Credit Points for 9% Credits:

If the Combined Max Allowable Credits is \$500,000 and the annual credit requested is \$200,000, you are providing a 60% savings for the program. This deal would receive all 200 credit points.

For another example, the annual credit requested is \$300,000 or a 40% savings for the program. Using a sliding scale, the credit points would be calculated by the difference between your savings and the desired 60% savings. Your savings divided by the goal of 60% times the max points of 200. In this example, $(40\%/60\%) \times 200$ or 133.33 points.

Tax Exempt Deals are granted a starting point value greater than zero to allow for the nature of these deals.

If the Applicable Cost by Square foot is \$238 and the deal's Proposed Cost by Square Foot was \$119, you are saving 50% of the applicable cost. This deal would receive all 100 cost points.

For another example, the Applicable Cost by SqFt is \$238 and the deal's Proposed Cost is \$153.04 or a savings of 35.70%. Using a sliding scale, your points would be calculated by the difference between your savings and the desired 50% savings. Your savings divided by the goal of 50% times the max points 100. In this example, $(35.7\%/50\%) \times 100$ or 71.40 points.

Appendix F

RESNET Rater Certification of Development Plans

I certify that the development's plans and specifications incorporate all items for the required baseline energy performance as indicated in Virginia's Qualified Allocation Plan (QAP).

In the event the plans and specifications do not include requirements to meet the QAP baseline energy performance, then those requirements still must be met, even though the application is accepted for credits.

***Please note that this may cause the Application to be ineligible for credits. The Requirements apply to any new, adaptive reuse or rehabilitated development (including those serving elderly and/or physically disabled households).

In addition provide HERS rating documentation as specified in the manual

☒ **New Construction - EnergyStar Certification**
The development's design meets the criteria for the EnergyStar certification.
Rater understands that before issuance of IRS Form 8609, applicant will obtain and provide EnergyStar Certification to Virginia Housing.

☐ **Rehabilitation -30% performance increase over existing, based on HERS Index**
Or Must evidence a HERS Index of 80 or better
Rater understands that before issuance of IRS Form 8609, rater must provide Certification to Virginia Housing of energy performance.

☐ **Adaptive Reuse - Must evidence a HERS Index of 95 or better.**
Rater understands that before issuance of IRS Form 8609, rater must provide Certification to Virginia Housing of energy performance.

Additional Optional Certifications

I certify that the development's plans and specifications incorporate all items for the certification as indicated below, and I am a certified verifier of said certification. In the event the plans and specifications do not include requirements to obtain the certification, then those requirements still must be met, even though the application is accepted for credits. Rater understands that before issuance of IRS Form 8609, applicant will obtain and provide Certification to Virginia Housing.

☐ **FALSE Earthcraft Certification** - The development's design meets the criteria to obtain EarthCraft Multifamily program Gold certification or higher

☐ **FALSE LEED Certification** - The development's design meets the criteria for the U.S. Green Building Council LEED green building certification.

☐ **FALSE National Green Building Standard (NGBS)** - The development's design meets the criteria for meeting the NGBS Silver or higher standards to obtain certification

☐ **TRUE Enterprise Green Communities** - The developmen's design meets the criteria for meeting meeting the requirements as stated in the Enterprise Green Communities Criteria for this developments construction type to obtain certification.

*****Please Note Raters must have completed 500+ ratings in order to certify this form**

About this certificate

The certificate provides a summary of the major energy efficiency and other construction features that contribute to this home or apartment earning the ENERGY STAR, as determined through independent inspection and verification performed by a trained professional. The Energy Rating Index or HERS index for this home, if reported, is calculated in accordance with ANSI/RESNET/ICC Standard 301, with any exceptions

approved by EPA. Because the version of Standard 301 used to calculate this index may not align with the version referenced by code, this value is not intended to be used to demonstrate compliance with code. Note that when a home or apartment contains multiple performance levels for a particular feature (e.g., window efficiency or insulation levels), the predominant value is shown. Also, homes and apartments may be certified

to earn the ENERGY STAR using a sampling protocol, whereby one home or apartment is randomly selected from a set for representative inspections and testing. In such cases, the features found in each home or apartment within the set are intended to meet or exceed the values presented on this certificate. The actual values for your home or apartment may differ, but offer equivalent or better performance.

About this certificate

The certificate provides a summary of the major energy efficiency and other construction features that contribute to this home or apartment earning the ENERGY STAR, as determined through independent inspection and verification performed by a trained professional. The Energy Rating Index or HERS index for this home, if reported, is calculated in accordance with ANSI/RESNET/ICC Standard 301, with any exceptions

approved by EPA. Because the version of Standard 301 used to calculate this index may not align with the version referenced by code, this value is not intended to be used to demonstrate compliance with code. Note that when a home or apartment contains multiple performance levels for a particular feature (e.g., window efficiency or insulation levels), the predominant value is shown. Also, homes and apartments may be certified

to earn the ENERGY STAR using a sampling protocol, whereby one home or apartment is randomly selected from a set for representative inspections and testing. In such cases, the features found in each home or apartment within the set are intended to meet or exceed the values presented on this certificate. The actual values for your home or apartment may differ, but offer equivalent or better performance.

Attorney's Opinion (MANDATORY)

Klein Hornig LLP
COUNSELORS AT LAW

March 14, 2024

To Virginia Housing
601 South Belvidere Street
Richmond, Virginia 23220

RE: 2024 Tax Credit Reservation Request (competitive 70% present value credits)
Name of Development: 501-A Cherry Avenue
Name of Owner: 501-A Cherry, LLC

Dear Virginia Housing:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package dated March 14, 2024 (of which this opinion is a part) (the “Application”) submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low-income housing tax credits (“Credits”) available under Section 42 of the Internal Revenue Code of 1986, as amended (the “Code”). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the “Regulations”).

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Hard Costs and Owners Costs section of the Application form, complies with all applicable requirements of the Code and Regulations.
2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.
3. The appropriate type(s) of allocation(s) have been requested in the Reservation Request Information section in the Application form.
4. The information set forth in the Unit Details section of the Application form as to proposed rents exceeds the Code rent restrictions; however, the Development will satisfy all applicable

requirements of the Code and Regulations due to subsidies such that no tenant will pay rents in excess of what is dictated by the Code and Regulations.

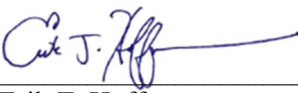

5. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application, for a period of not less than four (4) months beyond the application deadline.
6. The type of the nonprofit organization involved in the Development is an organization described in Code Section 501(c)(3) or 501(c)(4) and exempt from taxation under Code Section 501(a), whose purposes include the fostering of low-income housing.
7. The nonprofit organizations' ownership interest in the development is as described in the Nonprofit Involvement section of the Application form.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon compliance by the Owner with the requirements of Code Section 42(h)(1)(E), the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("Virginia Housing") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by Virginia Housing and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

Dear Virginia Housing:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package dated March 14, 2024 (of which this opinion is a part) (the "Application") submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low-income housing tax credits ("Credits") available under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the "Regulations").

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Hard Costs and Owners Costs section of the Application form, complies with all applicable requirements of the Code and Regulations.

~~2.[Select One]~~

2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.

OR

~~Assuming that you designate the buildings in the Development as being in a difficult development area pursuant to Code Section 42(d)(5)(B)(v), the calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.~~

3. The appropriate type(s) of allocation(s) have been requested in the Reservation Request Information section in the Application form.

~~4.[Select One]~~

~~The information set forth in the Unit Details section of the Application form as to proposed rents satisfies all applicable requirements of the Code and Regulations.~~

OR

4. The information set forth in the Unit Details section of the Application form as to proposed rents exceeds the Code rent restrictions; however, the Development will satisfy all applicable

Virginia Housing March 14, 2024 Page 2

requirements of the Code and Regulations due to subsidies such that no tenant will pay rents in excess of what is dictated by the Code and Regulations.

5. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application, for a period of not less than four (4) months beyond the application deadline.

6. ~~[Delete if inapplicable]~~ The type of the nonprofit organization involved in the Development is an organization described in Code Section 501(c)(3) or 501(c)(4) and exempt from taxation under Code Section 501(a), whose purposes include the fostering of low-income housing.

7. ~~[Delete if inapplicable]~~ The nonprofit organizations' ownership interest in the development is as described in the Nonprofit Involvement section of the Application form.

~~8. [Delete if inapplicable] It is more likely than not that the representations made under the Rehab Information section of the Application form as to the Development's compliance with or exception to the Code's minimum expenditure requirements for rehabilitation projects are correct.~~

~~9. [Delete if inapplicable] After reasonable investigation, the undersigned has no reason to believe that the representations made under the Rehab Information (Ten-Year Rule) section of the Application form as to the Development's compliance with or eligibility for exception to the ten-year "look back rule" requirement of Code 42(d)(2)(B) are not correct.~~

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon compliance by the Owner with the requirements of Code Section 42(h)(1)(E), the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("Virginia Housing") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by Virginia Housing and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

RIGHT OF FIRST REFUSAL **AGREEMENT**

~~([Project name])~~ **501-A Cherry Avenue**
Apartments)

RIGHT OF FIRST REFUSAL AGREEMENT (the "Agreement") dated as of ~~[Closing Date]~~ **March 13, 2024** by and among ~~[OWNER ENTITY]~~ **501-A Cherry, LLC**, a Virginia limited liability company (the "Owner" or the "Company"),

~~[_____]~~ **Piedmont Housing Alliance**, a Virginia non-stock nonprofit corporation (the "Grantee"), and is consented to by ~~[MANAGING MEMBER ENTITY]~~ **501-A Cherry MM, LLC**, a Virginia limited liability company (the "Managing Member"), **[INVESTOR ENTITY]**, a [_____] limited liability company (the "Investor Member") and [_____] **SPECIAL LIMITED PARTNER, L.L.C.**, a [____] limited liability company (the "Special Member"). The Managing Member, the Investor Member and the Special Member are sometimes collectively referred to herein as the "Consenting Members". The Investor Member and Special Member are sometimes collectively referred to herein as the "Non-Managing Members". This Agreement shall be fully binding upon and inure to the benefit of the parties and their successors and assigns to the foregoing.

Recitals

- A. The Owner, pursuant to its ~~[Amended and Restated]~~ Operating Agreement dated on or about the date hereof by and among the Consenting Members (the "Operating Agreement"), is engaged in the ownership and operation of ~~an [_____] a forty~~-unit apartment project for families located in ~~[_____] Charlottesville~~, Virginia and commonly known as "~~[Project name]~~ **501-A Cherry Avenue** Apartments" (the "Project"). The real property comprising the Project is legally defined on **Exhibit A**.
- B. The Grantee is a member of the Managing Member of the Owner and is instrumental to the development and operation of the Project; and
- C. The Owner desires to give, grant, bargain, sell and convey to the Grantees certain rights of first refusal to purchase the Project on the terms and conditions set forth herein;

D. Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Operating Agreement.

NOW, THEREFORE, in consideration of the foregoing, of the mutual promises of the parties hereto and of other good and valuable consideration, the receipt and sufficiency of which the parties hereto acknowledge, the parties hereby agree as follows:

Section 1. Right of First Refusal

The Owner hereby grants to the Grantee a right of first refusal (the “Refusal Right”) to purchase the real estate, fixtures, and personal property comprising the Project or associated with the physical operation thereof and owned by the Company at the time (the “Property”), for the price and subject to the other terms and conditions set forth below. The Property will include any reserves of the Partnership that is required by Virginia Housing Development Authority (“Virginia Housing” or the “Credit Authority”) or any lender of a loan being assumed in connection with the exercise of the Refusal Right to remain with the Project.

Section 2. Exercise of Refusal Right; Purchase Price

- A. After the end of the Compliance Period, the Company agrees that it will not sell the Property or any portion thereof to any Person without first offering the Property to the Grantee (the “Refusal Right”), for the Purchase Price (as defined in Section 3); *provided, however*, that such Refusal Right shall be conditioned upon the receipt by the Company of a “bona fide offer” (the acceptance or rejection of which shall not require the Consent of the Members). The Company shall give the notice of its receipt of such offer (the “Offer Notice”) and shall deliver a copy of the Offer Notice to the Grantee. Upon receipt by the Grantee of the Offer Notice, the Grantee shall have 90 days to deliver to Company a written notice of its intent to exercise the Refusal Right (the “Election Notice”). An offer made with the purchase price and basic terms of the proposed sale from a third party shall constitute a “bona fide offer” for purposes of this Agreement. Such offer (i) may be solicited by the Grantee or the Managing Member (with such solicitation permitted to begin at any time following the end of the fourteenth (14th) year of the Compliance Period provided that the Election Notice may not be sent until the end of the Compliance Period) and (ii) may contain customary due diligence, financing, and other contingencies. Notwithstanding anything to the contrary herein, a sale of the Project pursuant to the Refusal Right shall not require the Consent of the Non- Managing Members ~~for~~ of Virginia Housing.
- B. If the Grantee fails to deliver the Election Notice within ninety (90) days of receipt of the Offer Notice, or if such Election Notice is delivered but the Grantee does not consummate the purchase of the Project within 270 days from the date of delivery of the Election Notice (each, individually, a “Terminating Event”), then its Refusal Right shall terminate and the

Company shall be permitted to sell the Property free of the Refusal Right.

Section 3. Purchase Price; Closing

- A. The purchase price for the Property pursuant to the Refusal Right (the “Purchase Price”) shall equal the sum of (i) the principal amount of all outstanding indebtedness secured by the Project, and any accrued interest on any of such debts and (ii) all federal, State, and local taxes attributable to such sale, including those incurred or to be incurred by the partners or members of the Non-Managing Members. Notwithstanding the foregoing, however, the Purchase Price shall never be less than the amount of the “minimum purchase price” as defined in Section 42(i)(7)(B) of the Code. The Refusal Right granted hereunder is intended to satisfy the requirements of Section 42(i)(7) of the Code and shall be interpreted consistently therewith. In computing such price, it shall be assumed that each of the Non-Managing Members of the Owner (or their constituent partners or members) has an effective combined federal, state and local income tax rate equal to the maximum of such rates in effect on the date of Closing.
- B. All costs of the Grantee’s purchase of the Property pursuant to the Refusal Right, including any filing fees, shall be paid by Grantee.
- C. The Purchase Price shall be paid at Closing in one of the following methods:
- (i) the payment of all cash or immediately available funds at Closing, or
 - (ii) the assumption of any assumable Loans if Grantee has obtained the consent of the lenders to the assumption of such Loans, which consent shall be secured at the sole cost and expense of Grantee; provided, however, that any Purchase Price balance remaining after the assumption of the Loans shall be paid by Grantee in immediately available funds.

Section 4. Conditions Precedent; Termination

- A. Notwithstanding anything in this Agreement to the contrary, the right of the Grantee to exercise the Refusal Right and consummate any purchase pursuant thereto is contingent on each of the following being true and correct at the time of exercise of the Refusal Right and any purchase pursuant thereto:
- (i) the Grantee or its assignee shall be a “qualified nonprofit organization” as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42(i)(7)(A) of the Code (collectively, each, a “Qualified Beneficiary”); and
 - (ii) the Project continues to be a “qualified low-income housing project” within the meaning of Section 42 of the Code.
- B. This Agreement shall automatically terminate upon the occurrence of any of the following events and, if terminated, shall not be reinstated unless such

reinstatement is agreed to in a writing signed by the Grantee and each of the Consenting Members:

- (i) the transfer of the Property to a lender in total or partial satisfaction of any loan; or
- (ii) any transfer or attempted transfer of all or any part of the Refusal Right by the Grantee, whether by operation of law or otherwise, except as otherwise permitted under Section 7 of this Agreement; or
- (iii) the Project ceases to be a "qualified low-income housing project" within the meaning of Section 42 of the Code; or
- (iv) the Grantee fails to deliver its Election Notice or consummate the purchase of the Property within the timeframes set forth in Section 2 above.

C. If the Investor Member removes the Managing Member from the Company for failure to cure a default under the Operating Agreement, the Investor Member may elect to release this Agreement as a lien against the Project upon first obtaining the prior written consent of Virginia Housing, which consent may be granted or withheld in Virginia Housing's sole discretion.

Section 5. Contract and Closing

Upon determination of the purchase price, the Owner and the Grantee shall enter into a written contract for the purchase and sale of the Property in accordance with the terms of this Agreement and containing such other terms and conditions as are standard and customary for similar commercial transactions in the geographic area which the Property is located, providing for a closing (the "Closing") to occur in the ~~[-]~~ City of Charlottesville, Virginia not later than the timeframes set forth in Section 2. In the absence of any such contract, this Agreement shall be specifically enforceable upon the exercise of the Refusal Right.

Section 6. Conveyance and Condition of the Property

The Owner's right, title and interest in the Property shall be conveyed by quitclaim deed, subject to such liens, encumbrances and parties in possession as shall exist as of the date of Closing. The Grantee shall accept the Property "**AS IS, WHERE IS**" and "**WITH ALL FAULTS AND DEFECTS**," latent or otherwise, without any warranty or representation as to the condition thereof whatsoever, including without limitation, without any warranty as to fitness for a particular purpose, habitability, or otherwise and no indemnity for hazardous waste or other conditions with respect to the Property will be provided. It is a condition to Closing that all amounts due to the Owner and the Investor Member from the Grantee or its Affiliates be paid in full. The Grantee shall pay all closing costs, including, without limitation, the Owner's attorney's fees. Upon closing, the Owner shall deliver to the Grantee, along with the deed to the property, an ALTA owner's title insurance policy dated as of the close of escrow in the amount of the

purchase price, subject to the liens, encumbrances and other exceptions then affecting the title.

Section 7. Transfer

The Refusal Right shall not be transferred to any Person without the Consent of the Investor Member, except that the Grantee may assign all or any of its rights under this Agreement to an Affiliate of Grantee (a “Permitted Assignee”) at the election and direction of the Grantee or to any assignee that shall be a “qualified nonprofit organization” as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42(i)(7)(A) of the Code (collectively, each, a “Qualified Beneficiary”).

In the case of any transfer of the Refusal Right (i) all conditions and restrictions applicable to the exercise of the Refusal Right or the purchase of the Property pursuant thereto shall also apply to such transferee, and (ii) such transferee shall be disqualified from the exercise of any rights hereunder at all times during which Grantee would have been ineligible to exercise such rights hereunder had it not effected such transfer.

Section 8. Rights Subordinate; Priority of Requirements of Section 42 of the Code

This Agreement is subordinate in all respects to any regulatory agreements and to the terms and conditions of the Mortgage Loans encumbering the Property. In addition, it is the intention of the parties that nothing in this Agreement be construed to affect the Owner’s status as owner of the Property for federal income tax purposes prior to exercise of the Refusal Right granted hereunder. Accordingly, notwithstanding anything to the contrary contained herein, both the grant and the exercise of the Refusal Right shall be subject in all respects to all applicable provisions of Section 42 of the Code, including, in particular, Section 42(i)(7). In the event of a conflict between the provisions contained in this Agreement and Section 42 of the Code, the provisions of Section 42 shall control.

Section 9. Option to Purchase

A. The parties hereto agree that if the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant an “option to purchase” pursuant to Section 42(i)(7) of the Code as opposed to a “right of first refusal” without adversely affecting the status of such owner as owner of its project for federal income tax purposes, then the parties shall amend this Agreement and the Owner shall grant the Grantee an option to purchase the Property at the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42(i)(7). If the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant a “right of first refusal to purchase partner interests” and/or “purchase option to purchase partner interests” pursuant to Section 42(i)(7) of the Code (or other applicable provision) as opposed to a “right of first refusal to

purchase the Project” without adversely affecting the status of such owner as owner of its project for federal income tax purposes (or the status of the Investor Member as a partner of the Company for federal income tax purposes) then the parties shall amend this Agreement and the Investor Members shall provide a right of first refusal and/or purchase option, as the case may be, to acquire their Interests for the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42(i)(7).

Section 10. Notice

Except as otherwise specifically provided herein, all notices, demands or other communications hereunder shall be in writing and shall be deemed to have been given and received

(i) two (2) business days after being deposited in the United States mail and sent by certified or registered mail, postage prepaid, (ii) one (1) business day after being delivered to a nationally recognized overnight delivery service, (iii) on the day sent by telecopier or other facsimile transmission, answer back requested, or (iv) on the day delivered personally, in each case, to the parties at the addresses set forth below or at such other addresses as such parties may designate by notice to the other party:

- (i) If to the Owner, at the principal office of the Company set forth in Article II of the Operating Agreement;
- (ii) If to a Consenting Member, at their respective addresses set forth in Schedule A of the Operating Agreement;
- (iii) If to the Grantee, ~~[redacted]~~, 682 Berkmar Circle, Charlottesville, VA 22901 with a copy to: Klein Hornig LLP 1325 G St NW, Suite 770, Washington, DC 20005; and

Section 11. Severability of Provisions

Each provision of this Agreement shall be considered severable, and if for any reason any provision that is not essential to the effectuation of the basic purposes of the Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement that are valid.

Section 12. Binding Provisions

The covenants and agreements contained herein shall be binding upon, and inure to the benefit of, the heirs, legal representatives, successors and assignees of the respective parties hereto, except in each case as expressly provided to the contrary in this Agreement.

Section 13. Counterparts

This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the original or the same counterpart.

Section 14. Governing Law

This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia without regard to principles of conflicts of law. Notwithstanding the foregoing, Company, Investor Member and Grantee do not intend the Refusal Right in this Agreement to be a common law right of first refusal but rather intend it to be understood and interpreted as a mechanism authorized by Section 42 of the Code to allow nonprofit entities to preserve affordable housing for low-income families in accordance with Grantee's charitable objectives.

Section 15. Headings

All headings in this Agreement are for convenience of reference only. Masculine, feminine, or neuter gender, shall include all other genders, the singular shall include the plural, and vice versa as the context may require.

Section 16. Amendments

This Agreement shall not be amended except by written agreement between Grantee and the Owner with the consent of each of the Consenting Members [and Virginia Housing].

Section 17. Time

Time is of the essence with respect to this Agreement, and all provisions relating thereto shall be so construed.

Section 18. Legal Fees

Except as otherwise provided herein, in the event that legal proceedings are commenced by the Owner against the Grantee or by the Grantee against the Owner in connection with this Agreement or the transactions contemplated hereby, the prevailing party shall be entitled to recover all reasonable attorney's fees and expenses.

Section 19. Subordination

This Agreement is and shall remain automatically subject and subordinate to any bona fide mortgage to (or assigned to) an institutional or governmental lender with respect to the Project and, in the event of a foreclosure of any such mortgage, or of the giving of a deed

in lieu of foreclosure to any such mortgagee, this Agreement shall become void and shall be of no further force or effect.

Section 20. Rule Against Perpetuities Savings Clause

The term of this Agreement will be ninety years commencing on the date first written above unless sooner terminated pursuant to the provisions hereof. If any provision of this Agreement is construed as violating and applicable “Rule Against Perpetuities” by statute or common law, such provision will be deemed to remain in effect only until the death of the last survivor of the now living descendants of any member of the 116th Congress of the United States, plus twenty-one (21) years thereafter. This Agreement and the Refusal Right herein granted are covenants running with the land and the terms and provisions hereof will be binding upon, inure to the benefits of and be enforceable by the parties hereto and their respective successors and assigns.

Section 21. Third Party Beneficiary; Virginia Housing Rights and Powers

The Virginia Housing Development Authority (“Virginia Housing”) shall be a third party beneficiary to this Agreement, and the benefits of all of the covenants and restrictions hereof shall inure to the benefit of Virginia Housing, including the right, in addition to all other remedies provided by law or in equity, to apply to any court of competent jurisdiction within the Commonwealth of Virginia to enforce specific performance by the parties or to obtain an injunction against any violations hereof, or to obtain such other relief as may be appropriate. The Authority and its agents shall have those rights and powers with respect to the Project as set forth in the Act and the Virginia Housing Rules and Regulations promulgated thereunder, including without limitation, those rights and powers set forth in Chapter 1.2 of Title 365 of the Code of Virginia (1950), as amended, and 13VAC10-180-10 et seq., as amended.

IN WITNESS WHEREOF, the parties hereto have executed this Right of First Refusal Agreement as of the date first stated above.

In 2015, Piedmont Housing provided \$1,079,029 for the rehabilitation of 30 rental homes of affordable housing, reserved for low-income seniors, in the rural community of Crozet. In 2016, as a CHDO and nonprofit partner to enable Low Income Housing Tax Credit (LIHTC) financing, acting as a primary conduit for project financing for land acquisition Piedmont Housing provided \$950,000 and was a development partner on a \$10.7 million housing project that created 54 homes for low-income seniors. In 2017, Piedmont Housing leveraged \$6,273,332 for the acquisition and rehabilitation costs for an additional 97 homes in Albemarle County.

Piedmont Housing has several affordable housing developments in its pipeline:

- *Hickory Hope Apartments* is a 121-unit affordable housing community for households with incomes from below 30% up to 80% AMI. This three-building project is financed via 4% LIHTC and tax-exempt bonds, a federal earmark and Capital Magnet Fund grant, National and Virginia Housing Trust Fund dollars, and Housing Innovations in Energy Efficiency (HIEE) grant dollars. The project was granted 8 Project Based Vouchers (PBVs) by Albemarle County. Construction kicked off December 2023 and will end July 2025. The project is located in the larger Southwood Community redevelopment area, a community-led redevelopment of a trailer park south of Charlottesville, which is being master planned and developed by Habitat for Humanity of Greater Charlottesville.
- The *1025 Park Street* redevelopment was successfully allocated 9% LIHTC credits in July 2023. The project consists of an affordable, 66-unit rental apartment and 20-unit homeownership development to serve households with incomes at 30%, 50%, and 60% AMI. The redevelopment of the Monticello Area Community Action Agency (MACAA)

site is a partnership between Piedmont Housing, MACAA, Habitat for Humanity of Greater Charlottesville and the Piedmont Community Land Trust. A small number (8) of market rate townhomes will also be development. Space for MACAA to operate a Head Start preschool program will be provided in one of the apartment buildings. Having received an allocation of 9% LIHTC, construction is projected to begin Quarter 1 of 2024.

- *Park Street Senior Apartments*, a 50-unit affordable housing community for the elderly and people with disabilities, will be developed utilizing 9% LIHTC financing and will include one-, two-, and three-bedroom floorplans targeted to households with incomes between 30% and 60% AMI. The development is a partnership with Park Street Christian Church which is dedicating nearly half of the wooded area behind its sanctuary and preschool buildings for affordable housing. The project's LIHTC application will be submitted March 2024.
- Currently, construction is underway on Phase I of the redevelopment of *Friendship Court Apartments (now called Kindlewood)*, a Project-Based Section 8 subsidized apartment complex serving 150 families in Charlottesville. Phase I includes one-for-one replacement of 46 of the existing Project-Based Section 8 homes, as well as 60 additional new homes serving households ranging from 30 to 80% AMI. Project funding includes LIHTC equity, Virginia DHCD ASNH funds, and City of Charlottesville funding. The Phase I project lease-up is nearing completion, March 2024. By the end of all four phases in 2029, all 150 existing Section 8 subsidized homes will be replaced, and an additional ~300 new homes will be added to create a tiered-income community model serving households from below 30% AMI up to 80% AMI. Piedmont Housing Alliance

re: Project-Based Rental Assistance for 501-A Cherry Avenue and 501-B Cherry Avenue
(the "501 Cherry Avenue site")

Dear Mr. Mathon:

The City of Charlottesville is committed to providing Piedmont Housing Alliance with funding to support project-based rental assistance for up to ten (10) apartment units (PBA Units) at the 501 Cherry Avenue site. 501-A Cherry Avenue will receive support for up to five (5) PBA Units and 501-B Cherry Avenue will receive support for five (5) PBA Units.

The development, which includes 501-A Cherry Avenue and 501-B Cherry Avenue, was reviewed by the City's Office of Community Solutions and determined it is consistent with the City's Affordable Housing Plan.

This rental assistance will be for households qualified through a process coordinated by the project owner and reported annually to the City's Office of Community Solutions. Qualified Households will pay 30% of their adjusted income in rent and the City will provide funding to Piedmont Housing Alliance to be used for monthly rental assistance payments to subsidize tenant payments up an approved rent level, which will not exceed 60% AMI maximum rent levels. The assistance is intended to serve those at the lower income levels who face substantial housing barriers.

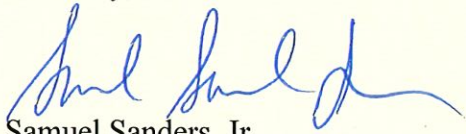

This funding commitment is for a minimum of five years and may be renewable with five-year increments, dependent upon funding availability. A formal agreement setting forth the terms of the City rental assistance program will be executed prior to disbursement of any funding. We would be available to discuss specific contract terms with you at any time.

This commitment is conditional upon:

1. any site or development inspections required by the City; and
2. must acquire all relative development and building permits from the City; and
3. subject to the availability of adequate annual appropriations by the City Council; and
4. given that you are applying for Low Income Tax Credits (LIHTC) through the Virginia Housing, then this commitment is contingent on the development receiving a reservation of tax credits no later than September 15, 2024 but at your election, this commitment may be extended one year to allow you to apply in the 2025 tax credit round.

We look forward to working with you as you develop this project to provide the City of Charlottesville additional affordable housing opportunities.

Sincerely,

1.0 Executive Summary

MaGrann Associates was contracted by BRW Architects to perform energy modeling on the 501 Cherry Avenue Building A Apartments located in Charlottesville, VA in order to provide an estimate of monthly utility cost for each model of apartment in the property.

The analysis was performed using the Ekotrope Version 4.2 software incorporating all of the specifications noted on the plans that were provided by the client. A detailed list of specifications & any assumptions made in the model is attached to the end of this report.

The “energy consumption model” used for each unit type is in compliance with IRS regulation 1.42-10 (4)(ii)(E). The energy consumption model took into account unit size, building orientation, design & materials, mechanicals systems, appliances, and characteristics of the building location. The estimates are limited to only residential units and do not include common areas. The estimates are based on current utility rates obtained from the local electric and gas companies serving this property. A summary table of the results & a list of specifications & assumptions used in the modeling are attached to this report.

Supportive House Certification and/or
Resident Well Being MOU

Virginia Housing Permanent Supportive Housing Services Certification

Permanent Supportive Housing is housing consisting of units designated for individuals or families that are homeless, at-risk of homelessness or who have multiple barriers to independent living.

Best practices are described by the U.S. Department of Health and Human Services:

<http://store.samhsa.gov/shin/content/SMA10-4510/SMA10-4510-06-BuildingYourProgram-PSH.pdf>

For consideration, provide **all** of the following:

1. Attach a list of developments for which you've provided permanent supportive housing services. Describe the types of services that were provided.
2. A signed copy of an MOU with a local service provider agency(ies). If no MOU exists, the service provider must sign this certification. If neither is available, provide an explanation for the lack of demonstrated partnership and describe how the property will receive referrals and from whom the residents will receive services.
3. Describe your target population(s): persons with intellectual/developmental disabilities, experiencing homelessness, with serious mental illness, and persons with substance abuse disorders.

4. List the types of supportive services to be offered: Services depend on the resident's need/choice but include those related to community mental health, substance abuse, & developmental disabilities.
Assistance during the initial application process and lease term are also available.

5. Who will be providing supportive services? Region Ten Community Services Board

6. What percentage of the total number of units will be marketed to and held available for tenants in need of supportive services? 15 %

In addition, I/we certify the following:

Services

Tenant choice. Supportive housing tenants will have choices in what support services they receive (i.e., not a limited menu of services). Individual Support Plans will reflect tenant-defined needs and preferences. As supportive service tenants' needs change over time, tenants can receive more or less intensive support services.

Assertive outreach and engagement. The service team will use a variety of outreach and engagement techniques to bring tenants into helping relationships.

Case management. Case managers will serve as the bridge between tenants and the supports that help them achieve stability and long-term tenancy.

Appendices continued

Housing

Tenant choice. Supportive housing tenants will be able to choose where they want to live. Tenants cannot be evicted from their housing for rejecting services.

Access. Supportive housing units will be available to people who are experiencing homelessness, are precariously housed and/or who have multiple barriers to housing stability, including disabilities and substance abuse.

Quality. Supportive housing units will be similar to other units in the project.

Integration. Supportive housing tenants with disabilities will have a right to receive housing and supportive services in the most integrated settings available, including in buildings that include neighbors who do not have disabilities and where there is access to an array of community services and resources used by people with and without disabilities.

Rights of tenancy. Supportive housing tenant leases or subleases will confer full rights of tenancy, including limitations on landlords' entry into the property and the right to challenge eviction in landlord-tenant court. Tenants can remain in their homes as long as the basic requirements of tenancy are met — paying the rent, not interfering with other tenants' use of their homes, not causing property damage, etc. House rules, if any, are similar to those found in other housing.

Affordability. Supportive housing tenants should pay no more than 30% of their incomes toward rent and basic utilities.

Coordination between housing and services. Property managers and support service staff will stay in regular communication and coordinate their efforts to help prevent evictions and to ensure tenants facing eviction have access to necessary services and supports.

Delineated roles. There will be a functional separation of roles, with the housing elements (rent collection, property maintenance, enforcement of responsibilities of tenancy) carried out by different staff than those providing services (case management, mental health treatment, wraparound services).

The undersigned Owner certifies that each of the above statements is true and correct.

I/We agree that the commitment to provide supportive housing will remain in place throughout the Compliance Period (as described in the Extended Use Agreement).

- G. Communicate with Region Ten Housing Department regarding any lease violations of the Targeted Units, and coordinate any related rent default notices. Further, 501-A Cherry, L.L.C. or a third-party property management company under its direction shall coordinate plans and processes for eviction prevention strategies, repayment plans for tenants, and other lease violations.
- H. Facilitate communication with Region Ten by designating, and maintaining in the event of staff turnover, a named individual as the primary contact on matters related to the Targeted Units.
- I. Prepare a unit rent schedule on an annual basis and submit to all parties to the Agreement.
- J. Identify and lease Project units to six (6) proposed tenants who hold Housing Choice Vouchers, or other forms of rental assistance, for the Project for the term of this Agreement.

General Conditions of the Agreement:

- A. Nothing in the Agreement shall be construed as authority for either party to make commitments which shall bind the other party beyond the scope of the services described herein. Neither party shall assign, sublet, or subcontract any work related to this agreement or any interest it may have herein without the prior written consent of all parties to the Agreement.
- B. 501-A Cherry, L.L.C. and Region Ten assure that information and data obtained as to personal facts and circumstances related to tenants referred by Region Ten shall be collected and secured as confidential during, and following, the term of this Agreement and shall not be divulged without the individual's and Region Ten's written consent, other than information divulged to managing or investor members of 501-A Cherry, L.L.C. and to VH. Director of Tax Credit Programs
Virginia Housing

Richmond, VA 23220

Dear Ms. Flanders:

With a unit mix in which more than 30% of the homes are efficiency units and only three units have more than one bedroom, 501-A Cherry Apartments is expected to primarily serve individuals and couples. However, in light of the deep affordability targeting, it is likely that a family with young children who lives at the development would need assistance with the cost of childcare.

Therefore, 501-A Cherry Apartments LLC will establish a reserve within the operating budget to fund a childcare subsidy of \$12,000 per year to assist families with the cost of childcare at a licensed facility of their choice.

Highlights of the program include:

- The subsidy will be made available to all households at 501-A Cherry, but lower-income households will be given priority. For instance, households residing in 30% AMI units would receive first priority, and households residing in 50% AMI units would receive second priority.
- Moreover, household with more than one child will be given priority over households with one child.
- If there are more eligible households of equivalent priority status than subsidy slots, the subsidy would be allocated by a lottery.
- The initial size of the Childcare Fund was calculated assuming five children receiving an average of \$200 per month subsidy. However, the amounts available to residents will depend upon the household's income. For instance, households with income at 30% of AMI would be eligible to receive greater assistance than households at 50% AMI.
- Annual deposits to the Childcare Fund will be included in the operating budget. For purposes of the application for tax credits, the cost is included in miscellaneous operating expenses.
- After the initial deposit of \$1,000 per month (\$200 per month for 5 children) in the first year of operations, the deposit will increase by 3% per year.

- If all of the funds are not used in a given year, they will roll-over to the next year. Accumulated funds in the Childcare Fund may be used to increase the number and/or the amount of the subsidy.

Please contact me with any questions.
Sincerely,

Sunshine Mathon (Mar 14, 2024 07:37 EDT)

501-A Cherry Avenue Plan for Telehealth

As indicated in the letter of support from the UVA Healthcare System, the owner of 501-A Cherry Avenue Apartments and UVA Healthcare will collaborate to provide telehealth services to the residents of 501-A Cherry Avenue. The building owner will provide a private location within the community space for residents to conduct their telehealth visits, as well as a Wi-Fi enabled device (such as an iPad) for the resident's use, if needed.

It is expected that most of the residents of the development will be eligible for no-charge telehealth services because they qualify either for Medicaid or for treatment as indigent by the UVA Healthcare. However, because there may be residents who have private insurance which would require a co-pay for a telehealth visit, the owner will establish a Telehealth Fund as part of its operating budget that will pay for one co-pay per year for each resident. The cost of the Telehealth Fund is included in the operating budget as a part of the Miscellaneous Administrative line.

To whom it may concern,

UVA Health is pleased to offer our wholehearted support for the partnership with Piedmont Housing Alliance in developing telemedicine access points within its affordable residential communities. We are excited about the opportunity to collaborate with the Piedmont Housing Alliance and the UVA School of Nursing to enhance access to healthcare services through telemedicine.

At UVA Health, we understand the importance of ensuring that all members of our community have access to quality healthcare services, regardless of their socioeconomic status or geographic location. By establishing telemedicine access points in affordable residential communities such as Kindewood Apartments (formerly known as Friendship Court), PSCC Apartments (1200 Park St.), and 501-A and 501-B Cherry Avenue apartments (501-507 Cherry Ave.), we can significantly improve access to healthcare for underserved populations in Charlottesville-Albemarle.

Our Center for Telehealth is eager to work closely with the School of Nursing and the Piedmont Housing Alliance to implement this initiative for the community. We believe that by leveraging technology and innovative healthcare delivery models, we can overcome barriers to healthcare access and improve health outcomes for residents of these communities.

Furthermore, we are committed to exploring opportunities for grant funding to support this initiative and ensure its long-term sustainability. We recognize the importance of securing resources to invest in the infrastructure and resources necessary to establish and maintain telemedicine access points in these communities.

UVA Health is fully committed to the success of this partnership and the positive impact it will have on the health and well-being of residents in Charlottesville-Albemarle. We look forward to working collaboratively with the Piedmont Housing Alliance and the UVA School of Nursing to bring this vision to fruition.

Sincerely,

501-A Cherry Avenue Plan for Renewable Energy

The development of 501-A Cherry Avenue Apartments will include solar PV arrays that will provide at least 20% of the development's on-site electrical load. PV panels will be located on the roof of the building and will be connected to a single master electrical meter. The tenants' consumption will be measured via individual household submeters, and the master-metered bill from the utility will be apportioned among the tenants according to their sub-metered consumption. With such a system design, the tenants will receive direct benefit because their building's electric consumption will be reduced by the PV system.

The Capital Magnet Fund helps to create and preserve affordable housing for low-income families and economically distressed communities by attracting private capital. The Capital Magnet Fund awards competitive grants to CDFIs and qualified non-profit housing organizations. These organizations use the grants to develop, rehabilitate, preserve, and purchase affordable housing, particularly housing targeted to Low-, Very Low-, and Extremely Low-Income families.

Capital Magnet Fund awards may also be used to finance economic development and community service facilities such as day care centers, workforce development centers, and health care clinics. These facilities will work in concert with affordable housing to revitalize distressed communities.

Awardees utilize financing tools such as loan loss reserves, loan funds, risk-sharing loans, and loan guarantees to produce eligible projects within five years with aggregate costs that are at least 10 times the size of the award amount. Most awardees will use all of their award funds to finance affordable housing, although some awardees, if approved, will expend up to 30% of the grant funds to finance economic development activities related to affordable housing.

Through this program, the CDFI Fund seeks to promote activities in geographically diverse areas of economic distress, including metropolitan and rural areas across the United States. Awardees may finance activities in a single state or across several states (multi-state).

The Capital Magnet Fund was established by the Housing and Economic Recovery Act of 2008. Funding for the program comes from the Government-Sponsored Enterprises Fannie Mae and Freddie Mac and varies from year to year.

CAPITAL MAGNET FUND HISTORY AND IMPACT:

Through the seven previous Capital Magnet Fund rounds, the CDFI Fund has awarded grants totaling nearly \$1.1 billion to CDFIs and qualified non-profit organizations, requiring a minimum of \$10.7 billion in public and private investment. Of reported projects, awardees have attracted nearly **\$13.3 billion** in total leverage.

Recipients have five years to complete projects after receiving the award. As of September 30, 2022, projects completed by FY 2016-FY 2021 Award Recipients include:

- rental housing disbursements totaling approximately \$246.6 million to finance or support 37,650 eligible units;
- homeownership disbursements totaling \$37.2 million to finance over 5,500 eligible units; and
- economic development disbursements totaling \$2.0 million for five facilities, such as community-serving businesses and health care and other community facilities.

Re: Rachel's Haven Support for 501-A Cherry Avenue Apartments
Letter of Intent

Dear Sunshine:

Please consider this letter as confirmation of the Rachel's Haven intent to make a \$500,000 gift to support the Piedmont Housing Alliance's efforts to develop *501-A Cherry Avenue* apartments to provide affordable housing and services to low-income persons, especially individuals with intellectual and developmental disabilities. The gift will be made with the understanding, and conditioned upon the fact that, at least 15% of the units will be targeted at persons with disabilities as required by the Virginia Housing "Accessible and Supportive Housing" tax credit pool. We expect that these funds would be loaned by Piedmont Housing Alliance to the special purpose entity that will own the *501-A Cherry Avenue* apartments for a term of up to 40 years and at the Applicable Federal Rate.

We appreciate that this funding may leverage millions of dollars in tax credit equity, debt, and other subsidy sources to ensure that 501-A Cherry Avenue apartments can serve low and moderate income households. We ask that you update us on the status of your tax credit application and of the project, and that you seek our input on issues that will impact the well-being and safety of future residents with ID/DD. Note that this gift is expressly contingent on (i) a successful tax credit application and award, and (ii) the execution of a Grant Agreement in a form and with terms acceptable to Rachel's Haven.

We look forward to seeing the vision of the 501-A Cherry Avenue development come to a reality over the coming years and are grateful for the opportunity to support this important community endeavor and the ongoing efforts of Piedmont Housing Alliance to provide high-quality affordable, housing services and opportunities both today and in the future.

Sincerely,

RIGHT OF FIRST REFUSAL
AGREEMENT

(501-A Cherry Avenue Apartments)

RIGHT OF FIRST REFUSAL AGREEMENT (the "Agreement") dated as of March 13, 2024 by and among **501-A Cherry, LLC**, a Virginia limited liability company (the "Owner" or the "Company"), **Piedmont Housing Alliance**, a Virginia non-stock nonprofit corporation (the "Grantee"), and is consented to by **501-A Cherry MM, LLC**, a Virginia limited liability company (the "Managing Member"), **[INVESTOR ENTITY]**, a [_____] limited liability company (the "**Investor Member**") and [_____] **SPECIAL LIMITED PARTNER, L.L.C.**, a [____] limited liability company (the "Special Member"). The Managing Member, the Investor Member and the Special Member are sometimes collectively referred to herein as the "Consenting Members". The Investor Member and Special Member are sometimes collectively referred to herein as the "Non-Managing Members". This Agreement shall be fully binding upon and inure to the benefit of the parties and their successors and assigns to the foregoing.

Recitals

- A. The Owner, pursuant to its Amended and Restated Operating Agreement dated on or about the date hereof by and among the Consenting Members (the "Operating Agreement"), is engaged in the ownership and operation of a forty-unit apartment project for families located in Charlottesville, Virginia and commonly known as "501-A Cherry Avenue Apartments" (the "Project"). The real property comprising the Project is legally defined on **Exhibit A**.
- B. The Grantee is a member of the Managing Member of the Owner and is instrumental to the development and operation of the Project; and
- C. The Owner desires to give, grant, bargain, sell and convey to the Grantees certain rights of first refusal to purchase the Project on the terms and conditions set forth herein;
- D. Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Operating Agreement.

NOW, THEREFORE, in consideration of the foregoing, of the mutual promises of the parties hereto and of other good and valuable consideration, the receipt and

sufficiency of which the parties hereto acknowledge, the parties hereby agree as follows:

Section 1. Right of First Refusal

The Owner hereby grants to the Grantee a right of first refusal (the "Refusal Right") to purchase the real estate, fixtures, and personal property comprising the Project or associated with the physical operation thereof and owned by the Company at the time (the "Property"), for the price and subject to the other terms and conditions set forth below. The Property will include any reserves of the Partnership that is required by Virginia Housing Development Authority ("Virginia Housing" or the "Credit Authority") or any lender of a loan being assumed in connection with the exercise of the Refusal Right to remain with the Project.

Section 2. Exercise of Refusal Right; Purchase Price

- A. After the end of the Compliance Period, the Company agrees that it will not sell the Property or any portion thereof to any Person without first offering the Property to the Grantee (the "Refusal Right"), for the Purchase Price (as defined in Section 3); provided, however, that such Refusal Right shall be conditioned upon the receipt by the Company of a "bona fide offer" (the acceptance or rejection of which shall not require the Consent of the Members). The Company shall give the notice of its receipt of such offer (the "Offer Notice") and shall deliver a copy of the Offer Notice to the Grantee. Upon receipt by the Grantee of the Offer Notice, the Grantee shall have 90 days to deliver to Company a written notice of its intent to exercise the Refusal Right (the "Election Notice"). An offer made with the purchase price and basic terms of the proposed sale from a third party shall constitute a "bona fide offer" for purposes of this Agreement. Such offer (i) may be solicited by the Grantee or the Managing Member (with such solicitation permitted to begin at any time following the end of the fourteenth (14th) year of the Compliance Period provided that the Election Notice may not be sent until the end of the Compliance Period) and (ii) may contain customary due diligence, financing, and other contingencies. Notwithstanding anything to the contrary herein, a sale of the Project pursuant to the Refusal Right shall not require the Consent of the Non-Managing Members or of Virginia Housing.
- B. If the Grantee fails to deliver the Election Notice within ninety (90) days of receipt of the Offer Notice, or if such Election Notice is delivered but the Grantee does not consummate the purchase of the Project within 270 days from the date of delivery of the Election Notice (each, individually, a "Terminating Event"), then its Refusal Right shall terminate and the Company shall be permitted to sell the Property free of the Refusal Right.

Section 3. Purchase Price; Closing

- A. The purchase price for the Property pursuant to the Refusal Right (the

"Purchase Price") shall equal the sum of (i) the principal amount of all outstanding indebtedness secured by the Project, and any accrued interest on any of such debts and (ii) all federal, State, and local taxes attributable to such sale, including those incurred or to be incurred by the partners or members of the Non-Managing Members. Notwithstanding the foregoing, however, the Purchase Price shall never be less than the amount of the "minimum purchase price" as defined in Section 42(i)(7)(B) of the Code. The Refusal Right granted hereunder is intended to satisfy the requirements of Section 42(i)(7) of the Code and shall be interpreted consistently therewith. In computing such price, it shall be assumed that each of the Non-Managing Members of the Owner (or their constituent partners or members) has an effective combined federal, state and local income tax rate equal to the maximum of such rates in effect on the date of Closing.

- B. All costs of the Grantee's purchase of the Property pursuant to the Refusal Right, including any filing fees, shall be paid by Grantee.
- C. The Purchase Price shall be paid at Closing in one of the following methods:
 - (i) the payment of all cash or immediately available funds at Closing, or
 - (ii) the assumption of any assumable Loans if Grantee has obtained the consent of the lenders to the assumption of such Loans, which consent shall be secured at the sole cost and expense of Grantee; provided, however, that any Purchase Price balance remaining after the assumption of the Loans shall be paid by Grantee in immediately available funds.

Section 4. Conditions Precedent; Termination

- A. Notwithstanding anything in this Agreement to the contrary, the right of the Grantee to exercise the Refusal Right and consummate any purchase pursuant thereto is contingent on each of the following being true and correct at the time of exercise of the Refusal Right and any purchase pursuant thereto:
 - (i) the Grantee or its assignee shall be a "qualified nonprofit organization" as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42(i)(7)(A) of the Code (collectively, each, a "Qualified Beneficiary"); and
 - (ii) the Project continues to be a "qualified low-income housing project" within the meaning of Section 42 of the Code.
- B. This Agreement shall automatically terminate upon the occurrence of any of the following events and, if terminated, shall not be reinstated unless such reinstatement is agreed to in a writing signed by the Grantee and each of the Consenting Members:
 - (i) the transfer of the Property to a lender in total or partial satisfaction of any loan; or
 - (ii) any transfer or attempted transfer of all or any part of the Refusal

- Right by the Grantee, whether by operation of law or otherwise, except as otherwise permitted under Section 7 of this Agreement; or
- (iii) the Project ceases to be a “qualified low-income housing project” within the meaning of Section 42 of the Code; or
 - (iv) the Grantee fails to deliver its Election Notice or consummate the purchase of the Property within the timeframes set forth in Section 2 above.

C. If the Investor Member removes the Managing Member from the Company for failure to cure a default under the Operating Agreement, the Investor Member may elect to release this Agreement as a lien against the Project upon first obtaining the prior written consent of Virginia Housing, which consent may be granted or withheld in Virginia Housing’s sole discretion.

Section 5. Contract and Closing

Upon determination of the purchase price, the Owner and the Grantee shall enter into a written contract for the purchase and sale of the Property in accordance with the terms of this Agreement and containing such other terms and conditions as are standard and customary for similar commercial transactions in the geographic area which the Property is located, providing for a closing (the “Closing”) to occur in the City of Charlottesville, Virginia not later than the timeframes set forth in Section 2. In the absence of any such contract, this Agreement shall be specifically enforceable upon the exercise of the Refusal Right.

Section 6. Conveyance and Condition of the Property

The Owner’s right, title and interest in the Property shall be conveyed by quitclaim deed, subject to such liens, encumbrances and parties in possession as shall exist as of the date of Closing. The Grantee shall accept the Property **“AS IS, WHERE IS”** and **“WITH ALL FAULTS AND DEFECTS,”** latent or otherwise, without any warranty or representation as to the condition thereof whatsoever, including without limitation, without any warranty as to fitness for a particular purpose, habitability, or otherwise and no indemnity for hazardous waste or other conditions with respect to the Property will be provided. It is a condition to Closing that all amounts due to the Owner and the Investor Member from the Grantee or its Affiliates be paid in full. The Grantee shall pay all closing costs, including, without limitation, the Owner’s attorney’s fees. Upon closing, the Owner shall deliver to the Grantee, along with the deed to the property, an ALTA owner’s title insurance policy dated as of the close of escrow in the amount of the purchase price, subject to the liens, encumbrances and other exceptions then affecting the title.

Section 7. Transfer

The Refusal Right shall not be transferred to any Person without the Consent of the Investor Member, except that the Grantee may assign all or any of its rights under this Agreement to an Affiliate of Grantee (a “Permitted Assignee”) at the election and direction

of the Grantee or to any assignee that shall be a “qualified nonprofit organization” as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42(i)(7)(A) of the Code (collectively, each, a “Qualified Beneficiary”).

In the case of any transfer of the Refusal Right (i) all conditions and restrictions applicable to the exercise of the Refusal Right or the purchase of the Property pursuant thereto shall also apply to such transferee, and (ii) such transferee shall be disqualified from the exercise of any rights hereunder at all times during which Grantee would have been ineligible to exercise such rights hereunder had it not effected such transfer.

Section 8. Rights Subordinate; Priority of Requirements of Section 42 of the Code

This Agreement is subordinate in all respects to any regulatory agreements and to the terms and conditions of the Mortgage Loans encumbering the Property. In addition, it is the intention of the parties that nothing in this Agreement be construed to affect the Owner’s status as owner of the Property for federal income tax purposes prior to exercise of the Refusal Right granted hereunder. Accordingly, notwithstanding anything to the contrary contained herein, both the grant and the exercise of the Refusal Right shall be subject in all respects to all applicable provisions of Section 42 of the Code, including, in particular, Section 42(i)(7). In the event of a conflict between the provisions contained in this Agreement and Section 42 of the Code, the provisions of Section 42 shall control.

Section 9. Option to Purchase

A. The parties hereto agree that if the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant an “option to purchase” pursuant to Section 42(i)(7) of the Code as opposed to a “right of first refusal” without adversely affecting the status of such owner as owner of its project for federal income tax purposes, then the parties shall amend this Agreement and the Owner shall grant the Grantee an option to purchase the Property at the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42(i)(7). If the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant a “right of first refusal to purchase partner interests” and/or “purchase option to purchase partner interests” pursuant to Section 42(i)(7) of the Code (or other applicable provision) as opposed to a “right of first refusal to purchase the Project” without adversely affecting the status of such owner as owner of its project for federal income tax purposes (or the status of the Investor Member as a partner of the Company for federal income tax purposes) then the parties shall amend this Agreement and the Investor Members shall provide a right of first refusal and/or purchase option, as the case may be, to acquire their Interests for the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42(i)(7).

Section 10. Notice

Except as otherwise specifically provided herein, all notices, demands or other communications hereunder shall be in writing and shall be deemed to have been given and received

(i) two (2) business days after being deposited in the United States mail and sent by certified or registered mail, postage prepaid, (ii) one (1) business day after being delivered to a nationally recognized overnight delivery service, (iii) on the day sent by telecopier or other facsimile transmission, answer back requested, or (iv) on the day delivered personally, in each case, to the parties at the addresses set forth below or at such other addresses as such parties may designate by notice to the other party:

- (i) If to the Owner, at the principal office of the Company set forth in Article II of the Operating Agreement;
- (ii) If to a Consenting Member, at their respective addresses set forth in Schedule A of the Operating Agreement;
- (iii) If to the Grantee, 682 Berkmar Circle, Charlottesville, VA 22901 with a copy to: Klein Hornig LLP 1325 G St NW, Suite 770, Washington, DC 20005; and

Section 11. Severability of Provisions

Each provision of this Agreement shall be considered severable, and if for any reason any provision that is not essential to the effectuation of the basic purposes of the Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement that are valid.

Section 12. Binding Provisions

The covenants and agreements contained herein shall be binding upon, and inure to the benefit of, the heirs, legal representatives, successors and assignees of the respective parties hereto, except in each case as expressly provided to the contrary in this Agreement.

Section 13. Counterparts

This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the original or the same counterpart.

Section 14. Governing Law

This Agreement shall be construed and enforced in accordance with the laws of

the Commonwealth of Virginia without regard to principles of conflicts of law. Notwithstanding the foregoing, Company, Investor Member and Grantee do not intend the Refusal Right in this Agreement to be a common law right of first refusal but rather intend it to be understood and interpreted as a mechanism authorized by Section 42 of the Code to allow nonprofit entities to preserve affordable housing for low-income families in accordance with Grantee's charitable objectives.

Section 15. Headings

All headings in this Agreement are for convenience of reference only. Masculine, feminine, or neuter gender, shall include all other genders, the singular shall include the plural, and vice versa as the context may require.

Section 16. Amendments

This Agreement shall not be amended except by written agreement between Grantee and the Owner with the consent of each of the Consenting Members [and Virginia Housing].

Section 17. Time

Time is of the essence with respect to this Agreement, and all provisions relating thereto shall be so construed.

Section 18. Legal Fees

Except as otherwise provided herein, in the event that legal proceedings are commenced by the Owner against the Grantee or by the Grantee against the Owner in connection with this Agreement or the transactions contemplated hereby, the prevailing party shall be entitled to recover all reasonable attorney's fees and expenses.

Section 19. Subordination

This Agreement is and shall remain automatically subject and subordinate to any bona fide mortgage to (or assigned to) an institutional or governmental lender with respect to the Project and, in the event of a foreclosure of any such mortgage, or of the giving of a deed in lieu of foreclosure to any such mortgagee, this Agreement shall become void and shall be of no further force or effect.

Section 20. Rule Against Perpetuities Savings Clause

The term of this Agreement will be ninety years commencing on the date first written above unless sooner terminated pursuant to the provisions hereof. If any provision of this Agreement is construed as violating and applicable "Rule Against Perpetuities" by statute or common law, such provision will be deemed to remain in effect only until the

death of the last survivor of the now living descendants of any member of the 116th Congress of the United States, plus twenty-one (21) years thereafter. This Agreement and the Refusal Right herein granted are covenants running with the land and the terms and provisions hereof will be binding upon, inure to the benefits of and be enforceable by the parties hereto and their respective successors and assigns.

Section 21. Third Party Beneficiary; Virginia Housing Rights and Powers

The Virginia Housing Development Authority ("Virginia Housing") shall be a third party beneficiary to this Agreement, and the benefits of all of the covenants and restrictions hereof shall inure to the benefit of Virginia Housing, including the right, in addition to all other remedies provided by law or in equity, to apply to any court of competent jurisdiction within the Commonwealth of Virginia to enforce specific performance by the parties or to obtain an injunction against any violations hereof, or to obtain such other relief as may be appropriate. The Authority and its agents shall have those rights and powers with respect to the Project as set forth in the Act and the Virginia Housing Rules and Regulations promulgated thereunder, including without limitation, those rights and powers set forth in Chapter 1.2 of Title 365 of the Code of Virginia (1950), as amended, and 13VAC10-180-10 et seq., as amended.

IN WITNESS WHEREOF, the parties hereto have executed this Right of First Refusal Agreement as of the date first stated above.

Internet Safety

Playing it safe while playing online

Hi there kids! I am Charlie Cardinal and this is Speedy the Crime Fighting Hamster. We are here to introduce you to the basics of Internet Safety and some of the villains you need to watch out for. There are some bad characters out there, so you have to protect yourself. Your parents won't always be there to watch out for you, so stay sharp, learn all you can, and stay safe!

Privacy & Personal Information

Privacy is being able to keep things secret or hidden from others.

Personal Information is information about you or your family such as your address, a social security number, your parent's bank account, or how much money they have.

Criminals love to get people's personal information because they can pretend to be you, or use your money to buy things.

They can also make money off of your information by selling it to others. Companies or other criminals will use your info to send you junk mail or spam emails.

Criminals learning your address can be very bad. They may break in and steal from you. Protect your safety and your belongings, by keeping your information a secret.

These bad people may even use your personal information to trick someone else in your circle of friends and family. People sometimes tell criminals things that they shouldn't if they think that they are communicating with someone they know.

Think before you click

Do you know who sent that email?

Passwords

One of the most important things you need to learn is how to create strong passwords. A password is a code you type in to let the computer know it is really you.

Having an easy to guess password could allow someone to snoop around in your private information.

The way to make your password strong is to never use your name or your birthday. Use something hard to guess, but easy for you to remember. Make your password at least 8 characters long, and mixing numbers, symbols, and upper and lower case letters makes the password strong just like Speedy. Avoid using the same password over and over. That way if they do figure out your password, they only gain access to one account. And never leave your passwords written down where someone can find it.

A great tool online that creates kid friendly passwords is the website, www.dinopass.com

Spam

Spam is basically email that you receive from different companies or strangers that you did not sign up for. Most times it isn't from real companies and usually the sender is up to no good.

Spam emails can sometimes be a phishing scam. Phishing emails are emails that look like it is from some trusted source. A place like your bank, the IRS where taxes are collected, or some other business you shop with often. They make their email look like it is the real thing with logos, and they put links in the email baiting you to click them. Once you click the link, you could be launching a program that can damage your computer in some way or collect your personal information.

Spam emails can also use winning a sweepstakes or some other type prize to trick you into trusting the email source. After they hook you in, they inform you that to collect your prize, you must give them your credit card number.

How do you know it is spam?

Spam emails typically have a bunch of spelling and grammar errors or a mention of someone you don't know in the subject line. Don't Open It! Delete those emails right away.

Malware

Malware is a program written with the intent to harm your computer in some way.

Programs such as this, may be waiting for you to do something(a trigger), so that it can run. This could be the clicking of the link or opening an email attachment.

When searching for free downloads online, be very careful. There are a lot of sites out there trying to trick you. They will pay to make their site get returned at the top of the list of search results. Then when you access the page, they use blinking buttons to trick you to click. The result of clicking usually ends up being your computer loaded up with malware.

Once your machine is infected, it can change browser settings, create unusual popup ads on your computer and then pass the malware on to someone else.

Spyware is a program that gets onto your computer through a download or a virus and it gathers information about you and sends this back to its creator.

Some of the types of information spyware might send back to home base is email addresses of you or your contacts, passwords, account numbers, and credit card numbers.

Some spyware out there records how you use your computer and what you search for online.

Adware

Adware is software that you are allowed to use by the author because of the advertisements that pop up occasionally during the game. Many of these type games you will find in the form of apps on your phone or devices.

Through the addition of advertisements, the developer gains some income that may supplement a discount to the user, sometimes making the software free.

Often after using the product with the ads, a consumer will purchase the software to get rid of the ads.

Trojan Horse

The name for the Trojan Horse virus was derived from tale of the Trojan Horse constructed by the Greeks to gain access to the city of Troy. The wooden horse was left at the gates as an offering to Athena. The horse was then wheeled into the city and out came Greek fighters hiding inside. <http://www.britannica.com/topic/Trojan-horse>

A Trojan horse virus is a form of malware that is dressed up as something interesting or software from a source we are familiar with. The purpose is to trick the person into installing it. This allows the creator of the Trojan to do damage to data or software on your computer. They also will set up a 'back door' or access point that allows them to access your system.

Trojan viruses don't spread by infecting other files and they cannot duplicate themselves.

<http://www.webopedia.com/DidYouKnow/Internet/virus.asp>

Worms

Worms are malware that can duplicate itself and spread to other computers. Worms always do something bad, even if it is just slowing things down.

Worms will frequently set up the ability for computers to be taken over by the worm's author by creating backdoors on the host computer. These computers are then called a “zombie computer”. “Zombie computers” can be used to send out spam or as a shield to hide the web address of people who want to do bad things.

<http://www.webopedia.com/TERM/Z/zombie.html>

Virus

A virus is a small program that is created to spread from one computer to the next and to mess up the way your computer works.

Many times viruses hop from computer to computer via email attachments or messages. They can also hide in funny pictures(memes), e-cards, or other desirable file attachments. It can also be sent through an instant message.

A virus can corrupt your data, or worse, delete it. It can also email copies of itself to your friends.

Keeping your anti-virus software up to date is key to protecting against the latest viruses and other security threats.

<https://www.microsoft.com/security/pc-security/virus-what-is.aspx>

Social Media

Privacy settings on social media accounts are set up as public when you first get one. Unless you want everyone to be able to look at all of your photos and other private stuff, you must go into your account settings and change this.

Something to remember is whatever you post and say on your page can be shared by your friends. Think about what you post online, BEFORE you do it. What you post, could be seen by anyone at any time depending on your settings and the friends you keep. Because we can take pictures of our screens, there is really no setting that can protect you. Think twice about what you are sharing with others, so there are no regrets later.

Make sure you know the people that you accept friend requests from. Sometimes people try to friend you to hack your Facebook account or access your contacts. Once you are hacked they will send out strange messages or friend requests to your contacts. Protect your friends and yourself by being cautious with friends and creating strong passwords for your social media accounts.

Geotagging

Geotagging is the bit of data that your electronic device packages with your picture that has information about where the picture was taken. This is something that can be turned on and off in your device and typically comes turned on until you change the setting.

When your photo is geotagged, this gives people information about your location. Letting outsiders know where you are, can allow them to plan to steal your belongings or vandalize your home.

Consider if you post a photo every Wednesday in your outfit ready to walk to ball practice and geotagging is turned on. This shows you have a routine and gives a rough area you will be in. A predator could come and take you away.

Another issue with allowing the geotagging to occur is you don't have control of your own privacy. Everyone does not need to know where you are all of the time, keep this information private.

Be Careful of What You Say!

Defamation: Defamation is the blanket word used for all types of untrue statements made about others. [Definition of Defamation on Law.com](#)

Slander: When someone orally tells one or more people an untruth about someone, which will harm the reputation of the person it is about. It is not slander if the untruth is in writing of some sort or if it is broadcast through television or radio.

[Definition of Slander on Law.com](#)

Libel: This is where someone publishes to print(including pictures), written word, online posts, blogs, articles, or broadcast through radio, television, or film, an untruth about another which will do harm to the person's reputation. [Definition of Libel on Law.com](#)

Be Careful of What You Say!

Much of the things people post online may get ignored, and you may get lucky and avoid legal action. But, when someone gets angry and files a lawsuit it can cause a major headache and possibly hit you hard in the wallet.

You might think you should have a right to openly complain about a company and their bad service or lousy product. Well when it comes to this, it is not always that simple. You can get sued for this and even if the judge agrees with you, you still have to pay for a defense attorney. Think twice and make sure that whatever you have to say is worth any headache you may have pop up later.

<http://ideas.time.com/2013/01/07/yelp-reviewers-beware-you-can-get-sued/>

On social media, people get into the habit of letting their emotions get the better of them and they end up speaking their minds about others online. When that person feels that this damages their character, they may opt to sue the other person for defamation. Even if their case is not successful, the stress, money, and time that you spend defending yourself is not worth it. To read more about defamatory social media posts, [click here](#).

Stranger Danger Online

When you think of being on your computer or other electronic device in your own home, you probably think you are safe. Your mom is in the next room, what could happen?

Well there are people online that are up to no good. They go in chat rooms and pop up on your instant messenger, looking for someone to “groom”.

What is grooming you say? Well, grooming is when a stranger(can be any age) finds someone they are interested in, usually a minor. They act really nice and maybe they pretend they are much younger than they really are, like they are a kid just like you. Then they try to get you to like them and to trust them. They may ask you not to tell anyone you are talking to them. This is not okay and is a warning sign of a possible groomer.

How to Protect Yourself in Online Chats

- Choose chat sites designed for kids, such as www.kidzworld.com. Kidzworld is moderated and its aim is to protect kids from unwanted requests and online bullying.
- Beware of people you don't know. If they are asking too many questions or being too friendly they may be up to no good.
- If someone asks you to send them a picture or sends you a picture or video that is inappropriate, tell an adult or report them to the site moderators.
- Don't give out personal information to strangers online
- Don't tell strangers where you live or give them your telephone number
- Don't send strangers pictures of you or others
- If you are being bullied or threatened online, tell an adult or someone you trust

Cyberbullying

- Cyberbullying is the **willful and repeated harm** inflicted through the use of computers, cell phones, and other electronic devices.
- Using PhotoShop or other tools to create harassing images.
- Posting jokes about another person on the internet
- Using the internet to entice a group to physically harm another person.
- Making threats online using IM, email, social networking sites, or other electronic devices.

Consequences of Cyberbullying

Anything that you write, pictures that you post, or videos that you upload can be used by your school to suspend you.

College students have been removed from their athletic teams and lost college funding for writing negative comments about their coach.

When applying to colleges, they will search online to see what kind of person you are. They can deny you access if they don't like what they find.

When businesses are looking at people to hire for a job they will many times use social media to see what kind of person they are. Mean or inappropriate type posts can prevent you from getting the job you desire.

Cyberbullying can also be considered a crime and participating in this type of behavior can land you in big trouble.

Consequences of Cyberbullying

- § 18.2-152.7:1. Harassment by Computer; Penalty makes cyberbullying a crime.
- Carries a \$2500 fine and punishable by up to **12 months in prison.**

There are many websites designed to inform and decrease the number of bullying cases we see each year. The U.S. Department of Health and Human Services has created a website with lots of resources to help combat bullying of all kinds - www.stopbullying.gov
If you experience cyberbullying or witness it, tell someone such as a school counselor, teacher, or a parent.

The Effects of Cyberbullying

- Victims feel depressed, sad, angry, and frustrated.
- Victims become afraid and/or embarrassed to attend school.
- Can lead to low self-worth, family problems, academic problems, school violence, and bad behavior.
- Victims can also develop thoughts of killing themselves and possibly act on these feelings.
- There are no positive effects of cyberbullying, only pain and suffering for the victims.
- The affects of being bullied can affect the victim into adulthood and prevent them from being all they can be in the future.

Dealing with Cyberbullying

- Never do the same thing back, 2 wrongs don't make a right
- Tell them to stop
- Block their access to you
- Report it to the site you are on such as Facebook or Twitter
- NEVER pass along messages from cyberbullies, stop the spread of this behavior
- Set up privacy controls and keep the bully out of your friends list
- Don't be a cyberbully yourself
- If you witness someone getting bullied, tell someone so it can be stopped. Many times the person being bullied won't tell out of fear.
- Spread the word that bullying is not cool
- Don't laugh or encourage the bully, it is not funny and it can lead to major trouble for the person doing the bullying.

About Sexting

“Sexting” is when someone sends or receives sexually explicit or non-PG Rated pictures or video electronically, mainly via cell phones or tablets.

The numbers on how many teens say that they have sent/posted nude or semi-nude pictures or videos of themselves is upsetting.

20% of teens between 13 to 19 years of age have engaged in sexting.

22% of teen girls

18% of teen boys

11% of teen girls between 13 to 16 years of age have engaged in sexting.

Did you know that if you forward a picture of a sexual or nude photo of someone underage, you are as responsible for the image as the original sender?? You can be charged with a crime.

Many teens don't realize that if you send a picture of yourself that is inappropriate and that picture ends up online, it could be there forever. You can never fully delete things that end up on the web.

About Sexting

There is no age minimum that protects young people from getting charged with a sexual offense.

Something that you think is okay or just a joke, might land you in a ton of trouble. For example, you might take a picture of your friend naked to embarrass them, but if they are under the age of 18, this is considered production of child pornography.

If you are sent something inappropriate, do not share it and don't delete it. Tell an adult immediately. You may feel like you are getting your friend into trouble, but you are protecting yourself and you are protecting them. They may not be thinking about the consequences or the effect this behavior can have on their future.

Anyone that gets convicted of a sex offense, will have to register as a sex offender. Sex offenders have to keep their address updated and keep a current photo with the police. The information goes on the sex offender registry where anyone can go and see your picture and where you live online.

REMEMBER: You can't control what other people do with your photos. Even if you think you are sending it to someone you can trust, they may end up surprising you. You can't trust anyone with something as private as that. Don't Do It!

Legal Consequences of Sexting

- The Virginia Department of Education has an excellent resource with real life examples of the consequences of sexting that can be found [here](#).
- The Attorney General's Virginia Rules website is designed to give Virginia Youth information on all the laws in the state. [Virginia Rules](#) has extensive information on sexting and other internet security risks.
- This article in The Virginian-Pilot tells a story of five Virginia teens getting charged with felonies for sexting and being in possession of sexually explicit photos of a minor, read more about it [here](#).

Marketing Plan for units meeting accessibility
requirements of HUD section 504

PIEDMONT HOUSING ALLIANCE

501-A Cherry Avenue

MARKETING PLAN FOR HUD SECTION 504 UNITS

OWNER'S INTENT

501-A Cherry Avenue proposes to include five (5) units for people in need of rental housing with full accessibility under Section 504 of the Rehabilitation Act of 1972. The accessible units will be held vacant for a minimum of sixty (60) days during which ongoing marketing efforts will be documented. During this time, Alliance Management, acting as agent for the ownership, will actively market these units. If a qualified household is not identified during this period, Alliance Management will submit evidence of marketing to VHDA's Program Compliance Officer and request approval to rent the unit to any income-qualified household. If the request is approved, the lease will contain a provision that the household must move to a vacant unit if a household including a person with a disability applies for the unit. The move will be paid for by the Owner.

IMPLEMENTATION OF OWNER'S INTENT

Alliance Management, the Management Agent, will rent accessible units only to qualified households, unless granted consent to lease to other income-qualified households by Virginia Housing after the initial 60-day marketing effort has concluded. Focused marketing efforts will occur as well as normal routine marketing strategies, to ensure qualified individuals are aware of the availability of accessible units.

CONCENTRATED MARKETING EFFORTS

VirginiaHousingSearch.com - Alliance Management will post available 501-A Cherry Avenue on the virginiahousingsearch.com website. We will communicate that the apartment community has accessible units.

Virginia Department of Medical Assistance Services (DMAS) or Virginia Department of Behavioral Health and Developmental Services (DBHDS) - Alliance Management will work through the lease up process to establish a referral process with both agencies. Alliance Management will continue after the lease up phase to inform both agencies of upcoming phases and rental opportunities at 501-A Cherry Avenue.

Local Hospitals – Alliance Management will work with both area Health Systems (University of Virginia Health System and Martha Jefferson Sentara) as well as smaller clinics and doctors' offices and their discharge departments to advise them of the local accessible and available units at 501-A Cherry Avenue.

Local Housing Authorities – Alliance Management will work continually with local housing authorities to communicate the availability of Section 504 accessible units at 501-A Cherry Avenue.

Local Non-profits- Alliance Management will work to keep all non-profit agencies that work with and support residents of 501-A Cherry Avenue aware of all Section 504 accessible units available for rent.

Local Department of Social Services – Alliance Management will keep in contact with Albemarle County and the City of Charlottesville Departments of Social Services. Through consistent contact, Alliance Management will provide both departments with information and updates on available Section 504 accessible units.

Region Ten Community Services Board – Alliance Management will work with Region Ten Community Services Board to establish and maintain a referral process for potential residents at 501-A Cherry Avenue, including clients that require Section 504 accessible units.

Virginia Housing – Ensure Virginia Housing representatives charged with accessible unit outreach are aware of the availability of HUD Section 504 units at 501-A Cherry Avenue.

NORMAL ROUTINE MARKETING

Industry Publications/Newspaper/Internet Advertisements – Alliance Management will, through their normal process of marketing the property, note the available Section 504 accessible units. Alliance Management will market the units through websites, such as apartments.com and BRAC (Blue Ridge Area Apartment Council).

Resident Newsletters – Alliance Management will announce available Section 504 accessible units in its periodic newsletters distributed to all residents in its management portfolio.

Referrals – Alliance Management will work with existing residents across its portfolio to make them aware of the available accessible units.

Alliance Management and Piedmont Housing Alliance will work collaboratively to make sure that Section 504 accessible units are marketed across their management and development portfolios as well as the areas mentioned in the marketing plan. Alliance Management and Piedmont Housing Alliance will also work to develop new ways and identify other organizations to market the Section 504 accessible units throughout the life of the development.
