Credit Points for 9% Credits:

* 4% Credit applications will be calculated using the E-U-R TE Bond Tab

If the Combined Max Allowable Credits is \$500,000 and the annual credit requested is \$200,000, you are providing a 60% savings for the program. This deal would receive all 200 credit points.

For another example, the annual credit requested is \$300,000 or a 40% savings for the program. Using a sliding scale, the credit points would be calculated by the difference between your savings and the desired 60% savings. Your savings divided by the goal of 60% times the max points of 200. In this example, $(40\%/60\%) \times 200$ or 133.33 points.

Combined Max	\$1,643,562
Credit Requested	\$939,954
% of Savings	42.81%
Sliding Scale Points	142.7

4% Deals EUR Points 0.00

Cost Points:

If the Applicable Cost by Square foot is \$238 and the deal's Proposed Cost by Square Foot was \$119, you are saving 50% of the applicable cost. This deal would receive all 100 cost points.

For another example, the Applicable Cost by SqFt is \$238 and the deal's Proposed Cost is \$153.04 or a savings of 35.70%. Using a sliding scale, your points would be calculated by the difference between your savings and the desired 50% savings. Your savings divided by the goal of 50% times the max points 100. In this example, $(35.7\%/50\%) \times 100$ or 71.40 points.

The Tax Matters Manager, in its capacity as the "partnership representative," shall (i) determine all matters with respect to any examination of the Company by any taxing authority (including, without limitation, the allocation of any resulting taxes, penalties and interest among the Members and whether to make an election under Section 6226 of the Code (and any similar provision under applicable foreign, state, or local tax law) with respect to any audit or other examination of the Company) and, (ii) notwithstanding anything herein to the contrary, make such elections as it deems appropriate pursuant to the provisions of the New Partnership Audit Procedures.

If the Tax Matters Manager makes an election for the Company pursuant to Section 6226 of the Code with respect to an imputed underpayment, each Member and former Member shall, and shall cause its direct and indirect owners, as applicable, to, comply with the requirements under such section (and any

Treasury Regulations or official guidance relating thereto). At the request of the Tax Matters Manager, each Member and former Member shall, and shall cause its direct and indirect owners, as applicable, to, provide the Tax Matters Manager and the Company with any information available to such Member or former Member (or its direct or indirect owners or representatives) and with such representations, certificates, or forms relating to such Member or former Member (or its direct or indirect owners or representatives) and any other documentation, in each case, that the Tax Matters Manager determines, in its reasonable discretion, are necessary to modify an imputed underpayment under Section 6225(c) of the Code or the Treasury Regulations or other official guidance thereunder. Each Member's obligations to comply with the requirements of this Article I.F shall survive the Member's transfer of all or any portion of its interest in the Company, otherwise ceasing to be a Member of the Company and/or the termination, dissolution, liquidation and winding up of the Company, to the extent applicable.

3. Exculpation and Indemnification of Tax Matters Managers, Partnership Representatives and Designated Individual. Any Tax Matters Manager or any person acting as a "partnership representative" or "designated individual" pursuant to this Article I.F shall, when acting in such capacity (a "Tax Matters Person"), be deemed to be a manager for purposes of the Act. The terms "Member" or "Members" shall also include any transferee of a Membership Interest who is not admitted as a Member, but such transferee's rights and obligations hereunder shall only be as set forth in Article VII.A.

D. *Capital Accounts.* Capital Accounts will be maintained in accordance with Section 704 of the Code and the Treasury Regulations promulgated thereunder. It is the intent of the Members to comply with the purposes of these laws and this Agreement should be construed accordingly. Property contributions will be reflected in these accounts on the basis of fair market value at the time of contribution, even though the tax basis to the Company may be different.

E. *Interest and Return of Capital Contributions.* No Member shall be entitled to interest on its Capital Contribution. No Member shall be entitled to withdraw any part of its Capital Contribution or its Capital Account or to receive any distribution from the Company, and there shall be no obligation to return to any Member or withdrawn Member any part of such Member's Capital Contributions for so long as the Company continues in existence, except as specifically provided in this Agreement.

No Member shall be required under any circumstances to contribute or lend any money or property to the Company.

Article III. Allocation of Profits and Losses

A. *Profits and Losses.* "Profits" and "Losses" shall mean the taxable income or loss, as the case may be, for a period (or from a transaction) as determined in accordance with Section 703(a) of the Code (for this purpose, all items of income, gain, loss or deduction required to be separately stated pursuant to Section 703(a)(1) of the Code shall be included in taxable income or loss), but computed with the following adjustments:

1. Any income of the Company that is exempt from federal income tax and not otherwise taken into account in computing Profits and Losses shall be added to such taxable income or loss;

2. Any expenditures of the Company as described in Section 705(a)(2)(B) of the Code or treated as Section 705(a)(2)(B) of the Code expenditures pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(i), and not otherwise taken into account in computing Profits or Losses shall be subtracted from such taxable income or loss;

3. In the event of any adjustment to the book value of any Company asset as permitted by the Treasury Regulations under Section 704(b) of the Code, the amount of such adjustments shall be taken into account as gain or loss from the disposition of such asset;

4. In the event the book value of any asset has been adjusted, gain or loss resulting from the disposition of such asset shall thereafter be computed by reference to its adjusted book value, which shall reflect depreciation deductions which take into account the adjustments made to the book value thereof, notwithstanding the fact that the adjusted tax basis of such asset may be different; and

5. Notwithstanding any other provisions of this definition, any items which are specially allocated pursuant to Article III.C. shall not be taken into account in computing Profits or Losses.

B. *Allocation of Profits and Losses.* After giving effect to the special allocations provided in Article III.C, including any curative allocations as provided therein, the Profits and Losses of the Company for any fiscal year shall be allocated to the Members in proportion to their respective Membership Interests.

C. *Special and Curative Allocations.*

1. The provisions of the final and temporary Treasury Regulations promulgated under Section 704(b) of the Code relating to the qualified income offset, minimum gain chargeback, minimum gain chargeback with respect to partner nonrecourse debt, the allocation of nonrecourse deductions and the allocation of items of deduction, loss or expenditure relating to partner nonrecourse debt are hereby incorporated in this Agreement by this reference and shall be applied to the allocation of Company items of income, gain, loss or deduction in the manner provided in such Treasury Regulations. However, the Members do not intend that the "deficit restoration obligation" described in Section 1.704-1(b)(2)(ii)(b) or (c) of the Treasury Regulations or any successor provision thereto be incorporated into this Agreement.

2. The foregoing regulatory allocations are intended to comply with certain requirements of the Treasury Regulations. However, it is the intent of the Members that, to the extent possible, all of the regulatory allocations shall be offset either with other regulatory allocations or with special allocations of other items of Company income, gain, loss or deduction. Therefore, notwithstanding any other provision of this Article III (other than the regulatory allocations), the Members shall make such offsetting allocations of Company income, gain, loss or deduction in whatever manner the Member's determine appropriate so that, after such offsetting allocations are made, each Member's Capital Account balance is, to the extent possible, equal to the Capital Account balance such Member would have had if the regulatory allocations were not a part of this Agreement and all Company items were allocated pursuant to Article III.B. The Members may take into account future regulatory allocations which, although not yet made, are likely to offset other regulatory allocations made under this Article III.C.

D. *Other Allocation Rules.*

1. For purposes of determining the profits, losses, or any other items allocable to any period, profits, losses, and any such other items shall be determined on a daily, monthly, or other basis, as determined by the Members using any permissible method under Section 706 of the Code and the Treasury Regulations thereunder.

2. Except as otherwise provided in this Agreement, all items of the Company's income, gain, loss, deduction, and any other allocations not otherwise provided for shall be divided among the Members in the same proportions as they share Profits or Losses, as the case may be, for the year.

3. Except as otherwise provided in this Agreement, all items of income, gain, loss or deduction for federal income tax purposes shall be allocated to the Members in the same manner as the corresponding book allocations of such items as provided in this Article III.

4. Notwithstanding anything herein to the contrary, in the event that the principles of Section 704(c) of the Code, and the Treasury Regulations promulgated thereunder, require allocations of taxable income or loss of the Company in a manner different than that set forth above, including any

instances in which the book value of Company's assets has been adjusted as permitted under the Treasury Regulations, the provisions of Section 704(c) and the regulations thereunder shall control such allocations among the Members.

E. *Distributions.*

1. Except as otherwise provided in Article III.E.2 hereof, all distributions to the Members of cash or other property, except distributions upon the Company's dissolution (which shall be governed by Article X) shall be made solely upon the affirmative vote of Members holding a majority of the Membership Interests. Notwithstanding the foregoing, in the event any distribution is made it shall be in accordance with the Members' respective Membership Interests in the Company. All amounts withheld pursuant to the Code or pursuant to any provisions of federal, state or local tax law with respect to any payment or distribution to the Members from the Company shall be treated as amounts distributed to the relevant Member or Members pursuant to this Article III.E.1. All distributions shall be subject to the terms of the Act and such other governmental restrictions as are now and may hereafter become effective.

2. Notwithstanding anything herein to the contrary, the Company shall make distributions to the Members during, or within ninety (90) days after the close of, each tax year of the Company which, when aggregated with all other distributions paid by the Company during the applicable tax year, are at least equal to the sum necessary to enable the Members to pay their federal and state income tax liabilities attributable to the taxable income allocated to them by the Company for such tax year of the Company. Such amount shall be determined using the maximum income tax rate of any Member.

F. *Tax Year and Accounting Methods.* It is the intent of the Members that this Company be treated as a partnership solely for federal and state tax purposes. The taxable year of the Company shall be the calendar year. The Company books and records shall be maintained on such basis of accounting as may be determined as proper by the certified public accountant regularly employed by the Company at that time (the "Company's Accountant"). The Company's Accountant is authorized to use good judgment in making determinations with respect to the treatment of particular items which are not clearly covered here or which would result in a violation of federal or state income tax laws as they exist from time to time.

Such removal shall be without prejudice to the contractual rights, if any, of the person so removed. Any vacancy created or caused by removal, death, resignation or disqualification shall be filled by the affirmative vote of the Members holding a majority of the Membership Interests entitled to vote.

2. The appointment by each Member of the Manager of the Company as his attorney-in-fact is irrevocable and shall be deemed to be a power coupled with an interest and shall survive the disability, incompetence, bankruptcy, death or dissolution of any person given such power, except, that in the event of an assignment by a Member of all or any part of his membership interest, this power of attorney shall survive such assignment only until such time, if any, as the successor in interest

The Members will meet for the transaction of Company business at such places and times as are mutually convenient to them. Nothing in this Agreement will be construed as limiting the ability of the Members to transact Company business by unanimous written consent without a formal meeting.

J. *Notice of Meetings.* Written notice stating the place, day and hour of the meeting and the purpose or purposes for which the meeting is called shall be delivered not less than 10 nor more than 60 days before the date of the meeting, either personally or by mail, by or at the direction of the person or persons calling the meeting, to each Member entitled to vote at such meeting.

K. *Meeting of all Members.* If all of the Members meet at any time and place, either within or outside of the Commonwealth of Virginia, and consent to the holding of a meeting at such time and place, such meeting shall be valid without call or notice, and at such meeting lawful action may be taken.

Recipients of a Membership Interest who have not been admitted as a Member shall have no voting rights except as required by law.

Q. *Other Ventures.* The Members may be involved in other business ventures, independently or with others, and neither the Company nor any of the Members shall have any rights by virtue of this Agreement in the independent ventures or the income or profits derived from them.

Article V. Indemnification

A. *Indemnification of Members and Managers.* The Members acknowledge, agree and desire that the liability of any Member or Manager to the Company or to any of the other Members shall be eliminated, to the maximum extent possible, pursuant to Virginia Code Section 13.1-1025, as amended. The provisions of this Article are in addition to, and not in substitution for, any other right to indemnity to which any person who is or may be indemnified by or pursuant to this Article may otherwise be entitled, and to the powers otherwise accorded by law to the Company to indemnify any such person and to purchase and maintain insurance on behalf of any such person against any liability asserted against or incurred by him in any capacity referred to in this Article or arising from his status as serving or having served in any such capacity (whether or not the Company would have the power to indemnify against such liability).

B. *Effect of Invalid Provisions.* If any provision of this Article shall be adjudicated invalid or unenforceable, such adjudication shall not be deemed to invalidate or otherwise affect any other provision hereof or any power of indemnity which the Company may have under the laws of the Commonwealth of Virginia.

C. *Survival of Indemnification Provisions.* No amendment or repeal of this Section shall limit or eliminate the right to indemnification provided hereunder with respect to acts or omissions occurring prior to such amendment or repeal.

D. *No Personal Liability to Members.* Notwithstanding the above, the indemnification provided in this Article or otherwise shall in no event cause the Members to incur any liability beyond their total Capital Contributions plus their share of any undistributed profits of the Company, nor shall it result in any liability of the Members to any third party.

Article VI.
Transfer of Membership Interest

A. *No Right to Withdraw.* No Member shall have any right to voluntarily resign or otherwise withdraw from the Company during its term as provided for in the Articles of Organization without the prior written consent of all remaining Members of the Company. Any attempted resignation or withdrawal without the requisite consent shall be null and void and have no legal effect.

B. *Transfer of Interest.* No Member shall, directly or indirectly, transfer, sell, give, encumber, assign, pledge, or otherwise deal with or dispose of all or any part of his Membership Interest now owned or subsequently acquired by him, other than as provided for in this Agreement. Any transfer in violation of and without full compliance with this Agreement shall be void and without legal effect.

C. *Permitted Transfers.*

1. Notwithstanding the above, any Member (the "Transferring Member") may transfer all or any portion of the Member's Interest at any time to any of the following, hereinafter referred to as "Permitted Transferees":

- a. Other Members;
- b. The children or other descendants of any Member; or
- c. A trustee who holds such Membership Interest in trust for the exclusive benefit of any one or more of such persons listed in paragraphs C.1.a. and C.1.b. of this Article IV, except that the spouse of a lineal descendant of the Transferring Member may hold an income interest in such a trust and/or a limited power to appoint the income and/or principal of such trust to a lineal descendant (or a trust for the benefit of a lineal descendant) of the Transferring Member.

2. Notwithstanding the restrictions set forth in paragraphs A. and B. above, any Membership Interest that is held by a custodian for a minor under the laws of the Commonwealth of Virginia or any other state shall be fully transferable and assignable to the minor when the minor reaches the age of termination of such custodianship under applicable law.

D. *Option Events in the Event of Death or Bankruptcy.*

1. A Member (the "Transferring Member") shall be deemed to have offered to sell all of such Member's Interest in the Company to the Company and the other Members (referred to as "Remaining Members"), as provided below, on the date of the occurrence of any of the following events (an "Option Event"):

a. The death of the Member, unless the deceased Member's interest is transferred by will, intestate succession or otherwise to a Permitted Transferee as provided for in Article VI.C.1.

b. The bankruptcy (voluntary or involuntary) as adjudicated by a court, appointment of a receiver, or assignment for the benefit of the creditors of the Member.

The Transferring Member shall deliver written notice of any such event to the Company and each of the Remaining Members within ninety (90) days after the Option Event. If notice is not given within such ninety (90) day period, the Company and Remaining Members may, but shall not be required to, treat such notice as having been given on the 90th day and proceed with their rights to purchase as provided below. Failure to exercise such right shall not be deemed a waiver of such right until actual notice is delivered and the respective option periods have expired. No interest shall accrue on the purchase price for such Interest until the actual Closing Date.

2. *Remaining Member's Right of Refusal.* Within sixty (60) days after receipt of the notice provided for in Article VI.D.1., the Remaining Members shall have the right to purchase all or any part of the Transferring Member's Interest in proportion to their Membership Interest in the Company (excluding the Transferring Member's Interest), or in such proportions as they may otherwise unanimously agree, at the price and upon the terms specified in Articles VIII and IX of this Agreement, respectively. Written notice of acceptance must be mailed or delivered to the Transferring Member within such sixty (60) day period.

3. *Company's Right of Refusal.* If the Remaining Members fail to exercise their options with respect to the Interest of the Transferring Member, the Company, by a majority vote of the Interests of the Remaining Members, shall have the right, for a period of fifteen (15) days after the expiration of the Remaining Members' sixty (60) day option period, to purchase all or any part of the remaining Interest of the Transferring Member at the price and upon the terms specified in Articles VIII and IX of this Agreement, respectively. Written notice of the Company's acceptance must be mailed or delivered to the Transferring Member within such fifteen (15) day period.

4. *Failure to Exercise Options.* If the Company and the Remaining Members fail to acquire all of the Transferring Member's Interest upon such offering, then the Transferring Member may transfer his remaining and unpurchased Interest to whomever he so designates. However, the transferee shall not become a Member unless admitted as such as provided in Article VII of this agreement.

E. *Non-Member's Interest.* For purposes of determining the Remaining Members' proportionate Interest in the Company as provided for in this Article, the Interest of Members who have not been admitted as such shall be ignored.

Article VII.

Admission of a New Member

A. *Rights of Transferee.* Except as provided below for Permitted Transferees, any transfer of a Membership Interest as set forth in Article VI shall be effective only to give the transferee the right to receive the share of tax allocations and distributions to which the Transferring Member would otherwise be entitled. A Permitted Transferee, unless the Transferring Member expressly provides otherwise, shall have the right to become a substitute Member, if such Permitted Transferee agrees to be bound by all the terms and conditions of the Agreement as then in effect. No other transferee shall have the right to become a substitute Member unless all of the other Members, in the exercise of their sole and absolute discretion, expressly consent thereto in writing and the transferee agrees to be bound by all the terms and conditions of this Agreement as then in effect. Unless and until a transferee is admitted as a substitute Member, and except as provided above with respect to allocations and distributions, the transferee shall have no right to exercise any of the powers, rights, and privileges of a Member hereunder.

B. *Admission of New Member.* Additional Membership Interests may be issued by the Company and additional Members may be admitted to the Company only by unanimous agreement of the

Members. The terms applicable to the admission of new Members will be as agreed by all the Members at that time.

C. *Rights of Transferring Member.* A Member who has assigned his Membership Interest shall cease to be a Member upon assignment of the Member's entire Membership Interest and thereafter shall have no further powers, rights, and privileges as a Member hereunder, but shall, unless otherwise relieved of such obligations by agreement of all of the other Members or by operation of law, remain liable for all obligations arising while he was a Member.

Article VIII. Purchase Price

A. *Value of Interest Being Transferred.* Unless the Company and the Members (Transferring and Remaining) unanimously agree in writing to a different price for the Interest being transferred hereunder, the purchase price for the Transferring Members' Interest offered for sale hereunder shall be determined as of the Valuation Date by an independent appraiser selected by the Company and the Transferring Member. If the Company and the Transferring Member cannot agree upon the selection of an independent appraiser, the Company and the Transferring Member shall each select one independent appraiser, and the two selected independent appraisers shall select a mutually acceptable third independent appraiser. The third independent appraiser shall independently determine the fair market value of the Transferring Member's Interest. The purchase price of the Transferring Member's Interest shall be the average of the three independent appraisers' determination of the fair market value of the Transferring Member's Interest. Any independent appraiser may employ other independent professionals to assist them in such valuation. The determination of value by the independent appraiser shall be final and binding on all parties if made in good faith.

B. *Valuation Date.* The Valuation Date shall be the day on which an Option Event occurs.

C. *Allocation of Costs of Withdrawal.* If withdrawal is other than by reason of death, then \$5,000.00 of the costs of withdrawal incurred, in total, by the Company or any Member (other than the Transferring Member) including legal and accounting fees, will be charged to the Transferring Member and deducted from the value of the Transferring Member's Interest to the extent the Transferring Member does not pay the amounts before settlement. All additional costs and expenses above this amount shall be borne by the party that incurs the costs; provided however, all fees relating to the appraisal shall be borne one-half by the seller and one-half by the buyers (after taking into account the Transferring Member's obligation to paying the first \$5,000.00 of costs as provided, above).

Article IX. Settlement

A. *Settlement of Purchase.* The settlement of any purchase of an Interest under this Agreement shall be made on the Closing Date at the principal office of the Company, or if agreed to by the parties, the offices of the Company's legal counsel. The Closing Date shall be the date that is one hundred twenty (120) days after the date of receipt of the Transferring Member's written notice as required under Article VI, or such other date as agreed upon by the Transferring Member and those of the Company and Remaining Members who are purchasing any Interest.

1. *Payment.* Each purchaser of any Interest of a Transferring Member shall have the option of making payment of their portion of the respective purchase price (i) in cash or by certified check, (ii) by a promissory note, or (iii) partly in cash and partly by a promissory note.

2. *Interest Rate and Term.* The promissory note shall be executed by the appropriate purchaser or purchasers payable to the order of the Transferring Member, bearing simple interest on the unpaid principal balance at an annual rate equal to the applicable federal rate under Section 1274 of the Code, as amended, determined as of the Closing Date, compounded monthly. The note shall provide for payment of both principal and accrued interest, in sixty (60) equal monthly installments. The first installment shall be payable on the date that is one (1) month after the Closing Date. The remaining installments shall be payable thereafter on the same day of each successive month until paid in full, provided, however, the entire indebtedness shall be paid in full on the date that is five (5) years from the date of the Closing Date.

3. *Option to Prepay.* The purchaser or purchasers shall have the unrestricted right to prepay the note in whole or in part, at any time and from time to time without penalty or premium; provided, however, that any such partial prepayment shall be in an amount of not less than \$5,000.00.

4. *Acceleration.* The note shall provide for optional acceleration of maturity in the event of a default in payment of principal or interest, or upon the insolvency of, or the assertion of insolvency by or against any maker, endorser or guarantor of the note. In addition, the note will become due and payable in full if the Company sells substantially all of its assets and business, or enters into any legal arrangement which has substantially the same effect. The note shall provide for the reimbursement of reasonable attorney fees in the collection of all or any part of the note upon default. The note may be secured, at the option of the Transferring Member, by a pledge of the Member's Interest purchased, but not a specific pledge of the assets of the Company.

Article X. Dissolution

A. *Events Resulting in Dissolution.* The Company will be dissolved upon the occurrence of any of the following:

1. The unanimous written consent of all the Members;
2. The adjudication of the Company as insolvent within the meaning of insolvency in either bankruptcy or equity proceedings, or the filing of an involuntary petition in bankruptcy against the Company (which is not dismissed within ninety (90) days), or the filing against the Company of a petition for reorganization under the Federal Bankruptcy Code or any state statute (which is not dismissed within ninety (90) days), or a general assignment by the Company for the benefit of creditors, or the voluntary claim (by the Company) that it is insolvent under any provisions of the Bankruptcy Code (or any state insolvency statutes), or the appointment for the Company of a temporary or permanent receiver, trustee, custodian, sequestrator, and such receiver, trustee, custodian, or sequestrator is not dismissed within ninety (90) days;
3. At any time there are no members; however, the Company is not dissolved and is not required to be wound up if, within six months after the occurrence of the event that caused the dissociation of the last remaining Member, the personal representative of the last remaining Member agrees in writing to continue the Company until the admission of the personal representative of such Member or its nominee or designee to the Company as a Member, effective as of the occurrence of the event that caused the dissociation of the last remaining Member;
4. The entry of a decree of judicial dissolution of the Company under the Act; or

5. When so determined in accordance with other specific provisions of this Agreement.

B. *Conclusion of Affairs.* In the event of the dissolution of the Company for any reason, the Members shall proceed promptly to wind up the affairs of and liquidate the Company. Except as otherwise provided in this Agreement, the Members shall continue to share distributions and tax allocations during the period of liquidation in the same manner as before the dissolution.

C. *Liquidating Distributions.* After providing for the payment of all debts and liabilities of the Company and all expenses of liquidation, and subject to the right of the Members to set up such reserves as it may deem reasonably necessary for any contingencies or unforeseen liabilities or obligations of the Company, the proceeds of the liquidation and any other assets of the Company shall be distributed to or for the benefit of the Members in accordance with this Agreement. Unless the Members entitled to vote (by a majority vote) agree to some other form of distribution, the distributions to the Members upon liquidation shall be made in kind based on the fair market value of the Company's assets at that time. If such distribution is in kind, each Member shall take a fractional interest in each and every asset of the Company unless the Members agree to some other method of division.

D. *Priority in Liquidation.* If the Company is terminated, the Members will proceed with the liquidation of the Company as provided in the previous section and the proceeds from the liquidation will be applied as follows:

1. First, to the payment of debts and liabilities of the Company, other than loans and advances that may have been made by the Members to the Company, and the expenses of liquidation;

2. Next, the proceeds will be applied to the payment of any loans or advances that may have been made by any Member to the Company, but if the amount available for repayment is insufficient, then on a pro rata basis;

3. Next, the Company's assets will be distributed to the Members, pro rata in accordance with their respective positive Capital Account balances, after giving effect to all contributions, distributions and allocations for all periods; and

4. Any balance remaining shall be distributed to the Members in accordance with their Membership Interests.

E. *Termination.* Within a reasonable time following the completion of the liquidation of the Company, the Members shall be supplied a statement which shall set forth the assets and the liabilities of the Company as of the date of complete liquidation and each Member's portion of the distributions pursuant to this Agreement. Upon completion of the liquidation of the Company and the distribution of all the Company's assets, the Company shall terminate, and the Members shall execute and record a Certificate of Cancellation of the Company as well as any and all other documents required to effectuate the dissolution and termination of the Company.

F. *No Deficit Restoration.* A negative or deficit balance in any Member's Capital Account shall not be deemed to be an asset of the Company, and no Member with a negative or deficit Capital Account balance shall have any obligation to the Company, to any other Member or to any third party or creditor to restore such negative or deficit balance. No Member shall be personally liable for the return of all or any part of the Capital Contributions of any other Member. Any such return of Capital shall be made

solely from Company assets; provided, however, nothing contained herein shall be deemed to limit the right of the Company to recover from a Member for acts or omissions constituting breach of fiduciary duty, fraud, misconduct, bad faith or gross negligence.

Article XI. Miscellaneous

Any such compliance undertaken by the Developer on behalf of and in the name of the Company, in accordance with the provisions of this Agreement, shall be at the Company's expense. The Developer shall likewise ensure that all agreements between the Company and independent contractors performing work in connection with the construction of the Project shall include the agreement of said independent contractors to comply with all such applicable laws;

(ix) Assemble and retain all contracts, agreements and other records and data as may be necessary to carry out the Developer's functions hereunder. Without limiting the foregoing, the Developer will prepare, accumulate and furnish to the Company and the appropriate governmental authorities, as necessary, data and information sufficient to identify the market value of improvements in place as of each real property tax lien date, and will take application for appropriate exclusions from the capital costs of the Project for purposes of real property ad valorem taxes;

(x) Coordinate and administer the design and construction of all interior tenant improvements to the extent required under any leases or other occupancy agreements to be constructed or furnished by the Company with respect to the initial leasing of space in the Project, whether involving building standard or non-building standard work;

Pinebrook Village Apartments Summary

The Mortgagor of Pinebrook Village was Greenbrier-Pinebrook LLC, a single asset entity which is wholly owned by Greenbrier Woods Corporation, a 501(c) (3) organization. Greenbrier Woods Corporation is legally unrelated but shares some Board members and officers with Community Housing Partners Corporation (CHPC) – also a 501(c) (3) organization based in Virginia. CHPC has a 35 year history of meeting the housing needs of low and moderate income families. CHPC owns and manages over 5,200 affordable apartments in Virginia, North Carolina, Kentucky and Florida. Many of the properties that CHPC has preserved are HUD assisted. CHPC's track record demonstrates that it is a responsible and successful housing developer and has been an excellent partner for HUD and other housing funders.

- The property was transferred to Greenbrier Woods in a bargain sale/donation transaction by the previous owner in June of 2002. The transfer was part of a two property donation – the second property, Yorkshire Apartments (now the Woods at Yorktown) was successfully rehabilitated by CHPC through the use of Low Income Housing Tax Credits. Tax Credits could not be accessed for Pinebrook since the presence of the Section 8 Moderate Rehab contract precluded their use. At the time of the transfer, the property had been accepted into Mark to Market processing. The new owner continued that process but was informed in 2003 by OHMAR (now OHAP) that the property was, in fact, not eligible for restructuring due to the lock-out provision on the underlying financing – something that Greenbrier Woods was not aware of at the time that it acquired the property. The owner appealed that decision to OHMAR due to the poor condition at the property and the need for rehabilitation and debt restructuring through M2M. In late 2003, the property was accepted back into the M2M process, this time using the bond defeasance model.
- The owner continued with this process and was making progress until August of 2004. On August 31-September 1, Tropical Storm Gaston stalled over the Richmond area and deposited 16 inches of rain in a 10 hour period causing widespread flooding in the Richmond area. As a result of this storm Richmond received a Federal Disaster declaration. Pinebrook Village was severely flooded by this storm. All of the first floor units were affected. The Owner worked to relocate all of the first floor tenants off site and carried out demolition of the first floor units to remove carpets, padding and drywall that had been saturated. The units were treated to remediate mold.
- The property was not located in a flood zone and consequently did not carry flood insurance. The Mark to Market program represented the only

option for generating the resources necessary to repair these units and bring them back on line. The Mark to Market proposal was revised and submitted to OHMAR in December of 2004. Early in 2005, an OHAP committee determined that the property was not "preservation worthy" based upon the physical condition of the property and market considerations. The owner appealed this decision and prepared a new submission to refute the basis of this decision. Late in June 2005, OHAP determined that the property was "preservation worthy" based upon the new information. However, they required all new reports which took until December 2005 to complete.

- The Building Official for the City of Richmond took the position after the flood that the current residents on the second floor could remain at the property but that no new residents could move in until the entire property had been rehabilitated. As a result, the population at the property continued to decline after September 1, 2004. By January of 2006, there were only 20 residents remaining and the City had reached the end of its patience with respect to starting rehabilitation. The owner had still not received a decision from OHAP at that time. In January, the city determined that the property was no longer fit for habitation and ordered the remaining residents to move out. The owner accomplished the relocation of these residents by February 1. OHAP subsequently denied the M2M restructuring on the basis that there were no longer any residents at the property.
- By this time, the owner had already invested over \$650,000 of its own funds in order to continue to carry the property, make necessary improvements and keep the loan current while waiting for the M2M process to reach its conclusion. With the denial of the M2M and the property completely vacant, the owner reluctantly made the decision to stop mortgage payments on February 1, 2006.
- Subsequent conversations with the HUD area office staff in Richmond identified another possible strategy for the preservation of this property. This would involve the refinance of the property through tax exempt bonds that would carry the 4% tax credits. The combination of the new financing and the tax credit equity would be sufficient to carry out the rehab that had been contemplated through the M2M program. The Virginia Housing Development Authority would be the source of this financing and would be prepared to provide such financing on the condition that a new FHA insurance commitment is obtained. The owner explored these options and believed that such a course would have been feasible and would have allowed for the pay off of the existing indebtedness and the prevention of the assignment of this loan and the consequent loss to the FHA insurance fund.

- In order to accomplish this, the owner requested in early March of 2006 that HUD take the necessary action to break the lock out on the existing insured financing. That request argued that the decision to break the lock-out would not have had any additional adverse effect on the investors since the loan was already on a certain path to assignment and insurance claim. HUD denied this request and thus ended any further opportunity to payoff the mortgage and rehabilitate the property.
- In November, 2010, HUD sold the property at public auction.

Since 2002, CHPC worked in good faith with HUD to try to rehabilitate and preserve this property. CHPC remained committed to this goal despite the serious obstacles along the way and, as noted above, expended \$650,000 of its own funds as evidence of this good faith and of its non profit mission. During the four years following the acquisition of Pinebrook, CHPC worked closely with the Richmond HUD office to complete a successful restoration of this property and made extraordinary efforts to accomplish this goal. CHPC continues to carry out this mission to create and preserve housing for low income families and continues its work with HUD as a partner.

CONTRACT OF PURCHASE

THIS CONTRACT OF PURCHASE (this "Agreement"), dated as of March 6th, 2022, by and between YORKTOWN-YORKSHIRE, LP, a Virginia limited partnership ("Seller"), and WOODS AT YORKTOWN NC, LLC, a Virginia limited liability company ("Buyer"), recites and provides as follows:

Recitals.

A. Seller is the fee simple owner of a certain lot, piece or parcel of land and improvements thereon located in the County of York, Virginia, comprised of approximately 6.84 acres of land, identified as a portion of County of York TAX ID N12D-3904-0309, commonly known as "Unit B", and more particularly described on Exhibit "A" attached hereto and made a part hereof (the "Property").

B. Seller desires to (i) subject the Property and other land to a condominium regime (the "Condominium") and (ii) sell the Property to Buyer, and Buyer desires to purchase the Property, as part of said condominium regime, from Seller on the terms and conditions set forth below.

NOW, therefore, for and in consideration of the mutual promises, covenants and agreements set forth in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Sale. This Agreement constitutes a binding contract for the sale and purchase of the Property on the terms and conditions hereinafter provided. Seller shall be obligated to sell and convey, and Buyer shall be obligated to purchase, the Property in accordance with the terms and conditions of this Agreement. The purchase price to be paid by Buyer for the Property at Settlement (the "Price") shall be equal to One Million Fifty Thousand and 00/100 Dollars (\$1,050,000.00).

2. Settlement. Unless this Agreement is sooner terminated as provided in this Agreement, the closing of the sale of the Property shall take place at such place as the parties hereto may agree, on a date for closing which shall be within not less than 15 days, nor more than 60 days, after the date of a written notice from Buyer to Seller (the "Buyer Notice"), requesting that the closing occur (the "Settlement"). In the event the Settlement has not occurred by April 30, 2023, this Agreement shall be null and void. In any event, without the consent of both parties, Settlement shall not occur before September 1, 2022.

3. Conditions to Buyer's Performance. Buyer shall be obligated to purchase the Property from Seller only upon the full satisfaction of the following conditions, any of which may be waived by Buyer, and in the event any of such conditions are not satisfied or waived by the date of Settlement, or a later date approved by the mutual consent of Seller and Buyer, then this Agreement shall be terminated.

- (a) As of the date of Settlement, there shall be no encumbrances or special assessments either pending or confirmed affecting the Property, except as specifically accepted and approved by Buyer in writing (the "Permitted Exceptions"). All such liens or assessments, except for the Permitted Exceptions, shall be paid and released by Seller on or before the date of Settlement.
- (b) The Property shall be in compliance with all applicable environmental laws and regulations.

Purpose").

- (d) There shall be no litigation, proceeding or investigation pending, or to the knowledge of Owner, Buyer or Seller threatened, which might prevent or adversely affect Buyer's ability to operate the Property for the Intended Purpose or which questions the validity of any material actions taken or to be taken by Seller or Buyer hereunder.

4. Settlement Documents and Costs. At Settlement, Seller shall pay for its own legal fees and the grantor's tax in connection with the recordation of the Deed (as hereinafter defined). Purchaser shall pay for any survey, title examination, and title insurance ordered by Purchaser or for Purchaser's benefit, for its own legal fees and for all recording taxes and fees (other than the grantor's tax) in connection with the recordation of the Deed.

5. Prorations. All real and personal property ad valorem taxes and installments of special assessments, if any, for the calendar years prior to the current calendar year will be paid by Seller. At Buyer's election, all real and personal property ad valorem taxes and special assessments, if any, whether payable in installments or not, for the current calendar year will be prorated to the date of Settlement on a calendar year basis, based on the latest available tax rate and assessed valuation, to be paid by Seller through the date of Settlement and by Buyer from the date of Settlement through the end of the calendar year. If Buyer elects not to prorate real and personal property ad valorem taxes and special assessments at Settlement, then Seller shall pay such real and personal property ad valorem taxes and special assessments when due for such calendar year. Seller shall provide Buyer written notice with evidence of payment and Buyer shall reimburse Seller within 30 days of such written notice its prorated share of such taxes and assessments from the date of Settlement. Seller shall be responsible for payment of any roll-back taxes.

6. Title. Seller agrees to convey to Buyer on the date of Settlement, good and marketable fee simple title to the Property and, effective on the recordation of the deed by Seller to Buyer (the "Deed"), beneficial ownership and the risk of loss of the Property will pass from Seller to Buyer. The Property shall be conveyed to Buyer free and clear of any liens and/or encumbrances, except the Permitted Exceptions. The Deed shall describe the Property according to the declaration prepared and recorded in connection with the Condominium.

The provisions of this paragraph shall survive Settlement and not merge into the Deed.

10. Defaults.

- (a) **Buyer's Default.** If Buyer fails to perform or settle as required by this Agreement, or makes under this Agreement any material false representations or warranties, Seller shall have the right, exercisable at its option upon each such failure or misrepresentation, to give notice thereof to Buyer and Buyer shall have a period of 10 days in which to cure the failure described in such notice. R7-SINGLE-FAMILY MANUFACTURED HOME SUBDIVISION DISTRICT

Use Classification	Minimum Lot Requirements ⁽¹⁾		Minimum Yard Requirements			Maximum Building Height

Manufactured Homes	7,500 sq. ft. 700m ²	70' 21m	30' 9m	10' 3m	20' 6m	35' 10.5m

⁽¹⁾ These minimum lot requirements apply where both public water and public sewer are available. The R7 district may not be applied to areas without both public water and public sewer.

⁽²⁾ Whenever any lot in an R7 district abuts any land in any other residential zoning district the following yard requirements shall be observed for that portion of the lot which abuts the other residential district:

Side Yard: Forty feet (40'); provided, however, accessory buildings may be located not less than fifteen feet (15') from the side lot line.

Rear Yard: Forty feet (40'); provided, however, accessory buildings may be located not less than twenty-five feet (25') from the rear lot line.

Minimum district size: 5 acres (2ha)

NOTE:
Performance standards and special use permit requirements or conditions may increase yard and lot requirement. See article IV.

Sec. 24.1-326. RMF-Multi-family residential district.

- (a) *Statement of intent.* The RMF district is intended for application in those areas designated for multi-family/general residential development by the comprehensive plan. In accordance with direction provided by the plan, this district is designed to provide opportunities for higher density living arrangements with an orientation toward the rental market but not to the exclusion of single-family attached, owner-occupied housing types. As a high density development, this district can be expected to generate very intensive demands on public services and facilities and should be located accordingly. However, *senior housing*, which is permitted by special use permit, can be expected to generate lesser demands on most public facilities and services than would otherwise be the case on a per-unit basis for traditional general market multi-family development. Therefore, as set out in section 24.1-411, opportunities are provided for the Board of Supervisors to authorize, on a case-by-case basis, the development of such senior housing projects at a higher density level than that applicable to general market multi-family residential development.
- (b) *Dimensional standards.* Each lot created or used shall be subject to the following dimensional standards:

USE CLASSIFICATIONS	MAXIMUM DENSITY	MINIMUM LOT REQUIREMENTS ⁽²⁾		MINIMUM YARD REQUIREMENTS			MAXIMUM BUILDING HEIGHT
		MIN. AREA	MIN. WIDTH	FRONT	SIDE	REAR	
Permitted Uses:							
Multi-Family Dwellings	10 units per acre 25 du/ha	—	—	50' 15m	25' 7.5m	50' 15m	45' 13.5m
Single-Family Attached Dwellings	10 units per acre 25 du/ha	1,800 sq. ft. 175m ²	20' 6m	20' ⁽²⁾ 6m	10' ⁽²⁾ 3m	15' ⁽²⁾ 4.5m	35' 10.5m
Other Permitted Uses	—	1 acre 4000m ²	150' 45m	50' 15m	25' 7.5m	50' 15m	45' 13.5m
Special Uses:	—	1 acre 4000m ²	150' 45m	50' 15m	25' 7.5m	50' 15m	45' 13.5m

⁽¹⁾ Minimum Lot Requirements are dependent on the availability of public water and sewer. For lots not served by public water and sewer, refer to section 24.1-204.

⁽²⁾ Where units are arranged with frontage on a public street, the minimum front yard setback shall be thirty feet (30').

⁽³⁾ Yards required only adjacent to non-common walls of attached units.

Minimum district size: 5 acres [2ha]

NOTE:
Performance standards and special use permit requirements or conditions may increase the yard and lot Requirements. See article IV.

RE: 2022 Tax Credit Reservation Request

Name of Development: Woods at Yorktown NC
Name of Owner: Woods at Yorktown NC, LLC

Gentlemen:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package dated March 10, 2022 (of which this opinion is a part) (the "Application") submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low income housing tax credits ("Credits") available under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the "Regulations").

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Hard Costs and Owners Costs section of the Application form, complies with all applicable requirements of the Code and Regulations.
2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.
3. The appropriate type(s) of allocation(s) have been requested in the Reservation Request Information section in the Application form.
4. The information set forth in the Unit Details section of the Application form as to proposed rents exceeds the Code rent restrictions; however, the Development will satisfy all applicable requirements of the Code and Regulations due to subsidies

such that no tenant will pay rents in excess of what is dictated by the Code and Regulations.

5. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application, for a period of not less than four (4) months beyond the application deadline.
6. The type of the nonprofit organization involved in the Development is an organization described in Code Section 501(c)(3) or 501(c)(4) and exempt from taxation under Code Section 501(a), whose purposes include the fostering of low-income housing.
7. The nonprofit organizations' ownership interest in the development is as described in the Nonprofit Involvement section of the Application form.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon compliance by the Owner with the requirements of Code Section 42(h)(1)(E), the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("VHDA") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by VHDA and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

It has received a copy of and has reviewed the completed application package dated March 10, 2022 (of which this opinion is a part) (the "Application") submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low income housing tax credits ("Credits") available under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the "Regulations").

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Hard Costs and Owners Costs section of the Application form, complies with all applicable requirements of the Code and Regulations.
2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.
3. The appropriate type(s) of allocation(s) have been requested in the Reservation Request Information section in the Application form.
4. The information set forth in the Unit Details section of the Application form as to proposed rents satisfies all applicable requirements of the Code and does not exceed the Code rent restrictions; however, the Development will satisfy all applicable requirements of the

Code and Regulations due to subsidies such that no tenant will pay rents in excess of what is dictated by the Code and Regulations.

5. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application, for a period of not less than four (4) months beyond the application deadline.
6. The type of the nonprofit organization involved in the Development is an organization described in Code Section 501(c)(3) or 501(c)(4) and exempt from taxation under Code Section 501(a), whose purposes include the fostering of low-income housing.
7. The nonprofit organizations' ownership interest in the development is as described in the Nonprofit Involvement section of the Application form.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon compliance by the Owner with the requirements of Code Section 42(h)(1)(E), the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("VHDA") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by VHDA and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

RECEIVED JUN 12 1980

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably be expected to be a publicly supported organization described in section 509(a)(1) and 170(b)(1)(A)(vi).

Accordingly, you will be treated as a publicly supported organization, and not as a private foundation, during an advance ruling period. This advance ruling period begins on the date of your inception and ends on the date shown above.

Within 90 days after the end of your advance ruling period, you must submit to us information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, you will be classified as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, you will be classified as a private foundation for future periods. Also, if you are classified as a private foundation, you will be treated as a private foundation from the date of your inception for purposes of sections 507(d) and 4940.

Grantors and donors may rely on the determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you submit the required information within the 90 days, grantors and donors may continue to rely on the advance determination until the Service makes a final determination of your foundation status. However, if notice that you will no longer be treated as a section *see above organization is published in the Internal Revenue Bulletin, grantors and donors may not rely on this determination after the date of such publication. Also, a grantor or donor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section * status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section * organization.

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. Also, you should inform us of all changes in your name or address.

Generally, you are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. If you have paid FICA taxes without filing the waiver, you should call us. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

You are required to file Form 990, Return of Organization Exempt from Income Tax, only if your gross receipts each year are normally more than \$10,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, when a return is filed late, unless there is reasonable cause for the delay.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

(See caveat below.)

Sincerely yours,

District Director

In the event the organization initiates a housing construction program, you should inform this office so that a determination may be made as to its effect to your exempt status.

Dear Sir or Madam:

This is in response to the amendment to your organization's Articles of Incorporation filed with the state on March 9, 2001. We have updated our records to reflect the name change as indicated above.

Our records indicate that a determination letter issued in May 1980 granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. ~~Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).~~

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Community Housing Partners Corporation
54-1023025

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we ~~are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.~~

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. If your organization had a copy of its application for recognition of exemption on July 15, 1987, it is also required to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of \$20 a day for each day you do not make these documents available for public inspection (up to a maximum of \$10,000 in the case of an annual return).

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

This letter affirms your organization's exempt status.

Sincerely,

John E. Ricketts, Director, TE/GE

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 2000).

There is a growing awareness of the need to address the needs of people with mental health problems in the community. The Department of Health (2000) has set out a vision for the future of mental health services, which includes a focus on preventing mental health problems, supporting people with mental health problems in the community, and providing specialist services for people with severe mental health problems. The Department of Health (2000) also states that the future of mental health services should be based on a partnership between the NHS, local authorities, and the voluntary sector.

One of the key challenges for mental health services is to ensure that people with mental health problems are able to live in the community and participate in society. This requires a range of services, including housing, employment, and social support. The Department of Health (2000) has set out a number of key principles for the future of mental health services, which include a focus on prevention, recovery, and social inclusion.

One of the key principles for the future of mental health services is a focus on prevention. This involves identifying people at risk of developing a mental health problem and providing them with support and intervention to prevent the problem from developing. The Department of Health (2000) states that prevention is a key priority for the future of mental health services, and that it should be a central part of all mental health services.

Another key principle for the future of mental health services is a focus on recovery. This involves supporting people with mental health problems to recover from their illness and to live a full and meaningful life. The Department of Health (2000) states that recovery is a key priority for the future of mental health services, and that it should be a central part of all mental health services.

A third key principle for the future of mental health services is a focus on social inclusion. This involves supporting people with mental health problems to participate in society and to live in the community. The Department of Health (2000) states that social inclusion is a key priority for the future of mental health services, and that it should be a central part of all mental health services.

There are a number of challenges that mental health services face in order to achieve these goals. One of the key challenges is to ensure that people with mental health problems are able to access the services that they need. This requires a range of measures, including increasing the capacity of mental health services, improving the accessibility of services, and ensuring that services are available to all people who need them.

Another key challenge is to ensure that people with mental health problems are able to participate in society and to live in the community. This requires a range of measures, including providing housing, employment, and social support. The Department of Health (2000) states that social inclusion is a key priority for the future of mental health services, and that it should be a central part of all mental health services.

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 2000).

There is a growing awareness of the need to address the needs of people with mental health problems, and the importance of providing them with appropriate services. However, there is a significant gap between the current needs of people with mental health problems and the services available to them. This gap is due to a number of factors, including a lack of resources, a lack of training for health professionals, and a lack of awareness of the needs of people with mental health problems. This paper will discuss the current needs of people with mental health problems, and the services available to them. It will also discuss the factors that contribute to the gap between the current needs of people with mental health problems and the services available to them.

The first factor contributing to the gap between the current needs of people with mental health problems and the services available to them is a lack of resources. There is a significant shortage of health professionals, particularly in the area of mental health. This shortage is due to a number of factors, including a lack of training opportunities, a lack of financial incentives, and a lack of awareness of the importance of mental health. This shortage of health professionals leads to a lack of services for people with mental health problems.

The second factor contributing to the gap between the current needs of people with mental health problems and the services available to them is a lack of training for health professionals. Health professionals, particularly in the area of mental health, need to be trained in the latest techniques and theories of mental health care. However, there is a significant gap between the current training of health professionals and the needs of people with mental health problems.

The third factor contributing to the gap between the current needs of people with mental health problems and the services available to them is a lack of awareness of the needs of people with mental health problems. Health professionals, particularly in the area of mental health, need to be aware of the needs of people with mental health problems. However, there is a significant gap between the current awareness of health professionals and the needs of people with mental health problems.

The fourth factor contributing to the gap between the current needs of people with mental health problems and the services available to them is a lack of resources. There is a significant shortage of health professionals, particularly in the area of mental health. This shortage is due to a number of factors, including a lack of training opportunities, a lack of financial incentives, and a lack of awareness of the importance of mental health. This shortage of health professionals leads to a lack of services for people with mental health problems.

The fifth factor contributing to the gap between the current needs of people with mental health problems and the services available to them is a lack of training for health professionals. Health professionals, particularly in the area of mental health, need to be trained in the latest techniques and theories of mental health care. However, there is a significant gap between the current training of health professionals and the needs of people with mental health problems.

The sixth factor contributing to the gap between the current needs of people with mental health problems and the services available to them is a lack of awareness of the needs of people with mental health problems. Health professionals, particularly in the area of mental health, need to be aware of the needs of people with mental health problems. However, there is a significant gap between the current awareness of health professionals and the needs of people with mental health problems.

The seventh factor contributing to the gap between the current needs of people with mental health problems and the services available to them is a lack of resources. There is a significant shortage of health professionals, particularly in the area of mental health. This shortage is due to a number of factors, including a lack of training opportunities, a lack of financial incentives, and a lack of awareness of the importance of mental health. This shortage of health professionals leads to a lack of services for people with mental health problems.

4. Virginia and Community Activity

Does the non-profit or, if applicable, related non-profit have experience serving the community where the proposed development is located (including advocacy, organizing, development, management, or facilitation, but not limited to housing initiatives)?

☒ Yes ☐ No If yes, or no, explain nature, extent and duration of any service:

CHP's Resident Services division has significant experience in recruiting and placing volunteers and community-based partners to work alongside our staff to enhance the health and quality of life of our residents. CHP currently has a full-scale property management operation based in Virginia managing CHP-owned assets and others owned by like-minded 3rd party owners. CHP's property management portfolio consists of 6,717 units of affordable housing including Tax Credit, Section 8, Home, RAD, Sail, HUD 236, 202, 811, 221 D-4 and Rural Development 515. Of the 6,717 units of affordable housing, 6,041 units are CHP-owned, and 676 units are fee managed by CHP for 3rd party owners.

CHP creates or preserves community centers and/or community space with every new rental real estate development project. The inclusion of community-centered space is instrumental in providing services to CHP's residents, thereby keeping them active and engaged in the community. CHP's community centers include multi-functional spaces such as computer learning centers, libraries, multi-purpose meeting rooms, and full warming kitchens.

Portfolio-wide, we manage a resident population with 3,438 (56.33%) households considered to be Extremely Low Income (ELI, 30% AMI and lower), 1,728 (28.31%) resident households considered to be Very Low Income (VLI, 50% AMI and lower) and 705 (11.55%) resident households considered to be Low Income (LI, 80% AMI and lower). CHP's property management portfolio consists of 1,698 HAP and 594 Rural Development Rental Assistance units, and over 25% of CHP's property management portfolio operates under a project-based section 8 contract.

4. Virginia and Community Activity

Does the non-profit have demonstrated support (preferably financial) from established organizations, institutions, businesses and individuals in the target community?

☒ Yes ☐ No If yes, explain:

CHP's Resident Services division has significant experience in recruiting and placing volunteers and community-based partners to work alongside our staff to accomplish our mission of meeting the housing and services needs of our low-income residents. Our relationships with colleges/universities, community service organizations, non-profit groups, faith-based institutions, and service and retail organizations result in a tremendous amount of support in the area of service delivery. Our cadre of over 200 committed partners contribute staff hours, volunteers, in-kind material goods, and financial support which has totaled almost \$25 million dollars over the past twenty-four years.

Because the needs of residents residing in low-income housing are extensive and cannot be met through one service provider, partner building is at the core of CHP's Resident Services division. One of the main tasks of Resident Services is to focus on linkages between the property population's needs and the broader community. In 2021, CHP had relationships with 11 committed partners in and around the Yorktown, Virginia area. At The Woods at Yorktown the value of these partnerships totaled \$25,509. Dear Ms. Brown:

NRHA has reviewed the proposals received in response to the PBV solicitation. This is a letter of intent to notify you that the below referenced project has been selected to be awarded PBV rental assistance.

Development Name:	Woods at Yorktown NC
Development Address:	2801 Old Williamsburg Rd., Yorktown, VA 23690
Owner/Developer Name:	Woods at Yorktown NC, LLC
Owner/Developer Address:	4915 Radford Ave., Suite 300 Richmond, VA 23230
Owner/Developer Contact Person:	Samantha Brown
Contact Telephone Number:	804-343-7201
Contact Email Address:	sbrown@chpc2.org
Total Number of Units	60
Proposed Number of PBV Units	6

NRHA is required to select PBV proposals which meet the mandatory HUD criteria for the PBV program and that are in accordance with the competitive selection procedures of NRHA's Administrative Plan. Based on the below criteria this project meets the HUD Mandatory Criteria and ranks competitively in satisfying the NRHA's PHA Administrative Plan requirements.

HUD Mandatory Criteria include:

- The location of the project is within the PHA's jurisdiction or the PHA has been authorized to administer the program in accordance with 24 CFR 982
- The proposal is for an eligible housing type.
- The owner has site control.
- For new construction and rehabilitation housing, construction has not started.
- The project does not exceed the 25 percent cap with exceptions provided for in 24 CFR 983.56(b).

- Gross rents are within the PHA's payment standards.
- Proposed project is consistent with local PHA requirements stated in the RFP.
- The owner is eligible, not on the GSA list of contractors excluded from participation in federal procurements, and does not have a conflict of interest.
- The project will be available for occupancy 24 months.
- The proposal is complete.

This project meets the HUD Mandatory Criteria and ranks competitively in satisfying the NRHA's PHA Administrative Plan requirements.

HUD stipulates that the initial rent for a PBV project may not exceed the lesser of:

- 110 percent of the applicable fair market rent (or any exception payment standard approved by the Secretary of HUD) for the unit bedroom size minus any applicable utility allowances;
- The reasonable rent; or
- The rent requested by the owner.

NRHA is issuing this Letter of Intent to award rental housing assistance utilizing the 2020 fair market rents for Norfolk, Virginia as a basis under the following proposed contract rent schedule:

Rent Scheduled and Proposed Contract Rents Prior to submitting your subsidy layering review for HUD approval; NRHA will conduct a rent reasonableness review to identify the initial monthly contract rents.

Unit Size	# of Units	Proposed Monthly Contract Rent per Unit	Monthly Utility Allowance	Proposed Gross Contract Rent per unit
2 Bedrooms	3	\$900.00	\$246.00	\$1,146.00
3 Bedrooms	3	\$1,100.00	\$299.00	\$1,399.00

Note: Prior to executing the Agreement to Enter into a Housing Assistance Payments Contract (AHAP), you must comply with the following:

Environmental Review Requirement (ER)

All PBV projects are subject to HUD environmental regulations found at 24 CFR parts 50 and 58. Written documentation is required from the community's "responsible entity" that the project either complies with all environmental requirements as stated in the National Environmental Policy Act (NEPA) or is categorically excluded from a federal environmental review under

NEPA. The "responsibility entity" is generally an official from the city or the local community development office. A copy of the complete ER file that includes the review, the public notice, the request for release of funds (RROF) and HUD's letter approving the RROF must be submitted to NRHA

Subsidy Layering Review (SLR)

SLRs must be completed and approved by HUD for all PBV projects that utilize other publicly supported housing funds. The SLR is intended to prevent excessive public assistance for the housing by combining (layering) housing assistance subsidy under the PBV program with other governmental housing assistance from federal, state, or local agencies, including assistance such as tax concessions or tax credits (24 CFR 983.55)

Should you have any questions concerning this Letter of Intent or the NRHA –PBV Program, please feel free to contact me at 757-624-8629 or via email at pjoneswatford@nrha.us.

NRHA looks forward to working with you in providing affordable rental housing to the residents of Norfolk.

Sincerely,

P. B. Jones-Watford

Supportive Housing Certification

Virginia Housing Permanent Supportive Housing Services Certification

Permanent Supportive Housing is housing consisting of units designated for individuals or families that are homeless, at-risk of homelessness or who have multiple barriers to independent living.

Best practices are described by the U.S. Department of Health and Human Services:

<http://store.samhsa.gov/shin/content/SMA10-4510/SMA10-4510-06-BuildingYourProgram-PSH.pdf>

For consideration, provide **all** of the following:

1. Attach a list of developments for which you've provided permanent supportive housing services. Describe the types of services that were provided.
2. A signed copy of an MOU with a local service provider agency(ies). If no MOU exists, the service provider must sign this certification. If neither is available, provide an explanation for the lack of demonstrated partnership and describe how the property will receive referrals and from whom the residents will receive services.

3. Describe your target population(s).

Homeless or at-risk of homelessness	Serious Mental Illness (SMI)
Intellectual/Developmental Disabilities	

4. List the types of supportive services to be offered.

Independent Living Counseling	Independent Living Skills Training
Information & Referral	Community Health Services Coordination
Decision Making	Individual and Systems Advocacy

5. Who will be providing supportive services?

Christial Foster, Community Service Coordinator	

6. What percentage of the total number of units will be marketed to and held available for tenants in need of supportive services?

8 %

In addition, I/we certify the following:

Services

Tenant choice. Supportive housing tenants will have choices in what support services they receive (i.e., not a limited menu of services). Individual Support Plans will reflect tenant-defined needs and preferences. As supportive service tenants' needs change over time, tenants can receive more or less intensive support services.

Assertive outreach and engagement. The service team will use a variety of outreach and engagement techniques to bring tenants into helping relationships.

Case management. Case managers will serve as the bridge between tenants and the supports that help them achieve stability and long-term tenancy.

Recovery supports. Services will include at least one of the following:

- Mainstream supports, e.g., income supports from public benefits programs, healthcare from hospitals and clinics and employment help from vocational agencies
- Specialized supports, e.g., life skills training, budgeting, medication management and behavioral health treatment
- Natural supports, e.g., connections with peers, family, community and faith communities

Housing

Tenant choice. Supportive housing tenants will be able to choose where they want to live. Tenants cannot be evicted from their housing for rejecting services.

Access. Supportive housing units will be available to people who are experiencing homelessness, are precariously housed and/or who have multiple barriers to housing stability, including disabilities and substance abuse.

Quality. Supportive housing units will be similar to other units in the project.

Integration. Supportive housing tenants with disabilities will have a right to receive housing and supportive services in the most integrated settings available, including in buildings that include neighbors who do not have disabilities and where there is access to an array of community services and resources used by people with and without disabilities.

Rights of tenancy. Supportive housing tenant leases or subleases will confer full rights of tenancy, including limitations on landlords' entry into the property and the right to challenge eviction in landlord-tenant court. Tenants can remain in their homes as long as the basic requirements of tenancy are met—paying the rent, not interfering with other tenants' use of their homes, not causing property damage, etc. House rules, if any, are similar to those found in other housing.

Affordability. Supportive housing tenants should pay no more than 30% of their incomes toward rent and basic utilities.

Coordination between housing and services. Property managers and support service staff will stay in regular communication and coordinate their efforts to help prevent evictions and to ensure tenants facing eviction have access to necessary services and supports.

Delineated roles. There will be a functional separation of roles, with the housing elements (rent collection, property maintenance, enforcement of responsibilities of tenancy) carried out by different staff than those providing services (case management, mental health treatment, wraparound services).

The undersigned Owner certifies that each of the above statements is true and correct.

I/We agree that the commitment to provide supportive housing will remain in place throughout the Compliance Period (as described in the Extended Use Agreement).

The remedies and rights of the Lender may be exercised concurrently, in combination, or in any order that the Lender deems appropriate. Failure to exercise any right hereunder shall not constitute a waiver of the right to exercise the same at any other time.

_____ and _____, the investor members of the Borrower and their affiliates, successors and/or assigns (the "Investor Members"), shall have the right, but not the obligation, to cure any default on behalf of Borrower under the same terms as those provided to the Borrower, and the Lender shall accept such cure as if such cure were made by the Borrower.

Notwithstanding anything to the contrary contained herein, in no event shall the Lender declare a default or event of default nor execute any remedy upon the occurrence of any monetary or non-monetary event of default under the Loan for the duration of the "Compliance Period", as that term is defined in Section 42 of the Internal Revenue Code.

8. Payment of Costs of Collection: The Borrower further agrees that if this Note is placed in the hands of an attorney for collection or enforcement, or if the debt or obligations of the Borrower, or any part thereof, is collected or enforced by an attorney through foreclosure or by legal proceedings of any

kind, reasonable attorney fees and all costs and expenses incident upon such collection for enforcement shall be added to the amount due upon this Note and be collectible as part hereof. The Borrower agrees that the award of reasonable attorney fees may exceed 2% of the total principal interest and costs due under this Note.

9. Governing Law: This Note is to be governed by and construed in accordance with the laws of the Commonwealth of Virginia.

10. Assignment: Lender may freely transfer or assign to any entity any or all of its rights under this Note. Except with the prior written consent of Lender, which shall not be unreasonably withheld, the Borrower may not assign its rights and obligations under this Note to any other entity. Notwithstanding any other provision of this Note or any related document, the Lender agrees that it shall not unreasonably withhold its consent to any sale of the Property, or other conveyance or assignment of all or part of the Borrower's rights and obligations under this Note, for the purpose of providing affordable housing. Any such sale or conveyance may not be permitted if the resulting total aggregate amount of any liens against the Property would be more than the appraised value of the Property at or about the time of sale or other conveyance, it being the intention of the Lender and the Borrower to protect Lender's secured equity. Lender must approve appraiser.

11. Notices. All notices required or permitted hereunder shall be in writing and delivered personally or made by addressing the same to the party to whom directed at the following addresses by registered or certified mail, return receipt requested, or by hand delivery:

RIGHT OF FIRST REFUSAL AGREEMENT
(Woods at Yorktown NC)

RIGHT OF FIRST REFUSAL AGREEMENT (the "Agreement") dated as of [Closing Date] by and among **WOODS AT YORKTOWN NC, LLC**, a Virginia limited liability company (the "Owner" or the "Company"), **COMMUNITY HOUSING PARTNERS CORPORATION**, a Virginia nonprofit corporation (the "Grantee"), and is consented to by **CHP WOODS AT YORKTOWN NC, LLC**, a Virginia limited liability company (the "Managing Member"), **[INVESTOR ENTITY]**, a [[]] limited liability company (the "Investor Member") and [[]] **SPECIAL LIMITED PARTNER, L.L.C.**, a []] limited liability company (the "Special Member"). The Managing Member, the Investor Member and the Special Member are sometimes collectively referred to herein as the "Consenting Members". The Investor Member and Special Member are sometimes collectively referred to herein as the "Non-Managing Members". This Agreement shall be fully binding upon and inure to the benefit of the parties and their successors and assigns to the foregoing.

Recitals

A. The Owner, pursuant to its [Amended and Restated] Operating Agreement dated on or about the date hereof by and among the Consenting Members (the "Operating Agreement"), is engaged in the ownership and operation of an []-unit apartment project for families located in the County of York, Virginia and commonly known as "Woods at Yorktown NC" (the "Project"). The real property comprising the Project is legally defined on Exhibit A.

B. The Grantee is a member of the Managing Member of the Owner and is instrumental to the development and operation of the Project; and

C. The Owner desires to give, grant, bargain, sell and convey to the Grantees certain rights of first refusal to purchase the Project on the terms and conditions set forth herein;

D. Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Operating Agreement.

NOW, THEREFORE, in consideration of the foregoing, of the mutual promises of the parties hereto and of other good and valuable consideration, the receipt and sufficiency of which the parties hereto acknowledge, the parties hereby agree as follows:

Section 1. Right of First Refusal

The Owner hereby grants to the Grantee a right of first refusal (the "Refusal Right") to purchase the real estate, fixtures, and personal property comprising the Project or associated with the physical operation thereof and owned by the Company at the time (the "Property"), for the price and subject to the other terms and conditions set forth below. The Property will include any reserves of the Partnership that is required by the Virginia Housing Development Authority ("Virginia Housing" or the "Credit Authority") or any lender of a loan being assumed in connection with the exercise of the Refusal Right to remain with the Project.

Section 2. Exercise of Refusal Right; Purchase Price

A. After the end of the Compliance Period, the Company agrees that it will not sell the Property or any portion thereof to any Person without first offering the Property to the Grantee (the "Refusal Right"), for the Purchase Price (as defined in Section 3); *provided, however*, that such Refusal Right shall be conditioned upon the receipt by the Company of a "bona fide offer" (the acceptance or rejection of which shall not require the Consent of the Members). The Company shall give the notice of its receipt of such offer (the "Offer Notice") and shall deliver a copy of the Offer Notice to the Grantee. Upon receipt by the Grantee of the Offer Notice, the Grantee shall have 90 days to deliver to Company a written notice of its intent to exercise the Refusal Right (the "Election Notice"). An offer made with the purchase price and basic terms of the proposed sale from a third party shall constitute a "bona fide offer" for purposes of this Agreement. Such offer (i) may be solicited by the Grantee or the Managing Member (with such solicitation permitted to begin at any time following the end of the fourteenth (14th) year of the Compliance Period provided that the Election Notice may not be sent until the end of the Compliance Period) and (ii) may contain customary due diligence, financing, and other contingencies. Notwithstanding anything to the contrary herein, a sale of the Project pursuant to the Refusal Right shall not require the Consent of the Non-Managing Members [or of Virginia Housing].

B. If the Grantee fails to deliver the Election Notice within ninety (90) days of receipt of the Offer Notice, or if such Election Notice is delivered but the Grantee does not consummate the purchase of the Project within 270 days from the date of delivery of the Election Notice (each, individually, a "Terminating Event"), then its Refusal Right shall terminate and the Company shall be permitted to sell the Property free of the Refusal Right.

Section 3. Purchase Price; Closing

A. The purchase price for the Property pursuant to the Refusal Right (the "Purchase Price") shall equal the sum of (i) the principal amount of all outstanding indebtedness secured by the Project, and any accrued interest on any of such debts and (ii) all federal, State, and local taxes attributable to such sale, including those incurred or to be incurred by the partners or members of the Non-Managing Members. Notwithstanding the foregoing, however, the Purchase Price shall never be less than the amount of the "minimum purchase price" as defined in Section 42(i)(7)(B) of the Code. The Refusal Right granted hereunder is intended to satisfy the requirements of Section 42(i)(7) of the Code and shall be interpreted consistently therewith. In computing such price, it shall be assumed that each of the Non-Managing Members of the Owner (or their constituent partners or members) has an effective combined federal, state and local income tax rate equal to the maximum of such rates in effect on the date of Closing.

B. All costs of the Grantee's purchase of the Property pursuant to the Refusal Right, including any filing fees, shall be paid by Grantee.

C. The Purchase Price shall be paid at Closing in one of the following methods:

(i) the payment of all cash or immediately available funds at Closing,
or

(ii) the assumption of any assumable Loans if Grantee has obtained the consent of the lenders to the assumption of such Loans, which consent shall be secured at the sole cost and expense of Grantee; provided, however, that any Purchase Price balance remaining after the assumption of the Loans shall be paid by Grantee in immediately available funds.

Section 4. Conditions Precedent; Termination

A. Notwithstanding anything in this Agreement to the contrary, the right of the Grantee to exercise the Refusal Right and consummate any purchase pursuant thereto is contingent on each of the following being true and correct at the time of exercise of the Refusal Right and any purchase pursuant thereto:

(i) the Grantee or its assignee shall be a "qualified nonprofit organization" as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42(i)(7)(A) of the Code (collectively, each, a "Qualified Beneficiary"); and

(ii) the Project continues to be a "qualified low-income housing project" within the meaning of Section 42 of the Code.

B. This Agreement shall automatically terminate upon the occurrence of any of the following events and, if terminated, shall not be reinstated unless such reinstatement is agreed to in a writing signed by the Grantee and each of the Consenting Members:

(i) the transfer of the Property to a lender in total or partial satisfaction of any loan; or

(ii) any transfer or attempted transfer of all or any part of the Refusal Right by the Grantee, whether by operation of law or otherwise, except as otherwise permitted under Section 7 of this Agreement; or

(iii) the Project ceases to be a "qualified low-income housing project" within the meaning of Section 42 of the Code, or

(iv) the Grantee fails to deliver its Election Notice or consummate the purchase of the Property within the timeframes set forth in Section 2 above.

Section 5. Contract and Closing

Upon determination of the purchase price, the Owner and the Grantee shall enter into a written contract for the purchase and sale of the Property in accordance with the terms of this Agreement and containing such other terms and conditions as are standard and customary for similar commercial transactions in the geographic area which the Property is located, providing for a closing (the "Closing") to occur in the County of York, Virginia not later than the timeframes set forth in Section 2. In the absence of any such contract, this Agreement shall be specifically enforceable upon the exercise of the Refusal Right.

Section 6. Conveyance and Condition of the Property

The Owner's right, title and interest in the Property shall be conveyed by quitclaim deed, subject to such liens, encumbrances and parties in possession as shall exist as of the date of Closing. The Grantee shall accept the Property "**AS IS, WHERE IS**" and "**WITH ALL FAULTS AND DEFECTS**," latent or otherwise, without any warranty or representation as to the condition thereof whatsoever, including without limitation, without any warranty as to fitness for a particular purpose, habitability, or otherwise and no indemnity for hazardous waste or other conditions with respect to the Property will be provided. It is a condition to Closing that all amounts due to the Owner and the Investor Member from the Grantee or its Affiliates be paid in full. The Grantee shall pay all closing costs, including, without limitation, the Owner's attorney's fees. Upon closing, the Owner shall deliver to the Grantee, along with the deed to the property, an ALTA owner's title insurance policy dated as of the close of escrow in the amount of the purchase price, subject to the liens, encumbrances and other exceptions then affecting the title.

Section 7. Transfer

The Refusal Right shall not be transferred to any Person without the Consent of the Investor Member, except that the Grantee may assign all or any of its rights under this Agreement to an Affiliate of Grantee (a "Permitted Assignee") at the election and direction of the Grantee or to any assignee that shall be a "qualified nonprofit organization" as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42(i)(7)(A) of the Code (collectively, each, a "Qualified Beneficiary").

In the case of any transfer of the Refusal Right (i) all conditions and restrictions applicable to the exercise of the Refusal Right or the purchase of the Property pursuant thereto shall also apply to such transferee, and (ii) such transferee shall be disqualified from the exercise of any rights hereunder at all times during which Grantee would have been ineligible to exercise such rights hereunder had it not effected such transfer.

Section 8. Rights Subordinate; Priority of Requirements of Section 42 of the Code

This Agreement is subordinate in all respects to any regulatory agreements and to the terms and conditions of the Mortgage Loans encumbering the Property. In addition, it is the intention of the parties that nothing in this Agreement be construed to affect the Owner's status as owner of the Property for federal income tax purposes prior to exercise of the Refusal Right granted hereunder. Accordingly, notwithstanding anything to the contrary contained herein, both the grant and the exercise of the Refusal Right shall be subject in all respects to all applicable provisions of

Section 42 of the Code, including, in particular, Section 42(i)(7). In the event of a conflict between the provisions contained in this Agreement and Section 42 of the Code, the provisions of Section 42 shall control.

Section 9. Option to Purchase

A. The parties hereto agree that if the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant an "option to purchase" pursuant to Section 42(i)(7) of the Code as opposed to a "right of first refusal" without adversely affecting the status of such owner as owner of its project for federal income tax purposes, then the parties shall amend this Agreement and the Owner shall grant the Grantee an option to purchase the Property at the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42(i)(7).

B. If the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant a "right of first refusal to purchase partner interests" and/or "purchase option to purchase partner interests" pursuant to Section 42(i)(7) of the Code (or other applicable provision) as opposed to a "right of first refusal to purchase the Project" without adversely affecting the status of such owner as owner of its project for federal income tax purposes (or the status of the Investor Member as a partner of the Company for federal income tax purposes) then the parties shall amend this Agreement and the Investor Members shall provide a right of first refusal and/or purchase option, as the case may be, to acquire their Interests for the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42(i)(7).

Section 10. Notice

Except as otherwise specifically provided herein, all notices, demands or other communications hereunder shall be in writing and shall be deemed to have been given and received (i) two (2) business days after being deposited in the United States mail and sent by certified or registered mail, postage prepaid, (ii) one (1) business day after being delivered to a nationally recognized overnight delivery service, (iii) on the day sent by telecopier or other facsimile transmission, answer back requested, or (iv) on the day delivered personally, in each case, to the parties at the addresses set forth below or at such other addresses as such parties may designate by notice to the other party:

(i) If to the Owner, at the principal office of the Company set forth in Article II of the Operating Agreement;

(ii) If to a Consenting Member, at their respective addresses set forth in Schedule A of the Operating Agreement;

(iii) If to the Grantee, Community Housing Partners Corporation, 448 Depot Street NE, Christiansburg, Virginia 24073, Attention: Jeffrey K. Reed; and

Section 11. Severability of Provisions

Each provision of this Agreement shall be considered severable, and if for any reason any provision that is not essential to the effectuation of the basic purposes of the Agreement is

determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement that are valid.

Section 12. Binding Provisions

The covenants and agreements contained herein shall be binding upon, and inure to the benefit of, the heirs, legal representatives, successors and assignees of the respective parties hereto, except in each case as expressly provided to the contrary in this Agreement.

Section 13. Counterparts

This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the original or the same counterpart.

Section 14. Governing Law

This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia without regard to principles of conflicts of law. Notwithstanding the foregoing, Company, Investor Member and Grantee do not intend the Refusal Right in this Agreement to be a common law right of first refusal but rather intend it to be understood and interpreted as a mechanism authorized by Section 42 of the Code to allow non-profit entities to preserve affordable housing for low-income families in accordance with Grantee's charitable objectives.

Section 15. Headings

All headings in this Agreement are for convenience of reference only. Masculine, feminine, or neuter gender, shall include all other genders, the singular shall include the plural, and vice versa as the context may require.

Section 16. Amendments

This Agreement shall not be amended except by written agreement between Grantee and the Owner with the consent of each of the Consenting Members [and Virginia Housing].

Section 17. Time

Time is of the essence with respect to this Agreement, and all provisions relating thereto shall be so construed.

Section 18. Legal Fees

Except as otherwise provided herein, in the event that legal proceedings are commenced by the Owner against the Grantee or by the Grantee against the Owner in connection with this Agreement or the transactions contemplated hereby, the prevailing party shall be entitled to recover all reasonable attorney's fees and expenses.

Section 19. Subordination

This Agreement is and shall remain automatically subject and subordinate to any bona fide mortgage to (or assigned to) an institutional or governmental lender with respect to the Project and, in the event of a foreclosure of any such mortgage, or of the giving of a deed in lieu of foreclosure to any such mortgagee, this Agreement shall become void and shall be of no further force or effect.

Section 20. Rule Against Perpetuities Savings Clause

The term of this Agreement will be ninety years commencing on the date first written above unless sooner terminated pursuant to the provisions hereof. If any provision of this Agreement is construed as violating and applicable "Rule Against Perpetuities" by statute or common law, such provision will be deemed to remain in effect only until the death of the last survivor of the now living descendants of any member of the 116th Congress of the United States, plus twenty-one (21) years thereafter. This Agreement and the Refusal Right herein granted are covenants running with the land and the terms and provisions hereof will be binding upon, inure to the benefits of and be enforceable by the parties hereto and their respective successors and assigns.

Section 21. Third Party Beneficiary; Virginia Housing Rights and Powers

The Virginia Housing Development Authority ("Virginia Housing") shall be a third party beneficiary to this Agreement, and the benefits of all of the covenants and restrictions hereof shall inure to the benefit of Virginia Housing, including the right, in addition to all other remedies provided by law or in equity, to apply to any court of competent jurisdiction within the Commonwealth of Virginia to enforce specific performance by the parties or to obtain an injunction against any violations hereof, or to obtain such other relief as may be appropriate. The Authority and its agents shall have those rights and powers with respect to the Project as set forth in the Act and the Virginia Housing Rules and Regulations promulgated thereunder, including without limitation, those rights and powers set forth in Chapter 1.2 of Title 365 of the Code of Virginia (1950), as amended, and 13VAC10-180-10 et seq., as amended.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

Section 1. Purchase Option

The Owner hereby grants to the Grantee an option (the "Purchase Option") to purchase the real estate, fixtures, and personal property comprising the Project or associated with the physical operation thereof and owned by the Company at the time (the "Property"), for a period of sixty (60) months following the expiration of the Compliance Period, for the price and subject to the other terms and conditions set forth below. Internet Security Plan for Community Room Wi-Fi

We will provide the following reasonable security measures to protect the Wi-Fi network:

1. Basic firewall service will be implemented, which blocks all internet traffic that doesn't originate from the Wi-Fi network. Each user's traffic will be segregated to prevent malicious attacks that originate from inside the network.
2. Content filtering will be implemented to prevent users from accessing websites that contain objectionable or malicious content. Content filtering will be implemented at the DNS layer.
3. Each approved user will be granted a voucher with an access code to connect to the Wi-Fi network securely for a limited amount of time. Vouchers will expire on a regular basis. This will prevent unauthorized access to the Wi-Fi network, while also creating a rotating authentication method for the Wi-Fi network.
4. All users will be required to agree to the Acceptable Use Policy as a condition for connecting to the Wi-Fi network.

BASIC TIPS AND ADVICE

KEEP A CLEAN MACHINE

- **KEEP SECURITY SOFTWARE CURRENT:** Having the latest security software, web browser and operating system is the best defense against viruses, malware and other online threats.
- **AUTOMATE SOFTWARE UPDATES:** Many software programs will automatically connect and update to defend against known risks. Turn on automatic updates if that's an available option.
- **PROTECT ALL DEVICES THAT CONNECT TO THE INTERNET:** Along with computers, smartphones, gaming systems and other web-enabled devices also need protection from viruses and malware.
- **PLUG & SCAN:** USBs and other external devices can be infected by viruses and malware. Use your security software to scan them.

PROTECT YOUR PERSONAL INFORMATION

- **LOCK DOWN YOUR LOGIN:** Fortify your online accounts by enabling the strongest authentication tools available, such as biometrics, security keys or a unique one-time code through an app on your mobile device. Your usernames and passwords are not enough to protect key accounts like email, banking and social media.
- **MAKE YOUR PASSWORD A SENTENCE:** A strong password is a sentence that is at least 12 characters long. Focus on positive sentences or phrases that you like to think about and are easy to remember (for example, "I love country music."). On many sites, you can even use spaces!
- **UNIQUE ACCOUNT, UNIQUE PASSWORD:** Separate passwords for every account helps to thwart cybercriminals.
- **WRITE IT DOWN AND KEEP IT SAFE:** Having separate passwords for every account helps to thwart cybercriminals. At a minimum, separate your work and personal accounts and make sure that your critical accounts have the strongest passwords.

CONNECT WITH CARE

- **WHEN IN DOUBT THROW IT OUT:** Links in emails, social media posts and online advertising are often how cybercriminals try to steal your personal information. Even if you know the source, if something looks suspicious, delete it.
- **GET SAVVY ABOUT WI-FI HOTSPOTS:** Limit the type of business you conduct and adjust the security settings on your device to limit who can access your machine.
- **PROTECT YOUR \$\$:** When banking and shopping, check to be sure the site is security enabled. Look for web addresses with "https://" or "shttp://," which means the site takes extra measures to help secure your information. "Http://" is not secure.

BE A GOOD ONLINE CITIZEN

- **SAFER FOR ME, MORE SECURE FOR ALL:** What you do online has the potential to affect everyone – at home, at work and around the world. Practicing good online habits benefits the global digital community.
- **POST ONLINE ABOUT OTHERS AS YOU HAVE THEM POST ABOUT YOU:** The Golden Rule applies online as well.

ONLINE CYBERSECURITY ADVICE

for all digital citizens

The internet is a shared resource, and securing it is
Our Shared Global Responsibility.

LOCK DOWN YOUR LOGIN

Your usernames and passwords are not enough to protect key accounts like email, banking and social media. Strengthen online accounts and use strong authentication tools – like biometrics, security keys or a unique, one-time code through an app on your mobile device – whenever offered.

KEEP A CLEAN MACHINE

Keep all software on internet-connected devices – including personal computers, smartphones and tablets – current to reduce risk of infection from ransomware and malware.

WHEN IN DOUBT, THROW IT OUT

Links in email, tweets, posts and online advertising are often how cybercriminals try to compromise your information. If it looks suspicious, even if you know the source, it's best to delete or, if appropriate, mark it as junk.

BACK IT UP

Protect your valuable work, music, photos and other digital information by making an electronic copy and storing it safely. If you have a copy of your data and your device falls victim to ransomware or other cyber threats, you will be able to restore the data from a backup.

OWN YOUR ONLINE PRESENCE

Set the privacy and security settings on websites to your comfort level for information sharing. It is OK to limit how and with whom you share information.

SHARE WITH CARE

Think before posting about yourself and others online. Consider what a post reveals, who might see it and how it might affect you or others.

PERSONAL INFORMATION IS LIKE MONEY. VALUE IT. PROTECT IT.

Information about you, such as purchase history or location, has value – just like money. Be thoughtful about who gets that information and how it is collected by apps, websites and all connected devices.

ONLINE SAFETY TIPS FOR OLDER ADULTS

Going online lets you keep learning, connect with friends and family and play games. Just as you fasten your seat belt before driving, take precautions before using the Internet to be sure you are safe and secure. The first step is to STOP. THINK. CONNECT.: take safety measures, think about the consequences of your actions and connect knowing you have taken steps to safeguard yourself when online.

STOP. THINK. CONNECT., in partnership with Cyber-Seniors, wants to make sure everyone has a safe and enjoyable experience while online. We have a few tips that will help as you learn how to use new technology.

PERSONAL INFORMATION IS LIKE MONEY. VALUE IT. PROTECT IT.

- **Lock your devices, like you tablet and phone:** You lock the front door to your house, and you should do the same with your devices. Use strong passwords to lock your tablet and phone. Securing your devices keeps prying eyes out and can help protect your information in case your devices are lost or stolen.
- **Think before you act:** Ignore emails or communications that create a sense of urgency and require you to respond to a crisis, such as a problem with your bank account or taxes. This type of message is likely a scam.
- **When in doubt, throw it out:** Clicking on links in emails is often how bad guys get access to personal information. If an email looks weird, even if you know the person who sent it, it's best to delete.
- **Make passwords strong:** A strong password is a sentence that is at least 12 characters long. Focus on positive sentences or phrases that you like to think about and are easy to remember (for example, "I love country music."). On many sites, you can even use spaces!

ONLINE GAMING TIPS FOR KIDS, TEENS AND TWEENS

Online gaming is fun and interactive. You can play with friends or with people across the globe. Make sure you know how to protect yourself and your personal information while playing online. Following these simple guidelines can prevent problems later.

The first step is STOP. THINK. CONNECT.

It's your game. Take control.

- If another player is making you feel uncomfortable, tell a trusted adult. Remember that you can always kick a player out of the game if they are making you uncomfortable.
- Learn how to block and/or report another player if they are making you uncomfortable. Keep a record of what the other player said, but do not engage them.
- Playing with people you don't know or who aren't your good friends? Time to use a disguise.
 - Use a safe Game Name: something cool like SecretNinja99 or LeTigreVerde
 - Use an avatar instead of the webcam. Sure, the webcam is cool, but strangers don't need to know what you look like. Embrace an air of mystery.
 - Use the voice altering features if you have them. Otherwise, avoid voice chat to protect your anonymity.

Keep a Clean Machine.

Talk to your parents or guardians about how they can make sure your computer is protected against computer viruses, spyware and other bugs.

- Keep security software current: Having the latest security software, web browser, and operating system are the best defenses against viruses, malware, and other online threats.
- Protect all devices that connect to the Internet: Computers, smart phones, gaming systems, and other webenabled devices all need protection from viruses and malware.

Protect Your Personal Information.

Personal information is any information that can be used to identify you or your accounts. Examples include your name, address, phone number, user names and passwords, pictures, birthday and social security number.

- Secure your accounts: Ask for protection beyond passwords. Many account providers now offer additional ways for you verify who you are before you conduct business on that site.
- Make passwords long and strong: Combine capital and lowercase letters with numbers and symbols to create a more secure password. (Remember, passwords are the keys to your accounts. The only people who need to know them are YOU and your parents. Not your brother, sister, best friend, or teacher – just you.)
- Own your online presence: When available, set the privacy and security settings on websites to your comfort level for information sharing. It's ok to limit how and with whom you share information.

ONLINE GAMING TIPS FOR KIDS, TEENS AND TWEENS

Be Web Wise.

Stay informed of the latest Internet developments, know what to do if something goes wrong and be open with your parents about what you are doing online.

- Stay current. Keep pace with new ways to stay safe online. Check trusted websites for the latest information, share with friends and family, and encourage them to be web wise.
- Think before you act: Be wary of communications that implores you to act immediately, offers something that sounds too good to be true, or asks for personal information. Do not accept downloads from strangers. This includes cheat programs that may claim to help you perform better in the game, but really could be carrying malware.

Be a Good Online Citizen.

It is easy to say things from behind a computer screen that you would never say face to face. Maintain the same level of courtesy online that you would in the real world.

- Safer for me more secure for all: What you do online has the potential to affect everyone – at home and around the world. Practicing good online habits benefits the global digital community.

STOP. Before you use the Internet, take time to understand the risks and learn how to spot potential problems.

THINK. Take a moment to be certain the path is clear ahead. Watch for warning signs and consider how your actions online could impact your safety, or your family's.

CONNECT. Enjoy the Internet with greater confidence, knowing you've taken the right steps to safeguard yourself and your computer.

- **What you post will last forever:** Be aware that when you post a picture or message online, you may also be inadvertently sharing personal details with strangers about yourself and family members – like where you live.
- **Post only about others as you would like to have them post about you:** The golden rule applies online as well.
- **Own your online presense:** It's OK to limit who can see your information and what you share. Learn about and use privacy and security settings on your favorite websites.

Privacy Tips for Teens

You learn, connect with friends and play games online. Just as you look both ways before crossing the street (which we hope you do), be sure you are using the Internet safely and securely. The first step is to STOP.THINK.CONNECT.: take safety measures, think about the consequences of your actions and connect knowing you are protecting yourself from an unhappy surprise.

Share With Care

- **What you post can last a lifetime:** Before posting online, think about what others might learn about you and who might see it in the future – teachers, parents, colleges and potential employers. Share the best of yourself online.
- **Be aware of what's being shared:** Be aware that when you post a picture or video online, you may also be sharing information about others or personal details about yourself like where you live, go to school or hang out.
- **Post only about others as you would like to have them post about you:** The golden rule applies online as well. Ask permission before you tag a friend in a photo.
- **Own your online presence:** It's OK to limit who can see your information and what you share. Learn about and use privacy and security settings on your favorite online games, apps and platforms.

Personal Information Is Like Money. Value It. Protect It.

- **Know what's being collected, who is collecting it and how it will be used:** Information about you, such as the games you like to play, what you search for online and where you shop and live, has value – just like money. Be thoughtful about who gets that information and how it's collected through apps and websites. Only use a product or service if the company is open and clearly states how it will use your personal information. If you're not sure what a business will do with your information, ask your parents. Think twice if an app wants permission to use personal information (like your location) it doesn't need before you say "OK."

- **Secure your devices:** Use strong passwords or passcodes or touch ID features to lock your devices. Securing your device can help protect your information if your device is lost or stolen and keep prying eyes out.
- **Get savvy about WiFi hotspots:** Public wireless networks and hotspots are not secure – this means the possibility exists that anyone can see what you are doing on your laptop or smartphone while you are connected to it. Think about what you are doing and if you would want another person to see it. If you use public WiFi a lot, think about using a virtual private network (VPN) that provides a more secure WiFi connection.
- **Now you see me, now you don't:** Some stores and other locations look for devices with WiFi or Bluetooth turned on to track your movements while you are within range. Turn off WiFi and Bluetooth when not in use, and limit your use of free public wireless networks, which stores and locations can use to track what you do online.
- **When in doubt, throw it out:** Links in email, tweets, posts, and online advertising are often the way bad guys get access to your personal information. If it looks weird, even if you know the source, it's best to delete.

Marketing Plan for units meeting accessibility
requirements of HUD section 504

Tab X Marketing Plan Woods at Yorktown NC

Owner's Intent

Woods at Yorktown NC, LLC plans to construct Woods at Yorktown NC, a 60-unit affordable multi-family housing development located in Yorktown, VA. Community Housing Partners Corporation (CHP), as the developer, plans to construct six (6) units to serve persons with physical disabilities. The construction of six handicapped accessible units will qualify this development for accessibility points by providing the greater of five (5) units or 10% of the project units which conform to HUD regulations interpreting the accessibility requirements of Section 504 of the Rehabilitation Act. Two (2) of the six handicapped accessible units will also be equipped specifically with hearing and sight accessibility features.

The accessible units will be set aside and marketed to persons with disabilities for a minimum period of sixty (60) days. During this sixty (60) day time period, ongoing marketing efforts to qualified tenants will be documented. If a qualified tenant is not identified within the timeframe, evidence of marketing will be submitted to VH's Program Compliance Office and a request for approval will be made to rent the unleased units to any income qualified households.

CHP may alternatively work with the VH's Compliance Officer to demonstrate marketing to the target population is occurring on an ongoing basis throughout the year, meaning the management agent will be making contact with at least 2 of the below referenced resources monthly, thus allowing CHP to fill any vacant 504 units with any income qualified tenant without the unit remaining vacant for sixty (60) days.

In either case, the lease of any qualified non-handicapped tenant located in an accessible unit will contain a provision stipulating the non-handicapped household must move to the next available vacant unit if a household including a person with a disability applies and qualifies for the 504 unit.

Implementation of Owner's Intent

CHP, as the management agent, will rent accessible units only to qualified households, unless a qualified tenant cannot be found during the sixty (60) day marketing effort, or after ongoing marketing efforts as described above. Focused marketing efforts will occur, in addition to normal routine marketing strategies, to ensure qualified individuals are aware of the availability of accessible units.
