2. Ranking and Scoring

The QAP contains the “official” scoring criteria for tax credit applications and outlines the minimum and maximum number of points allowed to each development. This manual serves as a guide to further clarify the scoring criteria and contains mandatory forms required to receive an allocation of credits. **Prior to submitting an Application, applicants are expected to have carefully and thoroughly read the QAP, this manual and the tax credit information available at VirginiaHousing.com/Partners/Rental-Housing/Rental-Housing-Tax-Credits.**

Virginia Housing utilizes scoring criteria to maintain objectivity throughout the credit allocation process. Accordingly, staff endeavors to uniformly identify and address all errors, omissions, and requests within each application; however, failure on the part of Virginia Housing to identify an error or omission made by an applicant shall not be deemed a waiver of Virginia Housing’s right to enforce program requirements in accordance with the QAP. Any action or inaction taken, and any determination or interpretation made by, Virginia Housing with respect to an application or a credit allocation shall be limited to that specific application or allocation only and shall not form binding precedent or otherwise impact Virginia Housing’s future administration of its credit programs.

Applications are ranked according to their scores in the pools within which they compete. Reservations will be made to developments in accordance with Virginia Housing’s ranking criteria, so long as credits are available within the given pools. **Developments seeking more credits than are available within the given pool will be disqualified.**

2.1 Rules of Ranking

For 9% credits, applicants select the pool in which they wish to compete and then they are ranked according to their scores. Scores may reflect adjustments based on the pools where they compete. Deals that select the ASH pool but do not meet the minimum requirements or exceed the credit amount available, may compete in their applicable competitive pool.

2.2 Minimum Threshold Scoring Requirements

In order to qualify for a reservation of tax credits, applications must meet the following minimum threshold scoring requirements.

Type of Tax Credit	Minimum Threshold Scoring Requirement
9% Credit	Applications for 9% credits, including Accessible Supportive Housing applications must score a minimum of 300 points.
4% Credit	Applications for 4% credits (with tax-exempt bonds) must score a minimum of 200 points.
Hybrid 9% / 4% Credit	Must meet the respective scores for each deal.

3. General Program Information

3.1 Virginia Housing Subsidy Layering Information

Virginia Housing began performing subsidy layering reviews effective March 1, 2023. Virginia Housing, in its capacity as the Housing Credit Agency for the Commonwealth of Virginia, has been granted authority by HUD to conduct Subsidy Layering Reviews (SLR) for Low-Income Housing Tax Credit (LIHTC) new construction and rehab properties receiving Project Based Voucher (PBV) awards from a Virginia Public Housing Authority (PHA). SLRs are not required for existing PBV HAP contracts. SLRs for Mixed-finance developments, Development or modernization of public housing pursuant to 24 CFR 905 Subpart F, where public housing units are owned by an entity other than a PHA, are not reviewed by Virginia Housing and must be submitted to HUD.

A Virginia Housing SLR is conducted pursuant to the HUD SLR Guidelines (FR Notice, Vol. 85, No. 40, February 28, 2020). Virginia Housing will only complete the SLR for properties receiving a LIHTC award. For PBV awards in properties that will not receive LIHTC, PHAs must submit the request for SLR directly to the HUD field office in Richmond. All requests for a Virginia Housing SLR must be made by the PHA providing the PBV award and executing the Housing Assistance Payments (HAP) contract. To request an SLR the PHA must submit to Virginia Housing a cover letter on PHA letterhead to SLR@VirginiaHousing.com. The request must include the following information:

1. PHA Number
2. PHA Contact Person and Email
3. Owner Contact Person and Email
4. Project Name
5. Project Address

Once Virginia Housing receives a request for the SLR, the PHA will be provided with access to a Procorem folder to submit the required documentation.

Upon completion of the SLR, a one-time fee will be invoiced and must be paid prior to the issuance of the SLR Certification Letter. This certification is only applicable to the necessary SLR, and the development still must comply with any other HUD and/or local requirements prior to execution of their HAP contract.

To ensure timely completion of your SLR, the initial request must be made at least six weeks prior to expected completion, and all documentation must be received at least four weeks prior to expected completion.

4. Pools and Percentage of Available Credits

Given the diverse housing needs in Virginia, Virginia Housing divides the available annual credit amount into pools in which applications submitted by developers will compete. A description of each pool, as well as its respective percentage of available credits follows.

For deals competing in the Accessible Supportive Housing (ASH), Nonprofit, New Construction, and Local Housing Authority (LHA) pools, points related to being located in an area of increasing or decreasing rent burdened populations will be assigned based on the geographic pool to which such development would be assigned if it did not compete in this pool.

Developments may be moved from the nonprofit or new construction pool to its or their appropriate geographic pool to more fully or fully utilize the total amount of credits made available therein during such round.

4.1 Nonprofit Pool

The annual credit percentage allocated to this pool is 15%. Each new construction or adaptive re-use development that is not funded in the Nonprofit pool will compete in the New Construction pool, if eligible. All other developments not funded in this pool will compete in the applicable geographic pool.

To participate in the Nonprofit Pool, the nonprofit entity must:

	Nonprofit Requirements for Pool
4.1.1	Be authorized to do business in Virginia.
4.1.2	Be substantially based or active in the state of Virginia.
4.1.3	Materially participate in the development and operation of the development throughout the compliance period. (i.e., regular, continuous and substantial involvement)
4.1.4	Own, either directly or through a partnership or limited liability company, 100% of the general partnership or managing member interest.
4.1.5	Not be affiliated with or controlled by a for-profit organization.
4.1.6	Not have been formed for the principal purpose of competition in the Nonprofit Pool.
4.1.7	Not have any staff member, officer or member of the board of directors materially participate, directly or indirectly, in the proposed development as a for-profit entity.
4.1.8	Non-Profit entities that are seeking more than \$950,000 in annual credits may apply to the Non-Profit Pool, however reservations will be limited to \$950,000 unless all non-profit applications that meet all threshold requirements have been offered credits and unused credits remain in the Non-Profit Pool.

Note: Multiple nonprofit agencies may combine to compete in this pool however, 100% of the ownership must be held by nonprofits that meet the requirements to compete in this pool.

4. Pools and Percentage of Available Credits

4.2 Accessible Supportive Housing Pool

Credits for this pool will be reserved from the following year's allocation and will not exceed 10% of the current year's per capita credit amount unless authorized by Virginia Housing's Board of Commissioners. These credits are available for non-elderly developments.

The minimum requirements to qualify for credits in this Pool are as follows:

Minimum Requirements for ASH Pool	
4.2.1	At least 15% of the units will serve people with disabilities.
4.2.2	At least 15% of the units will conform to HUD regulations interpreting the fully, permanently accessible unit requirements of Section 504 of the Rehabilitation Act as referenced in the requirements set forth in the Uniform Federal Accessibility Standards "UFAS".
4.2.3	The development will provide rent subsidies in order to ensure occupancy by extremely low-income persons for 15% of the units. Subsidies may apply to any units, not only those built to satisfy Section 504. For purposes of this Pool, "extremely low income" mean households with gross incomes no greater than 40% of the AMGI paying no more than rent calculated at the 40% level.
4.2.4	The units will be actively marketed and rented to households including at least one person with a disability in accordance with a plan submitted as part of the Application for credits and approved by the Executive Director. The developer must also submit the fully executed Virginia Housing Permanent Supportive Housing certification.
4.2.5	The developer must have a demonstrated capacity to develop supportive housing as evidenced by one of the three available CORES certifications or other certification as approved by the Authority.
4.2.6	Evidence of prior services funding contracts, as well as a services budget for the first 5 years of services.
4.2.7	Evidence of dedicated services staff hired by an entity in the ownership of the deal. The dedicated service staff budget should be submitted as a separate document behind the Supportive Housing tab.

4.2a Accessible Supportive Housing (ASH) Guidelines

The ASH pool applications are due with the 9% competitive round. You must ensure the application is received prior to the competitive deadline set in the manual. The credits in this pool will continue to be a forward allocation and deals competing and winning credits from this pool will receive a Carryforward the following year. Elderly developments are not eligible for the ASH pool.

4. Pools and Percentage of Available Credits

Ownership structure must demonstrate capacity for service-enriched housing through a CORES certification or other pre-approved source. CORES certifies three models of service-enriched housing and a certification under any of the three models fulfills this requirement. If you plan to provide a different certification you will need to submit it to the tax credit allocation department at least 30 days prior to the application deadline for review and possible approval. A preference may also be given to applicants that have successfully completed the Supportive Housing Institute prior to application.

The ASH application must include the Virginia Housing Permanent Supportive Housing certification. It must be signed by the Owner and the identified service provider or be signed by the Owner and have an accompanying MOU with a service provider.

A minimum of 15% of the units must conform to HUD regulations interpreting the accessibility requirements of section 504 of the Rehabilitation Act and be actively marketed to people with disabilities in accordance with a plan submitted as part of the application for credits. Also, the application must include documentation of a binding form of rental assistance in order to ensure occupancy by extremely low-income persons.

If the applicant does not meet the minimum requirements in the ASH Pool or there are not enough credits to fully fund all developments, the developments not receiving an award of credits from the ASH pool may compete in their geographic pool if that pool contains enough credits to fund the request fully. Any pool specific points, including the Efficient Use of Resources boost, will be reduced to the geographic pool score if the deal moves to another pool.

4.3 Local Housing Authority (LHA) Pool

The annual credit percentage allocated to this pool is 15%. Each development sponsored by local housing authorities or industrial development authorities (from localities that do not have a local housing authority), as sole general partner or managing member (either directly or through a wholly owned subsidiary) or as landlord or seller of the land to the tax credit applicant, in the jurisdiction of the local housing authority or industrial development authority will compete in this pool only.

Provided, however, that the development will not compete in this pool if (i) the local housing authority or industrial development authority is the landlord or seller of the land to the tax credit applicant but is not a principal in the applicant (the landlord or seller being the grantee of a right of first refusal or purchase option, with no ownership interest in the applicant, shall not make the landlord or seller a principal in the applicant) and (ii) no more than the greater of 5 units or 10% of the units have project-based subsidy provided by the local housing authority or industrial development authority, the development will not compete in this pool. Each development competing in this pool will be scored according to the rent burdened population characteristics of the geographic pool to which such development would be assigned if it did not compete in this pool. Developments not funded in this pool will move to the At-Large pools.

4. Pools and Percentage of Available Credits

4.4 Preservation Pool (New for 2025)

Credits for this pool will be reserved from the following year's allocation and will not exceed 10% of the current year's per capita credit amount unless authorized by Virginia Housing's Board of Commissioners.

Eligibility to compete in this pool is limited to low-income housing tax credit developments seeking credit resyndication that are currently operating within their extended compliance period. Prior to application applicants must have completed more than 20 years of compliance under the existing extended use agreement issued in connection with the respective development's most recent credit allocation, and the credit investor or syndicator in place at the time of said allocation must have transferred all of its ownership interest in the development. Rents may not increase by more than 5% during the rent increase limitation period.

Applicants awarded credits from this pool shall be subject to additional rent increase limits, as determined by the authority in the best interest of the plan, for a period of five years beginning on the first day of the new credit period. Unsuccessful applicants in the preservation pool may compete in the applicable geographic pool if that pool contains enough credits to fully fund their request and if the application scores high enough.

4.5 New Construction Pool

The annual credit percentage allocated to this pool is 15% of the following year's annual credit authority. Each new construction or adaptive re-use development (including excess nonprofit developments) which is located within one of the jurisdictions listed below will compete in this pool. Each development not funded in this pool will move to its applicable geographic pool.

New Construction Pool	
Alexandria City	Loudoun County
Arlington County	Manassas City
Fairfax City	Manassas Park City
Fairfax County	Prince William County
Falls Church City

4.11 At-Large Pool

The At-Large Pool has been created for all applications not ranked high enough for initial funding in the geographic pools. The At-Large Pool is separated into two tiers.

Tier 1 consists of the next eligible developments, from geographic and LHA pools, that could not be fully funded with the remaining credits in those pools. It is these developments, in rank order, that can be fully funded, that will receive credits in Tier 1.

Tier 2 consists of all remaining developments ranking above threshold.

4. Pools and Percentage of Available Credits

4.12 Pre-Allocated Credits

Credits pre-allocated to developments will not change Total Credit Authority in the geographic pools in which the developments are located. Deals competing in the New Construction Pool but funded in a different geographic pool or At-Large pool are not guaranteed a future allocation of credits.

All determinations for deals receiving a pre-allocation of credits are at the discretion of the Executive Director.

5. Minimum Program Requirements

5.1 Program Overview

There are three types of low-income housing tax credits available in Virginia for 2025:

Type of Tax Credit	Description
9% credit	The 9% credit is determined on a ten-year, present value calculation of 70% of the qualified basis of the low-income units for new construction or substantial rehab of developments not federally subsidized or financed with tax- exempt bonds.
4% for New Construction or Substantial Rehab	The 4% credit is available to new construction and substantial rehab developments that are federally subsidized with tax- exempt bonds. This credit amount is determined by a present value calculation on 30% of the qualified basis over ten years.
4% for the Acquisition of Existing Developments	The 4% credit is also available for the acquisition of existing developments if the development was not previously placed in service by the owner or a related party and is acquired at least 10 years after the later of (a) the date the development was last placed in service or (b) the date of the most recent non-qualified substantial improvements.

To qualify for tax credits, a development must meet conditions set forth in Section 42 of the Internal Revenue Code (IRC).

5. Minimum Program Requirements

5.2 Minimum Program Requirements

The following are minimum requirements of the Federal Housing Credit program. Failure to comply with any of the following minimum requirements may result in a recapture of credits.

	Minimum Requirement
5.2.1	A minimum of 20% of the units must be occupied by households with incomes at or below 50% of the area median gross income (AMGI), as adjusted for family size; OR, a minimum of 40% of the units must be occupied by households, with incomes at or below 60% of the AMGI, adjusted for family size; OR, under the Average Income Test, forty percent (40%) or more (25% or more in the case of a project described in Section 142(d)(6)) of the residential units in the project must be both rent restricted and occupied by individuals whose income does not exceed the imputed income limitation designated by the taxpayer with respect to the respective unit. The average of the imputed income limitations designated must not be more than 60% of the area median gross income. The designated imputed income limitation of a unit can only be 20%, 30%, 40%, 50%, 60%, 70%, or 80% of the area median gross income and must be as designated with Virginia Housing in writing. The development must comply with these income restrictions within 12 months of the placed-in-service date (slight variations apply when a development has more than one building). This is commonly referred to as the “20-50”, “40-60”, or “Average Income” test. Developments financed with tax-exempt bonds selecting the Average Income test must designate and maintain a minimum of 40% of the total units at or below 60% AMI throughout the extended use agreement.
5.2.2	Owner may not require an annual minimum income requirement that exceeds the greater of \$3,600 or 2.5 times the portion of rent to be paid by tenants receiving rental assistance.
5.2.3	The gross rent charged for a low-income unit may not exceed 30% of the imputed income limit applicable to such unit size.
5.2.4	If the household pays any utilities (excluding telephone, cable television or internet), an appropriate utility allowance must be subtracted from the gross rent limit to determine the maximum net rent chargeable. These amounts must be confirmed by calculating maximum rents individually.
5.2.5	Developments must comply with federal Housing Credit program requirements for a minimum of 30 years, beginning with the taxable year in which the development is placed in service or, at the election of the taxpayer, the succeeding taxable year.
5.2.6	Developments must comply with Virginia Housing's Minimum Design and Construction Requirements.

5. Minimum Program Requirements

	Minimum Requirement
5.2.7	In Virginia, rehab developments must incur a minimum of \$15,000 of contractor hard costs, on average, per unit in order to qualify for credits.
5.2.8	In Virginia, developments financed with tax-exempt bonds must incur a minimum of \$10,000 of contractor hard costs, on average, per unit in order to qualify for 4% credits.
5.2.9	The Management company that will be used for the development must be a Virginia Housing Certified Property Manager by time of 8609 issuance.
5.2.10	Unless prohibited by an applicable federal subsidy program, each applicant shall commit to provide a leasing preference to individuals (i) in a target population identified in a memorandum of understanding between the Authority and one or more participating agencies of the Commonwealth, (ii) having a voucher or other binding (a locality resolution may be acceptable) commitment for rental assistance from the Commonwealth, and (iii) referred to the development by a referring agent approved by the Authority. The leasing preference is not required to be applied to more than ten percent (10%) of the units in the development at any given time. The applicant may not impose tenant selection criteria or leasing terms with respect to individuals receiving this preference that are more restrictive than the applicant's tenant selection criteria or leasing terms applicable to prospective tenants in the development that do not receive this preference, the eligibility criteria for the rental assistance from the Commonwealth, or any eligibility criteria contained in a memorandum of understanding between the Authority and one or more participating agencies of the Commonwealth. See Appendix E, and Appendix GG for additional details.
5.2.11	Applicants receiving credits must waive their right to pursue a Qualified Contract (QC). Any principals participating in a deal that is currently pursuing a QC in Virginia are not eligible for an allocation of credits (9% or 4%). Any principals participating in a deal that is currently pursuing a planned foreclosure in Virginia are not eligible for an allocation of credits (9% or 4%).

5. Minimum Program Requirements

	Minimum Requirement
5.2.12	<p>All developments must meet a baseline energy performance requirement:</p> <ul style="list-style-type: none"> • New Construction – Energy Star Certification; • Rehab - 30% performance increase over existing based on HERS Index (HERS index must be 110 or lower after rehab) or evidence of a HERS index of 80 or lower; • Adaptive reuse – Must evidence a HERS index of 95 or lower. <p>All requirements must be verified by a third party, independent, non-affiliated certified RESNET rater; rater must be certified by a provider found on the Virginia Housing Certified Provider list. All Raters must submit to the owner, to be included in the application, a signed Virginia Housing RESNET Rater form and a HERS report from an energy rating software program listed on the National Registry of Accredited Rating Software Programs. All raters certifying a property for Virginia Housing's Credit program must be authorized to conduct business in Virginia and have completed 500+ ratings. See Section 6.6.8 for additional information on this requirement. At Reservation, model reports for at least one of each unit type should be provided. A summary page with weighted averages may also be provided to show a whole building score. If a Rehab, existing baseline HERS indices should be provided as well.</p>
5.2.13	<p>The Authority is committed to the long-term affordability of developments for the benefit of tenants and full compliance by applicants and principals with the provisions of the IRC, the extended use agreement and other program requirements. The Authority similarly has an interest in preserving the right of first refusal by a qualified nonprofit organization at the close of the compliance period, as authorized in Section 42(i)(7) of the IRC. The executive director is hereby authorized to require any or all of the following with respect to applications: (i) provisions to be included in the applicant's organizational documents limiting transfers of partnership or member interests or other actions detrimental to the continued provision of affordable housing; (ii) a designated form of right of first refusal document; (iii) terms in the extended use agreement requiring notice and approval by the executive director of transfers of partnership or member interests; (iv) debarment from the program of principals having demonstrated a history of conduct detrimental to long-term compliance with extended use agreements, whether in Virginia or another state, and the provision of affordable tax credit units; and (v) provisions to implement any amendment to the IRC or implementation of any future federal or state legislation, regulations or administrative guidance. The decision whether to institute, and the terms of, any such requirements shall be made by the executive director as reasonably determined to be necessary or appropriate to achieve the goals stated in this paragraph and in the best interest of the plan. Any such requirements will be indicated on the application form, instructions or other communication available to the public.</p>

5. Minimum Program Requirements

	Minimum Requirement
5.2.14	Each applicant shall commit in the application to provide free Wi-Fi access in the community room of the development, if such a room is provided, and such access shall be restricted to resident only usage.
5.2.15	Each applicant shall commit in the application to provide a disclosure, to be acknowledged by tenant, of the availability of renter education from the Authority. Applicant must submit a sample disclosure with their reservation application.

5.3 Compliance Monitoring

The Omnibus Budget Reconciliation Act of 1990 amended the IRC to require that state tax credit allocating agencies provide a procedure for monitoring developments for non-compliance with the requirements of the Program under IRC §42(m)(1)(B) and for notifying the Internal Revenue Service of such non-compliance. To offset the costs of compliance monitoring, Virginia Housing charges a reasonable annual monitoring fee, as allowed by the IRC. Virginia Housing is required by the IRC to monitor developments for compliance with the program requirements and report all non-compliance to the IRS using Form 8823.

The QAP mandates that all procedures and requirements in the IRC must be complied with and satisfied. The QAP further recites that federal law requires Virginia Housing to monitor developments receiving credits for compliance with the requirements of §42 of the IRC. The Authority will review each certification set forth in subsection C of this section for compliance with the requirements of § 42 of the IRC.

The initial on-site inspection of buildings and units in the development, and compliance monitoring review of project records and tenant certification files will be completed by the end of the second calendar year following the year the last building in the development is placed in service and at least once every three years thereafter. Units and tenant files will be selected as required under the program requirements. The Authority will provide a reasonable notice of inspection and compliance monitoring review of not more than 15 days.

For more complete information regarding mandatory compliance monitoring please reference VirginiaHousing.com/Partners/Rental-Housing/Compliance-Monitoring.

6. Housing Credit Application Information

6.1 Reservation Application for 9% Credits

The application can be found on our website. The Tax Credit Application was prepared using Microsoft Excel. Because of additional mapping behind the scenes, copy and paste should not be used.

Note: If the development is a mixed construction development, a mixed construction application must be requested from Virginia Housing and completed by the established deadline. Send an application request to TaxCreditApps@VirginiaHousing.com as soon as you think you might be pursuing a Mixed Construction Application.

6.2 Reservation Application for 4% Credits Combined with Tax-Exempt Bonds

These developments, because they are federally subsidized, only qualify for the 4% credit. Bond financing must be more than 50% of the development's aggregate basis plus land while the maximum allowable credits are calculated on 100% of the qualified basis of the low-income units. Virginia Housing must determine that the development satisfies the threshold requirements of the QAP. Only the minimum amount of credits will be allocated to the development to make it financially feasible.

The application is the same for 9% and 4% credits and can be found on our website, VirginiaHousing.com. The 4% Tax Credit Application was created using Microsoft Office 365. The Mandatory Items that must be submitted with the 4% Reservation application are the same as "Reservation Application Mandatory Items," described in Section 6.5., as well as a Physical Needs Assessment (if applicable) and a Phase I Environmental Assessment. Please note that there is a requirement to meet with TCA Staff prior to submission of a reservation application if you have not previously submitted a successful 4% application. If available, please add an inducement resolution.

If the reservation fee for a 4% Tax-Exempt development is not paid within the same calendar year as the application, the deal will be terminated.

	Description
6.2.1	Complete the Locality Notification Information form (online submission) at least 45 days prior to submitting the application.
6.2.2	Submit the Application for Reservation — The market study, Physical Needs Assessment (if applicable), Phase I Environmental Site Assessment, and \$1,000 Application Fee are due with the Application.
6.2.3	Virginia Housing reviews 4% plans for adherence to Minimum Design and Construction Requirements. See section 6.6.14 for more information.
6.2.4	The appraisal fee (if applicable) is due when Virginia Housing notifies the Applicant of the appraisal fee (typically within 7-10 days of receiving Application).
6.2.5	Virginia Housing reviews the Application for threshold, financial and market feasibility.
6.2.6	If the Application qualifies for an allocation, Virginia Housing will request payment of the Reservation Fee.

6. Housing Credit Application Information

6.2.7	After receipt of the Reservation Fee, Virginia Housing sends the Section 42(m) letter and Extended Use Agreement.
6.2.8	An Existing Conditions Questionnaire must be submitted with the reservation application for all 9% and 4% rehab deals.
6.2.9	Virginia Housing will be requiring the submission of a 50% test with all 4% deals to be submitted after bond closing and no later than 8609 application.

6.3 Reservation Specifications

The following specifications must be incorporated into both the 9% and 4% application for Federal Housing Credits. Documentation must be submitted with the application to support any variations from these specifications.

	Specification	Description
6.3.1	Revenue	Within the Unit Mix grid, add a line item for each different unit floor plan configuration and rent target for this development. Rents should not include utility allowance.
6.3.2	Vacancy	Use either 7% of gross potential income or market vacancies. If the development includes both market and low-income units, use 7% of gross potential income or market vacancies for both. Documentation must be submitted to support market vacancy if less than 7%.
6.3.3	Operating Expenses	Per Unit Operating Expenses must be at least \$4,500 per unit excluding replacement reserves and assuming the tenant is paying own utilities. The pro forma operating expenses increase is greater than or equal to 3% for purposes of calculating Projections for Financial Feasibility.
6.3.4	Replacement Reserves	Minimum replacement reserves should equal \$250 per unit for new construction and elderly developments and \$300 per unit for all other developments.
6.3.5	Pro Forma Rent Increases	The pro forma rent increase is less than or equal to 2% per year for purposes of calculating Projections for Financial Feasibility.
6.3.6	Debt Coverage Ratio	A minimum of 1.15 in year one is preferred.
6.3.7	Cost Limits	Total development costs per square foot and per unit will be compared to the applicable cost limits for the allocation year. The development only needs to meet one of the set cost limits, either per unit or per square foot. Costs associated with parking structures, acquisition, renewable electric energy systems and supportive service reserves may be removed from the total development calculation for purposes of meeting the cost limit.

6. Housing Credit Application Information

6.3.8	Builder's Overhead, Profit and General Requirements	In total, the combined amount included in basis (including any change orders) must not exceed 14% of total structures and land as shown in the application.
6.3.9	Operating Reserve	Use a minimum of 6 months of operating expenses and debt service.
6.3.10	Tax Credit Equity Factor	This generally does not include syndication, legal, accounting, overhead, sales commissions and/or required reserves. The Applicant will determine the amount appropriate for the development.
6.3.11	Deferred Developer Fee Loan	If 50% or more developer fee is deferred, the application must include evidence that the property can support the repayment within 15 years based on the cash flow analysis provided in the application.

6. Housing Credit Application Information

6.4 Developer Fee Calculation

The maximum developer's fee will be the lesser of the following calculations:

	Description
6.4.1	<p><u>Acquisition</u>: Less than or equal to 10% of the building's acquisition cost, excluding the developer's fee. No developer's fee will be allowed on the acquisition basis in cases where there is an identity of interest between the purchaser and seller unless a waiver is obtained from Virginia Housing prior to application submission. In addition, the building acquisition portion of the developer fee for all Rural Development developments will not exceed 8%, PLUS <u>Rehab</u>: Less than or equal to 25% of the building's eligible basis arising from the rehab, excluding the developer's fee, OR <u>New Construction</u>: Less than or equal to 20% of the building's eligible basis, excluding the developer's fee.</p>
6.4.2	Less than or equal to 15% of the total development costs.
6.4.3	For developers with a related entity contractor, the maximum developer's fee shall not exceed the total development costs, less the contractor's overhead, profit and any incentive payments.
6.4.4	For developers with a related architectural entity, the maximum developer's fee shall not exceed the total development costs, less the architectural and engineering fees.
6.4.5	For developers with both a related architectural entity and a related contractor entity, the maximum developer's fee shall not exceed the total development costs, less the total development costs exclusive of the developer fee, less the contractor's overhead, profit, any incentive payments and all architectural and engineering fees.
6.4.6	<p>A cumulating declining scale, as follows:</p> <ul style="list-style-type: none"> • 15% if less than \$1 million total development costs, plus • 12% if between \$1 million and \$10 million total development costs, plus 8% if greater than \$10 million total development costs.

Notwithstanding the existing calculation of developer's fee, (i) no more than \$3 million of developer's fee may be included in the eligible basis of 9% deals, (ii) no more than \$3 million developer's fee may be included in the eligible basis of developments seeking 4% credits, unless at least 30% of said developer's fee is deferred, (iii) no developer's fee may exceed \$5 million, and (iv) no developer's fee may exceed 15% of the development's total development cost.

The fee amount cannot increase after Reservation without prior approval.

6.5 Reservation Criteria

The following summary is an attempt to provide a more complete explanation of Application criteria, answer frequently asked questions, supply expanded details related to Virginia Housing’s intent in requesting documentation, as well as to detail the methods of calculation.

This summary should not be considered a replacement for, but rather a supplement to the QAP, which in the case of discrepancies will be the overriding document.

	Description
6.5.1	Increase to Eligible Basis is allowed under the following circumstances:
6.5.1.a	The development is located in a HUD-designated qualified census tract (QCT) or difficult to develop area (DDA). (30% increase available to both 9% and 4% deals)
6.5.1.b	The development includes Permanent Supportive Housing (PSH). PSH is housing consisting of units designated for individuals or families that are homeless, at-risk of homelessness or who have multiple barriers to independent living. (30% increase only available to 9% deals)
6.5.1.c	If revitalization points are awarded. (30% increase only available to 9% deals)
6.5.1.d	If the development obtains an additional green certification over the baseline requirement. (10% increase only available to 9% deals)

Basis boosts may be subject to removal at 8609 if feasibility determines they are not needed.

Note: The maximum increase in eligible basis any development can receive is 30%. Tax Exempt Bond deals with 4% credits will only qualify for a 30% increase in basis if the development is located in a HUD designated QCT or DDA.

	Criteria	Description
6.5.2	Determining Total # of Rental Units in Development	Exclude units from rental unit count that will not be rented to qualified households (e.g. manager’s unit)
6.5.3	Minimum Design and Construction Requirements Note: Each deal receiving a reservation will be subject to a pre-construction meeting where these will be reviewed with the development team.	VH’s Minimum Design & Construction Requirements (MDCR) are mandatory minimum design criteria for any development receiving tax credits and/or VH financing. Whether financing with VH or not, construction will be monitored periodically to ensure requirements are being met. In the event the plans and specifications and/or work write-up do not include Virginia Housing Minimum Design and Construction Requirements, then those requirements must still be met, even though the application is accepted for credits. Not doing so may cause the Application to be ineligible for credits.

6. Housing Credit Application Information

		All 4% applications will be subject to an MDCR review prior to confirm inclusion of MDCRs. See Section 6.6.14, A&E Review Process, A&E Review Workflow, and A&E Review Memo Template for additional information.
6.5.4	Set-Aside Elections	The selections made in this category are used to determine the lower rent bonus points.
6.5.5	Operating Budget	Revenue should be projected for the date the buildings are anticipated to be placed in service and using rents not greater than the current maximums. Use HAP rents where applicable.

6.6 Reservation Application Mandatory Items

The following are mandatory documents that must be submitted with the application. Mandatory items that are not submitted with the application or that need to be corrected may be assessed a penalty. Immediate correction of minor and immaterial defects affecting mandatory items (but not points items) will be allowed. Should the executive director choose to allow correction, applicants will be given 48 hours from the time of notification to cure defects with their application. If the executive director allows an applicant to cure minor defects, that does not constitute approval or acceptance of the application and is not an assurance that the application, upon further review, will be deemed acceptable.

If the mandatory items are not submitted or corrected within the time frame specified in the penalty notification, the application may be penalized or disqualified. Please refer to the Submission Checklist in the application for correct tab placement.

	Mandatory Item	Description
6.6.1	Electronic Copy of Application and Attachments (Procorem)	Submit a signed, completed, application with attached tabs in PDF format using VH tab dividers & active Excel copy of the application, both submitted via our file sharing application, Procorem.
6.6.2	Locality Notification Information form (online submission)	<p>Applicant must complete Virginia Housing’s online LNI form no less than 45 days prior to application. Slight discrepancies between the LNI and the application will not result in penalties. Any applicant submitting more than 5 LNIs must meet with Tax Credit staff prior to submitting. Please include the names and e-mail addresses for all parties that need access to the Procorem folder in the LNI.</p> <p>Any development that includes a Public Housing Authority in the ownership structure or are participating in the Rental Assistance Demonstration (RAD) program, or other PHA conversion to project-based rental assistance must arrange a meeting with Authority staff at the time of LNI submission.</p> <p>At this meeting, the developer will provide an overview of the project and can expect to discuss deal timing, structure of the project and MDCR requirements.</p>

6. Housing Credit Application Information

6.6.3	\$1,000 Application Fee	Must be paid via check or electronically to Virginia Housing prior to application deadline. The process for submitting payments is in Section 12.2.
6.6.4	Partnership or Operating Agreement and Organizational Chart	<p>Each application must include both a copy of the Owner's Partnership Agreement or Operating Agreement along with an organizational chart depicting the ownership structure of the Owner. The organizational chart must comply with the following requirements:</p> <ul style="list-style-type: none"> • Show each Principal (as defined within the QAP) of the Owner that is a joint venture, partnership, limited liability company, corporation, nonprofit organization, trust, or any other public or private entity. • All Principals (including individuals) having an ownership interest in any entity within the direct chain of Principals maintaining managerial control over the GP/MM of the Owner must be individually identified, except as follows: <ul style="list-style-type: none"> ◦ For Principals organized as a corporation (public or private), you are only required to list the names of any officers who are directly responsible to the Board of Directors (or equivalent) and any stockholder holding a 25% or more interest in said Principal. ◦ For nonprofit organizations and public housing authorities, you are only required to list the name of the executive director or CEO. ◦ For Principals organized as a limited liability company or limited partnership with more than 25 individual members/partners, you are only required to list the names of any officers and any managing members/partners responsible for managing the affairs of the company, along with the name of any individual member holding 25% or more interest in the Principal. ◦ For Principals organized as a trust, list the names of all trustees and any individuals possessing a 25% or more beneficial interest in the assets of the trust. • Applicants are not generally required to list the names of individuals owning an interest in Principals outside of the direct chain of Principals maintaining managerial control of the GP/MM of the Owner; however, the following individuals must be specifically identified in all cases: <ul style="list-style-type: none"> ◦ All individuals possessing a 25% or greater ownership interest in a Principal of the Owner; ◦ All individuals named as trustee of a Principal of the Owner organized as a trust and all individuals

		<p>possessing a 25% or greater beneficiary interest in said Principal;</p> <ul style="list-style-type: none"> ◦ All individuals serving as MM or GP of a Principal; ◦ All individuals serving in their capacity as president, vice president, secretary, treasurer, or other officer responsible for managing a Principal; and ◦ The executive director or CEO should be the individual identified for nonprofit organizations and public housing authorities. <p>Virginia Housing reserves its rights under the QAP to request additional information and certifications regarding and</p> <ul style="list-style-type: none"> • from any Principal of the Owner, regardless of whether such Principal is required to be included on the organizational chart.
6.6.5	Virginia State Corporation Commission Certification (SCC)	Submit a Certification from the Virginia SCC reflecting the ownership entity is admitted to record in Virginia and is authorized to transact business in Virginia.
6.6.6	Principal's Previous Participation Certification (PPC)	Information provided in the PPC form and representations made in the ownership section of the Application will be used to enforce the limit on the amount of credits that are reserved for a single sponsor. No more than 15% of the per capita credit amount may be reserved to any party or related parties, either directly or indirectly, in any credit year.
6.6.7	Site Control Documentation	<p>Site control must be in the name of the tax credit ownership entity identified in the Application. The site control document must reference all parcels in the development and should not allow further marketing of the property by the seller. All applications must include a copy of the most current real estate tax assessment.</p> <p>Site control documentation must be in one of the following forms:</p> <ul style="list-style-type: none"> • Sole fee simple ownership of the site of the proposed development by the applicant, OR

6. Housing Credit Application Information

- Lease of such site by the applicant for a term exceeding the compliance period (as defined in the IRC) or for such longer period as the applicant represents in the application that the development will be held for occupancy by low-income persons or families, **OR**
- Right to acquire or lease such site pursuant to a valid and binding written option or contract between the applicant and the fee simple owner of such site. **For competitive 9% credits, an option or contract must extend beyond the application deadline by a minimum of four months.**
- Site control by an entity other than the Owner even if it is a closely related party is not sufficient. Anticipated future transfers to the Owner are not sufficient. The Owner, as identified previously, must have site control at the time this Application is submitted.

The option or contract shall have no conditions within the discretion or control of the site owner. Any contract for the acquisition of a site with existing residential property may not require an empty building as a condition of such contract, unless relocation assistance is provided to displaced households, at such level required by Virginia Housing. Please refer to the Virginia Housing Relocation Assistance Guidelines.

In the case of acquisition and rehabilitation of developments funded by Rural Development of the U.S. Department of Agriculture (“Rural Development”), any site control document subject to approval of the partners of the seller does not need to be approved by all partners of the seller if the general partner of the seller executing the site control document provides (i) an attorney’s opinion that such general partner has the authority to enter into the site control document and such document is binding on the seller or (ii) a letter from the existing syndicator indicating a willingness to secure the necessary partner approvals upon the reservation of credits.

If the site control document does not clearly state the price but rather ‘an assumption of outstanding debt’, documentation must be provided to show the value of the outstanding debt.

This Opinion must be included with application. 2. This Opinion must be submitted under law firm's letterhead. 3. The executed Opinion submitted as part of the application must be accompanied by a blackline showing that no changes have been made to this form beyond those necessary to complete it (e.g. filling in blanks, selecting bracketed language as appropriate). 4. If circumstances unique to a particular application require modification of this form, any such modification must be approved by Virginia Housing in writing within six months prior to the application deadline. A copy of any such approval must be included with this executed Opinion as part of the application. <p>5. Be aware that there is a 9% version and a Tax Exempt version. Failure to utilize the correct form or to abide by the instructions above form may result in a point penalty or rejection of the application.</p> <p>See website for required Attorney Opinion Form.</p>
6.6.10	Nonprofit Questionnaire (if Applicant/Developer or recipient of ROFR is a Nonprofit Organization)	<p>If applicant is eligible to compete in the Nonprofit Pool and/or receive points for nonprofit involvement, applicant must submit the completed questionnaire and consulting agreements, if applicable.</p> <p>See website for required form.</p>

6. Housing Credit Application Information

6.6.11	Appraisal (if Acquisition credits are being requested)	<p>Appraisals are required to be submitted with the Reservation Application only when the applicant is seeking acquisition credits for acquisition-rehab and/or adaptive reuse LIHTC developments.</p> <p>Virginia Housing will accept RD appraisals that include its requested values.</p> <p>The applicant obtains appraisals independently. However, Virginia Housing reserves the right to order its own appraisal (at the applicant's expense), if it has unresolved questions or concerns about the report. The associated fee will be communicated by Virginia Housing to the applicant in writing.</p> <p>Regarding 9% LIHTC applications, all questions and concerns regarding the appraisal must be resolved before preliminary rankings. As such, your application could be disqualified if Virginia Housing has to order its own appraisal.</p> <p>Regarding 4% LIHTC credit applications, all questions and concerns regarding the appraisal must be resolved before the 42m letter is issued.</p> <p>See website for additional requirements.</p>
6.6.12	Market Study	<p>Please reference Virginia Housing Market Study Guidelines available on the website. Market study information in the application must match information included in the final market study. Approved market analysts are required to be a member of the National Council of Housing Market Analysts (NCHMA).</p> <p>See criteria for approved market analyst listing on the Virginia Housing website. The application may be subject to penalty if (1) the market study is not provided with the application and/or; (2) if the market study does not meet current market study guidelines.</p> <p>For Virginia Housing purposes, the date of the site inspection is the Effective Date of the report. The Effective Date must be obviously stated on the cover page or in the Executive Summary section of the report. For a market study with an Effective Date that is 6 to 12 months old at the time of submission, if there are no material changes to the development and/or market, the analyst must provide a letter stating "No material</p>

adjacent to the site). Contour lines and elevations are not required. If this is a combination 9%/4% development, indicate on the site plan all buildings for both 9% and 4%. Include a building-by-building unit matrix reflecting distribution of 9% and 4% units.

- Sketch plans of main building(s) reflecting overall dimensions.
- Typical floor plan(s) showing apartment types and placement.
- Ground floor plan(s) showing common areas.
- Sketch floor plan(s) of typical dwelling unit(s).
- Typical wall section(s) showing footing, foundation and wall and floor structure. Notes must indicate basic materials in structure, floor and exterior finish.
- All items reflected in Virginia Housing's Minimum Design & Construction Requirements.
- Rehab developments must include a 100% Unit Condition Survey and Scope of Work Narrative. This is in addition to the Physical Needs Assessment.

Plans and Specs for **4% applications** must be complete at least through Design Development phase and include Architectural, Civil, Structural and MEP design disciplines. A 100% unit condition survey is required for all rehab deals at the time of reservation application. See the submission section in the Virginia Housing Minimum Design and Construction Requirements for additional submission requirements at the time of application.

All 4% applications are subject to an A&E review prior to award. At the time of LNI submission, Virginia Housing will create a separate Plan Review folder (the folder will be titled "Deal Name – Plan Review"), upload all plans and specifications to this folder, not the folder with the reservation application. See A&E Review Process, A&E Review Workflow, and A&E Review Memo Template on the Virginia Housing website for more information.

The Authority reserves the right to require a complete A&E review prior to awarding 9% credits if it is deemed necessary.

In the event the plans and specifications do not include Virginia Housing Minimum Design and Construction Requirements, they still must be met if the Application is accepted. However, leaving out these requirements may cause the Application to be ineligible for credits at project close out or have penalty points assessed for future submittals.

6. Housing Credit Application Information

6.6.15	Environmental Site Assessment (Phase I) – 4% only	Each 4% tax credit reservation application must include an environmental site assessment (Phase I). Additional reports/documentation may be requested, if applicable.

B. Marketing Plan Requirements

Marketing Plan Instructions for a Leasing Preference

Properties with a required leasing preference commitment must have a marketing plan and includes points awarded for Section 504 units with accessible features (“special needs units”). Properties must actively market units to individuals including at least one person with a disability in accordance with the marketing plan.

While there is no standard marketing plan language, every marketing plan must:

- a. Be customized for the property-specific leasing preference or special needs tenant population that the property is intending to serve;
- b. Include information on networking contacts with centers for independent living, disability services boards and address the efforts that will be necessary to fill a vacant unit;
- c. State that referred applicants will be given a leasing preference to fill the property’s required unit commitment;
- d. State that units will be held vacant and actively marketed to the networking contacts included in the written marketing plan;
- e. State that units may be held vacant for 60 days during which ongoing marketing must be documented;
- f. State that the property will be listed on VirginiaHousingSearch.com.

Leasing Preference Required Property Marketing

On-going marketing to the network contacts in the marketing plan for referrals is required until the unit commitment is met and maintained throughout the extended use period.

60 Day-Hold Unit

Units must be held vacant for 60 days during which active marketing efforts must be documented. However, if marketing to the 50-point special needs unit is deemed to be conducted satisfactorily on an ongoing basis throughout the year and management can provide sufficient documentation to Virginia Housing’s Compliance Officer, management may request the ability to lease 50-point units to a household not in the special needs population without the unit remaining vacant for the 60-day timeframe. “Ongoing basis” means contact to at least two (2) resources at least monthly in the manner noted below at any time the required number of units is not actually occupied by the special needs population.

Properties that fail to document ongoing active marketing to the marketing plan network contacts to lease vacant leasing preference units, may be cited with non-compliance, and may be required to hold unit(s) vacant for up to 60 days to actively market unfilled leasing preference units. Non-compliance with the marketing requirement is subject to a penalty point deduction in future funding requests with the Authority.

Note: The move of the temporary/non-disabled tenant will be paid for by the owner.

If the Board of Commissioners determines that exceeding the cost limit by more than 5% was outside the applicant's control based upon documented extenuating circumstances, then no negative points.

6. Housing Credit Application Information

- No units within the development may be sold prior to the close of the Compliance Period.
- Developments will not receive points for selecting extended compliance within the application.
- Only developments selecting an income set-aside of 100% of units at 60% AMI will be allowed to transition to homeownership.
- As a condition of allocation, applicants must agree to accept the terms of Virginia Housing's form Homeownership Rider to the Extended Use Agreement, which imposes additional requirements related to operation of the development, lease terms, terms of sale, and rights conferred to tenants. Virginia Housing will provide a copy of the current form to developers upon request.
- Applications must contain a homeownership plan that aligns with all Virginia Housing program requirements and is otherwise acceptable to Virginia Housing. The homeownership plan must demonstrate that the development is expected to be capable of operating as a rental housing development throughout the Extended Compliance Period and in compliance with the requirements of §42 of the Code.
- Prior to the application submission deadline, applicants must arrange a meeting with Virginia Housing credit allocation staff to review the proposed homeownership plan; failure to meet with staff prior to application submission will result in rejection of the application.

Applicants interested in seeking credits for a development intended to transition to homeownership should request from

6.14 How to Submit Reservation Applications (9% and 4%)

Applicants must submit all application materials through Procorem only. Submit application material following the protocol below. If application fee is paid via Virginia Housing's invoice portal, it's considered received at the date and time of payment.

When LNI submissions are made, Virginia Housing will create the Procorem workcenters (a separate Plan Review workcenter will be created for all 4% applications) and send email invitations to the contact persons indicated.

Owners must notify TaxCreditApps@VirginiaHousing.com directly once all application materials have been uploaded. Any submissions past stated deadlines will be considered late and may be disqualified. Please see instructions for using Procorem at VirginiaHousing.com for more information.

6.15 Cure Period Information

The executive director may choose to allow for the immediate correction of minor and immaterial defects affecting mandatory items (but not points items) in an application. Should the executive director choose to allow correction, applicants will be given 48 hours from the time of notification to cure defects with their application. If the executive director allows an applicant to cure minor defects, that does not constitute approval or acceptance of the application and is not an assurance that the application, upon further review, will be deemed acceptable. The cure period information in this section applies to the 9% and 4% programs.

Examples of items that may be considered as “curable” include:

- a. If the applicant has failed to include a required document, the applicant may supply the document, provided, however, that the document existed on the application deadline date and, if the document is a legal agreement or instrument, the document was legally effective on the application deadline date;
- b. If statements or items in the application are contradictory or mutually inconsistent, the applicant may present information resolving the contradiction or inconsistency, provided, however, that the information accurately reflects the state of affairs on the application deadline date;
- c. The applicant may provide any required signature that has been omitted, except for applications that the executive director deems to be substantially incomplete; and
- d. The applicant may cure any scrivener’s error, missing or defective notarization, defective signature block, or defective legal name of an individual or entity.

The applicant will be notified of any curable defects it discovers by telephone, and, simultaneously, in writing electronically (email). The applicant’s corrective submission shall not be considered unless it is received by the executive director no later than 48 hours (excluding weekends and legal holidays) from the written notification. If an applicant fails to respond to the notification of curable defects within the 48-hour cure period, or if an applicant’s response is nonresponsive to the question asked, a negative conclusion shall be drawn. Failure to respond to an item in a cure notification will result in the denial of points in that category or the application may be deemed to not meet threshold. After the application deadline, telephone calls or other oral or written communications on behalf of a tax credit applicant (for example, from a project’s development team, elected representatives, etc.) other than information submitted pursuant to this subdivision shall not be accepted or considered before preliminary reservation awards have been announced.

7. Allocation Information

7.1 Review Process

In addition to scoring applications, Virginia Housing must also determine the amount of credits to award the development. In no case can Virginia Housing provide more credits than necessary to make the development financially feasible. This is a two-step analysis, with the development qualifying for the lesser of: (1) the maximum amount of credits allowed on the development given the amount of eligible basis and the percentage of qualified low-income units (i.e. the applicable fraction) and (2) the amount of credits necessary to generate enough equity to fill the gap between the development's total sources and uses. Virginia Housing staff reserves the right to disqualify applications or require resubmission in subsequent funding rounds if there are too many issues requiring resolution within a reasonable timeframe. Applications must remain competitive throughout allocation and 8609. If scores drop to the point where they are no longer competitive, credits may be reduced.

A reservation of credits is made after an initial feasibility analysis by Virginia Housing and is conditioned on the development's sponsor meeting certain requirements. Applicants who satisfy the requirements are given an allocation of credits. 9% developments receive a second feasibility analysis to confirm allocation. If a development is placed in service in the year of allocation, it qualifies for a regular allocation and Forms 8609 must be issued on or before December 31.

After a building has been placed in service (i.e., the rehab is substantially complete as evidenced by AIA Substantial Completion form or for new construction, Certificates of Occupancy are issued), the Owner will submit the Application for IRS Form(s) 8609 to Virginia Housing. A third feasibility analysis is performed at that time (second for 4% developments). The final credit amount is the lesser of the amount necessary to make the development feasible and the amount of the earlier Carryforward Allocation.

7.2 Allocation Applications

Virginia Housing sends out customized Carryforward Allocation Applications to developers that have accepted a reservation of 9% credits. If the development is not placed in service in the year of allocation, the developer will receive a Carryforward Allocation for 9% projects. A second feasibility analysis is completed by Virginia Housing to reflect any changes in the development's cost and/or financial structure shown in the Allocation app application, granting a Carryforward Allocation. Carryforward Allocation Applications are due back to Virginia Housing no later than the established deadline posted in the schedule or noted in the Reservation Agreements. A late charge of \$500 per day will be assessed for each calendar day past the due date that the Allocation Application is not returned to Virginia Housing.

At the issuance of the allocation, an allocation representative will be assigned to each development. Please contact your assigned allocation representative if you have any questions during the allocation process.

7. Allocation Information

7.4 Allocation Application Mandatory Items

The following items must be submitted with the Allocation application.

	Mandatory Item
7.4.1	Excel copy of the Allocation Application
7.4.2	Electronic/PDF copy (via Procorem site) of signed Allocation Application and attachments
7.4.3	Attorney's Opinion
7.4.4	IRS Letter Confirming the Assignment of the EIN Number (Form SS-4) to the owner (i.e. LP, LLC, etc.)
7.4.5	Site Control Documentation in the form of (1) a copy of the recorded deed or land lease (or memorandum of land lease) or (2) a copy of the document and recording receipt. It is expected these costs align with the representation made in the Reservation Application. Recording Taxes and Fees should be allocated to the appropriate cost line. If not available at Allocation, this must be submitted by the deadline established in the Reservation documents.
7.4.6	Owner's Certification – must include an itemized list of expenditures. This does not have to be certified by a CPA, unless required by the attorney for the Attorney's Opinion letter. For purposes of calculating the 10% test, the reasonably expected basis in the development consists of land and depreciable property, regardless of whether those items are included in eligible basis.
7.4.7	Commitment or Letter of Interest from Syndicator or Investor
7.4.8	Other documents revised since the Reservation Application
7.4.9	Capital Needs Assessment, if rehab
7.4.10	Phase I Environmental Site Assessment

7.5 Meeting the 10% Test

If the owner has not incurred more than 10% of the reasonably expected basis by the Allocation Application due date, then it must submit documentation to Virginia Housing that more than 10% of the reasonably expected basis has been incurred within 12 months of the Carryforward Allocation Agreement date.

Note: 10% tests are due 30 days prior to the 12-month deadline for meeting the expenditure test.

8. Application for 8609 Information

8.1 Application for 8609

Following submission of the Certificate of Occupancy or Notice of Substantial Completion to Virginia Housing's Tax Credit Allocation Department, the owner will receive a customized 8609 application for their development.

Virginia Housing prefers that loan closings for permanent financing occur before requesting Form(s) 8609. However, if closing has not occurred, you may still submit an 8609 Application. Submit a copy of the permanent funding commitment(s), along with other supporting documentation requested on the 8609 Submission Checklist.

8.2 Deadline for 8609 Applications

The following deadlines must be met for the submission of 8609 application.

Deadline	Description
Within 30 days of construction completion of the units in the last building	Submit notification to VH's Tax Credit Allocation Department no later than 30 days after the units in the last building are ready for occupancy, as evidenced by a Certificate of Occupancy or Architect's Certificate of Substantial Completion (if rehab).
No more than 180 days after construction completion of the units in the last building	Submit the 8609 Application, including supporting documentation (see list above and 8609 checklist).
No later than April 30th (of the second year following the year of allocation)	8609 Applications for developments financed with 9% credits are due. Extensions may be granted for up to 12 months beyond April 30th with prior approval by Virginia Housing.

For both 9% and 4% deals, a completed 8609 Application must be submitted to Virginia Housing within 180 days of the date on which a development's last building becomes ready for occupancy, as evidenced by the Certificate of Occupancy (for new construction) or Architect's Certificate of Substantial Completion (for rehabs).

Special Rule for 9% Credit Developments: According to Virginia Housing's Contract to Enforce Representations, 8609 Applications for 9% credit developments are due no later than April 30th of the second year following the year of allocation. Extensions may be granted for up to 12 months beyond April 30th with prior approval by Virginia Housing.

If the 8609 Application, including requested supporting documentation, is submitted to Virginia Housing late, the owner will be subject to a fine of \$100 per calendar day, up to \$7,500. Form(s) 8609 will not be issued until the fee is paid.

8. Application for 8609 Information

8.3 Occupancy Notice and Final Inspection

The LIHTC Allocation department requires available for occupancy **notifications within 30 days of the last building being placed in service for the following:**

New Construction - A copy of the certificate of occupancy for each building is required.

Rehabilitation - A certificate from the Architect that construction is substantially complete is required.

Section 42 does allow a per unit expenditure test be met for this purpose if substantial completion has not been achieved. The required expenditure amount is \$6,000 plus an inflationary figure that puts the total at approximately \$6,700 per unit. A cost certified per unit expenditure in lieu of substantial completion is required to support the expenditure amount.

8.4 Final Inspection

The LIHTC Allocation Department requires that developments participate in a final site inspection once all work is completed. Phased final inspections may be allowed for an additional fee.

- Documentation for items that cannot be visually seen may be requested during the final inspection, e.g., receipts, delivery tickets, warranties etc.
- The owner will email TaxCreditApps@VirginiaHousing.com after all Certification of Occupancy have been.
- received or a Certificate of Substantial Completion from the Architect has been received. (Please attach the documents to your email.)
- The owner will email TaxCreditApps@VirginiaHousing.com to request a final inspection.
- The final inspection will include a review of amenity items agreed upon by the owner and Virginia Housing Minimum Design and Construction Requirements.

Summary of phased final inspection process:

1. At time of application, developer will submit to Virginia Housing a schedule of phases including which buildings/floors will be included in each final inspection phase, along with tentative substantial completion dates for each phase.
2. Developer will pay an upfront fee to administer the phased final inspection process. Fee is due when the first final inspection is scheduled. See section 11.1 Summary of Program fees for more details.
3. Multiple buildings can be grouped into one phase, but the inspections for those buildings will occur on the same day.
4. Each phase will receive no more than two inspections. An initial final inspection and a follow-up final inspection. If during any of the follow-up inspections the GC has not completed previously identified deficiencies, the tax credit penalty for a failed final inspection will be levied.
5. Schedule initial final inspections of a phase for the same day as the Virginia Housing Construction Control Officer's (CCO) recurring monthly meeting. Follow-up inspection could occur off schedule.

8. Application for 8609 Information

6. Virginia Housing will track 'passed' phases on the CCO field report in an open item labeled 'Final TC inspections.' The item will be updated each time a final inspection walk through phase occurs. A phase that passes a final inspection will be labeled as 'passed' in the field report.

7. At the end of construction, the developer must notify the tax credit department that all phases have passed their final inspection, provide the full development certificate of occupancies and Architect's Certificate of Substantial Completions, and request a full development final inspection. At this point, the CCO will fill out the Tax Credit Final Inspection form to establish one development wide placed in service date. CCO will not reenter previously 'passed' buildings for final inspection purposes, but may need access to the site and common areas to complete the full development final inspection form.

8. Application for 8609 Information

8.5 How to Submit the 8609 Application

An Excel copy of the Application, as well as an electronic/PDF copy of the signed Application and all attachments must be submitted to the development's Procorem site. **Do not e-mail or submit hard copies. The Owner MUST notify TaxCreditApps@VirginiaHousing.com when the application is complete and submitted.**

8.6 Application for 8609 Mandatory Documents

The following items must be submitted with the application for 8609. Submit the following using the Virginia Housing Procorem site:

	Mandatory Item
8.6.1	Completed 8609 Application (active Excel workbook)
8.6.2	Electronic/PDF copy of the signed Application
8.6.3	Recorded Extended Use Agreement (4%), Right of First Refusal (if applicable) and other Virginia Housing-requested supporting documents (see Excel Application Submission Checklist)
8.6.4	Permanent financing documentation (or other docs, if Closing has not occurred). If any developer fee is being deferred, documentation must be provided clearly showing the deferred developer fee is bona fide debt; this may include a Note or other documentation as approved by the Authority.
8.6.5	Construction Contract and GC Cost Certification
8.6.6	Grant Agreement(s), if applicable
8.6.7	Final Partnership Agreement and Development Agreement (if applicable)
8.6.8	Independent Auditor's Report
8.6.9	Final Cost Certification (include 50% Test if a 4%/TEB development)
8.6.10	Certification of Sources and Uses Form
8.6.11	EIN verification for 4%
8.6.12	Energy Star or other Green certification (as applicable)
8.6.13	Final RESNET Form & HERS Reports
8.6.14	SWaM Contract Certification
	Final Universal Design Certification (if applicable)
	Final HAP Contract (if applicable)

8. Application for 8609 Information

8.7 Corrections to 8609(s)

Virginia Housing often receives requests to amend previously issued 8609s (e.g. building addresses or placed-in-service dates that are listed incorrectly on the Application by the owner).

Errors may cause the allocation of tax credits to be invalid and subsequently, cause recapture of the tax credits by the IRS. Due to the administrative burden placed on everyone involved, Virginia Housing will charge \$1,000 for each Form 8609 to be corrected and reissued.

9. Recapitalization

No application for new credits will be accepted for any building or development that is still subject to the compliance period for previously allocated low-income housing tax credits.

Any development having completed the initial compliance period and receiving additional credits must continue to comply with the existing Extended Use Agreement as well as any new Extended Use Agreement restrictions. Beginning in 2025, the Preservation Pool for 9% Credits is available for tax credit projects that are in Year 20 or beyond where the investor has exited. See Section 5.3 for additional information.

An applicant may submit an application for credits for a development for which the extended use period was terminated as a result of foreclosure, provided the applicant has no relationship with the owner or owners of such development during its initial compliance period.

Including in the case of foreclosure, acquisition credits are not available until the initial 15-year compliance period has ended.

10. Qualified Contract Information

All applications that receive an allocation of either 9% or 4% credits waive the right to pursue a Qualified Contract. Also, any principal in a development that pursues a Qualified Contract after January 1, 2019 will not be eligible to apply for an allocation of credits in any subsequent rounds.

Section 42(h)(6)(E)(i)(II) of the IRC created a provision that housing credit agencies respond to requests for presentation of a Qualified Contract (“Request for Qualified Contract”) for tax credit developments with expiring compliance periods. The Request for Qualified Contract is a request that the housing credit agency find a buyer (who will continue to operate the property as a qualified low-income property) to purchase the property for a qualified contract price, calculated pursuant to IRS Section 42(h)(6)(F). If the housing credit agency is unable to present a qualified contract within one year, the extended use period is terminated. However, the development will remain subject to the requirements set forth in Section 42(h)(6)(E)(ii); that is, for a three-year period commencing on the termination of the compliance period, the owner may not (i) evict or terminate a tenancy (other than for good cause) of an existing tenant of any low-income unit, or (ii) increase the gross rent with respect to any low-income unit except as permitted under Section 42 of the IRC, as well as the requirements of the Extended Use Agreement. A qualified purchaser can be a nonprofit or a for-profit entity that agrees to maintain the affordable housing units and fulfill all requirements of the Extended Use Agreement.

Many owners have chosen to waive the right to request a Qualified Contract and have committed to thirty years or more of operation as low-income rental housing. Owners should review the QAP, Tax Credit Application, Carryforward Agreement and Extended Use Agreement to determine whether a waiver is in place for the development.

11. Program Administration

Please refer to this section for questions related to the administration of the federal Housing Credit program.

11.1 Summary of Program Fees – The following fees will be assessed:

Amount	Description	Program
\$1,000 or \$2,000	Application Fee – Applications will not be processed until the application fee is paid. An additional application fee of \$2,000 will be required for any 4% applications that require resubmission and review in the same application round.	9%, 4%
TBD	Appraisal Fee – The appraisal fee (if ordered by Virginia Housing) based on the complexity of the assignment. Virginia Housing will not order the appraisal until the fee is received.	9%, 4%
7% of annual credit amount	Reservation Fee – Assessed only to those applicants accepting a 9% credit reservation; the amount is communicated in a letter sent with the Reservation Agreement; due as instructed in Reservation correspondence from Virginia Housing. If the reservation is not paid in the same calendar year as the application, the application will be terminated and the deal must re-apply.	9%
7% of annual credit amount	Reservation Fee – Assessed only to tax-exempt bond applicants who qualify for an allocation of 4% tax credits; due after the submission of the Application, upon written request by Virginia Housing. This fee will be calculated based on the lesser of the credit amount from Virginia Housing’s feasibility review or the credit amount requested by the Applicant. If at 8609 Application the review causes a reduction in the feasible credit amount, there will be no refund of the original fee, as it is considered a minimum application fee; the Section 42(m) letter will not be issued until the fee is paid.	4%
\$500 per calendar day	Late Submission of Reservation Agreement – fee is assessed when any of the reservation documents, including Reservation Agreement, are not submitted to Virginia Housing by the stated deadlines; communicated to Applicants via Reservation Agreement cover letter; significant delay may result in loss of the reservation. After 5 p.m. on any date is considered the following calendar day.	9%
\$500 per calendar day	Late submission of Allocation Application – fee is assessed per calendar day for each day after the deadline. After 5 p.m. on any date is considered the following calendar day; applications will not be processed until the fee is paid.	9%
\$100 per calendar day	Late submission of Placed in Service documentation – fee is assessed per calendar day for each day after the deadline, up to \$7,500. Placed in service documentation must be submitted within 30 days of being issued.	9%, 4%

11. Program Administration

11.2 How to Submit Payments

Virginia Housing implemented a new [invoice portal to collect fees](#) in 2024. This portal provides options to set up a free one time direct draft from a banking account or charge to a credit card (for an additional 3% transaction fee). Virginia Housing is using a banking provider and no account information will be stored after the transaction is complete.

An invoice will be provided with information on how to access the [Rental Housing Invoice Portal](#); the application fee invoice will be uploaded when a Procorem work center is requested and the reservation fee invoice will be sent with reservation documents. As soon as an invoice is paid within the portal it is considered received.

You may still submit payments by check if you did not elect the points for electronic payments. Checks are considered received at the time they are delivered to the Allocation Department.

Mail checks to:

11.3 Updating Program Information

Periodically, it is necessary to update information relating to the tax credit program due to the availability of new information or to clarify program requirements in response to new questions. Updates will be sent via e-mail and will be posted on the Virginia Housing Housing Tax Credit website. Applicants are responsible for making sure they receive all necessary information for submitting applications. Sign up for important updates [via the tax credit website](#).

11.4 Change of General Partner or Managing Member

Change of General Partner or Managing Member (direct or indirect) is prohibited prior to the development being placed-in-service (PIS) and is subject to approval by Virginia Housing. Per the Extended Use Agreement, the Owner shall notify Virginia Housing and Virginia Housing must approve, in advance, of any sale, assignment, transfer or exchange of all or any part of the development or of any ownership interest in the Owner (other than investor member interests).

In addition, the Extended Use Agreement requires that an applicant that received federal Housing Credits as a result of competing in the Nonprofit Pool, remain a Qualified Nonprofit Organization (as defined in subsection (h)(5)(C) of § 42), and both materially participate in the development and operation of the development and own 100% of the managing member interests in the Owner throughout the Compliance Period. If you are contemplating a change in ownership, structure or management agent, please email Owner-MgmtChange@VirginiaHousing.com.

11.5 Related Entities Limit

No more than 15% of the per capita credit amount may be reserved to any party or related parties, either directly or indirectly, in any credit year. See the QAP for information on related parties and the credit cap. This limitation does not apply to credits awarded to developments funded with tax-exempt bonds but does apply to developments receiving credits in the Accessible Supportive Housing 9% pool. The limit is applied to the year credits are reserved.

11.6 Credit Refresh Process

Requests must be made using the Virginia Housing Change Request form.

Requests will be processed September 1 through September 30, The Consent to Cancel must be formalized by November 1.

Credits that are refreshed will be issued for current year credits.

More than one refresh request for the same project is not guaranteed.

Deals that place in service without a refresh will qualify the Owner for a 10% developer fee boost on one subsequent application.

11.7 Applications are Open to the Public

Applications are subject to review under the Virginia Freedom of Information Act. As such, interested individuals may request the opportunity to inspect and copy them.

Applications for 9% and 4% credits are available for viewing on Virginia Housing's website. Virginia Housing will post applications and all attachments (excluding plans, specifications, and appraisals). Scanned files are listed by year and then alphabetically by development name.

11.8 Authorization of the Executive Director

The Executive Director is authorized to waive or modify any provision herein, where deemed appropriate, for good cause to promote the goals and interests of the Commonwealth in the federal Low-income Housing Tax Credit program, to the extent not inconsistent with the IRC.

11.9 Extended Use Agreement

If, for any reason, an applicant awarded credits requests that Virginia Housing amend or replace a previously issued EUA prior to the close of the Extended Use Period, Virginia Housing may use its discretion to include within such amendment or replacement EUA certain new or updated provisions contained within the form EUA in effect at the time Virginia Housing issues the amendment or replacement EUA to the applicant.

All Virginia Housing forms and additional information can be found on our website at VirginiaHousing.com/Partners/Rental-Housing/Rental-Housing-Tax-Credits.
