Either (i) at least 20% of the units must be rent-restricted and occupied by persons whose incomes are 50% or less of the area median income adjusted for family size (this is called the 20/50 test), (ii) at least 40% of the units must be rent-restricted and occupied by persons whose incomes are 60% or less of the area median income adjusted for family size (this is called the 40/60 test), or (iii) 40% or more of the units are both rent-restricted and occupied by persons whose income does not exceed the imputed income limitation designated in 10% increments between 20% to 80% of the AMI, and the average of the imputed income limitations collectively does not exceed 60% of the AMI (this is called the Average Income Test (AIT)). All occupancy tests are described in Section 42 of the IRC. Rent-and income-restricted units are known as low-income units. Credit Points for 9% Credits:

If the Combined Max Allowable Credits is \$500,000 and the annual credit requested is \$200,000, you are providing a 60% savings for the program. This deal would receive all 200 credit points.

For another example, the annual credit requested is \$300,000 or a 40% savings for the program. Using a sliding scale, the credit points would be calculated by the difference between your savings and the desired 60% savings. Your savings divided by the goal of 60% times the max points of 200. In this example, $(40\%/60\%) \times 200$ or 133.33 points.

Tax Exempt Deals are granted a starting point value greater than zero to allow for the nature of these deals.

| Combined Max | \$593,807 |
| Credit Requested | \$360,000 |
| % of Savings | 39.37% |
| Sliding Scale Points | 131.23 |

Cost Points:

If the Applicable Cost by Square foot is \$238 and the deal’s Proposed Cost by Square Foot was \$119, you are saving 50% of the applicable cost. This deal would receive all 100 cost points.

For another example, the Applicable Cost by SqFt is \$238 and the deal’s Proposed Cost is \$153.04 or a savings of 35.70%. Using a sliding scale, your points would be calculated by the difference between your savings and the desired 50% savings. Your savings divided by the goal of 50% times the max points 100. In this example, $(35.7\%/50\%) \times 100$ or 71.40 points.

**HISTORY
OF
PETERSBURG COMMUNITY DEVELOPMENT CORPORATION, INC. ("PCDC")**

PCDC is a Virginia non-profit corporation organized in November, 1989. Historically, its purposes included developing and owning housing that is affordable to low and moderate income individuals residing anywhere in the United States. PCDC is designated as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. PCDC's primary sources of funding since 2008 have been CDBG grants from the City of Petersburg (the "City" or "Petersburg"), The Cameron Foundation ("Cameron"), the Virginia Department of Housing and Community Development ("DHCD"), contract work performed for the City, and private donations.

In its early years, PCDC acquired single family residences through donation to PCDC and then proceeded to renovate the buildings using home improvement loans from local banks; the homes were sold to low and moderate-income persons. Most purchasers of the homes were first-time homeowners. In all, 19 single family houses were purchased and renovated by PCDC by 2004.

The second phase of PCDC's history began when PCDC was approached by the Petersburg Redevelopment and Housing Authority ("PRHA") in 2005 about having PCDC apply for certification as a CHDO through DHCD. PRHA was interested in sponsoring a non-profit corporation that could become certified as a CHDO for the purpose of developing affordable housing in the Petersburg, Virginia metropolitan area, and using HOME funds for staffing expenses and project-specific "hard costs." In order to be certified as a CHDO, PCDC had to reorganize as a non-member organization and restructure its Board of Directors. PCDC received that certification in September, 2007. The administration of the City of Petersburg has supported the activities of PCDC since its organization, and PCDC has received positive news coverage of its successes.

PRHA desired for PCDC to assume a leadership role in the Petersburg community by making affordable housing available to persons in need and who had been underserved by State, Federal and local agencies. Among the goals of PCDC has been to work with the City administration to map out a strategy for filling the void left by HUD's inability to fund the development of new housing and rehab aging housing stock.

The first major initiative in the "new era" was the development of single-family detached homes on Van Buren Street in Petersburg, across from the Cedar Lawn Townhouses. This development, known as "Van Buren Estates," was begun by constructing two model homes, both of which were sold in 2009. Due to differences between PCDC and PRHA regarding the target costs of affordable housing, PCDC assigned its development rights in Van Buren Estates to PRHA, and thereafter focused its efforts on other projects more in keeping with its mission.

PCDC's second major project was the Henry Williams Townhomes (formerly known as "Owens Court"), 42 townhomes for rent constructed on a Gillfield redevelopment site at the intersection of Lee Avenue and South South Street in Petersburg. The project development costs were over \$10 million. With funding by Cameron and with assistance by PCDC's co-development partner, T.M. Associates, PCDC was able to purchase the site from the City, obtain rezoning, the project was designed, a market study completed, a low-income housing tax credit ("LIHTC") application submitted to the Virginia Housing Development Authority ("VHDA"), and an Affordable Housing Production Program ("AHPP") application was submitted to DHCD. The Henry Williams project received a reservation of LIHTC from VHDA worth over \$6,836,000 when syndicated. Boston Capital purchased the LIHTC. The LIHTC application to VHDA for the Henry Williams Townhomes was ranked first in the Richmond region pool by VHDA in the 2010 round. This project also received an AHPP grant from DHCD in the amount of \$417,000 for a portion of the permanent mortgage and a \$50,000 grant for PCDC operating funds. Groundbreaking occurred in June, 2011 and the townhomes were completed in November, 2012. Today, occupancy remains near 100%.

PCDC has participated in the revitalization of the Halifax-Harding Revitalization Area containing approximately 900 homes, vacant lots and businesses generally in the vicinity of Halifax and Harding Streets in Petersburg (the "Halifax Project"). Non-profit organizations such as Better Housing Coalition, Restoration of Petersburg CDC, Virginia LISC and Triangle Center for Development, Inc. have collaborated with PCDC under the name of the "Halifax Partnership" to effect substantial changes in this targeted neighborhood.

PCDC's redevelopment activities in this targeted area are aligned with the City's Comprehensive Plan which states that "a complete redevelopment plan should be created" in the Halifax community. The Halifax Project was supported by City Council in 2010-2011 with a planning grant of \$25,000 for a study, and again in 2011-2012 with a grant of \$75,000 for preparation of a redevelopment plan. A draft Redevelopment Plan was presented to the City Planning Department and the PRHA Board in August, 2013, but no action was ever taken by City Council. While the Halifax Project has been declared to be one of the City's priorities for redevelopment, the lack of City capital improvement funds to upgrade infrastructure in that area has halted that Project.

During the summer of 2013, Petersburg City Councilman W. Howard Myers contacted PCDC about renovating the abandoned Virginia Avenue Elementary School as a community health and wellness center for the City. The City Administration supported the idea and issued an RFP for a feasibility study for the project. PCDC was selected in December, 2013 by a committee appointed by the City to perform this engagement, and work on the study began in January, 2014. The study was presented to City Council on June 17, 2014 and adopted on July 1, 2014. Subsequently, the City issued an RFP for a developer for this project, with a deadline for submission of proposals of November 12, 2014. PCDC submitted its proposal and was selected as the developer on November 24, 2014.

The redevelopment costs were to be covered largely by federal and state historic tax credits and grants from organizations supporting healthcare and wellness initiatives. The City

committed to lease approximately 40% of the space in the renovated building for its parks and recreation operations, and PCDC received expressions of interest from Bon Secours for a medical clinic and FeedMore for a food pantry in the renovated space. Community Health Alliance, a 501(c)(3) organization active in Richmond and Petersburg, was PCDC's administrative partner responsible for handling all funds and grant administration. Construction was to begin in late spring 2015 with a 12-month construction period, but the City reneged on its obligation to lease space as the anchor tenant and Community Health Alliance subsequently went out of business. As a result, PCDC had to abandon this project.

In the Summer of 2017, the PCDC Board decided to "reinvent" PCDC. The plan going forward would be for PCDC to hold (i) rights of first refusal and purchase options on LIHTC projects that would be exercisable after the end of the LIHTC tax credit compliance period, and (ii) minority equity interests in certain LIHTC projects. Mr. James Hendricks has served as the President of PCDC since 2017. Today, PCDC owns equity interests in 18 affordable apartment projects and rights of first refusal in 8 such projects.

In 2019 PCDC was the development partner and co-General Partner in five developments that successfully received 9% Tax Credit Allocation in Maryland and Virginia. Most notably, the Coile, which received VHDA's Innovation LIHTC allocation.

RE: 2024 Tax Credit Reservation Request (competitive 70% present value credits)

Name of Development: Reese Village Apartments
Name of Owner: Reese Village TM LLC

Dear Virginia Housing:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package dated March 14, 2024 (of which this opinion is a part) (the "Application") submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low-income housing tax credits ("Credits") available under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the "Regulations").

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Hard Costs and Owners Costs section of the Application form, complies with all applicable requirements of the Code and Regulations.
2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.
3. The appropriate type(s) of allocation(s) have been requested in the Reservation Request Information section in the Application form.
4. The information set forth in the Unit Details section of the Application form as to proposed rents exceeds the Code rent restrictions; however, the Development will satisfy all applicable requirements of the Code and Regulations due to subsidies such that no tenant will pay rents in excess of what is dictated by the Code and Regulations.

WILLIAMS MULLEN

March 14, 2024
Page 2

5. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application, for a period of not less than four (4) months beyond the application deadline.
6. The type of the nonprofit organization involved in the Development is an organization described in Code Section 501(c)(3) or 501(c)(4) and exempt from taxation under Code Section 501(a), whose purposes include the fostering of low-income housing.
7. The nonprofit organizations' ownership interest in the development is as described in the Nonprofit Involvement section of the Application form.
8. It is more likely than not that the representations made under the Rehab Information section of the Application form as to the Development's compliance with or exception to the Code's minimum expenditure requirements for rehabilitation projects are correct.
9. After reasonable investigation, the undersigned has no reason to believe that the representations made under the Rehab Information (Ten-Year Rule) section of the Application form as to the Development's compliance with or eligibility for exception to the ten-year "look-back rule" requirement of Code 42(d)(2)(B) are not correct.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon compliance by the Owner with the requirements of Code Section 42(h)(1)(E), the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("Virginia Housing") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by Virginia Housing and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

RE: 2024 Tax Credit Reservation Request (competitive 70% present value credits)

Name of Development: Reese Village Apartments
Name of Owner: Reese Village TM LLC

Dear Virginia Housing:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package dated March ~~—~~14, 2024 (of which this opinion is a part) (the “Application”) submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low-income housing tax credits (“Credits”) available under Section 42 of the Internal Revenue Code of 1986, as amended (the “Code”). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the “Regulations”).

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Hard Costs and Owners Costs section of the Application form, complies with all applicable requirements of the Code and Regulations.

~~2. [Select One]~~

2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.

~~OR~~

~~Assuming that you designate the buildings in the Development as being in a difficult development area pursuant to Code Section 42(d)(5)(B)(v), the calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.~~

3. The appropriate type(s) of allocation(s) have been requested in the Reservation Request Information section in the Application form.

4. ~~[Select One]~~

~~4.~~ The information set forth in the Unit Details section of the Application form as to proposed rents ~~satisfies all applicable requirements of the Code and Regulations.~~

~~OR~~

~~The information set forth in the Unit Details section of the Application form as to proposed rents exceeds the Code rent restrictions; however, the Development will satisfy all applicable requirements of the Code and Regulations due to subsidies such that no tenant will pay rents in excess of what is dictated by the Code and Regulations.~~

5. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application, for a period of not less than four (4) months beyond the application deadline.

6. ~~[Delete if inapplicable]~~—The type of the nonprofit organization involved in the Development is an organization described in Code Section 501(c)(3) or 501(c)(4) and exempt from taxation under Code Section 501(a), whose purposes include the fostering of low-income housing.

7. ~~[Delete if inapplicable]~~—The nonprofit organizations' ownership interest in the development is as described in the Nonprofit Involvement section of the Application form.

8. ~~[Delete if inapplicable]~~—It is more likely than not that the representations made under the Rehab Information section of the Application form as to the Development's compliance with or exception to the Code's minimum expenditure requirements for rehabilitation projects are correct.

9. ~~[Delete if inapplicable]~~—After reasonable investigation, the undersigned has no reason to believe that the representations made under the Rehab Information (Ten-Year Rule) section of the Application form as to the Development's compliance with or eligibility for exception to the ten-year "look-back rule" requirement of Code 42(d)(2)(B) are not correct.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon compliance by the Owner with the requirements of Code Section 42(h)(1)(E), the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("Virginia Housing") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by Virginia Housing and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

REHABILITATION ACTIVITIES

Reese Village TM LLC intends to purchase the existing Reese Village Apartments, and a significant capital investment is planned. The planned acquisition of the property is scheduled to occur in April 2025.

This renovation plan as it relates to Reese Village Apartments. The property consists of 40 apartment units offering one-bedroom and two-bedroom units. The leasing office for Reese Village Apartments will remain where it is located. Existing community amenities include a community room space, with kitchen, for resident activities, as well as a secondary seating area with vending. The scope of work for rehabilitation includes, but is not limited to the following:

- Replacement of kitchen cabinets and countertops
- Replacement of bathroom vanities and toilets replacement of select tubs
- Replacement of water heaters and HVAC units
- Replacement of windows
- Upgrades to electrical and plumbing systems, including new lighting and ceiling fans
- Installation of new flooring in most units
- Replacement of appliances in most units and installation of dishwashers
- Increased attic insulation
- Site improvements, including new landscaping, replacement of select sidewalks and a new building entry

The new appliances and mechanical equipment will offer higher efficiency than what is currently being used at the property. Along with new windows and new insulation, the units will be significantly more energy efficient and should lead to lower utility bills for the resident.

PROJECT SCHEDULE

The rehabilitation work will be performed by a large general contractor with significant experience managing rehabilitation projects of this scope. The construction is intended to progress with exterior work being completed first, followed by interior work and finishes. This plan contemplates a construction start of June 1, 2025. The planned renovation work is expected to be materially complete by December 31, 2025, with the punch list work expected to be complete by March 2026. The schedule for construction activity will be updated regularly with sufficient notification to residents for work that needs to be completed in their apartment. Once the schedule is finalized, this plan will be updated and redistributed as needed. All the renovation work is intended to be completed around the existing residents, with the residents to remain in their unit, but both the community room and seating area will be available for the residents to enjoy while work is ongoing in their apartment should they choose to not remain in their apartment.

Start Renovation June 1, 2025, Substantially Complete Renovation by December 31, 2025 with all work anticipated to be completed by March 31, 2026. This schedule is subject to change and the residents will be notified of schedule changes as soon as possible.

RESIDENT IMPACT

The property management staff, and company will not change and the same experienced property manager, known for their professionalism and attentive service to the residents they serve. All the members of the management team will be tasked to keep the residents informed of changes to the renovation plans throughout the construction period. The proposed construction activity in each unit will be performed in such a fashion to limit resident inconveniences.

Resident furnishings and belongings will be moved as needed by the general contractor and subcontractors at the ownership’s expense. We ask that the residents please pack-up their small items and valuables with materials that property management will furnish. As needed, assistance can be provided for residents with special needs.

RENTS AND RENTAL POLICIES FOLLOWING REHABILITATION

Reese Village Apartments is being renovated using housing tax credit financing along with a new mortgage. With this source of financing, housing costs, including rent and an allowance for tenant-paid utilities, are restricted to be affordable to households that earn 60% of the Area Median Income (AMI) and below. Also, only households with incomes below 60% of the Area Median Income (as adjusted for household size) are eligible to live in the community.

These rent and income restriction are no different than what is currently in place for the property under the previous ownership, so it is expected that all existing residents at Reese Village Apartments will be income qualified. Property Management will annually certify the incomes of the residents and they will reach out to each of the existing residents to verify the income of the household.

Current income limits and the projected post-rehabilitation rents are shown in the attached Tenant Selection Plan for the property. Due to the project based rental subsidy contract on most of the units, the resident paid portion of the rents is not expected to change for these units.

Residents will continue to be responsible for their own electrical costs, which includes heat, air conditioning, cooking, water heating, and lighting/general electric use. Residents are also responsible for any optional services desired, such as telephone, cable TV or internet service. Following completion of the renovation work, the water and sewer service will be individually sub metered and the resident will become responsible for this billing. Trash service will continue to be paid for by the ownership.

Rent and Utility Changes Proposed

| | Current Rents | Proposed Rents |
|------------------------|----------------------|-----------------------|
| 1 Bedroom Units | \$613/Month | \$1,035/Month |
| 2 Bedroom Units | \$681/Month | \$1,185/Month |

Utility Allowance Changes Proposed

| | Current UA | Proposed UA |
|------------------------|-------------------|--------------------|
| 1 Bedroom Units | \$166/Month | \$168/Month |
| 2 Bedroom Units | \$198/Month | \$198/Month |

Permanent Relocation

Existing residents are NOT expected to be permanently relocated as a result of the acquisition or rehabilitation of Reese Village Apartments. If a current resident is found to be over income or found to have been over income when the resident initially occupied their unit, they will be permanently relocated from Reese Village Apartments property. As the previous ownership of Reese Village was held to the same income verification requirements as the new ownership, we do not expect there to be any situation where a current resident will be found to not qualify for their apartment unit.

The site management team will provide Full Relocation Assistance as required in VH's Relocation Assistance Guidelines. Such assistance includes Advisory Services and Moving Cost Reimbursement to the extent a relocation is necessary to perform the planned renovation work.

OWNER'S RESPONSIBILITIES TO TENANTS

Advisory Services will include:

- Provides referrals for tenants to replacement properties, and contacts said properties to request priority for persons being displaced.
- Provides tenants with written information and/or translation services in their native languages if necessary
- Provides appropriate counseling for tenants who are unable to read and understand notices

- Understand and anticipate the needs of families and the elderly and able to meet the special advisory services they may need
- Allow and make tenants aware that appointments can be scheduled outside of normal business hours if needed.

Moving Cost Reimbursement to displaced residents will be based on the following guidelines:

- The Federal Highway Administration's Fixed Residential Moving Cost Schedule (includes utility hook up costs) for Virginia is as follows:
 - 1 Room of Furniture-\$700
 - 2 Rooms of Furniture-\$900
 - 3 Rooms of Furniture-\$1,100
 - 4 Rooms of Furniture-\$1,300
- OR
- Based on tenant's actual reasonable moving and related expenses. Reimbursement of actual moving and related expenses is defined as either labor or equipment.
 - As needed, residents will receive assistance in packing and moving furniture and belongings.
 - Temporary storage units will be provided for convenience as well.

Temporary Relocation

All residents are scheduled to remain in their same apartment after renovations. All tenants will be able to reside in their units throughout the renovation, however 4 units will receive significant handicap upgrades that may necessitate a temporary relocation of the resident.

Residents temporarily relocated will be offered Moving Cost Reimbursement. Most residents that are temporarily relocated will endure no more than eight weeks of relocation. Residents will

receive assistance in packing and moving furniture and belongings, plus temporary storage units will be provided for convenience as well. Ownership will also provide the advisory services listed above. Any tenant that is displaced for a partial day will be offered access to amenities (day room, refreshments, meals, TV, etc.) during daytime hours, up to five days.

Unit Delivery Schedule

See attached for detailed Unit Delivery Schedule

Tenant Notices

The new ownership intends to provide thorough and well-documented communication with residents of relocation and renovation plans. Initial notices have already been provided by property management, and further notices will begin on the settlement date, beyond the earlier 120-day notice. The 120-day written notice will be addressed to tenants their current address and will include the following:

- Informs the tenant that due to renovation they are required to move from the development, why they are required to move and states the move date.
- States the contact person for advisory services, types of services that are offered and hours as well as giving the option to make a scheduled appointment outside of normal hours if needed.
- Generally describes the relocation payment(s) for which the tenant may be eligible, the basic conditions of eligibility and the procedures for obtaining the payment (see Moving Cost Reimbursement below). Eligibility for relocation assistance shall begin on the date that acquisition negotiations are initiated or actual acquisition, whichever occurs first.
- States the contact information of management company if tenant has any questions or would like to discuss the assistance determination

Further notice will be provided in writing at least 30-days in advance of work commencing in the resident apartment, unless there is a health/safety concern. Mailings will be prepared in advance so that they may be mailed as of the notice date. Mailings will be addressed to the tenant at his/her current address and will include the following information:

- Specific date by which the tenant is required to move, and the time moving services will arrive at unit;
- Responsibilities of the tenant pertaining to the move and contact information in order to request assistance with said responsibilities;
- The address to which the tenant will be relocated;
- If applicable, the date on which the move-in inspection will be completed.

Where a mold condition in the dwelling unit materially affects the health or safety of any tenant or authorized occupant, the owner may require the tenant to temporarily vacate the dwelling unit in order to perform remediation, in accordance with professional standards as defined in Code Section 55-248.4 for a period not to exceed 30 days. The landlord shall provide the tenant with either (i) a comparable dwelling unit, as selected by the landlord, at no expense or cost to the tenant, or (ii) a hotel room, at no expense or cost to the tenant. See Code Section 55-248.12:2. Notice to the tenant

Copies of all notices with tenant acknowledgement will be provided to VHDA as soon as possible.

This Renovation and Relocation Plan will be made available to residents upon request and will be posted in the leasing office in plain sight for tenant review. Copies of all notices, checks and other documents related to the relocation will be included in each tenant's file.

Moving Cost Reimbursements

Residents seeking reimbursement of actual moving expenses must provide documentation of the Tenant's Actual Reasonable Moving and Related Expenses, including bills, certified prices, appraisals or other evidence of expenses within 30-days of receiving same. The ownership's responsibilities with respect to Moving Cost Reimbursements are as follows:

- Owners must provide reasonable assistance necessary to complete and file tenants' claims for payment.
- Moving cost reimbursements shall be made upon receipt of billing documentation from the tenant.
- Owners must provide expedited return of security deposits or allow tenants to apply security deposits to the last month's rent.
- Owners must make advanced payments, if a tenant demonstrates the need, in order to avoid or reduce a hardship.
- If the owner disapproves all or part of a payment claimed or refuses to consider the claim on its merits because of untimely filing or other grounds, it shall promptly notify the claimant in writing of its determination, the basis for its determination and the procedures for appealing that determination.
- An owner shall not propose or request that a displaced tenant waive his or her rights or entitlements to relocation assistance and benefits.

OWNER'S RESPONSIBILITY TO VHDA

A Final Moving Cost Reimbursement summary in rent roll format (by tenant, by unit) will be submitted to VHDA no later than 30-days after the last tenant is relocated. In addition, the ownership will provide a certification that the Owner has met the VHDA Moving Cost Reimbursement and Relocation Assistance Guidelines.

PLAN UPDATES

This plan may be updated from time to time. Copies of the updated plan will be made available to residents affected by the project. This current plan was drafted in accordance with 2024 VHDA Relocation Assistance Guidelines.

INDEPENDENT AUDITOR'S REPORT

To the Partners of
Reese I Limited Partnership

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Reese I Limited Partnership, which comprise the balance sheets as of December 31, 2022 and 2021 and the related statements of operations, partners' equity (deficit), and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of Reese I Limited Partnership as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Reese I Limited Partnership and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Reese I Limited Partnership's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement due to fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Reese I Limited Partnership's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Reese I Limited Partnership's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

The information included with the supplemental information described below that has been marked "unaudited" has not been subjected to the auditing procedures applied in the audit of the financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental information required by the *United States Department of Agriculture Rural Development* is presented for purposes of additional analysis.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 12, 2023 on our consideration of Reese I Limited Partnership's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Reese I Limited Partnership's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Reese I Limited Partnership's internal control over financial reporting and compliance.

Reese I Limited Partnership
Notes to the Financial Statements
Years ended December 31, 2022 and 2021

1. Organization and Nature of Operations

Reese I Limited Partnership (the Partnership) was formed in February 2002 for the purpose of acquiring, developing, rehabilitating and operating a 40-unit apartment community known as Reese Village Apartments located in Emporia, Virginia. The community is financed by a U.S.D.A. Rural Development (RD) Section 515 Loan, and therefore is regulated by RD as to rent charges and operating methods. Operations commenced in 2003.

The management of the Partnership and the ongoing management of Reese Village Apartments are vested in the Partners. The Partnership has hired TM Associates Management, Inc. to provide day-to-day management for the project. Compensation for such services is determined under the Partnership and Management Agreements.

The Partners' interests as of December 31, 2022 and 2021 are as follows:

| | |
|--|----------------|
| MARG Rural, LLC (General Partner) | 0.01% |
| Margolis Family Investments, LLC (Limited Partner) | 99.99% |
| | <u>100.00%</u> |

2. Significant Accounting Policies

Basis of Accounting

The Partnership prepares its financial statements on the accrual basis of accounting consistent with accounting principles generally accepted in the United States of America (GAAP).

Cash, Cash Equivalents and Restricted Cash

Cash and cash equivalents include all cash balances on deposit with financial institutions and highly liquid investments with a maturity of three months or less at the date of acquisition.

Restricted cash includes cash held with financial institutions for refunds of tenant security deposits, annual insurance and property tax payments, and repairs or improvements to buildings which extend their useful lives.

Accounts Receivable and Bad Debts

Tenant rent charges for the current month are due on the first of the month. Tenants who are evicted or move out are charged with any damages or cleaning fees, if applicable. Tenant receivable consists of amounts due for rental income, security deposit or any other charges billed to the tenants by the property. The Partnership does not accrue interest on the tenant receivable balances.

Reese I Limited Partnership
Notes to the Financial Statements - continued
Years ended December 31, 2022 and 2021

Tenant receivables are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of the accounts by management. GAAP requires that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not materially different from the results that would have been obtained under the allowance method. There were no bad debts expensed during the years ended December 31, 2022 or 2021.

Rental Property

Rental property is recorded at cost. Improvements are capitalized, while expenditures for maintenance and repairs are expensed as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the Statements of Operations. The rental property is depreciated using the straight-line method over estimated service lives as follows:

| | |
|----------------------------|--------------|
| Buildings and improvements | 27.5 years |
| Land improvements | 5 - 15 years |
| Furniture and equipment | 5 years |

Impairment of Long-Lived Assets

The Partnership reviews its rental property for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. When recovery is reviewed, if the undiscounted cash flows estimated to be generated by the property are less than its carrying amount, management compares the carrying amount of the property to its fair value in order to determine whether an impairment loss has occurred. The amount of the impairment loss is equal to the excess of the asset's carrying value over its estimated fair value. No impairment losses have been recognized during the years ended December 31, 2022 or 2021.

Revenue Recognition

Rental revenue attributable to residential leases is recorded when due from residents, generally upon the first day of each month. Leases are for periods of up to one year, with rental payments due monthly. Other income includes fees for late payments, cleaning, damages, laundry facilities and other charges and is recorded when earned. Advance receipts of revenue are deferred and classified as liabilities until earned.

Income Taxes

Income taxes on partnership income are levied on the partners at the partner level. Accordingly, all profits and losses of the Partnership are recognized by the partners on their respective tax returns.

Reese I Limited Partnership
Notes to the Financial Statements - continued
Years ended December 31, 2022 and 2021

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Partnership to report information regarding its exposure to various tax positions taken by the Partnership. Management has determined whether any tax positions have met the recognition threshold and has measured the Partnership's exposure to those tax positions. Management believes that the Partnership has adequately addressed all relevant tax positions and that there are no unrecorded tax liabilities. Federal and state tax authorities generally have the right to examine and audit the previous three years of tax returns filed. Any interest or penalties assessed to the Partnership are recorded in operating expenses. No interest or penalties from federal or state tax authorities were recorded in the accompanying financial statements.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Return to Owner

In accordance with the Loan Agreement, the maximum annual cash return to owner allowable by RD for the Partnership is \$5,409 or 8% of the required equity investment of \$67,615, which is allocated to the partners as formulated in the Partnership Agreement.

Reclassifications

Reclassifications have been made to the prior year balances to conform to the current year presentation. The reclassifications had no impact on partners' equity (deficit) or net income (loss).

3. Restricted Deposits and Funded Reserves

Restricted cash consists of the tenant security deposits, tax and insurance escrow and replacement reserve. The restricted cash has been established in amounts considered by the lenders and partners to be adequate and in accordance with the Partnership Agreement, loan documents and regulatory agreements. Use of the accounts is restricted as defined in the Partnership Agreement and by the lender, and therefore, has been excluded from cash in the accompanying Balance Sheets.

4. Mortgages Payable

VH Mortgage Payable

The Partnership entered into a mortgage note payable to Virginia Housing for \$286,000. Monthly principal and interest installments of \$1,590 are due through maturity in 2030. The mortgage note bears interest at a rate of 4.5% per annum. The mortgage liability of the Partnership is limited to the underlying value of the real estate collateral pledged and assignment of rents and security. As of December 31, 2022 and 2021, accrued and unpaid interest totaled \$446 and \$496, respectively. For the years ended December 31, 2022 and 2021, the Partnership incurred interest of \$5,631 and \$6,222, respectively.

Reese I Limited Partnership
Notes to the Financial Statements - continued
Years ended December 31, 2022 and 2021

Debt issuance costs are being amortized using the straight-line method over the term of mortgage loan and are included within the liabilities section of the Balance Sheets. Amortization expense is included in interest expense on the accompanying statements of operations. GAAP requires that the effective interest method be used to amortize financing costs; however, the effect of using the straight-line method is not materially different from the results that would have been obtained under the effective interest method. Amortization expense for the years ended December 31, 2022 and 2021 totaled \$39 and \$38, respectively. Accumulated amortization as of December 31, 2022 and 2021 was \$936 and \$897, respectively. Estimated amortization expense for each of the next four years is \$39.

RD Mortgage Payable

The Partnership entered into a mortgage note payable to RD for \$1,284,415. Monthly principal and interest installments of \$6,763 are due through maturity in 2035. The mortgage note bears interest at 6% per annum. The Partnership also entered into an interest credit agreement in which RD provides monthly interest subsidies totaling \$4,038, reducing the mortgage interest rate to 1%. The mortgage note is secured by a mortgage on the real estate and an assignment of rents and securities. For the years ended December 31, 2022 and 2021, the Partnership incurred interest of \$21,178 and \$21,847, respectively.

The Partnership entered into an additional mortgage note payable to RD for \$140,334. Monthly principal and interest installments totaling \$675 are due through maturity in 2035. The mortgage note bears interest at a rate of 5.375% per annum. The Partnership also entered into an interest credit agreement in which RD provides monthly interest subsidies totaling \$377, reducing the mortgage interest rate to 1%. The mortgage note is secured by a mortgage on the real estate and an assignment of rents and securities. For the years ended December 31, 2022 and 2021, the Partnership incurred interest of \$2,213 and \$2,284, respectively.

The amounts due as of December 31, 2022 and 2021 are as follows:

| | <u>2022</u> | <u>2021</u> |
|---------------------------------------|---------------------|---------------------|
| Virginia Housing | \$ 118,961 | \$ 132,356 |

| | <u>\$ 1,397,482</u> | <u>\$ 1,423,715</u> |

Maturities of the mortgage note in each of the next five years are approximated as follows:

| 2024 | \$ 29,082 |
| 2025 | \$ 30,635 |

Under the Loan Agreements with RD, the Partnership is required to make monthly deposits into the reserve for replacement account and is subject to operating and return to owner restrictions.

5. Related Party Transactions

Property Management Fee

The Partnership entered into an agreement with TM Associates Management, Inc., a related party, in connection with the management of the rental operations of the Project. During the years ended December 31, 2022 and 2021, property management fee expense of \$33,864 and \$35,553, respectively, has been charged to operations. As of December 31, 2022 and 2021, \$622 and \$3,013, respectively, remained payable.

The management agent provides administrative services to the Partnership. The management agent was reimbursed \$83,640 and \$65,666 for the cost of site employee payroll and employee benefits during the years ended December 31, 2022 and 2021, respectively. As of December 31, 2022 and 2021, \$-0- and \$33, respectively, remained payable.

Insurance

The Partnership paid insurance premiums to the Chubb Group of Insurance Companies (Chubb) for coverages required under the Partnership Agreement and by the lender. Chubb in turn ceded a portion of the risk to Rural Housing Reinsurance Company International Ltd. in which principals of the partners own a minority interest through an affiliate. During the years ended December 31, 2022 and 2021, the premiums paid totaled \$13,276 and \$10,781, respectively.

Asset Management Fee

The Partnership shall pay to the Limited Partner an annual asset management fee in the amount of \$1,000 for its services in assisting in monitoring Partnership activities. The fee is cumulative and payable without interest from cash flow as defined in the Partnership Agreement. The partners have elected to suspend the accrual and payment of the investor service fee in lieu of distributions. Accrued and unpaid asset management fees as of December 31, 2022 and 2021 totaled \$6,000 and are included in Due to Partners on the accompanying Balance Sheets.

Partnership Management Fee

The Partnership shall pay the General Partner an annual partnership management fee in the amount of \$2,000 for its services in connection with the administration of the day to day business of the Partnership. The fee is cumulative and payable without interest from cash flow as defined in the Partnership Agreement. The Partners have elected to cease accrual of the partnership management fee. Accrued and unpaid partnership management fees totaled \$59,518 as of December 31, 2022 and 2021, and are included in Due to Partners on the accompanying Balance Sheets.

Reese I Limited Partnership
Notes to the Financial Statements - continued
Years ended December 31, 2022 and 2021

Due to Partners

The Partnership Agreement provides for various obligations of the partners, or its affiliates, including the obligation to provide funds for operating deficits. To support operations, the General Partner has advanced funds to the Partnership. These advances will be repaid from available cash flow, as defined in the Partnership Agreement. Operating advances of \$12,337 remained payable as of December 31, 2022 and 2021 and are included in Due to Partners on the accompanying Balance Sheets.

6. Concentration of Credit Risk

The Partnership maintains its cash, restricted deposits, and reserves with financial institutions. The bank balances are insured by the Federal Deposit Insurance Corporation up to \$250,000 at each bank. At times, these balances may exceed the federal insurance limits; however, the Partnership has not experienced any losses with respect to its bank balances in excess of government provided insurance. Management believes that no significant concentration of credit risk exists with respect to these bank balances at December 31, 2022 or 2021.

7. Current Vulnerability Due to Certain Concentrations

The Partnership's primary asset is Reese Village Apartments. The Partnership's operations are concentrated in the multifamily real estate market. In addition, the Partnership operates in a heavily regulated environment. The operations of the Partnership are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies, including, but not limited to, RD. Such administrative directives, rules and regulations are subject to change by an act of congress or an administrative change mandated by RD. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

The Partnership also receives a material portion of its revenue from RD in the form of Rental Assistance payments. The details of this agreement are provided in Footnote 8.

8. Commitments and Contingencies

Interest Credit Agreements

Under agreements with RD, mortgage subsidy is provided which reduces the effective interest rate on the mortgages to approximately 1% over the life of the Loan Agreements. RD may terminate the agreements if it determines that no subsidy is necessary or if the Partnership is determined to be in violation of the Loan Agreements or RD rules or regulations.

Reese I Limited Partnership
Notes to the Financial Statements - continued
Years ended December 31, 2022 and 2021

Rental Assistance Agreement

The Partnership has entered into a Rental Assistance Agreement with RD to provide rental assistance. The agreement provides for a maximum rental assistance commitment and expires automatically upon total disbursement of this amount but is then renewable under contract with RD pending congressional approval of budget authority. Rent subsidy for the years ended December 31, 2022 and 2021, was \$262,544 and \$256,126, respectively.

Restrictive Covenant

The Partnership's participation in the housing tax credit program requires the Partnership to enter into and be bound by a restrictive covenant. The covenant states that 100% of the project property must be maintained as low-income housing for an initial compliance period of 15 years, and for the extended use period, unless terminated after the end of the initial 15-year period.

9. Casualty Event

During 2021, a fire cause damage to the apartment community resulting in repair costs of \$34,343 and proceeds of \$56,080. The repairs were completed during 2021. The proceeds were received during 2021 and are shown net of the related repairs on the accompanying Statement of Operations.

10. Subsequent Events

Subsequent events have been evaluated through March 12, 2023, which is the date the financial statements were available to be issued, and there are no subsequent events requiring disclosure.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Partners of
Reese I Limited Partnership

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statement of Reese I Limited Partnership, which comprise the balance sheet as of December 31, 2022, and the related statements of operations, partners' equity (deficit), and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 12, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Reese I Limited Partnership's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Reese I Limited Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of Reese I Limited Partnership's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Reese I Limited Partnership's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR’S REPORT ON COMPLIANCE FOR EACH MAJOR RD PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE AUDIT GUIDE FOR AUDITS OF RD PROGRAMS

To the Partners of
Reese I Limited Partnership

Report on Compliance for Each Major RD Program

Opinion on Each Major RD Program

We have audited Reese I Limited Partnership’s compliance with the compliance requirements described in the *Audit Guide for Audits of RD Programs* (the audit guide) that could have a direct and material effect on each of Reese I Limited Partnership’s major U.S. Department of Rural Development (RD) programs for the year ended December 31, 2022. Reese I Limited Partnership’s major RD programs and the related direct and material compliance requirements are as follows:

| Name of Major RD Program | Direct and Material Compliance Requirements |
|---------------------------------------|---|
| Section 515 Rural Rental Housing Loan | Mortgage status; replacement reserve; return on investment or return to owner; equity skimming; cash receipts; cash disbursements; tenant security deposits; management functions; unauthorized change of ownership/ acquisition of liabilities; unauthorized loan of project funds |

In our opinion, Reese I Limited Partnership complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major RD programs for the year ended December 31, 2022.

Basis for Opinion on Each Major RD Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit guide. Our responsibilities under those standards and the audit guide are further described in the Auditor’s Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Reese I Limited Partnership and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that our audit provides a reasonable basis for our opinion on compliance for each major RD program. Our audit does not provide a legal determination of Reese I Limited Partnership's compliance.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, regulations, rules, and provisions of contracts or grant agreements applicable to its RD programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Reese I Limited Partnership's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally GAAS, *Government Auditing Standards*, and the audit guide will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Reese I Limited Partnership's compliance with the requirements of each major RD program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the audit guide, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Reese I Limited Partnership's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Reese I Limited Partnership's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the audit guide, but not for the purpose of expressing an opinion on the effectiveness of Reese I Limited Partnership's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of an RD program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of an RD program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of an RD program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the audit guide. Accordingly, this report is not suitable for any other purpose.

Re: Reese Village Apartments
Emporia, Virginia
40-Units

Dear Mr. Margolis,

The Richman Group Affordable Housing Corporation ("TRG") is the sponsor of investment partnerships which provide equity capital for multi-family apartment complexes that are eligible for low-income housing tax credits pursuant to Section 42 of the Internal Revenue Code of 1986 ("Low-Income Housing Tax Credits") by investing in limited partnerships that own such apartment complexes.

You have advised us that a to-be-formed single-purpose corporation (the "Managing Member") will form a Limited Liability Company, (the "Company"), which intends to acquire and rehabilitate an apartment complex located in Emporia, Virginia (the "Apartment Complex").

TRG is pleased to provide you with this letter of intent for the acquisition by an affiliated limited partnership, which will be sponsored by TRG ("Investor"), of a 99.99% limited partnership interest in the Company, subject to the terms and conditions hereof and also subject to (i) investment committee approval (ii) negotiation and execution of documentation acceptable to both parties and (iii) receipt of opinions of counsel (including corporate, tax and real estate) acceptable to the Investor. Upon the execution of this letter, TRG will commence its due diligence review and will seek an investor to acquire the limited partnership interest. The Managing Member will execute an amended and restated Operating Agreement of the Company in the Investor's standard form (the "Operating Agreement"). A guarantor acceptable to the Investor in its sole discretion (the "Guarantor") will guarantee the Managing Member's obligations to the Investor.

1. Financing: Financing of the Apartment Complex will be subject to Investor approval. It is understood that the Apartment Complex will assume a Rural Development Loan in the approximate amount of \$1,263,058 which will be re-amortized at an interest rate of 1.00% per annum for a term of 30 years (50-year amortization). It is also understood that the Apartment Complex will receive a loan from the VA SPARC/REACH Program in the approximate amount of \$1,900,000 at an interest rate of 3.95% per annum for a term of 25 years (25-year amortization). It is also understood that the Apartment Complex will receive a loan from Housing Trust Funds ("HTF") in the approximate amount of \$570,000 bearing no interest with principal payments due at maturity. It is also understood that the Apartment Complex will assume an existing Replacement Reserve of \$430,000. To the extent that a change in financing structure changes the amount of Low-Income Housing Tax Credits, then capital contributions will be adjusted accordingly. The Managing Member must deliver any required approval of the admission of the Investor to the Company prior to such admission (the "Closing"). The preparation, filing and processing of such application and all costs and expenses thereof, shall be the sole responsibility of the Managing Member and/or the Company. All loan documents shall provide that notices of default and foreclosure shall be sent to the Investor, as well as to the Managing Member.

2. Capital Contributions of the Investor: The "Capital Contribution" as set forth below reflects current market conditions. The Capital Contributions may be adjusted to reflect the market conditions at the time of closing. Subject to the terms and conditions set forth herein and in the Operating Agreement, the Investor will make capital contributions to the Company in the total amount of \$3,059,694 (the "Capital Contribution"), which represents 85% of the Low-Income Housing Tax Credits, excluding amounts payable under Section 16 as set forth below.

Installment No. 1:

Paid at Closing upon satisfaction of all due diligence \$611,939

Installment No. 2:

Paid upon the latest of the following: \$1,835,816

- (i) Completion of construction of the Apartment Complex and receipt of temporary certificates of occupancy for all units;
- (ii) Receipt of a payoff letter from the contractor for the Apartment Complex (the "Contractor") which states that upon receipt of Installment No. 2 the construction contract will be paid in full by Installment No. 2 or the Contractor will defer any amounts owed to it until receipt of Installment No.3;
- (iii) Receipt of an estoppel letter from each lender to the Company; and
- (iv) Receipt of certificates of insurance complying with the requirements described herein.

Installment No. 3:

Paid upon the latest of the following: \$611,939

- (i) Achievement of "Breakeven Operations" (as defined below);
- (ii) Receipt of an estoppel letter from each lender to the Company;
- (iii) Receipt of final Low-Income Housing Tax Credit Certification; and
- (iv) Achievement of "Final Closing"
- (v) Receipt of form 8609

Total Equity to Company (excluding amounts payable under Section 16 below): \$3,059,694

Installment No. 3 will only be released upon the achievement of Breakeven Operations. "Breakeven Operations" is generally defined as the earlier of the following: (i) the date upon which income from the normal operation of the Apartment Complex, received on a cash basis, for each of three (3) consecutive calendar months after permanent mortgage loan closing less all mandatory debt service payments for each month, exceeds all accrued operational costs for each month or, if the above is not verifiable for such three (3) month period, (ii) the date upon which income from the normal operation of the Apartment Complex (as reported under GAAP) equals or exceeds all operational costs (as reported under GAAP), as evidenced by an audited financial statement for a 12 month period prepared by the accountants of the Company. In addition, Breakeven Operations shall not have occurred unless, at the end of such three (3) month period, the Company shall have (i) sufficiently funded segregated reserves to pay one (1) year's property insurance premiums (minus any prepaid premiums on the existing insurance policy) and the next full installment of real estate taxes payable (minus any prepaid taxes with respect to such installment) and (ii) liquid assets not committed to the payment of any other expense or reserve fund in an amount sufficient to pay (a) one (1) month's mandatory debt service payment plus (b) any other accrued unpaid expenses.

3. Adjuster Clause: The Capital Contribution amount stated above is based upon your projection of an annual amount of Low-Income Housing Tax Credits of \$360,000 ("LIHTC") which in turn is based upon certain of the assumptions and projections stated in Schedule A herein. The actual amount of Low-Income Housing Tax Credits may in fact change after the determination of eligible and qualified basis. Accordingly, the Capital Contribution may be adjusted when (i) final projections of the amount of Low-Income Housing Tax Credits are completed and/or (ii) upon or after actual completion of the Apartment Complex. To the extent such final projected amount of Low-Income Housing Tax Credits varies from the LIHTC, the Capital Contribution will be adjusted as set forth in the following paragraph and as will be more particularly set forth in the Operating Agreement.

If the final amount of Low-Income Housing Tax Credits ("Final LIHTC") is greater or less than the LIHTC then the Capital Contributions shall be adjusted so that the ratio of the capital contribution attributable to the Low-Income Housing Tax Credits divided by the Final LIHTC allocable to Investor is equal to 85% ("LIHTC Ratio"). However, in the case of an increase, such increase in capital contribution will take place only if the Investor has funds available which are not committed otherwise. If the Investor does not have funds available to pay for the higher Low-Income Housing Tax Credits, then the Investor's interest in the Company will be adjusted downward accordingly, but in no event below a 90% interest. TRG may in its discretion endeavor to cause an affiliated investment partnership to purchase an interest in the Company but shall have no liability if it is unable to do so.

4. Timing Differences: In the event that if the actual Final Reported Credit for 2024 is greater or less than 11.25% of the LIHTC or for 2025 is less than 100% of the LIHTC (or LIHTC as adjusted pursuant to paragraph 3 above) then the Capital Contribution of the Investment Partnership to the Company shall be increased ("Upward Timing Change") or decreased ("Downward Timing Change"), by an amount sufficient to maintain a to-be-determined Internal Rate of Return to the Investment Partnership; such adjustment to be based upon the methodology set forth on Attachment A (assuming for this purpose that (i) the amount and timing of projected losses and deductions and (ii) the timing of the Capital Contributions will be fixed at the amounts shown in the projections attached to the Operating Agreement). Notwithstanding the foregoing sentence, the aggregate amount of any increase in the Capital Contributions due to an Upward Timing Change together with the aggregate amount of any Upward Adjuster pursuant to Paragraph 3 above will be capped at 10% of the Capital Contribution ("Upward Adjuster Cap"). In the event that the Timing Change exceeds the then unpaid Capital Contribution of the Investment Partnership, the Managing Member shall pay to the Investment Partnership, immediately upon demand, the amount by which the Timing Change exceeds such then unpaid Capital Contributions.

5. Cash Flow Distributions: Cash flow of the Company after expenses and debt service will be distributed, to the extent available, according to the following priority:

- First: to pay any credit adjuster due;
- Second: a priority distribution to the Investor in the amount of \$1,500 annually.
- Third: to pay any deferred development fee to the Managing Member;
- Fourth: to repay any operating deficit loans made by the Managing Member;

Fifth: remaining amounts split 10% to the Investor and 90% to the Managing Member. The Managing Member shall apply its 90% first to pay the Incentive Management Fee, then to pay the Partnership Administration Fee and then as a distribution. The balance of the 90% which is not distributed as Incentive Management Fee or Partnership Administration Fee shall be distributed to the Managing Member and a special allocation of gross income shall be made to the Managing Member in a like amount.

6. **Sale or Refinance:** Upon the sale of the Apartment Complex or a refinancing of the permanent mortgage loan, proceeds will generally be allocated in accordance with the following priority:

First: Expenses of the sale and refinancing and satisfaction of underlying financing plus any other third-party obligations and debts;

Second: Return of the outstanding balance of any operating deficit loans previously made by the Managing Member (See Guarantees); and

Third: Balance of proceeds split 10% to the Investor, 90% to the Managing Member

7. **Guarantees:** The Guarantor shall guarantee the obligations of the Managing Member under the Operating Agreement including, without limitation, the following:

(A) Against recapture of the Low-Income Housing Tax Credits for 15 years except for recapture caused by (i) subsequent changes in the Tax Code or (ii) transfers of the Investor's interest in the Company.

(B) The payment in full of all costs and expenses of the acquisition and rehabilitation of the Apartment Complex in excess of the proceeds of all the construction period sources of funds and any operating deficits prior to the achievement of breakeven operations.

(C) To fund operating deficits for a five (5) year period (the "Operating Deficit Period") from the later of Breakeven Operations or funding of the permanent mortgage loan (the "Operating Deficit Guaranty"). The Operating Deficit Period shall be deemed extended until (x) the Managing Member has provided the Investor with evidence that the Company has sufficient cash reserves to pay any accrued expenses as of the expiration of the Operating Deficit Period and (y) the Apartment Complex has achieved the "DSC Requirement" as hereinafter defined. The "DSC Requirement" means that the Apartment Complex has demonstrated a debt service coverage ratio of 1.10:1 for years four and five of the Operating Deficit Period. If the Apartment Complex has not demonstrated a 1.10:1 debt service coverage for such years the Operating Deficit Period will be extended until the Apartment Complex demonstrated a 1.10:1 debt service coverage for two consecutive years. For purposes of the Operating Deficit Guaranty, the term "Operating Deficits" shall include amounts withdrawn from the reserve for replacements during such five (5) year period. A further assurance will be an agreement by the managing agent for the Apartment Complex, typically the Managing Member or an affiliate, (the "Managing Agent") to (i) defer and accrue its management fee, if necessary, to prevent a default under the permanent mortgage loan and (ii) to defer its fee to the extent necessary to avoid an Operating Deficit. If the Managing Agent elects not to defer its fee pursuant to subparagraph (ii) above, it must send a notice to the Managing Member and the Investor offering to resign. If no such notice is sent, the Managing Agent will be deemed to have ratified its agreement to defer its fee. If a notice is sent refusing to defer its fee, such refusal shall be grounds for removal of the Managing Agent.

(D) Repurchase of the Investor's interest in the Company by payment to the Investor of the full amount of the Gross Capital Contribution paid to such date, if the Managing Member fails to (i) place the Apartment Complex in service by December 2025 (ii) complete Final Closing by December 2025 (iii) achieve at least 50% of the aggregate projected LIHTC as set forth herein or (iv) achieve Breakeven Operations within 18 months of Substantial Completion (to be defined in the Operating Agreement) of the Apartment Complex.

8. **Representations and Warranties:** The Managing Member shall provide the representations and warranties to the Investor more particularly set forth in the Operating Agreement and currently has no basis to believe that such representations and warranties cannot be given at Closing. The Managing Member shall be

obligated to recertify to the continued truth and accuracy of such representations and warranties at the time of each installment of capital contributions.

9. Duties and Obligations: The Managing Member shall be obligated to assume the duties and obligations as are set forth in the Operating Agreement.

10. Legal Opinions: The Managing Member shall cause the attorneys for the Company to provide the legal opinions more particularly set forth in the Operating Agreement.

11. Sale or Conversion: Beginning 15 years from the date of the closing of the permanent mortgage loan, if the Investor requests the Managing Member to sell the Apartment Complex, the Managing Member will consent, provided such sale meets the approval of the lender and applicable tax credit agency. In the event the Managing Member does not consent to a sale at that time, the Managing Member will be granted an option to purchase the Apartment Complex at fair market value (as restricted by the uses mandated by the lender and the Tax Credit Agency). In the event that the Managing Member chooses not to exercise this purchase option, the Investor shall reserve the right to: (i) sell its interest in the Company to the Managing Member for \$1 or (ii) transfer its limited partnership interest in the Company to an affiliated entity. The Managing Member or its qualified non-profit designee will be granted a first right of refusal to purchase the Apartment Complex at the "Minimum Purchase Price" as defined in Section 42(l)(7) of the Internal Revenue Code.

12. Accountants and Financial Reporting: The "Accountants" for the Company shall be a Certified Public Accountant or such other firm reasonably acceptable to the Investor. Financial information will be required to be submitted to the Investor by the 30th day after the end of each quarter, for the first three calendar quarters of each year. Such financial information may be unaudited and may be prepared by the Managing Agent. Annual audited financial statements and tax information will be required to be submitted to the Investor by the Managing Member by February 15 of each year.

13. Removal Rights: The Investor shall have the right to remove the Managing Member for cause as will be set forth in the Operating Agreement. No removal right without cause shall exist.

14. Indemnity: In the Operating Agreement the Managing Member shall indemnify Investor and its officers, directors and affiliates for any untrue statement of a material fact or omission to state a material fact necessary to make any such statements, in light of the circumstances under which they were made, not misleading, by the Managing Member or their agents set forth in any document delivered by the Managing Member or their agents in connection with the acquisition of the Apartment Complex, the investment by the Investor in the Company and the execution of the Operating Agreement.

15. Reserve Requirements: The Company will be required to make an annual minimum deposit to a reserve for replacements in an amount equal to the greater of (i) \$655 per unit per year increasing annually by 3%, or (ii) the amount utilized in the underwriting of the mortgage loans by the lenders. The Investor may reasonably require that additional reserves be funded to cover potential cash deficiencies. The Operating Deficit Guaranty shall be increased by amounts withdrawn from the reserve for replacements during the Operating Deficit Period.

16. Due Diligence: TRG and the Investor will have the opportunity to perform, and you and your professionals will assist us in, the customary due diligence necessary in the acquisition of the Apartment Complex and of the investment by Investor in the Company. As a condition of closing, the Company shall provide the Investor information reasonably requested by the Investor, including without limitation, (i) market rental information, proving that the projected rents will be achieved and the rent up will occur within a reasonable absorption period, (ii) engineering report by an engineer acceptable to the Investor and (iii) a Phase 1 environmental report. The Company shall bear the costs of Investor's market study, engineering review and Investor's legal counsel. The cost to the Company of the Investor's due diligence expenses and legal counsel shall be determined at a later date and added to the Capital Contribution stated herein. A sample (but not exhaustive) list of due diligence documents will be provided at a later date. Additionally, approval of this transaction is subject to Investor satisfaction and completion of due diligence (including site visit, review, and investment committee approval), and receipt by the Company of a Low-Income Housing Tax Credits reservation or allocation approval from the appropriate state or local agency.

17. Operating Reserve: The Company will be required to fund a reserve equal to six (6) months operating expenses, replacement reserves, and debt service or as required by the lender.
18. Title Insurance: The Managing Member shall provide, at Company expense, title insurance in favor of the Company in an amount not less than the sum of (i) all mortgage loans, and (ii) the amount of the Capital Contribution with only those exceptions as may be approved by Investor.
19. Execution of Operating Agreement: As a condition to the Closing, the Managing Member will execute the Operating Agreement and any related documentation necessary to complete the transaction and the Guarantor must execute the Guaranty.
20. Hazard and Liability Insurance: As a condition to receipt of Installment No. 1 of Capital Contributions, the Company shall deliver evidence of hazard insurance from carriers acceptable to the Investor, in an amount equal to the replacement cost of the apartment improvements. The hazard insurance must include endorsements for inflation adjustment and code upgrade coverage. Liability insurance shall be in the amount of not less than \$5,000,000.
21. Escrows: To the extent not required by any mortgage lender, the Company shall maintain funds in a segregated escrow account, in an amount sufficient to pay all real estate taxes and insurance premiums when due.
22. Payment and Performance Bond or Letter of Credit: The Contractor shall provide one of the following (i) payment and performance bonds in form and substance satisfactory to Investor, in the full amount of the general contract naming the Company as obligee issued by a bonding company acceptable to Investor (ii) a letter of credit in the amount of not less than 15% of the general contract issued by a bank acceptable to Investor or (iii) a guarantee of the Contractor (or its principal) with a net worth of not less than \$5,000,000.
23. Brokers. Any and all fees due to any broker involved in this transaction will be the responsibility of the Managing Member. By executing this letter of intent, you represent and warrant that no broker has been involved in the negotiations among the Managing Member, its principals and TRG. You further acknowledge and agree that neither TRG nor the Investor shall be responsible for the payment of any brokerage fees in connection with the Investor's investment in the Project unless otherwise specifically agreed to in writing by TRG.

If the above is acceptable to the Managing Member, please execute a copy of this letter and return it to the Investor. In the event that Investor is not in receipt of an executed copy of this letter within thirty (30) days, this letter shall be considered withdrawn and shall be of no further force or effect.

Upon the Investor's receipt of a fully executed copy of this letter, the Investor will commence the necessary action to deliver to you a copy of the proposed Operating Agreement and you shall be bound by all of the terms and provisions hereof. If prior to the expiration of the due diligence period Investor agrees to proceed with the transaction, but notwithstanding such agreement, the Managing Member (i) fails to negotiate the Operating Agreement or other closing documents in good faith and/or (ii) offers the limited partnership interest contemplated hereby to a third party, then the Managing Member shall be obligated to reimburse Investor and/or TRG for all fees, costs and expenses incurred by Investor and/or TRG in connection with this transaction, including without limitation, all legal fees and disbursements, engineering and other professional fees, site inspection fees, market study fees, appraisal fees, background investigation costs, and other due diligence costs and expenses.

The Closing of the acquisition of the limited partnership interest is subject to the availability of funds and the ability of TRG to identify an Investor. The Capital Contributions set forth in Paragraph 2 above may be recalculated or changed prior to the Closing to reflect rising interest rates or other changing market conditions and the Investor's then – current yield requirements. This letter shall be governed by and construed in accordance with the internal laws of the State of Connecticut. This agreement shall not create any liability on the part of TRG or the Investor. All rights and obligation of the Investor shall be set forth in the Operating Agreement and shall not be binding on the Investor until the Investor delivers a fully executed copy of the Operating Agreement to the Managing Member.

Notwithstanding anything to the contrary contained herein, the provisions of this letter represent the entire understandings of TRG, the Investor, the Managing Member and/or the Company with respect to the matter hereof, and all prior understandings, agreements and representations with respect thereto whether written or oral are superseded hereby and merged herein. None of the provisions of this letter may be waived or modified unless such waiver or modification is in writing and signed by the parties hereto and approved by TRG's counsel. No oral agreements shall ever be binding on TRG and/or the Investor.

Sincerely,

The Richman Group Affordable Housing Corporation

RIGHT OF FIRST REFUSAL AGREEMENT
(Reese Village Apartments)

RIGHT OF FIRST REFUSAL AGREEMENT (the “Agreement”) dated as of _____, 2024, by and among REESE VILLAGE TM LLC, a Virginia limited liability company (the “Owner” or the “Company”), PETERSBURG COMMUNITY DEVELOPMENT CORPORATION, INC., a Virginia non-stock nonprofit corporation (the “Grantee”), and is consented to by REESE VILLAGE MM LLC, a Virginia limited liability company (the “Managing Member”), [INVESTOR ENTITY], a [[_____]_____] limited liability company (the “Investor Member”) and [[_____]__] SPECIAL LIMITED PARTNER, L.L.C., a [_____]_____] limited liability company (the “Special Member”). The Managing Member, the Investor Member and the Special Member are sometimes collectively referred to herein as the “Consenting Members”. The Investor Member and Special Member are sometimes collectively referred to herein as the “Non-Managing Members”. This Agreement shall be fully binding upon and inure to the benefit of the parties and their successors and assigns to the foregoing.

Recitals

A. The Owner, pursuant to its [Amended and Restated] Operating Agreement dated on or about the date hereof by and among the Consenting Members (the “Operating Agreement”), is engaged in the ownership and operation of a 40-unit apartment project for families located in the City of Emporia, Virginia and commonly known as “Reese Village Apartments” (the “Project”). The real property comprising the Project is legally defined on **Exhibit A**.

B. The Grantee is a member of the Managing Member of the Owner and is instrumental to the development and operation of the Project; and

C. The Owner desires to give, grant, bargain, sell and convey to the Grantees certain rights of first refusal to purchase the Project on the terms and conditions set forth herein;

D. Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Operating Agreement.

NOW, THEREFORE, in consideration of the foregoing, of the mutual promises of the parties hereto and of other good and valuable consideration, the receipt and sufficiency of which the parties hereto acknowledge, the parties hereby agree as follows:

Section 1. Right of First Refusal

The Owner hereby grants to the Grantee a right of first refusal (the “Refusal Right”) to purchase the real estate, fixtures, and personal property comprising the Project or associated with the physical operation thereof and owned by the Company at the time (the “Property”), for the price and subject to the other terms and conditions set forth below. The Property will include any reserves of the Partnership that is required by Virginia Housing Development Authority (“Virginia Housing” or the “Credit Authority”) or any lender of a loan being assumed in connection with the exercise of the Refusal Right to remain with the Project.

Section 2. Exercise of Refusal Right; Purchase Price

A. After the end of the Compliance Period, the Company agrees that it will not sell the Property or any portion thereof to any Person without first offering the Property to the Grantee (the “Refusal Right”), for the Purchase Price (as defined in Section 3); *provided, however*, that such Refusal Right shall be conditioned upon the receipt by the Company of a “bona fide offer” (the acceptance or rejection of which shall not require the Consent of the Members). The Company shall give the notice of its receipt of such offer (the “Offer Notice”) and shall deliver a copy of the Offer Notice to the Grantee. Upon receipt by the Grantee of the Offer Notice, the Grantee shall have 90 days to deliver to Company a written notice of its intent to exercise the Refusal Right (the “Election Notice”). An offer made with the purchase price and basic terms of the proposed sale from a third party shall constitute a “bona fide offer” for purposes of this Agreement. Such offer (i) may be solicited by the Grantee or the Managing Member (with such solicitation permitted to begin at any time following the end of the fourteenth (14th) year of the Compliance Period provided that the Election Notice may not be sent until the end of the Compliance Period) and (ii) may contain customary due diligence, financing, and other contingencies. Notwithstanding anything to the contrary herein, a sale of the Project pursuant to the Refusal Right shall not require the Consent of the Non-Managing Members or of Virginia Housing.

B. If the Grantee fails to deliver the Election Notice within ninety (90) days of receipt of the Offer Notice, or if such Election Notice is delivered but the Grantee does not consummate the purchase of the Project within 270 days from the date of delivery of the Election Notice (each, individually, a “Terminating Event”), then its Refusal Right shall terminate and the Company shall be permitted to sell the Property free of the Refusal Right.

Section 3. Purchase Price; Closing

A. The purchase price for the Property pursuant to the Refusal Right (the “Purchase Price”) shall equal the sum of (i) the principal amount of all outstanding indebtedness secured by the Project, and any accrued interest on any of such debts and (ii) all federal, State, and local taxes attributable to such sale, including those incurred or to be incurred by the partners or members of the Non-Managing Members. Notwithstanding the foregoing, however, the Purchase Price shall never be less than the amount of the “minimum purchase price” as defined in Section 42(i)(7)(B) of the Code. The Refusal Right granted hereunder is intended to satisfy the requirements of Section 42(i)(7) of the Code and shall be interpreted consistently therewith. In computing such price, it shall be assumed that each of the Non-Managing Members of the Owner (or their constituent

partners or members) has an effective combined federal, state and local income tax rate equal to the maximum of such rates in effect on the date of Closing.

B. All costs of the Grantee's purchase of the Property pursuant to the Refusal Right, including any filing fees, shall be paid by Grantee.

C. The Purchase Price shall be paid at Closing in one of the following methods:

(i) the payment of all cash or immediately available funds at Closing,
or

(ii) the assumption of any assumable Loans if Grantee has obtained the consent of the lenders to the assumption of such Loans, which consent shall be secured at the sole cost and expense of Grantee; provided, however, that any Purchase Price balance remaining after the assumption of the Loans shall be paid by Grantee in immediately available funds.

Section 4. Conditions Precedent; Termination

A. Notwithstanding anything in this Agreement to the contrary, the right of the Grantee to exercise the Refusal Right and consummate any purchase pursuant thereto is contingent on each of the following being true and correct at the time of exercise of the Refusal Right and any purchase pursuant thereto:

(i) the Grantee or its assignee shall be a "qualified nonprofit organization" as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42(i)(7)(A) of the Code (collectively, each, a "Qualified Beneficiary"); and

(ii) the Project continues to be a "qualified low-income housing project" within the meaning of Section 42 of the Code.

B. This Agreement shall automatically terminate upon the occurrence of any of the following events and, if terminated, shall not be reinstated unless such reinstatement is agreed to in a writing signed by the Grantee and each of the Consenting Members:

(i) the transfer of the Property to a lender in total or partial satisfaction of any loan; or

(ii) any transfer or attempted transfer of all or any part of the Refusal Right by the Grantee, whether by operation of law or otherwise, except as otherwise permitted under Section 7 of this Agreement; or

(iii) the Project ceases to be a "qualified low-income housing project" within the meaning of Section 42 of the Code, or

(iv) the Grantee fails to deliver its Election Notice or consummate the purchase of the Property within the timeframes set forth in Section 2 above.

C. If the Investor Member removes the Managing Member from the Company for failure to cure a default under the Operating Agreement, the Investor Member may elect to release this Agreement as a lien against the Project upon first obtaining the prior written consent of Virginia Housing, which consent may be granted or withheld in Virginia Housing sole discretion.

Section 5. Contract and Closing

Upon determination of the purchase price, the Owner and the Grantee shall enter into a written contract for the purchase and sale of the Property in accordance with the terms of this Agreement and containing such other terms and conditions as are standard and customary for similar commercial transactions in the geographic area which the Property is located, providing for a closing (the "Closing") to occur in the City of Emporia, Virginia not later than the timeframes set forth in Section 2. In the absence of any such contract, this Agreement shall be specifically enforceable upon the exercise of the Refusal Right.

Section 6. Conveyance and Condition of the Property

The Owner's right, title and interest in the Property shall be conveyed by quitclaim deed, subject to such liens, encumbrances and parties in possession as shall exist as of the date of Closing. The Grantee shall accept the Property "AS IS, WHERE IS" and "WITH ALL FAULTS AND DEFECTS," latent or otherwise, without any warranty or representation as to the condition thereof whatsoever, including without limitation, without any warranty as to fitness for a particular purpose, habitability, or otherwise and no indemnity for hazardous waste or other conditions with respect to the Property will be provided. It is a condition to Closing that all amounts due to the Owner and the Investor Member from the Grantee or its Affiliates be paid in full. The Grantee shall pay all closing costs, including, without limitation, the Owner's attorney's fees. Upon closing, the Owner shall deliver to the Grantee, along with the deed to the property, an ALTA owner's title insurance policy dated as of the close of escrow in the amount of the purchase price, subject to the liens, encumbrances and other exceptions then affecting the title.

Section 7. Transfer

The Refusal Right shall not be transferred to any Person without the Consent of the Investor Member, except that the Grantee may assign all or any of its rights under this Agreement to an Affiliate of Grantee (a "Permitted Assignee") at the election and direction of the Grantee or to any assignee that shall be a "qualified nonprofit organization" as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42(i)(7)(A) of the Code (collectively, a "Qualified Beneficiary").

In the case of any transfer of the Refusal Right (i) all conditions and restrictions applicable to the exercise of the Refusal Right or the purchase of the Property pursuant thereto shall also apply to such transferee, and (ii) such transferee shall be disqualified from the exercise of any rights hereunder at all times during which Grantee would have been ineligible to exercise such rights hereunder had it not effected such transfer.

Section 8. Rights Subordinate; Priority of Requirements of Section 42 of the Code

This Agreement is subordinate in all respects to any regulatory agreements and to the terms and conditions of the Mortgage Loans encumbering the Property. In addition, it is the intention of the parties that nothing in this Agreement be construed to affect the Owner's status as owner of the Property for federal income tax purposes prior to exercise of the Refusal Right granted hereunder. Accordingly, notwithstanding anything to the contrary contained herein, both the grant and the exercise of the Refusal Right shall be subject in all respects to all applicable provisions of Section 42 of the Code, including, in particular, Section 42(i)(7). In the event of a conflict between the provisions contained in this Agreement and Section 42 of the Code, the provisions of Section 42 shall control.

Section 9. Option to Purchase

A. The parties hereto agree that if the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant an "option to purchase" pursuant to Section 42(i)(7) of the Code as opposed to a "right of first refusal" without adversely affecting the status of such owner as owner of its project for federal income tax purposes, then the parties shall amend this Agreement and the Owner shall grant the Grantee an option to purchase the Property at the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42(i)(7).

B. If the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant a "right of first refusal to purchase partner interests" and/or "purchase option to purchase partner interests" pursuant to Section 42(i)(7) of the Code (or other applicable provision) as opposed to a "right of first refusal to purchase the Project" without adversely affecting the status of such owner as owner of its project for federal income tax purposes (or the status of the Investor Member as a partner of the Company for federal income tax purposes) then the parties shall amend this Agreement and the Investor Members shall provide a right of first refusal and/or purchase option, as the case may be, to acquire their Interests for the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42(i)(7).

Section 10. Notice

Except as otherwise specifically provided herein, all notices, demands or other communications hereunder shall be in writing and shall be deemed to have been given and received (i) two (2) business days after being deposited in the United States mail and sent by certified or registered mail, postage prepaid, (ii) one (1) business day after being delivered to a nationally recognized overnight delivery service, (iii) on the day sent by telecopier or other facsimile transmission, answer back requested, or (iv) on the day delivered personally, in each case, to the parties at the addresses set forth below or at such other addresses as such parties may designate by notice to the other party:

(i) If to the Owner, at the principal office of the Company set forth in Article II of the Operating Agreement;

(ii) If to a Consenting Member, at their respective addresses set forth in Schedule A of the Operating Agreement; and

(iii) If to the Grantee, 555 S. South St, Petersburg, Virginia, 23803.

Section 11. Severability of Provisions

Each provision of this Agreement shall be considered severable, and if for any reason any provision that is not essential to the effectuation of the basic purposes of the Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement that are valid.

Section 12. Binding Provisions

The covenants and agreements contained herein shall be binding upon, and inure to the benefit of, the heirs, legal representatives, successors and assignees of the respective parties hereto, except in each case as expressly provided to the contrary in this Agreement.

Section 13. Counterparts

This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the original or the same counterpart.

Section 14. Governing Law

This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia without regard to principles of conflicts of law. Notwithstanding the foregoing, Company, Investor Member and Grantee do not intend the Refusal Right in this Agreement to be a common law right of first refusal but rather intend it to be understood and interpreted as a mechanism authorized by Section 42 of the Code to allow nonprofit entities to preserve affordable housing for low-income families in accordance with Grantee's charitable objectives.

Section 15. Headings

All headings in this Agreement are for convenience of reference only. Masculine, feminine, or neuter gender, shall include all other genders, the singular shall include the plural, and vice versa as the context may require.

Section 16. Amendments

This Agreement shall not be amended except by written agreement between Grantee and the Owner with the consent of each of the Consenting Members and Virginia Housing.

Section 17. Time

Time is of the essence with respect to this Agreement, and all provisions relating thereto shall be so construed.

Section 18. Legal Fees

Except as otherwise provided herein, in the event that legal proceedings are commenced by the Owner against the Grantee or by the Grantee against the Owner in connection with this Agreement or the transactions contemplated hereby, the prevailing party shall be entitled to recover all reasonable attorney's fees and expenses.

Section 19. Subordination

This Agreement is and shall remain automatically subject and subordinate to any bona fide mortgage to (or assigned to) an institutional or governmental lender with respect to the Project and, in the event of a foreclosure of any such mortgage, or of the giving of a deed in lieu of foreclosure to any such mortgagee, this Agreement shall become void and shall be of no further force or effect.

Section 20. Rule Against Perpetuities Savings Clause

The term of this Agreement will be ninety years commencing on the date first written above unless sooner terminated pursuant to the provisions hereof. If any provision of this Agreement is construed as violating and applicable "Rule Against Perpetuities" by statute or common law, such provision will be deemed to remain in effect only until the death of the last survivor of the now living descendants of any member of the 116th Congress of the United States, plus twenty-one (21) years thereafter. This Agreement and the Refusal Right herein granted are covenants running with the land and the terms and provisions hereof will be binding upon, inure to the benefits of and be enforceable by the parties hereto and their respective successors and assigns.

Section 21. Third Party Beneficiary; Virginia Housing Rights and Powers

The Virginia Housing Development Authority ("Virginia Housing") shall be a third party beneficiary to this Agreement, and the benefits of all of the covenants and restrictions hereof shall inure to the benefit of Virginia Housing, including the right, in addition to all other remedies provided by law or in equity, to apply to any court of competent jurisdiction within the Commonwealth of Virginia to enforce specific performance by the parties or to obtain an injunction against any violations hereof, or to obtain such other relief as may be appropriate. The Authority and its agents shall have those rights and powers with respect to the Project as set forth in the Act and the Virginia Housing Rules and Regulations promulgated thereunder, including without limitation, those rights and powers set forth in Chapter 1.2 of Title 365 of the Code of Virginia (1950), as amended, and 13VAC10-180-10 et seq., as amended.

Internet Safety

Playing it safe while playing online

Hi there kids! I am Charlie Cardinal and this is Speedy the Crime Fighting Hamster. We are here to introduce you to the basics of Internet Safety and some of the villains you need to watch out for. There are some bad characters out there, so you have to protect yourself. Your parents won't always be there to watch out for you, so stay sharp, learn all you can, and stay safe!

Privacy & Personal Information

Privacy is being able to keep things secret or hidden from others.

Personal Information is information about you or your family such as your address, a social security number, your parent's bank account, or how much money they have.

Criminals love to get people's personal information because they can pretend to be you, or use your money to buy things.

They can also make money off of your information by selling it to others. Companies or other criminals will use your info to send you junk mail or spam emails.

Criminals learning your address can be very bad. They may break in and steal from you. Protect your safety and your belongings, by keeping your information a secret.

These bad people may even use your personal information to trick someone else in your circle of friends and family. People sometimes tell criminals things that they shouldn't if they think that they are communicating with someone they know.

Think before you click

Do you know who sent that email?

Passwords

One of the most important things you need to learn is how to create strong passwords. A password is a code you type in to let the computer know it is really you.

Having an easy to guess password could allow someone to snoop around in your private information.

The way to make your password strong is to never use your name or your birthday. Use something hard to guess, but easy for you to remember. Make your password at least 8 characters long, and mixing numbers, symbols, and upper and lower case letters makes the password strong just like Speedy. Avoid using the same password over and over. That way if they do figure out your password, they only gain access to one account. And never leave your passwords written down where someone can find it.

A great tool online that creates kid friendly passwords is the website, www.dinopass.com

Spam

Spam is basically email that you receive from different companies or strangers that you did not sign up for. Most times it isn't from real companies and usually the sender is up to no good.

Spam emails can sometimes be a phishing scam. Phishing emails are emails that look like it is from some trusted source. A place like your bank, the IRS where taxes are collected, or some other business you shop with often. They make their email look like it is the real thing with logos, and they put links in the email baiting you to click them. Once you click the link, you could be launching a program that can damage your computer in some way or collect your personal information.

Spam emails can also use winning a sweepstakes or some other type prize to trick you into trusting the email source. After they hook you in, they inform you that to collect your prize, you must give them your credit card number.

How do you know it is spam?

Spam emails typically have a bunch of spelling and grammar errors or a mention of someone you don't know in the subject line. Don't Open It! Delete those emails right away.

Malware

Malware is a program written with the intent to harm your computer in some way.

Programs such as this, may be waiting for you to do something(a trigger), so that it can run. This could be the clicking of the link or opening an email attachment.

When searching for free downloads online, be very careful. There are a lot of sites out there trying to trick you. They will pay to make their site get returned at the top of the list of search results. Then when you access the page, they use blinking buttons to trick you to click. The result of clicking usually ends up being your computer loaded up with malware.

Once your machine is infected, it can change browser settings, create unusual popup ads on your computer and then pass the malware on to someone else.

Spyware is a program that gets onto your computer through a download or a virus and it gathers information about you and sends this back to its creator.

Some of the types of information spyware might send back to home base is email addresses of you or your contacts, passwords, account numbers, and credit card numbers.

Some spyware out there records how you use your computer and what you search for online.

Adware

Adware is software that you are allowed to use by the author because of the advertisements that pop up occasionally during the game. Many of these type games you will find in the form of apps on your phone or devices.

Through the addition of advertisements, the developer gains some income that may supplement a discount to the user, sometimes making the software free.

Often after using the product with the ads, a consumer will purchase the software to get rid of the ads.

Trojan Horse

The name for the Trojan Horse virus was derived from tale of the Trojan Horse constructed by the Greeks to gain access to the city of Troy. The wooden horse was left at the gates as an offering to Athena. The horse was then wheeled into the city and out came Greek fighters hiding inside. <http://www.britannica.com/topic/Trojan-horse>

A Trojan horse virus is a form of malware that is dressed up as something interesting or software from a source we are familiar with. The purpose is to trick the person into installing it. This allows the creator of the Trojan to do damage to data or software on your computer. They also will set up a 'back door' or access point that allows them to access your system.

Trojan viruses don't spread by infecting other files and they cannot duplicate themselves.

<http://www.webopedia.com/DidYouKnow/Internet/virus.asp>

Worms

Worms are malware that can duplicate itself and spread to other computers. Worms always do something bad, even if it is just slowing things down.

Worms will frequently set up the ability for computers to be taken over by the worm's author by creating backdoors on the host computer. These computers are then called a "zombie computer". "Zombie computers" can be used to send out spam or as a shield to hide the web address of people who want to do bad things.

<http://www.webopedia.com/TERM/Z/zombie.html>

Virus

A virus is a small program that is created to spread from one computer to the next and to mess up the way your computer works.

Many times viruses hop from computer to computer via email attachments or messages. They can also hide in funny pictures(memes), e-cards, or other desirable file attachments. It can also be sent through an instant message.

A virus can corrupt your data, or worse, delete it. It can also email copies of itself to your friends.

Keeping your anti-virus software up to date is key to protecting against the latest viruses and other security threats.

<https://www.microsoft.com/security/pc-security/virus-whatis.aspx>

Social Media

Privacy settings on social media accounts are set up as public when you first get one. Unless you want everyone to be able to look at all of your photos and other private stuff, you must go into your account settings and change this.

Something to remember is whatever you post and say on your page can be shared by your friends. Think about what you post online, BEFORE you do it. What you post, could be seen by anyone at any time depending on your settings and the friends you keep. Because we can take pictures of our screens, there is really no setting that can protect you. Think twice about what you are sharing with others, so there are no regrets later.

Make sure you know the people that you accept friend requests from. Sometimes people try to friend you to hack your Facebook account or access your contacts. Once you are hacked they will send out strange messages or friend requests to your contacts. Protect your friends and yourself by being cautious with friends and creating strong passwords for your social media accounts.

Geotagging

Geotagging is the bit of data that your electronic device packages with your picture that has information about where the picture was taken. This is something that can be turned on and off in your device and typically comes turned on until you change the setting.

When your photo is geotagged, this gives people information about your location. Letting outsiders know where you are, can allow them to plan to steal your belongings or vandalize your home.

Consider if you post a photo every Wednesday in your outfit ready to walk to ball practice and geotagging is turned on. This shows you have a routine and gives a rough area you will be in. A predator could come and take you away.

Another issue with allowing the geotagging to occur is you don't have control of your own privacy. Everyone does not need to know where you are all of the time, keep this information private.

Be Careful of What You Say!

Defamation: Defamation is the blanket word used for all types of untrue statements made about others. [Definition of Defamation on Law.com](#)

Slander: When someone orally tells one or more people an untruth about someone, which will harm the reputation of the person it is about. It is not slander if the untruth is in writing of some sort or if it is broadcast through television or radio.

[Definition of Slander on Law.com](#)

Libel: This is where someone publishes to print(including pictures), written word, online posts, blogs, articles, or broadcast through radio, television, or film, an untruth about another which will do harm to the person's reputation. [Definition of Libel on Law.com](#)

Be Careful of What You Say!

Much of the things people post online may get ignored, and you may get lucky and avoid legal action. But, when someone gets angry and files a lawsuit it can cause a major headache and possibly hit you hard in the wallet.

You might think you should have a right to openly complain about a company and their bad service or lousy product. Well when it comes to this, it is not always that simple. You can get sued for this and even if the judge agrees with you, you still have to pay for a defense attorney. Think twice and make sure that whatever you have to say is worth any headache you may have pop up later.

<http://ideas.time.com/2013/01/07/yelp-reviewers-beware-you-can-get-sued/>

On social media, people get into the habit of letting their emotions get the better of them and they end up speaking their minds about others online. When that person feels that this damages their character, they may opt to sue the other person for defamation. Even if their case is not successful, the stress, money, and time that you spend defending yourself is not worth it. To read more about defamatory social media posts, [click here](#).

Stranger Danger Online

When you think of being on your computer or other electronic device in your own home, you probably think you are safe. Your mom is in the next room, what could happen?

Well there are people online that are up to no good. They go in chat rooms and pop up on your instant messenger, looking for someone to “groom”.

What is grooming you say? Well, grooming is when a stranger (can be any age) finds someone they are interested in, usually a minor. They act really nice and maybe they pretend they are much younger than they really are, like they are a kid just like you. Then they try to get you to like them and to trust them. They may ask you not to tell anyone you are talking to them. This is not okay and is a warning sign of a possible groomer.

How to Protect Yourself in Online Chats

- Choose chat sites designed for kids, such as www.kidzworld.com. Kidzworld is moderated and its aim is to protect kids from unwanted requests and online bullying.
- Beware of people you don't know. If they are asking too many questions or being too friendly they may be up to no good.
- If someone asks you to send them a picture or sends you a picture or video that is inappropriate, tell an adult or report them to the site moderators.
- Don't give out personal information to strangers online
- Don't tell strangers where you live or give them your telephone number
- Don't send strangers pictures of you or others
- If you are being bullied or threatened online, tell an adult or someone you trust

Cyberbullying

- Cyberbullying is the **willful and repeated harm** inflicted through the use of computers, cell phones, and other electronic devices.
- Using PhotoShop or other tools to create harassing images.
- Posting jokes about another person on the internet
- Using the internet to entice a group to physically harm another person.
- Making threats online using IM, email, social networking sites, or other electronic devices.

Consequences of Cyberbullying

Anything that you write, pictures that you post, or videos that you upload can be used by your school to suspend you.

College students have been removed from their athletic teams and lost college funding for writing negative comments about their coach.

When applying to colleges, they will search online to see what kind of person you are. They can deny you access if they don't like what they find.

When businesses are looking at people to hire for a job they will many times use social media to see what kind of person they are. Mean or inappropriate type posts can prevent you from getting the job you desire.

Cyberbullying can also be considered a crime and participating in this type of behavior can land you in big trouble.

Consequences of Cyberbullying

- § 18.2-152.7:1. Harassment by Computer; Penalty makes cyberbullying a crime.
- Carries a \$2500 fine and punishable by up to **12 months in prison.**

There are many websites designed to inform and decrease the number of bullying cases we see each year. The U.S. Department of Health and Human Services has created a website with lots of resources to help combat bullying of all kinds - www.stopbullying.gov
If you experience cyberbullying or witness it, tell someone such as a school counselor, teacher, or a parent.

The Effects of Cyberbullying

- Victims feel depressed, sad, angry, and frustrated.
- Victims become afraid and/or embarrassed to attend school.
- Can lead to low self-worth, family problems, academic problems, school violence, and bad behavior.
- Victims can also develop thoughts of killing themselves and possibly act on these feelings.
- There are no positive effects of cyberbullying, only pain and suffering for the victims.
- The affects of being bullied can affect the victim into adulthood and prevent them from being all they can be in the future.

Dealing with Cyberbullying

- Never do the same thing back, 2 wrongs don't make a right
- Tell them to stop
- Block their access to you
- Report it to the site you are on such as Facebook or Twitter
- NEVER pass along messages from cyberbullies, stop the spread of this behavior
- Set up privacy controls and keep the bully out of your friends list
- Don't be a cyberbully yourself
- If you witness someone getting bullied, tell someone so it can be stopped. Many times the person being bullied won't tell out of fear.
- Spread the word that bullying is not cool
- Don't laugh or encourage the bully, it is not funny and it can lead to major trouble for the person doing the bullying.

About Sexting

“Sexting” is when someone sends or receives sexually explicit or non-PG Rated pictures or video electronically, mainly via cell phones or tablets.

The numbers on how many teens say that they have sent/posted nude or semi-nude pictures or videos of themselves is upsetting.

20% of teens between 13 to 19 years of age have engaged in sexting.

22% of teen girls

18% of teen boys

11% of teen girls between 13 to 16 years of age have engaged in sexting.

Did you know that if you forward a picture of a sexual or nude photo of someone underage, you are as responsible for the image as the original sender?? You can be charged with a crime.

Many teens don't realize that if you send a picture of yourself that is inappropriate and that picture ends up online, it could be there forever. You can never fully delete things that end up on the web.

About Sexting

There is no age minimum that protects young people from getting charged with a sexual offense.

Something that you think is okay or just a joke, might land you in a ton of trouble. For example, you might take a picture of your friend naked to embarrass them, but if they are under the age of 18, this is considered production of child pornography.

If you are sent something inappropriate, do not share it and don't delete it. Tell an adult immediately. You may feel like you are getting your friend into trouble, but you are protecting yourself and you are protecting them. They may not be thinking about the consequences or the effect this behavior can have on their future.

Anyone that gets convicted of a sex offense, will have to register as a sex offender. Sex offenders have to keep their address updated and keep a current photo with the police. The information goes on the sex offender registry where anyone can go and see your picture and where you live online.

REMEMBER: You can't control what other people do with your photos. Even if you think you are sending it to someone you can trust, they may end up surprising you. You can't trust anyone with something as private as that. Don't Do It!

Legal Consequences of Sexting

- The Virginia Department of Education has an excellent resource with real life examples of the consequences of sexting that can be found [here](#).
- The Attorney General's Virginia Rules website is designed to give Virginia Youth information on all the laws in the state. [Virginia Rules](#) has extensive information on sexting and other internet security risks.
- This article in The Virginian-Pilot tells a story of five Virginia teens getting charged with felonies for sexting and being in possession of sexually explicit photos of a minor, read more about it [here](#).

**Reese Village Apartments
Emporia, Emporia City County, Virginia**

Marketing Plan for Units Meeting Accessibility Requirements of HUD Section 504

This marketing plan has been developed for the units in this apartment development that will be fully renovated to meet the accessibility requirements of HUD Section 504 (the "Marketing Plan"). This Marketing Plan has been designed to convey to current and potential residents with disabilities, that **Reese Village Apartments** will continue to be a unique rental housing experience, with a commitment to excellent management and resident service, as well as an expectation of resident responsibility. This plan will address ways in which property management will endeavor to secure and actively market the project to qualified tenants that are mobility impaired or developmentally disabled and likely will be served well by the features of a HUD Section 504 designed units. In addition, management will ensure quality tenancy, and effective management of the property.

The Management Agent will be responsible for the management of **Reese Village Apartments** as well as the marketing efforts to mobility impaired and/or developmentally disabled persons. The Management Agent will be responsible for all of the traditional management functions, including rent collection, maintenance, record keeping, reports, development of budgets, and monitoring resident income qualifications.

I. Affirmative Fair Housing Marketing

The Management Agent is pledged to the letter and the spirit of the USDA – Rural Development policy of the achievement of equal housing opportunity throughout the Nation’s rural communities and will actively promote fair housing in the development and marketing of this project. Management Agent, it's Officers, Directors and employees will not discriminate on the basis of race, creed, color, sex, religion, familial status, age, disability or sexual orientation in its programs or housing. They will also comply with all provisions of the Fair Housing Act.

Any employee who has discriminated in the acceptance of a resident will be subject to disciplinary actions which may include dismissal. All persons who contact the office will be treated impartially and equally with the only qualification necessary for application acceptance being income, and conformity with the requirements of the USDA – Rural Development, Section 8 and Tax Credit programs. All interested parties will be provided a copy of the apartment brochure. Any resident who has questions not answered by the leasing staff will be referred to the Supervisor of the site staff.

All 504 designated units will be continually marketed on an ongoing basis. These units will be held vacant for at least 60 days in accordance to Virginia Housing's guidelines. Any move/relocation that is a result of accommodating a temporary/non-disabled tenant will be paid for by the owner of the apartment community.

II. Marketing and Outreach

Locating people with disabilities to occupy the units meeting accessibility requirements of HUD Section 504 will be accomplished as follows:

1. Networking

The Management Agent will contact local centers for independent living and disability services boards and other service organizations via phone and printed communication. The contacts will include the following organizations:

Greensville/Emporia County Department of Social Services 434-634-6576

Greensville/Emporia Health Department – Crater Health District 434-348-4210

https://www.greensvillecountyva.gov/discover_greensville/healthcare.php

Crossroads Community Services Board 434-392-7049

Virginia Family Special Education Connection

Virginia Department of Medical Assistance Services 804-786-7933

<http://www.dmas.virginia.gov/>

Virginia Department of Behavioral Health & Developmental Services 804-786-3921

<http://www.dbhds.virginia.gov/>

2. Print Media

Print media sources will also be identified in the **Emporia/Greensville County** area that cater to people with disabilities as well as the public at large. These typically include The Virginia Gazette and other local, minority oriented newspapers. Other sources may include, but are not limited to, rental magazines such as the Apartment Shoppers Guide, Apartments For Rent, etc. All advertising materials related to the project will contain the Equal Housing Opportunity logo type, slogan or statement, in compliance with the Fair Housing Act, as well as the fact that units for people with disabilities are available.

3. Resident Referrals

An effective Resident Referral program will be set up, in which current residents are rewarded for referring friends, coworkers, and others who may have disabilities to the property. These referrals are generally the best form of advertising as it attracts friends who will want to reside together, thus binding the community. Residents will be offered incentives, to be determined, for referring

qualified applicants who rent at the property. Flyers will be distributed to residents along with the project newsletter announcing the tenant referral program.

4. Marketing Materials

Additional marketing materials are needed in order to further support the specific marketing effort to people with disabilities. All printed marketing materials will include the EHO logo.

These marketing materials include:

Brochures - A simple, two color brochure can be produced at low cost which will effectively sell the apartments and community. This brochure will include the floor plans, a listing of features and amenities. The floor plans should be printed in as large a format as possible.

Flyers - As mentioned earlier, a flyer campaign can be used effectively to market the community. Each flyer should incorporate graphics as well as a small amount of copy and should be designed to generate traffic. As such, each flyer should include a special offer with a deadline.

Internet – Listing on VirginiaHousingSearch.com

III. Public and Community Relations

Equal Housing Opportunity promotions - all Site Signage containing the EHO logo and Fair Housing posters are displayed in English and Spanish in the Rental Office. Also posted in the Rental Office are instructions to anyone who feels they have been discriminated against to contact the Supervisor of the site staff at the Management Agent directly. The Management Agent encourages and supports an affirmative fair housing marketing program as required by USDA – Rural Development in which there are no barriers to obtaining housing because of race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, family responsibilities, physical or mental handicap, political affiliation, source of income, or place of residence or business.

IV. Preference for Persons with Intellectual or Development Disability

First Preference will be given to persons with an intellectual or development disability (ID/DD) as determined by the Virginia Department of Medical Assistance Services (DMAS) or the Virginia Department of Behavioral Health and Developmental Services (DBHDS). This will be accomplished by obtaining tenant referrals from the Virginia Department of Medical Assistance Services (DMAS) or the Virginia Department of Behavioral Health and Developmental Services (DBHDS), subject to appropriate federal approval.

Multifamily Housing

Dear Mr. Stockmaster,

This letter is to confirm that you have informed the Rural Housing Service (RHS) of your intention to transfer the ownership of the property, Reese Village Apartments, from Reese I Limited Partnership to Reese Village TM LLC, if it is determined eligible by RHS. We understand that you will apply for Federal Low-Income Housing Tax Credits from Virginia Housing in order to acquire and rehabilitate the property.

The RHS outstanding loan balance as of today is \$1,264,975.86. This loan balance is subject to change at the time of the transfer and it will be set at new rates and terms. As of today, our current interest rate is 4.625%. Under current program parameters, this would be reduced to the below market 1.00% interest credit rate should all other components of the transaction be deemed acceptable by RHS. Based upon the economic useful life of the property, the term may be up to 30 years with an amortization period of up to 50 years.

The above referenced project appears to be feasible, subject to the submission and review of a complete application, underwriting of the transaction, and completion and concurrence of all required due diligence items. At closing, the new borrower will be required to execute a new restricted use provision and the property will be required to operate in accordance with 7 CFR part 3560 - Direct Multi-Family Housing Loans and Grants.

If you have any questions regarding the above, please feel free to contact Megan Riley, Loan Technician, at (910) 748-5571 or email at megan.riley@usda.gov.
