amounts and to the extent necessary to increase the Members' respective Capital Accounts so that the proceeds distributed under Section 11.04(d) and (f) will be distributed in accordance with the Members' respective Capital Accounts.

(b) Losses shall be allocated (i) first, to the extent and in such proportions as the respective positive balances in all Members' Capital Accounts, and (ii) second, any remaining loss to the Members in accordance with the manner in which they bear the economic risk of loss associated with such loss or, if none, to the Members in accordance with their Membership Interests.

(c) Any portion of the Profits treated as ordinary income for federal income tax purposes under Sections 1245 and 1250 of the Code ("Recapture Amount") shall be allocated on a dollar for dollar basis to those Members to whom the items of Company deduction or loss giving rise to the Recapture Amount had been previously allocated.

11.03 Distributions: Net Cash Flow.

(a) Determination of Net Cash Flow. Net Cash Flow shall be determined separately for each fiscal year or portion thereof commencing on the day after Final Closing and shall not be cumulative. Wherever there is a reference to the distribution of Net Cash Flow pursuant to the provisions of this Agreement, Net Cash Flow shall be deemed to be limited to Surplus Cash available for distribution. Income received by the Company from the period commencing with the date of receipt of the initial certificate of occupancy with respect to the Project and ending on the date of the Final Closing shall not be distributed during such period and shall be treated as Net Cash Flow with respect to the first Payment Date following Final Closing.

(b) Manner of Distribution. Subject to the approval of the Project Lenders, if required, Net Cash Flow shall be applied and/or distributed on each Payment Date in the following priority:

(i) first, to the Investor Member until the aggregate amount of distributions made to the Investor Member under this Section 11.03(b)(i) for the current and all prior years equals the Assumed Investor Member Tax Liability for the current and all prior years;

(ii) second, to the Investor Member in an amount equal to any LIHTC Reduction Guaranty Payment or Unpaid LIHTC Shortfall;

(iii) third, to the Managing Member until the aggregate amount of distributions made to the Managing Member under this Section 11.03(b)(iii) for the current and all prior years equals the Assumed Managing Member Tax Liability for the current and all prior years;

(iv) fourth, to replenish the Operating Reserve to the Initial Amount;

(v) fifth, to the Developer until all amounts due under the Development Agreement have been paid in full;

(vi) sixth, to the pro rata payment of any outstanding Operating Deficit Loans and MM Loans, based upon the respective outstanding balances of each;

(vii) seventh to the payment of the Incentive Management Fee; and

(viii) thereafter, 99.99% to the Investor Member; .009% to the Managing Member; and .001% to the Special Member.

Notwithstanding anything to the contrary contained herein, if the amount of the distribution to the Investor Member under Section 11.03(b) is less than 10% of the Net Cash Flow of the Project, then the Investor Member shall receive a priority distribution before any distributions under Section 11.03(b)(vii) and (viii) in an amount such that, when added to the sum distributable to the Investor Member under Section 11.03(b), shall equal 10% of Cash Flow.

(c) Distributions to be Subject to Regulatory Restrictions. Notwithstanding the foregoing, during such time as regulations of the Project Lenders are applicable to the Project, the total amount of Net Cash Flow which may be so distributed to the Members with respect to any fiscal year shall not exceed such amounts as such regulations permit to be distributed.

11.04 Distributions: Capital Transactions and Liquidation of Company. Except as may be required under Section 12.02(b), the proceeds resulting from the liquidation of the Company assets pursuant to Section 12.02, and the net proceeds resulting from any Capital Transaction, as the case may be, shall be distributed and applied in the following order of priority:

(a) to the payment of all matured debts and liabilities of the Company (including amounts due pursuant to any Project Loan and all expenses of the Company incident to any such sale or refinancing), excluding (1) debts and liabilities of the Company to Members or any Affiliates, and (2) all unpaid fees owing to the Managing Member under this Agreement;

(b) to the setting up of any reserves which the Liquidator (or the Managing Member if the distribution is not pursuant to the liquidation of the Company) deems reasonably necessary for contingent, unmatured or unforeseen liabilities or obligations of the Company;

(c) Twenty Thousand and No/100 Dollars (\$20,000.00) to the Special Member, or its assignee as a Capital Transaction Administrative Fee, either upon sale or transfer of Investor Member interest;

(d) to the payment of any debts and liabilities (including unpaid fees) owed to the Members or any Affiliates by the Company for Company obligations; provided, however, that the foregoing debts and liabilities owed to Members and their Affiliates shall be paid or repaid, as applicable, in the following order of priority, if and to the extent applicable: (i) to the Investor Member, an amount equal to any outstanding LIHTC Reduction Guaranty Payment, or any Unpaid LIHTC Shortfall (applied first to accrued but unpaid interest (at the Default Rate) and then principal); (ii) to the Investor Member, an amount equal to any Special Additional Capital Contribution; (iii) to the payment of any outstanding MM Loans and loans made by the Managing Member pursuant to Section 8.11(a)(i) and/or 8.11(a)(ii) pro rata based on their respective outstanding balances, if applicable; (iv) amounts due under the Development Agreement; (v) amounts due with respect to Operating Deficit Loans, if any; and (vi) any other such debts and liabilities;

(e) to the Managing Member and Investor Members in proportion to the relative amounts of Net Projected Tax Liabilities of the Managing Member and the Investor members or partners or members and their respective members or partners until they each have received, cumulatively, an amount equal to their respective Net Projected Tax Liabilities;

(f) to payment of the Guarantor LIHTC Compliance Loan (or, if funds provided are a capital contribution, under Section 8.11(c)(v), as a return of such capital); and

(g) the balance, .009% to the Managing Member, 99.99% to the Investor Member, and .001% to the Special Member.

Written determination of the proposed distributions of proceeds of Capital Transactions, showing all relevant calculations and assumptions, shall be delivered to the Investor Member and Special Member not later than twenty (20) days prior to the Company entering into any agreement for a Capital Transaction, and written confirmation or any revision thereof shall be delivered to the Investor Member and Special Member not later than twenty (20) days prior to the making of any such distribution. Distributions hereunder shall be made within five (5) days of the Company's receipt of such proceeds.

11.05 Distributions and Allocations: General Provisions.

(a) In any year in which a Member sells, assigns or transfers all or any portion of an Interest to any Person who during such year is admitted as a substitute Member, the share of all profits and losses allocated to, and of all Net Cash Flow and of all cash proceeds distributable under Section 11.04 distributed to, all Members which is attributable to the Interest sold, assigned or transferred shall be divided between the assignor and the assignee ratably on the basis of the number of monthly periods in such year before, and the number of monthly periods on and after, the first day of the month during which such Person is admitted as a substitute Member.

(b) The Company shall, subject to any applicable limitation on the distribution of Net Cash Flow and any required approval by the Project Lenders, distribute Net Cash Flow not less frequently than annually in the manner provided in Section 11.03(b).

(c) In the event that there is a determination that there is any original issue discount or imputed interest attributable to the Capital Contribution of any Member, or any loan between a Member and the Company, any income or deduction of the Company attributable to such imputed interest or original issue discount on such Capital Contribution or loan (whether stated or unstated) shall be allocated solely to such Member.

(d) In the event that the deduction of all or a portion of any fee paid or incurred by the Company to a Member or an Affiliate of a Member is disallowed for federal income tax purposes by the IRS with respect to a taxable year of the Company, the Company shall then allocate to such Member an amount of gross income of the Company for such year equal to the amount of such fee as to which the deduction is disallowed.

(e) If any Member's Interest in the Company is reduced but not eliminated because of the admission of new Members or otherwise, or if any Member is treated as receiving any items of property described in Section 751(a) of the Code, the Member's Interest in such items of Section 751(a) property that was property of the Company while such Person was a Member shall not be reduced, but shall be retained by the Member so long as the Member has an Interest in the Company and so long as the Company has an Interest in such property.

(f) In accordance with Section 704(c) of the Code (relating to allocations with respect to appreciated contributed property) and the Regulations thereunder, income, gain, loss, and deduction with respect to any property contributed to the capital of the Company shall be allocated, solely for tax purposes, among the Members so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its fair market value. Any elections or other decisions relating to such allocations shall be made by the Managing Member in any manner that reasonably reflects the purpose and intention of this Agreement.

(g) In the event that the Managing Member makes any Operating Deficit Loans pursuant to Section 8.11(b), any deductions or losses of the Company attributable to the use of those funds shall be specially allocated to the Managing Member.

(h) Any income attributable to the Capital Contribution of the Managing Member will be allocated to the Managing Member.

(i) Any income attributable to the modification of any of the Project Loan(s) shall be allocated 100% to the Managing Member.

11.06 Capital Accounts.

(a) Establishment and Maintenance. A separate Capital Account shall be maintained and adjusted for each Member. There shall be credited to each Member's Capital Account the amount of its Capital Contribution, the fair market value of any property contributed to the Company (net of any liabilities secured by such property) and such Member's distributive share of the income and gain for tax purposes of the Company including income or gain exempt from tax; and there shall be charged against each Member's Capital Account the amount of all cash flow distributed to such Member, the fair market value of any property distributed to such Member (net of any liabilities secured by such property), the net proceeds resulting from the liquidation of the Company's assets or from any sale or refinancing of the Project distributed to such Member, and such Member's distributive share of the losses for tax purposes of the Company. Each Member's Capital Account shall be maintained and adjusted in accordance with the Code and the Treasury Regulations thereunder. The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Treas. Reg. § 1.704-1(b), and shall be interpreted and applied in a manner consistent with such regulations. It is the intention of the Members that the Capital Accounts maintained under this Agreement be determined and maintained throughout the full term of this Agreement in accordance with the accounting rules of Treas. Reg. § 1.704-1(b)(2)(iv).

(b) Deficit Capital Accounts; Regulatory Liquidation. In the event that the Company is liquidated within the meaning of Treas. Reg. § 1.704-1(b)(2)(ii)(g), if the Managing Member's Capital Account has a deficit balance (after giving effect to all contributions, distributions and allocations), the Managing Member shall make Capital Contributions in the

amount of such deficit in compliance with Treas. Reg. §1.704-1(b)(2)(ii)(b)(3). In the event that the Investor Member's Capital Account should have a deficit balance at such time, it shall have no obligation to fund or otherwise contribute capital to the Company in connection with such deficit. Notwithstanding the foregoing, in the event the Company is liquidated within the meaning of Treas. Reg. § 1.704-1(b)(2)(ii)(g) but no event has occurred under Section 12.01 to dissolve the Company, the Company assets shall not be liquidated, the Company's liabilities shall not be paid or discharged, and the Company's affairs shall not be wound up. Instead, the Company shall be deemed to have contributed all of its assets and liabilities to a new limited liability company in exchange for an interest in the new limited liability company. Immediately thereafter, the terminated Company shall be deemed to have distributed interests in the new limited liability company to the Members of the terminated Company in proportion to their respective interests in the terminated Company in liquidation of the terminated Company.

11.07 Special Allocations. Notwithstanding anything to the contrary contained in Section 11.01(a) or (b), the following special allocations in all events apply in determining the allocation of Profits and Losses among the Members and are made prior to the allocations required under §11.01(a) and (b):

(a) Depreciation and LIHTC.

(i) Depreciation (cost recovery) deductions and LIHTC are allocated to the Members in accordance with their Percentage Interests.

(ii) Any recapture of LIHTC is allocated to the Members that were allocated (or whose predecessors-in-interest were allocated) the depreciation/cost recovery deduction and LIHTC associated therewith.

(b) Limitation on Allocations of Losses.

(i) To the extent the allocation of any Losses to a Member would cause that Member to have an Adjusted Capital Account Deficit at the end of any fiscal year of the Company, then those Losses will not be allocated to that Member, but rather will be specially allocated to the remaining Members in proportion with their relative interests in the Company.

(ii) In the event some but not all of the Members would have Adjusted Capital Account Deficits due to an allocation of Losses, the limitation set forth in this Section 11.07(b) shall be applied on a Member-by-Member basis so as to allocate the maximum permissible Losses to each Member who is not a Managing Member under Treas. Reg. §1.704-1(b)(2)(ii)(d). All Losses in excess of the limitation set forth in this Section 11.07(b) shall be allocated to the Managing Member.

(c) Profit Chargeback. To the extent any Losses are specially allocated to a Member in accordance with Section 11.07(b), then Profits will thereafter first be specially allocated to such Member in proportion to and in an amount (1) up to but not exceeding the amount of any such

special allocation of Losses away from such Member under such subparagraph (b) but (2) not to the extent that Losses or depreciation deductions would be allocated to the remaining Members in excess of the amount permitted by 11.07(b).

(d) Nonrecourse Deductions. Nonrecourse Deductions for any fiscal year shall be allocated to the Members in accordance with their Percentage Interests.

(e) Member Nonrecourse Deductions. Any Member Nonrecourse Deductions for any fiscal year shall be specially allocated to the Member or Members that bear the Economic Risk of Loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Treas. Reg. §1.704-2(b)(4) and Treas. Reg. §1.704-2(i).

(f) Company Minimum Gain Chargeback. Notwithstanding any other provision of this Agreement, if there is a net decrease in the Company's Minimum Gain attributable to Nonrecourse Liabilities during any taxable year, each Member shall be specially allocated a *pro rata* portion of each of the Company's items of income and gain for such year (and, if necessary for subsequent years) in proportion to, and to the extent of, an amount equal to such Member's share of the net decrease in such Minimum Gain during such taxable year as determined in accordance with the provisions of Treas. Reg. §1.704-2(g)(2). In the event that such net decrease in the Company's Minimum Gain occurs in connection with the disposition of all or any portion of the Project, then any items of Company income or gain allocated in accordance with the previous sentence shall first consist of gain recognized by the Company as a result of such disposition. It is the intent that the allocations provided in this Section 11.07(f) shall be determined in accordance with and only to the extent required by Treas. Reg. §1.704-2(f) and (j)(2)(i).

(g) Member Minimum Gain Chargeback. Notwithstanding any other provision of this Agreement, if there is a net decrease in the amount of the Company's Minimum Gain during any taxable year with respect to a Member Nonrecourse Debt, the Member bearing the Economic Risk of Loss with respect to such Member Nonrecourse Debt shall be specially allocated a *pro rata* portion of each of the Company's items of income and gain for such taxable year (and, if necessary, for subsequent years) in proportion to, and to the extent of the amount of such Member's share of the net decrease in such Minimum Gain during such taxable year as determined in accordance with the provisions of Treas. Reg. §1.704-2(i)(4). In the event that such net decrease in the Member's Minimum Gain occurs in connection with the disposition of all or any portion of Project, then any items of Company income or gain allocated in accordance with the previous sentence shall first consist of gain recognized by the Company as a result of such disposition. It is the intent that the allocations provided in this Section 11.07(g) shall be determined in accordance with and only to the extent required by the provisions of Treas. Reg. §1.704-2(i) and (j)(2)(ii).

(h) Qualified Income Offset. If a Member unexpectedly receives any adjustments, allocations, or distributions described in §1.704-1(b)(2)(ii)(d)(4), (5) or (6) of the Regulations, then items of Company income or gain will be specially allocated to that Member in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted

Capital Account Deficit of that Member as quickly as possible. The special allocations required pursuant to this subparagraph (h) are made only if and to the extent that such Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article 11 have been tentatively made as if this subparagraph (h) were not in the Agreement. This subparagraph (h) is intended to comply with the qualified income offset requirements of §1.704-1(b)(2)(ii)(d) of the Regulations and will be interpreted consistently therewith.

(i) Gross Income Allocation. In the event any Member has a deficit Capital Account at the end of any fiscal year in excess of the sum of (i) the amount that such Member must restore pursuant to any provision of this Agreement, if any, and (ii) the amount such Member is deemed obligated to restore pursuant to the penultimate sentence of Treas. Reg. § 1.704-2(g) and § 1.704-2(i)(5), such Member shall be specially allocated items of Company income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 11.07(i) shall be made if and only to the extent that such Member would have a deficit Capital Account in excess of such sum after all other allocations provided for in this Article XI have been tentatively made as if this Section 11.07(i) and Section 11.07(h) hereof were not in the Agreement.

(j) §754 Adjustment. To the extent an adjustment to the adjusted tax basis of any Company Property undertaken pursuant to §734(b) or 743(b) of the Code is required to be taken into account in determining the Capital Accounts of the Members under Treas. Reg. §1.704-1(b)(2)(iv)(m), then the amount of such adjustment to the Capital Accounts will be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss will be specially allocated to the Members in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to the aforementioned section of the regulations.

(k) Curative Allocations. In the event that income, loss or items thereof are allocated to one or more Members pursuant to Sections 11.07(h) through (i), subsequent income, loss or items thereof shall be allocated (subject to the provisions of Sections 11.07(h) and (i)) to the Members so that, to the extent possible in the judgment of the Managing Member, the net amount of allocations shall be equal to the amount that would have been allocated had Section 11.07 not been applied. Notwithstanding the foregoing, the allocation of depreciation deductions will be governed by Section 11.07(a) and this Section 11.07(k) shall not apply to allocations of depreciation deductions.

(l) Excess Nonrecourse Liabilities. Solely for purposes of determining a Member's proportionate share of the "excess nonrecourse liabilities" of the Company within the meaning of Treas. Reg. §1.752-3(a)(3), the Members' respective interests in Company Profits and deductions shall equal their Percentage Interests (determined without regard to Section 11.07(a)-(k)).

(m) Authority to Vary Allocations to Preserve and Protect Members' Intent

(i) It is the intent of the Members that each Member's distributive share

of income, gain, loss, deduction, or credit (or item thereof) shall be determined and allocated in accordance with this Article XI to the fullest extent permitted by Section 704(b) of the Code. In order to preserve and protect the determinations and allocations provided for in this Article XI, the Managing Member, shall upon the direction in writing of the Special Member, allocate income, gain, loss, deduction, or credit (or item thereof) arising in any year differently than otherwise provided for in this Article XI as necessary to ensure that all allocations of income, gain, loss, deduction or credit (or item thereof) to the Members are permitted by Section 704(b) of the Code and Treasury Regulations promulgated thereunder. Any allocation made pursuant to this Section 11.07 shall be deemed to be a complete substitute for any allocation otherwise provided for in this Article XI and no amendment of this Agreement or approval of any Member shall be required.

(ii) In making any allocation (the "new allocation") under Section 11.07(m)(i), the Managing Member is authorized to act only upon the direction in writing of the Special Member or the Investor Member.

(iii) If the Managing Member receives a recommendation from the Accountants to make any new allocation in a manner less favorable to the Investor Member than is otherwise provided for in this Article XI, then the Managing Member shall do so only with the Investor Member's or the Special Member's Consent and only after having given the Investor Member and the Special Member the opportunity to discuss such allocation with the Accountants, and only after the Managing Member has been advised by the Accountants that it is permitted by Section 704(b) of the Code, to allocate income, gain, loss, deduction, or credit (or item thereof) arising in later years in such manner so as to bring the allocations of income, gain, loss, deduction, or credit (or item thereof) to the Investor Members as nearly as possible to the allocations thereof otherwise contemplated by this Article XI.

(n) Grant Income. Any income recognized as a result of any receipt of grants by the Company shall be allocated one hundred percent (100%) to the Managing Member.

11.08 Designation of Partnership Representative. The Managing Member shall be the partnership representative of the Company pursuant to Section 6223 of the Code ("Partnership Representative"), and shall engage in such undertakings as are required of the Partnership Representative of the Company, as provided in the Code and applicable Treasury Regulations. For each applicable tax year, the Partnership Representative shall appoint as the Designated Individual a person who is employed by the Managing Member or its Affiliate, has sufficient experience and authority to represent the Company in all dealings with the IRS, and is Consented to by the Investor Member or Special Member. If the Designated Individual is unable to perform the role required, no longer meets the requirements of the Code and Treasury Regulations or ceases to be employed by the Managing Member or its Affiliate, the Managing Member shall take all necessary action to cause such person to resign as the Designated Individual and to designate a successor representative that would otherwise qualify under this Agreement and under the Code and Treasury Regulations as a permissible Designated Individual. The Managing Member shall take any and all action required under the Code or Treasury Regulations (including on all applicable Company tax returns), as in effect from time to time, to designate itself as the Partnership Representative and

the chosen person as the Designated Individual. The Managing Member shall cause the Designated Individual to agree to comply with all restrictions and obligations imposed on the Partnership Representative as set forth in this Agreement.

Each Member, by its execution of this Agreement, Consents to such designation of the Partnership Representative and agrees to execute, certify, acknowledge, deliver, swear to, file and record at the appropriate public offices such documents as may be necessary or appropriate to evidence such Consent.

11.09 Authority of Partnership Representative.

(a) The Partnership Representative shall have and perform all of the duties required under the Code and Treasury Regulations, including the following duties:

(i) Furnish the name, address, profits interest, and taxpayer identification number of each Member to the IRS;

(ii) Represent the Company in all dealings with the IRS and state and local taxing authorities in accordance with the obligations and restrictions imposed by this Agreement;

(iii) Within five calendar days after the receipt by the Managing Member or an Affiliate thereof or the Company of any correspondence or communication relating to the Company or a Member or an Affiliate of a Member from the IRS or state or local taxing authority, the Partnership Representative shall forward to each Member a photocopy of all such correspondence or communication(s). The Partnership Representative shall, within five calendar days thereafter, advise each Member in writing of the substance and form of any conversation or communication held with any representative of the IRS or state or local taxing authority.

(b) The Partnership Representative shall, upon request by the Investor Member, permit the Investor Member to include its attorney in the power of attorney (Form 2848) for the Company for any taxable years under a tax audit or in a tax administrative appeals process.

(c) The Partnership Representative shall, solely upon request by the Investor Member, make an election pursuant to Sections 6221 or 6226 of the Code on behalf of the Company, provided the Company is permitted to make such election pursuant to the Code or Treasury Regulations thereunder.

(d) The Partnership Representative shall not without the Consent of the Special Member:

(i) Extend the statute of limitations for assessing or computing any tax liability against the Company (or the amount or character of any Company tax items);

(ii) Engage an accounting firm or counsel to represent the Company before the

IRS;

(iii) Settle any audit with the IRS concerning the adjustment or readjustment of any Company item(s);

(iv) File a request for an administrative adjustment with the IRS at any time or file a petition for judicial review with respect to any such request or select the forum for judicial review of any IRS determination;

(v) Initiate or settle any judicial review or action concerning the amount or character of any Company tax item(s);

(vi) Intervene in any action brought by any other Member for judicial review of a final Company administrative adjustment;

(vii) Make an election pursuant to Sections 6221(b) or 6226(a) of the Code on behalf of the Company;

(viii) Take action pursuant to Treasury Regulations promulgated under Section 6225(c); or

(ix) Take any other action not expressly permitted by this Section 11.09 on behalf of the Members of the Company in connection with any administrative or judicial tax proceeding.

(e) In the event of any Company-level proceeding instituted by the IRS pursuant to Sections 6221 through 6241 of the Code, or by any other federal, state or local tax authority, the Partnership Representative shall consult with the Special Member regarding the nature and content of all action and defense to be taken by the Company in response to such proceeding. The Partnership Representative also shall consult with the Special Member regarding the nature and content of any proceeding pursuant to Sections 6221 through 6241 of the Code instituted by or on behalf of the Company (including the decision to institute proceedings, whether administrative or judicial, and whether in response to a previous IRS proceeding against the Company or otherwise). The Partnership Representative will provide the Investor Member and Special Member with notice reasonably in advance of any meetings or conferences with respect to any administrative or judicial proceedings relating to the determination of Company items at the Company-level (including any meetings or conferences with counsel or advisors to the Company with respect to such proceedings) and the Investor Member and Special Member shall have the right to participate, at the Investor Member's and Special Member's sole cost and expense, in any such meetings or conferences. In any such proceedings, the Partnership Representative shall take any action or omit to take any action, if reasonably requested by the Investor Member or Special Member.

(f) If, at any time, the Managing Member desires to accept a settlement offer or other proposed resolution of a tax dispute, and the Investor Member and Special Member do

not, then, to the extent permitted by the Code and Treasury Regulations, the Special Member may elect to take control of such tax dispute (including by being appointed as the Partnership Representative for the relevant period) and resolve such tax dispute in the best interest of the Company, as reasonably determined by the Special Member. If exercised, this election shall apply only to such contested tax dispute and not to any other past, future, or pending dispute with a tax authority or other Company matter. Moreover, the exercise of this election shall not relieve the Managing Member of any of its other obligations under this Agreement, including its obligation to manage the Company.

(g) In the event that an election described in Code Section 6226(a) is not made with respect to any notice of final partnership adjustment, each Member shall be obligated to make a capital contribution in an amount equal to such Member's share of the imputed underpayment (and any associated interest and penalties) owed by the Company under Code Section 6225. For purposes of the preceding sentence, each Member's share of such imputed underpayment (and associated interest and penalties) shall be determined by taking into account (i) such Member's share of the income, gain, loss, deductions, basis and credits to which such adjustment and imputed underpayment relate, as determined by the Accountants; (ii) such Member's obligation (if any) to indemnify, defend, or hold harmless the Company or any other Member for such imputed underpayment (and any associated interest and penalties) under this Agreement; (iii) such Member's obligations and liabilities arising from or related to such Member's representations, warranties and covenants in this Agreement; and (iv) the obligations of the Managing Member(s) under Section 5.01(e) (relating to Tax Credit adjustments). For example, if an imputed underpayment were to relate to an adjustment or disallowance of Tax Credits previously allocated to the Investor Member, and such adjustment or disallowance would give rise to an obligation of the Managing Member to make a capital contribution under Section 5.01(e) (relating to Tax Credit adjustments), then such Managing Member, rather than the Investor Member, would be required to make the capital contribution described in this paragraph.

(h) The Managing Member shall be the "tax matters partner" for all Fiscal Years of the Company beginning prior to January 1, 2018. Unless at the direction of the Investor Member, to be given in its sole and absolute discretion, the Managing Member shall not elect, and has not elected, pursuant to Section 1101(g)(4) of the Bipartisan Budget Act of 2015 (the "Budget Act") to apply the provisions of Section 1101 of the Budget Act to a Fiscal Year of the Company beginning prior to January 1, 2018.

11.10 Expenses of Partnership Representative. The Company shall indemnify and reimburse the Partnership Representative for all expenses, including legal and accounting fees, claims, liabilities, losses and damages incurred in connection with any administrative or judicial proceeding with respect to the tax liability of the Members. The payment of all such expenses shall be made before any distributions are made from Net Cash Flow or any discretionary reserves are set aside by the Managing Member. The Managing Member shall have the obligation to provide funds for such purpose to the extent that Company funds are not otherwise available therefor. The taking of any action and the incurring of any expense by the Partnership Representative in connection with any such proceeding, except to the extent required by law, is a

matter in the sole discretion of the Partnership Representative and the provisions on limitations of liability of the Managing Member and indemnification set forth in Section 8.08 of this Agreement shall be fully applicable to the Partnership Representative in its capacity as such. Sections 11.08, 11.09 and this Section 11.10 of the Agreement shall survive termination of any Member's interest in the Company for any reason and shall be binding on all Members, including former Members.

ARTICLE XII SALE, DISSOLUTION AND LIQUIDATION

12.01 Dissolution of the Company. The Company shall be dissolved upon the earlier of the expiration of the term of the Company, or upon:

(a) the withdrawal, Bankruptcy, death, dissolution or adjudication of incompetency of the Managing Member who is at that time the sole Managing Member, subject to the provisions of Section 6.03, unless a majority in interest of the other Members, within ninety (90) days after receiving Notice of such withdrawal, Bankruptcy, death, dissolution or adjudication of incompetence, elects to designate a successor Managing Member(s) and continue the Company upon the admission of such successor Managing Member(s) to the Company;

(b) the sale or other disposition of all or substantially all of the assets of the Company, subject to the provisions of Section 6.03;

(c) the election by the Managing Member, with the Consent of a majority in interest of the other Members; or

(d) any other event causing the dissolution of the Company under the laws of the Commonwealth of Virginia.

12.02 Winding Up and Distribution.

(a) Upon the dissolution of the Company pursuant to Section 12.01, (i) a Certificate of Cancellation shall be filed in such offices within the Commonwealth of Virginia as may be required or appropriate and (ii) the Company business shall be wound up and its assets liquidated as provided in this Section 12.02 and the net proceeds of such liquidation, except as provided in Section 12.02(b) below, shall be distributed in accordance with Section 11.04.

(b) It is the intent of the Members that, upon liquidation of the Company, any liquidation proceeds available for distribution to the Members be distributed in accordance with the Members' respective positive Capital Account balances and in accordance with Treas. Reg. §1.704-1(b)(2)(ii)(b)(2). The Members believe that distributions under Section 11.04 will effectuate such intent. In the event that, upon liquidation, there would otherwise be any conflict between a distribution pursuant to the Members' respective positive Capital Account balances and the intent of the Members with respect to distribution of proceeds as provided in Section 11.04,

the Liquidator shall, notwithstanding the provisions of Sections 11.01, 11.02, 11.03 and 11.05, allocate the Company's gains, profits and losses in a manner that will, as nearly as possible, cause the distribution of liquidation proceeds to the Members to be in accordance both with the Members' economic expectations as set forth in Section 11.04 and their respective Capital Account balances. If the Company's gains, profits and losses are insufficient to cause the Members' Capital Accounts to be in such amounts as will permit liquidation proceeds to be distributed both in accordance with the Members' respective positive Capital Account balances and Section 11.04, then liquidation proceeds shall be distributed in accordance with the Members' respective positive Capital Account balances after the allocations described herein have been made.

(c) The Liquidator shall file all certificates and notices of the dissolution of the Company required by law. The Liquidator shall proceed without any unnecessary delay to sell and otherwise liquidate the Company's property and assets; provided, however, that if the Liquidator shall determine that an immediate sale of part or all of the Company property would cause undue loss to the Members, then in order to avoid such loss, the Liquidator may, except to the extent provided by the Act, defer the liquidation as may be necessary to satisfy the debts and liabilities of the Company to Persons other than the Members. Upon the complete liquidation and distribution of the Company assets, the Members shall cease to be Members of the Company, and the Liquidator shall execute, acknowledge and cause to be filed all certificates and notices required by the law to terminate the Company.

(d) Upon the dissolution of the Company pursuant to Section 12.01, the Accountants shall promptly prepare, and the Liquidator shall furnish to each Member, a statement setting forth the assets and liabilities of the Company upon its dissolution. Promptly following the complete liquidation and distribution of the Company property and assets, the Accountants shall prepare, and the Liquidator shall furnish to each Member, a statement showing the manner in which the Company assets were liquidated and distributed.

ARTICLE XIII
BOOKS AND RECORDS, ACCOUNTING,
TAX ELECTIONS, ETC.

13.01 Books of Account. The Managing Member shall keep proper and complete books of account for the Company. Such books of account shall be kept at the principal office of the Company and shall be open at all times for examination and copying by the Investor Member or its authorized representatives. The Managing Member shall retain such books of account for six years after the later of the termination of the Company or the end of all applicable compliance periods under the Regulations. All decisions as to the fiscal year and accounting methods to be used by the Company shall be made only with the prior written Consent of the Investor Member. In addition, the Managing Member shall comply with all record keeping and record retention requirements applicable to low-income housing projects under the Code and Regulations, and shall provide such information to the Members for their compliance.

13.02 Financial Reports.

(a) Agreement with VHCC. The Company shall enter into an agreement with Virginia Housing Capital Corporation ("VHCC"), essentially in the form attached hereto as **Exhibit J**, pursuant to which VHCC will provide certain accounting and reporting services to the Company.

(b) Monthly Reports. Within ten days after the end of each month, the Managing Member shall deliver to the Members with respect to such month a cash flow statement for the Company, with a detailed itemization of all Company receipts and expenses, and with such additional information as shall be reasonably requested by the Members (the foregoing, collectively, the "Cash Flow Report"). Notwithstanding the foregoing, if the Investor Member believes that the Project is experiencing or may experience adverse operating results or any other material adverse condition, the Investor Member, by Notice to the Managing Member, may require the delivery of Cash Flow Reports within five days after the end of each month, until such time as the Investor Member believes that the adverse condition affecting the Project is no longer present or threatened. At Investor Member's request, copies of all proposed leases and tenant income certification information for the initial occupant of each dwelling unit shall be delivered concurrently with such Cash Flow Report prior to execution thereof by the Company.

(c) Governmental and Lender Reports. The Managing Member shall also deliver to the Investor Member any financial or performance report required to be provided by the Company to any federal, state or local governmental agency or to any Company lender. Any such report shall be delivered to the Investor Member within five days after such report is filed with any such governmental agency or Company lender.

13.03 Budgets and General Disclosure. The Managing Member shall prepare and deliver to the Investor Member no later than the 60 days prior to the beginning of each fiscal year of the Company a detailed annual operating and capital improvements budget for the operation of the Project during such fiscal year. Such budgets shall specifically list all budgeted expenses in all major categories including, but not limited to, administration, operation, repairs and maintenance, utilities, taxes, insurance, interest, debt service with respect to the Project Loans, capital improvements, and all budgeted expenses which are to be paid to the Managing Member or its Affiliates. Such a budget shall be deemed "approved" for purposes of this Agreement only when such budget has been approved by the Investor Member. The Managing Member shall keep the Investor Member informed concerning the general state of the business and financial condition of the Company and shall, upon the reasonable request of the Investor Member, furnish to the Investor Member full information, accounts and documentation concerning the state of the business and financial condition of the Company. The Managing Member shall also provide the following statements or disclosures to the Investor Members:

(a) Semiannual Reports. Semiannually, within 45 days after the end of the second and fourth fiscal quarters of the Company, until the later to occur of the following events: (i) all Capital Contribution installments of the Investor Member have been made, or (ii) the Project is placed in

service, a report on the status of the Company. Such report will include the following and will contain updated and revised information if there has been any change in facts previously reported.

(i) a description of the Project, including the status of construction or rehabilitation to be performed in connection with the Project (which information shall be provided on the Project until construction or rehabilitation is complete);

(ii) a description of the financing for the Project, including mortgage financing, any state or local government loans, any operating deficit guaranty, the Investor Member's Capital Contributions to the Company and any other contributions or loans to the Company;

(iii) a description of any applicable rental subsidy for the Project;

(iv) the terms of any performance bonds, development cost guarantees, operating deficit guarantees and other credit enhancements provided in connection with the Project;

(v) the fees, and other financial incentives provided to the Managing Member and its Affiliates; and

(vi) any draw or call upon or demand for payment of or under any operating deficit guarantee, operating reserve, contractor performance bonds or completion guarantee.

(b) Annual Reports. Within 100 days after the end of each fiscal year of the Company, a statement prepared by the Managing Member, which statement shall include the following:

(i) a report summarizing the fees, commissions, compensation and other remuneration and reimbursed expenses paid by the Company for such fiscal year to the Managing Member or any Affiliates of the Managing Member and the services performed;

(ii) a report of the activities and investments of the Company during the period covered by the report; and

(iii) a comparison of actual and projected tax benefits for the year.

The statement will be accompanied by audited financial statements of any Affiliate Guarantor.

(c) Demands for Payment. Within three business days of the exercise thereof, any draw or call upon or demand for payment of or under any operating deficit guarantee, operating reserve, contractor performance bonds or completion guarantee.

(d) Notices of Default. Immediately upon notice of such a default, any default by the Company in any loan, including any state or local government loan or other financial obligation, of the Company or its Managing Member.

(e) Notices of IRS Proceedings. Immediately upon receipt of such notice, any notice of any IRS proceeding or any other audit, review or inspection by an federal, state or local governmental agency or Project Lender involving the Company.

13.04 Tax Information. The Managing Member shall file all necessary tax forms related to the formation of the Company, including, if required, Form 8264 (related to the registration of a tax shelter). VHCC shall also provide such federal tax information as required under its agreement with the Company as set forth on **Exhibit J**.

13.05 Selection of Accountants. The Investor Member shall be entitled to select a firm of certified public accountants that are experienced in LIHTC and that will prepare the Company's year-end financial statements and the Company's annual tax returns. The fee of such accountants shall be paid by the Investor Member out of the accounting fee payable to it pursuant to Section 8.21 of this Agreement.

13.06 Section 754 Elections. In the event of a transfer of all or any part of the Interest of a Managing Member or of an Investor Member, the Company may elect, pursuant to Sections 743 and 754 of the Code (or any corresponding provision of succeeding law), to adjust the basis of the Company property if, in the opinion of the Investor Member, based upon the advice of the Accountants, such election would be most advantageous to the Investor Member. Each Member agrees to furnish the Company with all information necessary to give effect to such election.

13.07 Fiscal Year and Accounting Method. The fiscal year of the Company shall be the fiscal year of the Investor Member, which ends at December 31; provided, however, that upon request from the Investor Member, the fiscal year of the Company shall become the calendar year. All Company accounts shall be determined on an accrual basis.

13.08 Late Report Penalties. (i) In the event that the reports of information provided for in Sections 13.02(b) or 13.03 above are, at any time, not provided within the time frames set forth therein, the Managing Member shall be obligated to pay to the Investor Member the sum of \$200.00 per day, as liquidated damages, for each day from the date upon which such report(s) or information is (are) due pursuant to the provisions of the aforesaid Sections until the date upon which such report(s) or information is (are) provided in form acceptable to the Investor Member. In the event that the reporting requirements set forth in any of the above provisions of this Article XIII are not met, the Investor Member, in its reasonable discretion, may direct the Managing Member to dismiss the Accountants, and to designate successor Accountants, subject to the approval of the Investor Member; provided, however, that if the Managing Member and the Investor Member cannot agree on the designation of successor Accountants, the successor Accountants shall be designated by the Investor Member in its sole reasonable discretion, and the fees of such successor Accountants shall be paid by the Managing Member.

ARTICLE XIV
AMENDMENTS

14.01 Proposal and Adoption of Amendments. This Agreement may be amended by the Managing Member with the Consent of the Investor Member; provided that such Consent shall not be unreasonably withheld as to any proposed amendment which does not affect the obligations of the Managing Member or the rights of any of the Members under this Agreement; and further provided that, if the Investor Member proposes an amendment to this Agreement which either (a) increases or imposes upon the Investor Member the obligation to restore a deficit balance in its Capital Account, or (b) prospectively decreases the obligation of the Investor Member to restore a deficit balance in its Capital Account in a subsequent Fiscal Year of the Company, the Managing Member shall effectuate the adoption of such amendment; provided, however, that the Managing Member shall not be liable to the Investor Member for any adverse tax consequences that may result from any such increase or decrease.

ARTICLE XV
CONSENTS, VOTING AND MEETINGS

15.01 Method of Giving Consent. Any Consent required by this Agreement may be given by a written Consent given by the consenting Member and received by the Managing Member at or prior to the doing of the act or thing for which the Consent is solicited.

15.02 Submissions to Investor Members. The Managing Member shall give the Investor Member Notice of any proposal or other matter required by any provision of this Agreement or by law to be submitted for consideration and approval of the Investor Members. Such Notice shall include any information required by the relevant provision or by law.

15.03 Meetings: Submission of Matter for Voting. A majority in Interest of the Investor Members shall have the authority to convene meetings of the Company and to submit matters to a vote of the Members.

ARTICLE XVI
GENERAL PROVISIONS

16.01 Burden and Benefit. The covenants and agreements contained herein shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of the respective parties hereto.

16.02 Applicable Law. This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia.

16.03 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original copy and all of which together shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties shall not have signed the same counterpart.

16.04 Separability of Provisions. Each provision of this Agreement shall be considered separable, and if for any reason any provision which is not essential to the effectuation of the basic purposes of this Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement which are valid.

16.05 Entire Agreement. This Agreement sets forth all (and is intended by all parties to be an integration of all) of the representations, promises, agreements and understandings among the parties hereto with respect to the Company, the Company business and the property of the Company, and there are no representations, promises, agreements or understandings, oral or written, express or implied, among them other than as set forth or incorporated herein.

16.06 Liability of the Investor Member. Notwithstanding anything to the contrary contained herein, neither the Investor Member nor any of its members shall have any personal liability to any of the parties to this Agreement with regard to the representations and covenants extended, or the obligations undertaken, by the Investor Member under this Agreement, except that the Investor Member shall be personally obligated to fund its Capital Contributions when, as and if required by this Agreement and subject to any defenses and offsets it may have with respect to the funding of such Capital Contributions. In the event that the Investor Member shall be in default under any of the terms of this Agreement, the sole recourse of any party hereto for any indebtedness due hereunder, or for any damages resulting from any such default by the Investor Member, shall be either against the Interest of the Investor Member and the capital contributions of the members of the Investor Member (either directly or through another Investor Member) allocated to, and remaining for investment in, the Company; provided, however, that under no circumstances shall the liability of the Investor Member for any such default be in excess of the amount of Capital Contribution payable by the Investor Member to the Company, under the terms of this Agreement, at the time of such default, less the value of the Interest of the Investor Member, if such Interest is claimed as compensation for damages.

form, lead-based paint, asbestos, urea formaldehyde insulation, methane gas, polychlorinated biphenyls ("PCBs") or radon, except for ordinary and necessary quantities of office supplies, cleaning materials and pest control supplies stored in a safe and lawful manner and petroleum products contained in motor vehicles (the "Hazardous Substances"); (ii) any underground storage tanks; (iii) accumulations of debris, mining spoil, spent batteries, except for ordinary garbage stored in receptacles for regular removal; (iv) or any other condition which could result in liability for an owner or operator of the Project under any federal, state, or local law, rule, regulation, or ordinance.

(b) The Managing Member further represents and warrants that (i) neither it nor, to the best of its knowledge, any other party has been, is or will be involved in operations at or, pursuant to the Managing Member's best knowledge, near the Land, which operations could lead to (A) a determination of liability under the Hazardous Waste Laws as to the Company or (B) the creation of a lien on the Land under the Hazardous Waste Laws or under any similar laws or regulations; and (ii) the Managing Member has not permitted, and will use best efforts not to permit, any tenant or occupant of the Project to engage in any activity that could impose liability under the Hazardous Waste Laws on such tenant or occupant, on the Land or on any other owner of the Project.

(c) The Managing Member further warrants and represents to the best of the Managing Member's knowledge that the Project is in compliance with all applicable Hazardous Waste Laws, and the Managing Member has not received notice of any violations of the Hazardous Waste Laws. The Managing Member covenants and agrees to take all necessary action within its control to ensure that the Project is in compliance with the Hazardous Waste Laws at all times and that the Project remains free from the presence of any Hazardous Substances in, on or under the Project. The Managing Member will promptly deliver any notice it may receive of any violation of the Hazardous Waste Laws to the Investor Member and the Special Member.

The foregoing indemnification shall be a recourse obligation of the Managing Member and shall (to the full extent permitted by law) survive the dissolution of the Company and the death, dissolution, retirement, incompetency, insolvency, bankruptcy, or withdrawal of the Managing Member.

(e) For purposes of this Agreement, the term "Hazardous Waste Laws" shall mean any governmental requirements pertaining to land use, air, soil, subsoil, surface water, groundwater (including the quality of, protection, clean-up, removal, remediation or damage of or to land, air, soil, subsoil, surface water and groundwater), including, without limitation, the

(b) In the event that a Managing Member withdraws from the Company or sells, transfers or assigns its entire Interest pursuant to Section 6.01(a), it shall be and shall remain liable for all obligations and liabilities incurred by it as Managing Member before such withdrawal, sale, transfer or assignment shall have become effective, but shall be free of any obligation or liability incurred on account of the activities of the Company from and after the time such withdrawal, sale, transfer or assignment shall have become effective.

(c) if the successor or additional Person is a corporation, it shall have provided the Company with evidence satisfactory to counsel for the Company of its authority to become a Managing Member, to do business in the Commonwealth of Virginia and to be bound by the terms and provisions of this Agreement; and

(d) Counsel for the Company shall have rendered an opinion that the admission of the successor or additional Person is in conformity with the Act and that none of the actions taken in connection with the admission of the successor Person will cause the termination or dissolution of the Company or will cause it to be classified other than as a partnership for federal income tax purposes.

6.03 Effect of Bankruptcy, Death, Withdrawal, Dissolution or Incompetence of a Managing Member.

(a) In the event of the Bankruptcy of a Managing Member or the withdrawal, death or dissolution of a Managing Member, or an adjudication that a Managing Member is incompetent (which term shall include, but not be limited to, insanity) the business of the Company shall be continued by the other Managing Member(s); provided, however, that if the withdrawn, Bankrupt, deceased, dissolved or incompetent Managing Member is then the sole Managing Member, or if such Managing Member withdraws from the Company in contravention of the provisions of Section 6.01(a) of this Agreement, then the Company shall be terminated, unless within ninety (90) days after receiving Notice of such Bankruptcy, withdrawal, death, dissolution or adjudication of incompetence or breach of Section 6.01(a), the Investor Member elects to designate the Special Member or such other entity as the Investor Member may desire as a successor Managing Member and continue the Company upon the conversion of such Special Member to the Managing Member of the Company. Consequences of the removal of the Managing Member shall be determined under Section 6.05 hereof.

(b) Upon the Bankruptcy, death, dissolution or adjudication of incompetence of a Managing Member or breach of Section 6.01(a), such Managing Member shall immediately cease to be a Managing Member and its Interest shall without further action be converted to an Investor Member Interest; provided, however, that, if such Bankrupt, dissolved, incompetent, deceased or defaulted Managing Member is the sole remaining Managing Member, such Managing Member shall cease to be a Managing Member only upon the expiration of ninety (90) days after Notice to the Investor Member of the Bankruptcy, death, dissolution, declaration of incompetence or default of such Managing Member; and provided further that, if such Bankrupt, dissolved, incompetent, deceased or defaulted Managing Member is the sole remaining Managing Member, the converted Company Interest of such replaced Managing Member shall be ratably reduced to the extent necessary to insure that the substitute Managing Member(s) holds a .009% Percentage Interest (as set forth in Section 5.01).

(c) Except as set forth above, such conversion of a Managing Member Interest to an Investor Member Interest shall not affect any rights, obligations or liabilities (including without limitation, any of the Managing Member's obligations under Section 8.11 herein) of the Bankrupt, deceased, dissolved, removed, incompetent or defaulted Managing Member existing prior to the Bankruptcy, death, dissolution, removal, incompetence or default of such person as a Managing Member (whether or not such rights, obligations or liabilities were known or had matured).

(d) If, at the time of the withdrawal, Bankruptcy, death, dissolution, adjudication of incompetence or default under Section 6.01(a) of a Managing Member, the Bankrupt, withdrawn, deceased, dissolved, incompetent or defaulted Managing Member was not the sole Managing Member of the Company, the remaining Managing Member or Managing Members shall immediately (i) give Notice to the Investor Members of such Bankruptcy, death, dissolution, adjudication of incompetence or default, and (ii) make such amendments to this Agreement and execute and file such amendments or documents or other instruments as are necessary to reflect the conversion of the Interest of the Bankrupt, deceased, dissolved, incompetent or defaulted Managing Member and his having ceased to be a Managing Member. The remaining Managing Member or Managing Members are hereby granted an irrevocable power of attorney, coupled with an interest, to execute any or all documents on behalf of the Members and the Company and to file such documents as may be required to effectuate the provisions of this Section 6.03.

The Investor Member has entered into this Agreement with the Managing Member in reliance upon the unique knowledge, experience and expertise of the Managing Member, and its officers in the planning and implementation of the acquisition of the Project and in the area of affordable housing and development in general. The foregoing restriction on transfer is based in part on the above factors. The Managing Member expressly agrees that the Investor Member shall not be required to accept performance under this Agreement from any person other than the Managing Member, including, without limitation, any trustee of the Managing Member appointed under the Bankruptcy Code, 11 U.S.C. § 101 et seq., and any assignee of any such trustee.

(ii) upon the occurrence of any of the following:

(A) the Managing Member or the Company shall have violated any material provisions of the Regulatory Agreement, the Extended Use Agreement and/or the Loan Agreement, or any material provisions of any other Project Document or other document required in connection with any Project Loan or any material provisions of a Project Lender and/or Agency requirements applicable to the Project, which violation has not been explicitly waived in writing by the applicable Project Lender or the Agency, as applicable;

(3) in the reasonable opinion of the Investor Member, cause a recapture or reduction in Certified Credits;

(4) violate any federal or state securities laws;

(5) cause the Investor Member to be liable for Company obligations in excess of its Capital Contributions; or

(F) cause for removal as a managing member of an Affiliated Company shall exist pursuant to the operating agreement of an Affiliated Company;

The Managing Member shall have ten (10) days after receipt of such Notice to cure any default or other reason for such removal, in which event it shall remain as Managing Member. If, at the end of ten (10) days, the Managing Member has not cured any default or other reason for such removal, it shall cease to be Managing Member and the powers and authorities conferred on it as Managing Member under this Agreement shall cease and the Interests of such Managing Member shall be transferred to the Special Member or its designee which, without further action, shall become the Managing Member; in such event, upon becoming the Managing Member, such designee shall be bound by all applicable terms and conditions of this Agreement and of the Project Documents.

(c) Managing Member Obligations and Liability Following Removal.

(i) In the event that the Managing Member is removed as aforesaid prior to the Final Closing, it shall be and shall remain liable for all obligations and liabilities incurred by it as Managing Member of the Company before such removal shall become effective, including but not limited to the obligations and liabilities of the Managing Member with respect to its obligations set forth in Section 8.11 of this Agreement; provided however, that if amounts otherwise payable to the Managing Member as fees are applied to meet the obligations of the Managing Member as stated in Sections 5.01, 5.05 and 8.11 of this Agreement, such application shall serve to reduce any such liabilities of the Managing Member or any successor, except for any liability incurred as the result of its negligence, misconduct, fraud or breach of its fiduciary duties as Managing Member of the Company. If the Managing Member is removed as Member of the Company prior to the Final Closing as aforesaid, the Managing Member shall not be entitled to payment of the Incentive Management Fee or other fees which otherwise would have been due and payable under or pursuant to various Sections of this Article VI or Article VII.

(ii) In the event that the Managing Member is removed as aforesaid after the Final Closing, it shall be and shall remain liable for all obligations and liabilities incurred by it as Managing Member of the Company before such removal shall become effective, including but not limited to the Managing Member's obligations and liabilities under Section 8.11(b) of this Agreement; provided, however, that if amounts otherwise payable to the Managing Member or Affiliates thereof as fees are applied by the Company to pay Operating Deficits, such application shall serve to reduce any such liabilities after the Final Closing, except for any liability incurred as the result of its negligence, misconduct, fraud or breach of its fiduciary duty as Managing Member of the Company. If the Managing Member is removed as Member of the Company at any time after the Final Closing, the Developer or its successor(s) shall continue to be paid subsequent to such removal, in accordance with the terms and conditions of this Agreement, any installments of the Development Fee which would have otherwise been due and payable to it pursuant to Section 8.12 and which are not otherwise being withheld; provided, however, upon any such removal of the Managing Member after the Final Closing, no further installments of the Incentive Management Fee shall be paid which are attributable to any period after such removal.

(d) Power of Attorney. The Investor Member hereby is granted an irrevocable power of attorney, coupled with an interest, to execute any and all documents on behalf of the Members and the Company as shall be legally necessary and sufficient to effect all of the foregoing provisions of this Section 6.05. The election by the Investor Member to remove the Managing Member under this Section shall not limit or restrict the availability and use of any other remedy which the Investor Member or any other Member might have with respect to the Managing Member in connection with its undertakings and responsibilities under this Agreement.

If such efforts are not successful on terms reasonably satisfactory to the Investor Member within six (6) months, the Investor Member shall have the right thereafter to locate a purchaser for the Project. If the Investor Member locates such a purchaser, the Managing Member shall be given a right of first refusal to purchase the Project on the same terms and conditions as would be applicable to such purchaser. If such right of first refusal is not exercised by the Managing Member within thirty (30) days, then the Managing Member shall be obligated to consent to the sale to such purchaser so long as the purchase price and other terms offered by such purchaser are at least as favorable to the Company as the best offer, if any, located by the Managing Member. If the Investor Member requests that the Compliance Termination Sale be conducted in a manner that would result in the conversion of the Project to a condominium regime of ownership and the sale of individual condominium units, the Managing Member shall use diligent efforts to accomplish such conversion on such terms which are reasonably satisfactory to the Investor Member.

(d) Managing Member Option. The Managing Member or its designee, if it is a qualified non-profit under the terms of Section 42(i)(7) of the Code, shall have the right of first refusal to purchase the Project at the end of the low-income housing tax credit compliance period, in accordance with said Section 42(i) (7) of the Code, for an amount equal to at least the sum of (i) \$1.00, plus (ii) all outstanding debt of the Company, including debt encumbering the Project, plus (iii) the aggregate federal, state and local (if any) income tax liabilities which would be incurred by the Members of the Investor Member as a consequence of such purchase, on the terms set forth in **Exhibit L** attached hereto.

8.04 Management Purposes. In conducting the business of the Company, the Managing Member shall be bound by the Company's purposes set forth in Article III.

8.05 Delegation of Authority. The Managing Member may delegate all or any of its powers, rights and obligations hereunder, and may appoint, employ, contract or otherwise deal with any Person for the transaction of the business of the Company, which Person may, under supervision of the Managing Member, perform any acts or services for the Company as the Managing Member may approve.

8.06 Managing Member or Affiliates Dealing with Company. The Managing Member or any Affiliates thereof shall have the right to contract or otherwise deal with the Company for the sale of goods or services to the Company in addition to those set forth herein, if (a) compensation paid or promised for such goods or services is reasonable (i.e., at fair market value) and is paid only for goods or services actually furnished to the Company, (b) the goods or services to be furnished shall be reasonable for and necessary to the Company, (c) the fees, terms and conditions of such transaction are at least as favorable to the Company as would be obtainable in an arm's-length transaction, (d) no agent, attorney, accountant or other independent consultant or contractor who also is employed on a full-time basis by the Managing Member or any Affiliate shall be compensated by the Company for his services. Any contract covering such transactions shall be in writing and shall be terminable without penalty on sixty (60) days' Notice. Any payment made to the Managing Member or any Affiliate for such goods or services shall be fully disclosed to all Investor Members in the reports required under Section 13.02. Neither the Managing Member nor any Affiliate shall, by the making of lump sum payments to any other Person for disbursement by such other Person, circumvent the provisions of this Section 8.06.

8.07 Other Activities. Except as limited in Section 8.06, Affiliates of the Managing Member may engage in or possess interests in other business ventures of every kind and description for their own account, including, without limitation, serving as general partner of other limited partnerships or the managing member of other limited liability companies which own, either directly or through interests in other companies or partnerships, government assisted housing developments similar to the Project. Neither the Company nor any of the Members shall have any rights by virtue of this Agreement in or to such other business ventures or to the income or profits derived therefrom.

8.08 Liability for Acts and Omissions. No Managing Member or Affiliate thereof shall be liable, responsible or accountable in damages or otherwise to any of the Members for any act or omission performed or omitted by it in good faith on behalf of the Company and in a manner reasonably believed by it to be within the scope of the authority granted to it by this Agreement and in the best interest of the Company, provided that the protection afforded the Managing Member pursuant to this Section 8.08 shall not apply in the case of negligence, misconduct, fraud or any breach of fiduciary duty as Managing Member with respect to such acts or omissions. Any loss or damage incurred by any Managing Member or Affiliate thereof by reason of any act or omission performed or omitted by it or any of them in good faith on behalf of the Company and in a manner reasonably believed by it to be within the scope of the authority granted by this Agreement and in the best interests of the Company (but not, in any event, any loss or damage incurred by the Managing Member or Affiliate thereof by reason of negligence, misconduct or fraud of the Managing Member or Affiliate thereof, or any breach of fiduciary duty as Managing Member, with respect to such acts

or omissions) shall be paid from Company assets (except for reserves) to the extent available (but the Investor Members shall not have any personal liability to the Managing Member or Affiliate(s) thereof under any circumstances on account of any such loss or damage incurred by the Managing Member or Affiliate(s) thereof or on account of the payment thereof).

8.09 Indemnification of Investor Member and the Company. The Managing Member and the Company shall, jointly and severally, indemnify, defend, and save harmless the Investor Member and Special Member from and against any claim, loss, expense, action or damage, including without limitation, reasonable costs and expenses of litigation and appeal (and the reasonable fees and expenses of counsel) asserted against the Investor Member or Special Member based on any act, omission, malfeasance or nonfeasance of the Company or the Managing Member, including without limitation any claim that the Investor Member or Special Member is liable for any indebtedness of the Company and excluding only liability directly caused by the Investor Member or Special Member's gross negligence or bad faith conduct. In addition, the Managing Member and the Company shall, jointly and severally, indemnify, defend, save and hold harmless the Investor Member and Special Member, and their representatives, from and against any and all costs, losses, liabilities, damages, lawsuits, proceedings (whether formal or informal), investigations, judgments, orders, settlements, recoveries, obligations, deficiencies, claims and expenses (whether or not arising out of third party claims), including, without limitation, interest, penalties, attorneys' fees and all amounts paid in investigation, or settlement of any of the foregoing, incurred in connection with or arising out of or resulting from the operations of the Managing Member, the Company or the Project prior to the date of this Agreement.

8.10 Net Worth of Managing Member. The Managing Member shall maintain a minimum net worth in an amount as may be necessary to assure that the Company will be taxed as a partnership, and not as an association taxable as a corporation, for federal income tax purposes.

8.11 Construction of the Project, Construction Cost Overruns, Operating Deficits; Other Managing Member Guarantees.

(a) Construction Completion Guaranty.

(i) The Company has entered into the Construction Contract. The Managing Member shall be responsible for:

(A) achieving completion of construction of the Project on a timely basis in accordance with the Plans and Specifications for the Project, the terms of this Agreement, the Project Documents and all legal requirements;

(B) meeting all requirements for obtaining all necessary unconditional certificate(s) of occupancy for all the apartment units in the Project;

(C) fulfilling all actions required of the Company to assure that the Project satisfies the Minimum Set-Aside Test and the Rent Restriction Test;

(D) causing the making of the Project Loans by the respective Project Lenders; and

(E) achieving Final Closing.

(ii) The Managing Member hereby is obligated to pay all Excess Development Costs; the Company shall have no obligation to pay any Excess Development Costs. Any amounts paid by the Managing Member pursuant to this subsection (a) shall be in the form of a loan to the Company (a "Completion Loan"). Any Completion Loan will be in the following terms: (A) it shall be unsecured; (B) it shall not bear interest; (C) it shall be repayable solely from Net Cash Flow and proceeds of a Capital Transaction at the time and in the amounts set forth in Sections 11.03(b), 11.04 and 12.02(a) of this Agreement; and (D) a Completion Loan shall be fully subordinated to payment of Project Loans, MM Loans, and indebtedness of the Company to all Persons other than Members.

(iii) In the event that the Managing Member shall fail to pay any such Excess Development Costs as required in this Section 8.11(a), an amount not in excess of the total of any remaining unpaid installments of the Development Fee due pursuant to Section 8.12 shall be suspended by the Company until such obligations are met by the Managing Member.

(b) Operating Deficit Guaranty. In the event that, at any time during the period commencing on achievement of Breakeven Operations and ending on the fifteenth anniversary of such date, an Operating Deficit shall exist, the Managing Member shall provide such funds to the Company as shall be necessary to pay such Operating Deficits. Funds provided after the achievement of Breakeven Operations shall be in the form of a loan to the Company (the "Operating Deficit Loan(s)"). Any Operating Deficit Loan shall be on the following terms: (i) it shall be unsecured; (ii) it shall not bear interest; (iii) it shall be repayable solely from Net Cash Flow and proceeds of a Capital Transaction at the time and in the amounts set forth in Sections 11.03(b), 11.04 and 12.02(a) of this Agreement; and (iv) Operating Deficit Loans shall be fully subordinated to payment of Project Loans, MM Loans, and indebtedness of the Company to all Persons other than Members. In the event that the Managing Member shall fail to make any such Operating Deficit Loan as aforesaid, the Company shall utilize amounts otherwise payable as installments of the Development Fee pursuant to Section 8.12 of this Agreement to meet the obligations of the Managing Member pursuant to this Section 8.11(b). Amounts so utilized shall also constitute payment and satisfaction of installments of the Development Fee and such other fees payable under the aforesaid Section of this Agreement, and the obligation of the Company to make such installment payments pursuant to such Sections, as well as the Investor Member's obligation to make future Capital Contributions, shall be reduced correspondingly. For the purpose of this Section 8.11(b), all expenses shall be paid on a sixty (60) day current basis.

(c) LIHTC Compliance Guaranty. (i) If with respect to any fiscal year of the Company there is a LIHTC Shortfall, the Managing Member shall, within forty-five (45) days following the close of such fiscal year, pay the Investor Member an amount equal to (A) the amount of the LIHTC Shortfall for the fiscal year immediately preceding the payment due date multiplied by \$0.9200, (B) all penalties and interest imposed by the Code and assessed against the Investor Member by the IRS with respect to any LIHTC Shortfall, and (C) an amount sufficient to pay any tax liability owed by the Investor Member resulting from the receipt of the amounts specified in the foregoing clauses (A), (B) and this clause (C) of this Section 8.11(c)(i) (such calculation to be made assuming the Investor Member is subject to the highest federal and state tax rates imposed on corporate tax payers under the Code at that time for the taxable year of the Investor Member in which such payment is taken into income by the Investor Member), together with interest on such amounts at the Prime Rate accruing from such payment due date.

(ii) The Managing Member irrevocably and unconditionally guarantees payments specified in this Section 8.11(c)(ii) to the Investor Member if there is a LIHTC Recapture Event. The payments required by this Section 8.11(c)(ii) shall be the sum of the following amounts: (A) the amount of LIHTC previously allocated to the Investor Member and subsequently disallowed because of such LIHTC Recapture Event multiplied by \$0.9200; (B) the "credit recapture amount" (as defined in Code Section 42(j)(2)) allocated to the Investor Member because of such LIHTC Recapture Event; (C) all penalties and interest imposed by the Code and assessed against the Investor Member by the IRS with respect to such LIHTC Recapture Event; (D) an amount sufficient to pay any tax liability owed by the Investor Member resulting from the receipt of the amounts specified in the foregoing clauses (A), (B), (C) and this clause (D) of this Section 8.11(c)(ii) (such calculation to be made assuming the Investor Member is subject to the highest federal and state tax rate imposed on corporate taxpayers under the Code at that time for the taxable year of the Investor Member in which such payment is taken into income by the Investor Member, together with interest on such amounts at the Prime Rate accruing from the date the Investor Member remits funds to a taxing authority with respect to a LIHTC Recapture Event; and (E) if the cause of the LIHTC Recapture Event will, in determination of the Investor Member, decrease the maximum amount of LIHTC that will be available to the Company and allocated to the Investor Member during the remainder of the compliance period under Section 42 of the Code, assuming full compliance with Section 42 of the Code, then an amount equal to the total amount of such decrease. The Managing Member shall make such payment to the Investor Member within forty-five (45) days of the LIHTC Recapture Event.

(iii) The LIHTC Compliance Guaranty set forth herein shall not apply to amounts due solely to the transfer by the Investor Member of all or a portion of its Interest in the Company or to changes in the tax law after the date hereof with which the Managing Member is unable to comply despite the exercise of its good faith and reasonable efforts.

(iv) Intentionally Omitted.

(v) Funds provided by the Affiliate Guarantor with respect to the Managing Member's obligations under subparagraphs (i) or (ii) above shall be in the form of a loan to the Company (the "Guarantor LIHTC Compliance Loan"). Any Guarantor LIHTC Compliance Loan shall be on the following terms: (i) it shall be unsecured; (ii) it shall bear no interest; and (iii) it shall be repayable solely from proceeds of a Capital Transaction or liquidation at the time and in the amounts set forth in Sections 11.04 and 12.02(a) of this Agreement. Notwithstanding the foregoing, the Investor Member shall have the authority to treat any guarantee payment made on behalf of the Company by its Managing Member or the Affiliate Guarantor as (i) a capital contribution to the capital of the Company by the Managing Member in the amount of such guarantee payment that is matched with a corresponding upward adjustment to such Managing Member's capital account in the Company or (ii) as a loan (as described above) by the Managing Member in the amount of such guarantee payment, so as to minimize any possible unintended increase in the amount of depreciation and tax credits allocated to the Managing Member; provided that any losses or other deductions, other than depreciation, relating to such capital contribution or loan, shall be allocated to the Managing Member making such guarantee payment.

(d) Project Loan Funding Guaranty. The Managing Member irrevocably and unconditionally guarantees and covenants that the Company shall receive full funding of the Project Loans on or before December 31, 2020, on the terms set forth on **Exhibit F** attached hereto. The Managing Member represents and warrants that the source of funds for the Project Loans do not include, in whole or in part, "federal subsidies" within the meaning of Code Section 42(i) (i.e. the source of funds for the Project Loans does not include, in whole or in part, a "tax-exempt obligation," an obligation the interest on which is exempt from tax under Code Section 103). The Project Loan documents shall contain such other terms as may be Consented to by the Investor Member.

8.12 Development Fee. The Company has entered into a Development Agreement (materially in the form of **Exhibit A** attached hereto) of even date herewith with the Developer for its services in connection with the development and construction of the Project. In consideration for such services, a Development Fee in a total amount equal to \$495,000 shall be payable by the Company, in accordance with the terms of the Development Agreement and Article XI of this Agreement. In no event shall full payment of the Development Fee be later than the thirteenth anniversary of placement in service. It is anticipated that \$146,685 of the Development Fee will be deferred and paid pursuant to Article XI.

8.13 Incentive Management Fee. The Company has entered into an Incentive Management Fee Agreement in the form attached hereto as **Exhibit B**, with the Managing Member of even date herewith for its services in managing the business of the Company for the period from the date hereof throughout the term of the Company. In no event shall the Incentive Management Fee be cumulative. Payment of such fee shall be in accordance with any applicable requirements of the Project Lenders.

8.14 Withholding of Fee Payments.

(a) Conditions for Withholding. In the event that (i) the Managing Member or any successor Managing Member shall not have substantially complied with any material provisions under this Agreement, or under the operating agreement with respect to an Affiliated Company, after Notice from the Investor Member of such noncompliance and failure to cure such noncompliance within a period of thirty (30) days from and after the date of such Notice, or (ii) any Project Lender shall have declared the Company to be in default under any Project Loan or under any of the mortgage loans as to an Affiliated Company, or (iii) foreclosure proceedings shall have been commenced against the Project or against an Project owned by the Affiliated Company, then (A) the Managing Member shall be in default of this Agreement, and the Company shall withhold payment of any installment of fees and/or allowance payable pursuant to Sections 4.02(s), 8.12 and/or 8.13 and (B) the Managing Member shall be liable for the Company's payment of any and all installments of the Development Fee payable pursuant to Section 8.12.

(b) Release of Fees. All amounts so withheld by the Company under this Section 8.14 shall be promptly released to the payees thereof only after the Managing Member has cured the default justifying the withholding, as demonstrated by evidence reasonably acceptable to the Investor Member.

8.15 Selection of Management Agent; Terms of Management Agreement. The Company shall engage such person, firm or company as the Managing Member may select, and as the Investor Member may approve, which approval shall not be unreasonably withheld (hereinafter referred to as "Management Agent") to manage the operation of the Project during the rent-up period and following Final Closing. The Management Agent must be a VHDA certified property manager. The Management Agent shall be paid a management fee subject to the approval of the Agency and/or the Project Lenders, if required, and the Special Member, but in no event will the management fee be greater than \$61 per unit per month, subject to increases allowed by USDA. The contract between the Company and the Management Agent and the management plan for the Project shall be in the form set forth in Exhibit G, with such changes acceptable to the Agency and/or the Project Lenders, if required, and reasonably acceptable to the Special Member. Such contract shall provide, among other things, that it shall be cancelable upon thirty (30) days' prior notice from the Company, and that the Management Agent will accrue the management fee to the extent necessary at any time to prevent a default under any Project Loan. Whenever the management agent for the Project is the Managing Member or an Affiliate of the Managing Member, the management agreement shall provide that it is immediately terminable at the election of the Investor Member or Special Member in the event of (a) the removal or withdrawal of the Managing Member, or (b) any material breach of or noncompliance with any provision of this Agreement by the Managing Member or any Affiliate of the Managing Member. Any other agreement entered into by the Company and any Managing Member or any Affiliate thereof shall specifically provide that such agreement shall be immediately terminable at the election of the Investor Member or Special Member if the Managing Member is removed or withdraws. Hunt & Associates Elderly Housing Corporation is approved by the parties hereto as the initial Management Agent.

8.16 Removal of the Management Agent. The Managing Member:

(a) may, upon receiving any required approval of the Project Lenders and the Investor Member, dismiss the Management Agent as the entity responsible for the Project under the terms of the contract between the Company and the Management Agent, and

(b) shall, at the request of the Investor Member, remove the Management Agent if the Special Member determines that the same is necessary to protect the interest of the Company or if the Management Agent is declared Bankrupt, is dissolved, or makes an assignment for the benefit of its creditors, or for any intentional misconduct by the Management Agent or its negligence in the discharge of its duties and obligations as Management Agent (subject to the fulfillment and expiration of any notice and/or opportunity to cure provisions of the Management Agreement), including, without limitation, for any action or failure to take any action which:

(i) violates in any material respect any provision of the Management Agreement entered into with the Company and approved by the Project Lenders, if required, and/or any material provision of the Project Documents and/or the Loan Documents applicable to the Project, or the Project Lenders-approved management plan for the Project;

(ii) violates in any material respect any provision of this Agreement or provision of applicable law; or

(iii) causes the Project to be operated in a manner which if continued would give rise to an event which would cause or would likely cause a recapture of LIHTC.

8.17 Replacement of the Management Agent. Upon the removal of the Management Agent as the entity responsible for the management of the Project, a substitute Management Agent which is not an Affiliate of the Managing Member shall be named by the Managing Member, subject to the approval of the Project Lenders, if required, and the approval of the Investor Member.

8.18 Loans to the Company. The Company is authorized to receive Operating Deficit Loans and MM Loans on the terms set forth in this Agreement. In addition, if (a) additional funds are required by the Company for any purpose relating to the business of the Company or for any of its obligations, expenses, costs or expenditures, and (b) the Company has not received an Operating Deficit Loan, or MM Loan to pay such amounts, then the Company may borrow such funds as are needed from a Person or organization, other than a Member or an Affiliate of a Member, in accordance with the terms of this Section 8.18, for such period of time and on such terms as the Managing Member and the Investor Member may agree; provided, however, that no such additional loans shall be secured by any mortgage or other encumbrance on the property of the Company without the prior approval of the Investor Member except that such approvals shall not be required in the case of the hypothecation of personal property purchased by the Company and not included in the security agreements executed by the Company at the time of Initial Closing. Nothing in this Section

8.18 shall modify or affect the obligation of the Managing Member to make Operating Deficit Loans and to perform its obligations when and as required by this Agreement.

8.19 Affiliate Guaranty. Concurrently with the execution of this Agreement, the Managing Member shall deliver to the Investor Member (a) the Affiliate Guaranty fully executed by each Affiliate Guarantor, (b) a pledge and security agreement executed by the Managing Member in the form of **Exhibit E** attached hereto (the "Managing Member Pledge"), wherein the Managing Member pledges and grants a security interest in its Managing Member interest in the Company and in each Affiliated Company to secure its obligation under this Agreement, and (c) an opinion of counsel to the Affiliate Guarantors in form satisfactory to the Investor Member regarding the Affiliate Guaranty and the Managing Member Pledge.

8.20 Intentionally Deleted.

8.21 Accounting Fee. An accounting fee shall be paid to Virginia Housing Capital Corporation under the Agreement to Provide Accounting and Reporting Services, the form of which is attached hereto as **Exhibit J**. The obligation to pay such fee shall terminate at the end of the next year following the termination of the Compliance Period.

8.22 Public Relations. The Managing Member shall provide written and timely notice of any groundbreaking, ribbon-cutting or other public relations ceremonies for the Project to the Investor Member and recognize the Investor Member and the Investor Member's members at such public relations ceremonies.

ARTICLE IX
TRANSFERS AND RESTRICTIONS ON TRANSFERS
OF INTERESTS OF INVESTOR MEMBERS

9.01 Restrictions on Transfer of Investor Members' Interests.

(a) Under no circumstances will any offer, sale, transfer, assignment, hypothecation or pledge of any Investor Member Interest be permitted unless the Managing Member, in its sole discretion, shall have Consented thereto, and the Project Lenders, if required, also shall have Consented thereto, provided however, that the Managing Member shall not unreasonably withhold its Consent to the pledge by the Investor Member of its Investor Member Interest or a transfer of its right to receive distributions hereunder, so long as no pledgee or transferee shall have any right to become a Substitute Investor Member in the Company or exercise any voting rights of the Investor Member.

(b) The Investor Member whose interest is being transferred shall pay such reasonable expenses as may be incurred by the Company in connection with such transfer.

(c) Nothing in this Section 9.01 shall limit the authority of the Investor Member to sell, transfer and/or assign interests within the Investor Member or to transfer Interests of the Investor Member to (i) any Affiliate of the Investor Member or Special Member, in the sole discretion of the Investor Member, at any time and from time to time, or (ii) to any other Person once during the term of this Agreement upon Notice to the Managing Member(s).

9.02 Admission of Substitute Investor Members.

(a) Subject to the other provisions of this Article IX, an assignee of the Interest of an Investor Member (which shall be understood to include any purchaser, transferee, donee, or other recipient of any disposition of such Interest) shall be deemed admitted as a Substitute Investor Member of the Company only upon the satisfactory completion of the following:

(i) Consent of the Managing Member (which may be withheld in its sole discretion), and the consent of the Project Lenders, if required, shall have been given; such Consent of the Managing Member may be evidenced by the execution by the Managing Member of an amended Agreement and/or Articles of Organization evidencing the admission of such Person as an Investor Member pursuant to the requirements of the Act, provided, however, that no Consent shall be required for any sale, transfer or assignment pursuant to Section 9.01 (c);

(ii) the assignee shall have accepted and agreed to be bound by the terms and provisions of this Agreement by executing a counterpart thereof or an appropriate amendment hereto, and such other documents or instruments as the Managing Member may require in order to effect the admission of such Person as an Investor Member;

(iii) an amended Agreement and/or Articles of Organization evidencing the admission of such Person as an Investor Member shall have been filed for recording pursuant to the requirements of the Act;

(iv) if the assignee is a corporation, the assignee shall have provided the Managing Member with evidence satisfactory to Counsel for the Company of its authority to become an Investor Member under the terms and provisions of this Agreement; and

(v) the assignee or the assignor shall have reimbursed the Company for all reasonable expenses, including all reasonable legal fees and recording charges, incurred by the Company in connection with such assignment.

(b) For the purpose of allocation of profits, losses and credits, and for the purpose of distributing cash of the Company, a Substitute Investor Member shall be treated as having become, and as appearing in, the records of the Company as a Member upon his signing of an amendment to this Agreement agreeing to be bound hereby.

(c) If the Managing Member has determined it will Consent to the admission, the Managing Member shall cooperate with the Person seeking to become a Substitute Investor Member by preparing the documentation required by this Section and making all official filings and publications. In such event, the Company shall take all such action, including the filing, if required, of any amended Agreement and/or Articles of Organization evidencing the admission of any Person as an Investor Member, and the making of any other official filings and publications, as promptly as practicable after the satisfaction by the assignee of the Interest of an Investor Member of the conditions contained in this Article IX to the admission of such Person as an Investor Member of the Company. Any cost or expense incurred in connection with such admission shall be borne by the Substitute Investor Member.

9.03 Rights of Assignee of Company Interest.

(a) Except as provided in this Article and as required by operation of law, the Company shall not be obligated for any purpose whatsoever to recognize the assignment by any Investor Member of its Interest until the Company has received actual Notice thereof.

(b) Any Person who is the assignee of all or any portion of an Investor Member's Interest, but does not become a Substitute Investor Member, and who desires to make a further assignment of such Interest, shall be subject to all the provisions of this Article IX to the same extent and in the same manner as any Investor Member desiring to make an assignment of its Interest.

ARTICLE X RIGHTS AND OBLIGATIONS OF INVESTOR MEMBERS

10.01 Management of the Company. No Investor Member shall take part in the management or control of the business of the Company nor transact any business in the name of the Company. Except as otherwise expressly provided in this Agreement, no Investor Member shall have the power or authority to bind the Company or to sign any agreement or document in the name of the Company. No Investor Member shall have any power or authority with respect to the Company except insofar as the consent of any Investor Member shall be expressly required and except as otherwise expressly provided in this Agreement.

10.02 Limitation on Liability of Investor Members. The liability of each Investor Member is limited to its Capital Contribution as and when payable under the provisions of this Agreement, and as provided under the Act. No Investor Member shall have any other liability to contribute money to, or in respect of the liabilities or obligations of, the Company, nor shall any Investor Member be personally liable for any obligations of the Company, except as and to the extent provided in the Act. No Investor Member shall be obligated to make loans to the Company.

10.03 Other Activities. Any Investor Member may engage in or possess interests in other ventures of every kind and description for its own account, including without limitation, serving as

general partner or managing member of other limited partnerships or limited liability companies which own, either directly or through interests in other limited liability companies or limited partnerships, government-assisted housing projects similar to the Project. Neither the Company nor any of the Members shall have any right by virtue of this Agreement in or to such other business ventures to the income or profits derived therefrom.

ARTICLE XI PROFITS, LOSSES AND DISTRIBUTIONS

11.01 Allocation of Profits and Losses Other Than From Capital Transactions.

(a) Manner of Determination. Profits, Losses and credits for all purposes of this Agreement shall be determined in accordance with the definition of the same under Article II of the Agreement (as applicable) and in accordance with the accrual accounting method and in accordance with applicable Code sections and Treasury Regulations governing same.

(b) Allocations. All Profits and Losses, except those items in Sections 11.02, 11.05 and 11.07 below, shall be allocated to the Members in accordance with their Percentage Interests. Every item of income, gain, loss, deduction, or tax preference entering into the computation of such Profits and Losses, or applicable to the period during which such Profits and Losses were realized, shall be considered allocated to each Member in the same proportion as Profits and Losses are allocated to such Member.

(c) Intentionally Deleted.

(d) Special Member Allocation. Notwithstanding any provisions in the Agreement to the contrary, in no event shall the Special Member be allocated more than its Percentage Interest, determined as of the date hereof, of any item of Company income, gain, loss, deduction, credit or basis.

11.02 Allocation of Profits and Losses from Capital Transactions. Except to the extent provided in Sections 11.07, Profits and Losses recognized by the Company upon a Capital Transaction shall be allocated in the following manner:

(a) Profits shall be allocated (i) first, to the Members with negative Capital Account balances, that portion of gains (including any gains treated as ordinary income for federal income tax purposes) which is equal in amount to, and in proportion to, such Members' respective negative Capital Accounts in the Company; provided that no gain shall be allocated under this Section 11.02(a)(i) to a Member once such Member's Capital Account is brought to zero and (ii) second, gains in excess of the amount allocated under (i) shall be allocated to the Members in the amounts and to the extent necessary to increase the Members' respective Capital Accounts so that the proceeds distributed under Section 11.04(d) and (f) will be distributed in accordance with the

Members' respective Capital Accounts.

(b) Losses shall be allocated (i) first, to the extent and in such proportions as the respective positive balances in all Members' Capital Accounts, and (ii) second, any remaining loss to the Members in accordance with the manner in which they bear the economic risk of loss associated with such loss or, if none, to the Members in accordance with their Membership Interests.

(c) Any portion of the Profits treated as ordinary income for federal income tax purposes under Sections 1245 and 1250 of the Code ("Recapture Amount") shall be allocated on a dollar for dollar basis to those Members to whom the items of Company deduction or loss giving rise to the Recapture Amount had been previously allocated.

11.03 Distributions: Net Cash Flow.

(a) Determination of Net Cash Flow. Net Cash Flow shall be determined separately for each fiscal year or portion thereof commencing on the day after Final Closing and shall not be cumulative. Wherever there is a reference to the distribution of Net Cash Flow pursuant to the provisions of this Agreement, Net Cash Flow shall be deemed to be limited to Surplus Cash available for distribution. Income received by the Company from the period commencing with the date of receipt of the initial certificate of occupancy with respect to the Project and ending on the date of the Final Closing shall not be distributed during such period and shall be treated as Net Cash Flow with respect to the first Payment Date following Final Closing.

(b) Manner of Distribution. Subject to the approval of the Project Lenders, if required, Net Cash Flow shall be applied and/or distributed on each Payment Date in the following priority:

(i) first, to the Investor Member until the aggregate amount of distributions made to the Investor Member under this Section 11.03(b)(i) for the current and all prior years equals the Assumed Investor Member Tax Liability for the current and all prior years;

(ii) second, to the Investor Member in an amount equal to any LIHTC Reduction Guaranty Payment or Unpaid LIHTC Shortfall;

(iii) third, to the Managing Member until the aggregate amount of distributions made to the Managing Member under this Section 11.03(b)(iii) for the current and all prior years equals the Assumed Managing Member Tax Liability for the current and all prior years;

(iv) fourth, to replenish the Operating Reserve to the Initial Amount;

(v) fifth, to the Developer until all amounts due under the Development Agreement have been paid in full;

(vi) sixth, to the pro rata payment of any outstanding Operating Deficit Loans and MM Loans, based upon the respective outstanding balances of each;

(vii) seventh to the payment of the Incentive Management Fee; and

(viii) thereafter, 55.99% to the HEF XXI; 43.99% to HEF XXII; .009% to the Managing Member; and .011% to the Special Member.

Notwithstanding anything to the contrary contained herein, if the amount of the distribution to the Investor Member under Section 11.03(b) is less than 10% of the Net Cash Flow of the Project, then each Investor Member shall receive a priority distribution before any distributions under Section 11.03(b)(vii) and (viii) in an amount such that, when added to the sum distributable to each Investor Member under Section 11.03(b), shall equal 10% of the Cash Flow.

(c) Distributions to be Subject to Regulatory Restrictions. Notwithstanding the foregoing, during such time as regulations of the Project Lenders are applicable to the Project, the total amount of Net Cash Flow which may be so distributed to the Members with respect to any fiscal year shall not exceed such amounts as such regulations permit to be distributed.

11.04 Distributions: Capital Transactions and Liquidation of Company Property. Except as may be required under Section 12.02(b), the proceeds resulting from the liquidation of the Company assets pursuant to Section 12.02, and the net proceeds resulting from any Capital Transaction, as the case may be, shall be distributed and applied in the following order of priority:

(a) to the payment of all matured debts and liabilities of the Company (including amounts due pursuant to any Project Loan and all expenses of the Company incident to any such sale or refinancing), excluding (1) debts and liabilities of the Company to Members or any Affiliates, and (2) all unpaid fees owing to the Managing Member under this Agreement;

(b) to the setting up of any reserves which the Liquidator (or the Managing Member if the distribution is not pursuant to the liquidation of the Company) deems reasonably necessary for contingent, unmatured or unforeseen liabilities or obligations of the Company;

(c) Twenty Thousand and No/100 Dollars (\$20,000.00) to the Special Member, or its assignee as a Capital Transaction Administrative Fee, either upon sale or transfer of Investor Member interest;

(d) to the payment of any debts and liabilities (including unpaid fees) owed to the Members or any Affiliates by the Company for Company obligations; provided, however, that the foregoing debts and liabilities owed to Members and their Affiliates shall be paid or repaid, as applicable, in the following order of priority, if and to the extent applicable: (i) to the Investor Member, an amount equal to any outstanding LIHTC Reduction Guaranty Payment, or any Unpaid LIHTC Shortfall (applied first to accrued but unpaid interest (at the Default Rate) and then

principal); (ii) to the Investor Member, an amount equal to any Special Additional Capital Contribution; (iii) to the payment of any outstanding MM Loans and loans made by the Managing Member pursuant to Section 8.11(a)(i) and/or 8.11(a)(ii) pro rata based on their respective outstanding balances, if applicable; (iv) amounts due under the Development Agreement; (v) amounts due with respect to Operating Deficit Loans, if any; and (vi) any other such debts and liabilities;

(e) to the Managing Member and Investor Members in proportion to the relative amounts of Net Projected Tax Liabilities of the Managing Member and the Investor members or partners or members and their respective members or partners until they each have received, cumulatively, an amount equal to their respective Net Projected Tax Liabilities;

(f) to payment of the Guarantor LIHTC Compliance Loan (or, if funds provided are a capital contribution, under Section 8.11(c)(v), as a return of such capital); and

(g) the balance, .009% to the Managing Member, 55.99% to HEF XXI, 43.99% to HEF XXII, and .011% to the Special Member.

Written determination of the proposed distributions of proceeds of Capital Transactions, showing all relevant calculations and assumptions, shall be delivered to the Investor Member and Special Member not later than twenty (20) days prior to the Company entering into any agreement for a Capital Transaction, and written confirmation or any revision thereof shall be delivered to the Investor Member and Special Member not later than twenty (20) days prior to the making of any such distribution. Distributions hereunder shall be made within five (5) days of the Company's receipt of such proceeds.

11.05 Distributions and Allocations: General Provisions.

(a) In any year in which a Member sells, assigns or transfers all or any portion of an Interest to any Person who during such year is admitted as a substitute Member, the share of all profits and losses allocated to, and of all Net Cash Flow and of all cash proceeds distributable under Section 11.04 distributed to, all Members which is attributable to the Interest sold, assigned or transferred shall be divided between the assignor and the assignee ratably on the basis of the number of monthly periods in such year before, and the number of monthly periods on and after, the first day of the month during which such Person is admitted as a substitute Member.

(b) The Company shall, subject to any applicable limitation on the distribution of Net Cash Flow and any required approval by the Project Lenders, distribute Net Cash Flow not less frequently than annually in the manner provided in Section 11.03(b).

(c) In the event that there is a determination that there is any original issue discount or imputed interest attributable to the Capital Contribution of any Member, or any loan between a Member and the Company, any income or deduction of the Company attributable to such

imputed interest or original issue discount on such Capital Contribution or loan (whether stated or unstated) shall be allocated solely to such Member.

(d) In the event that the deduction of all or a portion of any fee paid or incurred by the Company to a Member or an Affiliate of a Member is disallowed for federal income tax purposes by the IRS with respect to a taxable year of the Company, the Company shall then allocate to such Member an amount of gross income of the Company for such year equal to the amount of such fee as to which the deduction is disallowed.

(e) If any Member's Interest in the Company is reduced but not eliminated because of the admission of new Members or otherwise, or if any Member is treated as receiving any items of property described in Section 751(a) of the Code, the Member's Interest in such items of Section 751(a) property that was property of the Company while such Person was a Member shall not be reduced, but shall be retained by the Member so long as the Member has an Interest in the Company and so long as the Company has an Interest in such property.

(f) In accordance with Section 704(c) of the Code (relating to allocations with respect to appreciated contributed property) and the Regulations thereunder, income, gain, loss, and deduction with respect to any property contributed to the capital of the Company shall be allocated, solely for tax purposes, among the Members so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its fair market value. Any elections or other decisions relating to such allocations shall be made by the Managing Member in any manner that reasonably reflects the purpose and intention of this Agreement.

(g) In the event that the Managing Member makes any Operating Deficit Loans pursuant to Section 8.11(b), any deductions or losses of the Company attributable to the use of those funds shall be specially allocated to the Managing Member.

(h) Any income attributable to the Capital Contribution of the Managing Member will be allocated to the Managing Member.

(i) Any income attributable to the modification of any of the Project Loan(s) shall be allocated 100% to the Managing Member.

11.06 Capital Accounts.

(a) Establishment and Maintenance. A separate Capital Account shall be maintained and adjusted for each Member. There shall be credited to each Member's Capital Account the amount of its Capital Contribution, the fair market value of any property contributed to the Company (net of any liabilities secured by such property) and such Member's distributive share of the income and gain for tax purposes of the Company including income or gain exempt from tax; and there shall be charged against each Member's Capital Account the amount of all cash flow distributed to such Member, the fair market value of any property distributed to such Member (net of

any liabilities secured by such property), the net proceeds resulting from the liquidation of the Company's assets or from any sale or refinancing of the Project distributed to such Member, and such Member's distributive share of the losses for tax purposes of the Company. Each Member's Capital Account shall be maintained and adjusted in accordance with the Code and the Treasury Regulations thereunder. The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Treas. Reg. § 1.704-1(b) and shall be interpreted and applied in a manner consistent with such regulations. It is the intention of the Members that the Capital Accounts maintained under this Agreement be determined and maintained throughout the full term of this Agreement in accordance with the accounting rules of Treas. Reg. § 1.704-1(b)(2)(iv).

(b) Deficit Capital Accounts; Regulatory Liquidation. In the event that the Company is liquidated within the meaning of Treas. Reg. § 1.704-1(b)(2)(ii)(g), if the Managing Member's Capital Account has a deficit balance (after giving effect to all contributions, distributions and allocations), the Managing Member shall make Capital Contributions in the amount of such deficit in compliance with Treas. Reg. § 1.704-1(b)(2)(ii)(b)(3). In the event that the Investor Member's Capital Account should have a deficit balance at such time, it shall have no obligation to fund or otherwise contribute capital to the Company in connection with such deficit. Notwithstanding the foregoing, in the event the Company is liquidated within the meaning of Treas. Reg. § 1.704-1(b)(2)(ii)(g) but no event has occurred under Section 12.01 to dissolve the Company, the Company assets shall not be liquidated, the Company's liabilities shall not be paid or discharged, and the Company's affairs shall not be wound up. Instead, the Company shall be deemed to have contributed all of its assets and liabilities to a new limited liability company in exchange for an interest in the new limited liability company. Immediately thereafter, the terminated Company shall be deemed to have distributed interests in the new limited liability company to the Members of the terminated Company in proportion to their respective interests in the terminated Company in liquidation of the terminated Company.

11.07 Special Allocations. Notwithstanding anything to the contrary contained in Section 11.01(a) or (b), the following special allocations in all events apply in determining the allocation of Profits and Losses among the Members and are made prior to the allocations required under §11.01(a) and (b):

(a) Depreciation and LIHTC.

(i) Depreciation (cost recovery) deductions and LIHTC are allocated to the Members in accordance with their Percentage Interests.

(ii) Any recapture of LIHTC is allocated to the Members that were allocated (or whose predecessors-in-interest were allocated) the depreciation/cost recovery deduction and LIHTC associated therewith.

(b) Limitation on Allocations of Losses.

(i) To the extent the allocation of any Losses to a Member would cause that Member to have an Adjusted Capital Account Deficit at the end of any fiscal year of the Company, then those Losses will not be allocated to that Member, but rather will be specially allocated to the remaining Members in proportion with their relative interests in the Company.

(ii) In the event some but not all of the Members would have Adjusted Capital Account Deficits due to an allocation of Losses, the limitation set forth in this Section 11.07(b) shall be applied on a Member-by-Member basis so as to allocate the maximum permissible Losses to each Member who is not a Managing Member under Treas. Reg. §1.704-1(b)(2)(ii)(d). All Losses in excess of the limitation set forth in this Section 11.07(b) shall be allocated to the Managing Member.

(c) Profit Chargeback. To the extent any Losses are specially allocated to a Member in accordance with Section 11.07(b), then Profits will thereafter first be specially allocated to such Member in proportion to and in an amount (1) up to but not exceeding the amount of any such special allocation of Losses away from such Member under such subparagraph (b) but (2) not to the extent that Losses or depreciation deductions would be allocated to the remaining Members in excess of the amount permitted by 11.07(b).

(d) Nonrecourse Deductions. Nonrecourse Deductions for any fiscal year shall be allocated to the Members in accordance with their Percentage Interests.

(e) Member Nonrecourse Deductions. Any Member Nonrecourse Deductions for any fiscal year shall be specially allocated to the Member or Members that bear the Economic Risk of Loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Treas. Reg. §1.704-2(b)(4) and Treas. Reg. §1.704-2(i).

(f) Company Minimum Gain Chargeback. Notwithstanding any other provision of this Agreement, if there is a net decrease in the Company's Minimum Gain attributable to Nonrecourse Liabilities during any taxable year, each Member shall be specially allocated a *pro rata* portion of each of the Company's items of income and gain for such year (and, if necessary for subsequent years) in proportion to, and to the extent of, an amount equal to such Member's share of the net decrease in such Minimum Gain during such taxable year as determined in accordance with the provisions of Treas. Reg. §1.704-2(g)(2). In the event that such net decrease in the Company's Minimum Gain occurs in connection with the disposition of all or any portion of the Project, then any items of Company income or gain allocated in accordance with the previous sentence shall first consist of gain recognized by the Company as a result of such disposition. It is the intent that the allocations provided in this Section 11.07(f) shall be determined in accordance with and only to the extent required by Treas. Reg. §1.704-2(f) and (j)(2)(i).

(g) Member Minimum Gain Chargeback. Notwithstanding any other provision of

this Agreement, if there is a net decrease in the amount of the Company's Minimum Gain during any taxable year with respect to a Member Nonrecourse Debt, the Member bearing the Economic Risk of Loss with respect to such Member Nonrecourse Debt shall be specially allocated a *pro rata* portion of each of the Company's items of income and gain for such taxable year (and, if necessary, for subsequent years) in proportion to, and to the extent of the amount of such Member's share of the net decrease in such Minimum Gain during such taxable year as determined in accordance with the provisions of Treas. Reg. §1.704-2(i)(4). In the event that such net decrease in the Member's Minimum Gain occurs in connection with the disposition of all or any portion of Project, then any items of Company income or gain allocated in accordance with the previous sentence shall first consist of gain recognized by the Company as a result of such disposition. It is the intent that the allocations provided in this Section 11.07(g) shall be determined in accordance with and only to the extent required by the provisions of Treas. Reg. §1.704-2(i) and (j)(2)(ii).

(h) Qualified Income Offset. If a Member unexpectedly receives any adjustments, allocations, or distributions described in §1.704-1(b)(2)(ii)(d)(4), (5) or (6) of the Regulations, then items of Company income or gain will be specially allocated to that Member in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of that Member as quickly as possible. The special allocations required pursuant to this subparagraph (h) are made only if and to the extent that such Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article 11 have been tentatively made as if this subparagraph (h) were not in the Agreement. This subparagraph (h) is intended to comply with the qualified income offset requirements of §1.704-1(b)(2)(ii)(d) of the Regulations and will be interpreted consistently therewith.

(i) Gross Income Allocation. In the event any Member has a deficit Capital Account at the end of any fiscal year in excess of the sum of (i) the amount that such Member must restore pursuant to any provision of this Agreement, if any, and (ii) the amount such Member is deemed obligated to restore pursuant to the penultimate sentence of Treas. Reg. § 1.704-2(g) and § 1.704-2(i)(5), such Member shall be specially allocated items of Company income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 11.07(i) shall be made if and only to the extent that such Member would have a deficit Capital Account in excess of such sum after all other allocations provided for in this Article XI have been tentatively made as if this Section 11.07(i) and Section 11.07(h) hereof were not in the Agreement.

(j) §754 Adjustment. To the extent an adjustment to the adjusted tax basis of any Company Property undertaken pursuant to §734(b) or 743(b) of the Code is required to be taken into account in determining the Capital Accounts of the Members under Treas. Reg. §1.704-1(b)(2)(iv)(m), then the amount of such adjustment to the Capital Accounts will be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss will be specially allocated to the Members in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to the aforementioned section of the regulations.

(k) Curative Allocations. In the event that income, loss or items thereof are allocated to one or more Members pursuant to Sections 11.07(h) through (i), subsequent income, loss or items thereof shall be allocated (subject to the provisions of Sections 11.07(h) and (i)) to the Members so that, to the extent possible in the judgment of the Managing Member, the net amount of allocations shall be equal to the amount that would have been allocated had Section 11.07 not been applied. Notwithstanding the foregoing, the allocation of depreciation deductions will be governed by Section 11.07(a) and this Section 11.07(k) shall not apply to allocations of depreciation deductions.

(l) Excess Nonrecourse Liabilities. Solely for purposes of determining a Member's proportionate share of the "excess nonrecourse liabilities" of the Company within the meaning of Treas. Reg. §1.752-3(a)(3), the Members' respective interests in Company Profits and deductions shall equal their Percentage Interests (determined without regard to Section 11.07(a)-(k)).

(m) Authority to Vary Allocations to Preserve and Protect Members' Intent

(i) It is the intent of the Members that each Member's distributive share of income, gain, loss, deduction, or credit (or item thereof) shall be determined and allocated in accordance with this Article XI to the fullest extent permitted by Section 704(b) of the Code. In order to preserve and protect the determinations and allocations provided for in this Article XI, the Managing Member, shall upon the direction in writing of the Special Member, allocate income, gain, loss, deduction, or credit (or item thereof) arising in any year differently than otherwise provided for in this Article XI as necessary to ensure that all allocations of income, gain, loss, deduction or credit (or item thereof) to the Members are permitted by Section 704(b) of the Code and Treasury Regulations promulgated thereunder. Any allocation made pursuant to this Section 11.07 shall be deemed to be a complete substitute for any allocation otherwise provided for in this Article XI and no amendment of this Agreement or approval of any Member shall be required.

(ii) In making any allocation (the "new allocation") under Section 11.07(m)(i), the Managing Member is authorized to act only upon the direction in writing of the Special Member or the Investor Member.

(iii) If the Managing Member receives a recommendation from the Accountants to make any new allocation in a manner less favorable to the Investor Member than is otherwise provided for in this Article XI, then the Managing Member shall do so only with the Investor Member's or the Special Member's Consent and only after having given the Investor Member and the Special Member the opportunity to discuss such allocation with the Accountants, and only after the Managing Member has been advised by the Accountants that it is permitted by Section 704(b) of the Code, to allocate income, gain, loss, deduction, or credit (or item thereof) arising in later years in such manner so as to bring the allocations of income, gain, loss, deduction, or credit (or item thereof) to the Investor Members as nearly as possible to the allocations thereof otherwise contemplated by this Article XI.

(n) Grant Income. Any income recognized as a result of any receipt of grants by the Company shall be allocated one hundred percent (100%) to the Managing Member.

11.08 Designation of Partnership Representative. The Managing Member shall be the partnership representative of the Company pursuant to Section 6223 of the Code (“Partnership Representative”) and shall engage in such undertakings as are required of the Partnership Representative of the Company, as provided in the Code and applicable Treasury Regulations. For each applicable tax year, the Partnership Representative shall appoint as the Designated Individual a person who is employed by the Managing Member or its Affiliate, has sufficient experience and authority to represent the Company in all dealings with the IRS, and is Consented to by the Investor Member or Special Member. If the Designated Individual is unable to perform the role required, no longer meets the requirements of the Code and Treasury Regulations or ceases to be employed by the Managing Member or its Affiliate, the Managing Member shall take all necessary action to cause such person to resign as the Designated Individual and to designate a successor representative that would otherwise qualify under this Agreement and under the Code and Treasury Regulations as a permissible Designated Individual. The Managing Member shall take any and all action required under the Code or Treasury Regulations (including on all applicable Company tax returns), as in effect from time to time, to designate itself as the Partnership Representative and the chosen person as the Designated Individual. The Managing Member shall cause the Designated Individual to agree to comply with all restrictions and obligations imposed on the Partnership Representative as set forth in this Agreement.

Each Member, by its execution of this Agreement, Consents to such designation of the Partnership Representative and agrees to execute, certify, acknowledge, deliver, swear to, file and record at the appropriate public offices such documents as may be necessary or appropriate to evidence such Consent.

11.09 Authority of Tax Matter Partner.

(a) The Partnership Representative shall have and perform all of the duties required under the Code and Treasury Regulations, including the following duties:

(i) Furnish the name, address, profits interest, and taxpayer identification number of each Member to the IRS;

(ii) Represent the Company in all dealings with the IRS and state and local taxing authorities in accordance with the obligations and restrictions imposed by this Agreement;

(iii) Within five calendar days after the receipt by the Managing Member or an Affiliate thereof or the Company of any correspondence or communication relating to the Company or a Member or an Affiliate of a Member from the IRS or state or local taxing authority, the Partnership Representative shall forward to each Member a photocopy of all such correspondence or communication(s). The Partnership Representative shall, within five calendar days thereafter, advise

each Member in writing of the substance and form of any conversation or communication held with any representative of the IRS or state or local taxing authority.

(b) The Partnership Representative shall, upon request by the Investor Member, permit the Investor Member to include its attorney in the power of attorney (Form 2848) for the Company for any taxable years under a tax audit or in a tax administrative appeals process.

(c) The Partnership Representative shall, solely upon request by the Investor Member, make an election pursuant to Sections 6221 or 6226 of the Code on behalf of the Company, provided the Company is permitted to make such election pursuant to the Code or Treasury Regulations thereunder.

(d) The Partnership Representative shall not without the Consent of the Special Member:

(i) Extend the statute of limitations for assessing or computing any tax liability against the Company (or the amount of character of any Company tax items);

(ii) Engage an accounting firm or counsel to represent the Company before the IRS;

(iii) Settle any audit with the IRS concerning the adjustment or readjustment of any Company item(s);

(iv) File a request for an administrative adjustment with the IRS at any time or file a petition for judicial review with respect to any such request or select the forum for judicial review of any IRS determination;

(v) Initiate or settle any judicial review or action concerning the amount or character of any Company tax item(s);

(vi) Intervene in any action brought by any other Member for judicial review of a final Company administrative adjustment;

(vii) Make an election pursuant to Sections 6221(b) or 6226(a) of the Code on behalf of the Company;

(viii) Take action pursuant to Treasury Regulations promulgated under Section 6225(c); or

(ix) Take any other action not expressly permitted by this Section 11.09 on behalf of the Members of the Company in connection with any administrative or judicial tax proceeding.

(e) In the event of any Company-level proceeding instituted by the IRS pursuant to Sections 6221 through 6241 of the Code, or by any other federal, state or local tax authority, the Partnership Representative shall consult with the Special Member regarding the nature and content of all action and defense to be taken by the Company in response to such proceeding. The Partnership Representative also shall consult with the Special Member regarding the nature and content of any proceeding pursuant to Sections 6221 through 6241 of the Code instituted by or on behalf of the Company (including the decision to institute proceedings, whether administrative or judicial, and whether in response to a previous IRS proceeding against the Company or otherwise). The Partnership Representative will provide the Investor Member and Special Member with notice reasonably in advance of any meetings or conferences with respect to any administrative or judicial proceedings relating to the determination of Company items at the Company-level (including any meetings or conferences with counsel or advisors to the Company with respect to such proceedings) and the Investor Member and Special Member shall have the right to participate, at the Investor Member's and Special Member's sole cost and expense, in any such meetings or conferences. In any such proceedings, the Partnership Representative shall take any action or omit to take any action, if reasonably requested by the Investor Member or Special Member.

(f) If, at any time, the Managing Member desires to accept a settlement offer or other proposed resolution of a tax dispute, and the Investor Member and Special Member do not, then, to the extent permitted by the Code and Treasury Regulations, the Special Member may elect to take control of such tax dispute (including by being appointed as the Partnership Representative for the relevant period) and resolve such tax dispute in the best interest of the Company, as reasonably determined by the Special Member. If exercised, this election shall apply only to such contested tax dispute and not to any other past, future, or pending dispute with a tax authority or other Company matter. Moreover, the exercise of this election shall not relieve the Managing Member of any of its other obligations under this Agreement, including its obligation to manage the Company.

(g) In the event that an election described in Code Section 6226(a) is not made with respect to any notice of final partnership adjustment, each Member shall be obligated to make a capital contribution in an amount equal to such Member's share of the imputed underpayment (and any associated interest and penalties) owed by the Company under Code Section 6225. For purposes of the preceding sentence, each Member's share of such imputed underpayment (and associated interest and penalties) shall be determined by taking into account (i) such Member's share of the income, gain, loss, deductions, basis and credits to which such adjustment and imputed underpayment relate, as determined by the Accountants; (ii) such Member's obligation (if any) to indemnify, defend, or hold harmless the Company or any other Member for such imputed underpayment (and any associated interest and penalties) under this Agreement; (iii) such Member's obligations and liabilities arising from or related to such Member's representations, warranties and covenants in this Agreement; and (iv) the obligations of the Managing Member(s) under Section 5.01(e) (relating to Tax Credit adjustments). For example, if an imputed underpayment were to relate to an adjustment or disallowance of Tax Credits previously allocated to the Investor Member, and such adjustment or disallowance would give rise to an obligation of the Managing Member to make a capital contribution under Section 5.01(e) (relating to Tax Credit adjustments), then such

Managing Member, rather than the Investor Member, would be required to make the capital contribution described in this paragraph.

(h) The Managing Member shall be the “tax matters partner” for all Fiscal Years of the Company beginning prior to January 1, 2018. Unless at the direction of the Investor Member, to be given in its sole and absolute discretion, the Managing Member shall not elect, and has not elected, pursuant to Section 1101(g)(4) of the Bipartisan Budget Act of 2015 (the “Budget Act”) to apply the provisions of Section 1101 of the Budget Act to a Fiscal Year of the Company beginning prior to January 1, 2018.

11.10 Expenses of Partnership Representative. The Company shall indemnify and reimburse the Partnership Representative for all expenses, including legal and accounting fees, claims, liabilities, losses and damages incurred in connection with any administrative or judicial proceeding with respect to the tax liability of the Members. The payment of all such expenses shall be made before any distributions are made from Net Cash Flow or any discretionary reserves are set aside by the Managing Member. The Managing Member shall have the obligation to provide funds for such purpose to the extent that Company funds are not otherwise available therefor. The taking of any action and the incurring of any expense by the Partnership Representative in connection with any such proceeding, except to the extent required by law, is a matter in the sole discretion of the Partnership Representative and the provisions on limitations of liability of the Managing Member and indemnification set forth in Section 8.08 of this Agreement shall be fully applicable to the Partnership Representative in its capacity as such. Sections 11.08, 11.09 and this Section 11.10 of the Agreement shall survive termination of any Member’s interest in the Company for any reason and shall be binding on all Members, including former Members.

ARTICLE XII SALE, DISSOLUTION AND LIQUIDATION

12.01 Dissolution of the Company. The Company shall be dissolved upon the earlier of the expiration of the term of the Company, or upon:

(a) the withdrawal, Bankruptcy, death, dissolution or adjudication of incompetency of the Managing Member who is at that time the sole Managing Member, subject to the provisions of Section 6.03, unless a majority in interest of the other Members, within ninety (90) days after receiving Notice of such withdrawal, Bankruptcy, death, dissolution or adjudication of incompetence, elects to designate a successor Managing Member(s) and continue the Company upon the admission of such successor Managing Member(s) to the Company;

(b) the sale or other disposition of all or substantially all of the assets of the Company, subject to the provisions of Section 6.03;

(c) the election by the Managing Member, with the Consent of a majority in interest of the other Members; or

(d) any other event causing the dissolution of the Company under the laws of the Commonwealth of Virginia.

12.02 Winding Up and Distribution.

(a) Upon the dissolution of the Company pursuant to Section 12.01, (i) a Certificate of Cancellation shall be filed in such offices within the Commonwealth of Virginia as may be required or appropriate and (ii) the Company business shall be wound up and its assets liquidated as provided in this Section 12.02 and the net proceeds of such liquidation, except as provided in Section 12.02(b) below, shall be distributed in accordance with Section 11.04.

(b) It is the intent of the Members that, upon liquidation of the Company, any liquidation proceeds available for distribution to the Members be distributed in accordance with the Members' respective positive Capital Account balances and in accordance with Treas. Reg. §1.704-1(b)(2)(ii)(b)(2). The Members believe that distributions under Section 11.04 will effectuate such intent. In the event that, upon liquidation, there would otherwise be any conflict between a distribution pursuant to the Members' respective positive Capital Account balances and the intent of the Members with respect to distribution of proceeds as provided in Section 11.04, the Liquidator shall, notwithstanding the provisions of Sections 11.01, 11.02, 11.03 and 11.05, allocate the Company's gains, profits and losses in a manner that will, as nearly as possible, cause the distribution of liquidation proceeds to the Members to be in accordance both with the Members' economic expectations as set forth in Section 11.04 and their respective Capital Account balances. If the Company's gains, profits and losses are insufficient to cause the Members' Capital Accounts to be in such amounts as will permit liquidation proceeds to be distributed both in accordance with the Members' respective positive Capital Account balances and Section 11.04, then liquidation proceeds shall be distributed in accordance with the Members' respective positive Capital Account balances after the allocations described herein have been made.

(c) The Liquidator shall file all certificates and notices of the dissolution of the Company required by law. The Liquidator shall proceed without any unnecessary delay to sell and otherwise liquidate the Company's property and assets; provided, however, that if the Liquidator shall determine that an immediate sale of part or all of the Company property would cause undue loss to the Members, then in order to avoid such loss, the Liquidator may, except to the extent provided by the Act, defer the liquidation as may be necessary to satisfy the debts and liabilities of the Company to Persons other than the Members. Upon the complete liquidation and distribution of the Company assets, the Members shall cease to be Members of the Company, and the Liquidator shall execute, acknowledge and cause to be filed all certificates and notices required by the law to terminate the Company.

(d) Upon the dissolution of the Company pursuant to Section 12.01, the Accountants shall promptly prepare, and the Liquidator shall furnish to each Member, a statement setting forth the assets and liabilities of the Company upon its dissolution. Promptly following the complete liquidation and distribution of the Company property and assets, the Accountants shall prepare, and the Liquidator shall furnish to each Member, a statement showing the manner in which the Company assets were liquidated and distributed.

ARTICLE XIII
BOOKS AND RECORDS, ACCOUNTING,
TAX ELECTIONS, ETC.

13.01 Books of Account. The Managing Member shall keep proper and complete books of account for the Company. Such books of account shall be kept at the principal office of the Company and shall be open at all times for examination and copying by the Investor Member or its authorized representatives. The Managing Member shall retain such books of account for six years after the later of the termination of the Company or the end of all applicable compliance periods under the Regulations. All decisions as to the fiscal year and accounting methods to be used by the Company shall be made only with the prior written Consent of the Investor Member. The Managing Member shall keep the Investor Member informed concerning the general state of the business and financial condition of the Company and shall, upon the reasonable request of the Investor Member, furnish to the Investor Member full information, accounts and documentation concerning the state of the business and financial condition of the Company. The Managing Member shall also provide the following statements or disclosures to the Investor Members:

ARTICLE XVI
GENERAL PROVISIONS

16.01 Burden and Benefit. The covenants and agreements contained herein shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of the respective parties hereto.

16.02 Applicable Law. This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia.

16.03 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original copy and all of which together shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties shall not have signed the same counterpart.

16.04 Separability of Provisions. Each provision of this Agreement shall be considered separable, and if for any reason any provision which is not essential to the effectuation of the basic purposes of this Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement which are valid.

16.05 Entire Agreement. This Agreement sets forth all (and is intended by all parties to be an integration of all) of the representations, promises, agreements and understandings among the parties hereto with respect to the Company, the Company business and the property of the Company, and there are no representations, promises, agreements or understandings, oral or written, express or implied, among them other than as set forth or incorporated herein.

16.06 Liability of the Investor Member. Notwithstanding anything to the contrary contained herein, neither the Investor Member nor any of its members shall have any personal liability to any of the parties to this Agreement with regard to the representations and covenants extended, or the obligations undertaken, by the Investor Member under this Agreement, except that the Investor Member shall be personally obligated to fund its Capital Contributions when, as and if required by this Agreement and subject to any defenses and offsets it may have with respect to the funding of such Capital Contributions. In the event that the Investor Member shall be in default under any of the terms of this Agreement, the sole recourse of any party hereto for any indebtedness due hereunder, or for any damages resulting from any such default by the Investor Member, shall be either against the Interest of the Investor Member and the capital contributions of the members of the Investor Member (either directly or through another Investor Member) allocated to, and remaining for investment in, the Company; provided, however, that under no circumstances shall the liability of the Investor Member for any such default be in excess of the amount of Capital Contribution payable by the Investor Member to the Company, under the terms of this Agreement, at the time of such default, less the value of the Interest of the Investor Member, if such Interest is claimed as compensation for damages.

16.07 Environmental Protection.

(a) The Managing Member warrants and represents that to the best of the Managing Member's knowledge, after diligent inquiry, there presently are not, in, on, or under the Project nor will there be, in, on, or under the Project, upon completion of the construction: (i) any "hazardous substance" as that term is defined under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. §9601, et seq., as amended ("CERCLA"), or any other hazardous or toxic substance, waste or material or any other substance or pollutant that poses a risk to human health or the environment, including, but not limited to, petroleum in any form, lead-based paint, asbestos, urea formaldehyde insulation, methane gas, polychlorinated biphenyls ("PCBs") or radon, except for ordinary and necessary quantities of office supplies, cleaning materials and pest control supplies stored in a safe and lawful manner and petroleum products contained in motor vehicles (the "Hazardous Substances"); (ii) any underground storage tanks; (iii) accumulations of debris, mining spoil, spent batteries, except for ordinary garbage stored in receptacles for regular removal; (iv) or any other condition which could result in liability for an owner or operator of the Project under any federal, state, or local law, rule, regulation, or ordinance.

(b) The Managing Member further represents and warrants that (i) neither it nor, to the best of its knowledge, any other party has been, is or will be involved in operations at or, pursuant to the Managing Member's best knowledge, near the Land, which operations could lead to (A) a determination of liability under the Hazardous Waste Laws as to the Company or (B) the creation of a lien on the Land under the Hazardous Waste Laws or under any similar laws or regulations; and (ii) the Managing Member has not permitted, and will use best efforts not to permit, any tenant or occupant of the Project to engage in any activity that could impose liability under the Hazardous Waste Laws on such tenant or occupant, on the Land or on any other owner of the Project.

(c) The Managing Member further warrants and represents to the best of the Managing Member's knowledge that the Project is in compliance with all applicable Hazardous Waste Laws, and the Managing Member has not received notice of any violations of the Hazardous Waste Laws. The Managing Member covenants and agrees to take all necessary action within its control to ensure that the Project is in compliance with the Hazardous Waste Laws at all times and that the Project remains free from the presence of any Hazardous Substances in, on or under the Project. The Managing Member will promptly deliver any notice it may receive of any violation of the Hazardous Waste Laws to the Investor Member and the Special Member.

(d) The Managing Member agrees to indemnify and hold harmless the Company, the Investor Member, the Special Member, and any member of the Investor Member (the "Indemnified Parties") from and against all claims, actions, causes of action, liability, and expense (including, without limitation, attorneys' fees, court costs, and remedial and response costs) incurred or suffered by, or asserted by any person, entity, or governmental agency against the Indemnified Parties due to breach of the Managing Member of the Company's representations, warranties, or covenants, or a violation of the Hazardous Waste Laws, or the presence of Hazardous Substances in, on, or under the Project. The foregoing indemnification shall be a recourse obligation of the Managing Member and shall (to the full extent permitted by law) survive the dissolution of the Company and the death, dissolution, retirement, incompetency, insolvency, bankruptcy, or withdrawal of the Managing Member.

(e) For purposes of this Agreement, the term "Hazardous Waste Laws" shall mean any governmental requirements pertaining to land use, air, soil, subsoil, surface water, groundwater (including the quality of, protection, clean-up, removal, remediation or damage of or to land, air, soil, subsoil, surface water and groundwater), including, without limitation, the following laws as the same may be from time to time amended: the Comprehensive Environmental Response Liability and Compensation Act, 42 U.S.C. § 9601, et seq., the Resource Conservation and Recovery Act, 42 U.S.C. §6901, et seq., the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq., the Federal Water Pollution Control Act, 33 U.S.C. §1251 et seq., the Safe Drinking Water Act, 42 U.S.C. § 300f et seq., the Clean Air Act, 42 U.S.C. § 7401 et seq., the Rivers and Harbors Act, 33 U.S.C. § 401 et seq., the Transportation Safety Act of 1974, portions of which are located at 49 U.S.C. § 1801 et seq., the Endangered Species Act, 16 U.S.C. § 1531 et seq., or any so-called "superfund" or "superlien" law, together with any other foreign or domestic laws (federal, state, provincial or local), common law, local rule, regulation (including, without limitation, any future change in judicial or administrative decisions interpreting or applying any of the laws, rules or regulations referred to herein) relating to emissions, discharges, release or threatened releases of any Hazardous Substances into ambient air, land, soil, subsoil, surface water, groundwater, personal property or structures, or otherwise relating to the manufacture, processing distribution, use treatment, storage, disposal, transport, discharge or handling of any Hazardous Substances, now or at any time hereafter in effect.

If the Members determine there is a need for the Operating Reserve within the aforementioned twenty-four (24) month period, the Investor Member may release this sixth Capital Contribution to the Company.

- (A) **Fifth Capital Contribution Paid.** The occurrence of the Investor Member's fifth Capital Contribution; and
- (B) **Other Documentation.** The Investor Member shall have received such other documentation as it may reasonably request to verify the accuracy of the representations and warranties and compliance with the covenants, duties and obligations set forth in Article IV and the Post Closing obligation, if any, as set forth in **Exhibit K** attached hereto.

(vii) **Investor Member's Special Additional Capital Contributions.** If, in any fiscal year of the Company, the Investor Member's Capital Account balance may be reduced to or below zero, the Investor Member may, in its sole and absolute discretion, make a Special Additional Capital Contribution to the Company, in an amount reasonably required to avoid the reduction of the Investor Member's Capital Account balance to or below zero. If the Investor Member makes a Special Additional Capital Contribution to the Company pursuant to this paragraph, the Investor Member shall receive a guaranteed payment pursuant to Section 5.06 for the use of its Special Additional Capital Contribution. Whenever the Investor Member makes a Special Additional Capital Contribution to the Company pursuant to this paragraph, the Managing Member shall have the option, in its sole and absolute discretion, to make Special Additional Capital Contributions to the Company, up to the same amount and on the same terms in the aggregate as the Special Additional Capital Contribution made by the Investor Member at that time.

(e) **Adjustment to Capital Contributions of Investor Member.** Following determination of Certified Credits, the Accountants shall make a determination as to whether there is a Downward Capital Adjustment. If events subsequent to such determination result in a decrease in the Capital Contributions of the Investor Member due to a Late Delivery Capital Adjustment, then the Accountants shall recalculate the Downward Capital Adjustment to take into account such Late Delivery Capital Adjustment. Following the determination of a Downward Capital

Adjustment and/or a Late Delivery Capital Adjustment, the Managing Member or the Company, as appropriate, shall make payments as required under Section 5.01(e)(ii).

(i) The following definitions shall apply for purposes of determining adjustments to Capital Contributions:

- A. "Certified Credit Capital Adjustment" shall equal the product of (A) Certified Credits for the Credit Period (excluding any LIHTC resulting from an increase in qualified basis under Code Section 42(f)(3)), minus \$124,338, times (B) \$0.8800 and (C) times ten (10). The Certified Credit Capital Adjustment may be a positive or negative number.
- B. "Certified Credit Capital Decrease" means a negative Certified Credit Capital Adjustment.
- C. "Certified Credit Capital Increase" means a positive Certified Credit Capital Adjustment.
- D. "Downward Capital Adjustment" shall mean the following: (A) if either there is a Certified Credit Capital Decrease or if the Certified Credit Capital Adjustment is zero, then the Certified Credit Capital Decrease plus the Late Delivery Capital Adjustment; or (B) if there is a Certified Credit Capital Increase, the positive amount, if any, by which the Late Delivery Capital Adjustment exceeds the Certified Credit Capital Increase.
- E. "Late Delivery Capital Adjustment" shall mean for calendar year 2021 the amount, if any, by which \$122,858 and for calendar year 2021 the amount exceeds Actual Credits for each such year.
- F. "Early Delivery Capital Adjustment" shall mean the product of (a) \$0.5000 and (b) the amount, if any, by which Actual Credits for calendar year 2021 exceed \$122,858 (but in no event shall the total Early Delivery Capital Adjustment exceed \$10,000); provided, however, that if the Project does not achieve 100% Qualified Occupancy by December 31, 2020 then the Investor Member shall not be obligated to make an Early Delivery Capital Adjustment despite the delivery of Actual Credit as described herein

(ii) If there is a Downward Capital Adjustment, then the Capital Contributions of the Investor Member shall be immediately reduced by the Downward Capital Adjustment. The Downward Capital Adjustment shall first reduce the fourth Capital Contribution (if it has not previously been funded), and then to the extent necessary, the fifth Capital Contribution, and then to the extent necessary, the remaining Capital Contributions. If the Downward Capital Adjustment exceeds the total of all unfunded Capital Contributions (prior to the

reduction under this provision), then the Managing Member shall make a payment immediately to the Company equal to the amount of such excess, and the Company shall immediately distribute such amount to the Investor Member as a return of its Capital Contributions. Such payment by the Managing Member shall constitute a non-reimbursable funding by it of Excess Development Costs and shall not give rise to any right as a loan or Capital Contribution or result in any increase in the Capital Account of the Managing Member. In the event that the Managing Member fails to make such payment in full and the Investor Member, in its sole discretion, elects not to exercise its remedies under Sections 5.05 or 6.05, as applicable, any amount not so paid by the Managing Member as required shall be payable out of Net Cash Flow and proceeds of Capital Transactions, as provided under Sections 11.03 and 11.04. Any payment required to be paid to the Investor Member pursuant to the preceding sentence out of Net Cash Flow and the proceeds of Capital Transactions shall be referred to as a "LIHTC Reduction Guaranty Payment". The Early Delivery Capital Adjustment, if applicable, shall be made at the time of the sixth Capital Contribution.

(f) Payment of Investor Member Due Diligence Costs. The Managing Member shall pay the costs and expenses incurred by the Investor Member in connection with the due diligence activities of the Investor Member and the closing of the transactions described herein, including Investor Member's legal fees and expenses, such Investor Member Due Diligence Costs not to exceed \$35,000.

(g) Additional Investor Members. Without the Consent of all of the Members, no additional Persons may be admitted as additional Investor Members and Capital Contributions may be accepted only as and to the extent expressly provided for in this Article V.

(h) Deposit of Capital Contributions. Except as otherwise provided in Section 5.01(d) herein, the cash portion of the Capital Contributions of each Member shall be deposited at the Managing Member's discretion in a checking, savings and/or money market or similar account to be established and maintained in the name of the Company or invested in government securities or certificates of deposit issued by any bank. Thereafter, such amounts shall be utilized for the conduct of the Company business pursuant to the terms of this Agreement.

(i) No Liability for Investor Member or Special Member. Except as may otherwise be provided under applicable law, no Investor Member or Special Member shall be bound by, or personally liable for, the expenses, liabilities or obligations of the Company.

(j) Payment of Environmental Assessment Consultant Fees. The Managing Member acknowledges that, on behalf of the Investor Member, the Investor Member (or is Affiliate) may retain an environmental consultant (the "Environmental Consultant") to review and give recommendations related to environmental reports that are provided to the Investor Member by the Managing Member (including, but not limited to, Phase I and Phase II environmental assessments, wetlands reports, lead and asbestos reports, abatement reports and other

environmental reports required by the Environmental Consultant, to the reasonable satisfaction of the Environmental Consultant) for the Land, or the construction and rehabilitation of existing buildings, if the reports indicate the possible presence of hazardous materials on or near the Project or if such reports appear incomplete or inadequate for purposes of making such a determination. The Company shall be solely responsible for the payment of the fees of the Environmental Consultant.

5.02 Return of Capital Contribution. Except as provided in this Agreement, no Member shall be entitled to demand or receive the return of his Capital Contribution.

5.03 Withholding of Capital Contribution Upon Default.

(a) Conditions Giving Rise to Withholding. In the event that (a) the Managing Member, or any successor Managing Member shall not have substantially complied with any material provisions under this Agreement or the operating agreement as to an Affiliated Company, after Notice from the Investor Member of such noncompliance and failure to cure such noncompliance within a period of thirty (30) days from and after the date of such Notice, or (b) any Project Lender shall have declared the Company to be in default under any Project Loan or under any of the mortgage loans as to an Affiliated Company, or (c) foreclosure proceedings shall have been commenced against the Project or against the Project owned by an Affiliated Company, then the Company and the Managing Member shall be in default of this Agreement, and the Investor Member, at its sole election, may cause the withholding of payment of any Capital Contribution otherwise payable to the Company (including while any cure period is in effect).

(b) Release to Company Following Cure. All amounts so withheld by the Investor Member under this Section 5.03 shall be promptly released to the Company only after the Managing Member or the Company has cured the default justifying the withholding, as demonstrated by evidence reasonably acceptable to the Investor Member.

5.04 Legal Opinions. As a condition precedent to the Investor Member's obligation to make its Capital Contributions hereunder, the Investor Member must receive the opinion of Curcio & Curcio, PC, Counsel for the Company and the Managing Member, which opinion shall explicitly state that Applegate & Thorne-Thomsen, P.C. of Chicago, Illinois, counsel to the Investor Member, may explicitly rely upon it, that:

(a) the Company is a duly formed and validly existing limited liability company under the Act, and the Company has full power and authority to own and operate the Project and to conduct its business hereunder; the Company is duly qualified to transact its business in the Commonwealth of Virginia; the Investor Member has been validly admitted as an Investor Member of the Company entitled to all the benefits of an Investor Member under this Agreement, and the Interest of the Investor Member in the Company is the Interest of an investor member with no personal liability for the obligations of the Company, and the exercise of the rights and remedies of the Investor Member under this Agreement do not constitute participating in the control of the business of the Company;

(b) the Managing Member is duly and validly organized and is validly existing in good standing as a corporation/limited liability company under the laws of the Commonwealth of Virginia, with full power and authority to enter into and perform its obligations hereunder and under the Managing Member Pledge; the Managing Member is duly qualified to transact its business in the Commonwealth of Virginia;

(c) unless otherwise permitted under this Agreement, there is and shall be no direct or indirect personal liability of the Company or of any of the Members or their Affiliates for the repayment of the principal of and payment of interest on any Project Loan, and the sole recourse of the Project Lender, with respect to the principal thereof and interest thereon, shall be to the assets of the Company securing such indebtedness;

(d) execution of this Agreement and the Managing Member Pledge by the Managing Member has been duly and validly authorized by or on behalf of such Managing Member and, having been executed and delivered in accordance with its terms, this Agreement and the Managing Member Pledge constitute the valid and binding agreement of the Managing Member, enforceable in accordance with their respective terms, and execution hereof and thereof by the Managing Member is not in violation of any contract, agreement, charter, bylaw, resolution, judgment, order, decree, law or regulation to which the Managing Member is bound or as to which it is subject;

(e) the Company owns fee simple title to the Project, subject only to the Project Loans, the Mortgages, and such other liens, charges, easements, restrictions and encumbrances as are set forth in the title insurance policy issued to the Company. Such opinion may be based on a review of the title insurance policy issued in accordance with Section 4.01 herein, provided Counsel has no actual knowledge to the contrary;

(f) to the best of its knowledge after due inquiry, there are no defaults existing with respect to any of the Project Documents;

(i) the Company has received a carryover allocation of LIHTC for the Projected Credits from the Agency, which is the appropriate state of local authority for the jurisdiction in which the Project is located.

In addition, the Investor Member shall have received from counsel to Investor Member an overall tax opinion, addressing all material tax issues and indicating that the financial

projections and tax credit calculation contained in the Development Budget appear reasonable and complete.

5.05 Repurchase Obligation.

(a) Conditions for Repurchase. If (i) Final Closing has not occurred by June 30, 2021 (or such later date as may be Consented to by the Investor Member); (ii) all buildings in the Project are not placed in service by December 31, 2020 or the Company has not received the IRS Form(s) 8609 is not issued by the Agency, so as to allow the Credit Period to commence in 2021; (iii) the Company fails to meet the Minimum Set-Aside Test and the Rent Restriction Test by the close of the first year of the Credit Period or at any time thereafter; (iv) the Company's basis in the Project for federal income tax purposes, as finally determined by the Accountants or pursuant to an audit by the IRS, as of no later than December 31, 2019, shall have been less than ten percent (10%) of the Company's reasonably expected basis in the Project, as required pursuant to Section 42(h)(1)(E) of the Code; (v) an Extended Use Agreement is not in effect before the end of the first year of the Credit Period; (vi) the Project has not generated at least 95% of the Projected LIHTC for the year 2021, then the Managing Member shall, within fifteen (15) days of the occurrence thereof, send to the Investor Member Notice of such event and of its obligation to purchase the Interest of the Investor Member hereunder and return to the Investor Member its Capital Contributions in the event the Investor Member, in its sole discretion, requires in a Notice to the Managing Member such purchase of the Interest of the Investor Member. Thereafter, the Managing Member, within thirty (30) days of the mailing date of Notice by the Investor Member of such election, shall acquire the entire Interest of the Investor Member in the Company by making payment to the Investor Member, in cash, of an amount equal to the sum of its Capital Contributions, plus interest on such amount at the rate of fourteen percent (14%) per annum, but in no event higher than the highest rate permitted by applicable law.

(b) Upon receipt by the Investor Member of any such payment of its Capital Contributions, the Interest of the Investor Member and all further obligations of the Investor Member hereunder shall terminate, and, to the extent that the Investor Member has acted in accordance with the terms of this Agreement, the Managing Member shall indemnify and hold harmless the Investor Member from any losses, damages, and/or liabilities, to or as a result of claims of Persons other than Members or Affiliates thereof, to which the Investor Member (as a result of its respective participation hereunder) may be subject.

5.06 Guaranteed Payments. No later than ninety (90) days after the end of the Company's fiscal year, any Member who has made a Special Additional Capital Contribution pursuant to Section 5.01(d)(viii) shall receive, as a guaranteed payment for the use of its capital, an amount equal to the annual interest earned by the Company, if any, on such Special Additional Capital Contributions. The Company shall invest any amounts contributed as a Special Additional Capital Contribution as reasonably directed by the contributing Member. Any guaranteed payment due to a Member shall be deemed an expense of the Company for purposes of determining Net Cash Flow. Any guaranteed payment which is not paid when due shall remain a liability of the Company and shall bear interest as set forth above.

5.07 MM Loans.

(a) MM Loans. The Managing Member shall have the right, but not the obligation, after funding all other obligations under this Agreement, including, without limitation, its obligation to fund Excess Development Costs under its Construction Completion Guaranty under Section 8.11(a) or Operating Deficit under its Operating Deficit Guaranty under Section 8.11(b) hereof, to make "MM Loans" pursuant to this Section 5.07(a) to fund Operating Deficits of the Company or to fund other reasonable and necessary obligations of the Company, provided, however, that the Managing Member shall not enter into any such MM Loan with the Company if such MM Loan would cause a reallocation of LIHTC or tax benefits among the Members. MM Loans shall be on the following terms: (i) interest shall accrue on the MM Loans at an annual interest rate of eight percent (8%), compounded annually; and (ii) MM Loans shall be repayable solely as set forth in Sections 11.03 and 11.04 of this Agreement.

(b) Documentation of MM Loans. At the request of a Member, which request may be made quarterly, any MM Loan shall be evidenced by a non-negotiable promissory note or notes reflecting any such MM Loans made during the preceding calendar quarter. MM Loans shall be unsecured loans. MM Loans shall not be considered Capital Contributions and shall not increase such Member's Capital Account.

(c) Usury Savings Clause. Notwithstanding anything to the contrary herein or in any note evidencing a MM Loan, in no event shall interest accrue on any MM Loan at a rate in excess of the highest rate permitted by applicable law, and if such designated interest rate should be in excess of such interest rate, the interest rate designated hereunder shall be reduced to the maximum rate of interest permitted by such law.

ARTICLE VI
CHANGES IN MANAGING MEMBERS

6.01 Withdrawal of the Managing Member.

(a) The Managing Member may withdraw from the Company or sell, transfer or assign its Interest as Managing Member only with the prior Consent of the Investor Member, and of the Agency and the Project Lenders, if required, and only after being given written approval by the necessary parties as provided in Section 6.02, and by the Agency and the Project Lenders, if required, of the Managing Member(s) to be substituted for it or to receive all or part of its Interest as Managing Member.

(b) In the event that a Managing Member withdraws from the Company or sells, transfers or assigns its entire Interest pursuant to Section 6.01(a), it shall be and shall remain liable for all obligations and liabilities incurred by it as Managing Member before such withdrawal, sale, transfer or assignment shall have become effective, but shall be free of any obligation or liability

incurred on account of the activities of the Company from and after the time such withdrawal, sale, transfer or assignment shall have become effective.

6.02 Admission of a Successor or Additional Managing Member. A Person shall be admitted as a Managing Member of the Company only if the following terms and conditions are satisfied:

(a) the admission of such Person shall have been Consented to by the Managing Member and the Investor Member, and consented to by the Agency and the Project Lenders, if required;

(b) the successor or additional Person shall have accepted and agreed to be bound by (i) all the terms and provisions of this Agreement by executing a counterpart thereof, (ii) all the terms and provisions of the Loan Agreement and the Project Documents by executing counterparts thereof or an assumption agreement, if requested by the Project Lenders, and (iii) all the terms and provisions of such other documents or instruments as may be required or appropriate in order to effect the admission of such Person as a Managing Member, and a certificate of amendment to the Certificate evidencing the admission of such Person as a Managing Member shall have been filed, and all other actions required by Section 1.07 in connection with such admission shall have been performed;

(c) if the successor or additional Person is a corporation, it shall have provided the Company with evidence satisfactory to counsel for the Company of its authority to become a Managing Member, to do business in the Commonwealth of Virginia and to be bound by the terms and provisions of this Agreement; and

(d) Counsel for the Company shall have rendered an opinion that the admission of the successor or additional Person is in conformity with the Act and that none of the actions taken in connection with the admission of the successor Person will cause the termination or dissolution of the Company or will cause it to be classified other than as a partnership for federal income tax purposes.

(e) Notwithstanding anything to the contrary contained in this Agreement, the Members hereby acknowledge and consent to (A) the granting of a security interest in the Company's rights, title and interest in and to the obligations of the Investor Member to make Capital Contributions to the Company pursuant to and in accordance with this Agreement (the "**CC Collateral**"), to and/or in favor of Atlantic Union Bank ("**AUB**") to secure the obligations of the Company to AUB under the loan documents evidencing, securing and otherwise governing the Construction Loan (collectively, as amended from time to time, the "**Construction Loan Documents**"), (B) the filing of financing statements by or on behalf of AUB, the execution and delivery of one or more pledge and/or security agreements in favor of AUB, and the taking of any and all such other actions as may be required by AUB to perfect its security interest in the CC Collateral, and (C) the exercise by AUB of all of its rights and remedies relating to its perfected security interest in the CC Collateral, whether under the Construction Loan Documents or at law

or in equity. The Members hereby further acknowledge and agree that the consummation of the transactions described above in this section shall not constitute a breach or default by any Member under this Agreement and/or the Loan Documents and shall not result in the acceleration or enforcement of any rights the Members may otherwise have in connection therewith.

Notwithstanding the foregoing, the Members hereby consent to (A) the pledge of, and the granting of a security interest in, the Managing Member's Interest and all of the other interests of the Managing Member in the Company (collectively, the "**MM Pledged Collateral**"), to and/or in favor of AUB in connection with the Construction Loan (the "**MM Pledgee**") to secure the obligations of the Company to AUB under the Construction Loan Documents, and (B) the exercise by the MM Pledgee of all of its rights and remedies relating to such pledge and security interest, whether under the Construction Loan Documents or at law or in equity (subject to the provisions of the last sentence of this subsection (e)). The Investor Member agrees that such pledge of the MM Pledged Collateral will be senior to the pledge to the Investor Member under the Managing Member Pledge. Upon the occurrence of an event of default under the Construction Loan Documents (and the expiration of any applicable notice and cure period), and upon any exercise by the MM Pledgee of its rights and remedies as a pledgee and secured creditor resulting in a transfer of title to all or any portion of the MM Pledged Collateral to the MM Pledgee, the MM Pledgee's nominee and/or any Person to whom the MM Pledgee may transfer such MM Pledged Collateral in a secured creditor's sale (each such Person being referred to herein as a "**Subsequent Transferee**"), the admission of such Subsequent Transferee as a substitute Managing Member shall require the Consent of the Investor Member; provided, that Investor Member agrees that such Consent shall not be unreasonably withheld conditioned or delayed, and will be based on the Investor Member's determination (which may be based on advice of its counsel) that (i) the admission of such Subsequent Transferee will not cause any adverse tax consequences to the Investor Member or the Company, (ii) the Subsequent Transferee has obtained the required consent (if any) of the Agency and any Project Lender for such admission, (iii) the Subsequent Transferee has the experience, current competence and financial resources (including the ability to have an affiliate provide a guaranty of its obligations hereunder), in the reasonable determination of the Investor Member, to construct and operate the Project and maintain the Tax Credits, and (iv) the conditions set forth in subsections (b)-(d) above have been met. Notwithstanding anything to the contrary contained in this Agreement, the Members agree and covenant that (x) all Members' Interests in the Company, whether now or hereafter issued and outstanding, shall be uncertificated and no election has or will be made to have the Interests governed by Article 8 of the Uniform Commercial Code adopted by the Commonwealth of Virginia without the prior written consent of AUB, and (y) the provisions set forth in this Section 6.02(e) may not be amended or restated without the prior written consent of AUB, and any attempt to do so in violation of the foregoing shall be null and void.

6.03 Effect of Bankruptcy, Death, Withdrawal, Dissolution or Incompetence of a Managing Member.

(a) In the event of the Bankruptcy of a Managing Member or the withdrawal, death or dissolution of a Managing Member, or an adjudication that a Managing Member is incompetent (which term shall include, but not be limited to, insanity) the business of the Company shall be continued by the other Managing Member(s); provided, however, that if the withdrawn, Bankrupt, deceased, dissolved or incompetent Managing Member is then the sole Managing Member, or if such Managing Member withdraws from the Company in contravention of the provisions of Section 6.01(a) of this Agreement, then the Company shall be terminated, unless within ninety (90) days after receiving Notice of such Bankruptcy, withdrawal, death, dissolution or adjudication of incompetence or breach of Section 6.01(a), the Investor Member elects to designate the Special Member or such other entity as the Investor Member may desire as a successor Managing Member and continue the Company upon the conversion of such Special Member to the Managing Member of the Company. Consequences of the removal of the Managing Member shall be determined under Section 6.05 hereof.

(b) Upon the Bankruptcy, death, dissolution or adjudication of incompetence of a Managing Member or breach of Section 6.01(a), such Managing Member shall immediately cease to be a Managing Member and its Interest shall without further action be converted to an Investor Member Interest; provided, however, that, if such Bankrupt, dissolved, incompetent, deceased or defaulted Managing Member is the sole remaining Managing Member, such Managing Member shall cease to be a Managing Member only upon the expiration of ninety (90) days after Notice to the Investor Member of the Bankruptcy, death, dissolution, declaration of incompetence or default of such Managing Member; and provided further that, if such Bankrupt, dissolved, incompetent, deceased or defaulted Managing Member is the sole remaining Managing Member, the converted Company Interest of such replaced Managing Member shall be ratably reduced to the extent necessary to insure that the substitute Managing Member(s) holds a .009% Percentage Interest (as set forth in Section 5.01).

(c) Except as set forth above, such conversion of a Managing Member Interest to an Investor Member Interest shall not affect any rights, obligations or liabilities (including without limitation, any of the Managing Member's obligations under Section 8.11 herein) of the Bankrupt, deceased, dissolved, removed, incompetent or defaulted Managing Member existing prior to the Bankruptcy, death, dissolution, removal, incompetence or default of such person as a Managing Member (whether or not such rights, obligations or liabilities were known or had matured).

(d) If, at the time of the withdrawal, Bankruptcy, death, dissolution, adjudication of incompetence or default under Section 6.01(a) of a Managing Member, the Bankrupt, withdrawn, deceased, dissolved, incompetent or defaulted Managing Member was not the sole Managing Member of the Company, the remaining Managing Member or Managing Members shall immediately (i) give Notice to the Investor Members of such Bankruptcy, death, dissolution, adjudication of incompetence or default, and (ii) make such amendments to this Agreement and execute and file such amendments or documents or other instruments as are necessary to reflect the conversion of the Interest of the Bankrupt, deceased, dissolved, incompetent or defaulted Managing Member and his having ceased to be a Managing Member.

The remaining Managing Member or Managing Members are hereby granted an irrevocable power of attorney, coupled with an interest, to execute any or all documents on behalf of the Members and the Company and to file such documents as may be required to effectuate the provisions of this Section 6.03.

6.04 Restrictions on Transfer of Managing Member's Interests. This is an agreement under which applicable law excuses the Investor Member from accepting performance from (i) any Managing Member which is a debtor in a case under the Bankruptcy Code, 11 U.S.C. § 101 et seq., (ii) a trustee of any such debtor, (iii) and/or the assignee of any such debtor or trustee. The Investor Member has entered into this Agreement with the Managing Member in reliance upon the unique knowledge, experience and expertise of the Managing Member, and its officers in the planning and implementation of the acquisition of the Project and in the area of affordable housing and development in general. The foregoing restriction on transfer is based in part on the above factors. The Managing Member expressly agrees that the Investor Member shall not be required to accept performance under this Agreement from any person other than the Managing Member, including, without limitation, any trustee of the Managing Member appointed under the Bankruptcy Code, 11 U.S.C. § 101 et seq., and any assignee of any such trustee.

6.05 Removal of the Managing Member.

(a) Conditions for Removal. The Investor Member shall have the right to remove the Managing Member:

(i) for (A) any fraud, gross negligence, intentional misconduct, or breach of fiduciary duty, or (B) failure to exercise reasonable care with respect to any material matter in the discharge of its duties and obligations as Managing Member (provided that such violation results in, or is likely to result in, a material detriment to or an impairment of the Project or assets of the Company), or

(ii) upon the occurrence of any of the following:

(A) the Managing Member or the Company shall have violated any material provisions of the Regulatory Agreement, the Extended Use Agreement and/or the Loan Agreement, or any material provisions of any other Project Document or other document required in connection with any Project Loan or any material provisions of a Project Lender and/or Agency requirements applicable to the Project, which violation has not been explicitly waived in writing by the applicable Project Lender or the Agency, as applicable;

(B) the Managing Member or the Company shall have (i) violated any material provision of this Agreement, including, without limitation, any of its guarantees or payment obligations under Sections 5.01(e), 5.05 and/or 8.11, (ii) violated any material provision of applicable

law, or (iii) the representation and warranty contained in Section 4.01(u) are and/or becomes false or inaccurate;

(C) the Managing Member or the Company shall have caused any Project Loan to go into default, which default remains uncured after the expiration of any applicable cure period;

(D) the Managing Member shall have conducted its own affairs or the affairs of the Company in such manner as would:

(1) cause the termination of the Company for federal income tax purposes;

(2) cause the Company to be treated for federal income tax purposes as an association, taxable as a corporation;

(3) in the reasonable opinion of the Investor Member, cause a recapture or reduction in Certified Credits;

(4) violate any federal or state securities laws;

(5) cause the Investor Member to be liable for Company obligations in excess of its Capital Contributions; or

(E) the amount of Actual Credits for any year are, or are projected by the Accountants to be, less than ninety percent (90%) of the Projected Credits for that year; or less than ninety percent (90%) of Certified Credits if Certified Credits have been determined and adjustments to the capital contribution of the Investor Member have been made as may be required under Section 5.01(e);

(F) cause for removal as a managing member of an Affiliated Company shall exist pursuant to the operating agreement of an Affiliated Company;

(G) the Managing Member fails to timely and promptly discharge the Management Agent if at any time cause for such removal exists;

(H) Bankruptcy or similar creditor's action is filed by or against the Company, the Managing Member or any Affiliate Guarantor; or

(I) any default by the Affiliate Guarantor under the Affiliate Guaranty;

(J) failure of the Affiliate Guarantor to maintain a minimum net worth of \$300,000;

(K) failure of the Company to achieve Breakeven Operations within six months of the Company's achievement of 95% occupancy; or

(L) any act or omission by the Managing Member that would substantially reduce tax benefits, or substantially increase tax liabilities, of the Investor Member.

(b) Procedure for Removal. The Investor Member shall give Notice to all Members and to the Project Lenders of its determination that the Managing Member shall be removed. The Managing Member shall have ten (10) days after receipt of such Notice to cure any default or other reason for such removal, in which event it shall remain as Managing Member. If, at the end of ten (10) days, the Managing Member has not cured any default or other reason for such removal, it shall cease to be Managing Member and the powers and authorities conferred on it as Managing Member under this Agreement shall cease and the Interests of such Managing Member shall be transferred to the Special Member or its designee which, without further action, shall become the Managing Member; in such event, upon becoming the Managing Member, such designee shall be bound by all applicable terms and conditions of this Agreement and of the Project Documents.

(c) Managing Member Obligations and Liability Following Removal.

(i) In the event that the Managing Member is removed as aforesaid prior to the Final Closing, it shall be and shall remain liable for all obligations and liabilities incurred by it as Managing Member of the Company before such removal shall become effective, including but not limited to the obligations and liabilities of the Managing Member with respect to its obligations set forth in Section 8.11 of this Agreement; provided however, that if amounts otherwise payable to the Managing Member as fees are applied to meet the obligations of the Managing Member as stated in Sections 5.01, 5.05 and 8.11 of this Agreement, such application shall serve to reduce any such liabilities of the Managing Member or any successor, except for any liability incurred as the result of its negligence, misconduct, fraud or breach of its fiduciary duties as Managing Member of the Company. If the Managing Member is removed as Member of the Company prior to the Final Closing as aforesaid, the Managing Member shall not be entitled to payment of the Incentive Management Fee or other fees which otherwise would have been due and payable under or pursuant to various Sections of this Article VI or Article VII.

(ii) In the event that the Managing Member is removed as aforesaid after the Final Closing, it shall be and shall remain liable for all obligations and liabilities incurred by it as Managing Member of the Company before such removal shall become effective, including but not limited to the Managing Member's obligations and liabilities under Section 8.11(b) of this Agreement; provided, however, that if amounts otherwise payable to the Managing Member or

Affiliates thereof as fees are applied by the Company to pay Operating Deficits, such application shall serve to reduce any such liabilities after the Final Closing, except for any liability incurred as the result of its negligence, misconduct, fraud or breach of its fiduciary duty as Managing Member of the Company. If the Managing Member is removed as Member of the Company at any time after the Final Closing, the Developer or its successor(s) shall continue to be paid subsequent to such removal, in accordance with the terms and conditions of this Agreement, any installments of the Development Fee which would have otherwise been due and payable to it pursuant to Section 8.12 and which are not otherwise being withheld; provided, however, upon any such removal of the Managing Member after the Final Closing, no further installments of the Incentive Management Fee shall be paid which are attributable to any period after such removal.

(d) Power of Attorney. The Investor Member hereby is granted an irrevocable power of attorney, coupled with an interest, to execute any and all documents on behalf of the Members and the Company as shall be legally necessary and sufficient to effect all of the foregoing provisions of this Section 6.05. The election by the Investor Member to remove the Managing Member under this Section shall not limit or restrict the availability and use of any other remedy which the Investor Member or any other Member might have with respect to the Managing Member in connection with its undertakings and responsibilities under this Agreement.

ARTICLE VII ASSIGNMENT TO THE COMPANY

The Managing Member hereby transfers and assigns to the Company all of its right, title and interest in and to the Project, including the following:

(b) Continued Compliance Sale. After receipt of a request for a Continued Compliance Sale, the Managing Member shall use its best efforts to find a third party purchaser for the Project and to cause the Company to consummate a sale of the Project subject to the Extended Use Agreement and on terms Consented to by the Investor Member. If such efforts are not successful on terms reasonably satisfactory to the Investor Member within four (4) months, the Investor Member shall have the right thereafter to locate a purchaser for the Project. If the Investor Member locates such a purchaser, the Managing Member shall be given a right of first refusal to purchase the Project on the same terms and conditions as would be applicable to such purchaser. If such right of first refusal is not exercised by the Managing Member within thirty (30) days, then the Managing Member shall be obligated to consent to the sale to such purchaser so long as the purchase price and other terms offered by such purchaser are at least as favorable to the Company as the best offer, if any, located by the Managing Member. If the Investor Member requests that the Compliance Termination Sale be conducted in a manner that would result in the conversion of the Project to a condominium regime of ownership and the sale of individual condominium units, the Managing Member shall use diligent efforts to accomplish such conversion on such terms which are reasonably satisfactory to the Investor Member.

(c) Compliance Termination Sale. After receipt of a request for a Compliance Termination Sale, the Managing Member shall make a request to the Agency to obtain a buyer who is willing to operate the low-income units of the Project as a qualified low-income building and who will submit a Qualified Contract for the Project, and if no Qualified Contract is submitted within one year of the date of the Managing Member's request to the Agency, the Managing Member shall use its best efforts to find a third party purchaser and to cause the Company to consummate a sale of the Project to such purchaser on terms Consented to by the Investor Member and free of the restrictions imposed by the Extended Use Agreement. If such efforts are not successful on terms reasonably satisfactory to the Investor Member within six (6) months, the Investor Member shall have the right thereafter to locate a purchaser for the Project. If the Investor Member locates such a purchaser, the Managing Member shall be given a right of first refusal to purchase the Project on the same terms and conditions as would be applicable to such purchaser. If such right of first refusal is not exercised by the Managing Member within thirty (30) days, then the Managing Member shall be obligated to consent to the sale to such purchaser so long as the purchase price and other terms offered by such purchaser are at least as favorable to the Company as the best offer, if any, located by the Managing Member. If the Investor Member requests that the Compliance Termination Sale be conducted in a manner that would result in the conversion of the Project to a condominium regime of ownership and the sale of individual condominium units, the Managing Member shall use diligent efforts to accomplish such conversion on such terms which are reasonably satisfactory to the Investor Member.

(d) Managing Member Option. The Managing Member or its designee if it is a qualified non-profit under the terms of Section 42(i)(7) of the Code, shall have the right of first refusal to purchase the Project at the end of the low-income housing tax credit compliance period,

8.04 Management Purposes. In conducting the business of the Company, the Managing Member shall be bound by the Company's purposes set forth in Article III.

8.05 Delegation of Authority. The Managing Member may delegate all or any of its powers, rights and obligations hereunder, and may appoint, employ, contract or otherwise deal with any Person for the transaction of the business of the Company, which Person may, under supervision of the Managing Member, perform any acts or services for the Company as the Managing Member may approve.

8.06 Managing Member or Affiliates Dealing with Company. The Managing Member or any Affiliates thereof shall have the right to contract or otherwise deal with the Company for the sale of goods or services to the Company in addition to those set forth herein, if (a) compensation paid or promised for such goods or services is reasonable (i.e., at fair market value) and is paid only for goods or services actually furnished to the Company, (b) the goods or services to be furnished shall be reasonable for and necessary to the Company, (c) the fees, terms and conditions of such transaction are at least as favorable to the Company as would be obtainable in an arm's-length transaction, (d) no agent, attorney, accountant or other independent consultant or contractor who also is employed on a full-time basis by the Managing Member or any Affiliate shall be compensated by the Company for his services. Any contract covering such transactions shall be in writing and shall be terminable without penalty on sixty (60) days' Notice. Any payment made to the Managing Member or any Affiliate for such goods or services shall be fully disclosed to all Investor Members in the reports required under Section 13.02. Neither the Managing Member nor any Affiliate shall, by the making of lump sum payments to any other Person for disbursement by such other Person, circumvent the provisions of this Section 8.06.

8.07 Other Activities. Except as limited in Section 8.06, Affiliates of the Managing Member may engage in or possess interests in other business ventures of every kind and description for their own account, including, without limitation, serving as general partner of other limited partnerships or the managing member of other limited liability companies which own, either directly or through interests in other companies or partnerships, government assisted housing developments similar to the Project. Neither the Company nor any of the Members shall have any rights by virtue of this Agreement in or to such other business ventures or to the income or profits derived therefrom.

8.08 Liability for Acts and Omissions. No Managing Member or Affiliate thereof shall be liable, responsible or accountable in damages or otherwise to any of the Members for any act or omission performed or omitted by it in good faith on behalf of the Company and in a manner reasonably believed by it to be within the scope of the authority granted to it by this Agreement

and in the best interest of the Company, provided that the protection afforded the Managing Member pursuant to this Section 8.08 shall not apply in the case of negligence, misconduct, fraud or any breach of fiduciary duty as Managing Member with respect to such acts or omissions. Any loss or damage incurred by any Managing Member or Affiliate thereof by reason of any act or omission performed or omitted by it or any of them in good faith on behalf of the Company and in a manner reasonably believed by it to be within the scope of the authority granted by this Agreement and in the best interests of the Company (but not, in any event, any loss or damage incurred by the Managing Member or Affiliate thereof by reason of negligence, misconduct or fraud of the Managing Member or Affiliate thereof, or any breach of fiduciary duty as Managing Member, with respect to such acts or omissions) shall be paid from Company assets (except for reserves) to the extent available (but the Investor Members shall not have any personal liability to the Managing Member or Affiliate(s) thereof under any circumstances on account of any such loss or damage incurred by the Managing Member or Affiliate(s) thereof or on account of the payment thereof).

8.09 Indemnification of Investor Member and the Company. The Managing Member and the Company shall, jointly and severally, indemnify, defend, and save harmless the Investor Member and Special Member from and against any claim, loss, expense, action or damage, including without limitation, reasonable costs and expenses of litigation and appeal (and the reasonable fees and expenses of counsel) asserted against the Investor Member or Special Member based on any act, omission, malfeasance or nonfeasance of the Company or the Managing Member, including without limitation any claim that the Investor Member or Special Member is liable for any indebtedness of the Company and excluding only liability directly caused by the Investor Member or Special Member's gross negligence or bad faith conduct. In addition, the Managing Member and the Company shall, jointly and severally, indemnify, defend, save and hold harmless the Investor Member and Special Member, and their representatives, from and against any and all costs, losses, liabilities, damages, lawsuits, proceedings (whether formal or informal), investigations, judgments, orders, settlements, recoveries, obligations, deficiencies, claims and expenses (whether or not arising out of third party claims), including, without limitation, interest, penalties, attorneys' fees and all amounts paid in investigation, or settlement of any of the foregoing, incurred in connection with or arising out of or resulting from the operations of the Managing Member, the Company or the Project prior to the date of this Agreement.

8.10 Net Worth of Managing Member. The Managing Member shall maintain a minimum net worth in an amount as may be necessary to assure that the Company will be taxed as a partnership, and not as an association taxable as a corporation, for federal income tax purposes.

8.11 Construction of the Project, Construction Cost Overruns, Operating Deficits; Other Managing Member Guarantees.

(a) Construction Completion Guaranty.

(i) The Company has entered into the Construction Contract. The Managing Member shall be responsible for:

(A) achieving completion of construction of the Project on a timely basis in accordance with the Plans and Specifications for the Project, the terms of this Agreement, the Project Documents and all legal requirements;

(B) meeting all requirements for obtaining all necessary unconditional certificate(s) of occupancy for all the apartment units in the Project;

(C) fulfilling all actions required of the Company to assure that the Project satisfies the Minimum Set-Aside Test and the Rent Restriction Test;

(D) causing the making of the Project Loans by the respective Project Lenders; and

(E) achieving Final Closing.

(ii) The Managing Member hereby is obligated to pay all Excess Development Costs; the Company shall have no obligation to pay any Excess Development Costs. Any amounts paid by the Managing Member pursuant to this subsection (a) shall be in the form of a loan to the Company (a "Completion Loan"). Any Completion Loan will be in the following terms: (A) it shall be unsecured; (B) it shall not bear interest; (C) it shall be repayable solely from Net Cash Flow and proceeds of a Capital Transaction at the time and in the amounts set forth in Sections 11.03(b), 11.04 and 12.02(a) of this Agreement; and (D) a Completion Loan shall be fully subordinated to payment of Project Loans, MM Loans, and indebtedness of the Company to all Persons other than Members.

(iii) In the event that the Managing Member shall fail to pay any such Excess Development Costs as required in this Section 8.11(a), an amount not in excess of the total of any remaining unpaid installments of the Development Fee due pursuant to Section 8.12 shall be suspended by the Company until such obligations are met by the Managing Member.

(b) Operating Deficit Guaranty. In the event that, at any time during the period commencing on achievement of Breakeven Operations and ending on the fifteenth anniversary of such date, an Operating Deficit shall exist, the Managing Member shall provide such funds to the Company as shall be necessary to pay such Operating Deficits. Funds provided after the achievement of Breakeven Operations shall be in the form of a loan to the Company (the "Operating Deficit Loan(s)"). Any Operating Deficit Loan shall be on the following terms: (i) it shall be unsecured; (ii) it shall not bear interest; (iii) it shall be repayable solely from Net Cash Flow and proceeds of a Capital Transaction at the time and in the amounts set forth in Sections 11.03(b), 11.04 and 12.02(a) of this Agreement; and (iv) Operating Deficit Loans shall be fully subordinated to payment of Project Loans, MM Loans, and indebtedness of the Company to all

Persons other than Members. In the event that the Managing Member shall fail to make any such Operating Deficit Loan as aforesaid, the Company shall utilize amounts otherwise payable as installments of the Development Fee pursuant to Section 8.12 of this Agreement to meet the obligations of the Managing Member pursuant to this Section 8.11(b). Amounts so utilized shall also constitute payment and satisfaction of installments of the Development Fee and such other fees payable under the aforesaid Section of this Agreement, and the obligation of the Company to make such installment payments pursuant to such Sections, as well as the Investor Member's obligation to make future Capital Contributions, shall be reduced correspondingly. For the purpose of this Section 8.11(b), all expenses shall be paid on a sixty (60) day current basis.

(c) LIHTC Compliance Guaranty. (i) If with respect to any fiscal year of the Company there is a LIHTC Shortfall, the Managing Member shall, within forty-five (45) days following the close of such fiscal year, pay the Investor Member an amount equal to (A) the amount of the LIHTC Shortfall for the fiscal year immediately preceding the payment due date multiplied by \$1.00, (B) all penalties and interest imposed by the Code and assessed against the Investor Member by the IRS with respect to any LIHTC Shortfall, and (C) an amount sufficient to pay any tax liability owed by the Investor Member resulting from the receipt of the amounts specified in the foregoing clauses (A), (B) and this clause (C) of this Section 8.11(c)(i) (such calculation to be made assuming the Investor Member is subject to the highest federal and state tax rates imposed on corporate tax payers under the Code at that time for the taxable year of the Investor Member in which such payment is taken into income by the Investor Member), together with interest on such amounts at the Prime Rate accruing from such payment due date.

(ii) The Managing Member irrevocably and unconditionally guarantees payments specified in this Section 8.11(c)(ii) to the Investor Member if there is a LIHTC Recapture Event. The payments required by this Section 8.11(c)(ii) shall be the sum of the following amounts: (A) the amount of LIHTC previously allocated to the Investor Member and subsequently disallowed because of such LIHTC Recapture Event multiplied by \$1.00; (B) the "credit recapture amount" (as defined in Code Section 42(j)(2)) allocated to the Investor Member because of such LIHTC Recapture Event; (C) all penalties and interest imposed by the Code and assessed against the Investor Member by the IRS with respect to such LIHTC Recapture Event; (D) an amount sufficient to pay any tax liability owed by the Investor Member resulting from the receipt of the amounts specified in the foregoing clauses (A), (B), (C) and this clause (D) of this Section 8.11(c)(ii) (such calculation to be made assuming the Investor Member is subject to the highest federal and state tax rate imposed on corporate taxpayers under the Code at that time for the taxable year of the Investor Member in which such payment is taken into income by the Investor Member, together with interest on such amounts at the Prime Rate accruing from the date the Investor Member remits funds to a taxing authority with respect to a LIHTC Recapture Event; and (E) if the cause of the LIHTC Recapture Event will, in determination of the Investor Member, decrease the maximum amount of LIHTC that will be available to the Company and allocated to the Investor Member during the remainder of the compliance period under Section 42 of the Code, assuming full compliance with Section 42 of the Code, then an amount equal to the total amount of such decrease. The Managing Member shall make such payment to the Investor Member within forty-five (45) days of the LIHTC Recapture Event.

(iii) The LIHTC Compliance Guaranty set forth herein shall not apply to amounts due solely to the transfer by the Investor Member of all or a portion of its Interest in the Company or to changes in the tax law after the date hereof with which the Managing Member is unable to comply despite the exercise of its good faith and reasonable efforts.

(iv) Intentionally Omitted.

(v) Funds provided by the Affiliate Guarantor with respect to the Managing Member's obligations under subparagraphs (i) or (ii) above shall be in the form of a loan to the Company (the "Guarantor LIHTC Compliance Loan"). Any Guarantor LIHTC Compliance Loan shall be on the following terms: (i) it shall be unsecured; (ii) it shall bear no interest; and (iii) it shall be repayable solely from proceeds of a Capital Transaction or liquidation at the time and in the amounts set forth in Sections 11.04 and 12.02(a) of this Agreement. Notwithstanding the foregoing, the Investor Member shall have the authority to treat any guarantee payment made on behalf of the Company by its Managing Member or the Affiliate Guarantor as (i) a capital contribution to the capital of the Company by the Managing Member in the amount of such guarantee payment that is matched with a corresponding upward adjustment to such Managing Member's capital account in the Company or (ii) as a loan (as described above) by the Managing Member in the amount of such guarantee payment, so as to minimize any possible unintended increase in the amount of depreciation and tax credits allocated to the Managing Member; provided that any losses or other deductions, other than depreciation, relating to such capital contribution or loan, shall be allocated to the Managing Member making such guarantee payment.

(d) Project Loan Funding Guaranty. The Managing Member irrevocably and unconditionally guarantees and covenants that the Company shall receive full funding of the Project Loans on or before June 30, 2021, on the terms set forth on **Exhibit F** attached hereto. The Managing Member represents and warrants that the source of funds for the Project Loans do not include, in whole or in part, "federal subsidies" within the meaning of Code Section 42(i) (i.e. the source of funds for the Project Loans does not include, in whole or in part, a "tax-exempt obligation," an obligation the interest on which is exempt from tax under Code Section 103). The Project Loan documents shall contain such other terms as may be Consented to by the Investor Member.

8.12 Development Fee. The Company has entered into a Development Agreement (materially in the form of **Exhibit A** attached hereto) of even date herewith with the Developer for its services in connection with the development and construction of the Project. In consideration for such services, a Development Fee in a total amount equal to \$492,000 shall be payable by the Company, in accordance with the terms of the Development Agreement and Article XI of this Agreement. In no event shall full payment of the Development Fee be later than the termination of the Compliance Period. It is anticipated that \$92,663 of the Development Fee will be deferred and paid pursuant to Article XI.

8.13 Incentive Management Fee. The Company has entered into an Incentive Management Fee Agreement in the form attached hereto as **Exhibit B**, with the Managing Member of even date herewith for its services in managing the business of the Company for the period from the date hereof throughout the term of the Company. In no event shall the Incentive Management Fee be cumulative. Payment of such fee shall be in accordance with any applicable requirements of the Project Lenders.

8.14 Withholding of Fee Payments.

(a) Conditions for Withholding. In the event that (i) the Managing Member or any successor Managing Member shall not have substantially complied with any material provisions under this Agreement, or under the operating agreement with respect to an Affiliated Company, after Notice from the Investor Member of such noncompliance and failure to cure such noncompliance within a period of thirty (30) days from and after the date of such Notice, or (ii) any Project Lender shall have declared the Company to be in default under any Project Loan or under any of the mortgage loans as to an Affiliated Company, or (iii) foreclosure proceedings shall have been commenced against the Project or against an Project owned by the Affiliated Company, then (A) the Managing Member shall be in default of this Agreement, and the Company shall withhold payment of any installment of fees and/or allowance payable pursuant to Sections 4.02(s), 8.12 and/or 8.13 and (B) the Managing Member shall be liable for the Company's payment of any and all installments of the Development Fee payable pursuant to Section 8.12.

(b) Release of Fees. All amounts so withheld by the Company under this Section 8.14 shall be promptly released to the payees thereof only after the Managing Member has cured the default justifying the withholding, as demonstrated by evidence reasonably acceptable to the Investor Member.

8.15 Selection of Management Agent; Terms of Management Agreement. The Company shall engage such person, firm or company as the Managing Member may select, and as the Investor Member may approve, which approval shall not be unreasonably withheld (hereinafter referred to as "Management Agent") to manage the operation of the Project during the rent up period and following Final Closing. The Management Agent must be a VHDA certified Property Manager. The Management Agent shall be paid a management fee subject to the approval of the Agency and/or the Project Lenders, if required, and the Special Member, but in no event will the management fee be greater than 9.80% of gross rental income. The contract between the Company and the Management Agent and the management plan for the Project shall be in the form set forth in **Exhibit G**, with such changes acceptable to the Agency and/or the Project Lenders, if required, and reasonably acceptable to the Special Member. Such contract shall provide, among other things, that it shall be cancelable upon thirty (30) days' prior notice from the Company, and that the Management Agent will accrue the management fee to the extent necessary at any time to prevent a default under any Project Loan. Whenever the management agent for the Project is the Managing Member or an Affiliate of the Managing Member, the management agreement shall provide that it is immediately terminable at the election of the Investor Member or Special Member in the event of (a) the removal or withdrawal of the Managing Member, or (b) any material breach

of or noncompliance with any provision of this Agreement by the Managing Member or any Affiliate of the Managing Member. Any other agreement entered into by the Company and any Managing Member or any Affiliate thereof shall specifically provide that such agreement shall be immediately terminable at the election of the Investor Member or Special Member if the Managing Member is removed or withdraws. The Sponsor is approved by the parties hereto as the initial Management Agent.

8.16 Removal of the Management Agent. The Managing Member:

(a) may, upon receiving any required approval of the Project Lenders and the Investor Member, dismiss the Management Agent as the entity responsible for the Project under the terms of the contract between the Company and the Management Agent, and

(b) shall, at the request of the Investor Member, remove the Management Agent if the Special Member determines that the same is necessary to protect the interest of the Company or if the Management Agent is declared Bankrupt, is dissolved, or makes an assignment for the benefit of its creditors, or for any intentional misconduct by the Management Agent or its negligence in the discharge of its duties and obligations as Management Agent (subject to the fulfillment and expiration of any notice and/or opportunity to cure provisions of the Management Agreement), including, without limitation, for any action or failure to take any action which:

(i) violates in any material respect any provision of the Management Agreement entered into with the Company and approved by the Project Lenders, if required, and/or any material provision of the Project Documents and/or the Loan Documents applicable to the Project, or the Project Lenders-approved management plan for the Project;

(ii) violates in any material respect any provision of this Agreement or provision of applicable law; or

(iii) causes the Project to be operated in a manner which if continued would give rise to an event which would cause or would likely cause a recapture of LIHTC.

8.17 Replacement of the Management Agent. Upon the removal of the Management Agent as the entity responsible for the management of the Project, a substitute Management Agent which is not an Affiliate of the Managing Member shall be named by the Managing Member, subject to the approval of the Project Lenders, if required, and the approval of the Investor Member.

8.18 Loans to the Company. The Company is authorized to receive Operating Deficit Loans and MM Loans on the terms set forth in this Agreement. In addition, if (a) additional funds are required by the Company for any purpose relating to the business of the Company or for any of its obligations, expenses, costs or expenditures, and (b) the Company has not received an Operating Deficit Loan, or MM Loan to pay such amounts, then the Company may borrow such funds as are needed from a Person or organization, other than a Member or an Affiliate of a

Member, in accordance with the terms of this Section 8.18, for such period of time and on such terms as the Managing Member and the Investor Member may agree; provided, however, that no such additional loans shall be secured by any mortgage or other encumbrance on the property of the Company without the prior approval of the Investor Member except that such approvals shall not be required in the case of the hypothecation of personal property purchased by the Company and not included in the security agreements executed by the Company at the time of Initial Closing. Nothing in this Section 8.18 shall modify or affect the obligation of the Managing Member to make Operating Deficit Loans and to perform its obligations when and as required by this Agreement.

8.19 Affiliate Guaranty. Concurrently with the execution of this Agreement, the Managing Member shall deliver to the Investor Member (a) the Affiliate Guaranty fully executed by each Affiliate Guarantor, (b) a pledge and security agreement executed by the Managing Member in the form of **Exhibit E** attached hereto (the "Managing Member Pledge"), wherein the Managing Member pledges and grants a security interest in its Managing Member interest in the Company and in each Affiliated Company to secure its obligation under this Agreement, and (c) an opinion of counsel to the Affiliate Guarantors in form satisfactory to the Investor Member regarding the Affiliate Guaranty and the Managing Member Pledge.

8.20 Intentionally Deleted.

8.21 Accounting Fee. ARTICLE IX
TRANSFERS AND RESTRICTIONS ON TRANSFERS
OF INTERESTS OF INVESTOR MEMBERS

9.01 Restrictions on Transfer of Investor Members' Interests.

(a) Under no circumstances will any offer, sale, transfer, assignment, hypothecation or pledge of any Investor Member Interest be permitted unless the Managing Member, in its sole discretion, shall have Consented thereto, and the Project Lenders, if required, also shall have Consented thereto, provided however, that the Managing Member shall not unreasonably withhold its Consent to the pledge by the Investor Member of its Investor Member Interest or a transfer of its right to receive distributions hereunder, so long as no pledgee or transferee shall have any right to become a Substitute Investor Member in the Company or exercise any voting rights of the Investor Member.

(b) The Investor Member whose interest is being transferred shall pay such reasonable expenses as may be incurred by the Company in connection with such transfer.

(c) Nothing in this Section 9.01 shall limit the authority of the Investor Member to sell, transfer and/or assign interests within the Investor Member or to transfer Interests of the Investor Member to (i) any Affiliate of the Investor Member or Special Member, in the sole discretion of the Investor Member, at any time and from time to time, or (ii) to any other Person once during the term of this Agreement upon Notice to the Managing Member(s).

9.02 Admission of Substitute Investor Members.

(a) Subject to the other provisions of this Article IX, an assignee of the Interest of an Investor Member (which shall be understood to include any purchaser, transferee, donee, or other recipient of any disposition of such Interest) shall be deemed admitted as a Substitute Investor Member of the Company only upon the satisfactory completion of the following:

(i) Consent of the Managing Member (which may be withheld in its sole discretion), and the consent of the Project Lenders, if required, shall have been given; such Consent of the Managing Member may be evidenced by the execution by the Managing Member of an amended Agreement and/or Certificate evidencing the admission of such Person as an Investor Member pursuant to the requirements of the Act, provided, however, that no Consent shall be required for any sale, transfer or assignment pursuant to Section 9.01 (c);

(ii) the assignee shall have accepted and agreed to be bound by the terms and provisions of this Agreement by executing a counterpart thereof or an appropriate amendment hereto, and such other documents or instruments as the Managing Member may require in order to effect the admission of such Person as an Investor Member;

(iii) an amended Agreement and/or Certificate evidencing the admission of such Person as an Investor Member shall have been filed for recording pursuant to the requirements of the Act;

(iv) if the assignee is a corporation, the assignee shall have provided the Managing Member with evidence satisfactory to Counsel for the Company of its authority to become an Investor Member under the terms and provisions of this Agreement; and

(v) the assignee or the assignor shall have reimbursed the Company for all reasonable expenses, including all reasonable legal fees and recording charges, incurred by the Company in connection with such assignment.

(b) For the purpose of allocation of profits, losses and credits, and for the purpose of distributing cash of the Company, a Substitute Investor Member shall be treated as having become, and as appearing in, the records of the Company as a Member upon his signing of an amendment to this Agreement agreeing to be bound hereby.

(c) If the Managing Member has determined it will Consent to the admission, the Managing Member shall cooperate with the Person seeking to become a Substitute Investor Member by preparing the documentation required by this Section and making all official filings and publications. In such event, the Company shall take all such action, including the filing, if required, of any amended Agreement and/or Certificate evidencing the admission of any Person as an Investor Member, and the making of any other official filings and publications, as promptly as practicable after the satisfaction by the assignee of the Interest of an Investor Member of the conditions contained in this Article IX to the admission of such Person as an Investor Member of the Company. Any cost or expense incurred in connection with such admission shall be borne by the Substitute Investor Member.

9.03 Rights of Assignee of Company Interest.

(a) Except as provided in this Article and as required by operation of law, the Company shall not be obligated for any purpose whatsoever to recognize the assignment by any Investor Member of its Interest until the Company has received actual Notice thereof.

(b) Any Person who is the assignee of all or any portion of an Investor Member's Interest, but does not become a Substitute Investor Member, and who desires to make a further assignment of such Interest, shall be subject to all the provisions of this Article IX to the same extent and in the same manner as any Investor Member desiring to make an assignment of its Interest.

ARTICLE X
RIGHTS AND OBLIGATIONS OF INVESTOR MEMBERS

10.01 Management of the Company. No Investor Member shall take part in the management or control of the business of the Company nor transact any business in the name of the Company. Except as otherwise expressly provided in this Agreement, no Investor Member shall have the power or authority to bind the Company or to sign any agreement or document in the name of the Company. No Investor Member shall have any power or authority with respect to the Company except insofar as the Consent of any Investor Member shall be expressly required and except as otherwise expressly provided in this Agreement.

10.02 Limitation on Liability of Investor Members. The liability of each Investor Member is limited to its Capital Contribution as and when payable under the provisions of this Agreement, and as provided under the Act. No Investor Member shall have any other liability to contribute money to, or in respect of the liabilities or obligations of, the Company, nor shall any Investor Member be personally liable for any obligations of the Company, except as and to the extent provided in the Act. No Investor Member shall be obligated to make loans to the Company.

10.03 Other Activities. Any Investor Member may engage in or possess interests in other ventures of every kind and description for its own account, including without limitation, serving as general partner or managing member of other limited partnerships or limited liability companies which own, either directly or through interests in other limited liability companies or limited partnerships, government-assisted housing projects similar to the Project. Neither the Company nor any of the Members shall have any right by virtue of this Agreement in or to such other business ventures to the income or profits derived therefrom.

ARTICLE XI
PROFITS, LOSSES AND DISTRIBUTIONS

11.01 Allocation of Profits and Losses Other Than From Capital Transactions.

(a) Manner of Determination. Profits, Losses and credits for all purposes of this Agreement shall be determined in accordance with the definition of the same under Article II of the Agreement (as applicable) and in accordance with the accrual accounting method and in accordance with applicable Code sections and Treasury Regulations governing same.

(b) Allocations. All Profits and Losses, except those items in Sections 11.02, 11.05 and 11.07 below, shall be allocated to the Members in accordance with their Percentage Interests. Every item of income, gain, loss, deduction, or tax preference entering into the computation of such Profits and Losses, or applicable to the period during which such Profits and Losses were realized, shall be considered allocated to each Member in the same proportion as

Profits and Losses are allocated to such Member.

(c) Intentionally Deleted.

(d) Special Member Allocation. Notwithstanding any provisions in the Agreement to the contrary, in no event shall the Special Member be allocated more than its Percentage Interest, determined as of the date hereof, of any item of Company income, gain, loss, deduction, credit or basis.

11.02 Allocation of Profits and Losses from Capital Transactions. Except to the extent provided in Sections 11.07, Profits and Losses recognized by the Company upon a Capital Transaction shall be allocated in the following manner:

(a) Profits shall be allocated (i) first, to the Members with negative Capital Account balances, that portion of gains (including any gains treated as ordinary income for federal income tax purposes) which is equal in amount to, and in proportion to, such Members' respective negative Capital Accounts in the Company; provided that no gain shall be allocated under this Section 11.02(a)(i) to a Member once such Member's Capital Account is brought to zero and (ii) second, gains in excess of the amount allocated under (i) shall be allocated to the Members in the amounts and to the extent necessary to increase the Members' respective Capital Accounts so that the proceeds distributed under Section 11.04(d) and (f) will be distributed in accordance with the Members' respective Capital Accounts.

(b) Losses shall be allocated (i) first, to the extent and in such proportions as the respective positive balances in all Members' Capital Accounts, and (ii) second, any remaining loss to the Members in accordance with the manner in which they bear the economic risk of loss associated with such loss or, if none, to the Members in accordance with their Membership Interests.

(c) Any portion of the Profits treated as ordinary income for federal income tax purposes under Sections 1245 and 1250 of the Code ("Recapture Amount") shall be allocated on a dollar for dollar basis to those Members to whom the items of Company deduction or loss giving rise to the Recapture Amount had been previously allocated.

11.03 Distributions: Net Cash Flow.

(a) Determination of Net Cash Flow. Net Cash Flow shall be determined separately for each fiscal year or portion thereof commencing on the day after Final Closing and shall not be cumulative. Wherever there is a reference to the distribution of Net Cash Flow pursuant to the provisions of this Agreement, Net Cash Flow shall be deemed to be limited to Surplus Cash available for distribution. Income received by the Company from the period commencing with the date of receipt of the initial certificate of occupancy with respect to the Project and ending on the date of the Final Closing shall not be distributed during such period and shall be treated as Net Cash Flow with respect to the first Payment Date following Final Closing.

(b) Manner of Distribution. Subject to the approval of the Project Lenders, if required, Net Cash Flow shall be applied and/or distributed on each Payment Date in the following priority:

(i) first, to the Investor Member until the aggregate amount of distributions made to the Investor Member under this Section 11.03(b)(i) for the current and all prior years equals the Assumed Investor Member Tax Liability for the current and all prior years;

(ii) second, to the Investor Member in an amount equal to any LIHTC Reduction Guaranty Payment or Unpaid LIHTC Shortfall;

(iii) third, to the Managing Member until the aggregate amount of distributions made to the Managing Member under this Section 11.03(b)(iii) for the current and all prior years equals the Assumed Managing Member Tax Liability for the current and all prior years;

(iv) fourth, to replenish the Operating Reserve to the Initial Amount;

(v) fifth, to the Developer until all amounts due under the Development Agreement have been paid in full;

(vi) sixth, to the pro rata payment of any outstanding Operating Deficit Loans and MM Loans, based upon the respective outstanding balances of each;

(vii) seventh to the payment of the Incentive Management Fee; and

(viii) thereafter, 99.99% to the Investor Member; .009% to the Managing Member; and .001% to the Special Member.

Notwithstanding anything to the contrary contained herein, if the amount of the distribution to the Investor Member under Section 11.03(b) is less than 10% of the Net Cash Flow of the Project, then the Investor Member shall receive a priority distribution before any distributions under Section 11.03(b)(vii) and (viii) in an amount such that, when added to the sum distributable to the Investor Member under Section 11.03(b), shall equal 10% of Cash Flow.

(c) Distributions to be Subject to Regulatory Restrictions. Notwithstanding the foregoing, during such time as regulations of the Project Lenders are applicable to the Project, the total amount of Net Cash Flow which may be so distributed to the Members with respect to any fiscal year shall not exceed such amounts as such regulations permit to be distributed.

11.04 Distributions: Capital Transactions and Liquidation of Company Property. Except as may be required under Section 12.02(b), the proceeds resulting from the liquidation of the Company assets pursuant to Section 12.02, and the net proceeds resulting from any Capital Transaction, as the case may be, shall be distributed and applied in the following order of priority:

(a) to the payment of all matured debts and liabilities of the Company (including amounts due pursuant to any Project Loan and all expenses of the Company incident to any such sale or refinancing), excluding (1) debts and liabilities of the Company to Members or any Affiliates, and (2) all unpaid fees owing to the Managing Member under this Agreement;

(b) to the setting up of any reserves which the Liquidator (or the Managing Member if the distribution is not pursuant to the liquidation of the Company) deems reasonably necessary for contingent, unmatured or unforeseen liabilities or obligations of the Company;

(c) Twenty Thousand and No/100 Dollars (\$20,000.00) to the Special Member, or its assignee as a Capital Transaction Administrative Fee, either upon sale or transfer of Investor Member interest;

(d) to the payment of any debts and liabilities (including unpaid fees) owed to the Members or any Affiliates by the Company for Company obligations; provided, however, that the foregoing debts and liabilities owed to Members and their Affiliates shall be paid or repaid, as applicable, in the following order of priority, if and to the extent applicable: (i) to the Investor Member, an amount equal to any outstanding LIHTC Reduction Guaranty Payment, or any Unpaid LIHTC Shortfall (applied first to accrued but unpaid interest (at the Default Rate) and then principal); (ii) to the Investor Member, an amount equal to any Special Additional Capital Contribution; (iii) to the payment of any outstanding MM Loans and loans made by the Managing Member pursuant to Section 8.11(a)(i) and/or 8.11(a)(ii) pro rata based on their respective outstanding balances, if applicable; (iv) amounts due under the Development Agreement; (v) amounts due with respect to Operating Deficit Loans, if any; and (vi) any other such debts and liabilities;

(e) to the Managing Member and Investor Members in proportion to the relative amounts of Net Projected Tax Liabilities of the Managing Member and the Investor members or partners or members and their respective members or partners until they each have received, cumulatively, an amount equal to their respective Net Projected Tax Liabilities;

(f) to payment of the Guarantor LIHTC Compliance Loan (or, if funds provided are a capital contribution, under Section 8.11(c)(v), as a return of such capital); and

(g) the balance, .009% to the Managing Member, 99.99% to the Investor Member, and .001% to the Special Member.

Written determination of the proposed distributions of proceeds of Capital Transactions, showing all relevant calculations and assumptions, shall be delivered to the Investor Member and Special Member not later than twenty (20) days prior to the Company entering into any agreement for a Capital Transaction, and written confirmation or any revision thereof shall be delivered to the Investor Member and Special Member not later than twenty (20) days prior to the making of any such distribution. Distributions hereunder shall be made within five (5) days of the Company's receipt of such proceeds.

11.05 Distributions and Allocations: General Provisions.

(a) In any year in which a Member sells, assigns or transfers all or any portion of an Interest to any Person who during such year is admitted as a substitute Member, the share of all profits and losses allocated to, and of all Net Cash Flow and of all cash proceeds distributable under Section 11.04 distributed to, all Members which is attributable to the Interest sold, assigned or transferred shall be divided between the assignor and the assignee ratably on the basis of the number of monthly periods in such year before, and the number of monthly periods on and after, the first day of the month during which such Person is admitted as a substitute Member.

(b) The Company shall, subject to any applicable limitation on the distribution of Net Cash Flow and any required approval by the Project Lenders, distribute Net Cash Flow not less frequently than annually in the manner provided in Section 11.03(b).

(c) In the event that there is a determination that there is any original issue discount or imputed interest attributable to the Capital Contribution of any Member, or any loan between a Member and the Company, any income or deduction of the Company attributable to such imputed interest or original issue discount on such Capital Contribution or loan (whether stated or unstated) shall be allocated solely to such Member.

(d) In the event that the deduction of all or a portion of any fee paid or incurred by the Company to a Member or an Affiliate of a Member is disallowed for federal income tax purposes by the IRS with respect to a taxable year of the Company, the Company shall then allocate to such Member an amount of gross income of the Company for such year equal to the amount of such fee as to which the deduction is disallowed.

(e) If any Member's Interest in the Company is reduced but not eliminated because of the admission of new Members or otherwise, or if any Member is treated as receiving any items of property described in Section 751(a) of the Code, the Member's Interest in such items of Section 751(a) property that was property of the Company while such Person was a Member shall not be reduced, but shall be retained by the Member so long as the Member has an Interest in the Company and so long as the Company has an Interest in such property.

(f) In accordance with Section 704(c) of the Code (relating to allocations with respect to appreciated contributed property) and the Regulations thereunder, income, gain, loss, and deduction with respect to any property contributed to the capital of the Company shall be allocated, solely for tax purposes, among the Members so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its fair market value. Any elections or other decisions relating to such allocations shall be made by the Managing Member in any manner that reasonably reflects the purpose and intention of this Agreement.

(g) In the event that the Managing Member makes any Operating Deficit Loans pursuant to Section 8.11(b), any deductions or losses of the Company attributable to the use of those funds shall be specially allocated to the Managing Member.

(h) Any income attributable to the Capital Contribution of the Managing Member will be allocated to the Managing Member.

(i) Any income attributable to the modification of any of the Project Loan(s) shall be allocated 100% to the Managing Member.

11.06 Capital Accounts.

(a) Establishment and Maintenance. A separate Capital Account shall be maintained and adjusted for each Member. There shall be credited to each Member's Capital Account the amount of its Capital Contribution, the fair market value of any property contributed to the Company (net of any liabilities secured by such property) and such Member's distributive share of the income and gain for tax purposes of the Company including income or gain exempt from tax; and there shall be charged against each Member's Capital Account the amount of all cash flow distributed to such Member, the fair market value of any property distributed to such Member (net of any liabilities secured by such property), the net proceeds resulting from the liquidation of the Company's assets or from any sale or refinancing of the Project distributed to such Member, and such Member's distributive share of the losses for tax purposes of the Company. Each Member's Capital Account shall be maintained and adjusted in accordance with the Code and the Treasury Regulations thereunder. The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Treas. Reg. § 1.704-1(b), and shall be interpreted and applied in a manner consistent with such regulations. It is the intention of the Members that the Capital Accounts maintained under this Agreement be determined and maintained throughout the full term of this Agreement in accordance with the accounting rules of Treas. Reg. § 1.704-1(b)(2)(iv).

(b) Deficit Capital Accounts; Regulatory Liquidation. In the event that the Company is liquidated within the meaning of Treas. Reg. § 1.704-1(b)(2)(ii)(g), if the Managing Member's Capital Account has a deficit balance (after giving effect to all contributions, distributions and allocations), the Managing Member shall make Capital Contributions in the

amount of such deficit in compliance with Treas. Reg. §1.704-1(b)(2)(ii)(b)(3). In the event that the Investor Member's Capital Account should have a deficit balance at such time, it shall have no obligation to fund or otherwise contribute capital to the Company in connection with such deficit. Notwithstanding the foregoing, in the event the Company is liquidated within the meaning of Treas. Reg. § 1.704-1(b)(2)(ii)(g) but no event has occurred under Section 12.01 to dissolve the Company, the Company assets shall not be liquidated, the Company's liabilities shall not be paid or discharged, and the Company's affairs shall not be wound up. Instead, the Company shall be deemed to have contributed all of its assets and liabilities to a new limited liability company in exchange for an interest in the new limited liability company. Immediately thereafter, the terminated Company shall be deemed to have distributed interests in the new limited liability company to the Members of the terminated Company in proportion to their respective interests in the terminated Company in liquidation of the terminated Company.

11.07 Special Allocations. Notwithstanding anything to the contrary contained in Section 11.01(a) or (b), the following special allocations in all events apply in determining the allocation of Profits and Losses among the Members and are made prior to the allocations required under §11.01(a) and (b):

(a) Depreciation and LIHTC.

(i) Depreciation (cost recovery) deductions and LIHTC are allocated to the Members in accordance with their Percentage Interests.

(ii) Any recapture of LIHTC is allocated to the Members that were allocated (or whose predecessors-in-interest were allocated) the depreciation/cost recovery deduction and LIHTC associated therewith.

(b) Limitation on Allocations of Losses.

(i) To the extent the allocation of any Losses to a Member would cause that Member to have an Adjusted Capital Account Deficit at the end of any fiscal year of the Company, then those Losses will not be allocated to that Member, but rather will be specially allocated to the remaining Members in proportion with their relative interests in the Company.

(ii) In the event some but not all of the Members would have Adjusted Capital Account Deficits due to an allocation of Losses, the limitation set forth in this Section 11.07(b) shall be applied on a Member-by-Member basis so as to allocate the maximum permissible Losses to each Member who is not a Managing Member under Treas. Reg. §1.704-1(b)(2)(ii)(d). All Losses in excess of the limitation set forth in this Section 11.07(b) shall be allocated to the Managing Member.

(c) Profit Chargeback. To the extent any Losses are specially allocated to a Member in accordance with Section 11.07(b), then Profits will thereafter first be specially allocated to such Member in proportion to and in an amount (1) up to but not exceeding the amount of any such

special allocation of Losses away from such Member under such subparagraph (b) but (2) not to the extent that Losses or depreciation deductions would be allocated to the remaining Members in excess of the amount permitted by 11.07(b).

(d) Nonrecourse Deductions. Nonrecourse Deductions for any fiscal year shall be allocated to the Members in accordance with their Percentage Interests.

(e) Member Nonrecourse Deductions. Any Member Nonrecourse Deductions for any fiscal year shall be specially allocated to the Member or Members that bear the Economic Risk of Loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Treas. Reg. §1.704-2(b)(4) and Treas. Reg. §1.704-2(i).

(f) Company Minimum Gain Chargeback. Notwithstanding any other provision of this Agreement, if there is a net decrease in the Company's Minimum Gain attributable to Nonrecourse Liabilities during any taxable year, each Member shall be specially allocated a *pro rata* portion of each of the Company's items of income and gain for such year (and, if necessary for subsequent years) in proportion to, and to the extent of, an amount equal to such Member's share of the net decrease in such Minimum Gain during such taxable year as determined in accordance with the provisions of Treas. Reg. §1.704-2(g)(2). In the event that such net decrease in the Company's Minimum Gain occurs in connection with the disposition of all or any portion of the Project, then any items of Company income or gain allocated in accordance with the previous sentence shall first consist of gain recognized by the Company as a result of such disposition. It is the intent that the allocations provided in this Section 11.07(f) shall be determined in accordance with and only to the extent required by Treas. Reg. §1.704-2(f) and (j)(2)(i).

(g) Member Minimum Gain Chargeback. Notwithstanding any other provision of this Agreement, if there is a net decrease in the amount of the Company's Minimum Gain during any taxable year with respect to a Member Nonrecourse Debt, the Member bearing the Economic Risk of Loss with respect to such Member Nonrecourse Debt shall be specially allocated a *pro rata* portion of each of the Company's items of income and gain for such taxable year (and, if necessary, for subsequent years) in proportion to, and to the extent of the amount of such Member's share of the net decrease in such Minimum Gain during such taxable year as determined in accordance with the provisions of Treas. Reg. §1.704-2(i)(4). In the event that such net decrease in the Member's Minimum Gain occurs in connection with the disposition of all or any portion of Project, then any items of Company income or gain allocated in accordance with the previous sentence shall first consist of gain recognized by the Company as a result of such disposition. It is the intent that the allocations provided in this Section 11.07(g) shall be determined in accordance with and only to the extent required by the provisions of Treas. Reg. §1.704-2(i) and (j)(2)(ii).

(h) Qualified Income Offset. If a Member unexpectedly receives any adjustments, allocations, or distributions described in §1.704-1(b)(2)(ii)(d)(4), (5) or (6) of the Regulations, then items of Company income or gain will be specially allocated to that Member in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted

Capital Account Deficit of that Member as quickly as possible. The special allocations required pursuant to this subparagraph (h) are made only if and to the extent that such Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article 11 have been tentatively made as if this subparagraph (h) were not in the Agreement. This subparagraph (h) is intended to comply with the qualified income offset requirements of §1.704-1(b)(2)(ii)(d) of the Regulations and will be interpreted consistently therewith.

(i) Gross Income Allocation. In the event any Member has a deficit Capital Account at the end of any fiscal year in excess of the sum of (i) the amount that such Member must restore pursuant to any provision of this Agreement, if any, and (ii) the amount such Member is deemed obligated to restore pursuant to the penultimate sentence of Treas. Reg. § 1.704-2(g) and § 1.704-2(i)(5), such Member shall be specially allocated items of Company income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 11.07(i) shall be made if and only to the extent that such Member would have a deficit Capital Account in excess of such sum after all other allocations provided for in this Article XI have been tentatively made as if this Section 11.07(i) and Section 11.07(h) hereof were not in the Agreement.

(j) §754 Adjustment. To the extent an adjustment to the adjusted tax basis of any Company Property undertaken pursuant to §734(b) or 743(b) of the Code is required to be taken into account in determining the Capital Accounts of the Members under Treas. Reg. §1.704-1(b)(2)(iv)(m), then the amount of such adjustment to the Capital Accounts will be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss will be specially allocated to the Members in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to the aforementioned section of the regulations.

(k) Curative Allocations. In the event that income, loss or items thereof are allocated to one or more Members pursuant to Sections 11.07(h) through (i), subsequent income, loss or items thereof shall be allocated (subject to the provisions of Sections 11.07(h) and (i)) to the Members so that, to the extent possible in the judgment of the Managing Member, the net amount of allocations shall be equal to the amount that would have been allocated had Section 11.07 not been applied. Notwithstanding the foregoing, the allocation of depreciation deductions will be governed by Section 11.07(a) and this Section 11.07(k) shall not apply to allocations of depreciation deductions.

(l) Excess Nonrecourse Liabilities. Solely for purposes of determining a Member's proportionate share of the "excess nonrecourse liabilities" of the Company within the meaning of Treas. Reg. §1.752-3(a)(3), the Members' respective interests in Company Profits and deductions shall equal their Percentage Interests (determined without regard to Section 11.07(a)-(k)).

(m) Authority to Vary Allocations to Preserve and Protect Members' Intent

(i) It is the intent of the Members that each Member's distributive share

of income, gain, loss, deduction, or credit (or item thereof) shall be determined and allocated in accordance with this Article XI to the fullest extent permitted by Section 704(b) of the Code. In order to preserve and protect the determinations and allocations provided for in this Article XI, the Managing Member, shall upon the direction in writing of the Special Member, allocate income, gain, loss, deduction, or credit (or item thereof) arising in any year differently than otherwise provided for in this Article XI as necessary to ensure that all allocations of income, gain, loss, deduction or credit (or item thereof) to the Members are permitted by Section 704(b) of the Code and Treasury Regulations promulgated thereunder. Any allocation made pursuant to this Section 11.07 shall be deemed to be a complete substitute for any allocation otherwise provided for in this Article XI and no amendment of this Agreement or approval of any Member shall be required.

(ii) In making any allocation (the "new allocation") under Section 11.07(m)(i), the Managing Member is authorized to act only upon the direction in writing of the Special Member or the Investor Member.

(iii) If the Managing Member receives a recommendation from the Accountants to make any new allocation in a manner less favorable to the Investor Member than is otherwise provided for in this Article XI, then the Managing Member shall do so only with the Investor Member's or the Special Member's Consent and only after having given the Investor Member and the Special Member the opportunity to discuss such allocation with the Accountants, and only after the Managing Member has been advised by the Accountants that it is permitted by Section 704(b) of the Code, to allocate income, gain, loss, deduction, or credit (or item thereof) arising in later years in such manner so as to bring the allocations of income, gain, loss, deduction, or credit (or item thereof) to the Investor Members as nearly as possible to the allocations thereof otherwise contemplated by this Article XI.

(n) Grant Income. Any income recognized as a result of any receipt of grants by the Company shall be allocated one hundred percent (100%) to the Managing Member.

11.08 Designation of Partnership Representative. The Managing Member shall be the partnership representative of the Company pursuant to Section 6223 of the Code ("Partnership Representative"), and shall engage in such undertakings as are required of the Partnership Representative of the Company, as provided in the Code and applicable Treasury Regulations. For each applicable tax year, the Managing Member shall cause the Company to appoint as the Designated Individual a person who is employed by the Managing Member or its Affiliate, has sufficient experience and authority to represent the Company in all dealings with the IRS, and is Consented to by the Investor Member or Special Member. If the Designated Individual is unable to perform the role required, no longer meets the requirements of the Code and Treasury Regulations or ceases to be employed by the Managing Member or its Affiliate, the Managing Member shall take all necessary action to cause such person to resign as the Designated Individual and to cause the Company to designate a successor representative that would otherwise qualify under this Agreement and under the Code and Treasury Regulations as a permissible Designated Individual. The Managing Member shall take any and all action required under the Code or Treasury Regulations (including on all applicable Company tax returns), as in effect from time to

time, to cause the Company to designate the Managing Member as the Partnership Representative and the chosen person as the Designated Individual. The Managing Member shall cause the Designated Individual to agree to comply with all restrictions and obligations imposed on the Partnership Representative as set forth in this Agreement. In the event that the Special Member exercises its right to become a managing member and to assume duties of the Partnership Representative, the pre-existing Partnership Representative will resign in accordance with Treas. Reg. § 301.6223-1(d)(1) and the Company will redesignate the new managing member as Partnership Representative in accordance with Treas. Reg. § 301.6223-1(d)(1).

Each Member, by its execution of this Agreement, Consents to such designation of the Partnership Representative by the Company and agrees to execute, certify, acknowledge, deliver, swear to, file and record at the appropriate public offices such documents as may be necessary or appropriate to evidence such Consent.

11.09 Authority of Partnership Representative.

(a) The Partnership Representative shall have and perform all of the duties required under the Code and Treasury Regulations, including the following duties:

(i) Furnish the name, address, profits interest, and taxpayer identification number of each Member to the IRS;

(ii) Represent the Company in all dealings with the IRS and state and local taxing authorities in accordance with the obligations and restrictions imposed by this Agreement;

(iii) Within five calendar days after the receipt by the Managing Member or an Affiliate thereof or the Company of any correspondence or communication relating to the Company or a Member or an Affiliate of a Member from the IRS or state or local taxing authority, the Partnership Representative shall forward to each Member a photocopy of all such correspondence or communication(s). The Partnership Representative shall, within five calendar days thereafter, advise each Member in writing of the substance and form of any conversation or communication held with any representative of the IRS or state or local taxing authority.

(b) The Partnership Representative shall, upon request by the Investor Member, permit the Investor Member to include its attorney in the power of attorney (Form 2848) for the Company for any taxable years under a tax audit or in a tax administrative appeals process.

(c) The Partnership Representative shall, solely upon request by the Investor Member, make an election pursuant to Sections 6221 or 6226 of the Code on behalf of the Company, provided the Company is permitted to make such election pursuant to the Code or Treasury Regulations thereunder.

(d) The Partnership Representative shall not without the Consent of the Special

Member:

- (i) Extend the statute of limitations for assessing or computing any tax liability against the Company (or the amount or character of any Company tax items);
- (ii) Engage an accounting firm or counsel to represent the Company before the IRS;
- (iii) Settle any audit with the IRS concerning the adjustment or readjustment of any Company item(s);
- (iv) File a request for an administrative adjustment with the IRS at any time or file a petition for judicial review with respect to any such request or select the forum for judicial review of any IRS determination;
- (v) Initiate or settle any judicial review or action concerning the amount or character of any Company tax item(s);
- (vi) Intervene in any action brought by any other Member for judicial review of a final Company administrative adjustment;
- (vii) Make an election pursuant to Sections 6221(b) or 6226(a) of the Code on behalf of the Company;
- (viii) Take action pursuant to Treasury Regulations promulgated under Section 6225(c); or
- (ix) Take any other action not expressly permitted by this Section 11.09 on behalf of the Members of the Company in connection with any administrative or judicial tax proceeding.

(e) In the event of any Company-level proceeding instituted by the IRS pursuant to Sections 6221 through 6241 of the Code, or by any other federal, state or local tax authority, the Partnership Representative shall consult with the Special Member regarding the nature and content of all action and defense to be taken by the Company in response to such proceeding. The Partnership Representative also shall consult with the Special Member regarding the nature and content of any proceeding pursuant to Sections 6221 through 6241 of the Code instituted by or on behalf of the Company (including the decision to institute proceedings, whether administrative or judicial, and whether in response to a previous IRS proceeding against the Company or otherwise). The Partnership Representative will provide the Investor Member and Special Member with notice reasonably in advance of any meetings or conferences with respect to any administrative or judicial proceedings relating to the determination of Company items at the Company-level (including any meetings or conferences with counsel or advisors to the Company with respect to such proceedings) and the Investor Member and Special Member shall have the

right to participate, at the Investor Member's and Special Member's sole cost and expense, in any such meetings or conferences. In any such proceedings, the Partnership Representative shall take any action or omit to take any action, if reasonably requested by the Investor Member or Special Member.

(f) If, at any time, the Managing Member desires to accept a settlement offer or other proposed resolution of a tax dispute, and the Investor Member and Special Member do not, then, to the extent permitted by the Code and Treasury Regulations, the Special Member may elect to take control of such tax dispute (including by being appointed as the Partnership Representative for the relevant period) and resolve such tax dispute in the best interest of the Company, as reasonably determined by the Special Member. If exercised, this election shall apply only to such contested tax dispute and not to any other past, future, or pending dispute with a tax authority or other Company matter. Moreover, the exercise of this election shall not relieve the Managing Member of any of its other obligations under this Agreement, including its obligation to manage the Company.

(g) In the event that an election described in Code Section 6226(a) is not made with respect to any notice of final partnership adjustment, each Member shall be obligated to make a capital contribution in an amount equal to such Member's share of the imputed underpayment (and any associated interest and penalties) owed by the Company under Code Section 6225. For purposes of the preceding sentence, each Member's share of such imputed underpayment (and associated interest and penalties) shall be determined by taking into account (i) such Member's share of the income, gain, loss, deductions, basis and credits to which such adjustment and imputed underpayment relate, as determined by the Accountants; (ii) such Member's obligation (if any) to indemnify, defend, or hold harmless the Company or any other Member for such imputed underpayment (and any associated interest and penalties) under this Agreement; (iii) such Member's obligations and liabilities arising from or related to such Member's representations, warranties and covenants in this Agreement; and (iv) the obligations of the Managing Member(s) under Section 5.01(e) (relating to Tax Credit adjustments). For example, if an imputed underpayment were to relate to an adjustment or disallowance of Tax Credits previously allocated to the Investor Member, and such adjustment or disallowance would give rise to an obligation of the Managing Member to make a capital contribution under Section 5.01(e) (relating to Tax Credit adjustments), then such Managing Member, rather than the Investor Member, would be required to make the capital contribution described in this paragraph.

(h) The Managing Member shall be the "tax matters partner" for all Fiscal Years of the Company beginning prior to January 1, 2018. Unless at the direction of the Investor Member, to be given in its sole and absolute discretion, the Managing Member shall not elect, and has not elected, pursuant to Section 1101(g)(4) of the Bipartisan Budget Act of 2015 (the "Budget Act") to apply the provisions of Section 1101 of the Budget Act to a Fiscal Year of the Company beginning prior to January 1, 2018.

11.10 Expenses of Partnership Representative. The Company shall indemnify and reimburse the Partnership Representative for all expenses, including legal and accounting fees, claims, liabilities, losses and damages incurred in connection with any administrative or judicial

proceeding with respect to the tax liability of the Members. The payment of all such expenses shall be made before any distributions are made from Net Cash Flow or any discretionary reserves are set aside by the Managing Member. The Managing Member shall have the obligation to provide funds for such purpose to the extent that Company funds are not otherwise available therefor. The taking of any action and the incurring of any expense by the Partnership Representative in connection with any such proceeding, except to the extent required by law, is a matter in the sole discretion of the Partnership Representative and the provisions on limitations of liability of the Managing Member and indemnification set forth in Section 8.08 of this Agreement shall be fully applicable to the Partnership Representative in its capacity as such. Sections 11.08, 11.09 and this Section 11.10 of the Agreement shall survive termination of any Member's interest in the Company for any reason and shall be binding on all Members, including former Members.

ARTICLE XII SALE, DISSOLUTION AND LIQUIDATION

12.01 Dissolution of the Company. The Company shall be dissolved upon the earlier of the expiration of the term of the Company, or upon:

(a) the withdrawal, Bankruptcy, death, dissolution or adjudication of incompetency of the Managing Member who is at that time the sole Managing Member, subject to the provisions of Section 6.03, unless a majority in interest of the other Members, within ninety (90) days after receiving Notice of such withdrawal, Bankruptcy, death, dissolution or adjudication of incompetence, elects to designate a successor Managing Member(s) and continue the Company upon the admission of such successor Managing Member(s) to the Company;

(b) the sale or other disposition of all or substantially all of the assets of the Company, subject to the provisions of Section 6.03;

(c) the election by the Managing Member, with the Consent of a majority in interest of the other Members; or

(d) any other event causing the dissolution of the Company under the laws of the Commonwealth of Virginia.

12.02 Winding Up and Distribution.

(a) Upon the dissolution of the Company pursuant to Section 12.01, (i) a Certificate of Cancellation shall be filed in such offices within the Commonwealth of Virginia as may be required or appropriate and (ii) the Company business shall be wound up and its assets liquidated as provided in this Section 12.02 and the net proceeds of such liquidation, except as provided in Section 12.02(b) below, shall be distributed in accordance with Section 11.04.

(b) It is the intent of the Members that, upon liquidation of the Company, any liquidation proceeds available for distribution to the Members be distributed in accordance with the Members' respective positive Capital Account balances and in accordance with Treas. Reg. §1.704-1(b)(2)(ii)(b)(2). The Members believe that distributions under Section 11.04 will effectuate such intent. In the event that, upon liquidation, there would otherwise be any conflict between a distribution pursuant to the Members' respective positive Capital Account balances and the intent of the Members with respect to distribution of proceeds as provided in Section 11.04, the Liquidator shall, notwithstanding the provisions of Sections 11.01, 11.02, 11.03 and 11.05, allocate the Company's gains, profits and losses in a manner that will, as nearly as possible, cause the distribution of liquidation proceeds to the Members to be in accordance both with the Members' economic expectations as set forth in Section 11.04 and their respective Capital Account balances. If the Company's gains, profits and losses are insufficient to cause the Members' Capital Accounts to be in such amounts as will permit liquidation proceeds to be distributed both in accordance with the Members' respective positive Capital Account balances and Section 11.04, then liquidation proceeds shall be distributed in accordance with the Members' respective positive Capital Account balances after the allocations described herein have been made.

(c) The Liquidator shall file all certificates and notices of the dissolution of the Company required by law. The Liquidator shall proceed without any unnecessary delay to sell and otherwise liquidate the Company's property and assets; provided, however, that if the Liquidator shall determine that an immediate sale of part or all of the Company property would cause undue loss to the Members, then in order to avoid such loss, the Liquidator may, except to the extent provided by the Act, defer the liquidation as may be necessary to satisfy the debts and liabilities of the Company to Persons other than the Members. Upon the complete liquidation and distribution of the Company assets, the Members shall cease to be Members of the Company, and the Liquidator shall execute, acknowledge and cause to be filed all certificates and notices required by the law to terminate the Company.

(d) Upon the dissolution of the Company pursuant to Section 12.01, the Accountants shall promptly prepare, and the Liquidator shall furnish to each Member, a statement setting forth the assets and liabilities of the Company upon its dissolution. Promptly following the complete liquidation and distribution of the Company property and assets, the Accountants shall prepare, and the Liquidator shall furnish to each Member, a statement showing the manner in which the Company assets were liquidated and distributed.

ARTICLE XIII
BOOKS AND RECORDS, ACCOUNTING,
TAX ELECTIONS, ETC.

13.01 Books of Account. The Managing Member shall keep proper and complete books of account for the Company. Such books of account shall be kept at the principal office of the Company and shall be open at all times for examination and copying by the Investor Member or its authorized representatives. The Managing Member shall retain such books of account for six

years after the later of the termination of the Company or the end of all applicable compliance periods under the Regulations. All decisions as to the fiscal year and accounting methods to be used by the Company shall be made only with the prior written Consent of the Investor Member. In addition, the Managing Member shall comply with all record keeping and record retention requirements applicable to low-income housing projects under the Code and Regulations, and shall provide such information to the Members for their compliance.

13.02 Financial Reports.

(a) Agreement with VHCC. The Company shall enter into an agreement with Virginia Housing Capital Corporation (“VHCC”), essentially in the form attached hereto as **Exhibit J**, pursuant to which VHCC will provide certain accounting and reporting services to the Company.

(b) Monthly Reports. Within ten days after the end of each month, the Managing Member shall deliver to the Members with respect to such month a cash flow statement for the Company, with a detailed itemization of all Company receipts and expenses, and with such additional information as shall be reasonably requested by the Members (the foregoing, collectively, the "Cash Flow Report"). Notwithstanding the foregoing, if the Investor Member believes that the Project is experiencing or may experience adverse operating results or any other material adverse condition, the Investor Member, by Notice to the Managing Member, may require the delivery of Cash Flow Reports within five days after the end of each month, until such time as the Investor Member believes that the adverse condition affecting the Project is no longer present or threatened. At Investor Member's request, copies of all proposed leases and tenant income certification information for the initial occupant of each dwelling unit shall be delivered concurrently with such Cash Flow Report prior to execution thereof by the Company.

(c) Governmental and Lender Reports. The Managing Member shall also deliver to the Investor Member any financial or performance report required to be provided by the Company to any federal, state or local governmental agency or to any Company lender. Any such report shall be delivered to the Investor Member within five days after such report is filed with any such governmental agency or Company lender.

13.03 Budgets and General Disclosure. The Managing Member shall prepare and deliver to the Investor Member no later than the 60 days prior to the beginning of each fiscal year of the Company a detailed annual operating and capital improvements budget for the operation of the Project during such fiscal year. Such budgets shall specifically list all budgeted expenses in all major categories including, but not limited to, administration, operation, repairs and maintenance, utilities, taxes, insurance, interest, debt service with respect to the Project Loans, capital improvements, and all budgeted expenses which are to be paid to the Managing Member or its Affiliates. Such a budget shall be deemed "approved" for purposes of this Agreement only when such budget has been approved by the Investor Member. The Managing Member shall keep the Investor Member informed concerning the general state of the business and financial condition of the Company and shall, upon the reasonable request of the Investor Member, furnish to the Investor Member full information, accounts and documentation concerning the state of the business and

financial condition of the Company. The Managing Member shall also provide the following statements or disclosures to the Investor Members:

(a) Semiannual Reports. Semiannually, within 45 days after the end of the second and fourth fiscal quarters of the Company, until the later to occur of the following events: (i) all Capital Contribution installments of the Investor Member have been made, or (ii) the Project is placed in service, a report on the status of the Company. Such report will include the following and will contain updated and revised information if there has been any change in facts previously reported.

(i) a description of the Project, including the status of construction or rehabilitation to be performed in connection with the Project (which information shall be provided on the Project until construction or rehabilitation is complete);

(ii) a description of the financing for the Project, including mortgage financing, any state or local government loans, any operating deficit guaranty, the Investor Member's Capital Contributions to the Company and any other contributions or loans to the Company;

(iii) a description of any applicable rental subsidy for the Project;

(iv) the terms of any performance bonds, development cost guarantees, operating deficit guarantees and other credit enhancements provided in connection with the Project;

(v) the fees, and other financial incentives provided to the Managing Member and its Affiliates; and

(vi) any draw or call upon or demand for payment of or under any operating deficit guarantee, operating reserve, contractor performance bonds or completion guarantee.

(b) Annual Reports. Within 100 days after the end of each fiscal year of the Company, a statement prepared by the Managing Member, which statement shall include the following:

(i) a report summarizing the fees, commissions, compensation and other remuneration and reimbursed expenses paid by the Company for such fiscal year to the Managing Member or any Affiliates of the Managing Member and the services performed;

(ii) a report of the activities and investments of the Company during the period covered by the report; and

(iii) a comparison of actual and projected tax benefits for the year.

The statement will be accompanied by audited financial statements of any Affiliate Guarantor.

(c) Demands for Payment. Within three business days of the exercise thereof, any draw or call upon or demand for payment of or under any operating deficit guarantee, operating reserve, contractor performance bonds or completion guarantee.

(d) Notices of Default. Immediately upon notice of such a default, any default by the Company in any loan, including any state or local government loan or other financial obligation, of the Company or its Managing Member.

(e) Notices of IRS Proceedings. Immediately upon receipt of such notice, any notice of any IRS proceeding or any other audit, review or inspection by an federal, state or local governmental agency or Project Lender involving the Company.

13.04 Tax Information. The Managing Member shall file all necessary tax forms related to the formation of the Company, including, if required, Form 8264 (related to the registration of a tax shelter). VHCC shall also provide such federal tax information as required under its agreement with the Company as set forth on Exhibit J.

13.05 Selection of Accountants. The Investor Member shall be entitled to select a firm of certified public accountants that are experienced in LIHTC and that will prepare the Company's year-end financial statements and the Company's annual tax returns. The fee of such accountants shall be paid by the Investor Member out of the accounting fee payable to it pursuant to Section 8.21 of this Agreement.

13.06 Section 754 Elections. In the event of a transfer of all or any part of the Interest of a Managing Member or of an Investor Member, the Company may elect, pursuant to Sections 743 and 754 of the Code (or any corresponding provision of succeeding law), to adjust the basis of the Company property if, in the opinion of the Investor Member, based upon the advice of the Accountants, such election would be most advantageous to the Investor Member. Each Member agrees to furnish the Company with all information necessary to give effect to such election.

13.07 Fiscal Year and Accounting Method. The fiscal year of the Company shall be the fiscal year of the Investor Member, which ends at December 31; provided, however, that upon request from the Investor Member, the fiscal year of the Company shall become the calendar year. All Company accounts shall be determined on an accrual basis.

13.08 Late Report Penalties. (i) In the event that the reports of information provided for in Sections 13.02(b) or 13.03 above are, at any time, not provided within the time frames set forth therein, the Managing Member shall be obligated to pay to the Investor Member the sum of \$200.00 per day, as liquidated damages, for each day from the date upon which such report(s) or information is (are) due pursuant to the provisions of the aforesaid Sections until the date upon which such report(s) or information is (are) provided in form acceptable to the Investor Member.

In the event that the reporting requirements set forth in any of the above provisions of this Article XIII are not met, the Investor Member, in its reasonable discretion, may direct the Managing Member to dismiss the Accountants, and to designate successor Accountants, subject to the approval of the Investor Member; provided, however, that if the Managing Member and the Investor Member cannot agree on the designation of successor Accountants, the successor Accountants shall be designated by the Investor Member in its sole reasonable discretion, and the fees of such successor Accountants shall be paid by the Managing Member.

ARTICLE XIV AMENDMENTS

14.01 Proposal and Adoption of Amendments. This Agreement may be amended by the Managing Member with the Consent of the Investor Member; provided that such Consent shall not be unreasonably withheld as to any proposed amendment which does not affect the obligations of the Managing Member or the rights of any of the Members under this Agreement; and further provided that, if the Investor Member proposes an amendment to this Agreement which either (a) increases or imposes upon the Investor Member the obligation to restore a deficit balance in its Capital Account, or (b) prospectively decreases the obligation of the Investor Member to restore a deficit balance in its Capital Account in a subsequent Fiscal Year of the Company, the Managing Member shall effectuate the adoption of such amendment; provided, however, that the Managing Member shall not be liable to the Investor Member for any adverse tax consequences that may result from any such increase or decrease.

ARTICLE XV CONSENTS, VOTING AND MEETINGS

15.01 Method of Giving Consent. Any Consent required by this Agreement may be given by a written Consent given by the consenting Member and received by the Managing Member at or prior to the doing of the act or thing for which the Consent is solicited.

15.02 Submissions to Investor Members. The Managing Member shall give the Investor Member Notice of any proposal or other matter required by any provision of this Agreement or by law to be submitted for consideration and approval of the Investor Members. Such Notice shall include any information required by the relevant provision or by law.

15.03 Meetings: Submission of Matter for Voting. A majority in Interest of the Investor Members shall have the authority to convene meetings of the Company and to submit matters to a vote of the Members.

ARTICLE XVI GENERAL PROVISIONS

16.01 Burden and Benefit. The covenants and agreements contained herein shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of the respective parties hereto.

16.02 Applicable Law. This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia.

16.03 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original copy and all of which together shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties shall not have signed the same counterpart.

16.04 Separability of Provisions. Each provision of this Agreement shall be considered separable, and if for any reason any provision which is not essential to the effectuation of the basic purposes of this Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement which are valid.

16.05 Entire Agreement. This Agreement sets forth all (and is intended by all parties to be an integration of all) of the representations, promises, agreements and understandings among the parties hereto with respect to the Company, the Company business and the property of the Company, and there are no representations, promises, agreements or understandings, oral or written, express or implied, among them other than as set forth or incorporated herein.

16.06 Liability of the Investor Member. Notwithstanding anything to the contrary contained herein, neither the Investor Member nor any of its members shall have any personal liability to any of the parties to this Agreement with regard to the representations and covenants extended, or the obligations undertaken, by the Investor Member under this Agreement, except that the Investor Member shall be personally obligated to fund its Capital Contributions when, as and if required by this Agreement and subject to any defenses and offsets it may have with respect to the funding of such Capital Contributions. In the event that the Investor Member shall be in default under any of the terms of this Agreement, the sole recourse of any party hereto for any indebtedness due hereunder, or for any damages resulting from any such default by the Investor Member, shall be either against the Interest of the Investor Member and the capital contributions of the members of the Investor Member (either directly or through another Investor Member) allocated to, and remaining for investment in, the Company; provided, however, that under no circumstances shall the liability of the Investor Member for any such default be in excess of the amount of Capital Contribution payable by the Investor Member to the Company, under the terms of this Agreement, at the time of such default, less the value of the Interest of the Investor Member, if such Interest is claimed as compensation for damages.

16.07 Environmental Protection.

(a) The Managing Member warrants and represents that to the best of the Managing Member's knowledge, after diligent inquiry, there presently are not, in, on, or under the Project nor will there be, in, on, or under the Project, upon completion of the construction: (i) any "hazardous substance" as that term is defined under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. §9601, et seq., as amended ("CERCLA"), or any other hazardous or toxic substance, waste or material or any other substance or pollutant that poses a risk to human health or the environment, including, but not limited to, petroleum in any form, lead-based paint, asbestos, urea formaldehyde insulation, methane gas, polychlorinated biphenyls ("PCBs") or radon, except for ordinary and necessary quantities of office supplies, cleaning materials and pest control supplies stored in a safe and lawful manner and petroleum products contained in motor vehicles (the "Hazardous Substances"); (ii) any underground storage tanks; (iii) accumulations of debris, mining spoil, spent batteries, except for ordinary garbage stored in receptacles for regular removal; (iv) or any other condition which could result in liability for an owner or operator of the Project under any federal, state, or local law, rule, regulation, or ordinance.

(b) The Managing Member further represents and warrants that (i) neither it nor, to the best of its knowledge, any other party has been, is or will be involved in operations at or, pursuant to the Managing Member's best knowledge, near the Land, which operations could lead to (A) a determination of liability under the Hazardous Waste Laws as to the Company or (B) the creation of a lien on the Land under the Hazardous Waste Laws or under any similar laws or regulations; and (ii) the Managing Member has not permitted, and will use best efforts not to permit, any tenant or occupant of the Project to engage in any activity that could impose liability under the Hazardous Waste Laws on such tenant or occupant, on the Land or on any other owner of the Project.

(c) The Managing Member further warrants and represents to the best of the Managing Member's knowledge that the Project is in compliance with all applicable Hazardous Waste Laws, and the Managing Member has not received notice of any violations of the Hazardous Waste Laws. The Managing Member covenants and agrees to take all necessary action within its control to ensure that the Project is in compliance with the Hazardous Waste Laws at all times and that the Project remains free from the presence of any Hazardous Substances in, on or under the Project. The Managing Member will promptly deliver any notice it may receive of any violation of the Hazardous Waste Laws to the Investor Member and the Special Member.

(d) The Managing Member agrees to indemnify and hold harmless the Company, the Investor Member, the Special Member, and any member of the Investor Member (the "Indemnified Parties") from and against all claims, actions, causes of action, liability, and expense (including, without limitation, attorneys' fees, court costs, and remedial and response costs) incurred or suffered by, or asserted by any person, entity, or governmental agency against the Indemnified Parties due to breach of the Managing Member of the Company's representations, warranties, or covenants, or a violation of the Hazardous Waste Laws, or the presence of Hazardous Substances in, on, or under the Project. The foregoing indemnification shall be a recourse obligation of the Managing Member and shall (to the full extent permitted by law) survive

the dissolution of the Company and the death, dissolution, retirement, incompetency, insolvency, bankruptcy, or withdrawal of the Managing Member.

(e) For purposes of this Agreement, the term "Hazardous Waste Laws" shall mean any governmental requirements pertaining to land use, air, soil, subsoil, surface water, groundwater (including the quality of, protection, clean-up, removal, remediation or damage of or to land, air, soil, subsoil, surface water and groundwater), including, without limitation, the following laws as the same may be from time to time amended: the Comprehensive Environmental Response Liability and Compensation Act, 42 U.S.C. § 9601, et seq., the Resource Conservation and Recovery Act, 42 U.S.C. §6901, et seq., the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq., the Federal Water Pollution Control Act, 33 U.S.C. §1251 et seq., the Safe Drinking Water Act, 42 U.S.C. § 300f et seq., the Clean Air Act, 42 U.S.C. § 7401 et seq., the Rivers and Harbors Act, 33 U.S.C. § 401 et seq., the Transportation Safety Act of 1974, portions of which are located at 49 U.S.C. § 1801 et seq., the Endangered Species Act, 16 U.S.C. § 1531 et seq., or any so-called "superfund" or "superlien" law, together with any other foreign or domestic laws (federal, state, provincial or local), common law, local rule, regulation (including, without limitation, any future change in judicial or administrative decisions interpreting or applying any of the laws, rules or regulations referred to herein) relating to emissions, discharges, release or threatened releases of any Hazardous Substances into ambient air, land, soil, subsoil, surface water, groundwater, personal property or structures, or otherwise relating to the manufacture, processing distribution, use treatment, storage, disposal, transport, discharge or handling of any Hazardous Substances, now or at any time hereafter in effect.

Following the determination of a Downward Capital Adjustment and/or a Late Delivery Capital Adjustment, the Managing Member or the Company, as appropriate, shall make payments as required under Section 5.01(e)(ii).

(i) The following definitions shall apply for purposes of determining adjustments to Capital Contributions:

If the Downward Capital Adjustment exceeds the total of all unfunded Capital Contributions (prior to the reduction under this provision), then the Managing Member shall make a payment immediately to the Company equal to the amount of such excess, and the Company shall immediately distribute such amount to the Investor Member as a return of its Capital Contributions. Such payment by the Managing Member shall constitute a non-reimbursable funding by it of Excess Development Costs and shall not give rise to any right as a loan or Capital Contribution or result in any increase in the Capital Account of the Managing Member. In the event that the Managing Member fails to make such payment in full and the Investor Member, in its sole discretion, elects not to exercise its remedies under Sections 5.05 or 6.05, as applicable, any amount not so paid by the Managing Member as required shall be payable out of Net Cash Flow and proceeds of Capital Transactions, as provided under Sections 11.03 and 11.04. Notwithstanding the foregoing, the Members hereby consent to (A) the pledge of, and the granting of a security interest in, the Managing Member’s Interest and all of the other interests of the Managing Member in the Company (collectively, the “**MM Pledged Collateral**”), to and/or in favor of AUB in connection with the Construction Loan (the “**MM Pledge**”) to secure the obligations of the Company to AUB under the Construction Loan Documents, and (B) the exercise by the MM Pledgee of all of its rights and remedies relating to such pledge and security interest, whether under the Construction Loan Documents or at law or in equity (subject to the provisions of the last sentence of this subsection (e)). The Investor Member agrees that such pledge of the MM Pledged Collateral will be senior to the pledge to the Investor Member under the Managing Member Pledge. Upon the occurrence of an event of default under the Construction Loan Documents (and the expiration of any applicable notice and cure period), and upon any exercise by the MM Pledgee of its rights and remedies as a pledgee and secured creditor resulting in a transfer of title to all or any portion of the MM Pledged Collateral to the MM Pledgee, the MM Pledgee’s nominee and/or any Person to whom the MM Pledgee may transfer such MM Pledged Collateral in a secured creditor’s sale (each such Person being referred to herein as a “**Subsequent Transferee**”), the admission of such Subsequent Transferee as a substitute Managing Member shall require the Consent of the Investor Member; provided, that Investor Member agrees that such Consent shall not be unreasonably withheld conditioned or delayed, and will be based on the Investor Member’s determination (which may be based on advice of its counsel) that (i) the admission of such Subsequent Transferee will not cause any adverse tax consequences to the Investor Member or the Company, (ii) the Subsequent Transferee has obtained the required consent (if any) of the Agency and any Project Lender for such admission, (iii) the Subsequent Transferee has the experience, current competence and financial resources (including the ability to have an affiliate provide a guaranty of its obligations hereunder), in the reasonable determination of the Investor Member, to construct and operate the Project and maintain the Tax Credits, and (iv) the conditions set forth in subsections (b)-(d) above have been met. Notwithstanding anything to the contrary contained in this Agreement, the Members agree and covenant that (x) all Members’ Interests in the Company, whether now or hereafter issued and outstanding, shall be uncertificated and no election has or will be made to have the Interests governed by Article 8 of the Uniform Commercial Code adopted by the Commonwealth of Virginia without the prior written consent of

AUB, and (y) the provisions set forth in this Section 6.02(e) may not be amended or restated without the prior written consent of AUB, and any attempt to do so in violation of the foregoing shall be null and void.

6.03 Effect of Bankruptcy, Death, Withdrawal, Dissolution or Incompetence of a Managing Member.

(a) In the event of the Bankruptcy of a Managing Member or the withdrawal, death or dissolution of a Managing Member, or an adjudication that a Managing Member is incompetent (which term shall include, but not be limited to, insanity) the business of the Company shall be continued by the other Managing Member(s); provided, however, that if the withdrawn, Bankrupt, deceased, dissolved or incompetent Managing Member is then the sole Managing Member, or if such Managing Member withdraws from the Company in contravention of the provisions of Section 6.01(a) of this Agreement, then the Company shall be terminated, unless within ninety (90) days after receiving Notice of such Bankruptcy, withdrawal, death, dissolution or adjudication of incompetence or breach of Section 6.01(a), the Investor Member elects to designate the Special Member or such other entity as the Investor Member may desire as a successor Managing Member and continue the Company upon the conversion of such Special Member to the Managing Member of the Company. Consequences of the removal of the Managing Member shall be determined under Section 6.05 hereof.

(b) Upon the Bankruptcy, death, dissolution or adjudication of incompetence of a Managing Member or breach of Section 6.01(a), such Managing Member shall immediately cease to be a Managing Member and its Interest shall without further action be converted to an Investor Member Interest; provided, however, that, if such Bankrupt, dissolved, incompetent, deceased or defaulted Managing Member is the sole remaining Managing Member, such Managing Member shall cease to be a Managing Member only upon the expiration of ninety (90) days after Notice to the Investor Member of the Bankruptcy, death, dissolution, declaration of incompetence or default of such Managing Member; and provided further that, if such Bankrupt, dissolved, incompetent, deceased or defaulted Managing Member is the sole remaining Managing Member, the converted Company Interest of such replaced Managing Member shall be ratably reduced to the extent necessary to insure that the substitute Managing Member(s) holds a .009% Percentage Interest (as set forth in Section 5.01).

(c) Except as set forth above, such conversion of a Managing Member Interest to an Investor Member Interest shall not affect any rights, obligations or liabilities (including without limitation, any of the Managing Member's obligations under Section 8.11 herein) of the Bankrupt, deceased, dissolved, removed, incompetent or defaulted Managing Member existing prior to the Bankruptcy, death, dissolution, removal, incompetence or default of such person as a Managing Member (whether or not such rights, obligations or liabilities were known or had matured).

(d) If, at the time of the withdrawal, Bankruptcy, death, dissolution, adjudication of incompetence or default under Section 6.01(a) of a Managing Member, the Bankrupt, withdrawn, deceased, dissolved, incompetent or defaulted Managing Member was not the sole Managing Member of the Company, the remaining Managing Member or Managing Members shall immediately (i) give Notice to the Investor Members of such Bankruptcy, death, dissolution, adjudication of incompetence or default, and (ii) make such amendments to this Agreement and execute and file such amendments or documents or other instruments as are necessary to reflect the conversion of the Interest of the Bankrupt, deceased, dissolved, incompetent or defaulted Managing Member and his having ceased to be a Managing Member. The remaining Managing Member or Managing Members are hereby granted an irrevocable power of attorney, coupled with an interest, to execute any or all documents on behalf of the Members and the Company and to file such documents as may be required to effectuate the provisions of this Section 6.03.

6.04 Restrictions on Transfer of Managing Member's Interests. This is an agreement under which applicable law excuses the Investor Member from accepting performance from (i) any Managing Member which is a debtor in a case under the Bankruptcy Code, 11 U.S.C. § 101 et seq., (ii) a trustee of any such debtor, (iii) and/or the assignee of any such debtor or trustee. The Investor Member has entered into this Agreement with the Managing Member in reliance upon the unique knowledge, experience and expertise of the Managing Member, and its officers in the planning and implementation of the acquisition of the Project and in the area of affordable housing and development in general. The foregoing restriction on transfer is based in part on the above factors. The Managing Member expressly agrees that the Investor Member shall not be required to accept performance under this Agreement from any person other than the Managing Member, including, without limitation, any trustee of the Managing Member appointed under the Bankruptcy Code, 11 U.S.C. § 101 et seq., and any assignee of any such trustee.

6.05 Removal of the Managing Member.

(a) Conditions for Removal. The Investor Member shall have the right to remove the Managing Member:

(i) for (A) any fraud, gross negligence, intentional misconduct, or breach of fiduciary duty, or (B) failure to exercise reasonable care with respect to any material matter in the discharge of its duties and obligations as Managing Member (provided that such violation results in, or is likely to result in, a material detriment to or an impairment of the Project or assets of the Company), or

(ii) upon the occurrence of any of the following:

(A) the Managing Member or the Company shall have violated any material provisions of the Regulatory Agreement, the Extended Use Agreement and/or the Loan Agreement, or any material provisions of any other Project Document or other document required in connection with any

Project Loan or any material provisions of a Project Lender and/or Agency requirements applicable to the Project, which violation has not been explicitly waived in writing by the applicable Project Lender or the Agency, as applicable;

(B) the Managing Member or the Company shall have (i) violated any material provision of this Agreement, including, without limitation, any of its guarantees or payment obligations under Sections 5.01(e), 5.05 and/or 8.11, (ii) violated any material provision of applicable law, or (iii) the representation and warranty contained in Section 4.01(u) are and/or becomes false or inaccurate;

(C) the Managing Member or the Company shall have caused any Project Loan to go into default, which default remains uncured after the expiration of any applicable cure period;

(D) the Managing Member shall have conducted its own affairs or the affairs of the Company in such manner as would:

(1) cause the termination of the Company for federal income tax purposes;

(2) cause the Company to be treated for federal income tax purposes as an association, taxable as a corporation;

(3) in the reasonable opinion of the Investor Member, cause a recapture or reduction in Certified Credits;

(4) violate any federal or state securities laws;

(5) cause the Investor Member to be liable for Company obligations in excess of its Capital Contributions; or

(E) the amount of Actual Credits for any year are, or are projected by the Accountants to be, less than ninety percent (90%) of the Projected Credits for that year; or less than ninety percent (90%) of Certified Credits if Certified Credits have been determined and adjustments to the capital contribution of the Investor Member have been made as may be required under Section 5.01(e);

(F) cause for removal as a managing member of an Affiliated Company shall exist pursuant to the operating agreement of an Affiliated Company;

(G) the Managing Member fails to timely and promptly discharge the Management Agent if at any time cause for such removal exists;

(H) Bankruptcy or similar creditor's action is filed by or against the Company, the Managing Member or any Affiliate Guarantor; or

(I) any default by the Affiliate Guarantor under the Affiliate Guaranty;

(J) failure of the Affiliate Guarantor to maintain a minimum net worth of \$300,000;

(K) failure of the Company to achieve Breakeven Operations within six months of the Company's achievement of 95% occupancy; or

(L) any act or omission by the Managing Member that would substantially reduce tax benefits, or substantially increase tax liabilities, of the Investor Member.

(b) Procedure for Removal. The Investor Member shall give Notice to all Members and to the Project Lenders of its determination that the Managing Member shall be removed. The Managing Member shall have ten (10) days after receipt of such Notice to cure any default or other reason for such removal, in which event it shall remain as Managing Member. If, at the end of ten (10) days, the Managing Member has not cured any default or other reason for such removal, it shall cease to be Managing Member and the powers and authorities conferred on it as Managing Member under this Agreement shall cease and the Interests of such Managing Member shall be transferred to the Special Member or its designee which, without further action, shall become the Managing Member; in such event, upon becoming the Managing Member, such designee shall be bound by all applicable terms and conditions of this Agreement and of the Project Documents.

(c) Managing Member Obligations and Liability Following Removal.

(i) In the event that the Managing Member is removed as aforesaid prior to the Final Closing, it shall be and shall remain liable for all obligations and liabilities incurred by it as Managing Member of the Company before such removal shall become effective, including but not limited to the obligations and liabilities of the Managing Member with respect to its obligations set forth in Section 8.11 of this Agreement; provided however, that if amounts otherwise payable to the Managing Member as fees are applied to meet the obligations of the Managing Member as stated in Sections 5.01, 5.05 and 8.11 of this Agreement, such application shall serve to reduce any such liabilities of the Managing Member or any successor, except for any liability incurred as the result of its negligence, misconduct, fraud or breach of its fiduciary duties as Managing Member of the Company. If the Managing Member is removed as Member of the

Company prior to the Final Closing as aforesaid, the Managing Member shall not be entitled to payment of the Incentive Management Fee or other fees which otherwise would have been due and payable under or pursuant to various Sections of this Article VI or Article VII.

(ii) In the event that the Managing Member is removed as aforesaid after the Final Closing, it shall be and shall remain liable for all obligations and liabilities incurred by it as Managing Member of the Company before such removal shall become effective, including but not limited to the Managing Member's obligations and liabilities under Section 8.11(b) of this Agreement; provided, however, that if amounts otherwise payable to the Managing Member or Affiliates thereof as fees are applied by the Company to pay Operating Deficits, such application shall serve to reduce any such liabilities after the Final Closing, except for any liability incurred as the result of its negligence, misconduct, fraud or breach of its fiduciary duty as Managing Member of the Company. If the Managing Member is removed as Member of the Company at any time after the Final Closing, the Developer or its successor(s) shall continue to be paid subsequent to such removal, in accordance with the terms and conditions of this Agreement, any installments of the Development Fee which would have otherwise been due and payable to it pursuant to Section 8.12 and which are not otherwise being withheld; provided, however, upon any such removal of the Managing Member after the Final Closing, no further installments of the Incentive Management Fee shall be paid which are attributable to any period after such removal.

(d) Power of Attorney. The Investor Member hereby is granted an irrevocable power of attorney, coupled with an interest, to execute any and all documents on behalf of the Members and the Company as shall be legally necessary and sufficient to effect all of the foregoing provisions of this Section 6.05. The election by the Investor Member to remove the Managing Member under this Section shall not limit or restrict the availability and use of any other remedy which the Investor Member or any other Member might have with respect to the Managing Member in connection with its undertakings and responsibilities under this Agreement.

ARTICLE VII ASSIGNMENT TO THE COMPANY

Any loss or damage incurred by any Managing Member or Affiliate thereof by reason of any act or omission performed or omitted by it or any of them in good faith on behalf of the Company and in a manner reasonably believed by it to be within the scope of the authority granted by this Agreement and in the best interests of the Company (but not, in any event, any loss or damage incurred by the Managing Member or Affiliate thereof by reason of negligence, misconduct or fraud of the Managing Member or Affiliate thereof, or any breach of fiduciary duty as Managing Member, with respect to such acts or omissions) shall be paid from Company assets (except for reserves) to the extent available (but the Investor Members shall not have any personal liability to the Managing Member or Affiliate(s) thereof under any circumstances on account of any such loss or damage incurred by the Managing Member or Affiliate(s) thereof or on account of the payment thereof).

The Managing Member and the Company shall, jointly and severally, indemnify, defend, and save harmless the Investor Member and Special Member from and against any claim, loss, expense, action or damage, including without limitation, reasonable costs and expenses of litigation and appeal (and the reasonable fees and expenses of counsel) asserted against the Investor Member or Special Member based on any act, omission, malfeasance or nonfeasance of the Company or the Managing Member, including without limitation any claim that the Investor Member or Special Member is liable for any indebtedness of the Company and excluding only liability directly caused by the Investor Member or Special Member's gross negligence or bad faith conduct. In addition, the Managing Member and the Company shall, jointly and severally, indemnify, defend, save and hold harmless the Investor Member and Special Member, and their representatives, from and against any and all costs, losses, liabilities, damages, lawsuits, proceedings (whether formal or informal), investigations, judgments, orders, settlements, recoveries, obligations, deficiencies, claims and expenses (whether or not arising out of third party claims), including, without limitation, interest, penalties, attorneys' fees and all amounts paid in investigation, or settlement of any of the foregoing, incurred in connection with or arising out of or resulting from the operations of the Managing Member, the Company or the Project prior to the date of this Agreement.

8.10 Net Worth of Managing Member. The Managing Member shall maintain a minimum net worth in an amount as may be necessary to assure that the Company will be taxed as a partnership, and not as an association taxable as a corporation, for federal income tax purposes.

8.11 Construction of the Project, Construction Cost Overruns, Operating Deficits; Other Managing Member Guarantees.

(a) Construction Completion Guaranty.

(i) The Company has entered into the Construction Contract. The Managing Member shall be responsible for:

(iii) In the event that the Managing Member shall fail to pay any such Excess Development Costs as required in this Section 8.11(a), an amount not in excess of the total of any remaining unpaid installments of the Development Fee due pursuant to Section 8.12 shall be suspended by the Company until such obligations are met by the Managing Member.

(b) Operating Deficit Guaranty. In the event that, at any time during the period commencing on achievement of Breakeven Operations and ending on the fifteenth

anniversary of such date, an Operating Deficit shall exist, the Managing Member shall provide such funds to the Company as shall be necessary to pay such Operating Deficits. Funds provided after the achievement of Breakeven Operations shall be in the form of a loan to the Company (the "Operating Deficit Loan(s)"). Any Operating Deficit Loan shall be on the following terms: (i) it shall be unsecured; (ii) it shall not bear interest; (iii) it shall be repayable solely from Net Cash Flow and proceeds of a Capital Transaction at the time and in the amounts set forth in Sections 11.03(b), 11.04 and 12.02(a) of this Agreement; and (iv) Operating Deficit Loans shall be fully subordinated to payment of Project Loans, MM Loans, and indebtedness of the Company to all Persons other than Members. In the event that the Managing Member shall fail to make any such Operating Deficit Loan as aforesaid, the Company shall utilize amounts otherwise payable as installments of the Development Fee pursuant to Section 8.12 of this Agreement to meet the obligations of the Managing Member pursuant to this Section 8.11(b). Amounts so utilized shall also constitute payment and satisfaction of installments of the Development Fee and such other fees payable under the aforesaid Section of this Agreement, and the obligation of the Company to make such installment payments pursuant to such Sections, as well as the Investor Member's obligation to make future Capital Contributions, shall be reduced correspondingly. For the purpose of this Section 8.11(b), all expenses shall be paid on a sixty (60) day current basis.

(c) LIHTC Compliance Guaranty. (i) If with respect to any fiscal year of the Company there is a LIHTC Shortfall, the Managing Member shall, within forty-five (45) days following the close of such fiscal year, pay the Investor Member an amount equal to (A) the amount of the LIHTC Shortfall for the fiscal year immediately preceding the payment due date multiplied by \$1.00, (B) all penalties and interest imposed by the Code and assessed against the Investor Member by the IRS with respect to any LIHTC Shortfall, and (C) an amount sufficient to pay any tax liability owed by the Investor Member resulting from the receipt of the amounts specified in the foregoing clauses (A), (B) and this clause (C) of this Section 8.11(c)(i) (such calculation to be made assuming the Investor Member is subject to the highest federal and state tax rates imposed on corporate tax payers under the Code at that time for the taxable year of the Investor Member in which such payment is taken into income by the Investor Member), together with interest on such amounts at the Prime Rate accruing from such payment due date.

(ii) The Managing Member irrevocably and unconditionally guarantees payments specified in this Section 8.11(c)(ii) to the Investor Member if there is a LIHTC Recapture Event. The payments required by this Section 8.11(c)(ii) shall be the sum of the following amounts: (A) the amount of LIHTC previously allocated to the Investor Member and subsequently disallowed because of such LIHTC Recapture Event multiplied by \$1.00; (B) the "credit recapture amount" (as defined in Code Section 42(j)(2)) allocated to the Investor Member because of such LIHTC Recapture Event; (C) all penalties and interest imposed by the Code and assessed against the Investor Member by the IRS with respect to such LIHTC Recapture Event; (D) an amount sufficient to pay any tax liability owed by the Investor Member resulting from the receipt of the amounts specified in the foregoing clauses (A), (B), (C) and this clause (D) of this Section 8.11(c)(ii) (such calculation to be made assuming the Investor Member is subject to the highest federal and state tax rate imposed on corporate taxpayers under the Code at that time for the taxable year of the Investor Member in which such payment is taken into income by the Investor Member,

together with interest on such amounts at the Prime Rate accruing from the date the Investor Member remits funds to a taxing authority with respect to a LIHTC Recapture Event; and (E) if the cause of the LIHTC Recapture Event will, in determination of the Investor Member, decrease the maximum amount of LIHTC that will be available to the Company and allocated to the Investor Member during the remainder of the compliance period under Section 42 of the Code, assuming full compliance with Section 42 of the Code, then an amount equal to the total amount of such decrease. The Managing Member shall make such payment to the Investor Member within forty-five (45) days of the LIHTC Recapture Event.

(iii) The LIHTC Compliance Guaranty set forth herein shall not apply to amounts due solely to the transfer by the Investor Member of all or a portion of its Interest in the Company or to changes in the tax law after the date hereof with which the Managing Member is unable to comply despite the exercise of its good faith and reasonable efforts.

(iv) Intentionally Omitted.

(v) Funds provided by the Affiliate Guarantor with respect to the Managing Member's obligations under subparagraphs (i) or (ii) above shall be in the form of a loan to the Company (the "Guarantor LIHTC Compliance Loan"). Any Guarantor LIHTC Compliance Loan shall be on the following terms: (i) it shall be unsecured; (ii) it shall bear no interest; and (iii) it shall be repayable solely from proceeds of a Capital Transaction or liquidation at the time and in the amounts set forth in Sections 11.04 and 12.02(a) of this Agreement. Notwithstanding the foregoing, the Investor Member shall have the authority to treat any guarantee payment made on behalf of the Company by its Managing Member or the Affiliate Guarantor as (i) a capital contribution to the capital of the Company by the Managing Member in the amount of such guarantee payment that is matched with a corresponding upward adjustment to such Managing Member's capital account in the Company or (ii) as a loan (as described above) by the Managing Member in the amount of such guarantee payment, so as to minimize any possible unintended increase in the amount of depreciation and tax credits allocated to the Managing Member; provided that any losses or other deductions, other than depreciation, relating to such capital contribution or loan, shall be allocated to the Managing Member making such guarantee payment.

(d) Project Loan Funding Guaranty. The Managing Member irrevocably and unconditionally guarantees and covenants that the Company shall receive full funding of the Project Loans on or before December 31, 2021, on the terms set forth on **Exhibit F** attached hereto. The Managing Member represents and warrants that the source of funds for the Project Loans do not include, in whole or in part, "federal subsidies" within the meaning of Code Section 42(i) (i.e. the source of funds for the Project Loans does not include, in whole or in part, a "tax-exempt obligation," an obligation the interest on which is exempt from tax under Code Section 103). The Project Loan documents shall contain such other terms as may be Consented to by the Investor Member.

8.12 Development Fee. The Company has entered into a Development Agreement (materially in the form of **Exhibit A** attached hereto) of even date herewith with the Developer for its services in connection with the development and construction of the Project. In consideration for such services, a Development Fee in a total amount equal to \$602,000 shall be payable by the Company, in accordance with the terms of the Development Agreement and Article XI of this Agreement. In no event shall full payment of the Development Fee be later than the termination of the Compliance Period. It is anticipated that \$296,060 of the Development Fee will be deferred and paid pursuant to Article XI.

8.13 Incentive Management Fee. The Company has entered into an Incentive Management Fee Agreement in the form attached hereto as **Exhibit B**, with the Managing Member of even date herewith for its services in managing the business of the Company for the period from the date hereof throughout the term of the Company. In no event shall the Incentive Management Fee be cumulative. Payment of such fee shall be in accordance with any applicable requirements of the Project Lenders.

8.14 Withholding of Fee Payments.

(a) Conditions for Withholding. In the event that (i) the Managing Member or any successor Managing Member shall not have substantially complied with any material provisions under this Agreement, or under the operating agreement with respect to an Affiliated Company, after Notice from the Investor Member of such noncompliance and failure to cure such noncompliance within a period of thirty (30) days from and after the date of such Notice, or (ii) any Project Lender shall have declared the Company to be in default under any Project Loan or under any of the mortgage loans as to an Affiliated Company, or (iii) foreclosure proceedings shall have been commenced against the Project or against an Project owned by the Affiliated Company, then (A) the Managing Member shall be in default of this Agreement, and the Company shall withhold payment of any installment of fees and/or allowance payable pursuant to Sections 4.02(s), 8.12 and/or 8.13 and (B) the Managing Member shall be liable for the Company's payment of any and all installments of the Development Fee payable pursuant to Section 8.12.

(b) Release of Fees. All amounts so withheld by the Company under this Section 8.14 shall be promptly released to the payees thereof only after the Managing Member has cured the default justifying the withholding, as demonstrated by evidence reasonably acceptable to the Investor Member.

8.15 Selection of Management Agent; Terms of Management Agreement. The Company shall engage such person, firm or company as the Managing Member may select, and as the Investor Member may approve, which approval shall not be unreasonably withheld (hereinafter referred to as "Management Agent") to manage the operation of the Project during the rent up period and following Final Closing. The Management Agent must be a VHDA certified Property Manager. The Management Agent shall be paid a management fee subject to the approval of the Agency and/or the Project Lenders, if required, and the Special Member, but in no event will the management fee be greater than 8.80% of gross rental income. The contract between the Company

and the Management Agent and the management plan for the Project shall be in the form set forth in **Exhibit G**, with such changes acceptable to the Agency and/or the Project Lenders, if required, and reasonably acceptable to the Special Member. Such contract shall provide, among other things, that it shall be cancelable upon thirty (30) days' prior notice from the Company, and that the Management Agent will accrue the management fee to the extent necessary at any time to prevent a default under any Project Loan. Whenever the management agent for the Project is the Managing Member or an Affiliate of the Managing Member, the management agreement shall provide that it is immediately terminable at the election of the Investor Member or Special Member in the event of (a) the removal or withdrawal of the Managing Member, or (b) any material breach of or noncompliance with any provision of this Agreement by the Managing Member or any Affiliate of the Managing Member. Any other agreement entered into by the Company and any Managing Member or any Affiliate thereof shall specifically provide that such agreement shall be immediately terminable at the election of the Investor Member or Special Member if the Managing Member is removed or withdraws. The Sponsor is approved by the parties hereto as the initial Management Agent.

8.16 Removal of the Management Agent. The Managing Member:

(a) may, upon receiving any required approval of the Project Lenders and the Investor Member, dismiss the Management Agent as the entity responsible for the Project under the terms of the contract between the Company and the Management Agent, and

(b) shall, at the request of the Investor Member, remove the Management Agent if the Special Member determines that the same is necessary to protect the interest of the Company or if the Management Agent is declared Bankrupt, is dissolved, or makes an assignment for the benefit of its creditors, or for any intentional misconduct by the Management Agent or its negligence in the discharge of its duties and obligations as Management Agent (subject to the fulfillment and expiration of any notice and/or opportunity to cure provisions of the Management Agreement), including, without limitation, for any action or failure to take any action which:

(i) violates in any material respect any provision of the Management Agreement entered into with the Company and approved by the Project Lenders, if required, and/or any material provision of the Project Documents and/or the Loan Documents applicable to the Project, or the Project Lenders-approved management plan for the Project;

(ii) violates in any material respect any provision of this Agreement or provision of applicable law; or

(iii) causes the Project to be operated in a manner which if continued would give rise to an event which would cause or would likely cause a recapture of LIHTC.

8.17 Replacement of the Management Agent. Upon the removal of the Management Agent as the entity responsible for the management of the Project, a substitute Management Agent which is not an Affiliate of the Managing Member shall be named by the Managing Member,

subject to the approval of the Project Lenders, if required, and the approval of the Investor Member.

8.18 Loans to the Company. The Company is authorized to receive Operating Deficit Loans and MM Loans on the terms set forth in this Agreement. In addition, if (a) additional funds are required by the Company for any purpose relating to the business of the Company or for any of its obligations, expenses, costs or expenditures, and (b) the Company has not received an Operating Deficit Loan, or MM Loan to pay such amounts, then the Company may borrow such funds as are needed from a Person or organization, other than a Member or an Affiliate of a Member, in accordance with the terms of this Section 8.18, for such period of time and on such terms as the Managing Member and the Investor Member may agree; provided, however, that no such additional loans shall be secured by any mortgage or other encumbrance on the property of the Company without the prior approval of the Investor Member except that such approvals shall not be required in the case of the hypothecation of personal property purchased by the Company and not included in the security agreements executed by the Company at the time of Initial Closing. Nothing in this Section 8.18 shall modify or affect the obligation of the Managing Member to make Operating Deficit Loans and to perform its obligations when and as required by this Agreement.

8.19 Affiliate Guaranty. Concurrently with the execution of this Agreement, the Managing Member shall deliver to the Investor Member (a) the Affiliate Guaranty fully executed by each Affiliate Guarantor, (b) a pledge and security agreement executed by the Managing Member in the form of **Exhibit E** attached hereto (the "Managing Member Pledge"), wherein the Managing Member pledges and grants a security interest in its Managing Member interest in the Company and in each Affiliated Company to secure its obligation under this Agreement, and (c) an opinion of counsel to the Affiliate Guarantors in form satisfactory to the Investor Member regarding the Affiliate Guaranty and the Managing Member Pledge.

8.20 Intentionally Deleted.

8.21 Accounting Fee. An accounting fee shall be paid to Virginia Housing Capital Corporation under the Agreement to Provide Accounting and Reporting Services, the form of which is attached hereto as **Exhibit J.** The obligation to pay such fee shall terminate at the end of the next year following the termination of the Compliance Period.

8.22 Public Relations. The Managing Member shall provide written and timely notice of any groundbreaking, ribbon-cutting or other public relations ceremonies for the Project to the Investor Member and recognize the Investor Member and the Investor Member's members at such public relations ceremonies.

ARTICLE IX
TRANSFERS AND RESTRICTIONS ON TRANSFERS
OF INTERESTS OF INVESTOR MEMBERS

9.01 Restrictions on Transfer of Investor Members' Interests.

(a) Under no circumstances will any offer, sale, transfer, assignment, hypothecation or pledge of any Investor Member Interest be permitted unless the Managing Member, in its sole discretion, shall have Consented thereto, and the Project Lenders, if required, also shall have Consented thereto, provided however, that the Managing Member shall not unreasonably withhold its Consent to the pledge by the Investor Member of its Investor Member Interest or a transfer of its right to receive distributions hereunder, so long as no pledgee or transferee shall have any right to become a Substitute Investor Member in the Company or exercise any voting rights of the Investor Member.

(b) The Investor Member whose interest is being transferred shall pay such reasonable expenses as may be incurred by the Company in connection with such transfer.

(c) Nothing in this Section 9.01 shall limit the authority of the Investor Member to sell, transfer and/or assign interests within the Investor Member or to transfer Interests of the Investor Member to (i) any Affiliate of the Investor Member or Special Member, in the sole discretion of the Investor Member, at any time and from time to time, or (ii) to any other Person once during the term of this Agreement upon Notice to the Managing Member(s).

9.02 Admission of Substitute Investor Members.

(a) Subject to the other provisions of this Article IX, an assignee of the Interest of an Investor Member (which shall be understood to include any purchaser, transferee, donee, or other recipient of any disposition of such Interest) shall be deemed admitted as a Substitute Investor Member of the Company only upon the satisfactory completion of the following:

(i) Consent of the Managing Member (which may be withheld in its sole discretion), and the consent of the Project Lenders, if required, shall have been given; such Consent of the Managing Member may be evidenced by the execution by the Managing Member of an amended Agreement and/or Certificate evidencing the admission of such Person as an Investor Member pursuant to the requirements of the Act, provided, however, that no Consent shall be required for any sale, transfer or assignment pursuant to Section 9.01 (c);

(ii) the assignee shall have accepted and agreed to be bound by the terms and provisions of this Agreement by executing a counterpart thereof or an appropriate amendment hereto, and such other documents or instruments as the Managing Member may require in order to effect the admission of such Person as an Investor Member;

(iii) an amended Agreement and/or Certificate evidencing the admission of such Person as an Investor Member shall have been filed for recording pursuant to the requirements of the Act;

(iv) if the assignee is a corporation, the assignee shall have provided the Managing Member with evidence satisfactory to Counsel for the Company of its authority to become an Investor Member under the terms and provisions of this Agreement; and

(v) the assignee or the assignor shall have reimbursed the Company for all reasonable expenses, including all reasonable legal fees and recording charges, incurred by the Company in connection with such assignment.

(b) For the purpose of allocation of profits, losses and credits, and for the purpose of distributing cash of the Company, a Substitute Investor Member shall be treated as having become, and as appearing in, the records of the Company as a Member upon his signing of an amendment to this Agreement agreeing to be bound hereby.

(c) If the Managing Member has determined it will Consent to the admission, the Managing Member shall cooperate with the Person seeking to become a Substitute Investor Member by preparing the documentation required by this Section and making all official filings and publications. In such event, the Company shall take all such action, including the filing, if required, of any amended Agreement and/or Certificate evidencing the admission of any Person as an Investor Member, and the making of any other official filings and publications, as promptly as practicable after the satisfaction by the assignee of the Interest of an Investor Member of the conditions contained in this Article IX to the admission of such Person as an Investor Member of the Company. Any cost or expense incurred in connection with such admission shall be borne by the Substitute Investor Member.

9.03 Rights of Assignee of Company Interest.

(a) Except as provided in this Article and as required by operation of law, the Company shall not be obligated for any purpose whatsoever to recognize the assignment by any Investor Member of its Interest until the Company has received actual Notice thereof.

(b) Any Person who is the assignee of all or any portion of an Investor Member's Interest, but does not become a Substitute Investor Member, and who desires to make a further assignment of such Interest, shall be subject to all the provisions of this Article IX to the same extent and in the same manner as any Investor Member desiring to make an assignment of its Interest.

ARTICLE X
RIGHTS AND OBLIGATIONS OF INVESTOR MEMBERS

10.01 Management of the Company. No Investor Member shall take part in the management or control of the business of the Company nor transact any business in the name of the Company. Except as otherwise expressly provided in this Agreement, no Investor Member shall have the power or authority to bind the Company or to sign any agreement or document in the name of the Company. No Investor Member shall have any power or authority with respect to the Company except insofar as the Consent of any Investor Member shall be expressly required and except as otherwise expressly provided in this Agreement.

10.02 Limitation on Liability of Investor Members. The liability of each Investor Member is limited to its Capital Contribution as and when payable under the provisions of this Agreement, and as provided under the Act. No Investor Member shall have any other liability to contribute money to, or in respect of the liabilities or obligations of, the Company, nor shall any Investor Member be personally liable for any obligations of the Company, except as and to the extent provided in the Act. No Investor Member shall be obligated to make loans to the Company.

10.03 Other Activities. Any Investor Member may engage in or possess interests in other ventures of every kind and description for its own account, including without limitation, serving as general partner or managing member of other limited partnerships or limited liability companies which own, either directly or through interests in other limited liability companies or limited partnerships, government-assisted housing projects similar to the Project. Neither the Company nor any of the Members shall have any right by virtue of this Agreement in or to such other business ventures to the income or profits derived therefrom.

ARTICLE XI
PROFITS, LOSSES AND DISTRIBUTIONS

11.01 Allocation of Profits and Losses Other Than From Capital Transactions.

(a) Manner of Determination. Profits, Losses and credits for all purposes of this Agreement shall be determined in accordance with the definition of the same under Article II of the Agreement (as applicable) and in accordance with the accrual accounting method and in accordance with applicable Code sections and Treasury Regulations governing same.

(b) Allocations. All Profits and Losses, except those items in Sections 11.02, 11.05 and 11.07 below, shall be allocated to the Members in accordance with their Percentage Interests. Every item of income, gain, loss, deduction, or tax preference entering into the computation of such Profits and Losses, or applicable to the period during which such Profits and Losses were realized, shall be considered allocated to each Member in the same proportion as

Profits and Losses are allocated to such Member.

(c) Intentionally Deleted.

(d) Special Member Allocation. Notwithstanding any provisions in the Agreement to the contrary, in no event shall the Special Member be allocated more than its Percentage Interest, determined as of the date hereof, of any item of Company income, gain, loss, deduction, credit or basis.

11.02 Allocation of Profits and Losses from Capital Transactions. Except to the extent provided in Sections 11.07, Profits and Losses recognized by the Company upon a Capital Transaction shall be allocated in the following manner:

(a) Profits shall be allocated (i) first, to the Members with negative Capital Account balances, that portion of gains (including any gains treated as ordinary income for federal income tax purposes) which is equal in amount to, and in proportion to, such Members' respective negative Capital Accounts in the Company; provided that no gain shall be allocated under this Section 11.02(a)(i) to a Member once such Member's Capital Account is brought to zero and (ii) second, gains in excess of the amount allocated under (i) shall be allocated to the Members in the amounts and to the extent necessary to increase the Members' respective Capital Accounts so that the proceeds distributed under Section 11.04(d) and (f) will be distributed in accordance with the Members' respective Capital Accounts.

(b) Losses shall be allocated (i) first, to the extent and in such proportions as the respective positive balances in all Members' Capital Accounts, and (ii) second, any remaining loss to the Members in accordance with the manner in which they bear the economic risk of loss associated with such loss or, if none, to the Members in accordance with their Membership Interests.

(c) Any portion of the Profits treated as ordinary income for federal income tax purposes under Sections 1245 and 1250 of the Code ("Recapture Amount") shall be allocated on a dollar for dollar basis to those Members to whom the items of Company deduction or loss giving rise to the Recapture Amount had been previously allocated.

11.03 Distributions: Net Cash Flow.

(a) Determination of Net Cash Flow. Net Cash Flow shall be determined separately for each fiscal year or portion thereof commencing on the day after Final Closing and shall not be cumulative. Wherever there is a reference to the distribution of Net Cash Flow pursuant to the provisions of this Agreement, Net Cash Flow shall be deemed to be limited to Surplus Cash available for distribution. Income received by the Company from the period commencing with the date of receipt of the initial certificate of occupancy with respect to the Project and ending on the date of the Final Closing shall not be distributed during such period and shall be treated as Net Cash Flow with respect to the first Payment Date following Final Closing.

(b) Manner of Distribution. Subject to the approval of the Project Lenders, if required, Net Cash Flow shall be applied and/or distributed on each Payment Date in the following priority:

(i) first, to the Investor Member until the aggregate amount of distributions made to the Investor Member under this Section 11.03(b)(i) for the current and all prior years equals the Assumed Investor Member Tax Liability for the current and all prior years;

(ii) second, to the Investor Member in an amount equal to any LIHTC Reduction Guaranty Payment or Unpaid LIHTC Shortfall;

(iii) third, to the Managing Member until the aggregate amount of distributions made to the Managing Member under this Section 11.03(b)(iii) for the current and all prior years equals the Assumed Managing Member Tax Liability for the current and all prior years;

(iv) fourth, to replenish the Operating Reserve to the Initial Amount;

(v) fifth, to the Developer until all amounts due under the Development Agreement have been paid in full;

(vi) sixth, to the pro rata payment of any outstanding Operating Deficit Loans and MM Loans, based upon the respective outstanding balances of each;

(vii) seventh to the payment of the Incentive Management Fee; and

(viii) thereafter, 99.99% to the Investor Member; .009% to the Managing Member; and .001% to the Special Member.

Notwithstanding anything to the contrary contained herein, if the amount of the distribution to the Investor Member under Section 11.03(b) is less than 10% of the Net Cash Flow of the Project, then the Investor Member shall receive a priority distribution before any distributions under Section 11.03(b)(vii) and (viii) in an amount such that, when added to the sum distributable to the Investor Member under Section 11.03(b), shall equal 10% of Cash Flow.

(c) Distributions to be Subject to Regulatory Restrictions. Notwithstanding the foregoing, during such time as regulations of the Project Lenders are applicable to the Project, the total amount of Net Cash Flow which may be so distributed to the Members with respect to any fiscal year shall not exceed such amounts as such regulations permit to be distributed.

11.04 Distributions: Capital Transactions and Liquidation of Company Property. Except as may be required under Section 12.02(b), the proceeds resulting from the liquidation of the Company assets pursuant to Section 12.02, and the net proceeds resulting from any Capital Transaction, as the case may be, shall be distributed and applied in the following order of priority:

(a) to the payment of all matured debts and liabilities of the Company (including amounts due pursuant to any Project Loan and all expenses of the Company incident to any such sale or refinancing), excluding (1) debts and liabilities of the Company to Members or any Affiliates, and (2) all unpaid fees owing to the Managing Member under this Agreement;

(b) to the setting up of any reserves which the Liquidator (or the Managing Member if the distribution is not pursuant to the liquidation of the Company) deems reasonably necessary for contingent, unmatured or unforeseen liabilities or obligations of the Company;

(c) Twenty Thousand and No/100 Dollars (\$20,000.00) to the Special Member, or its assignee as a Capital Transaction Administrative Fee, either upon sale or transfer of Investor Member interest;

(d) to the payment of any debts and liabilities (including unpaid fees) owed to the Members or any Affiliates by the Company for Company obligations; provided, however, that the foregoing debts and liabilities owed to Members and their Affiliates shall be paid or repaid, as applicable, in the following order of priority, if and to the extent applicable: (i) to the Investor Member, an amount equal to any outstanding LIHTC Reduction Guaranty Payment, or any Unpaid LIHTC Shortfall (applied first to accrued but unpaid interest (at the Default Rate) and then principal); (ii) to the Investor Member, an amount equal to any Special Additional Capital Contribution; (iii) to the payment of any outstanding MM Loans and loans made by the Managing Member pursuant to Section 8.11(a)(i) and/or 8.11(a)(ii) pro rata based on their respective outstanding balances, if applicable; (iv) amounts due under the Development Agreement; (v) amounts due with respect to Operating Deficit Loans, if any; and (vi) any other such debts and liabilities;

(e) to the Managing Member and Investor Members in proportion to the relative amounts of Net Projected Tax Liabilities of the Managing Member and the Investor members or partners or members and their respective members or partners until they each have received, cumulatively, an amount equal to their respective Net Projected Tax Liabilities;

(f) to payment of the Guarantor LIHTC Compliance Loan (or, if funds provided are a capital contribution, under Section 8.11(c)(v), as a return of such capital); and

(g) the balance, .009% to the Managing Member, 99.99% to the Investor Member, and .001% to the Special Member.

Written determination of the proposed distributions of proceeds of Capital Transactions, showing all relevant calculations and assumptions, shall be delivered to the Investor Member and Special Member not later than twenty (20) days prior to the Company entering into any agreement for a Capital Transaction, and written confirmation or any revision thereof shall be delivered to the Investor Member and Special Member not later than twenty (20) days prior to the making of any such distribution. Distributions hereunder shall be made within five (5) days of the Company's receipt of such proceeds.

11.05 Distributions and Allocations: General Provisions.

(a) In any year in which a Member sells, assigns or transfers all or any portion of an Interest to any Person who during such year is admitted as a substitute Member, the share of all profits and losses allocated to, and of all Net Cash Flow and of all cash proceeds distributable under Section 11.04 distributed to, all Members which is attributable to the Interest sold, assigned or transferred shall be divided between the assignor and the assignee ratably on the basis of the number of monthly periods in such year before, and the number of monthly periods on and after, the first day of the month during which such Person is admitted as a substitute Member.

(b) The Company shall, subject to any applicable limitation on the distribution of Net Cash Flow and any required approval by the Project Lenders, distribute Net Cash Flow not less frequently than annually in the manner provided in Section 11.03(b).

(c) In the event that there is a determination that there is any original issue discount or imputed interest attributable to the Capital Contribution of any Member, or any loan between a Member and the Company, any income or deduction of the Company attributable to such imputed interest or original issue discount on such Capital Contribution or loan (whether stated or unstated) shall be allocated solely to such Member.

(d) In the event that the deduction of all or a portion of any fee paid or incurred by the Company to a Member or an Affiliate of a Member is disallowed for federal income tax purposes by the IRS with respect to a taxable year of the Company, the Company shall then allocate to such Member an amount of gross income of the Company for such year equal to the amount of such fee as to which the deduction is disallowed.

(e) If any Member's Interest in the Company is reduced but not eliminated because of the admission of new Members or otherwise, or if any Member is treated as receiving any items of property described in Section 751(a) of the Code, the Member's Interest in such items of Section 751(a) property that was property of the Company while such Person was a Member shall not be reduced, but shall be retained by the Member so long as the Member has an Interest in the Company and so long as the Company has an Interest in such property.

(f) In accordance with Section 704(c) of the Code (relating to allocations with respect to appreciated contributed property) and the Regulations thereunder, income, gain, loss, and deduction with respect to any property contributed to the capital of the Company shall be allocated, solely for tax purposes, among the Members so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its fair market value. Any elections or other decisions relating to such allocations shall be made by the Managing Member in any manner that reasonably reflects the purpose and intention of this Agreement.

(g) In the event that the Managing Member makes any Operating Deficit Loans pursuant to Section 8.11(b), any deductions or losses of the Company attributable to the use of those funds shall be specially allocated to the Managing Member.

(h) Any income attributable to the Capital Contribution of the Managing Member will be allocated to the Managing Member.

(i) Any income attributable to the modification of any of the Project Loan(s) shall be allocated 100% to the Managing Member.

11.06 Capital Accounts.

(a) Establishment and Maintenance. A separate Capital Account shall be maintained and adjusted for each Member. There shall be credited to each Member's Capital Account the amount of its Capital Contribution, the fair market value of any property contributed to the Company (net of any liabilities secured by such property) and such Member's distributive share of the income and gain for tax purposes of the Company including income or gain exempt from tax; and there shall be charged against each Member's Capital Account the amount of all cash flow distributed to such Member, the fair market value of any property distributed to such Member (net of any liabilities secured by such property), the net proceeds resulting from the liquidation of the Company's assets or from any sale or refinancing of the Project distributed to such Member, and such Member's distributive share of the losses for tax purposes of the Company. Each Member's Capital Account shall be maintained and adjusted in accordance with the Code and the Treasury Regulations thereunder. The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Treas. Reg. § 1.704-1(b), and shall be interpreted and applied in a manner consistent with such regulations. It is the intention of the Members that the Capital Accounts maintained under this Agreement be determined and maintained throughout the full term of this Agreement in accordance with the accounting rules of Treas. Reg. § 1.704-1(b)(2)(iv).

(b) Deficit Capital Accounts; Regulatory Liquidation. In the event that the Company is liquidated within the meaning of Treas. Reg. § 1.704-1(b)(2)(ii)(g), if the Managing Member's Capital Account has a deficit balance (after giving effect to all contributions, distributions and allocations), the Managing Member shall make Capital Contributions in the

amount of such deficit in compliance with Treas. Reg. §1.704-1(b)(2)(ii)(b)(3). In the event that the Investor Member's Capital Account should have a deficit balance at such time, it shall have no obligation to fund or otherwise contribute capital to the Company in connection with such deficit. Notwithstanding the foregoing, in the event the Company is liquidated within the meaning of Treas. Reg. § 1.704-1(b)(2)(ii)(g) but no event has occurred under Section 12.01 to dissolve the Company, the Company assets shall not be liquidated, the Company's liabilities shall not be paid or discharged, and the Company's affairs shall not be wound up. Instead, the Company shall be deemed to have contributed all of its assets and liabilities to a new limited liability company in exchange for an interest in the new limited liability company. Immediately thereafter, the terminated Company shall be deemed to have distributed interests in the new limited liability company to the Members of the terminated Company in proportion to their respective interests in the terminated Company in liquidation of the terminated Company.

11.07 Special Allocations. Notwithstanding anything to the contrary contained in Section 11.01(a) or (b), the following special allocations in all events apply in determining the allocation of Profits and Losses among the Members and are made prior to the allocations required under §11.01(a) and (b):

(a) Depreciation and LIHTC.

(i) Depreciation (cost recovery) deductions and LIHTC are allocated to the Members in accordance with their Percentage Interests.

(ii) Any recapture of LIHTC is allocated to the Members that were allocated (or whose predecessors-in-interest were allocated) the depreciation/cost recovery deduction and LIHTC associated therewith.

(b) Limitation on Allocations of Losses.

(i) To the extent the allocation of any Losses to a Member would cause that Member to have an Adjusted Capital Account Deficit at the end of any fiscal year of the Company, then those Losses will not be allocated to that Member, but rather will be specially allocated to the remaining Members in proportion with their relative interests in the Company.

(ii) In the event some but not all of the Members would have Adjusted Capital Account Deficits due to an allocation of Losses, the limitation set forth in this Section 11.07(b) shall be applied on a Member-by-Member basis so as to allocate the maximum permissible Losses to each Member who is not a Managing Member under Treas. Reg. §1.704-1(b)(2)(ii)(d). All Losses in excess of the limitation set forth in this Section 11.07(b) shall be allocated to the Managing Member.

(c) Profit Chargeback. To the extent any Losses are specially allocated to a Member in accordance with Section 11.07(b), then Profits will thereafter first be specially allocated to such Member in proportion to and in an amount (1) up to but not exceeding the amount of any such

special allocation of Losses away from such Member under such subparagraph (b) but (2) not to the extent that Losses or depreciation deductions would be allocated to the remaining Members in excess of the amount permitted by 11.07(b).

(d) Nonrecourse Deductions. Nonrecourse Deductions for any fiscal year shall be allocated to the Members in accordance with their Percentage Interests.

(e) Member Nonrecourse Deductions. Any Member Nonrecourse Deductions for any fiscal year shall be specially allocated to the Member or Members that bear the Economic Risk of Loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Treas. Reg. §1.704-2(b)(4) and Treas. Reg. §1.704-2(i).

(f) Company Minimum Gain Chargeback. Notwithstanding any other provision of this Agreement, if there is a net decrease in the Company's Minimum Gain attributable to Nonrecourse Liabilities during any taxable year, each Member shall be specially allocated a *pro rata* portion of each of the Company's items of income and gain for such year (and, if necessary for subsequent years) in proportion to, and to the extent of, an amount equal to such Member's share of the net decrease in such Minimum Gain during such taxable year as determined in accordance with the provisions of Treas. Reg. §1.704-2(g)(2). In the event that such net decrease in the Company's Minimum Gain occurs in connection with the disposition of all or any portion of the Project, then any items of Company income or gain allocated in accordance with the previous sentence shall first consist of gain recognized by the Company as a result of such disposition. It is the intent that the allocations provided in this Section 11.07(f) shall be determined in accordance with and only to the extent required by Treas. Reg. §1.704-2(f) and (j)(2)(i).

(g) Member Minimum Gain Chargeback. Notwithstanding any other provision of this Agreement, if there is a net decrease in the amount of the Company's Minimum Gain during any taxable year with respect to a Member Nonrecourse Debt, the Member bearing the Economic Risk of Loss with respect to such Member Nonrecourse Debt shall be specially allocated a *pro rata* portion of each of the Company's items of income and gain for such taxable year (and, if necessary, for subsequent years) in proportion to, and to the extent of the amount of such Member's share of the net decrease in such Minimum Gain during such taxable year as determined in accordance with the provisions of Treas. Reg. §1.704-2(i)(4). In the event that such net decrease in the Member's Minimum Gain occurs in connection with the disposition of all or any portion of Project, then any items of Company income or gain allocated in accordance with the previous sentence shall first consist of gain recognized by the Company as a result of such disposition. It is the intent that the allocations provided in this Section 11.07(g) shall be determined in accordance with and only to the extent required by the provisions of Treas. Reg. §1.704-2(i) and (j)(2)(ii).

(h) Qualified Income Offset. If a Member unexpectedly receives any adjustments, allocations, or distributions described in §1.704-1(b)(2)(ii)(d)(4), (5) or (6) of the Regulations, then items of Company income or gain will be specially allocated to that Member in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted

Capital Account Deficit of that Member as quickly as possible. The special allocations required pursuant to this subparagraph (h) are made only if and to the extent that such Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article 11 have been tentatively made as if this subparagraph (h) were not in the Agreement. This subparagraph (h) is intended to comply with the qualified income offset requirements of §1.704-1(b)(2)(ii)(d) of the Regulations and will be interpreted consistently therewith.

(i) Gross Income Allocation. In the event any Member has a deficit Capital Account at the end of any fiscal year in excess of the sum of (i) the amount that such Member must restore pursuant to any provision of this Agreement, if any, and (ii) the amount such Member is deemed obligated to restore pursuant to the penultimate sentence of Treas. Reg. § 1.704-2(g) and § 1.704-2(i)(5), such Member shall be specially allocated items of Company income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 11.07(i) shall be made if and only to the extent that such Member would have a deficit Capital Account in excess of such sum after all other allocations provided for in this Article XI have been tentatively made as if this Section 11.07(i) and Section 11.07(h) hereof were not in the Agreement.

(j) §754 Adjustment. To the extent an adjustment to the adjusted tax basis of any Company Property undertaken pursuant to §734(b) or 743(b) of the Code is required to be taken into account in determining the Capital Accounts of the Members under Treas. Reg. §1.704-1(b)(2)(iv)(m), then the amount of such adjustment to the Capital Accounts will be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss will be specially allocated to the Members in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to the aforementioned section of the regulations.

(k) Curative Allocations. In the event that income, loss or items thereof are allocated to one or more Members pursuant to Sections 11.07(h) through (i), subsequent income, loss or items thereof shall be allocated (subject to the provisions of Sections 11.07(h) and (i)) to the Members so that, to the extent possible in the judgment of the Managing Member, the net amount of allocations shall be equal to the amount that would have been allocated had Section 11.07 not been applied. Notwithstanding the foregoing, the allocation of depreciation deductions will be governed by Section 11.07(a) and this Section 11.07(k) shall not apply to allocations of depreciation deductions.

(l) Excess Nonrecourse Liabilities. Solely for purposes of determining a Member's proportionate share of the "excess nonrecourse liabilities" of the Company within the meaning of Treas. Reg. §1.752-3(a)(3), the Members' respective interests in Company Profits and deductions shall equal their Percentage Interests (determined without regard to Section 11.07(a)-(k)).

(m) Authority to Vary Allocations to Preserve and Protect Members' Intent

(i) It is the intent of the Members that each Member's distributive share

of income, gain, loss, deduction, or credit (or item thereof) shall be determined and allocated in accordance with this Article XI to the fullest extent permitted by Section 704(b) of the Code. In order to preserve and protect the determinations and allocations provided for in this Article XI, the Managing Member, shall upon the direction in writing of the Special Member, allocate income, gain, loss, deduction, or credit (or item thereof) arising in any year differently than otherwise provided for in this Article XI as necessary to ensure that all allocations of income, gain, loss, deduction or credit (or item thereof) to the Members are permitted by Section 704(b) of the Code and Treasury Regulations promulgated thereunder. Any allocation made pursuant to this Section 11.07 shall be deemed to be a complete substitute for any allocation otherwise provided for in this Article XI and no amendment of this Agreement or approval of any Member shall be required.

(ii) In making any allocation (the "new allocation") under Section 11.07(m)(i), the Managing Member is authorized to act only upon the direction in writing of the Special Member or the Investor Member.

(iii) If the Managing Member receives a recommendation from the Accountants to make any new allocation in a manner less favorable to the Investor Member than is otherwise provided for in this Article XI, then the Managing Member shall do so only with the Investor Member's or the Special Member's Consent and only after having given the Investor Member and the Special Member the opportunity to discuss such allocation with the Accountants, and only after the Managing Member has been advised by the Accountants that it is permitted by Section 704(b) of the Code, to allocate income, gain, loss, deduction, or credit (or item thereof) arising in later years in such manner so as to bring the allocations of income, gain, loss, deduction, or credit (or item thereof) to the Investor Members as nearly as possible to the allocations thereof otherwise contemplated by this Article XI.

(n) Grant Income. Any income recognized as a result of any receipt of grants by the Company shall be allocated one hundred percent (100%) to the Managing Member.

11.08 Designation of Partnership Representative. The Managing Member shall be the partnership representative of the Company pursuant to Section 6223 of the Code ("Partnership Representative"), and shall engage in such undertakings as are required of the Partnership Representative of the Company, as provided in the Code and applicable Treasury Regulations. For each applicable tax year, the Managing Member shall cause the Company to appoint as the Designated Individual a person who is employed by the Managing Member or its Affiliate, has sufficient experience and authority to represent the Company in all dealings with the IRS, and is Consented to by the Investor Member or Special Member. If the Designated Individual is unable to perform the role required, no longer meets the requirements of the Code and Treasury Regulations or ceases to be employed by the Managing Member or its Affiliate, the Managing Member shall take all necessary action to cause such person to resign as the Designated Individual and to cause the Company to designate a successor representative that would otherwise qualify under this Agreement and under the Code and Treasury Regulations as a permissible Designated Individual. The Managing Member shall take any and all action required under the Code or Treasury Regulations (including on all applicable Company tax returns), as in effect from time to

time, to cause the Company to designate the Managing Member as the Partnership Representative and the chosen person as the Designated Individual. The Managing Member shall cause the Designated Individual to agree to comply with all restrictions and obligations imposed on the Partnership Representative as set forth in this Agreement. In the event that the Special Member exercises its right to become a managing member and to assume duties of the Partnership Representative, the pre-existing Partnership Representative will resign in accordance with Treas. Reg. § 301.6223-1(d)(1) and the Company will redesignate the new managing member as Partnership Representative in accordance with Treas. Reg. § 301.6223-1(d)(1).

Each Member, by its execution of this Agreement, Consents to such designation of the Partnership Representative by the Company and agrees to execute, certify, acknowledge, deliver, swear to, file and record at the appropriate public offices such documents as may be necessary or appropriate to evidence such Consent.

11.09 Authority of Partnership Representative.

(a) The Partnership Representative shall have and perform all of the duties required under the Code and Treasury Regulations, including the following duties:

(i) Furnish the name, address, profits interest, and taxpayer identification number of each Member to the IRS;

(ii) Represent the Company in all dealings with the IRS and state and local taxing authorities in accordance with the obligations and restrictions imposed by this Agreement;

(iii) Within five calendar days after the receipt by the Managing Member or an Affiliate thereof or the Company of any correspondence or communication relating to the Company or a Member or an Affiliate of a Member from the IRS or state or local taxing authority, the Partnership Representative shall forward to each Member a photocopy of all such correspondence or communication(s). The Partnership Representative shall, within five calendar days thereafter, advise each Member in writing of the substance and form of any conversation or communication held with any representative of the IRS or state or local taxing authority.

(b) The Partnership Representative shall, upon request by the Investor Member, permit the Investor Member to include its attorney in the power of attorney (Form 2848) for the Company for any taxable years under a tax audit or in a tax administrative appeals process.

(c) The Partnership Representative shall, solely upon request by the Investor Member, make an election pursuant to Sections 6221 or 6226 of the Code on behalf of the Company, provided the Company is permitted to make such election pursuant to the Code or Treasury Regulations thereunder.

(d) The Partnership Representative shall not without the Consent of the Special

Member:

- (i) Extend the statute of limitations for assessing or computing any tax liability against the Company (or the amount or character of any Company tax items);
- (ii) Engage an accounting firm or counsel to represent the Company before the IRS;
- (iii) Settle any audit with the IRS concerning the adjustment or readjustment of any Company item(s);
- (iv) File a request for an administrative adjustment with the IRS at any time or file a petition for judicial review with respect to any such request or select the forum for judicial review of any IRS determination;
- (v) Initiate or settle any judicial review or action concerning the amount or character of any Company tax item(s);
- (vi) Intervene in any action brought by any other Member for judicial review of a final Company administrative adjustment;
- (vii) Make an election pursuant to Sections 6221(b) or 6226(a) of the Code on behalf of the Company;
- (viii) Take action pursuant to Treasury Regulations promulgated under Section 6225(c); or
- (ix) Take any other action not expressly permitted by this Section 11.09 on behalf of the Members of the Company in connection with any administrative or judicial tax proceeding.

(e) In the event of any Company-level proceeding instituted by the IRS pursuant to Sections 6221 through 6241 of the Code, or by any other federal, state or local tax authority, the Partnership Representative shall consult with the Special Member regarding the nature and content of all action and defense to be taken by the Company in response to such proceeding. The Partnership Representative also shall consult with the Special Member regarding the nature and content of any proceeding pursuant to Sections 6221 through 6241 of the Code instituted by or on behalf of the Company (including the decision to institute proceedings, whether administrative or judicial, and whether in response to a previous IRS proceeding against the Company or otherwise). The Partnership Representative will provide the Investor Member and Special Member with notice reasonably in advance of any meetings or conferences with respect to any administrative or judicial proceedings relating to the determination of Company items at the Company-level (including any meetings or conferences with counsel or advisors to the Company with respect to such proceedings) and the Investor Member and Special Member shall have the

right to participate, at the Investor Member's and Special Member's sole cost and expense, in any such meetings or conferences. In any such proceedings, the Partnership Representative shall take any action or omit to take any action, if reasonably requested by the Investor Member or Special Member.

(f) If, at any time, the Managing Member desires to accept a settlement offer or other proposed resolution of a tax dispute, and the Investor Member and Special Member do not, then, to the extent permitted by the Code and Treasury Regulations, the Special Member may elect to take control of such tax dispute (including by being appointed as the Partnership Representative for the relevant period) and resolve such tax dispute in the best interest of the Company, as reasonably determined by the Special Member. If exercised, this election shall apply only to such contested tax dispute and not to any other past, future, or pending dispute with a tax authority or other Company matter. Moreover, the exercise of this election shall not relieve the Managing Member of any of its other obligations under this Agreement, including its obligation to manage the Company.

(g) In the event that an election described in Code Section 6226(a) is not made with respect to any notice of final partnership adjustment, each Member shall be obligated to make a capital contribution in an amount equal to such Member's share of the imputed underpayment (and any associated interest and penalties) owed by the Company under Code Section 6225. For purposes of the preceding sentence, each Member's share of such imputed underpayment (and associated interest and penalties) shall be determined by taking into account (i) such Member's share of the income, gain, loss, deductions, basis and credits to which such adjustment and imputed underpayment relate, as determined by the Accountants; (ii) such Member's obligation (if any) to indemnify, defend, or hold harmless the Company or any other Member for such imputed underpayment (and any associated interest and penalties) under this Agreement; (iii) such Member's obligations and liabilities arising from or related to such Member's representations, warranties and covenants in this Agreement; and (iv) the obligations of the Managing Member(s) under Section 5.01(e) (relating to Tax Credit adjustments). For example, if an imputed underpayment were to relate to an adjustment or disallowance of Tax Credits previously allocated to the Investor Member, and such adjustment or disallowance would give rise to an obligation of the Managing Member to make a capital contribution under Section 5.01(e) (relating to Tax Credit adjustments), then such Managing Member, rather than the Investor Member, would be required to make the capital contribution described in this paragraph.

(h) The Managing Member shall be the "tax matters partner" for all Fiscal Years of the Company beginning prior to January 1, 2018. Unless at the direction of the Investor Member, to be given in its sole and absolute discretion, the Managing Member shall not elect, and has not elected, pursuant to Section 1101(g)(4) of the Bipartisan Budget Act of 2015 (the "Budget Act") to apply the provisions of Section 1101 of the Budget Act to a Fiscal Year of the Company beginning prior to January 1, 2018.

11.10 Expenses of Partnership Representative. The Company shall indemnify and reimburse the Partnership Representative for all expenses, including legal and accounting fees, claims, liabilities, losses and damages incurred in connection with any administrative or judicial

proceeding with respect to the tax liability of the Members. The payment of all such expenses shall be made before any distributions are made from Net Cash Flow or any discretionary reserves are set aside by the Managing Member. The Managing Member shall have the obligation to provide funds for such purpose to the extent that Company funds are not otherwise available therefor. The taking of any action and the incurring of any expense by the Partnership Representative in connection with any such proceeding, except to the extent required by law, is a matter in the sole discretion of the Partnership Representative and the provisions on limitations of liability of the Managing Member and indemnification set forth in Section 8.08 of this Agreement shall be fully applicable to the Partnership Representative in its capacity as such. Sections 11.08, 11.09 and this Section 11.10 of the Agreement shall survive termination of any Member's interest in the Company for any reason and shall be binding on all Members, including former Members.

ARTICLE XII SALE, DISSOLUTION AND LIQUIDATION

12.01 Dissolution of the Company. The Company shall be dissolved upon the earlier of the expiration of the term of the Company, or upon:

(a) the withdrawal, Bankruptcy, death, dissolution or adjudication of incompetency of the Managing Member who is at that time the sole Managing Member, subject to the provisions of Section 6.03, unless a majority in interest of the other Members, within ninety (90) days after receiving Notice of such withdrawal, Bankruptcy, death, dissolution or adjudication of incompetence, elects to designate a successor Managing Member(s) and continue the Company upon the admission of such successor Managing Member(s) to the Company;

(b) the sale or other disposition of all or substantially all of the assets of the Company, subject to the provisions of Section 6.03;

(c) the election by the Managing Member, with the Consent of a majority in interest of the other Members; or

(d) any other event causing the dissolution of the Company under the laws of the Commonwealth of Virginia.

12.02 Winding Up and Distribution.

(a) Upon the dissolution of the Company pursuant to Section 12.01, (i) a Certificate of Cancellation shall be filed in such offices within the Commonwealth of Virginia as may be required or appropriate and (ii) the Company business shall be wound up and its assets liquidated as provided in this Section 12.02 and the net proceeds of such liquidation, except as provided in Section 12.02(b) below, shall be distributed in accordance with Section 11.04.

(b) It is the intent of the Members that, upon liquidation of the Company, any liquidation proceeds available for distribution to the Members be distributed in accordance with the Members' respective positive Capital Account balances and in accordance with Treas. Reg. §1.704-1(b)(2)(ii)(b)(2). The Members believe that distributions under Section 11.04 will effectuate such intent. In the event that, upon liquidation, there would otherwise be any conflict between a distribution pursuant to the Members' respective positive Capital Account balances and the intent of the Members with respect to distribution of proceeds as provided in Section 11.04, the Liquidator shall, notwithstanding the provisions of Sections 11.01, 11.02, 11.03 and 11.05, allocate the Company's gains, profits and losses in a manner that will, as nearly as possible, cause the distribution of liquidation proceeds to the Members to be in accordance both with the Members' economic expectations as set forth in Section 11.04 and their respective Capital Account balances. If the Company's gains, profits and losses are insufficient to cause the Members' Capital Accounts to be in such amounts as will permit liquidation proceeds to be distributed both in accordance with the Members' respective positive Capital Account balances and Section 11.04, then liquidation proceeds shall be distributed in accordance with the Members' respective positive Capital Account balances after the allocations described herein have been made.

(c) The Liquidator shall file all certificates and notices of the dissolution of the Company required by law. The Liquidator shall proceed without any unnecessary delay to sell and otherwise liquidate the Company's property and assets; provided, however, that if the Liquidator shall determine that an immediate sale of part or all of the Company property would cause undue loss to the Members, then in order to avoid such loss, the Liquidator may, except to the extent provided by the Act, defer the liquidation as may be necessary to satisfy the debts and liabilities of the Company to Persons other than the Members. Upon the complete liquidation and distribution of the Company assets, the Members shall cease to be Members of the Company, and the Liquidator shall execute, acknowledge and cause to be filed all certificates and notices required by the law to terminate the Company.

(d) Upon the dissolution of the Company pursuant to Section 12.01, the Accountants shall promptly prepare, and the Liquidator shall furnish to each Member, a statement setting forth the assets and liabilities of the Company upon its dissolution. Promptly following the complete liquidation and distribution of the Company property and assets, the Accountants shall prepare, and the Liquidator shall furnish to each Member, a statement showing the manner in which the Company assets were liquidated and distributed.

ARTICLE XIII
BOOKS AND RECORDS, ACCOUNTING,
TAX ELECTIONS, ETC.

13.01 Books of Account. The Managing Member shall keep proper and complete books of account for the Company. Such books of account shall be kept at the principal office of the Company and shall be open at all times for examination and copying by the Investor Member or its authorized representatives. The Managing Member shall retain such books of account for six

years after the later of the termination of the Company or the end of all applicable compliance periods under the Regulations. All decisions as to the fiscal year and accounting methods to be used by the Company shall be made only with the prior written Consent of the Investor Member. In addition, the Managing Member shall comply with all record keeping and record retention requirements applicable to low-income housing projects under the Code and Regulations, and shall provide such information to the Members for their compliance.

13.02 Financial Reports.

(a) Agreement with VHCC. The Company shall enter into an agreement with Virginia Housing Capital Corporation ("VHCC"), essentially in the form attached hereto as **Exhibit J**, pursuant to which VHCC will provide certain accounting and reporting services to the Company.

(b) Monthly Reports. Within ten days after the end of each month, the Managing Member shall deliver to the Members with respect to such month a cash flow statement for the Company, with a detailed itemization of all Company receipts and expenses, and with such additional information as shall be reasonably requested by the Members (the foregoing, collectively, the "Cash Flow Report"). Notwithstanding the foregoing, if the Investor Member believes that the Project is experiencing or may experience adverse operating results or any other material adverse condition, the Investor Member, by Notice to the Managing Member, may require the delivery of Cash Flow Reports within five days after the end of each month, until such time as the Investor Member believes that the adverse condition affecting the Project is no longer present or threatened. At Investor Member's request, copies of all proposed leases and tenant income certification information for the initial occupant of each dwelling unit shall be delivered concurrently with such Cash Flow Report prior to execution thereof by the Company.

(c) Governmental and Lender Reports. The Managing Member shall also deliver to the Investor Member any financial or performance report required to be provided by the Company to any federal, state or local governmental agency or to any Company lender. Any such report shall be delivered to the Investor Member within five days after such report is filed with any such governmental agency or Company lender.

13.03 Budgets and General Disclosure. The Managing Member shall prepare and deliver to the Investor Member no later than the 60 days prior to the beginning of each fiscal year of the Company a detailed annual operating and capital improvements budget for the operation of the Project during such fiscal year. Such budgets shall specifically list all budgeted expenses in all major categories including, but not limited to, administration, operation, repairs and maintenance, utilities, taxes, insurance, interest, debt service with respect to the Project Loans, capital improvements, and all budgeted expenses which are to be paid to the Managing Member or its Affiliates. Such a budget shall be deemed "approved" for purposes of this Agreement only when such budget has been approved by the Investor Member. The Managing Member shall keep the Investor Member informed concerning the general state of the business and financial condition of the Company and shall, upon the reasonable request of the Investor Member, furnish to the Investor Member full information, accounts and documentation concerning the state of the business and

financial condition of the Company. The Managing Member shall also provide the following statements or disclosures to the Investor Members:

(a) Semiannual Reports. Semiannually, within 45 days after the end of the second and fourth fiscal quarters of the Company, until the later to occur of the following events: (i) all Capital Contribution installments of the Investor Member have been made, or (ii) the Project is placed in service, a report on the status of the Company. Such report will include the following and will contain updated and revised information if there has been any change in facts previously reported.

(i) a description of the Project, including the status of construction or rehabilitation to be performed in connection with the Project (which information shall be provided on the Project until construction or rehabilitation is complete);

(ii) a description of the financing for the Project, including mortgage financing, any state or local government loans, any operating deficit guaranty, the Investor Member's Capital Contributions to the Company and any other contributions or loans to the Company;

(iii) a description of any applicable rental subsidy for the Project;

(iv) the terms of any performance bonds, development cost guarantees, operating deficit guarantees and other credit enhancements provided in connection with the Project;

(v) the fees, and other financial incentives provided to the Managing Member and its Affiliates; and

(vi) any draw or call upon or demand for payment of or under any operating deficit guarantee, operating reserve, contractor performance bonds or completion guarantee.

(b) Annual Reports. Within 100 days after the end of each fiscal year of the Company, a statement prepared by the Managing Member, which statement shall include the following:

(i) a report summarizing the fees, commissions, compensation and other remuneration and reimbursed expenses paid by the Company for such fiscal year to the Managing Member or any Affiliates of the Managing Member and the services performed;

(ii) a report of the activities and investments of the Company during the period covered by the report; and

(iii) a comparison of actual and projected tax benefits for the year.

The statement will be accompanied by audited financial statements of any Affiliate Guarantor.

(c) Demands for Payment. Within three business days of the exercise thereof, any draw or call upon or demand for payment of or under any operating deficit guarantee, operating reserve, contractor performance bonds or completion guarantee.

(d) Notices of Default. Immediately upon notice of such a default, any default by the Company in any loan, including any state or local government loan or other financial obligation, of the Company or its Managing Member.

(e) Notices of IRS Proceedings. Immediately upon receipt of such notice, any notice of any IRS proceeding or any other audit, review or inspection by an federal, state or local governmental agency or Project Lender involving the Company.

13.04 Tax Information. The Managing Member shall file all necessary tax forms related to the formation of the Company, including, if required, Form 8264 (related to the registration of a tax shelter). VHCC shall also provide such federal tax information as required under its agreement with the Company as set forth on Exhibit J.

13.05 Selection of Accountants. The Investor Member shall be entitled to select a firm of certified public accountants that are experienced in LIHTC and that will prepare the Company's year-end financial statements and the Company's annual tax returns. The fee of such accountants shall be paid by the Investor Member out of the accounting fee payable to it pursuant to Section 8.21 of this Agreement.

13.06 Section 754 Elections. In the event of a transfer of all or any part of the Interest of a Managing Member or of an Investor Member, the Company may elect, pursuant to Sections 743 and 754 of the Code (or any corresponding provision of succeeding law), to adjust the basis of the Company property if, in the opinion of the Investor Member, based upon the advice of the Accountants, such election would be most advantageous to the Investor Member. Each Member agrees to furnish the Company with all information necessary to give effect to such election.

13.07 Fiscal Year and Accounting Method. The fiscal year of the Company shall be the fiscal year of the Investor Member, which ends at December 31; provided, however, that upon request from the Investor Member, the fiscal year of the Company shall become the calendar year. All Company accounts shall be determined on an accrual basis.

13.08 Late Report Penalties. (i) In the event that the reports of information provided for in Sections 13.02(b) or 13.03 above are, at any time, not provided within the time frames set forth therein, the Managing Member shall be obligated to pay to the Investor Member the sum of \$200.00 per day, as liquidated damages, for each day from the date upon which such report(s) or information is (are) due pursuant to the provisions of the aforesaid Sections until the date upon which such report(s) or information is (are) provided in form acceptable to the Investor Member.

In the event that the reporting requirements set forth in any of the above provisions of this Article XIII are not met, the Investor Member, in its reasonable discretion, may direct the Managing Member to dismiss the Accountants, and to designate successor Accountants, subject to the approval of the Investor Member; provided, however, that if the Managing Member and the Investor Member cannot agree on the designation of successor Accountants, the successor Accountants shall be designated by the Investor Member in its sole reasonable discretion, and the fees of such successor Accountants shall be paid by the Managing Member.

ARTICLE XIV AMENDMENTS

14.01 Proposal and Adoption of Amendments. This Agreement may be amended by the Managing Member with the Consent of the Investor Member; provided that such Consent shall not be unreasonably withheld as to any proposed amendment which does not affect the obligations of the Managing Member or the rights of any of the Members under this Agreement; and further provided that, if the Investor Member proposes an amendment to this Agreement which either (a) increases or imposes upon the Investor Member the obligation to restore a deficit balance in its Capital Account, or (b) prospectively decreases the obligation of the Investor Member to restore a deficit balance in its Capital Account in a subsequent Fiscal Year of the Company, the Managing Member shall effectuate the adoption of such amendment; provided, however, that the Managing Member shall not be liable to the Investor Member for any adverse tax consequences that may result from any such increase or decrease.

ARTICLE XV CONSENTS, VOTING AND MEETINGS

15.01 Method of Giving Consent. Any Consent required by this Agreement may be given by a written Consent given by the consenting Member and received by the Managing Member at or prior to the doing of the act or thing for which the Consent is solicited.

ARTICLE XVI GENERAL PROVISIONS

16.01 Burden and Benefit. The covenants and agreements contained herein shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of the respective parties hereto.

16.02 Applicable Law. This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia.

16.03 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original copy and all of which together shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties shall not have signed the same counterpart.

16.04 Separability of Provisions. Each provision of this Agreement shall be considered separable, and if for any reason any provision which is not essential to the effectuation of the basic purposes of this Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement which are valid.

16.05 Entire Agreement. This Agreement sets forth all (and is intended by all parties to be an integration of all) of the representations, promises, agreements and understandings among the parties hereto with respect to the Company, the Company business and the property of the Company, and there are no representations, promises, agreements or understandings, oral or written, express or implied, among them other than as set forth or incorporated herein.

In the event that the Investor Member shall be in default under any of the terms of this Agreement, the sole recourse of any party hereto for any indebtedness due hereunder, or for any damages resulting from any such default by the Investor Member, shall be either against the Interest of the Investor Member and the capital contributions of the members of the Investor Member (either directly or through another Investor Member) allocated to, and remaining for investment in, the Company; provided, however, that under no circumstances shall the liability of the Investor Member for any such default be in excess of the amount of Capital Contribution payable by the Investor Member to the Company, under the terms of this Agreement, at the time of such default, less the value of the Interest of the Investor Member, if such Interest is claimed as compensation for damages.

16.07 Environmental Protection.

(a) The Managing Member warrants and represents that to the best of the Managing Member's knowledge, after diligent inquiry, there presently are not, in, on, or under the Project nor will there be, in, on, or under the Project, upon completion of the construction: (i) any "hazardous substance" as that term is defined under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. §9601, et seq., as amended ("CERCLA"), or any other hazardous or toxic substance, waste or material or any other substance or pollutant that poses a risk to human health or the environment, including, but not limited to, petroleum in any form, lead-based paint, asbestos, urea formaldehyde insulation, methane gas, polychlorinated biphenyls ("PCBs") or radon, except for ordinary and necessary quantities of office supplies, cleaning materials and pest control supplies stored in a safe and lawful manner and petroleum products contained in motor vehicles (the "Hazardous Substances"); (ii) any underground storage tanks; (iii) accumulations of debris, mining spoil, spent batteries, except for ordinary garbage stored in receptacles for regular removal; (iv) or any other condition which could result in liability for an owner or operator of the Project under any federal, state, or local law, rule, regulation, or ordinance.

(b) The Managing Member further represents and warrants that (i) neither it nor, to the best of its knowledge, any other party has been, is or will be involved in operations at or, pursuant to the Managing Member's best knowledge, near the Land, which operations could lead to (A) a determination of liability under the Hazardous Waste Laws as to the Company or (B) the creation of a lien on the Land under the Hazardous Waste Laws or under any similar laws or regulations; and (ii) the Managing Member has not permitted, and will use best efforts not to permit, any tenant or occupant of the Project to engage in any activity that could impose liability under the Hazardous Waste Laws on such tenant or occupant, on the Land or on any other owner of the Project.

(c) The Managing Member further warrants and represents to the best of the Managing Member's knowledge that the Project is in compliance with all applicable Hazardous Waste Laws, and the Managing Member has not received notice of any violations of the Hazardous Waste Laws. The Managing Member covenants and agrees to take all necessary action within its control to ensure that the Project is in compliance with the Hazardous Waste Laws at all times and that the Project remains free from the presence of any Hazardous Substances in, on or under the Project. The Managing Member will promptly deliver any notice it may receive of any violation of the Hazardous Waste Laws to the Investor Member and the Special Member.

(d) The Managing Member agrees to indemnify and hold harmless the Company, the Investor Member, the Special Member, and any member of the Investor Member (the "Indemnified Parties") from and against all claims, actions, causes of action, liability, and expense (including, without limitation, attorneys' fees, court costs, and remedial and response costs) incurred or suffered by, or asserted by any person, entity, or governmental agency against the Indemnified Parties due to breach of the Managing Member of the Company's representations, warranties, or covenants, or a violation of the Hazardous Waste Laws, or the presence of Hazardous Substances in, on, or under the Project. The foregoing indemnification shall be a recourse obligation of the Managing Member and shall (to the full extent permitted by law) survive

the dissolution of the Company and the death, dissolution, retirement, incompetency, insolvency, bankruptcy, or withdrawal of the Managing Member.

(e) For purposes of this Agreement, the term "Hazardous Waste Laws" shall mean any governmental requirements pertaining to land use, air, soil, subsoil, surface water, groundwater (including the quality of, protection, clean-up, removal, remediation or damage of or to land, air, soil, subsoil, surface water and groundwater), including, without limitation, the following laws as the same may be from time to time amended: the Comprehensive Environmental Response Liability and Compensation Act, 42 U.S.C. § 9601, et seq., the Resource Conservation and Recovery Act, 42 U.S.C. §6901, et seq., the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq., the Federal Water Pollution Control Act, 33 U.S.C. §1251 et seq., the Safe Drinking Water Act, 42 U.S.C. § 300f et seq., the Clean Air Act, 42 U.S.C. § 7401 et seq., the Rivers and Harbors Act, 33 U.S.C. § 401 et seq., the Transportation Safety Act of 1974, portions of which are located at 49 U.S.C. § 1801 et seq., the Endangered Species Act, 16 U.S.C. § 1531 et seq., or any so-called "superfund" or "superlien" law, together with any other foreign or domestic laws (federal, state, provincial or local), common law, local rule, regulation (including, without limitation, any future change in judicial or administrative decisions interpreting or applying any of the laws, rules or regulations referred to herein) relating to emissions, discharges, release or threatened releases of any Hazardous Substances into ambient air, land, soil, subsoil, surface water, groundwater, personal property or structures, or otherwise relating to the manufacture, processing distribution, use treatment, storage, disposal, transport, discharge or handling of any Hazardous Substances, now or at any time hereafter in effect.

Whites Mill Point II Apartments

**Operating Budget and
Utility Allowance**

The operating expenses for Whites Mill Point II Apartments are based on the historical operational details from Whites Mill Point Apartments, developed and operated by People Inc. Whites Mill Point Apartments, constructed in 2005-2006, was designed as 32 two-bedroom units split evenly between two, two-story buildings. Whites Mill Point Apartments benefited from energy efficient design and building techniques when initially constructed and underwent weatherization treatment in 2012, so the property operating budget already reflects high energy efficiencies.

People Incorporated is projecting the operating expense in this application at approximately \$4,500 per unit, which is consistent, if not marginally higher, than the annual average over the past five years.

RIGHT OF FIRST REFUSAL AGREEMENT
(Whites Mill Point II Apartments)

RIGHT OF FIRST REFUSAL AGREEMENT (the "Agreement") dated as of [Closing Date] by and among **WMP II APARTMENTS LLC**, a Virginia limited liability company (the "Owner" or the "Company"), **PEOPLE INCORPORATED HOUSING GROUP**, a Virginia non-stock nonprofit corporation (the "Grantee"), and is consented to by **WMP II APARTMENTS MANAGEMENT LLC**, a Virginia limited liability company (the "Managing Member"), **[INVESTOR ENTITY]**, a [[_____]_____] limited liability company (the "Investor Member") and [[_____]_____] **SPECIAL LIMITED PARTNER, L.L.C.**, a [_____]_____] limited liability company (the "Special Member"). The Managing Member, the Investor Member and the Special Member are sometimes collectively referred to herein as the "Consenting Members". The Investor Member and Special Member are sometimes collectively referred to herein as the "Non-Managing Members". This Agreement shall be fully binding upon and inure to the benefit of the parties and their successors and assigns to the foregoing.

Recitals

A. The Owner, pursuant to its Amended and Restated Operating Agreement dated on or about the date hereof by and among the Consenting Members (the "Operating Agreement"), is engaged in the ownership and operation of a 32-unit apartment project for families located in Abingdon, Virginia and commonly known as "Whites Mill Point II Apartments" (the "Project"). The real property comprising the Project is legally defined on **Exhibit A**.

B. The Grantee is a member of the Managing Member of the Owner and is instrumental to the development and operation of the Project; and

C. The Owner desires to give, grant, bargain, sell and convey to the Grantees certain rights of first refusal to purchase the Project on the terms and conditions set forth herein;

D. Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Operating Agreement.

NOW, THEREFORE, in consideration of the foregoing, of the mutual promises of the parties hereto and of other good and valuable consideration, the receipt and sufficiency of which the parties hereto acknowledge, the parties hereby agree as follows:

Section 1. Right of First Refusal

The Owner hereby grants to the Grantee a right of first refusal (the "Refusal Right") to purchase the real estate, fixtures, and personal property comprising the Project or associated with the physical operation thereof and owned by the Company at the time (the "Property"), for the price and subject to the other terms and conditions set forth below. The Property will include any reserves of the Partnership that is required by the Virginia Housing Development Authority ("Virginia Housing" or the "Credit Authority") or any lender of a loan being assumed in connection with the exercise of the Refusal Right to remain with the Project.

Section 2. Exercise of Refusal Right; Purchase Price

A. After the end of the Compliance Period, the Company agrees that it will not sell the Property or any portion thereof to any Person without first offering the Property to the Grantee (the "Refusal Right"), for the Purchase Price (as defined in Section 3); *provided, however*, that such Refusal Right shall be conditioned upon the receipt by the Company of a "bona fide offer" (the acceptance or rejection of which shall not require the Consent of the Members). The Company shall give the notice of its receipt of such offer (the "Offer Notice") and shall deliver a copy of the Offer Notice to the Grantee. Upon receipt by the Grantee of the Offer Notice, the Grantee shall have 90 days to deliver to Company a written notice of its intent to exercise the Refusal Right (the "Election Notice"). An offer made with the purchase price and basic terms of the proposed sale from a third party shall constitute a "bona fide offer" for purposes of this Agreement. Such offer (i) may be solicited by the Grantee or the Managing Member (with such solicitation permitted to begin at any time following the end of the fourteenth (14th) year of the Compliance Period provided that the Election Notice may not be sent until the end of the Compliance Period) and (ii) may contain customary due diligence, financing, and other contingencies. Notwithstanding anything to the contrary herein, a sale of the Project pursuant to the Refusal Right shall not require the Consent of the Non-Managing Members or of Virginia Housing.

B. If the Grantee fails to deliver the Election Notice within ninety (90) days of receipt of the Offer Notice, or if such Election Notice is delivered but the Grantee does not consummate the purchase of the Project within 270 days from the date of delivery of the Election Notice (each, individually, a "Terminating Event"), then its Refusal Right shall terminate and the Company shall be permitted to sell the Property free of the Refusal Right.

Section 3. Purchase Price; Closing

A. The purchase price for the Property pursuant to the Refusal Right (the "Purchase Price") shall equal the sum of (i) the principal amount of all outstanding indebtedness secured by the Project, and any accrued interest on any of such debts and (ii) all federal, State, and local taxes attributable to such sale, including those incurred or to be incurred by the partners or members of the Non-Managing Members. Notwithstanding the foregoing, however, the Purchase Price shall never be less than the amount of the "minimum purchase price" as defined in Section 42(i)(7)(B) of the Code. The Refusal Right granted hereunder is intended to satisfy the requirements of Section 42(i)(7) of the Code and shall be interpreted consistently therewith. In computing such price, it shall be assumed that each of the Non-Managing Members of the Owner (or their constituent partners or members) has an effective combined federal, state and local income tax rate equal to the maximum of such rates in effect on the date of Closing.

B. All costs of the Grantee's purchase of the Property pursuant to the Refusal Right, including any filing fees, shall be paid by Grantee.

C. The Purchase Price shall be paid at Closing in one of the following methods:

(i) the payment of all cash or immediately available funds at Closing,
or

(ii) the assumption of any assumable Loans if Grantee has obtained the consent of the lenders to the assumption of such Loans, which consent shall be secured at the sole cost and expense of Grantee; provided, however, that any Purchase Price balance remaining after the assumption of the Loans shall be paid by Grantee in immediately available funds.

Section 4. Conditions Precedent; Termination

A. Notwithstanding anything in this Agreement to the contrary, the right of the Grantee to exercise the Refusal Right and consummate any purchase pursuant thereto is contingent on each of the following being true and correct at the time of exercise of the Refusal Right and any purchase pursuant thereto:

(i) the Grantee or its assignee shall be a "qualified nonprofit organization" as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42(i)(7)(A) of the Code (collectively, each, a "Qualified Beneficiary"); and

(ii) the Project continues to be a "qualified low-income housing project" within the meaning of Section 42 of the Code.

B. This Agreement shall automatically terminate upon the occurrence of any of the following events and, if terminated, shall not be reinstated unless such reinstatement is agreed to in a writing signed by the Grantee and each of the Consenting Members:

(i) the transfer of the Property to a lender in total or partial satisfaction of any loan; or

(ii) any transfer or attempted transfer of all or any part of the Refusal Right by the Grantee, whether by operation of law or otherwise, except as otherwise permitted under Section 7 of this Agreement; or

(iii) the Project ceases to be a "qualified low-income housing project" within the meaning of Section 42 of the Code, or

(iv) the Grantee fails to deliver its Election Notice or consummate the purchase of the Property within the timeframes set forth in Section 2 above.

Section 5. Contract and Closing

Upon determination of the purchase price, the Owner and the Grantee shall enter into a written contract for the purchase and sale of the Property in accordance with the terms of this Agreement and containing such other terms and conditions as are standard and customary for similar commercial transactions in the geographic area which the Property is located, providing for a closing (the "Closing") to occur in Abingdon, Virginia not later than the timeframes set forth in Section 2. In the absence of any such contract, this Agreement shall be specifically enforceable upon the exercise of the Refusal Right.

Section 6. Conveyance and Condition of the Property

The Owner's right, title and interest in the Property shall be conveyed by quitclaim deed, subject to such liens, encumbrances and parties in possession as shall exist as of the date of Closing. The Grantee shall accept the Property "**AS IS, WHERE IS**" and "**WITH ALL FAULTS AND DEFECTS,**" latent or otherwise, without any warranty or representation as to the condition thereof whatsoever, including without limitation, without any warranty as to fitness for a particular purpose, habitability, or otherwise and no indemnity for hazardous waste or other conditions with respect to the Property will be provided. It is a condition to Closing that all amounts due to the Owner and the Investor Member from the Grantee or its Affiliates be paid in full. The Grantee shall pay all closing costs, including, without limitation, the Owner's attorney's fees. Upon closing, the Owner shall deliver to the Grantee, along with the deed to the property, an ALTA owner's title insurance policy dated as of the close of escrow in the amount of the purchase price, subject to the liens, encumbrances and other exceptions then affecting the title.

Section 7. Transfer

The Refusal Right shall not be transferred to any Person without the Consent of the Investor Member, except that the Grantee may assign all or any of its rights under this Agreement to an Affiliate of Grantee (a "Permitted Assignee") at the election and direction of the Grantee or to any assignee that shall be a "qualified nonprofit organization" as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42(i)(7)(A) of the Code (collectively, each, a "Qualified Beneficiary").

In the case of any transfer of the Refusal Right (i) all conditions and restrictions applicable to the exercise of the Refusal Right or the purchase of the Property pursuant thereto shall also apply to such transferee, and (ii) such transferee shall be disqualified from the exercise of any rights hereunder at all times during which Grantee would have been ineligible to exercise such rights hereunder had it not effected such transfer.

Section 8. Rights Subordinate; Priority of Requirements of Section 42 of the Code

This Agreement is subordinate in all respects to any regulatory agreements and to the terms and conditions of the Mortgage Loans encumbering the Property. In addition, it is the intention of the parties that nothing in this Agreement be construed to affect the Owner's status as owner of the Property for federal income tax purposes prior to exercise of the Refusal Right granted hereunder. Accordingly, notwithstanding anything to the contrary contained herein, both the grant and the exercise of the Refusal Right shall be subject in all respects to all applicable provisions of

Section 42 of the Code, including, in particular, Section 42(i)(7). In the event of a conflict between the provisions contained in this Agreement and Section 42 of the Code, the provisions of Section 42 shall control.

Section 9. Option to Purchase

A. The parties hereto agree that if the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant an "option to purchase" pursuant to Section 42(i)(7) of the Code as opposed to a "right of first refusal" without adversely affecting the status of such owner as owner of its project for federal income tax purposes, then the parties shall amend this Agreement and the Owner shall grant the Grantee an option to purchase the Property at the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42(i)(7).

B. If the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant a "right of first refusal to purchase partner interests" and/or "purchase option to purchase partner interests" pursuant to Section 42(i)(7) of the Code (or other applicable provision) as opposed to a "right of first refusal to purchase the Project" without adversely affecting the status of such owner as owner of its project for federal income tax purposes (or the status of the Investor Member as a partner of the Company for federal income tax purposes) then the parties shall amend this Agreement and the Investor Members shall provide a right of first refusal and/or purchase option, as the case may be, to acquire their Interests for the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42(i)(7).

Section 10. Notice

Except as otherwise specifically provided herein, all notices, demands or other communications hereunder shall be in writing and shall be deemed to have been given and received (i) two (2) business days after being deposited in the United States mail and sent by certified or registered mail, postage prepaid, (ii) one (1) business day after being delivered to a nationally recognized overnight delivery service, (iii) on the day sent by telecopier or other facsimile transmission, answer back requested, or (iv) on the day delivered personally, in each case, to the parties at the addresses set forth below or at such other addresses as such parties may designate by notice to the other party:

(i) If to the Owner, at the principal office of the Company set forth in Article II of the Operating Agreement;

(ii) If to a Consenting Member, at their respective addresses set forth in Schedule A of the Operating Agreement;

(iii) If to the Grantee, Bryan Phipps, President and CEO, 1173 West Main Street Abingdon, VA 24210.

Section 11. Severability of Provisions

Each provision of this Agreement shall be considered severable, and if for any reason any provision that is not essential to the effectuation of the basic purposes of the Agreement is

determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement that are valid.

Section 12. Binding Provisions

The covenants and agreements contained herein shall be binding upon, and inure to the benefit of, the heirs, legal representatives, successors and assignees of the respective parties hereto, except in each case as expressly provided to the contrary in this Agreement.

Section 13. Counterparts

This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the original or the same counterpart.

Section 14. Governing Law

This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia without regard to principles of conflicts of law. Notwithstanding the foregoing, Company, Investor Member and Grantee do not intend the Refusal Right in this Agreement to be a common law right of first refusal but rather intend it to be understood and interpreted as a mechanism authorized by Section 42 of the Code to allow non-profit entities to preserve affordable housing for low-income families in accordance with Grantee's charitable objectives.

Section 15. Headings

All headings in this Agreement are for convenience of reference only. Masculine, feminine, or neuter gender, shall include all other genders, the singular shall include the plural, and vice versa as the context may require.

Section 16. Amendments

This Agreement shall not be amended except by written agreement between Grantee and the Owner with the consent of each of the Consenting Members and Virginia Housing.

Section 17. Time

Time is of the essence with respect to this Agreement, and all provisions relating thereto shall be so construed.

Section 18. Legal Fees

Except as otherwise provided herein, in the event that legal proceedings are commenced by the Owner against the Grantee or by the Grantee against the Owner in connection with this Agreement or the transactions contemplated hereby, the prevailing party shall be entitled to recover all reasonable attorney's fees and expenses.

Section 19. Subordination

This Agreement is and shall remain automatically subject and subordinate to any bona fide mortgage to (or assigned to) an institutional or governmental lender with respect to the Project and, in the event of a foreclosure of any such mortgage, or of the giving of a deed in lieu of foreclosure to any such mortgagee, this Agreement shall become void and shall be of no further force or effect.

Section 20. Rule Against Perpetuities Savings Clause

The term of this Agreement will be ninety years commencing on the date first written above unless sooner terminated pursuant to the provisions hereof. If any provision of this Agreement is construed as violating and applicable "Rule Against Perpetuities" by statute or common law, such provision will be deemed to remain in effect only until the death of the last survivor of the now living descendants of any member of the 116th Congress of the United States, plus twenty-one (21) years thereafter. This Agreement and the Refusal Right herein granted are covenants running with the land and the terms and provisions hereof will be binding upon, inure to the benefits of and be enforceable by the parties hereto and their respective successors and assigns.

Section 21. Third Party Beneficiary; Virginia Housing Rights and Powers

The Virginia Housing Development Authority ("Virginia Housing") shall be a third party beneficiary to this Agreement, and the benefits of all of the covenants and restrictions hereof shall inure to the benefit of Virginia Housing, including the right, in addition to all other remedies provided by law or in equity, to apply to any court of competent jurisdiction within the Commonwealth of Virginia to enforce specific performance by the parties or to obtain an injunction against any violations hereof, or to obtain such other relief as may be appropriate. The Authority and its agents shall have those rights and powers with respect to the Project as set forth in the Act and the Virginia Housing Rules and Regulations promulgated thereunder, including without limitation, those rights and powers set forth in Chapter 1.2 of Title 365 of the Code of Virginia (1950), as amended, and 13VAC10-180-10 et seq., as amended.
